

SMOKEY THE BEAR celebrates his 40th birthday and will be in the Elkland Township Fire Department's centennial celebration parade Saturday at 10 a.m. Celebrating her fourth birthday is Sally Finkbeiner, daughter of Mr. and Mrs. Don Finkbeiner. (More pictures and stories on page one, section two.)

Fire department marks centennial

Parade kicks off celebration

A parade Saturday down Cass City's Main Street will kick off the centennial celebration of the Elkland Township Fire Department.

Featured will be as many antique fire trucks and modern fire fighting equipment that Fireman Don Finkbeiner, parade chairman, can find.

After the kick-off parade there will be a fire preven-

tion seminar at Colony House starting at noon.

Fire departments from Huron, Sanilac and Tuscola Counties will participate.

Visitors will be able to examine smoke detectors, fire extinguishers and equipment used to escape from second stories of buildings. There will be wood burning and kerosene burning stoves on display. Demonstrations of

proper use of fire extinguishers are planned and a display of chimney sweeps will be available.

Insurance agents will be present to answer questions about fire insurance and check current policies for proper coverage.

Smokey the Bear will be present and representatives of the Department of Natural Resources fire office will answer questions.

Tentatively scheduled is an officer from the State Fire Marshal Office.

Admission to the Seminar is free. There will be a dance starting at 8 p.m. For the dance only a charge of \$2.50 per person will be made.

Chief Jerome Root Jr. said that the Seminar is not a fund raising event. Any money remaining after expenses will be divided

among the three County Firemen's Association. It will be used for future fire prevention programs.

Root said that the fire fighters want to make the Seminar a family affair and urges that the whole family, including the children, attend Saturday.

The more that attend the easier it will be to make the "learn not to burn" fire prevention program a success, Root concluded.

Total of three-quarters of mill

Propose 2 county tax levies

Whatever the outcome of the Nov. 6 millage increase request by the Tuscola County Commissioners, next year residents of the county will not receive the same services that they have come to expect.

County Commission chairperson Donna Rayl said that if approved, the 0.50 millage request will not be levied until 1986, too late for next year's budget.

It is projected that the county will need an additional \$300,000 to maintain services at their present level.

The five-year, 0.50 millage request is to be used for operating expenses and major maintenance on the county's buildings.

Rayl said that cuts are expected to be made in the budgets of the County Medical Care Facility, Sheriff's Department road patrol and other services. Also cut will be the Cooperative Extension office and other non-mandated programs. Appropriations of federal revenue sharing funds to the health department, mental health and the Tuscola County Road Commission are also expected to be slashed.

Tuscola County levies 4.20 mills, the same as in 1964 when the fixed millage was established. This is the lowest operating millage for a county in the state.

Rayl said that the county has been able to maintain their services by using money from federal revenue sharing funds instead of asking the voters for a millage increase.

Rayl said that child care from Probate Court, the department that houses juveniles who are unable to live at home because of family or legal problems,

was one of the unforeseen expenditures that the county had this year. In 1983 the department spent \$241,662. In 1984 it was budgeted at about \$220,000, but ran out of money in August. The commissioners agreed to fund the department an additional \$259,000 to pay for the increased costs.

"This was the straw that broke the camel's back," Rayl said.

"One way we have been able to continue to operate is to neglect the maintenance repairs on the buildings," Rayl said. "Now they have reached the point where they can no longer be neglected."

Rayl said that the courthouse and the medical care building are in need of new windows and energy saving window coverings. She said that the windows and energy saving measures would save the county a large amount on the cost of heating the buildings. She added that the medical care building needs a new boiler and improvements in the air ventilation system. The courthouse, jail and annex, and the health department building are in need of new roofs. The approximate cost of the repairs and improvements to the buildings are about \$600,000.

Voters will also be deciding the fate of a five-year, 0.25-mill increase that is earmarked for the building and site fund. Voters rejected this increase in August.

The money is to be used for construction of additional office and storage space for the courthouse. Rayl said that the space is needed for storage of records, files and documents

and to relieve congestion in crowded offices.

Rayl said that the 0.50 mill increase would generate the county about \$338,000 a year. On property that is valued at \$40,000, a state equalized value of \$20,000 this would be a tax increase of \$10.

"This is a small amount when you consider the loss of services," Rayl said.

The 0.25 mill increase will generate about \$169,000 per year. On property valued at \$40,000, a state equalized value of \$20,000, this would be a tax increase of \$5.

"If the millage doesn't pass we will be even further behind in 1986," Rayl said.

She said that the millage increases will not benefit the county commissioners any more than it will the residents of the county.

"I don't want to have to make any cuts, but we have to spend the money on the state mandated services," Rayl said.

TOWNSHIP PROPOSITIONS

Residents of Gilford Township will vote on a 3/10-mill levy for library services at the Fairgrove Township Library for the years 1985 through 1989.

Dayton Township residents will decide the fate of a three-year, one-mill levy for construction, maintenance and dust control on local roads in the township.

Voters in Kingston Township will decide if the annual meeting of the electors of the township will be abolished.

Fairgrove Township residents will be asked to confirm a grant of franchise to the Detroit Edison Company for the purpose of erection, construction, and

maintenance of towers, poles, mains, wires, pipes, conduits, apparatus, etc., required for the transmission, transforming and distribution of electricity for public and private use.

Vassar Township residents will decide if the annual meeting of the electors of Vassar Township shall be abolished.

Voters in Almer Township will be deciding

the fate of two proposals.

Proposal one is a request for a grant of franchise to the Detroit Edison Company for the purpose of the erection, construction, and maintenance of towers, poles, mains, wires, pipes, conduits, apparatus, etc., required for the transmission, transforming and distribution of electricity for public and private use.

Offer reward for man who shot DNR officer

The search continues for suspected poachers who shot a Department of Natural Resources conservation officer Saturday night in Juniata Township. Officer Timothy Burke, 39, Caro, was shot in the face during a high speed chase that covered about 10 miles of Juniata Township. He is listed in fair condition at St. Mary's Hospital, Saginaw.

According to Lt. Jim Geilhart, District Officer for the DNR, Imlay City Post, officer Burke and officer Juris Didrichson saw lights of suspected deer poachers in a woods along Hunt Road. Upon investigation, the suspected poachers fled in a four wheel drive vehicle with the officers in pursuit.

During the 10-mile chase, the suspects drove at a high rate of speed and drove on M-46 with their lights off. Geilhart said that the officers were unable to identify the vehicle because they

had covered up their license plate.

Geilhart said that the suspects turned south onto Sheridan Road, pointed a spotlight at the officers' vehicle and fired a single bullet. The bullet, fired from a high powered deer hunting rifle, ricocheted off the hood of Burke's vehicle, smashed through the driver's side of the windshield and entered the dashboard. A fragment of the bullet struck Burke in the mouth. Burke was able to stop the vehicle after being struck. Officer Didrichson administered first aid to Burke.

Road blocks were set up by Michigan State Police officers and the Tuscola County Sheriff's Department, but they were unable to find the suspects.

Although this is the first time that an officer has been shot in this area, Geilhart said that assaults on officers are quite common. He said that about 90

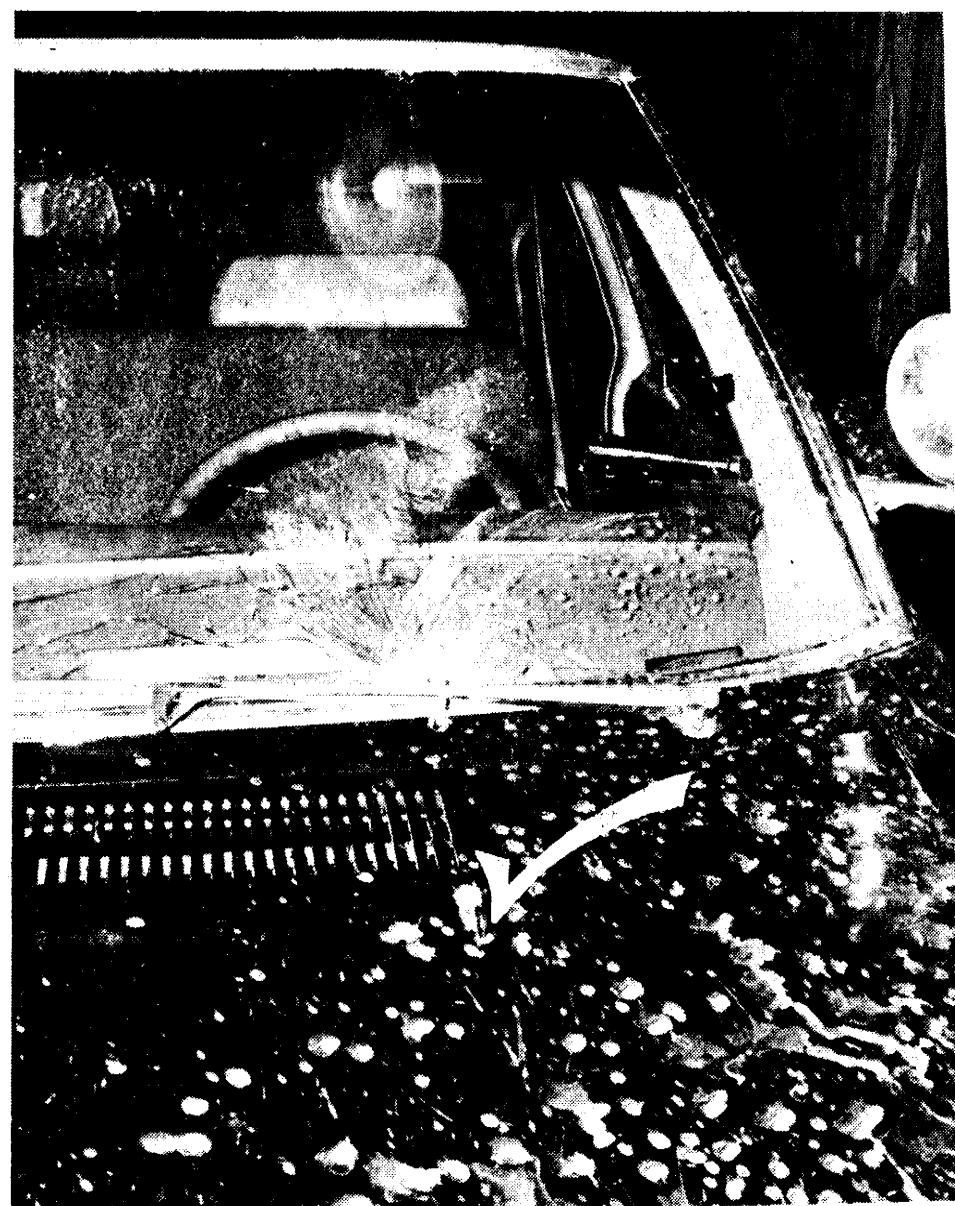

percent of the suspects that they approach in the fall are carrying, or have with them, loaded guns. He added that about three weeks ago two conservation officers were assaulted when they arrested two men for illegal fishing in Willow Creek, Huron

County. Geilhart said that the two men were sentenced to 30 days in the Huron County Jail for assault and battery charges.

Geilhart said that a reward is being offered for information leading to the arrest and conviction of the poachers who shot Burke.

The vehicle that the officers were chasing was a white over red, or off red, Blazer type four wheel drive vehicle with large oversized tires.

To report tips contact the Michigan State Police or call the DNR Rap Line at 1-800-292-7800.

A BULLET from a high powered deer hunting rifle ricocheted off the hood, smashed the windshield of a conservation officer's vehicle, and struck officer Timothy Burke in the face Saturday night in Juniata Township.

Area villages tell plans for Halloween activities

Cass City Police Chief Gene Wilson is hoping for a safe and quiet Halloween in Cass City. But just to be

sure, he has scheduled an extra officer to be on duty for the two nights before Halloween, and for Hallo-

ween night.

Chief Wilson said that in the past few years they have had only minor problems within the village limits, and he wants to be sure that it stays that way.

He said that any pranksters caught "getting out of hand," will be ticketed or taken home. He said that this would depend on their age and what they were caught doing.

Chief Wilson said that parents should inspect their children's treats that their children get for possible tampering of the candy or food. Children should not be allowed to eat any packaged candy that has been opened or appears to have been tampered with. He said that parents should wash and inspect apples and other fruits.

"We would like to see parents escort their children if they are below the junior high school age," Wilson said.

Chief Wilson said that costumes should be made of light reflecting material or light colored material so that drivers can easily spot a child. If the costume is made of dark colored material, the parent should put safety reflecting tape on the costume and carry a flashlight. He added that they should make sure a child's vision is not blocked by a mask.

Chief Wilson asks that

The altar was decorated with matching arrangements of white mums with rose color statice, candleabra and a unity candle. Given in marriage by her parents, the bride wore a romantic matte taffeta gown trimmed with silk venise and chantilly lace. The gown had a modified scoop neckline and camisole bodice accented with silk venise lace. The big puff elbow-length sleeves were edged with taffeta bows at the elbows. The skirt had a full gathered natural waistline and two graceful pick-ups in front highlighted with taffeta bows to show three rows of chantilly lace that also edged the attached chapel length train. The bride wore a venise lace side-flip bonnet picture hat. The

crown was covered in sheer with pearl trim and a large silk flower.

She carried a cascade bouquet of pink and white sweetheart roses, white phalaenopsis orchids with baby's breath and greenery.

Brenda Galbraith, sister of the bride, was matron of honor. She wore a chalk pink matte taffeta gown with ruffled bouffant skirt and full puff above-the-elbow sleeves. She wore a straw hat to match, flipped up on the side with a white plume feather.

Bridesmaids were Carla Switzer of Holt, friend of the bride, Susan Lewis of Lansing, friend of the bride, and Cathy Hicks of East Lansing, sister of the groom. Their ensembles were identical to the matron of honor's except in Daphne Rose. They carried a single pink rose with baby's breath and greenery.

The flower girl was Jamie Hicks, niece of the groom. She wore a white dress highlighted with pink satin ribbon and carried a pink basket of white rose petals with pink ribbon streamers.

Best man was Ed Demmer of Lansing, friend of the groom. Groomsmen were Jim Hicks and Kris Hicks, brothers of the groom, and Jim LaPeer brother of the bride. Junio, groomsmen was Jason Brandenburgh, cousin of the bride.

Ushers were Don Galbraith of St. Louis, Mo., brother-in-law of the bride, and Jon T. Sanford of Lansing, cousin of the groom.

The bride's mother wore a street-length turquoise blue dress with sheer long sleeves. She had a corsage of white carnations and two pink sweetheart roses. The groom's mother wore a mauve suit and a corsage of white carnations and two pink sweetheart roses.

Soloist was Susan Lewis. Musical selections were "O Father, All Creating" and "The Wedding Song." A special Bible verse was recited by Jason Brandenburgh.

The afternoon reception followed the ceremony and was held at the Hilton Inn, Lansing, for 150 guests.

The bride and groom are residing in Lansing.

"If It Fitz...."

An exercise in futility

By Jim Fitzgerald

"Would you rather have fat or muscle?" Cher keeps asking me via TV and newspaper ads. I wish she'd shut up. It is because of shameless exhibitionists like Cher that my wife bought me an exercise bike.

In case you are one of those people who go to the symphony and watch public TV, I will tell you that Cher is a singer-actress so thin there isn't room for a last name on the name tags sewn to her clothes. If it weren't for the name tags, the wrong person might get Cher's overcoat back from the cleaners and wear it for a shoe lace.

Cher is so skinny she is even allowed to hang around Vic Tanny exercise salons. Exercise helps fat people lose weight, but really fat people aren't allowed to exercise at Vic Tanny's because they would damage Vic's sylphy image. Which certainly makes as much sense as a restaurant refusing to sell food to a really skinny per-

son.

Anyway, I've always refused to jog or otherwise leave my favorite chair in search of exercise because I have to stay home and watch Vic Tanny commercials on TV. They are what keep my pulse pulsing. I often told my wife if there were some way I could exercise and watch Vic Tanny TV commercials at the same time, I'd do it.

So she bought an exercise bike through the mail. Exercise bikes go nowhere. When I was young, I knew a boy who liked to put his two-wheel bike up on its parking standard so he could pump the pedals without going anywhere. He giggled a lot and said riding a bike that way made it easier for him to find his way back home. In those days, I called him a silly twit. Today, I would call him Richard Simmons.

"You can pump an exercise bike and replace your fat with muscle while watching TV," my wife

said, and I had to admit it made more sense than jogging around the block 1,000 times every evening with a TV set tied to my nose.

The trouble with buying something through the mail is that, unless it is socks, it doesn't arrive fully assembled. So far, the only exercise dispensed by my new bike was emotional exercise, while it was being put together.

My wife helped me. She read the easy directions out loud while we sat on the floor on opposite sides of the bike parts. It was a touching scene of domestic togetherness that could have been painted by Norman Rockwell. Some of the easy directions, according to my wife, were: "1) Remember that bike will be good for you once it is assembled. 2) Note that it is extremely dumb not to be able to tell a bike's pedal from its seat. 3) Don't forget that bike cost over \$100 and it is extremely wasteful to throw it out of a 26th-floor window before it is fully assembled. 4) Quit griping and shut up."

My emotions became most fully exercised while my wife was wielding her screwdriver in concert with my pliers. From one side of the bike, she screwed bolts into nuts that, on the other side, I held firm with my trusty pliers. At one point, she said the bolt was slipping because I wasn't holding firm enough. She said this several times. Although I strengthened my grip on the pliers until even my feet ached, she kept complaining that the bolt was still slipping.

Finally, I peeked over on her side of the bike and discovered she was screwing a bolt one hole away from the nut I was holding. I told her she was screwing the wrong bolt. "Don't be silly," she said, "you are holding the wrong nut."

One of the best features of my exercise bike is you can fold it up and put it in a closet. You can't do that with a wife.

Kathleen and Andrew Hoag

Kathleen Louise Day and Andrew Lewis Hoag exchanged vows Aug. 25 at the Adrian College chapel. The Rev. Jack Lancaster officiated at the one o'clock candlelight ceremony.

The bride is the daughter of Edward and Janet Day of Atlanta, Ga. The groom is the son of Merle and Peg Hoag of Northville and grandson of Andy and Eva Hoag of Decker.

Matron of honor was Beth Craig, cousin of the bride, of Houston, Texas. Bridesmaids were Jackie McDonald, Carol Ahrens and Karen Marion, friends of the bride, all of Clinton.

Chris Bonomo of Tipton was best man. Groomsmen included Gordy Studnicka and Brad Brown, both of Clinton, and Jim Tice of Ann Arbor.

Ushers were Geoff Day of Evless, Texas, brother of the bride, Greg Day of Monrovia, Cal., cousin of the bride, Bill Whitaker of Somerset, MI, uncle of the bride, and Joel Hoag of Saginaw, brother of the groom.

The reception following the ceremony was held at Maple Village in Adrian. Both are 1979 graduates

of Clinton High School and 1984 graduates of Michigan State University.

He is a special education teacher at Jackson Torrant Center and she is a self-employed graphic designer.

The couple are making their home in Jackson.

(And anyone else he can get to help.)

In the past week we've received letters to the editor from persons who are not regular readers of the paper. These letters push candidates or measures up for vote and are obviously part of an organized campaign. These we do not print.

As always there's a grey area. One such is printed this week. Because Dr. Gary Picquet is an assistant professor of economics at Saginaw Valley, his letter is published although the tone of his letter started me speculating about him. It's not the kind you'd expect from an economics prof.

Pheasant season opened Saturday, but you'd scarcely know it if you looked for hunters around town.

There haven't been many hunters around for the last few years, but this year I'd guess that there were fewer than ever before.

If you can believe the reports, that tied right in with the number of pheasants...fewer than ever before.

We couldn't find one hunter with a couple of birds to photograph, although it's sure that some were that successful, but they were few and far between.

Sunday at 2 a.m. everyone gains the hour lost last spring. That's when clocks are set back for the winter and early spring days.

It's a good system, but it has a flaw. The time change comes about a month too late. What's the advantage of wandering around in the dark in the morning when there is no time to do anything in the daylight in the evening anyway?

Courthouse to hold open house Oct. 25

An open house will be held at the Tuscola County Courthouse Thursday, Oct. 25, from 7:00 p.m. to 9:00 p.m.

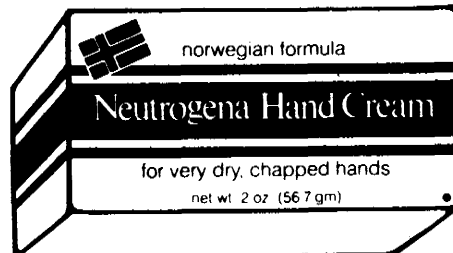

Elected officials and other county employees will be available to answer questions and discuss the two county millage propos-

als on the Nov. 6 ballot. At the Nov. 6 election, the commissioners are asking voters to approve a five-year, 0.50-mill increase to be used for capital improvements and a five-year 0.25-mill increase to build an addition to the courthouse.

truck races at 40 mph, it's "Look at those reckless fools." When they open the floor to get at a blaze, "There goes the ax squad."

It's easy to understand why fire fighters are sensitive about remarks like this. Every volunteer is gung-ho for the job and spends hours in training and schooling. When disparaging remarks are overheard, it has to rankle.

The irony of it all is that most of the time these off-the-cuff remarks are made with tongue-in-cheek. Thoughtless people make comments just to smart off, not because they really believe what they are saying.

If you get right down to it, the reverse is true. Most folks appreciate what the fire fighters are doing for the community.

There's proof for that where it counts. In the pocketbook. When the fire department needed extra mileage, it passed easily at the time when other mileage requests were failing.

Perhaps one reason for the support is that most of us know that we receive fire protection at a fraction of the cost of a paid fire department.

A bigger reason is that the volunteers work hard to give us the best protection possible.

It's a labor of love with them, sure. But that doesn't make it any less beneficial to us.

The seminar Saturday is the center around which the Elkland Township Fire Department is commemorating 100 years in Cass City.

If you find time to visit Saturday, it might be a fine time to tell your fire fighters what you really think of the job they are doing.

Your appreciation is really what they are working for, you know.

That doesn't cost a thin dime and you can't count what it is worth.

To them and to you.

Caro man sentenced to six months in jail

Monday, Circuit Court Judge Patrick Joslyn sentenced a Caro man to six months in the Tuscola County Jail after he pleaded guilty to attempted larceny from a motor vehicle.

Anthony A. Bennett, 24, 322 Wells St., Caro, was originally charged with larceny from a motor vehicle and attempted larceny from a motor vehicle. The charges stem from the theft of a radio from a pickup owned by Fred and Lee Bennett, Caro, and attempted larceny from a van owned by Ben Collon, Caro, June 27.

Bennett was also sentenced to three years' probation and ordered to pay a \$300 fine and \$300 court costs. He is also to make restitution of \$84. He has been credited with 13 days already served.

Judge Joslyn accepted a guilty plea from Rodney L. Wakefield, 20, 4091 Crane Road, Cass City, on charges of attempted larceny over \$100.

Wakefield was originally charged with larceny over \$100, stemming from a theft of a chainsaw owned by David Leiterman, Leach St., Cass City, Aug. 8.

Wakefield will be sentenced Dec. 10. Bond continues at \$5,000.

Rites held for Cora Klinkman

Mrs. Cora Klinkman, 96, a lifelong resident of the Cass City area died Sunday, Oct. 21, at her residence.

She was born Sept. 30, 1888, in Elkland Township, the daughter of George and Catherine (Warner) Helwig.

Miss Helwig was united in marriage to Harvey R. Klinkman Feb. 10, 1914, in Elkland Township where they made their home. Mr. Klinkman died Dec. 8, 1947.

Mrs. Klinkman was the oldest member of Salem United Methodist Church of Cass City. She had been a seamstress for over 60 years and was a member of the American Legion Auxiliary of Cass City.

She is survived by one son, Dorus (Dutch) Klinkman of Cass City, and one daughter, Mrs. William (Charlotte) Roblin of Caro; ten grandchildren and 17 great-grandchildren. Two sons, Keith and James, and two grandsons preceded her in death.

Funeral services were conducted Tuesday at 1 p.m. from Little's Funeral Home, Cass City, with Rev. Clare Patton, pastor of Salem United Methodist Church, officiating.

Burial was in Elkland Cemetery, Cass City.

Services held for Thelma McAlpine

Thelma K. McAlpine, 71, of Gagetown succumbed Oct. 22.

She was born in Greenleaf Township, Sept. 19, 1913, the daughter of John M. and Mary Ann (McRae) Palmer.

She moved into Cass City as a young girl in 1918, attending Cass City School.

Miss Palmer was united in marriage to Benjamin McAlpine Nov. 26, 1930 at the Methodist Church of Gagetown by Rev. G.M. Grinnell. The couple made their home in Huron County.

Mrs. McAlpine is survived by her husband, Benjamin; four sons, Harold McAlpine of Cass City, Gerald McAlpine of Gagetown, Robert McAlpine of Silverwood, Bruce McAlpine of Bay City; three daughters, Mrs. Junior (Betty) Olsow of Gagetown, Mrs. Fred (Donna) Schulz of Caro, Mrs. Jesse (Ruth Ann) Wilbertson of Argyle; one brother, Harry Palmer of Uby; 22 grandchildren and 12 great-grandchildren.

She was preceded in death by an infant daughter in 1937; her mother and father; one granddaughter, Betty Lynn Schulz; three brothers, Pearly, killed in World War I, Leroy Palmer and John D. Palmer of Cass City; two sisters, Mrs. Wallie (Annie) Ball and Mrs. George (Sarah) Kastruba.

Funeral services were held at 1:00 p.m. Wednesday from Little's Funeral Home, Cass City, with Rev. James Rule, of the United Methodist Church, officiating.

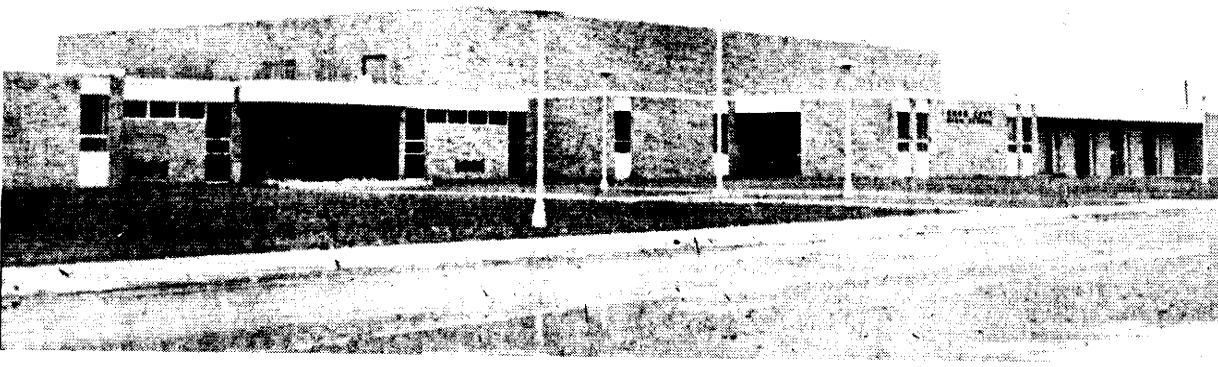

Burial was in Elkland Cemetery, Cass City.

PROVINCIAL HOUSE in Cass City received gifts from the Caro VFW Post Ladies Auxiliary. Included were electric razors, water mattress and cushions and blood pressure kits. In addition, Auxiliary members Nancy Lawrie and Pricilla Lord worked with Mary Vatter, director of activities, and residents at the facility.

CASS CITY SCHOOL NEWS

Proposal C would cost school money

Political candidates and political issues are starting to prevail in the news media. As November 6th draws closer the intensity of the political propaganda will increase to almost offensive proportions. One issue that has already received considerable attention and one that will continue to be placed before us on T.V. and in the news is Proposal C.

If it passes, Proposal C will severely restrict state revenues. Estimates are that the State general fund revenue will be cut by about \$285 million in 1985 and by \$524 million in 1986. State School Aid will be cut by \$92.2 million in 1984-85 and by \$153 million in the 1985-86 school year. The Cass City Public Schools is anticipating a loss in state aid this school year of \$85,300 and a loss next year (1985-86) of \$152,800 if the proponents of Proposal C are successful.

One of the most noteworthy quotes regarding Proposal C was made by Robert Tisch. Mr. Tisch is well known as a tax cut proponent and was the driving force behind the Tisch

amendment to reduce State taxes. Mr. Tisch has gone on record saying, "Proposal C will not do what it purports to do, and if it did, it would hurt the very segment that we care for—K-12 education. It's bad and dishonest."

Those of us associated with the Cass City Schools do not think that Proposal C is dishonest. However, we do think that it is bad because it is subject to various and conflicting interpretations. We know that if it passes it will result in most units of government requesting an increase in property taxes to take the place of the lost state aid. There is certainly a need to modify the tax structure in Michigan but the changes should be carefully planned and implemented in an orderly and well understood manner. We do not believe that a program that will result in a shift to higher property taxes is the answer.

Sincerely yours,
Donald G. Crouse

Lucile Ranck, 68, of Berkley, dies

Funeral services were held Friday for Lucile M. Ranck, 68, of Berkley at the First United Methodist Church of Berkley.

Mrs. Ranck died Wednesday, Oct. 17, at William Beaumont Hospital in Royal Oak. She was born in Cass City July 21, 1916. Her husband George J. died June 3, 1980.

Survivors include five children, Thomas L. of Chesterton, Ind., Ronald G. of Randolph, N.J., Mrs. William (Sandra) Limacher of Wanetka, Ill., Jeffrey L. of Troy and Joseph B. of Berkley. Others surviving are a brother, Darwin Bailey of Ypsilanti, and a sister, Mrs. Richard (Catherine) Van-Winkle of Tipton, Mich., 10 grandchildren, and one great-grandson.

Burial was in Roseland Park Cemetery, Berkley. Memorials may be made to the Michigan Cancer Foundation.

Only four chemicals regulated by the EPA

Since the Toxic Substances Control Act was passed seven years ago, the Environmental Protection Agency has regulated only four existing chemicals, reports the National Wildlife Federation. Presently, 60,000 chemicals are in commercial use and 1,000 new chemicals are proposed for manufacture every year. This finding was part of a recent U.S. General Accounting office report that concludes the federal government is doing a poor job of enforcing laws designed to protect the public from toxic chemicals.

Commission mulls home occupation ordinance changes

At a Village of Cass City Planning Commission meeting Tuesday, Oct. 16, Village Superintendent Lou LaPonsie presented commission members with several alternatives to existing ordinances pertaining to home occupations within village limits.

The alternatives, written by Stanley Woodhouse, Villan-Leman & Associates, Southfield, the village's planning consultant, were drawn to restrict home occupations.

Under the present ordinance, a home occupation shall not exceed 200 square feet or 20 percent of the floor area of the residential structure. In his letter Woodhouse stated that in a 600 square foot home, this could amount to 33 percent of the building's available floor space for nonresidential use. With a 2,400 square foot home it would permit a home occupation business to occupy 480 square feet.

Under the proposed alternative, the home occupation business would not be allowed to occupy more than 200 square feet, or 20 percent of the ground floor of the structure, whichever is less.

Under the present ordinance, an owner of a home occupation may not employ more than one assistant in the home, provided that family members shall not be counted as employed.

Woodhouse stated that this provision offers the greatest potential for the intensification of a home occupation. He said that by adding the employee, an additional vehicle may be involved. Also a greater

number of customers would be involved. This would require additional parking spaces which could create adverse impacts on the surrounding neighborhood.

Woodhouse added that a home occupation such as a sales representative may never have a client or supplier visit the home, but a service or product based occupation may generate traffic and parking problems.

Woodhouse offered two alternatives to the total number of employees and clients to a home occupation. The first alternative would limit the total number of employees, without regard to family members working in the business to two persons at any one time.

The second alternative would be to limit the total number of parking spaces to the home occupation to not more than two vehicles at any one time.

The present ordinance reads that there shall be no alteration in the residential character or function of the premise and that a garage or any other building may not be used for the home occupation. The ordinance also states that the parking area shall not be altered from a residential to a commercial parking area.

Woodhouse's alternative states that the home occupation shall not occupy any structure other than the main residential structure. Outside displays of merchandise, products and services are prohibited. The use of a window for displays is also not allowed.

Woodhouse explained

that because the home occupation is to be incidental to the residential zone, there should not be a need for a large parking area. He added that some of the businesses already have an existing double driveway or the business may require one or two cars to be parked on the street. This would not be any different than a residence having a normal visitor situation.

Presently owners of a home business are allowed one nonilluminated nameplate no larger than two square feet that must be attached to the building.

Woodhouse presented two alternatives to the display ordinance. The first alternative is identical to the original ordinance, except that it allows the business operator to display the sign in the front yard.

The second alternative would be restricted to the same size and locations, but only the name of the resident and the house number could be printed on the nameplate.

The commissioners are to review the proposed alternatives to the zoning ordinance, and act on the changes at a later meeting.

In other business, the commissioners informed Bill Scott of Hillside Beauty Shop, 6263 Church St., Cass City, that a sign on the property was out of compliance with the zoning regulations. Scott said that the sign would be made to comply with the ordinance.

Commissioners also reviewed the 26 zoning permits issued in 1984.

HARVEST TIME

WE ARE NOW ACCEPTING CORN & SOYBEANS

Pillsbury Co.

Cass City Ph. 872-2171

Area farmers almost finished with 1984 dry bean harvest

According to agriculture agent reports, farmers in Huron and Tuscola Counties are about 95 percent finished with the dry bean harvest for the year.

Andy Sommers of the Huron County Agricultural Extension office said that they are estimating a dry bean crop of about 11.25 hundredweight (cwt.) per acre, down from an average year's yield.

Sommers said that about 80 percent of the corn silage has been taken off and some early corn is being shelled. Sommers said that farmers are waiting for the corn's moisture level to go down. He said that the corn that has been shelled is at about 35 percent moisture. A nor-

mal moisture level is between 20 and 25 percent.

About 50 percent of Huron County's soybean crop has been harvested. Sommers said that the soybean crop "is real good" in the county. He said that in a MSU test field they averaged 50 bushels to the acre.

About 90 percent of the wheat in Huron County has been planted.

Farmers had been waiting for cooler temperatures before harvesting any more sugar beets. Dave Sunderland, vice-president in charge of agriculture for Michigan Sugar Company, said that because of the warm weather they have not been able to stockpile beets. He said that they

have kept enough beets on hand so that they could operate the processing plants and continue to operate even if the heavy rains delayed the harvest.

Saturday, both the Caro and Sebawaing plants began accepting beets from farmers. Sunderland said that it is a good year for beets, with expected yields of 18 to 19 tons per acre.

Dennis Stein from the Tuscola County agriculture extension office said that about 97 percent of the dry beans have been taken off. An estimated yield on the bean crop is about 10.5 cwt. to the acre. This is down from an average yield of about 13 to 14 cwt. per acre.

Stein said that soybeans are showing a good yield and that the moisture level is about 16 to 21 percent. An ideal moisture level is around 15 percent.

In Tuscola County about 80 percent of the wheat has been planted and some shelled corn has been taken off. Stein said the moisture level of the corn is still too high at about 30 percent.

HDC to distribute surplus food in Cass City Nov. 9

The Human Development Commission (HDC) will be having a surplus commodity distribution Nov. 9 from 10:00 a.m. to 12:30 p.m. at the Cass City Village Park in the Lions Pavilion and at the Caro Fairgrounds, Caro.

Mary Ann Vandemark, executive director of the HDC, said that double quantities of cheese, butter, honey and flour will be given away to eligible households. Individuals are asked to bring cardboard boxes to carry their commodities. The distribution will be held until the supply is exhausted.

Individuals must report to the distribution site in person, and present their Surplus Commodity Registration Card. Those who are unable physically to go to the distribution site may have someone pick up their surplus commodities only if their Surplus Commodity Registration Card is shown. Because of the volume of commodities being provided, senior citizens and handicapped individuals are encouraged to have someone pick up the commodities for them.

Vandemark said that all households receiving a form of public assistance, such as Aid for Dependent Children, General Assistance, food stamps or social security income, may be

eligible to receive surplus commodities. People living on fixed incomes or unemployment benefits and those who have received services through the HDC may also be eligible to receive surplus commodities.

Individuals who have not yet received a surplus commodity card are to register at the Human Development Commission Office in their county before the distribution. For an appointment to register for a surplus commodity card or for additional information, call 673-4121.

FmHA to review farm loans to be set aside

According to Henry L. Knier Jr., Tuscola County supervisor for the Farmers Home Administration (FmHA), reviews on loan accounts to see if a farmer is eligible for a one time set aside of part of their FmHA loan will be held immediately.

Knier said that the FmHA has been authorized to set aside up to 25 percent of a maximum loan of \$200,000 for farmers who are experiencing a severe financial difficulty. The reviews will be held to determine if setting aside a part of their loan will help the farmer's cash flow.

"We will begin scheduling appointments for our borrowers to review their accounts to determine if they need special assistance, and to see if we can make that assistance available," Knier said.

"Not every borrower will qualify for the set aside, but there might be some other way to help, such as consolidation or rescheduling of existing loans," Knier said. "We will look at all alternatives."

With the exception of accounts in bankruptcy or foreclosure or those determined able to graduate to other sources of credit, all accounts will be reviewed.

Walbro Corp. net sales up 21% over last year

Lambert E. Althaver, President and Chief Executive Officer, Walbro Corporation, reported consolidated net sales of \$17,193,594 for the three-month period ended Sept. 30, 1984, up 21 percent from sales of \$14,151,947 for the same period in 1983. The company posted net earnings of \$924,461 for the period, compared with earnings of \$383,162 for the third quarter of 1983, an increase of 141 percent.

The sales and earnings results represent third quarter records. The previous third quarter sales and earnings records were set in 1983.

On a per-share basis, earnings for the third quar-

ter of 1984 were \$.63, based on an average of 1,468,143 shares outstanding. This compares with \$.33 for the third quarter of 1983, based on 1,168,143 shares outstanding.

For the first nine months of 1984, sales totaled \$53,478,604, up 32 percent from \$40,656,452 for the same period in 1983. The company earned \$2,649,493 during the period, compared with earnings of \$1,212,137 for the first nine months of 1983, an increase of 118 percent.

Per share earnings for the first nine months of 1984 were \$1.98, based on an average of 1,334,810 shares outstanding. This compares with \$1.04 per share for the first nine months of 1983, based on 1,168,143 shares outstanding.

In announcing the third quarter results, Althaver noted that the demand for Walbro products remains strong, and that the outlook for the fourth quarter is favorable.

"Shipments of automotive throttle bodies and small engine diaphragm

carburetors remain high," the Walbro Chief Executive said. "In addition, new float feed carburetor production for lawn and garden applications is now coming onstream."

"Electric fuel pump shipments to the automotive replacement market also continue at high levels," Althaver said.

"Shipments of electric fuel pumps and custom manufactured die castings and plastics parts to the automotive original equipment market were lower than expected in the third quarter, due to delays in new model startups," he noted. "Shipments of these products are scheduled to increase during the fourth quarter."

Walbro Corporation is a manufacturer of small engine carburetors, automotive fuel systems, die castings and plastics, with facilities in the U.S., Mexico, Japan, Singapore, and West Germany. Walbro is traded over the counter under the symbol "WALB," and is listed in the NASDAQ NMS stock table.

Blight test available for beans

Farmers who will be using dry beans grown on their farm for seed next spring are encouraged to have the seed tested by the Laboratory Division of the Michigan Department of Agriculture for bacterial blight.

William L. Bortel, Tuscola County Extension Director, said that there was a tremendous amount of bacterial blight found in a large percentage of dry bean fields during the last growing season, and it is important to test the seed for possible blight problems.

Until Dec. 15 a bacterial blight test will be \$5 per sample. After Dec. 15 the cost will be \$15. Bortel said that the increase in cost is because the laboratory will be concentrating on other tests after Dec. 15. A germination test is available for an additional \$2.50. A bean common mosaic test is available for an additional \$5.

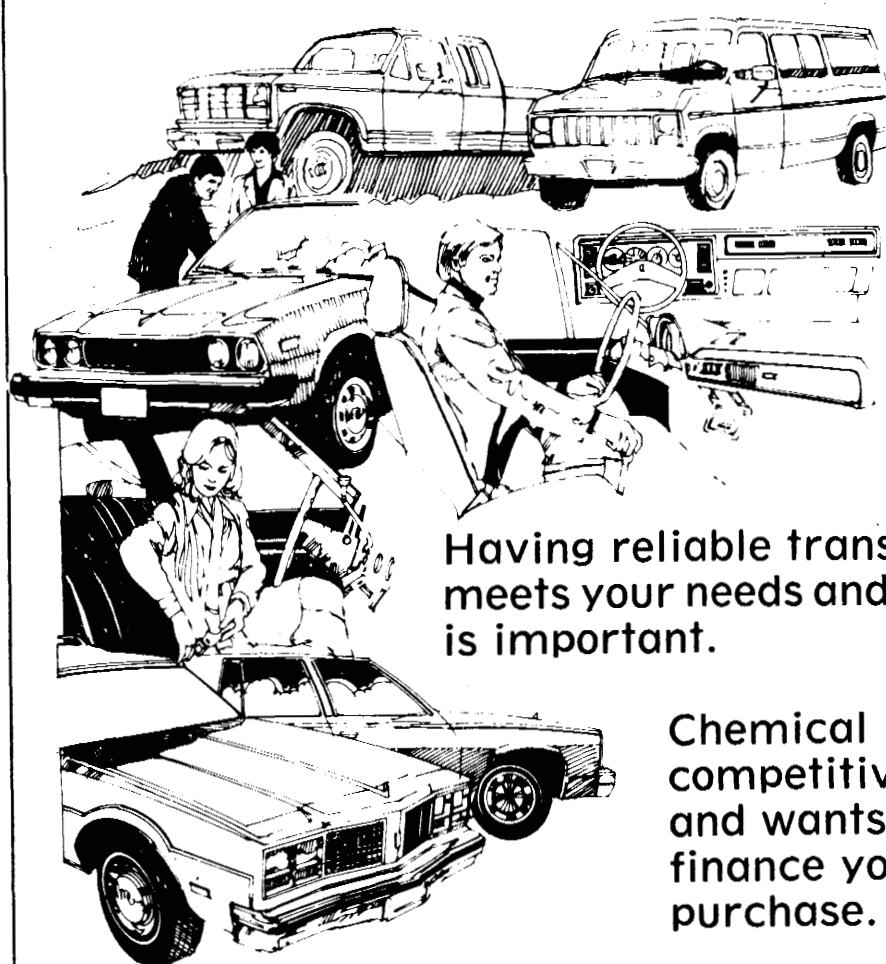

Bortel said that bean growers must submit a five-pound sample and a bean analysis request form to the Tuscola County Extension office, 420 Court St., Caro. The Extension office will mail a copy of the form to the farmer. To request a copy, call 673-5999, extension 228.

"It is extremely important that bean growers test any potential seed lots which might be planted for seed during the coming year. The blight test is a small price to pay to assure a grower of blight free beans," Bortel said.

Hawks play for pride after loss to Caro

The Bad Axe Hatchets and the Cass City Red Hawks will be playing for pride only when they meet at Bad Axe Friday.

Both clubs are in the midst of so-so seasons with 2-4 Thumb B Association records following losses last Friday. Cass City fell to Caro, 16-10, and the Hatchets were overpowered by Vassar, 40-14.

It was a strange game in Cass City. Both clubs moved the ball well in the first half and neither could muster a sustained drive in the last half.

The Hawks used their air arm in the first quarter to score. Early in the period Cass City drove from its own 48 to the Caro four only to lose the ball on downs.

Bryan Beecher ran for a first to the Caro 45. A pass from Beecher to Al Leslie moved the ball to the eight before the Tigers stiffened to hold.

Cass City turned a break into a touchdown a few plays later. Caro fumbled on its own 20 and Beecher recovered for the Hawks.

A few plays later, Beecher sprinted to his left and hit Tim Brown for the first marker of the game. The kick was good.

The Tigers took the lead early in the second quarter after a poor punt gave them

the ball on the Cass City 30.

Tearing holes in the Hawk line, Caro moved on the ground for a first on the five from where Ryan Spaulding punched over. A pass from Spaulding to John Lundstedt put the Tigers ahead, 8-7.

Cass City moved the ball through the air again to re-take the lead. A pass to Dan Smith was good for 35 yards and a toss to Leslie gave Cass City a first on the 13.

When the drive stalled, Beecher kicked a 28-yard field goal and Cass City was in front 10-8 with 6:54 left in the half.

The Tigers beat the clock and the Hawks for the game winning score. Picking up yardage through the line,

the visitors moved steadily down the field.

It looked as if the drive was halted when it was fourth and long yardage with 45 seconds left.

Spaulding then passed to Jim Cross. Cross took the ball and was apparently stopped three times short of the goal but he shook off Hawk tacklers one after the other and scored. Cross also took a Spaulding pass for the extra points.

That ended the scoring. Cass City's chances for getting back in the game in the last half were hurt by fumbles and turnovers.

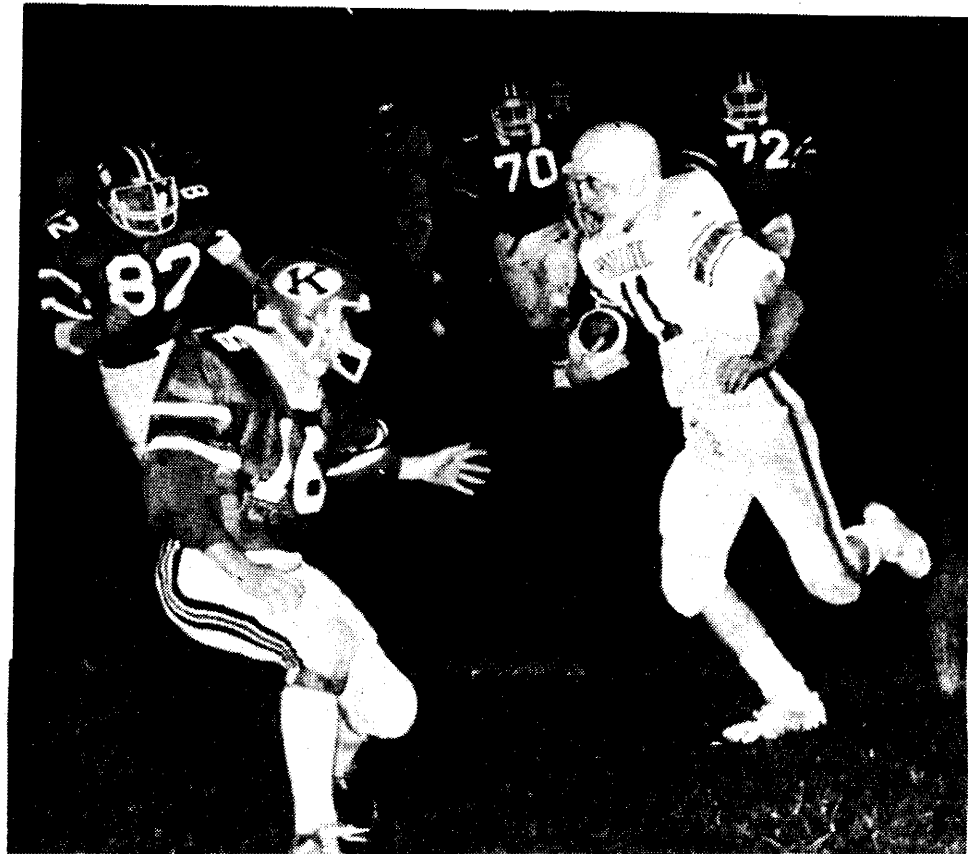

The Hawk defense was led by Tracy Lapp with five solo tackles, 13 assists and a pass interception. Rod

Anker continued his fine play with two solo tackles and 18 assists.

OWEN-GAGE quarterback Reid Goslin scampers around left end for a 30-yard gain against Kingston Friday night. The gain was nullified by a facemask penalty. Owen-Gage lost the game 27-6.

O-G meets A-F Friday

Kingston wears out Bulldogs

Owen-Gage held the Kingston offense scoreless for almost three quarters before the Cardinals finally overcame the smaller Bulldogs to win 27 to 6 Friday night.

"They finally wore us down," said coach Arnie Besonen. "They were bigger, stronger and faster."

Besonen said that the Bulldogs were able to keep the Cardinals off the scoreboard in the first half because they tried to pass against them. In the third

quarter Kingston began to break down the Bulldog defensive line. From that point it was Kingston's game.

Besonen said that he went into the game without two of his regular starters and one reserve player because of academic ineligibility. During the pregame warmup strong safety Angelo Batisti twisted his ankle. He was unable to play in the game. Besonen said that the loss of the three starters hurt the Bulldogs.

"We have to put our chin straps back on and get back to work," Besonen said about preparing for their last home game against the Akron-Fairgrove Vikings Friday night.

The Vikings won their first league game Friday night against Carsonville-Port Sanilac 22-0. They were able to hold CPS to 47 yards total offense, while rolling up 368 yards in the game.

Besonen said that the game against A-F will be

special for the players because it will be Dad's night. Before the game the players will escort their parents onto the field to be introduced to the crowd.

Against Kingston, Owen-Gage got on the scoreboard first when quarterback Reid Goslin scrambled over from the two yard line to put the Bulldogs up 6-0. The touchdown was set up by an interception by Ron Susalla. Susalla returned the stolen pass for 28 yards, to the Kingston 2-yard line. The extra point kick was missed.

The rest of the game belonged to Kingston and running back Jeff Boyl. Boyl scored on a 6-yard run in the quarter and twice in the fourth quarter. Cardinal running back Dean Scheckles added the final score on a 35-yard run late in the game. Kingston's Leo Rassmussen kicked three extra points. Boyl gained 110 yards against Owen-Gage. Matt Ricker led the

Bulldog defensive surge with 19 tackles and an interception. John Shope had 13 tackles for Owen-Gage. Bill Ashmore had two tackles and a fumble recovery for Owen-Gage.

Kingston's Dave Wright led their defense with 13 tackles.

Owen-Gage gave up 280 yards of total offense to the Cardinals. The Bulldogs were held to 114 total yards. Victor Batisti was the top ground gainer for Owen-Gage with 52 yards.

Their Friday game against Akron-Fairgrove will start at 7:30 p.m. in Owendale.

Unbeaten Caro wins cross country crown as Hawks battle to win 2nd place

Considering that it was almost a foregone conclusion that Caro would dominate the boys' and girls' cross country racing in the Thumb B Association this year, Coach Doug Grezeszak has to be pleased with the Hawks' performances in the league.

Grezeszak said that both of his teams ran as well as they could Tuesday, Oct. 16, in the league meet at Caro.

BOYS' RESULTS

Caro finished the season undefeated in dual meets and in the league meet with a total of 40 points. Cass City was second with 32 points. Finishing in the following order were: Vassar, 22; Marlette, 18; North Branch, 8; Lakers, 0.

Oddly enough, North Branch, which finished next to last, had the top runner, Greg Morey, who finished in 16:34.

Cass City's best time was posted by Kevin Bliss in 16:55 for fifth place. Other Hawk times were: Kurt Bliss, 17:12; Del Kostanko, 17:22; Brett Toner, 18:11; Russ Auten, 18:57; Jim Schmalz, 20:01; and Mike Jones, 20:05.

Grezeszak singled out the performance of Kostanko and said his big improvement was because he ran over 500 miles during the summer. He is a credit to our team, said the coach.

GIRLS' RESULTS

Grezeszak said that finishing in front of Marlette this season was a big improvement for Cass City girls.

The final standings:

Caro.....	38
Cass City.....	58
Marlette.....	63
North Branch.....	79
EPBF.....	132
Vassar.....	133

Kristine Golsch of Caro was the top runner in the league meet with a time of 20:42. Cass City's top finisher was Ruby Bryant, who was sixth in 21:34.

Other Hawk finishes were: Chris Tuckey, 8th in 21:55; Gilly Bryant, 12th in 22:15; Katy Scollon, 13th in 22:16; Ann Leslie, 19th in 22:46.

Grezeszak said that major strides were made this season by the only freshman on the squad, Katy Scollon.

Owen-Gage girls lose to Deckerville and Kingston

The Owen-Gage girls' basketball team lost to Kingston Tuesday night 43 to 33. The girls have yet to win a league game this season.

Linda Retford was top scorer for the Bulldogs with 15 points and 23 rebounds. Kim Olszak scored eight points in the losing effort.

Coach Don Cummins said that 29 third period turnovers were the turning point for Kingston. At the end of the half Kingston led by one point. At the end of the third period they were ahead 31-21.

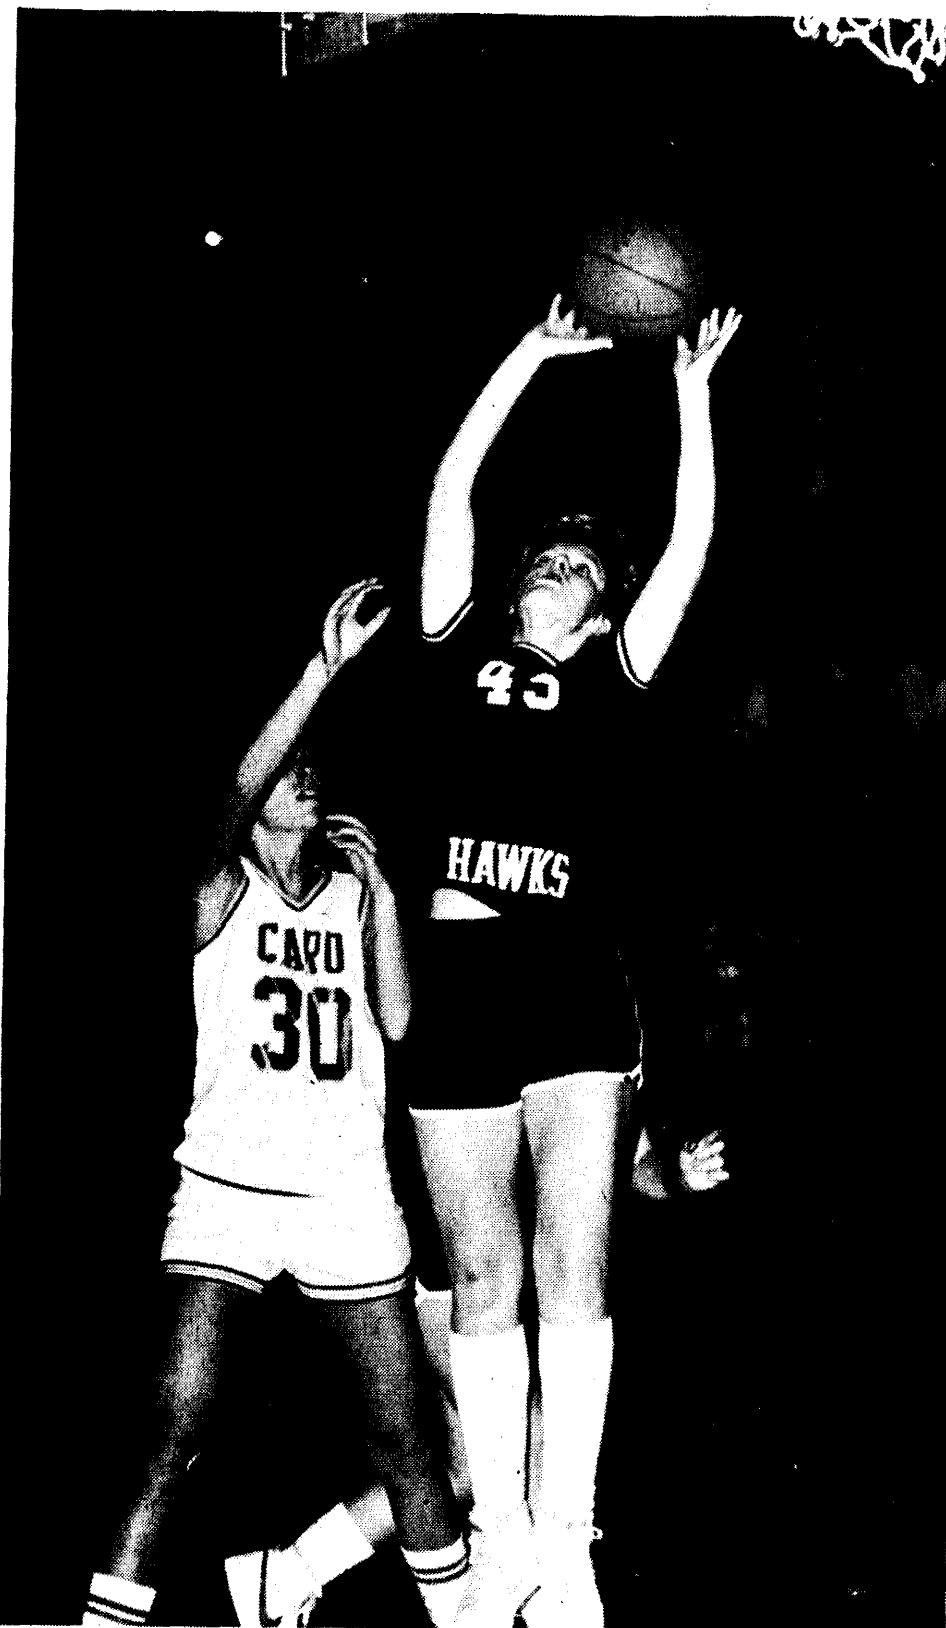

Lisa Robeson was the top scorer for Kingston with 15 points.

The junior varsity lost 26-18.

The Bulldogs also lost to Deckerville last Thursday 58 to 31. Retford was again top scorer with 11 points and seven rebounds. Shelly Elliott added 10 points for the Bulldogs.

Against Deckerville, Cummins said that he was happy with the girls losing only seven turnovers to Deckerville.

The Bulldogs will play at Akron-Fairgrove Thursday night. Their next home game, Oct. 30, against Carsonville-Port Sanilac will honor the parents of the players at their traditional Mom's night. Refreshments will be served.

CHRIS BRITT moved inside for a close-in shot Thursday as Caro's Wendy Joslyn tries to defend. Caro won easily over rebuilding Cass City.

Red Hawks bow to Bad Axe

A last period rally fell short at Bad Axe Tuesday as the Cass City Red Hawks bowed to the Hatchets 43-37 in a Thumb B Association game.

Too many turnovers in the first half cost Cass City a chance for a rare victory. The Hatchets edged in front, 6-6, in the first period and stretched the margin to 19-12 by the intermission.

The Hatchets were in front by 14 going into the final period. The Hawks posted a 13-7 last quarter advantage, but it wasn't enough.

Shannon McIntosh led the Hawks with 14 points. Carmel Howie netted nine for Bad Axe. Julie Burns picked off 12 rebounds.

CARO GAME

Caro was too tall and too quick for the Cass City Red Hawks Thursday in a Thumb B Association clash

at Cass City. The Tigers swept past the Hawks, 58-22.

Cass City couldn't buy a basket in the first quarter as the visitors raced to a 14-0 first period lead and added to it throughout the game.

Fans were given a scare late in the second quarter when Julie Burns crashed to the floor trying for a rebound and was taken by stretcher to the hospital as a precautionary measure. The injury proved not to be serious.

Coach Daryl Ivanovitch said that the girls played "pretty good defense" in the first half.

Beth Stockford and Marsha DeLorenzo each scored 18 points for Caro while Kerri McIlrath led Cass City with seven points.

2 complete banking course

William C. Lauderbach and Glenn W. Pietsenpol, each vice-president and trust officer of Chemical Bank and Trust Company, have been designated certified financial services counselors by the National Graduate Trust School of the American Bankers Association.

The course includes three annual, two-week sessions on campus, completing extension problems and submitting a thesis. The National Graduate Trust School attendees study under nationally known lecturers in fiduciary law, taxation, estate planning, economics and investments.

Lauderbach administers personal trusts and retirement plans and assists individuals with estate and financial planning. Additionally, he is responsible for the trust services provided for Chemical Banks with headquarters in Albion, Marshall and Stanton.

Pietsenpol administers personal trusts and decedents' estates and assists customers in estate and financial planning. He is also responsible for the trust services provided for Chemical Banks with headquarters in Au Gres, Beaverton, Cass City, Clare, Grayling and Lake City, MI. Pietsenpol has been with Chemical Bank since 1981.

PUMPKINS of all shapes and decorations will be on display at the Campbell Elementary School. The three third grade students showing their art are, from left: Sarah Lovejoy, Carrie Tuckey and Ann Urban.

Huron County farmers support association

Huron County Corn Growers Association is learning to promote their product.

Although the county accounts for only 5 percent of the corn grown in Michigan, the association makes up one-third of the Michigan Corn Growers' Association membership. That's better than a seven-fold increase in just a year and a half, according to Michigan Farmer magazine.

"You've got to be doing things farmers are interested in," says Joe Sweeney, president of the Michigan Corn Growers' Association. Education is the main thrust of the Huron County chapter. At its annual meeting last

year, corn growers talked weed control, yield, ridge tilling, corn refining and compared 85 varieties of corn and soybeans.

An intense field trip schedule is also part of the education plan. For three days this summer, a busload of members toured farms, research and processing plants, and the Chicago Board of Trade.

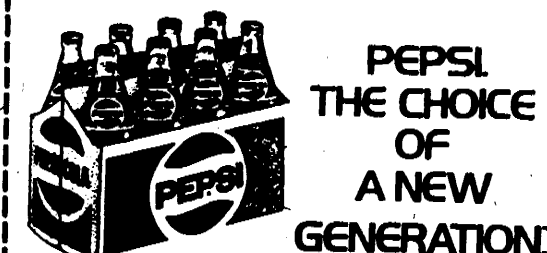

Huron County members automatically become members of the state and local corn growers' associations. More members means the association has more resources with which to promote corn. "And it has to be someone locally who's got to do it," Sweeney says.

BY *Bonnie Blaire*
TRU-TEST COLOR CONSULTANT

Dear Bonnie,

I have redecorated my living room in various shades of sea green and wanted to add a touch of red for accent. However, the final effect is disappointing. How can I add an accent that will complement, instead of shock?

Mary Lou

Dear Mary Lou:

Red is a very forward color and a little will go a long way. Too much red can cancel your green, monochromatic color scheme. Your soft shades of green will be enhanced by a collection of pastel hues from the red family, such as salmon, pale peach, rose pink and mauve mist.

These colors, found in pillows, candles, and pictures, will add interest while maintaining the soothing ambiance. Replace the mauve for one or three pieces of red during the holiday season.

AUXILIARY WORKSHOP - A workshop for Hospital Auxiliary workers in the Eastern Michigan District was held at the Novesta Church of Christ Oct. 17. Hospital auxiliary workers in the eastern district attended the workshop to learn new communication skills, directions in health care and the bylaws of hospital auxiliaries.

In photo, from left: Jeannine Hobart, president of the Hills and Dales Hospital Auxiliary; Jeanne Auten, co-chairperson of the workshop; Tony Armstrong, president of the Hospital Council of East Central Michigan; Janet Stoke, president of East Central District Hospital Auxiliaries; Phyllis Boylan, co-chairperson of the workshop.

Michigan gets \$4.8 million

The three-county upper Thumb area will share in \$4.8 million allotted to Michigan for emergency food and shelter for the needy, Sen. Carl Levin announced.

Tuscola County will receive \$33,825. Sanilac County will receive \$25,714 and Huron County \$21,891. This is the third distribution of emergency funds under this program created in 1982. Last December, Michigan received about \$3.4 million.

The money is distributed by the Federal Emergency Management Agency according to a formula that considers unemployment, poverty and other considerations.

The program is overseen by the United Way and other voluntary organizations.

Economics professor supports Proposal C

Dear Sirs,

As a professor of Economics at Saginaw Valley State College and member of MEA-NEA, I am dismayed by the opposition of those entities to Proposal C. The issue at stake is a simple one, that is, can we trust the voters to decide how much government is needed or can't we? When the voters take back the authority to tax which they originally gave the legislature it of course is a signal that that power has been severely abused.

In my opinion the opponents of Proposal C (MEA, AFL-CIO, Ford, General Motors, State and Local Employees and the majority of politicians) are using baseless scare tactics to confuse the voters in hope that a confused voter will vote no. The sky won't fall, the schools won't close and the streets won't crumble any faster than they are now.

The amendment is so worded that any lost revenues can be restored by a vote of a simple majority of the electorate. This could be accomplished before any revenues have been lost. The voters will, I am confident, vote monies for specific purposes when a clear need has been established. This process assures us that the job we pay for actually gets done and the monies not used by the legislature for other purposes. Those opposing Proposal C tremble at the prospect of a real taxpayer's democracy.

In my opinion, and I have studied the subject with a special interest, tax reductions stimulate new business which in turn stimulates more jobs which in turn stimulates more tax monies. In states where tax limiting proposals are in effect employment and prosperity are both much better than in Michigan. Any public sector jobs lost will be more than offset by increased spending and restored incentives to the private sector.

The real reason for the outcries from the opponents of Proposal C is that they all enjoy a cozy re-

lationship with the legislature and can continuously cut deals for legislation that allows us to pay more taxes and them to benefit financially.

In my opinion it can be reduced to a simplistic concept, if you think you are paying too many taxes, then you should vote Yes on Proposal C. If on the other hand you receive benefit from tax dollars you will not be motivated to vote Yes on Proposal C. A Yes vote on Proposal C Voter's Choice will revive the Michigan economy.

Sincerely,

Gary M. Picquet, PhD

Others agree with pastors on opposing Sunday march

John,

This refers to the article "Sunday march." After reading the letter to the editor on "Sunday march promotes good will in area," I feel something should be said for the other side.

First of all the original statement made in the "Sunday march" article "...continuing controversy between local Pastors and the school..." makes it sound like there are only three people against allowing activities on Sunday. I for one support the Pastors on their feelings for restricting activities on Sunday and I also feel it is wrong that the children are forced into this requirement. It is one thing to miss services on Sunday or to miss your dinner, but we are getting away from the true meaning and purpose of Sunday.

I'm not saying things are always black or white but I am concerned that this community and country can treat Sunday as just another day of the week. I believe that accepting an

invitation from a neighboring community generates good will but, does it have to be on Sunday?

Deford home damaged by vandal's shotgun blast

A shotgun wielding vandal fired at least three 12-gauge shotgun blasts into a Deford woman's home last Wednesday night while she was at work.

Tuscola County Sheriff's Department Sgt. James Giroux reported that Florence Hurd, 5578 W. Shabbona Rd., Deford, returned home from work at 2:15 a.m. Oct. 18 to find a large hole in her kitchen cupboards. The hole was later determined to have been made by a 12-gauge shotgun slug that was fired from outside the house.

Giroux's investigation revealed that several additional holes were found in the kitchen and bedroom walls of the house. Giroux reported that he found evidence that two slugs and at least one blast of 00-buckshot were fired into the house.

Giroux talked to Hurd's grandson, Jeff Parrish, who lives near the house. He told Giroux that he heard three shots fired at about 7:00 p.m. Parrish said that hearing shotguns being fired is not uncommon in the area.

Damage was estimated to be about \$300. Sheriff's Department Sgt. Leonard Huff reported

that Kenneth L. Middaugh, 21, 3655 Phillips Rd., Cass City, was not injured when his vehicle left the road and struck a tree. Middaugh was westbound on Kelly Road about one quarter mile east of Dodge Road, when he drove off onto the shoulder of the road and struck a tree on the north side of the road.

Middaugh told Huff that he was talking to a passenger and failed to make the curve in the road. The accident occurred Oct. 14 at 5:05 p.m.

Deputy Oliver reported that there were no injuries in an Oct. 15, 8:25 p.m. auto accident involving two Cass City residents.

Oliver reported that David M. Wright, 38, 6217 Lakeside Dr. was southbound on Cemetery Road attempting to make a left turn onto Severance Road when a vehicle driven by Nancy R. Raymond, 27, 6139 DeLong Road, attempted to pass. The Raymond vehicle struck Wright in the left side of his vehicle. Both vehicles were driven away.

Deputy Patrick Woiden reported that Danny O. Miller, 37, 1545 Phillips Road, Deford, was not injured when his vehicle struck a deer Oct. 13 at 2:40 a.m.

Miller was westbound on M-81, about one-quarter mile west of Dodge Road when a deer ran into the path of his vehicle. The vehicle was driven away.

Deputy James Compo reported that John W. Smith, 52, Uby Road, Uby, was not injured when he struck a deer Oct. 16 at 4:15 a.m.

Smith was southbound on Sheridan Road, about one-quarter mile north of Waterman Road when he struck the deer. The vehicle was driven away.

Deputy Woiden reported that a Deford woman struck a deer on Bevans Road, about one-half mile east of Hurds Corner Road last Wednesday at 6:45 a.m.

Sandra C. Fauzaz, 32, 6159 Wilcox Road, Deford, was not injured in the auto-deer accident. The vehicle was driven away.

Deputy James Fyvie reported that Donald F. Yax, 28, 4790 Hospital Dr., Apt. 2, Cass City, was not injured Monday at 7:20 p.m. when his vehicle struck a deer.

Fyvie reported that Yax was driving on M-81, about one-half mile east of Kirk Road when the deer ran in front of his vehicle. The vehicle was driven away.

Deputy Compo reported that Jill M. Parrish, 33, 4995 State St., Gagetown, struck a deer Monday at 9:30 a.m.

Parrish was southbound on Walsh Road, about one-quarter mile north of Hobart Road when she struck the deer. Parrish was not injured. The vehicle was driven away.

Deputies William Hartell and Todd Alexander were called to investigate an accident at the corner of Elmwood Road and M-81 Saturday at 4:00 p.m.

A vehicle driven by Timothy F. Rabideau, 25, 4136 Silver Birch Road, Drayton Plains, pulled out in front of Timothy Connolly, 19, 1030 Mowhawk Road, Royal Oak, and was struck by the Connolly vehicle.

The deputies issued Rabideau a ticket for failure to yield right of way. No injuries were reported. Both vehicles were driven away.

CASS CITY

Cass City police reported three auto-deer accidents in the past week. Officer Kenneth Schott reported that Dale E.

Buehly, 49, Greenland Road, Cass City, was not injured when he struck a deer on Greenland Road Monday at 4:00 a.m. The vehicle was driven away.

Officer Donald Miller reported that Denise K. Stein, 19, 1543 Matron Road, Kingston, struck a deer Sunday at 8:50 p.m.

Stein was southbound on M-53, about one-half mile south of Argyle Road when she struck the deer. She was not injured. The vehicle was driven away.

Chief Gene Wilson reported that Walter H. Spindlee, 69, 33430 Hunter St., Westland, struck a deer on M-53, about 100 feet north of Argyle Road. Spindlee was not injured. The vehicle was driven away.

Officer R. Moore reported that a vehicle driven by Michael D. Tobias, 16, 310 Oak Knoll Lane, Caro, struck a vehicle driven by Todd J. Sweeney, 17, 3490 Bach Road, Cass City, Saturday at 12:05 a.m.

Moore reported that Tobias was backing across the parking lot at the Cass City High School when he struck the Sweeney vehicle as it was backing out of a parking space. There were no injuries. Both vehicles were driven away.

Wilson reported that Donald P. Kralik, 20, 5636 Pinkeeton Road, Vassar, struck a vehicle driven by Jacqueline N. Freiburger, 58, 4728 Seeger St., Cass City, Oct. 16 at 12:45 p.m.

Kralik was eastbound on Rose St. when he struck the Freiburger vehicle that was backing out of a parking space. There were no injuries. Both vehicles were driven away.

Officer Michael Stec reported that Terry L. Czekai, 19, 7279 E. Elmwood, Cass City, struck a vehicle driven by Darryl S. Mahaffy, 16, 3707 Sullivan, Marlette.

Mahaffy was westbound on Main Street, attempting to turn left onto Brooker Street when Czekai struck the vehicle from behind. Czekai told Stec that Mahaffy did not have a turn signal on. There were no injuries in the accident Saturday at 9:25 p.m.

Officer Phillip Klause reported that a vehicle driven by Steven J. Wynn, 21, 6457 Elizabeth St., Cass City, struck a vehicle driven by David D. Bitzer, 27, 6524 N. Graf, Unionville.

Klause reported that Bitzer was backing out of a driveway onto Seeger Street when he was struck by Wynn who was northbound on Seeger Street. There were no injuries in the Saturday 2:35 p.m. accident. Both vehicles were driven away.

Randolph receives award

Harold Randolph, a teacher with the Peck Community Schools, has been named Supervisor of the Year for the Thumb Youth Employment Program of 1984. Randolph was chosen by the Joint Executive Committee of the Thumb Area Employment and Training Consortium from over 180 worksite supervisors in Huron, Lapeer, Sanilac, and Tuscola Counties. Randolph's selection was based on his overall supervisory ability, interest in the young people, and his organizational style; all of which resulted in meaningful work experiences for the youth and the completion of much needed work in the community.

The Summer Youth Employment Program involved over 700 young people in work settings ranging from County Economic Development Offices to local high schools from clerical work to janitorial duties.

Card of Thanks

I WOULD LIKE to thank Dr. Donahue and Dr. Is-terabadi and the nurses at Hills and Dales Hospital for the care they gave me. Thanks for the many cards and flowers and those who called on me. Teressa Bidle. 13-10-25-1

WE WISH TO express our heartfelt thanks and appreciation for the many acts of kindness, messages of sympathy and floral offerings and donations to the Cancer Society and the Cass City Salem United Methodist Church received from our friends, neighbors and relatives during the loss of our mother. We especially thank the Rev. Clare Patton for his many visits and comforting words. We thank Drs. Hall and Jeung and the staff of Hills and Dales Hospital and also Roger and Beverly Little for their helpfulness. The family of Fern Silvernail. 13-10-25-1

County requests 2 increases

(Continued from page one)

Proposal two is a one-mill renewal request for the years 1985 through 1988. Money from the renewal will be used for improvements to local township roads, bridges and local street systems.

Bingham Township in Huron County is requesting a six-year, two-mill increase for road maintenance and construction.

Elmwood mulls trash pickup for township

Elmwood Township trustees discussed possible alternatives for residential trash pickup at their meeting Wednesday, Oct. 17.

The discussion stems from the expected closing of the Cass City landfill Jan. 1, 1985. Presently, the township has an agreement with the village of Cass City

that allows residents to haul their own trash to the landfill. The village is expected to close the landfill because it is not in compliance with Department of Natural Resources regulations.

Township Clerk Joanne Sattelberg said that possible alternatives discussed

at the meeting would be: set a dumpster at the township's old landfill site, have residents contract for their own trash pickup, or have the township hire a trash hauler to pick up the entire township.

Sattelberg said that the trustees decided that if they set a dumpster at the old landfill site, they would have to hire someone to watch and maintain the dumpster to be sure that the trash was properly disposed of.

She said that if the township hired a trash hauler for the entire township, it would require the township to bill each of the township's residents for the service. She added that many of the residents already hire their own trash pickup.

"We are in limbo right now," Sattelberg said. "It would be nice if we had some input from the public."

County Commissioner Royce Russell spoke to the township officials request-

ing them to support the county in their upcoming millage requests. The township passed a resolution to support the two millage requests of 0.50 and 0.25. Both millage requests are to run for five years.

In other business the trustees approved Public Act 116 for Leo and Ila Seuryneck, 5879 Jacob Road, and for Harold and Hilda Koch, 4065 Hobart Road.

They voted to pay the Tuscola County Road Commission \$8,119 for work performed on Hobart, Dosser and Dale Roads, and approved a special board meeting for Nov. 7 at 7:30 p.m. to swear in township officials following the election.

Trustees also agreed to contact township attorney, Tom Abbey, Caro, to determine if township property can be sold without taking bids. The property, located next to the township cemetery on Cass City Road, was advertised for bids to be received by Oct. 10. No bids were received.

Plan for a safe Halloween

(Continued from page one)

people that are going to be giving out treats turn on all outside lighting to make it easier for the children to find the house.

Tuscola County Sheriff Paul Berry warns parents not to allow their children to eat any homemade candy or cookies unless they are sure that they are safe.

Berry said that if parents find any contaminated food or any safety violations, they are to report them to the Sheriff's Department.

Chief Wilson said that one of the most important safety precautions is to take youngsters out only during the prescribed trick-or-treat-hours, when there is more daylight.

The hours for trick-or-treating for the area are:

Cass City - 6:00 to 7:30 p.m.
Kingston - 6:00 to 7:30 p.m.
Uby - 6:00 to 7:30 p.m.
Owendale - 6:00 to 7:30 p.m.
Gagetown - 5:00 to 7:00 p.m.

By Bill Myers Taking stock

Dear Mr. Myers:

I read your column regularly and carefully. You have long advocated zero coupon bonds. Last January I bought some called TIGRS at Merrill Lynch. Cost was \$2,104.

My statement at end of May showed a value of \$1,050.

Is it possible a fine investment like this would drop 50 percent in such a short time? — Ms. Boca Raton, Fla.

Dear MS:

The details you gave on your purchase of zero coupon bonds did not include a vital piece of data — the number of years to maturity.

Without that information, and without my bond calculator, which I left behind in Delray Beach before coming North for the summer, I can't check the various prices you mention.

The particular period you refer to coincides with the sharpest decline in government bond prices in my memory. Prices of "full coupon" bonds went down around 17 percent in that time, as rates went from around 11 percent to 13.5 percent.

It's the nature of the arithmetic of bonds with a maturity date far off — in your case, I'd guess these were 30-year bonds — that the change in price of the bonds is much more, relative to an interest rate change, than shorter bonds. With zero coupons the ratio of change is especially large, if you were buying these for about 5 cents on the dollar.

Except for some high-flying speculators, people buy zero coupon bonds to stash away and let the things sit until they mature. The bonds you got were obligations of the U.S. government, and were and are the safest things I can think of. When they mature you'll have \$40,000 for your investment made now for \$2,100.

Meanwhile the cash-in value will go up and down. It's a two-way street, and it's just as likely to bring you short-run profit as it has shown you a short-run paper loss. In the long run you will get the \$40,000 which the U.S. government has promised which will come about from \$2,100 being compounded at approximately 11 percent until maturity.

People who bought Xerox and Eastman Kodak and Avon Products at 150, General Motors at 114, IBM at 134, Consumers Power at 42 (now 5), would all like to trade places with you. They'd be very happy to be sure of not only getting their money back, but having it multiplied 20 times in the span of a generation.

Yours,

Bill Myers

P.S. Incidentally, zero-coupon government bonds are only suitable for persons in a very low tax bracket, say 20 percent, or for no-tax situations like a pension fund. Municipal or tax-exempt bonds also have zero-coupons, yielding around 10.25 to 10.5 percent. There is no tax to pay on these as you hold them, and there is no capital gains tax to pay when they mature.

They once paid to belong

Dedication key to volunteer fire fighters

You paid to become a fireman in the early years in Cass City. The Cass City Fire Department was organized by the village council in Oct., 1884, and included 12 volunteers who each paid \$1.00 to belong. H.V. Aldrich was the first chief and A.D. Gillis, first secretary.

Evidently that system wasn't the best, as the department was reorganized July 6, 1885.

The members present became charter members of the department. They included many of the persons whose names are etched in the development of Cass City.

They included D.P. Deming, Wilson, Work, R.S. Toland, A.D. Gillis, Walter Gamble, John Murtne, W.W. Frast, S. Wickware, Will Splitter, Jas. W. Higgins, A. Hitchcock, James McGilvary, S.C. Armstrong, F.E. Austin, Alex McKenzie, Henry Stewart, I.P. Herr, J.W. McComber and Aldrich. Toland was elected chief.

The original fire hall was on the southeast corner of Seeger and Pine Streets. It was a long wooden building facing Seeger Street. The rear rooms housed the village council.

In 1921 the fire hall moved to South Seeger Street just north of the alley between Main and Pine Streets.

The department almost moved into the building where Schneberger Furniture is located. The township had a \$1,000 option on the building and was considering hiring an architect before that plan fell through.

The department moved into its present quarters on Church Street in 1972.

The Cass City Fire Department became the Elkland Township

Fire Department Jan. 18, 1950.

In the merger agreement the village agreed to furnish the fire department with a building and give the township the village fire truck for \$1.00. It was the same truck that the village paid \$3,440.50 for in 1944.

THE ELKLAND TOWNSHIP FIRE FIGHTERS - Back row, Captain Dick Root, Captain Donald Root, Assistant Chief Milt Connolly and Chief Jerome Root, Jr.

Third row: Don Finkbeiner, Mick Kirn, Bob McArthur, Bob Becker, Roger Hurley, Bill McKinley, Jack Hartwick.

Second row: Dan Gee, Charles Tunis, Dick Gaffney, Todd Alexander, J. D. Tuckey.

Front row: John Finkbeiner, Walt Jezewski, Janet Hurley, Jim Jezewski, Dave McNaughton.

The two departments were combined in a formal agreement complete with by-laws that were adopted unanimously by the council and the township.

The department has operated in a business like fashion since its early years. By-laws of the Cass City Fire Department, yellowed with age, have been preserved by the department.

It spelled out in detail how the department was to be organized and the role that the firemen would have in the operation.

For instance, section one says that the department would be composed of two divisions, "A Hose Company and a Hook and Ladder Company. Each division shall be officered as follows: Captain and First Lieutenant who shall be governed by the chief. There shall also be a treasurer and secretary."

Firemen in those days had to toe the mark. "No member shall at any time or under any pretense wear any apparel or use any tools or other furniture belonging to the fire department, for his private benefit... If any member violates this law he shall be expelled at once."

FINES ASSESSED

It was expensive if a volunteer was a backslider under these early by-laws. "Any member being absent from any regular drill shall be fined the sum of 15¢." Firemen missing any special drill or meeting had it a little easier. Those backsliders had to pay 10 cents.

What to do when you report a fire

Obviously getting to a fire as quickly as possible reduces loss and saves life. You can help if serviced by the department.

When you have a fire to report call 872-FIRE. That number rings at the sheriff's department in Caro and in the homes of the fire fighters.

However, use this number only for fires, not for calling police for other duties.

It will be helpful in an emergency situation to have the fire fighters number written in a prominent place so valuable moments aren't lost calling in the report.

Oldest living fireman

Ward Benkelman

WARD Benkelman can't remember when he first served on the fire department but it was back in the days with people powered hose cart.

Sound the alarm

When a fire is reported today a phone rings in the home of members of the department and the whistle sounds.

The whistle is the third alarm sounding device used in Cass City. The first was a steel railroad tie hit with a sledge hammer.

After that a whistle was placed on top of a grist mill located on the corner of Main and Oak Streets.

Modern equipment helps Elkland fire department

Ready at a moment's notice to control fires in the village or the country are the 5 units used to transport firemen and their equipment when the alarm sounds.

It's likely that today's firemen can get to the scene of a fire on the very edge of the area they are responsible for faster than firemen in 1885 could get to the edge of town.

Firemen in 1885 proudly showed off their two new brightly colored red and gold wooden fire wagons. The hose cart had widely spaced floor boards to allow the water to escape. The other cart carried the ladders.

Human power dragged those carts to fires... unless the snow was deep and a farmer happened to be in town. Then he was paid a dollar to hitch the wagons to a sleigh and rush equipment and firemen to the fire.

Early firemen would probably be astonished by the equipment today. The community is served by two pumpers purchased in 1968 and 1978 and a tanker that arrived in 1982.

In addition there is a four-wheel drive vehicle bought in 1978

with a 300-gallon tank that was purchased in 1978. Rounding out the fleet is a 1974 model van.

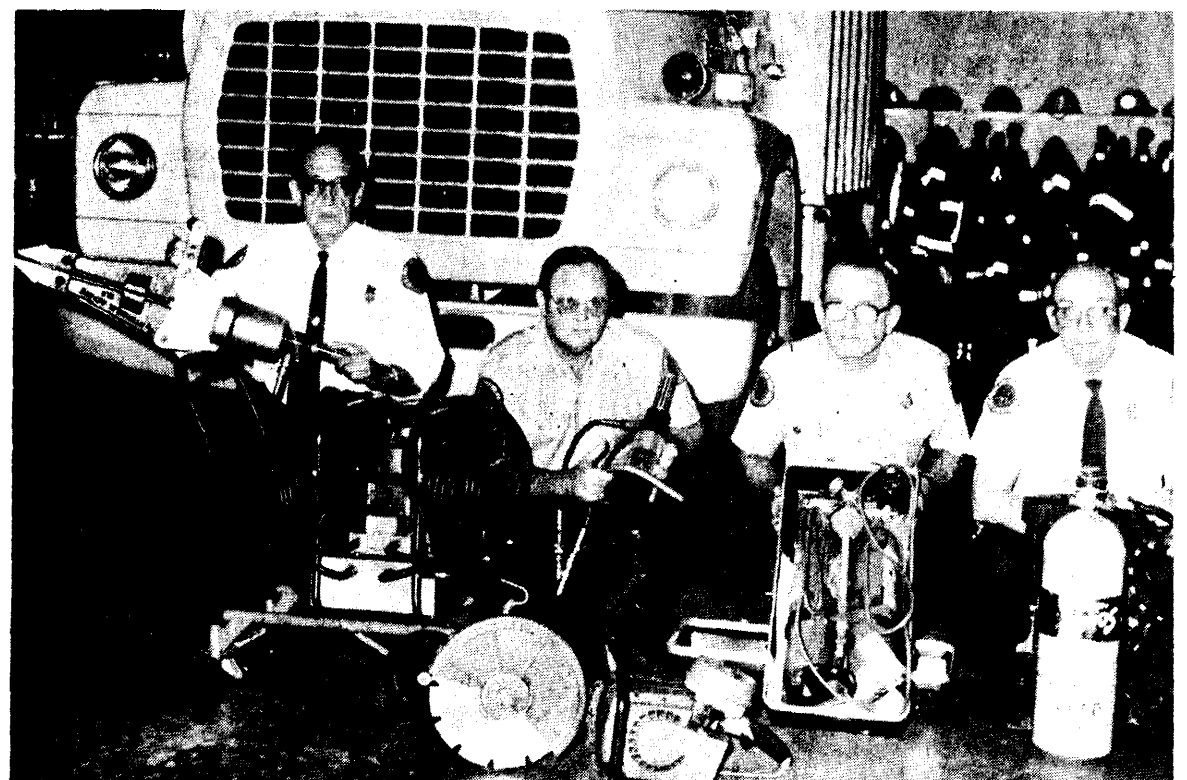

In the last few years the department has also added several pieces of life saving equipment.

The jaws of life used to extricate trapped victims was purchased in 1981. A K-12 saw that can cut through steel, wood and cement to get at the root of fires, arrived the following year. In 1983 a resuscitator became part of the department's equipment.

A compressor to fill tanks and four Scott air packs protect firemen in smoked filled situations. In case of power failure there is electric generating equipment.

Added protection is furnished by a portable water pump tank. It's available because of the dedication of the firemen.

They purchased the unit with money out of the meager pay earned as members of the department. Out-of-pocket costs were about \$1,000. The unit is worth three times that, but much of the expense was eliminated because firemen did much of the construction work. It was a three-week spare time project.

LIFE SAVING equipment of the Elkland Township Fire Department includes the "jaws of life" at left, displayed by Jerome and Don Root; the resuscitator, shown by Dick Root, and the Scott airpack by Milt Connolly. The K-12 saw is in the foreground.

New Moore Road bridge scheduled

A bridge in Huron County is one of 90 scheduled to be replaced by the Transportation Department, State Representative Dick Allen (R-Fairgrove) announced today.

Replacement of the Moore Road bridge over the Pinnebog River is part of a \$21 million project to be paid for with funds from the federal Critical Bridge Re-

placement and Rehabilitation Program and the Michigan Critical Bridge Program.

"On most of the bridges, federal funds pay 80 percent of the cost and the state and local agency 10 percent each," Allen said.

The 90 bridges approved for replacement were recommended by a nine-member committee repre-

senting the Michigan Department of Transportation, the 83 county road commissions and the municipal street agencies.

Allen said that there are more than 10,000 bridges 20 feet in length or longer in Michigan and engineers rated 3,498 of them structurally deficient or functionally obsolete.

Owen-Gage Seniors meet at Sherwood

Seventy-two members and guests of the Owen-Gage Senior Citizens Club met at Sherwood on the Hill in Gagetown Thursday, Oct. 18, for their annual dinner-out meeting. Prior to the meal, Rev. Myra Sparks, pastor of Owendale and Gagetown United Methodist Churches, led the group in prayer.

Following, Elma Miklovich chaired a short informal meeting awarding door prizes to Leona Shantz and Ed Good. A nominating committee consisting of Louise Ashmore, Doris Schell and Martha Durham was announced.

A get well card was signed and sent to Evelyn Winchester, who is in Huron Memorial Hospital following surgery.

Euchre was played at 11 tables.

The next meeting is the regular business meeting Nov. 1 when blood pressure readings will be taken.

Republicans to meet November 1

The regular meeting of the Sanilac County Republican Party will be held Nov. 1 at 7:30 p.m. in the County Conference Room, 37 Austin St., Sandusky. The public is invited to attend.

Schedule home mixes class

Making convenience mixes at home will be the topic of "Make It At Home" to be held Thursday, Nov. 1. Two sessions are scheduled, 10:00 a.m. and 7:00 p.m., at the Farm Bureau Building in Bad Axe.

Home mixes to be covered include a baking master mix, puddings, cookies, granola, microwave cake mixes, hot cocoa, meat mixes and other "basics."

Participants will see demonstrations of mixes, sample mix products and make a mix to take home. A slight fee to cover mix costs is involved.

Contact the Cooperative Extension Service before Oct. 30 to register.

Airman Maikrzk at Illinois base

Airman Gregory J. Maikrzk, son of Richard W. and Rose A. Maikrzk of 8150 Verona Road, Uby, has been assigned to Chanute Air Force Base, Ill., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, TX, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the missile maintenance field.

He is a 1984 graduate of Uby Community School.

Drugs dangerous during pregnancy

From the look of things, this country is experiencing another baby boom. Since the first boom, following World War II, much has been learned about the care of pregnant women, particularly about the kinds of drugs they should and should not take.

At one time, it was thought that the placenta (the organ that supplies the fetus with nutrients) served as a barrier to protect the unborn child from drugs taken by the mother. Now we know that most drugs can pass through this barrier and enter the fetus. Whether the fetus will be harmed depends on the drug itself, the time during pregnancy when the mother takes it and the amount of drug to which the fetus is exposed.

The best rule that an expectant mother can follow is to take no drugs at all, not even aspirin, without the advice and consent of her doctor.

It is during the early stages of pregnancy, when the cells of the fetus are rapidly growing and the organ systems are developing that the unborn infant is most vulnerable to physical damage from drugs that the mother takes. The most dramatic example of this kind of damage, of course, is that of thalidomide, a supposedly safe sedative sold without prescription in Germany and England in the late 1950's and early 1960's. Tragically, as a result of widespread use of this drug, thousands of infants were born with deformed or missing limbs or with defects in major organs, such as the heart.

The hormones estrogen and progesterin, taken during the first three or four months of pregnancy, also increase the risk of birth defects. Both estrogen and progesterins were once used to prevent miscarriage; progesterins also were used as a test of pregnancy.

Because these two hormones are used in oral contraceptives, a woman who becomes pregnant (or thinks she may have become pregnant) while taking oral contraceptives should stop using them and consult her physician. A woman who wants to become pregnant should stop

Displaced persons group to meet

The Displaced Homemaker's Program will hold its first session for a new group Tuesday, Oct. 30, at the Human Development Commission office, 429 Montague St., Caro.

The group will meet in the HDC meeting room at 9 a.m. for the day. Call toll-free 1-800-292-3666 or (517) 673-4121 in Caro, if you think you are qualified as a displaced homemaker. You may be if you have been a homemaker for 10 years, divorced, widowed, or separated and must support yourself.

Select Magraw to raise foal

A Sanilac County youth, Michelle Magraw of Kingston, has been selected to raise a Standardbred foal for one year as part of the Michigan 4-H Standardbred Horse Production Project.

Magraw is one of 18 Michigan 4-H members selected to participate in the 1984-85 production project. Qualified 4-H'ers were chosen by the 4-H Standardbred Advisory Committee.

She will raise the foal, which was born last spring, until August of 1985 and then will sell the horse at a special Standardbred auction. Magraw will receive one-third of the sale price after expenses with the remainder going to the breeder who donated the foal.

"The project gives 4-

H'ers an opportunity to learn the responsibility that comes with caring for a horse," says Patricia Livingston, Sanilac County Extension 4-H youth agent. "A unique aspect of the Standardbred project is that it also gives young people a rare opportunity to learn about the economics and career possibilities in the harness racing industry."

Magraw will participate in a number of programs throughout the year through the cooperation of the Michigan Harness Horseman's Association and Michigan Standardbred Breeders' Association. She will attend meetings on horse care, visit breeding and training facilities and participate in a workshop on preparing her yearling for sale.

Travelogue to benefit Tuscola Big Brothers

Friday evening, Nov. 2, Tuscola County Big Brothers/Big Sisters will present a travelogue at 7:30 p.m. in the Mayville High School auditorium.

Don Cooper, world-famous travelogue superstar, will narrate his film "Highway to Alaska."

Cooper is a lumberjack who spent many years in the forest and lumber camps of Montana and Alaska. He has traveled in South America, Mexico, Alaska and the South Pacific.

"Highway to Alaska" is a true life adventure story, based on the great Gold Rush of '98, considered by Cooper to be one of the most colorful chapters in American history. This era is recalled as he and his brother Dennis retrace the footsteps of their adventurous grandfather over Chil-koot Pass and down 500 miles of the Yukon River.

"Highway to Alaska" is the third and final performance in a series of Midwest Lyceum Series presentations sponsored by Tuscola County Big Brothers/Big Sisters.

Tickets are available in advance for \$3.00 at the Second Chance Shops of Caro and Cass City or the Big Brothers/Big Sisters office, and at the door for \$3.50 each. All proceeds will be directed toward the operation of the Big Brothers/Big Sisters program in Tuscola County.

Tuesday, Oct. 9, Linda Herron, Gerry Tonti, Linda Marshall, Kathy Tuckey, all of Cass City, and Lori Seuryneck and Marie Goslin attended the Town Hall Lecture Series at the Civic Center in Saginaw. This month's featured artist was Actress Loretta Young.

Mrs. Mary McKellar and Mrs. Sue Penrod accompanied Mrs. Betty Good Thursday to Plymouth where they visited at the home of Becky and Dennis Weiss and sons, Adam and Andy. Adam returned home with the ladies to spend a few days with the Goods and Mr. and Mrs. Weiss came for the week end.

Dinner guests at the home of Mrs. Sue Penrod last Tuesday were Mr. and Mrs. Arnold Nimitz, Mr. and Mrs. Kerry McKellar of Sebawaing and Mrs. Mary McKellar.

In spite of the reported shortage of pheasants, several nimrods took to the fields Oct. 20, the first day of hunting season. Among them were Fred and Ron Miller of Oscoda, Larry Mauk and friends of Warren, Jack Tamblin and Todd of Essexville and Bill Burrows and Don Schwartz.

Mary McKellar and Sue Penrod made a visit recently with their sister, Alma Binge of Detroit, and while there made a telephone visit with their cousin, Annie Ludwig Berry in Warren.

Joane Beauchamp and Joshua of Bay City and Mr. and Mrs. Bill Goodell spent the week end with Mrs. Mary Leiper of Lachine.

Miss Muriel Zeigin of Mt. Clemens, a friend of Mrs. Leonard Karr since high school days, spent Sunday at the Karr home.

Mr. and Mrs. Syl Markey of Saginaw were callers Saturday at the home of Mrs. Arthur Carolan.

Leslie Goslin, daughter of Mr. and Mrs. Keith Goslin, had a week end of birthday celebrations. Guests at a pajama party and treasure hunt Friday were Soo Yun of Cass City, Shannon Goslin and Kristen

Seuryneck, Gagetown, and Sunday guests were Sherry Vaughn, Valerie and Lindsay of Mayville, Mr. and Mrs. Rodney Shannon of Fairgrove and Mr. and Mrs. Brad Goslin and family. Patty Goslin of Saginaw was home for the week end. It was Leslie's tenth birthday.

Mr. and Mrs. Basil Ziehm had as dinner guests last Wednesday, Mrs. Ziehm's sister and brother-in-law, Mr. and Mrs. Howard Beutel of Pinconning.

Mrs. Vincent Romain of Caro visited Saturday at the home of Mr. and Mrs. Eugene Comment. Mrs. Comment, Mrs. Romain, Shirley Lenhard and Gerry Carolan attended the luncheon and bazaar at St. Pancratius Catholic Church in Cass City. Callers Saturday evening at the Comment home were Mr. and Mrs. Jim Turner and family of Cass City.

Dennis Rocheleau is a patient at Saginaw General Hospital where he underwent surgery Saturday.

Attending the Western Show Sunday sponsored by the Sheriff's Posse at Caro were Mr. and Mrs. William Burrows, Mr. and Mrs. William Ashmore, Sue Penrod and Mary McKellar. Mrs. Penrod and Mrs. McKellar visited at the home of Delores and Dick Stevens in Caro.

CHRISTENING

Mr. and Mrs. Chuck Wright hosted a get-together at their home Sunday after the christening of their second grandson, Matthew Scott, son of Karen and Frank Wilding.

He was baptized at St. Paul's Lutheran Church, Linkville, and his sponsors were Herschel and Barbara Adams.

Guests at the Wright home were Mr. and Mrs. Nathan Joles, Mr. and Mrs. Basil Ziehm, Mr. and Mrs. Dave Abbee and family, the

pastor of St. Paul's Church and family, and Jenny Hellybuck.

Some of those attending the 60th wedding anniversary party Sunday honoring Mr. and Mrs. Raymond Rabideau in their 60 years of marriage were Mrs. Peter Langlois, Mr. and Mrs. Ben Hobart, Harlan Hobart, Velma Helwig, Harry and Gen Kehoe, and from Cass City, Mr. and

Pvt. Remsing completes training

Pvt. Kelly J. Remsing, daughter of Linda K. Remsing of Pontiac, and Joseph Remsing of Cass City, has completed basic training at Fort Dix, N.J.

During training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

She is a 1984 graduate of Pontiac Northern High School.

Mrs. Bob Rabideau, Mr. and Mrs. Dean Rabideau, Mr. and Mrs. Pat Rabideau and Mr. and Mrs. Elwyn Rabideau.

Mr. and Mrs. Basil Ziehm visited Mr. and Mrs. Jake Schwartz Saturday.

Lisa and Gary Bradley of Clarksville, Tenn., home on a seven-day leave for the funeral of a relative, were dinner guests last Tuesday of Lisa's parents, Mr. and

Mrs. Dennis Thick. Other guests were Mr. and Mrs. Dave Thick of Bay Port and Dawn and Joe Zaleski of Owendale. Carol Dronsella and Dion were callers. Gary Bradley is stationed with the Army at Fort Campbell, Ky.

Diane Malapolske of Roseville and Pat Buffa of Warren spent the day Wednesday with their mother, Mrs. Sue Penrod.

Banquet held at Baptist Church

The Cass City Baptist Church entertained members of the Caro Baptist Sunday School staff Thursday evening at a banquet in the local church fellowship hall.

The event was in recognition of Caro's victory in a Sunday School contest between the two churches.

Featured on the program were remarks by Pastor John R. Wood of Cass City, Pastor Lowell Grant of Caro and Sunday School Superintendent Stan Guinther. Shirley Shaw presented vocal solos and Helen Rayl played the piano for group singing. Norm Avery, superintendent from Caro, gave the invocation.

Pastor Grant made a special presentation to Pastor Wood of a decorated "crow" cake.

Sunday school and church workers prepared and served the meal.

Alcohol Workshop at Skill Center

The Thumb Area Coalition of Human Services will present a workshop on alcoholism and chemical dependency Friday, Oct. 26, from 9:30 a.m. - 3:30 p.m. at the Tuscola Area Skill Center in Caro.

Sam Kimbrue, from Samaritan Health Center, will lecture on the defenses of chemical dependency and recognizing addiction and the ensuing relationship with chemicals. Jae Crane, also from Samaritan, will address issues pertinent to the addicted adolescent.

The disease concept of alcoholism and the effects of alcohol on the body will be presented by Duane Harder of Saginaw Community Hospital. Louise Blasius, McKenzie Memorial Hospital, will highlight resources for the chemically dependent person and family.

All interested are invited to attend. Registration is six dollars, but no one will be denied admission due to the inability to pay. For further information, call: 1-800-292-3666.

SCHOOL INFORMATION

The 1983-1984 audit shows an increase in the General Fund balance of \$129,633. \$75,000 of the \$129,633 is encumbered for the payment of three buses that were ordered last February and \$47,777 for furniture ordered and tuckpointing in progress at the Intermediate School. The total General Fund balance on June 30th was \$462,984 of which \$40,256 is inventory.

All debt retirement payments were made on schedule and the accounts retain sufficient balances to meet payment needs.

The school hot lunch program showed a profit during the past year of \$9,953. It is expected that the hot lunch program will operate in the black again this year.

During the past year some of the needed maintenance work on the buildings has been undertaken:

1. The Intermediate School and a portion of Campbell Elementary were roofed.
2. The boiler in the Evergreen Elementary was replaced.
3. The High School bus drive and part of the Intermediate bus drive were asphalted.
4. A seal coat was put on the High School parking lot.
5. Six new electric typewriters were purchased for the High School typing room.
6. The sewing machines in the Intermediate School and High School were replaced.
7. One room of furniture has been ordered for Deford and one for Evergreen.
8. Two rooms of furniture for Campbell Elementary and two rooms for the Intermediate School have been ordered.
9. The Intermediate School is being tuckpointed.

The financial condition of the district should remain sound during the 1984-1985 fiscal year and allow continued updating of the school buildings and equipment if Proposal C is defeated in November. If Proposal C passes our school district will face severe financial problems.
