RESCUE WORKERS transport Mark Rockwell, 15, to an awaiting ambulance following a roll-over accident on Elmwood Road east of Dodge Road Monday afternoon. Rockwell, one of 3 teens hurt in the crash, was listed in "fair" condition Tuesday morning.

Monday afternoon

3 teens injured in crash

Three area teens were injured Monday afternoon when the pickup truck they were riding in left Elmwood Road and rolled over 2 1/2 times in a field about 3 miles southwest of Cass City. Tuscola County Sheriff's Deputy James Jashinske said the pickup, driven by Jami S. Sting, 16, 8526

Huron Line Rd., Gageton, was westbound at about 4:18 p.m. when the accident occurred.

Sting was thrown from the pickup. She and her brother, Joshua J. Sting, 15, 4010 Lamton Rd., Deford, and another passenger, Mark W. Rockwell, 15, 3843 Hadley

Rd., Decker, were all transported to Hills and Dales General Hospital, Cass City, by Cass City-Mercy Ambulance and EMS of Caro.

Rockwell was listed in "fair" condition Tuesday morning, according to a hospital spokeswoman, who stated a request was made not to release any informa-

tion on Jami Sting, who was also admitted. Joshua Sting was treated and released.

None of the teens was wearing a seat belt when the accident occurred.

The crash, which was reported by a passerby, remains under investigation, according to Jashinske.

DNR-county clash in wetlands dispute

Road work and state wetlands regulations have clashed in southwestern Novesta Township, where DNR officials say the Tuscola County Road Commission dug a ditch without getting a permit.

At issue is a mile of ditching about 2 miles west of Deford along Dodge Road.

The \$40,000 project, charged to the township, was done late last summer, according to road commission Clerk James Miklovic, who said the commission was notified of the violation about 2 weeks ago in a letter from the DNR's Land and Water Management Division.

"In their opinion, at least, we're in violation of the law; of a public act regarding the draining of what they consider to be wetlands," he said Monday.

"We don't necessarily agree with their assessment of the situation."

The ditching was requested by township officials, who over a number of years had received complaints from Dodge Road residents about poor drainage and flooding. Miklovic explained the work was comprised of a half mile of ditching both north and south of Deckerville Road as well as installation of some driveway culverts.

"We weren't trying to drain any wetlands and don't

feel we did," he said, adding the matter has been handed over to attorneys for review.

"They (DNR) want us to restore the ditch. . . apparently to the way it was," Miklovic continued. "We're not certain that we're going to do that."

NOT DECIDED

According to Robert Zbiciak, land and water resource manager with the DNR's Land and Water Management Division office in Bay City, the question of whether the ditch will have to be restored hasn't been decided yet.

"All we've said is they've done work without obtaining the necessary permit," he said.

Zbiciak explained the road commission was cited because the ditching project lies in a state regulated wetlands area, where a permit is required before any work begins. "The fact that they're the road commission does not exempt them."

The law that protects wetlands in Michigan has been in effect since October 1980, according to the DNR official, who noted there are 2 primary factors he looks at in determining what constitutes a wetland.

The first is dominant vegetation that survives in wet conditions, and the second is hydrology — the presence

of water and its distribution on the surface and underground. A wetland doesn't necessarily have to have standing water on it, Zbiciak said.

Likewise, he continued, land deemed wetlands isn't automatically off limits to construction.

LEAST IMPACT

There are times when no work is allowed on a wetlands area, he acknowledged, but in some cases construction may proceed in a way that will have the least impact on the environment.

Zbiciak said Monday that he hadn't heard yet from the road commission, but is anticipating a response. Generally in these cases, he explained, both sides then schedule a meeting to discuss the matter.

A decision will be rendered following a thorough review of the case. County road officials could be allowed to apply for an after-the-fact permit, or they could be asked to take corrective measures.

Miklovic indicated he believes a decision forcing the road commission to restore the Dodge Road ditch will have a negative impact on future road improvements in the county.

No specific projects have been delayed yet, he said, but "if this holds up. . . there are certainly some things

down the road that could be affected."

The road commission has no intention of draining wetlands or destroying the environment, he added. "But we feel you've got to use a little common sense."

Manslaughter sentencing faces driver

A Millington man has pleaded no contest to a charge of manslaughter on a motor vehicle in connection with a fatal 2-vehicle accident Feb. 6, 1991, in Vassar Township.

The plea was entered Friday in Tuscola County Circuit Court by Donald G. Heuchert, 42.

A pre-sentence investigation was ordered by the court, which continued bond in the case. Sentencing is to be scheduled.

Two other charges against Heuchert — operating a motor vehicle while under the influence of liquor and felonious driving — were dismissed.

Heuchert was charged with being negligent in an accident that claimed the life of Sara Ann Parsell, 5, of Millington, according to court records, which state the defendant faces a maximum sentence of 15 years in prison and/or a \$7,500 fine.

Area seniors preparing for commencement swirl

Awards assemblies, proms, band concerts, athletic events and, of course, preparations for commencement will keep area students busy over the next few weeks as the 1991-92 school year comes to a close.

The Cass City, Kingston, Owen-Gage and Uby schools will graduate a combined 237 seniors next month.

But there's plenty to do before the last speech is presented and the final diploma handed out. The following is a roundup of dates, times and places of various year-end events announced by officials in each of the districts.

Church, will give the prayer. Commencement is set for May 21 at 8 p.m. at the high school. Addressing their classmates will be seniors Melanie Churchill and Leslie Goslin, who have been selected by a committee of senior class officers, sponsors and administrators.

The invocation and benediction will be given by the Rev. Scott M. Tysick, pastor of the Cass City Church of God.

KINGSTON

Year-end activities at Kingston High School also include the prom, set for May 2 at 7 p.m. at the Vassar Country Club.

An academic awards assembly will be held May 7 at 1 p.m., a spring band concert is set for 7 p.m. May 18, and the final athletic awards program of the year will be held May 28 at 7 p.m., all at the high school.

The last day of classes for the school's 52 seniors will be May 21, with final exams set for May 20 and 21. Underclassmen will finish the year June 8. Their exams are scheduled for June 5 and 8.

Commencement exercises will be held May 24 at 2 p.m. at the high school.

State Department of Education official Gary Cass, director of Project Outreach, will be the guest speaker. Also making remarks will be valedictorian Erika Grubba and Salutatorian Jodi Swallow.

No baccalaureate is planned.

OWEN-GAGE

The 21 members of the Owen-Gage Class of 1992

will attend their last classes May 15 following 2 days of final exams. Underclassmen, meanwhile, will have exams June 8 and 9, with June 9 being their last day of classes.

The school's baccalaureate ceremony is slated for May 17 at 7:30 p.m. at the elementary school in Gageton. The Rev. Lisa McIlvanna, pastor of the Owendale United Methodist Church, will be the special speaker.

Huron County Probate Judge David L. Clabuesch is the scheduled guest speaker at commencement, which will be held May 21 at 8 p.m. at Owendale High School. Valedictorian Debbie M. Timmons and Salutatorian Angela R. Gruber will also address their classmates.

Other activities slated over the next few weeks include the prom, May 8 in the high school gym; a spring band concert May 5 in the high school gym; an annual awards day, May 12 at 8:30 a.m., also in the high school gym, and a spring sports banquet, May 28 in the elementary school gym.

UBLY

Uby Community School officials will graduate 68 seniors May 25 at 2 p.m. in the high school gym. The combined baccalaureate and commencement exercises will be held on the same afternoon.

The Rev. Ronald Dombrowski, pastor of the St. Mary Catholic Church in Ruth, will deliver the invocation and benediction, and the Rev. Catherine Hiner, pastor of the Uby United Methodist Church, will give the scripture reading. Amy Gentner will deliver

the valedictory speech, while Tracey Sweeney will give the salutatory speech.

The last day of classes for seniors will be May 15, with final exams set for May 18, 19 and 20. Exams for underclassmen will be June 3, 4 and 5, with the June 5 being the last day of classes.

Year-end activities for Uby students include the prom, slated for May 2 at 7:30 p.m. at the Sherwood on the Hill clubhouse in Gageton.

Area teens face charges

Solve dirt bike thefts

Huron County authorities are seeking warrants and juvenile petitions for 5 area teens in connection with the theft of 7 stolen off-road vehicles from the Cass City, Elkton and Sebawaing areas.

Four all-terrain vehicles and 3 dirt bikes — reported stolen over the past 5 months — were recovered by police April 20 and 21 at 4 separate locations in Tuscola and Sanilac counties.

The estimated value of the vehicles ranges from \$700 to \$3,500, according to Det. Dave Drossos of the Huron County Sheriff's Department. "We're dealing with approximately \$13,000 to \$15,000" worth of property, he said.

The suspects, 3 of whom are legal adults (at least 17 years old), range in age from 14 to 18 years.

Drossos said the investigation was cracked open Mon-

day after authorities received some tips over the weekend from the owner of Suzuki-Honda Sales, Elkton, which had been hit by thieves April 16. After people started talking, he added, the case came together quickly.

The detective said a majority of the vehicles were taken from in front of residences, where they were being displayed for sale. Exceptions were break-ins

at the cycle shop in Elkton and a shed in Sanilac County.

Drossos noted the vehicles apparently were stolen for personal use rather than for the purpose of re-selling them.

The suspects "all pretty much knew each other," he continued, "but it was never all of them at the same time. It wasn't a real organized ring."

Barn razed

Station wagon, tools lost in fire

Fire razed a barn at the Dan Weiss home on McGregory road, about 3/4 of a mile north of Cass City Road, Monday.

Destroyed in addition to the 25 by 70-foot barn were some tools and a station wagon. Neither the barn nor the car were insured. The car is owned by Steve Papp and was in the barn for repair. While under repair the insurance was allowed to lapse until repairs were completed.

Saved were about 20 pigs that were let loose by Weiss, who discovered the fire at about 7 a.m. when he was leaving to go to work.

When he entered the barn he saw the fire just starting to blaze in loose straw.

Firemen from the Elmwood-Gageton Fire Department, assisted by the Elkland Township Fire Department, battled the blaze to keep it from spreading to the nearby home.

Leo and Nellie Shagena

Shagenas celebrate 60th anniversary

The children of Leo and Nellie Shagena will host a celebration of their parents' 60th diamond anniversary, May 3 from 2 to 5 p.m. at 7906 E. Cass City Rd. Family and friends are welcome.

Library to display Young Authors Books

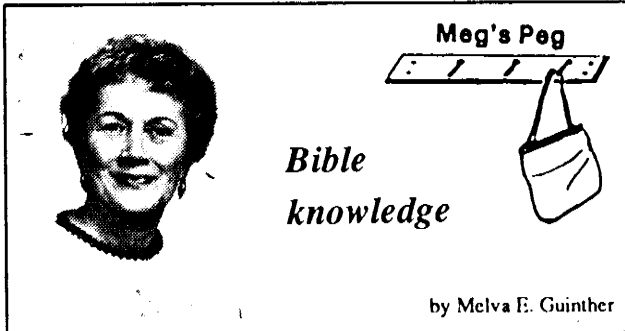

Rawson Memorial Library, Cass City, will sponsor a display of Cass City elementary students Young Authors Books through Friday.

More than 750 students, grades one through 6, authored their own books with the assistance of their teachers and volunteers. Students' writing include both fiction and non-fiction as well as collections of poetry.

The books will be on display in the library's meeting room for patrons to read and enjoy.

Bible knowledge

by Melva E. Guinther

The question was "What was given to Moses by God." When the contestant answered, "a boat", I was reminded of this cute story that appeared in the devotional booklet, "Our Daily Bread."

A pastor asked a class of Sunday school children, "Who broke down the wall of Jericho?"

A boy answered, "Not me, sir."

Upset, the pastor asked the teacher, "Is this typical?" She replied, "I believe this boy is honest, and I really don't think he did it."

The pastor went to the head deacon.

"I've known the boy and the teacher for years," said the deacon, "and neither of them would do such a thing."

Aghast, the pastor went to the Christian Education Board.

"Pastor," said the chairman, "let's not make an issue of this. Let's just pay for the damage and charge it to upkeep."

With these thoughts in mind, here's a quiz to test your knowledge of some of the best known characters in scripture.

Can you match each Bible character correctly with his or her description?

1. He was a shepherd, musician, giant killer and king.

2. He lost his children, livestock and his health, yet kept his faith in God.

3. He ended up working 14 years to get the woman he loved.

4. He tore a lion apart with his bare hands, but couldn't handle a haircut.

5. She won a beauty contest of sorts to become a queen.

6. He disobeyed God's instruction and learned a lesson in the belly of a fish.

7. His brothers hated him and sold him as a slave.

8. His mother put him in a basket in the river to save his life.

9. He saved his family by building a huge boat, as instructed by God.

10. She laughed when an angel told her husband that she would bear a child in her old age.

11. She became angry with her sister for not helping with the work when they were entertaining Jesus.

12. He was fed by ravens and won a contest with the prophets of Baal by calling down fire from heaven.

13. She insisted upon going with her mother-in-law after both of their husbands had died, and later married Boaz.

14. God told him his descendants would be as numerous as the sands of the seashore, even though he and his wife were very old and had no children.

15. He stood head and shoulders above others and became Israel's first king.

A. Samson I. Joseph
B. Sarah J. Jacob
C. Saul K. Abraham
D. Moses L. David
E. Elijah M. Martha
F. Jonah N. Ruth

Remember that bet between Tom Woody and Dave Lovejoy on the outcome of the final 4 basketball game between the University of Cincinnati and the University of Michigan?

As everyone knows, Cincinnati and Woody lost. What most folks don't know is that Woody has already paid off. He sent a batch of the famous Cincinnati chili to the Lovejoys via Dave Hoard, a visitor in Cincy this spring.

Delicious, said Lovejoy, not saying if he was talking about the game or the chili.

It was probably both.

There are 12 state parks in Michigan that will allow campers free access for 2 days, May 15-16. Besides the free offer, campers can get a \$2 voucher on a future visit if they fill out the form.

The bad news is that none of the 12 is in or near the Thumb. There are 4 in the Upper Peninsula and 3 in the northern lower peninsula at Cheboygan, Onaway and Rogers City. There are 5 in the southern lower peninsula, the closest probably at Pontiac Lake.

We'd bet a cookie that Jodi Hovis, a 10th grade student from Goodrich High School, was totally surprised, if not shocked, when she received an official letter from the Cass City School Board.

The letter congratulated her on her rendition of the national anthem during the regional basketball tournament in Goodrich.

I thought she was outstanding and I have had several folks tell me they thought she was, too, Supt. Ken Micklash told the board.

I'm sure that it is all for the best, the uprooting of all those pretty trees alongside Main Street. It still is startling to see the loader rip them out and it's a sentiment shared by most everyone.

The most common question was, "What are they going to do with those trees?" and "They should plant them in the park or something."

Many of the trees were taken as soon as they were uprooted to be placed in various yards in the community. There is some question about whether they will grow, but nurseryman Oscar Brooks said that most of them should survive.

Let's hope he's right.

Jim Wynes and family were visitors in Cass City last week, renewing old acquaintances and attending the Walbro stockholders' meeting. Wynes spent 3 years teaching in Cass City in the late 1950's and left for a job in administration.

He's been the superintendent of schools in Atlanta for many years. The job seems to agree with him as he has no gray hair and looks firm and fit.

Maybe it's because he will join the great ranks of the retired after the 1992-93 school year.

750 area students submit books for judging

The Cass City Young Authors' Program recently concluded with over 750 students in grades one through 6 submitting books for judging.

Ribbons were presented to all participating students. Honorable mention went to 600 students, second place awards to 130 students, and first place to 20 students.

All first-place winners are eligible to represent Cass City Schools at the Tri-

County Young Authors' Conference, Saturday at Cass City High School.

Young Authors from 20 different school districts will gather for the celebration, entitled "Stories of Enchantment."

In addition to sharing their stories with other students, the young authors will enjoy a puppet presentation of "Rumpelstiltskin" or a reading incentive program by "Living Images." They will

also hear guest speaker, author and illustrator Paul O. Zelinsky.

Zelinsky, who has twice received the Caldecott Honor Medal for his illustrations, will be visiting the Thumb from his home in Brooklyn, N.Y. He has written and/or illustrated 18 books for children, utilizing a variety of techniques.

Parents, educators and other adults interested in spending some time with Zelinsky are invited to an open house in his honor, to be held at the Garden Gate Bed and Breakfast in Caro, Thursday from 6 to 7:30 p.m.

not enough to attract the talent that it has. You need to want to be in public service to take the job and devote the time to it that is necessary to do the job well. The supervisor is the assessor and the jobs combined pay \$9,200. The treasurer and the clerk receive \$7,200 each yearly. The township handles about \$2.4 million yearly.

I digress. Back to the business at hand. There's been no decision about elimination of the administration tax yet. We don't know if it's because the board just hasn't gotten around to acting on it, or whether it's because of a malady that strikes most public bodies. A reluctance to cut off a source of revenue.

It's a safe, secure feeling to have a few extra bucks hanging around in case of an unforeseen emergency. It's much easier to continue a tax than it is to remove it and then ask for more money via a tax increase when the need arises.

It's true that the administration tax isn't all that much and won't make or break you. But it's not news that we aren't in the best of economic times and every little bit counts. Treasurer Art Randall says that the board is looking at the issue and has been discussing eliminating the tax.

Let's hope it gets beyond the talking and to the action stage. A little less tax would be a welcome shock in these days of constantly expanding tax bills.

Peace games

By Jim Fitzgerald

You can breathe easier. Sister Elizabeth Walters and the Rev. Peter Dougherty were arrested and jailed again last week. The streets are safer for the military weapons industry.

Dougherty, Walters and 3 other dangerous nuns — one 81 years old — were nabbed for invading the Wurtsmith Air Force Base in Oscoda and spray painting on an unused weapons storage bunker: "Christ Lives, Disarm."

You might wonder why the law doesn't similarly crack down on graffitiists who paint profanities on freeway overpasses. The difference is the priest and nuns aren't merely creating disgusting, distracting eyesores. They are playing peace games that threaten the welfare of influential people whose wealth and power stem from war games.

OBSCENE MANUFACTURING

Dougherty and Walters are repeat offenders. A few years ago, when I requested an accounting, Dougherty admitted he couldn't recall how many months — years? — he's been jailed for playing peace games. He is a member of the Covenant for Peace, which, among other activities, maintains a vigil outside the gates of the Williams International Corp. missile engine plant in Commerce Township.

The group's message is it's obscene to keep manufacturing more nuclear weapons than needed to wipe out the world in one day. Especially when there's no more cold war and no more big bad bogey Soviet Union. Especially when money wasted on the defense industry could be spent to house the homeless and feed the hungry.

Real familiar, corny homilies. The Pentagon scoffs.

I last wrote about Walters 2 years ago when she was sentenced to 6 months in prison for trespassing at Wurtsmith. I pointed out that her term was only twice as long as Red Wings hockey player Bob Probert served for smuggling cocaine from Canada into

the United States. I wasn't implying Probert got a lighter sentence because he's a sport celebrity. No way. Obscure drunken drivers who killed people have served less time in jail than Walters. The same with muggers, rapists and other violent criminals no one ever heard of before.

The law isn't so tough on Walters because she can't play hockey as well as Probert. It's because she insists on playing peace games in a nation that thrives on war games.

THINK RE-ELECTION

The Wurtsmith base, home to B52 bombers, will close next year. The immediate objective of last week's "disarm" painting was to stress that Wurtsmith's weapons should be dismantled rather than transferred to another base to be needlessly maintained and brandished at taxpayers' expense.

More generally, the spray painting was a protest against the bloody, avaricious thinking described in this recent news report out of Washington:

"The plummeting military budget has U.S. arms makers — and their Penta-

gon allies — pushing hard for increased overseas sales to keep American defense factories humming. Top industry officials have warned President George Bush that unless he persuades Congress to permit the sale of F15 fighters to Saudi Arabia, he faces 80,000 layoffs — and a bigger budget deficit — this summer, just before the general election campaign heats up."

Sure. We should supply the weapons of death required to enrich the defense industry, to justify keeping Pentagon procurement officers on the payroll, and to get Bush re-elected.

Never mind how many human beings our tax dollars kill.

U.S. Rep. Mel Levine, D-Calif., got it right when he said of the Mideast: "The virtually uncontrolled flow of America's state-of-the-art weaponry doesn't stabilize the region — it fuels an arms race that is already out of control."

Father Dougherty, Sister Walters and the other spray painters don't think the United States should be in the business of selling death and destruction. That's why they play peace games.

That's why they should be applauded, not jailed.

4-Hers attend Achievement Mini Fair

"Everything Under The Sea" was the theme for the 1992 Spring Achievement Mini Fair held Saturday, April 11, at the Sanilac Career Center.

4-H Personal Appearance members participated in the all day event, in which projects in knitting, crocheting, sewing and buymanship were evaluated. Awards were presented in both construction and style revue.

In the evening 4-Hers participated in a style revue in which they were able to model their projects and receive their awards.

The winner of a Viking sewing machine was Adrienne Keller of Uby from the Holbrook Helpers 4-H Club.

Runners-up were: Stephanie Bush, Custer Climbers; Kara King, Evergreen Guys & Gals; Stacy Cunningham, Hobbie Kids, and Amanda Anton, Custer Climbers.

The Citizen's Federal Award is presented to an older 4-H youth who receives a style and construction award. This year the winners of the \$50.00 savings bonds were Patricia Kautz, Busy Bodies Club; Kara King, Evergreen Guys & Gals Club; Rhonda Hooper, Custer Climbers Club, and Michelle McCumons, Flynn Hustlers Club.

The Key Club Award was won by Melanie Allen, Crosswell 4-H, Sherry Dowling, Peck Patriots, and Patricia Kautz of the Busy Bodies 4-H Club.

The Farm Bureau "Outstanding 12-Year Old" award went to Rodney Thomas, Flynn Hustlers; Michelle McCumons, Flynn Hustlers; Jay Larson, Country-side Club, and Jill Sharrard of Peck Country Cousins.

In Beginners Sewing, winners in both Style & Construction were: Laura Laming, Holbrook Helpers, and Carrie King, Lucky Stars.

In Young Sewing, winners in both Style & Construction were: Adrienne Keller and Daniella Laming, Holbrook Helpers.

In Junior Sewing, winners in both Style & Construction and Regional Style Show were: Katie Anthony, Holbrook Helpers, and Lisa Wallace, Evergreen Guys & Gals. Style winner was Melissa Keller, Holbrook Helpers.

In Senior Sewing, Style & Construction and Regional Style Show winner was Kara King, Evergreen Guys & Gals.

Laurie Laming, Holbrook Helpers, won both Style & Construction in crocheting.

In Knitting, Carrie King and Lisa Shaw, Lucky Stars, were winners in Beginner Style and Stacie Shaw, Lucky Stars, was a winner in Young Style. Carrie King, Lisa Shaw and Stacie Shaw were Regional Style Revue winners.

O-G seniors attend spring meal at Bach

Forty-one Owen-Gage Senior Citizens attended the spring dinner at Bach Lutheran Church April 23. Stella Pisarek said grace before the meal.

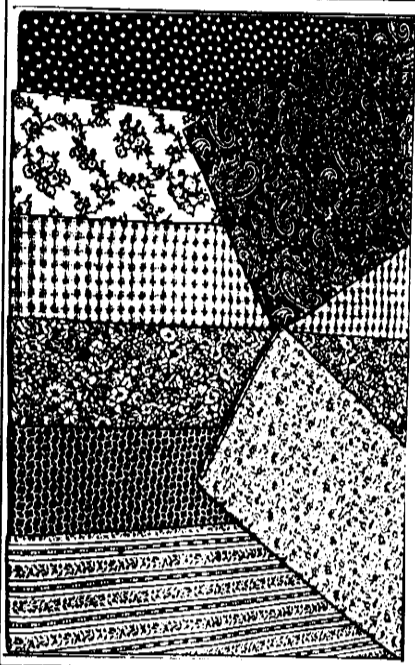

President Orville Mallory presided at a short business meeting. Homer Kretzschmer reminded everyone about Senior Power Day in Lansing May 12.

Door prizes were won by Audrey Frankowski and Harold Blehm.

After the meeting was adjourned, euchre was played. The men's high prize was won by Louis Ouvry and the men's low prize by Leo Munroe. The women's high prize was won by Iva Peterson and low prize by Mary Guza. The owl prize went to Mike Pisarek.

Jack Stahlbaum

Jack Willett Stahlbaum, 58, of Cass City died Saturday, April 25, at his residence, after an illness of several months.

He was born Feb. 16, 1934, in Meade Township, Huron County, Mich., the son of Jack C. and Mary (Sharette) Stahlbaum. He came to this area in 1943 from Pontiac.

He married Miss Dorothy Schmidt April 2, 1956, in Indiana. They made their home in Cass City.

Mr. Stahlbaum, who retired from asphalt contracting, was a member of Tyler Lodge #317 F and AM, Cass City. He was a veteran of the Korean War, where he served with the United States Marine Corps.

He is survived by his wife, Dorothy; one daughter, Mrs. Dawn Dutkiewicz and husband Gene of Bay City; 3 sons, Mark Stahlbaum and wife Amy of Cass City, Jeffrey Stahlbaum of Royal Oak and Todd Stahlbaum of Cass City; 4 grandsons and 2 step-grandsons; 2 brothers, Donald Stahlbaum of Paw Paw and William Stahlbaum of Chesaning, and one sister, Mrs. Marjorie Langmaid of Denver. One daughter, Mrs. Lori Lynn Schuette, preceded him in death.

Funeral services were scheduled Tuesday at Little's Funeral Home, Cass City, with the Rev. Rick Sheppard, pastor of Trinity

United Methodist Church, officiating.

Interment was to be in Elkland Cemetery, Cass City.

Memorials may be given to the Cass City Hospice.

Phyllis Tyo

Mrs. Phyllis Ann Tyo, 79, of Deford, died Friday, April 24, at Tendercare, Cass City, after a lengthy illness.

She was born Feb. 7, 1913, in Silverwood, the daughter of Leon and Josephine (Reutherford) Brooks.

Miss Brooks married Forest Tyo Jan. 3, 1932, in Caro. They lived in the Cass City area. Mr. Tyo died March 9, 1990.

Mrs. Tyo had been a nurses aid for many years at Pleasant Home Hospital and Hills and Dales General Hospital, retiring in 1965.

She is survived by one daughter, Mrs. Dorothy Phillips and her husband Ronald of Deford; one daughter-in-law, Mrs. Marilyn Tyo of Cass City; 5 grandchildren; 10 great-grandchildren, and several nieces and nephews. Two sons, Donald and Thomas, and 2 sisters, Doris Hurley and Ardis Bauer, preceded her in death.

Funeral services were conducted Monday at Little's Funeral Home, Cass City, with Father Julius Spliet, pastor of St. Pancratius Catholic Church of Cass City, officiating.

Burial was in Novesta Cemetery, Cass City.

Ashley Walsh

Ashley Marie Walsh, 21 months, of Cass City, died Wednesday, April 22, at Hurley Medical Center in Flint after a long illness.

She was born July 30, 1990 at Bay Medical Center in Bay City, daughter of Bryan Joseph and Susan Kay (Gracey) Walsh.

Surviving are her parents; one sister, Andrea Marie, at home; paternal grandparents, Mark "Pete" and Geraldine Walsh of Uby; maternal grandparents, Garrison and Albina Gracey of New Hudson; maternal great-grandparents, Nina Hulbert of Center Line and Geraldine Gracey, and many uncles, aunts and cousins.

She was preceded in death by her paternal grandmother, Dolores Walsh.

Services were held Saturday at St. Ignatius Catholic Church in Freiburg, Monsignor Francis Murray, pastor, officiated.

Burial was in the church cemetery. Zinger-Smigelski Funeral Home in Uby handled the arrangements.

Choir to present cantata

The Junior Choir (grades K-6) of Novesta Church of Christ, 2896 N. Cemetery Rd., Cass City, will perform the children's cantata "Zeroes Into Heroes" Sunday at 7 p.m.

The program, under the direction of Donna Little, includes drama and singing as the story of the Bible character, Gideon, is told. The theme of the cantata is a positive self-image.

The public is invited.

Mabel Brian celebrates 100th year

Charmont Restaurant was the scene for the 100th birthday celebration for Mabel Brian. Twenty-nine friends and relatives attended a luncheon in her honor Saturday, April 25.

The duo of Jim Freiburger and Joe Merchant gave a musical salute to Miss Brian, playing Celtic music and American folk tunes on the dulcimer and guitar.

Miss Brian enjoyed reminiscing and sharing memories with those present.

CASS CITY'S Main Street trees were uprooted and removed Friday in preparation for the planting of Bradford Pear trees, which are less expensive to maintain. Cost of the Cass City Chamber of Commerce project is estimated at \$2,000.

At Kingston High School

Grubba, Swalwell top grads

Kingston High School officials recently announced the top graduating seniors for the class of 1992.

Heading the list as valedictorian is Erika E. Grubba, daughter of Edward Grubba of Deford and Cynthia Wilcox of Detroit. She compiled a 3.71 grade point average during her 4 years at Kingston High School.

She is listed in "Who's Who Among American High School Students", has been on the honor roll for 4 years, has been active in band, on the yearbook staff and on the Academic Games science team for 4 years.

Grubba plans to attend Northern Michigan University, where she will study physics.

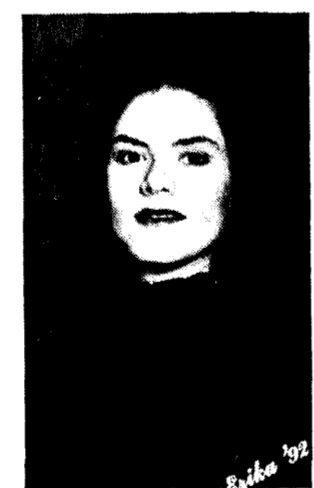

Salutatorian honors go to Jodi Sue Swalwell, daughter of Cheryl Swalwell of Deford and Gary Swalwell of Deckerville. She has maintained a 3.70 grade point average and is a member of the Kingston chapter of the National Honor Society.

Swalwell was tenth and eleventh grade class treasurer and twelfth grade class vice-president, a cheerleader for 4 years and a member of the Academic Games English team for 3

years. She was a Great Lakes Junior College student of the month and is the recipient of a Saginaw Valley State University Presidential Scholarship.

Swalwell's future plans include attending Saginaw Valley State University to study either education or

business management. Additional Kingston honor graduates are: Carol Admczyk, Jeffrey Zajac, Eric McLaughlin, Russell Smith, Jill Zyrowski, Steven Nemeth, Jason McLaughlin, Roy Browning, Donald Moore, Christina Smith, Rachelle Dereszynski and Stacy Sims.

Village has nice streets, facilities

The village's work crew this week is in the midst of removing the trees along Main Street and replacing them with a new species. We asked Annette Pinney, Cass City, how she viewed the changes.

"Why were they removed?" she asked. When it was explained that the maintenance was growing prohibitive, she supposed it will be all right, depending on how they grow. Right now they appear to be not as big and attractive as the more mature trees were.

What I really like about the Cass City business district is the wide streets, something that most communities do not have.

It's one of the things that make the community a fine place to live, the Cass City native feels.

Others are our schools, our park, our hospital and this library (where the interview was conducted.)

It would be nice, Pinney observed, if we could get a few more businesses in our Main Street stores.

Ordus among top 25 in auto sales

A sales manager at a Bad Axe car dealership is among the top 25 in a region that includes all of Michigan and part of Ohio and Indiana.

Gregory Ordus, 24, has worked in sales at Ordus Ford - Lincoln - Mercury Chrysler-Plymouth-Dodge since 1985.

The recognition comes from Chrysler-Plymouth-Dodge for sales through March.

He said Chrysler-Plymouth-Dodge gives each dealership certain ob-

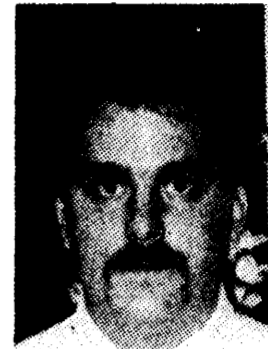

jectives and Ordus met and surpassed those goals — far enough to make the list.

Chemical profits up

Gilbert A. Currie, chairman of Chemical Financial Corporation, announced recently the net income for the first quarter of 1992 was \$3,679,000, up \$912,000 or 33.0% over the \$2,767,000 earned in the first quarter of 1991. Earnings per share for the first quarter of 1992 were \$.85, an increase of 30.8% over the \$.65 earned in the first quarter of 1991.

The 1992 first quarter earnings increase was primarily achieved through an increase in the net interest margin. Also, first quarter earnings included a one-time after tax gain of \$273,000 on the sale of investment securities that were scheduled to mature later in 1992.

At March 31, 1992, total assets of the corporation were \$1.370 billion, up 6.6% or \$85 million, over the \$1.285 billion reported one year earlier.

Hawk boys lose pair to Lakers

The Elkton-Pigeon-Bay Port Lakers showed why they are the leaders of the Blue Bay League by taking both ends of a doubleheader Thursday at Cass City Recreational Park.

They were the first games in 2 weeks for Cass City and it showed, Coach Doug Hall said. We made mental mistakes as well as several errors.

Cass City lost the opening game, 5-4, when a big last inning rally fell just short. It started as a ho-hum win for the Green Machine. The Lakers scored all 5 unearned runs off Greg LeValley, who went 6 innings before Ben Schott turned in a scoreless inning in relief.

Meanwhile the Hawks could do nothing with Eric Wissner, who held them scoreless until the last inning. The Hawks rose up with 4 runs as Al Proowski provided the big hit to drive in 3 runs. Cass City had the tying and winning runs on base but couldn't come up with the key game-winning hit.

In the second game Reggie Ignash pitched and hit his team to the win as the Hawks were whitewashed, 4-0. He provided the only run the Lakers needed as the leadoff man in the first, when he crushed what may be the longest home run every hit at the park. It rolled deep into

the middle of the Little League softball diamond and Ignash could have walked around the bases to score.

The Lakers salted away the game in the third with a 3-run rally that knocked starter Troy Benitez from the box. He was relieved by Bill Graham, who continued the team's sensational relief pitching, going 2 1/3 innings and retiring every batter he faced in order.

Brad Gray was the leading stickler for the Hawks, with 2 hits in 3 trips. Esch and Ignash each had 2 hits for the Lakers.

It is a busy week for the Hawks. They were to have played Ublly Monday and North Branch Tuesday at home and at Reese Thursday.

Cass City is now 4-5 overall and 3-3 in league competition.

Exhibit at library

Rawson Memorial Library, Cass City, will host another exhibit of paintings by local artists during Michigan Week, May 15-22.

The display will be set up in the library's meeting room. This is the third year the library has held the event. Last year, 23 area residents displayed their work.

Anyone interested in showing their paintings is urged to contact the library no later than Friday, May 8.

CASS CITY'S STEPHANIE LEITERMAN successfully sacrificed teammate Jenny Storm with this bunt Thursday against visiting Lakers.

Revival services set

The Cass City Church of the Nazarene will host revival services May 6-10. Services will be held at 7 p.m. Wednesday through Saturday (Sunday 11 a.m. and 6 p.m.)

The Rev. Dave Canfield, a

commissioned evangelist in the Church of the Nazarene, will be the speaker. He is a dynamic Bible expositor who has held many successful revival campaigns.

Everyone is invited and encouraged to attend these meetings.

SECOND GAME

If Heather Kelly develops

Coach Dave Hoard's Cass City Red Hawk softball team roared to a pair of wins over visiting Laker High Thursday at Cass City. The Hawks won the first game, 9-2, and the second, 9-5.

Jennifer Freundt was in control all the way as she hurled a one-hitter and her teammates backed her with an 8-hit attack. Freundt allowed a run in the first and an unearned run in the seventh as she went the distance to chalk up the win.

The game was decided for all practical purposes by the end of the third inning. Cass City counted a pair of runs in the first when Keri Santos was hit by a pitch, followed by a double by Jodi Hillaker and single by Heather Kelly.

The Hawks scored 3 more times in each of the second and third innings. The key hit in the second was a circuit smash by Santos with 2 mates aboard. In the third, errors, walks and a hit by Stephanie Leiterman did the damage.

Jodi LaRoche and Freundt both collected 2 hits in the game.

control, she could be some kind of a pitcher. She went 6 innings in the nightcap against the Lakers and was credited with the win.

Kelly allowed just 2 hits and chalked up 16 of the 18 outs by strikeouts. However, in between the whiffs, she also walked 9. Freundt took over in the seventh and retired the only batters she faced.

Hillaker had a big day at the plate for Cass City with 2 hits and a walk in 4 trips. Eight of the 9 women in the lineup got hits.

Cass City was to have played Ublly Monday and North Branch Tuesday, at home, and then play at Reese Thursday.

The Hawks' record through Saturday was 6-3.

New business opens in Cass City

Deborah Bassure of Cass City announced this week that she is opening a new business, "Helping Hands", in Cass City. The business is designed to be of service to the elderly who may need the help for running errands, housework or similar everyday chores. The firm also offers a daily phone check-in service for shut-ins.

In addition, Bassure said that the firm, "Stytc In Tyme", which she runs, will be offering sewing skills needed for alterations of prom or brides' dresses and other clothing alterations.

She came to Cass City 8 months ago from Dearborn, where she operated a similar business, including the creation of theatrical costumes and other applications that required special sewing skills.

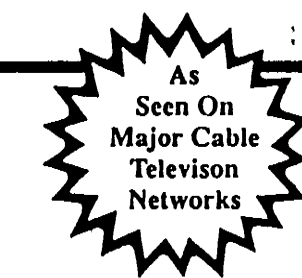

RED HAWK KENT Winter gets set to face Laker hurler Reggie Ignash in Thursday's Blue Bay League contest. Cass City dropped both ends of the twin-bill.

YOUR FEET

Dr. Judi Ecker D.P.M. -PODIATRIST-

Put Your Feet In The Hands Of A Professional

A 71 year old diabetic hobbles into my office. She explains that a few weeks ago her daughter took her to a neighbor for a "simple pedicure." Now she is concerned about her big toe. "It's turning black. It doesn't hurt, but why does it look so bad?"

She has a history of numbness and burning in her feet from the diabetes. She has cramping in her legs when she attempts to walk more than a block or two.

Upon clinical observation, her nails were thick, yellow and brittle, her skin was shiny and waxy with a lack of hair growth. Her feet were cold and the pulses were barely felt.

Her big toe was black and without life except for the living organisms

which had invaded the vulnerable, fragile skin of the diabetic.

AN ALARMING SCENARIO! It is one that should never be taken lightly!! Thousands of amputations are performed each year. Most of these could have been prevented.

If you have impaired circulation or suffer from diabetes, SEE A DOCTOR! Others are NOT trained or licensed to medically evaluate or treat you. Make an appointment to see us on a time schedule, not a pain schedule. By the time you are in pain, it may be too late! Since you only get one pair for a lifetime, keep your feet healthy.

For the treatment of your feet, see the physicians at:

Seven records set in Gavel Invitational

Seven new records were set in the second annual Cass City Gavel Club Invitational held in cold, wet weather Saturday at Cass City Recreational Park.

The winners of the meet were the Caro Tigers with 121 points. The meet has a unique scoring system where the scores of 2 boys and 2 girls are added to determine the winner. Points were awarded to each team on a sliding scale, depending on order of finish.

In second place with 110 points was Bad Axe. Cass City finished third with 107 points. Other schools finished in the following order: Marlette, 96; Millington, 92; North Branch, 86; Lakers, 65; Deckerville, 44; Kingston, 34, and Capac, 23.

Cass City won 3 events, setting a record in the sprint medley with a time of 2:31.63. The Hawks' other wins were in the discus and the long jump. Caro set a

record in the high jump (21-6), the 4x100 (:49.17) and the 4x300 (2:54.41). Marlette set a new mark in the even medley distance (8:09.26).

Medals were awarded for the first 5-place finishes.

Larry Robinson, meet director, said that the meet met with the approval of all the teams entered. Next year's

meet is already scheduled for April 24 and Robinson says that he feels that his goal of a 16-team meet will be met.

The medal winners in each event in the order of finish, together with the winning times or distances are:

Registration deadline for T-ball

The registration deadline for Cass City Little League T-ball has been extended. Youths ages 6 and 7 who haven't signed up yet can still be registered this month by contacting Robert DeLong, little league president, at 872-4712. The deadline to call is Friday.

BRANDON TONER ran the anchor leg in the 4x100-meter and helped Cass City to a third place finish.

Owen-Gage girls lose to Kingston

The Owen-Gage Bulldogs opened the 1992 NCTL campaign at Kingston Thursday on a sour note, losing 4-2.

Junior Carli Salcido went the distance for the visitors and suffered the loss, despite allowing only 5 hits and issuing 4 free passes. Kingston's Jill Zyrowski registered the win.

"We left too many base runners on (12)," said first year Coach Dean Roller. "We had bases loaded twice, once with one out and once with no outs, and didn't

score. We also committed 7 errors."

The Bulldog bats will have to come to life Thursday if they hope to defeat visiting Akron-Fairgrove and remain in the NCTL title race.

Kingston got all the runs they needed in the second stanza when they scored twice after Salcido had retired the first 2 batters and took a 3-1 lead.

The hosts added another run in the fifth inning when Bobbi Robinson rode home on a Julie Chappel single.

Trailing 4-1, Salcido doubled in the 'Dogs' final at bats and came home one

play later on an RBI single from Michelle Tkacz to slice the hosts' lead to 4-2.

With 2 outs, Owen-Gage again filled the bases, but Zyrowski buckled down and retired Tanya Muntz on an infield pop-up to close out the game.

Owen-Gage collected 6 hits on the afternoon. Tkacz was the only Bulldog to collect more than one safety, picking up 2 singles in 4 attempts.

Robinson led the winners with a perfect 2-2 showing at the plate.

Hawk thinclads lose to Marlette, Vassar

It wasn't a good week, not a good week at all, for the Cass City High School track teams in 2 dual meets.

The Hawk boys and girls both lost to Marlette and Vassar. The loss by the girls to Marlette Tuesday was especially hard to take. The girls lost because one of the team members played while ineligible. Coach Larry Robinson said that he would take the responsibility for the mistake that caused the forfeit because he failed to check the eligibility list. It won't happen again, he vowed. Without the forfeit the Cass City girls would have won, 96-56.

There weren't any ineligible players in the boys' meet, but the Hawks lost anyway, 94-70. Big winner in the meet was Marlette's Chappel. He won the shot put (47.9), discus (131), and the 1600 and 3200-meter runs. Cass City's Brandon Toner won the 200-meter dash (24.68) and the long jump (18-8). He also ran a leg of the winning 400-meter relay. Marlette won 10 first places, Cass City, 7.

VASSAR MEET

The Vassar Vulcans won both the boys' and girls' meets Thursday. The boys bowed, 99.5 to 63.5. The girls lost 86-66.

Motorist hurt in accident

A Cass City area motorist sought his own treatment for minor injuries following a one-vehicle accident April 21 in Novesta Township.

Tuscola County Sheriff deputies reported John A. Wiseman, 23, was west-bound on Gilford Road about a half-mile west of Kingston Road when he drove into a washboard area and was pulled to the north edge of the roadway, hitting a stump and flipping over.

Wiseman was wearing a seat belt at the time of the 10:20 a.m. crash, reports indicate.

Cellophane was invented in Switzerland in 1906.

BEHAVIORAL METHODS TO QUIT SMOKING

All habits, whether good or bad, are a form of learned behavior. That's why behavioral methods have found a niche in helping some people stop smoking. A person can learn to dislike smoking and learn to replace smoking with healthier habits. One behavioral method is the rapid smoking technique. Here, a person inhales the smoke once every six seconds until he no longer wishes to take another puff. This will make a person feel like the first time he smoked a cigarette-not too well. Over time, a person will learn to associate smoking with an unpleasant experience and craving a cigarette will be associated with revulsion. This technique is fairly successful with a one-year cessation rate of up to 70%. A similar method, satiation smoking technique, involves tripling the amount a person smokes in a period of 20-45 minutes. When this method is used along with relaxation training and stress management, the results are reported to be as high as 60%. Support groups are useful in many ways. They can provide support and incentive, and suggest coping methods that have worked for them. A person cannot expect to give up smoking and not replace it with some other activity. Several other methods are also available, but generally considered less effective. These include hypnosis (where results may depend to a great degree on the skills of the therapist) and acupuncture.

Grief support group offered

A Grief Recovery Support Group is again being offered free of charge to area residents who have lost a spouse or other loved one through death.

Rose Mary Charmley, aging specialist with Tuscola County Community Mental Health Services, will be the moderator.

The program is comprised of 8 sessions to be held weekly from 1 to 3 p.m. at the Indianfields Library, Caro, beginning May 5. Topics will include understanding your feelings, role changes in your new life, how to get through holidays and anniversaries, and coping with stress.

The goal is to provide understanding of the stages of grief and meeting the needs of people who have experienced a loss, according to Charmley.

"This is the fifth session I've conducted, totaling about 55 individuals, and the results have been really great," she said. "These individuals are now part of a continuing monthly support group, and have found great comfort in each other."

Those interested in attending the upcoming sessions can obtain additional information and register by calling Marcia King at 673-6191.

*34.57%, 17.53% and 20.65% are the Fund's average annual returns for one-, three- and five-year periods ending 9/30/91 and since inception (9/26/85). Includes the effects of the maximum 4.75% sales charge and dividends reinvested at net asset value. Without expense reimbursement, the average annual return since inception and for the five years ended 9/30/91 would have been 15.58% and 15.49%, respectively. Past performance does not guarantee future results. Investment return and principal will fluctuate so that shares, when redeemed, may be worth more or less than the price you paid. **Based on a Special Report available from Lipper of capital appreciation funds (69) and of all mutual funds (781) in existence 9/26/85 - 9/30/91. Prior to April 1991, the Fund was called Transamerica Technology Fund and pursued an objective of long-term capital growth. Calculations exclude sales charges. ¹Indexes, which are unmanaged, represent averages of stock price performance and are reported with dividends except for the NASDAQ. Transamerica Fund Distributors, Inc., principal distributor.

Sanilac Market club slates May 6 meeting
The regular meeting of the Sanilac Market Club will be held May 6 at 8 p.m. at the extension office in Sandusky.

4 charged in district court

Four people were recently arraigned on separate felony charges in Tuscola County District Court.

*William A. Lugo, 31, Saginaw, faces one count of first degree criminal sexual conduct involving sexual penetration with a child under the age of 13 years March 12, 1991, in Gageton.

Bond in the case has been set at \$4,000. A preliminary examination has been scheduled for Friday at 1:30 p.m.

*Jerry R. Schultz, 26, Vassar, was arraigned on charges of possession of cocaine (less than 25 grams) and resisting and obstructing Sgt. James Giroux of the Tuscola County Sheriff's

Department April 18 in Vassar Township.

Schultz' preliminary examination was set for 9 a.m. Friday, according to court records, which state his bond was set at \$4,000.

*Dante M. Swilley, 17, Bridgeport, faces charges of resisting and obstructing a police officer, trespassing on the premises of Reese High School and being in possession of an open intoxicant in a motor vehicle.

Court records state the charges stem from an April 22 incident in Reese. Swilley allegedly resisted Reese police Officer Larry Eaton while the officer was investigating complaints involving trespassing and/or unlawful possession of a

weapon and/or possessing or transporting an open intoxicant in a motor vehicle.

Bond for Swilley was set at \$1,000. His preliminary exam is set for 1:30 p.m. Friday.

*Rayburn D. Whitaker, 27, Millington, was arraigned on a charge of altering a registration plate with fraudulent intent April 8 in Indianfields Township.

Bond in the case was set at \$2,000. A preliminary exam will be held Friday at 1:30 p.m.

Legal Notice

NOVESTA TOWNSHIP PENSION PLAN ORDINANCE

An ordinance to create and establish an annuity or pension plan for the officers and employees of Novesta Township and to authorize the township supervisor and the township clerk to contract in the name of the township, for such plan, to define those classes of officers and employees who shall be covered by such annuity or pension plan; to set forth the respective per centum shares which Novesta Township and the officers and employees shall contribute to the premium or charges arising under such annuity or pension contract and to further provide for the deduction of contributions from officers' and employees' compensation; to establish the time at which existing and future employees shall become eligible for such plan and to further establish the normal retirement date for all employees; to provide a method for non-coverage of an officer or employee of the annuity or pension plan; to set forth a date wherein each person covered under the annuity plan shall have a vested right or interest in such plan; to ratify and confirm the validity of any annuity or pension plan in existence on the effective date of this ordinance; and to repeal all ordinances or parts of ordinances in conflict herewith.

The Township of Novesta, Tuscola County, Michigan ordains:

SECTION 1: Purpose: This ordinance shall be known and cited as the "Novesta Township Pension Plan Ordinance."

SECTION 2: Pursuant to Public Act 27 of 1960, as amended, the Township of Novesta hereby creates and establishes an annuity or pension plan and program for the pensioning of its officers and employees, and for such purposes, and hereby authorizes the township supervisor and the township clerk to contract, in the name of the township board, with any company authorized to transact business within the State of Michigan for annuity or pensions.

SECTION 3: The annuity or pension plans created, established and contracted for under this ordinance shall cover each person within the following classes of officers and employees: All members of the Township board and of all individuals on a yearly salary, who wish to be covered.

SECTION 4: A. The Township of Novesta shall annually contribute 100 per centum of that portion of the premium or charges arising under such annuity or pension contract for each person within the class of officers and employees enumerated in section 3 hereof. Such contributions shall be secured from the general fund of the Township. Each person within such class of officers and employees shall be responsible for the remainder of the premium or charges and the Township treasurer is hereby authorized to deduct the same from each person's pay, salary or compensation and to apply the same to such person's responsibility.

B. Each employee who is employed on the effective date of the annuity or pension plan shall be eligible for coverage on that day provided he or she then meets the following requirements, otherwise to be eligible on the first policy anniversary on which he or she meets them.

1. He or she has completed at least 10 years of continuous employment.
 2. His or her age (nearest birthday) is at least 18 years of age.
- An employee's normal retirement date shall be the policy anniversary of the annuity or pension plan nearest his or her birthday.

C. Any person desiring not to be covered shall give written notice to the Township Clerk that he or she desires not to be covered, and if the notice is received before the person has become covered under the contract, he or she shall not be covered thereunder. If the notice is received after the individual has become covered, his or her coverage under contract shall cease as provided for in the contract.

SECTION 5: Each person so covered under the annuity or pension plan shall have a vested right or interest in such plan 9 months from the date the plan becomes effective for such person.

SECTION 7: This ordinance shall take effect on the date of its publication. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Hospital receives monitor

A new piece of equipment was recently added to the Obstetrics Unit at Hills and Dales General Hospital, thanks to the generosity of the American Legion, Department of Michigan.

The equipment, an Apnea Monitor ECG and Respirator, monitors fetal vital signs and alerts medical personnel when a problem, such as respiratory distress, arises.

The donation was recommended by officials in District 7, which is composed of 36 American Legion posts from Port Austin south to Warren and Lapeer east to Port Huron.

According to Mary Burley, District 7 commander, credit for the gift goes to members from throughout the district who collected pull tabs from pop cans and other beverage containers to raise the \$2,041 needed to purchase the monitor.

COLLEEN MCLAREN, R.N., demonstrates the new Apnea Monitor ECG and Respirator donated to Hills and Dales General Hospital by the American Legion, Department of Michigan. Gathered around her are (left to right) hospital President Ken Jensen and American Legion, 7th District, representatives, Mary Burley, commander; William Edgerton, sr. vice-commander; Lawrence Spiekerman, jr. vice-commander; Anne Colwell, chaplain, and Don Colwell, member.

Walbro to add plastic fuel tanks to product line

Walbro Corporation has announced plans to manufacture and market multi-layer, blow-molded plastic fuel tanks for the North American automotive industry. The announcement was made by L.E. Althaver, chairman, president and chief executive officer, Walbro Corporation, at the company's annual meeting held Thursday in Cass City.

"We are committed to developing our role as a supplier of tank/storage systems to the automotive industry," Althaver told stockholders. "We currently supply in-tank fuel pumps and fuel modules, in addition to fuel rails, to major North American automakers, so the expansion of our product line into the tank area is a natural one. This move significantly expands our capabilities as a supplier of automotive fuel systems."

Plastic fuel tanks offer a number of advantages over steel tanks, which currently dominate the North American market. The advantages of plastic fuel tanks include lower cost, lighter weight, impact resistance, and the ability to be produced in unusual shapes to better utilize available space.

Plastic fuel tanks are also unaffected by harsh fuels such as methanol blends, which corrode steel fuel tanks. Automakers are required to produce specific quantities of "Clean Fuel Vehicles" utilizing such fuels by mid-decade. However, ordinary plastic fuel tanks will not meet future evaporative emissions regulations, which severely restrict hydrocarbon emissions that occur through evaporation from a vehicle's fuel system.

The phase-in of stringent evaporative emissions test standards is scheduled to begin in California with the 1995 model year. Similar standards are expected to appear nationally as well.

Typical plastic fuel tanks allow the permeation of hydrocarbons through the tank material itself, causing them to fail to meet the new standards.

The new Walbro tanks will utilize multi-layer construction that includes a barrier layer that effectively eliminates permeation. The result is a fuel tank that provides all the benefits of plastic construction while meeting the new evaporative emissions standards.

Walbro's multi-layer tanks will be manufactured by Walbro Automotive Corporation, a Walbro subsidiary, using a process that combines co-extrusion and blow molding technology. The specialized equipment needed to produce these tanks has already been ordered.

Representative prototype fuel tanks could be produced by year-end for potential customers, with volume production possible in time for the 1995 model year.

Elsie Hicks announces election bid

Elsie Hicks, veteran Tuscola County official who was appointed to fill the unexpired term of Mary Lou Burns as district 2 commissioner, has announced that she will seek reelection on the Republican ticket.

Hicks, who lives in Deford, and her husband, Gerald, have 3 children and 6 grandchildren. She is a member of Farm Bureau and the DAR.

Most of her 28 years in service in Tuscola County was spent as county clerk. She is a member of the personnel committee and on the board

Elsie Hicks

of the Human Development Commission.

In making her announcement, Hicks said, "I am interested in county government and find the work challenging and sometimes frustrating, but feel my years of experience will help me with the decisions ahead with patience and understanding."

"ON A PERSONAL NOTE"

Roger Board
Owner

Last Tuesday, Doty Scolion asked me to talk to her Home Economics class and give a "Hands-On" presentation about buying a used car. Normally I stay away from these offers, opting instead to walk over a bed of hot coals or enter the lion's cage at the zoo, rather than subject myself to the wrath of today's teenagers! But "DOC" Scolion's my buddy and his wife's a nice lady, so I agreed. Imagine my surprise when 2 days later I received an envelope full of Thank You letters (most flattering). One letter stated that I didn't teach him anything he didn't know already, but he sure appreciated me coming because he got "out of a lot of bookwork" that day! In 1963, I knew a kid who might have written the same letter. The only exception is that we didn't have the nerve to sign them in those days! And that kid didn't turn out too bad - I guess the future generation is going to be all right after all!
