

Berenstain Bear books for me Santa

Sloane Carpus

Dear Santa,

For Christmas this year I would like Berenstain Bear books because I love when my Daddy does Papa Bear's voice.

Please help make sure my cousins, Oliver, Milo and Franklin make it safely to Grandma's house so we can play on Christmas day!

Love,
Sloane Carpus

This year I would love a kitten, please

Claire Schroder

Dear Santa,

This year I want a kitten. That might be all but if you want, feel free to make these items too:

A snow leopard figure (small or big, I don't care), a digital watch please, a stuffed animal (just one), a new water bottle, lots of Littlest Pet Shops, an alligator figure, an iPod touch case with an animal on it (preferably a kitten) and a large horse figure. Oh, and also some kitten supplies, like food, toys and a bed. I believe that is it!

Oh, and don't forget to stop by my Grandma Smith's house in Decker. Thank you!!

Lots of Love,
Claire Schroder

Please, some trains for my little brother

Caleb & Mariah Henne

Dear Santa,

My brother and I have tried to be really good this year. I was wondering if you could bring me some Shopkins and my brother some trains.

We will leave you special cookies and of course some special food for the reindeer.

Have a Merry Christmas.

Love,
Mariah and Caleb Henne

I would love a new race track

Dear Santa,

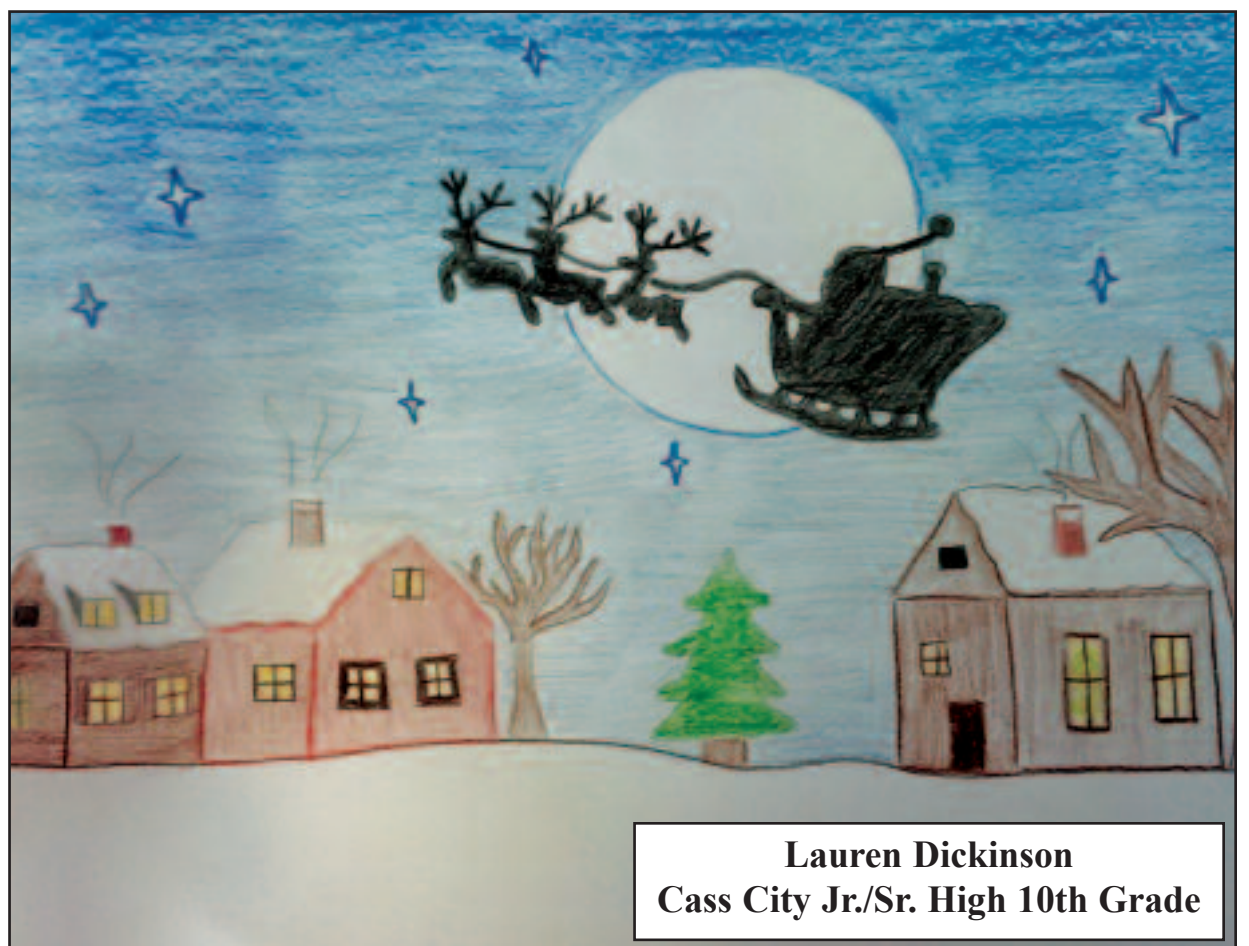

This Christmas I would love a new race track for all my cars to race on. I would also love an easy bake oven so I can cook just like mommy does. I really enjoy drawing and coloring now that I am learning how to write my name and letters. Mommy says I am growing way too fast but will always be her little baby bear.

Merry Christmas Santa.

Love,
Jake Green, age 4

Thank you for my little sister, Santa

Dear Santa,
Thank you for my little sister! This year has been a big year in my life since gaining the title "Big Sister". I think I deserve a few presents this year. I'd really like some markers because momma threw mine out. I thought adding color to the kitchen floor would make it pretty and momma threw them out before I finished.

I would love to get craft stuff

Dear Santa,

I am going to be 11 right after Christmas. This year I would really like a quadcopter. They are so cool and it would be better than the remote control helicopter I have. I would also like all sorts of craft stuff. I love to do art projects and make fun things. I will even make something for you to say thanks for all the presents you leave for me and my brother and sisters.

Merry Christmas Santa.

We will leave you cookies and milk, too

Dear Santa,

It's me, Madyson. I have been a very good girl this year. I am so helpful to my family and I do all of my chores and most of my brothers chores too. I am doing really good in school and in Bible Bowl too. This year I would like an iPad mini, some Legos, a Ninja Turtle blow up bed, and another Scentsy Buddy.

We will leave you milk and cookies like we always do. Please don't mistake my dog Remington as one of your reindeer, she really is just a big dog.

Please remember my baby brother Brady in heaven. I love you Santa!

Love,
Madyson Rain Elston.

Please bring a new football for me Santa!

Dear Santa,

I just turned 9 years old. I saw the coolest remote control car at the store that will drive on snow, water and land! That would be so cool to have. I would also really like to have a new football, a real one so I can practice before I play football next year for school. I would really like to get some Star Wars Legos too! I love to build cool things! Thanks Santa!

Love,

We will leave your reindeer treats Santa

Dear Santa,

I have tried really hard to be good this year. I keep trying so that has to count for something right? I am growing up so fast, you won't believe it. I would like a Scentsy Buddy, some Legos, a remote control car, and a Shawn the Sheep movie. I really like everything and will be happy with whatever you bring me. We will leave you and your reindeer some treats. I always try to think of others and my mommy says I have a soft heart. I love you Santa.

I am so excited this year for Christmas. I am 3 and I love everything! I love baby dolls, and dress up, and stuffed animals, and cooking stuff, and building, and I really like candy too! Don't forget to bring my sister Ana some toys so she doesn't steal all mine. And please don't forget my kitties. Gizmo and my new kitty Rascal need to have some toys and treats too.

I would love a new baby doll

Dear Santa,

This is my first Christmas that I will be able to open presents. Last year I was just too little. I would love a new baby doll and a new chair of my own to snuggle up in. I love to sit in my sister's chair and she doesn't like it very much. I have been a good girl even though mommy says I have a fiery little attitude to go with my red hair.
