## "Here's Your Infantry Ambassadors" to Come to Caro May 24

People of Tuscola county are invited to attend a presentation of Unit No. 2 of "Here's Your Infantry Ambassadors" at the fairgrounds at Caro on the evening of Thursday, May 24. Actual infantry combat in realistic battle scenes will be depicted to show what actual combat is. There will be no admission charge.

There will be real machine guns, rifles, automatic rifles, bazookas and flamethrowers in action and the actual taking of a Jap pill box and many other exciting presentations of actual warfare.

There will also be a remarkable display of equipment of all types and kinds used by the infantry. This will be in charge of experienced infantrymen who will participate on page 5.

## Set Example For The Nation

TED R. GAMBLE, National Director of the Treasury's War Finance Division, and his son, Ted, Jr., exchange War Bond presents in honor of Father's Day, June 17. The Father's Day Committee is urging all fathers and son to follow the example set by the Gambles.

## Paragraphs About Folks in the Service

James Storton of the Merchant Marine is ill of scarlet fever in a west coast hospital.

Pfc. Ross Koffman, son of Mr. and Mrs. H. H. Koffman, who is stationed at Fort Benning, Ga., is participating in a minstrel show which is touring Alabama and Georgia to assist in the present war bond drive.

Mr. and Mrs. John Guisbert received a letter Monday from their son, Pvt. Dane Guisbert, who is in the Philippines, telling them that he had been slightly wounded in a leg by shrapnel from a Jap mortar shell but that his condition was not serious.

Mr. and Mrs. Clair Profit have received word that their son, S/Sgt. Robert L. Profit, is in Percy Jones hospital, Battle Creek. He is being treated for a bad arm received in battle. His friends and relatives are glad to know he is getting along nicely.

Mrs. Leo Kirkpatrick, thinking of her elder son, Clarence Kirkpatrick, S. 1/C, last Thursday as still sailing the Pacific, was surprised to receive a telephone call from Marlette in which his well-known voice informed her that he was on his way home. He plans to leave again for duty on May 25.

Mr. and Mrs. Herman Stine were happy Tuesday when they received a telegram from San Francisco, Cal., from their son, Ens. Bruce Stine, informing them of his safe arrival in the States. He will be home in about two weeks on leave. Ens. Stine left a year ago in March for overseas and has been in the New Hebrides, Fiji Islands, Ellis Islands and others.

Mr. and Mrs. Frederick W. Darbee, Sr., of Caro were informed by the war department on May 6 that their son, S/Sgt. Harold Darbee, was missing in action. On May 11, word was received that he had been killed in Germany Apr. 19. S/Sgt. Darbee was one of the first from Tuscola to be inducted into the Army, entering Apr. 12, 1941. He was with the 86th Armored Infantry Division, with the Third Army.

Mrs. Nelson Harrison received a telegram Wednesday morning directly from her son, Pfc. William N. Harrison, in which he said, "I am well and safe. Hope to see you soon. Love to all at home." On Saturday, Mrs. Harrison learned through the Red Cross that her son had been liberated from a German prison camp and that he inquired as to the welfare of his family here. She was permitted to send him a short message through the local Red Cross representative.

Lt. Marvin W. Moore, son of Mr. and Mrs. Arthur H. Moore, of R. R. No. 1, Cass City, before the European war ended, was flying a P-47 Thunderbolt on emergency air-sea rescue missions. After bombing missions, Lt. Moore patrolled the English Channel and the North Sea to spot airmen who crashed or parachuted into the water. He dropped life saving aids, then radioed appropriate stations for their pick-up. Lt. Moore entered the Army Air force in September, 1942.

## Plant Beans from May 28 to June 12

From May 28 to June 12 is the safe period for planting beans, says H. R. Pettigrove, research specialist in farm crops at Michigan State college. Some farmers may try to "beat the gun" this year since spring came prematurely and much early plowing was done. He contends that such a temptation should be resisted, as too early planting generally reduces the yields.

It is pointed out that moisture and temperature conditions are often favorable for growth when early planted beans are beginning to mature. The bean plants then send out new leaves, make buds and blossoms and try unsuccessfully to mature a second crop. Such growth conditions make the harvest very difficult.

As cool, moist weather often carries into early June when spring opens as early as it did this year, early planted beans may cease growing for long periods of time. This reduces the vigor of the plants, thus cutting yields.

Most bean growers find it advantageous and economical to work their soil at intervals up to planting time in early June. This makes weed and grass control most efficient.

## Perannos, School Annual, Made Its Appearance May 16

High school folks were interested Wednesday in their first look at the "Perannos," the school annual published by the Commercial club of the Cass City high school.

The book is replete with pictures including those of students of the senior and junior high, the board of education and the faculty, the band, athletic teams and various other school groups, and scenes in many parts of the school building. There are 81 pages.

Included in the contents are the class history, will and prophecy, and the names of 281 former high school students who entered their country's service. Seven of these have lost their lives, two are reported missing in action and one was a prisoner of war.

There are not many of the 800 copies of the annual printed that have not been sold.

## Rygiewicz Is a Battle-wise Veteran Of Six Campaigns

Staff Sergeant Edward E. Rygiewicz, son of Mr. and Mrs. Anthony A. Rygiewicz, of Deford, can lay claim to the title of one of World War II's real veterans, according to word sent to the Chronicle by the public relations office. He is starting his fourth year overseas with the famed 32d "Red Arrow" division and is now in Pangasinan Province, Luzon, P. I.

S/Sgt. Rygiewicz is a battle-wise veteran of six campaigns against the Japanese. His field of action extends from Australia to the Philippines along the long "road back" through New Guinea and the Netherlands East Indies.

Entering the army in April, 1941, he went overseas in April, 1942, and saw his first action five months later when the 32d "Red Arrow" division was rushed north.

## Nearly All Officers Reelected at W. C. T. U. Meet Tuesday

Temperance Workers of Tuscola and Huron in 63rd Annual Convention

Miss Anna L. Youngs of Kingston was reelected to the presidency of the Tuscola-Huron Woman's Christian Temperance Union at the 63rd annual convention of that two-county society held at Cass City Tuesday. Other officers chosen to succeed themselves are: Vice president at large, Mrs. Frances Lewis, Vassar; treasurer, Mrs. Minnie Brinkman, Caro; recording secretary, Miss Ada M. Youngs, Kingston. The only new officer chosen was Mrs. Pearl Gotts of Bad Axe, who is the corresponding secretary. Caro was chosen as the place for holding the 1946 convention.

Delegates were pleased with the encouraging reports given by directors and officers, and the symposium on department work in charge of county directors was very instructive. Mrs. Olla K. Marshall, editor of the Michigan Union and state director of press and publicity, spoke on the subject, "Counting the Cost," at the evening session and also gave an address in the afternoon. The Children's Hour, conducted by Mrs. John McGrath, was considered one of the best features of the convention.

Musical numbers during the three sessions were a vocal solo by Mrs. Maurice Joos with Mrs. Lorne Lee at the piano, a violin solo by Harriett Curran with Mrs. Ethel McCoy as accompanist, and a piano solo by Mrs. Lorne Lee.

## Seniors Leave Today On Boat Cruise to Mackinac Island

Members of the senior class of Cass City high school will leave early this (Friday) morning for Detroit where they will board the Georgian Bay liner "North American" for a cruise to Mackinac Island. The boat will pass through the Detroit river and Lake St. Clair, stopping at Port Huron before beginning the journey up Lake Huron to Mackinac. A three-hour stop-over at the island is scheduled for Saturday, and the return trip to Detroit will begin late the same day. The boat will dock at Detroit again at nine Sunday morning.

This is an all-student cruise, the seniors of five other schools in addition to Cass City comprising the passenger list. The local seniors have worked hard at several projects to finance the trip and have raised class funds to meet almost half of the fare for each student.

The seniors will find comfortable staterooms, sumptuous meals, and special entertainment features, both during the afternoon and evening, to make their trip a pleasant one.

Mr. and Mrs. Arthur Holmberg and Harold Ostley are accompanying the class as chaperons.

## Gold Engraved Gavel Presented to Echo Chapter, O. E. S.

More than 100 attended a meeting of Echo chapter, O. E. S., here Wednesday evening, May 9, when guests were present from Bay City, Caro, Uby, Unionville and Gagetown.

Highlights of the evening were a class of ten members who were granted proficiency certificates, the presentation of a white, gold engraved gavel by Mrs. Otto Holsapple of Temple chapter, Bay City, to Echo chapter, and a ceremony honoring past worthy matrons of Echo chapter, of which there were 18 present.

Mrs. D. A. Krug, in a few words, expressed appreciation to the past matrons and the response in behalf of the past matrons was given by Mrs. Zuleika Stafford. Each past matron was presented with organ-dy flowers with a miniature gavel attached.

Guests from Bay City and Gagetown assisted officers of Echo chapter in conferring the degrees of the order on two candidates, Miss Laura Bigelow and Mrs. Chas. Davidson.

Following the meeting, cake and coffee were served.

A reception was given Friday evening in the Jerome Root, Sr., home, honoring their son, Jerome Root, Jr., and his bride who were recently married.

## Cook Sisters Resign as Pastors Here

The pastors of the Assembly of God church, 2½ miles south of Cass City, have resigned to enter the evangelistic field again.

The Cook Sisters, Miss June Cook and Mrs. Keith Roberts, will hold their farewell service May 20 in the church.

Their first revival will begin May 27 at Bethel Temple in Akron, Ohio.

The district council will assign a new minister to take over the church here. He is expected to begin his duties Sunday, May 27.

## W. S. C. HAS PROGRAM AT SCHOOLHOUSE

The last meeting of the Woman's Study club for the year was held at the schoolhouse on May 16. It opened with a delicious luncheon served by the home economics department of the school.

A style show was an interesting feature of the meeting. Mrs. H. P. Lee presented two of her piano pupils and the girls' glee club under the leadership of Mrs. Wm. Miller, delighted the club with their three numbers, "Let My People Go," "Berceuse," from Joclyn and "Solomon Levi."

A series of readings and poems were given by Janice McMahon, Marjorie Kettlewell, Luella Hartley and Loreli Doerr.

Mrs. M. R. Vender spoke briefly on the "Bretton Woods Conference."

Yearly reports were given by Mrs. S. P. Kim as secretary, Mrs. E. L. Schwaderer as treasurer, and Mrs. Grant Patterson as president.

## Capt. Kercher Weds Miss McCallum

Miss Eleanor McCallum of Grand Rapids, daughter of the late Mr. and Mrs. John McCallum, of Greenleaf, and Capt. Ferris A. Kercher, son of Mr. and Mrs. E. W. Kercher, of Cass City, were united in marriage on Thursday afternoon, May 8, at four o'clock, by Dr. E. A. Thompson of the Park Congregational church in Grand Rapids. The rites were performed in the home of the bride's sister, Mrs. W. R. Dove, in the same city.

The bride, a talented musician, was formerly supervisor of music in the Cass City schools and also in Grand Rapids. Previous to her marriage she was employed in a secretarial position in a doctor's office in the latter city.

Capt. Kercher recently returned to the States to spend a 45-day leave after serving overseas for nearly four years. He has been in Iceland, Ireland, England, France, Luxembourg and Germany.

The newlyweds visited the groom's parents over the week end and Tuesday morning left for Detroit for a short stay.

## 96,730 Pounds of Waste Paper Picked Up by Local Youths

The 4-H club and Boy Scouts of Cass City, in their waste paper pickups in this community, have gathered 96,730 pounds of paper. This effort on the part of these two youth clubs will be greatly appreciated by the state organization in charge of the waste paper campaign.

Residents of Tuscola county can supply enough waste paper for 118,980 "suits of armor" for 105 mm. shells, if they will buckle down and save an average of 10 pounds of newspapers, wrapping paper and boxes a month. The 105's are the big ones that have been helping American forces in their advance toward Berlin and Tokyo.

Last year Americans saved 106½ pounds of paper per capita, or enough for about 35 containers each for the 105 mm. shells.

For each ammunition container or "paper suit of armor" used to protect the shells from salt water, dents, nicks and corrosive dirt, approximately three pounds of waste paper are required, according to W. J. Wardell, vice president of the American Can Co., which is manufacturing millions of the containers.

## District Band Festival Attracted Many Here Friday

Eight Bands with 450 Members Present Fine Parade and Program

The large audience which overflowed the school auditorium here Friday night was indicative of the great interest in high school bands. Most of the group stayed until the last strains of "The Star Spangled Banner" were sounded at the midnight hour.

The high light of the district festival was the five selections by the select band of 115 pieces which comprised the best musicians picked from the eight bands participating. This select organization was under the direction of Leonard V. Falcone, director of the Michigan State College bands, who served as adjudicator during the day. The performance was exceptionally fine and everyone was well pleased with it.

Another feature of the day was the parade of the eight bands—Sandusky, Caro, Mayville, Marlette, Vassar, Bad Axe, Elkton and Cass City early in the evening. At that hour, the weatherman turned on a faint drizzle and Vernon Wait, chairman of the day, wondered "whether or no" to carry out this part of the program. He finally decided to do so when he viewed the crowd who gathered down town to witness the event.

At 10:30 a. m., tryouts for the select band were held and at 1:30 p. m. came the select band rehearsal and at 4:00 the solo and ensemble events.

Mr. Falcone, as adjudicator and guest director, gave each of the school band directors written comments which contained constructive criticism regarding the work of his particular group.

The evening's program was "rather long" but with eight school bands participating, each playing three selections, and a select band presenting four numbers, it could not be given in less time. Little time was consumed in placing the several bands on the stage.

It is estimated that approximately 450 students were present, the bands averaging around 55 members. The Marlette band had the largest number with 72 members and the Mayville group was the smallest with 45.

## Business Properties Change Hands

The building on East Main St., occupied for many years by E. Paul & Son, implement dealers, has been purchased by that firm from the J. D. Brooker Estate, Realtor C. W. Ewing announces.

Sam's Tavern on West Main St. was recently sold by Sam Meagher to Henry Cooklin. The transaction included both business and real estate. Mr. Cooklin has sold a half interest in his purchase to Vern Bogart. Mr. Meagher has bought the Riverside hotel in Caseville.

## Oscar O'Kelly Reached His 90th Milestone Thursday

Oscar O'Kelly, who resided in Elkland township in pioneer days and is the oldest citizen in Caro, celebrated his 90th birthday yesterday (Thursday) at the county seat.

Born in 1855 in Canada, he came with his parents, the late Ebenezer and Eliza O'Kelly, to Elkland township in 1867. Ebenezer O'Kelly homesteaded land in Sec. 12. Oscar O'Kelly helped dig the first grave in Elkland cemetery and he easily recalls the families of the pioneer residents as he looks over the inscriptions of the tombstones that were erected there a half century or more ago.

He left the Elkland township farm and moved to Cass City in 1881 where he was employed as a basket weaver. He went to Caro in 1883 where he was engaged in painting and decorating. The summer after he was 80 years of age he painted five houses in Caro and vicinity.

Oscar O'Kelly and Addie Barnes were married in March, 1877, in Sheridan township. Her father, the Rev. Dwight Barnes, was a pioneer Baptist preacher and circuit rider of the Thumb district. Mrs. O'Kelly passed away seven years ago.

Mr. O'Kelly is the oldest member of the Caro Baptist church. He joined the Odd Fellow fraternity 58 years ago and became a member of the Masonic lodge after his 71st birthday. At 90 years of age, he is healthy and unusually active.

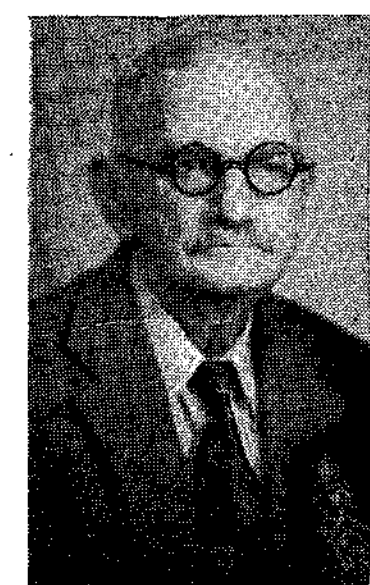

## Allen T. Hiser Resided in Tuscola County 65 Years

Elmwood Twp. Pioneer Passed Away Friday at His Daughter's Farm

Allen T. Hiser, for 42 years a resident of Elmwood Corners, passed away Friday morning, in his home on the farm of his daughter, Mrs. D. M. Wiles, near Ellington after an illness of five months. He was a very patient sufferer.

Funeral services were held in the Sutton Methodist church at 2:30 Sunday afternoon. Rev. B. F. Littleton officiated, assisted by Rev. Mr. Darling of the Ellington Nazarene church. Burial was made in the Ellington cemetery. Out-of-town relatives at the services were John Wagner, Bert Wagner and Mr. and Mrs. Carl Wagner, cousins of Toledo, Ohio. Others came from Saginaw, Flint and Lake Orion.

Mr. Hiser was born in Pember-

ville, Wood county, Ohio, Mar. 18, 1860, and came to Vassar, Tuscola county, in 1880. On Oct. 21 of the same year, he was married to Miss Sarah Adams of the same place. After 10 years' residence near the Belknap school, north of Vassar, they moved to Mayville and seven years later to Kingston where they resided five years. During many of these years, Mr. Hiser was employed as a meat cutter in markets in those villages and also conducted a meat market of his own at Mayville. For many years he did butchering for the John Schwaderer meat market in Cass City and for the Frank and Wm. Bullen meat market in Caro.

In 1902, Mr. and Mrs. Hiser moved to their 80-acre farm in

## DETROIT EDISON LINES

... Timely items of interest and  
value ... helpful suggestions about  
cooking, lighting and appliance use.

**FOUR BILLION DOLLARS** ... Since Thomas Edison's first lamp bulb, with its crude carbon filament and inefficiency, the progress in "squeezing more light" from lamps has been spectacular. Langmuir's development of a process for making tungsten filaments brought triple efficiency to electric lamps. That efficiency was in turn doubled by filling the bulbs with an inert gas—making a six-fold increase over the yellowish light of Edison's first lamp. Other less spectacular improvements have also added to the efficiency of electric lamps, so that today, measured in terms of money, the cost of the light used annually in the United States in our homes would be four billion dollars more if it were furnished by the old carbon lamp.

Wasting electricity wastes badly needed coal

**TROUT AND TOMATOES**... Here is a delicious point-free meal recommended by our Home Service Department:

### Baked Trout with Tomato Sauce

2 lb. trout,	1/2 tsp. sugar
2 cups tomatoes	3 tbsps. butter or margarine
1 cup water	3 tbsps. flour
1 slice onion	1/4 tsp. salt
3 cloves	1/2 tsp. pepper

Cook tomatoes, water, onion, cloves and sugar in a saucepan 20 minutes. Melt butter, add flour and stir into the hot mixture. Add salt and pepper, cook ten minutes and strain. Clean fish, put in shallow baking pan, pour half the sauce over the fish and bake 35 minutes, basting once. Remove to hot platter, pour remaining sauce over fish and garnish with parsley.

**COAL FOR NEXT WINTER** ... The Government's program to save coal by conserving electricity has achieved worthwhile results—but we cannot relax our efforts. Every ton of coal saved now will be needed to tide us over next winter. To give you an idea of how much coal is burned in making electricity, consider this fact: The coal needed to supply just one Edison power plant for a year would fill a train 99 miles long! Save electricity wherever you can, as much as you can.

**HOUSEHOLD HINTS** ... To hide bad scratches on dark furniture having a high polish, rub the meat of a pecan nut into the scratch, then rub with furniture polish. The scratch will be hardly noticeable.

## Lutheran Church Services

EVERY SUNDAY

AT THREE O'CLOCK P. M. AT THE

Town Hall, Cass City

A Sunday School class will be conducted for your children after each service.

If you have no church home of your own, we cordially invite you to worship with us.

# Attention! Farmers—Residents of Cass City

In accordance with a Nation-wide Government order our slaughter has been cut approximately 50%. This order will endeavor to give the nation a more even distribution of meat.

Our quota as set forth by Government Agencies represents Cass City's and surrounding territory's allotment of fresh meat.

We realize that this allotment of fresh meat, that rightfully belongs at home, could be bought and transported out of this area by week-end transient buyers. We therefore recommend the following suggestions so that each and everyone of our regular local area customers will receive the share he rightfully deserves:

**1—Avoid the practice of purchasing meats for out-of-town friends.**

**2—Buy only in quantities that you need.**

**3—Place orders with us for your week-end requirements in advance.**

We pledge that we will in every way endeavor to serve you on an equitable basis.

**RESPONSE** on the part of Michigan farmers to the request of the national government to contract for the planting of Sugar Beets this spring has been gratifying indeed.

An excellent start has been made. And now for the follow through—to plant every acre to Sugar Beets for which you have contracted.

We have made clear to you, in this series of advertisements, the tremendous need there is for sugar—that a waiting market is ready for every ton of Sugar Beets you can grow.

We have further shown that you will receive a high return for every ton of Sugar Beets delivered to your Processor. Including payments by the Processor, the Government Benefit Payment and the Price Support Payment from the Commodity Credit Corporation, you will receive in the neighborhood of \$14.00 per ton of beets testing 16.2% sugar.

Moreover, Sugar Beets are a sure crop. They will withstand adverse weather much better than any other cultivated crop.

Sugar Beets give you virtually a double crop—the

beets for sugar, pulp and molasses—and the tops for stock feed.

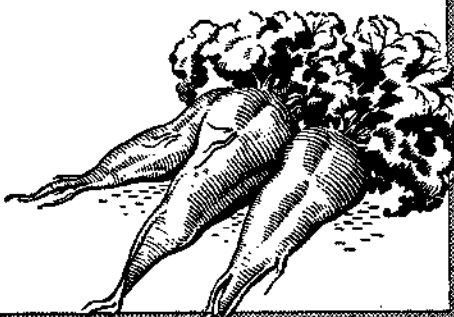

The government has pledged full cooperation on the securing of the necessary beet labor and the workers are now coming into the beet areas in large numbers.

Taking into account the great national need for sugar for the war effort—the excellent price you will receive—the dependability of Sugar Beet growing—there is every good reason why, having contracted to plant Sugar Beets, you should now see that every contracted acre is planted.

Let us keep faith with the sugar needs of our country and our allies by doing the job that only you can do. Plant Sugar Beets.

Concluded from page 1.

A/S Robert S. Benkelman, son of Mr. and Mrs. Harold Benkelman, has completed his training course at Mt. Pleasant and has been promoted to Seaman first class. He was at Great Lakes Training Station at Great Lakes, Ill., for a short time and is now at the Naval Training School at Point Loma, San Diego, California. His address is S 1/c Robt. S. Benkelman, N. T. Sch. (Radar), Class 45, Point Loma, San Diego, Cal.

Pfc. and Mrs. Harold Huffman (Wanda Joyce Karr) are rejoicing over the arrival of a fine baby girl born Thursday, May 10, in Pleasant Home hospital. Pfc. Huffman, who is serving with the 20th Armored Division "Somewhere in Germany," named his daughter Carole Jean Mr. and Mrs. Lloyd E. Karr are the proud grandparents. Mrs. Geo. Foster came from Caro to the Karr home to care for Mrs. Huffman and Mrs. Foster's great granddaughter.

Tec/5 John A. Winchester, son of Mr. and Mrs. Carlton Winchester, of Gagetown, is a member of the 9th Evacuation Hospital, also known as the Roosevelt Hospital unit, which was recently awarded the Meritorious Service Unit plaque by Col. Myron P. Rudolph, surgeon of the Seventh Army. During the strenuous three-month period for which the Meritorious Service plaque was awarded, Cpl. John A. Winchester helped in the care and handling of nearly 10,000 patients.

The following paragraphs are taken from a recent letter from 1st Sgt. Russell Quick, son of the late Mr. and Mrs. Clyde Quick, to his uncle, Clarence Quick:

"Yes, Patton's army is doing all right and so are the rest of the armies. I can remember not so long ago that the people back in the States wanted to hang 'Old Blood and Guts' but now he is their hero. It's like you always said, Uncle Clarence, you can't be too hasty in judging a person, that you can never be sure.

"I think they should stop drafting our farmers. We need them on the farms. Also the more they take to the cities the more strikes we have, so keep them on the farm and keep us eating.

"As I write this letter the German supermen are going by in streams. The war is over for them. They are our prisoners.

"I will close my letter now with this clipping from the great 7th Armored Division of which I am so proud to be a part."

A part of the clipping reads as follows: "In their seven months of

combat the men of the 7th have been awarded nine Distinguished Service Crosses, 381 Silver Stars and 1,347 Bronze Stars—each denoting an act of gallantry or meritorious service in combat."

## GIRL SCOUT RALLY AT CARO ON MAY 23

Maurice Ransford, Caro lawyer, will act as general chairman at an organization meeting of a Tuscola County Girl Scout Council at 8:00 p. m., Wednesday, May 23, at the Caro high school. The meeting is called for the purpose of organizing a local council which will in turn extend Girl Scouting further into the county. Arrangements for the rally are in charge of Mrs. H. Johnson and Mrs. L. Savage of Caro.

Miss Opal McKeeman of the Girl Scout Regional office, Chicago, will attend and explain the organization of such a council.

It is desirable, say the sponsors, that a representative group attend the rally, in order to insure a council that will include members from all parts of the county.

## LOCAL PEOPLE ATTEND DETROIT CHURCH MEET

The 26th annual district council meeting of the Assemblies of God was held May 7-10 at the Woodward Ave. Baptist church in Detroit. Approximately 380 ministers, ordained, licentiates and exhortors, were present as well as visitors.

Rev. Ernest S. Williams, general superintendent of the Assemblies of God, with headquarters in Springfield, Mo., was the evening speaker. The business of the district was transacted during the morning and afternoon sessions.

Approximately 2,000 attended the closing service Thursday evening. During that session 18 ministers were ordained.

Those attending from Cass City were the local pastors, Miss June Cook and Mrs. Keith Roberts, the local delegate, Mrs. Walter Thompson, and three visitors, Mrs. Chauncey Tallman and Mr. and Mrs. Walter Schluter.

from Australia to help stem the Japanese advance on Port Moresby, New Guinea. He took part in the epoch Battle of Buna that crushed the enemy's threat to Australia and secured a foothold for General Douglas MacArthur's offensive in the Southwest Pacific.

At Buna, the 32d Division won its first combat laurels and a Presidential Citation which carried with it the right to wear the coveted Distinguished Unit Badge. Then, following rest and reorganization in Australia, the division resumed its series of "firsts" which began when it was the first U. S. Army division to take the offensive against the Japanese and the first unit to fly infantrymen into combat.

At Saidor, New Guinea, it became the first unit to participate in General MacArthur's now famous practice of knocking at the Jap's back door. Then came another knock at another door—Aitape, New Guinea, and the Japs at Madang and Wewak were trapped. Then it was on to the island of Morotai in the Netherlands East Indies where the division silenced an important listening post, isolated the enemy forces on Halmahera, and paved the way for the strike at the Philippines. Next was Leyte, a campaign fought in knee-deep mud and constant rain. S/Sgt. Rygiewicz was in the final drive down the Ormoc Corridor when the 32d cracked the Yamashita Line and annihilated the 1st Imperial division, reputedly the best Japanese combat unit. Now, S/Sgt. Rygiewicz is in action in the rugged pine-covered 4,000 foot peaks of the Caraballo Mountains in Northern Luzon.

S/Sgt. Rygiewicz has served constantly with the 32d division which has been in combat more than 500 days, almost half of the total time this nation has been at war. He has more than 12,000 combat hours to his credit.

## I Am an American Day

The sixth annual "I Am an American Day," set by presidential proclamation for Sunday, May 20, will honor especially the 102,149 members of the armed forces naturalized since Pearl Harbor.

In more than 1,000 ceremonies throughout the country the great legion of other new citizens likewise will be welcomed and congratulated. Two million native-born men and women reached 21 in the last 12 months and 366,000 aliens were naturalized.

Representatives of the immigration and naturalization service of the department of justice have traveled in every war theater to confer citizenship upon 11,493 soldiers, sailors and marines stationed overseas who were born in 90 different countries.

Many of the new citizens, those who have reached 21 during the year, are away from home, but will be notified that they are still a part of their community and nation by appropriate greetings being mailed to them.

## Farmers Plan Greater Buys in War Bonds

In spite of an "off" season so far as income is concerned, farm War Bond leaders are now making preparations for selling more bonds to farmers during the Seventh War Loan than in any previous drive, according to M. L. Fredmore, Chief of the Agricultural Section, War Finance Division, Treasury Department. With the help of country bankers they're out to convince the men who till the soil that they should convert their expanded bank accounts into bonds.

"Farmers, like all Americans, have been building up bank deposits and currency holdings ever since the war started," Fredmore said. "On January 1, 1920, agriculture held currency and bank deposits totaling slightly over 4 billion dollars. The 1945 figure is not available, but it is expected to be in excess of 10 billion."

With larger operations and increased costs farmers must have more operating capital than in 1940, but they don't need 10 billion, in Fredmore's opinion. He believes farmers can and will carry a substantial portion of these cash reserves into War Bonds.

When they go out to sell War Bonds to farmers in the Seventh, War Finance Committees throughout the nation will stress personal solicitation. A survey made following the Sixth War Loan showed that 57 percent of the farmers who were personally solicited bought bonds.

**Apple Storage**  
When storing apples, indoors or out, keep them well to themselves because they absorb odors. They will smell as though they had been dipped in creosote if put into a barrel that ever contained creosote or like kerosene if a kerosene stove is placed in the storage room to raise the temperature.

**New Guinea**  
New Guinea got its name because it reminded explorers of the Guinea coast of Africa.

*"That's what the man said!"*

"I've been figuring on a new car soon as the shooting stops."

The biggest trout to be taken in Michigan so far this season on a fly rod is the 8 lb. 6 oz. lunger, Fred Ward of Pontiac, former Cass City resident, hooked on Adam creek, Greenwood township, Wexford county, on May 3 just after sunrise. It ran 29 inches long and 13 1/2 in girth. His lure was a G. W. white streamer fly on a large hook and the trout gave Ward a 25 minute battle that wound up with Fred making a flying tackle to effect the final victory.

Ruth P. Root, field director of the United National Clothing Collection, writes Rev. M. R. Vender, local chairman: "I am taking the liberty of writing Mrs. Sandham to thank her personally for her outstanding participation in the clothing collection. From the newspaper clipping enclosed with your letter I observe Mrs. Sandham, Bernard Ross, Howard Woolley and Rev. Lorne Lee, as well as countless others on your committee rendered commendable service—all of which adds up to the grand total of 'Success.' Will you please on behalf of the United National Clothing Collection, our national chairman, Henry J. Kaiser, and myself, extend to these people our sincere gratitude."

## A New Citizen Born

The man who kindles the fire on the hearthstone of an honest and righteous home burns the best incense to liberty. He does not love mankind less who loves his neighbor most. Exalt the citizen. As the State is the unit of government, he is the unit of the State. Teach him that his home is his castle, and his sovereignty rests beneath his hat. Make him self-respecting, self-reliant and responsible. Let him lean on the State for nothing that his own arm can do, and on the government for nothing that his state can do. Let him cultivate independence to the point of sacrifice, and learn that humble things with unbartered liberty are better than splendors bought with its price.—Henry W. Grady.

.... I'm worth more to my boss now that he's installed a SCHULTZ Electric Milk Cooler

Because Schultz Electric Coolers quickly cool my milk—and keep it cool they insure my boss, the full butter fat test I have worked so hard to produce. Schultz Coolers also halt bacteria growth and make my milk more saleable.

The Schultz principle is that of floating ice and top cooling without the need of a circulating pump of any kind. The coils automatically manufacture the ice on the smooth inside surface of the cabinet walls. This allows the ice to release and float on top of the water where it is needed. Schultz coolers effectively reduce labor costs: keep the nights milk under 40°. Many users say, "I wouldn't sell my Schultz Cooler for \$1,000.00 if I couldn't get another."

Available in sizes to cool from 2 to 12 cans at one time. Buy the cooler to fit the job—not the milk house. Can be very easily installed in the average milk house. Easy payment plan can be arranged. See us today for further facts and prices.
