

## Ninety Attended Reunion of Class Of 1936 Saturday

Group Plans to Hold Another Get-together Here in 1956

Many an expression as "I recognize your face but cannot remember your name" was heard as classmates greeted one another at the Class of 1936 reunion and dinner held in the library of the Cass City High School on Saturday evening, April 2. Forty of the 66 members of the class were present together with 50 guests.

A chicken dinner was served, country style, by the members of the Golden Rule class of the Evangelical United Brethren Sunday School. The tables were decorated with improvised spring flowers and candles in pastel shades and a grey place card with the numerals "36", in maroon was found at each place setting.

Miss Retta Charter directed songs throughout the meal and program, accompanied by Mrs. Maurice Joos at the piano.

Toastmaster Grant Ball gave the welcome address. He presented Alfred Goodall as master of ceremonies, who introduced the speakers of the evening. Dan Hennessey read the names of the class members on the Service Roll. All stood and paused for a moment while "taps" were sounded by senior scout, John Kirm, in memory of Edward Vaden, who lost his life in service. One dozen red roses were presented to his mother, Mrs. Clara Vaden, on Sunday.

Mrs. Zora Day, who started 13 of the Class of 1936 graduates out in kindergarten, also spoke and was presented with a gardenia corsage. Fred Withey, Helen Ross, Lorene Riestra and Frank Morris, Jr., told of experiences in the freshman, sophomore, junior and senior years respectively. The closing number on the program was a solo by Arthur Holmberg.

Each member was called upon to relate his experiences in the last thirteen years. This proved to be very interesting.

## Coming Auctions

Mac O'Dell will sell household goods at auction 3 blocks south of the Ford Garage in Cass City tomorrow (Saturday) afternoon with Arnold Copeland as auctioneer and the Pinney State Bank, clerk.

Mrs. Thos. McCool has decided to quit farming and will sell livestock and farm machinery at auction 3 miles north of Shabbona on Thursday, April 14. Arnold Copeland is the auctioneer and the Pinney State Bank, clerk.

Both sales are advertised in detail on page 8.

Last week's Chronicle carried an advertisement for the farm auction of Rory McDonald, 8 miles west and 1 mile south of Uby which will be held today (Friday).

## Youth Speaker at Gagetown Church

Rev. John Vanderveen

a student at Northwestern University, Evanston, Ill., will be the speaker at a series of special services from April 10 to 17 at the Gagetown Nazarene Church.

## ESSAYS BY PUPILS ON RECREATIONAL PROGRAM

Under the leadership of Dr. Ivan McRae as program chairman, members of the Gavel Club Tuesday evening discussed the summer recreational program at the City Park. Harold Oatley was named chairman of a committee to conduct an essay writing contest in which pupils of the local school will present their ideas regarding such a program.

## Shabbona Hobby Exhibit a Success

Much interest was shown in the hobby exhibit last Friday night in the Shabbona Methodist Church. Exhibitors came from Snover, Decker, Cass City, Unionville and from the local community.

Many interesting displays were shown, including original paintings by Mrs. Milton Ross, Decker, and Mrs. Fowler Hutchinson, Cass City. Collections of buttons, stamps, coins, antiques, shellcraft and many others were presented.

The evening was concluded by a short program with the Shabbona male quartet and a short talk by Mrs. Earl Douglas, Cass City, on the subject, "The Value of Hobbies."

Plans are already underway for a bigger and better exhibit for next year. A Hobby and Craft Club is to be formed this fall.

## Cass City High School Baseball Team Shaping Up

Local Nine Has an 11-Game Schedule, Six Matches at Home and Five Away

For the past few weeks, the Cass City High School baseball squad has been going through drills in preparation for the forthcoming season.

A group of 67 boys reported to Coach Claxman for the initial call out. Facilities, however, will not permit such a large squad and it will be necessary to cut the squad down to a reasonable sized group.

This year the Upper Thumb and surrounding schools have planned to play their games on Mondays and Thursdays. In the event the Monday game is rained out, it will be played the following day, Tuesday. If the Thursday game is rained out, it will be played the following day, Friday.

Cass City has an eleven game schedule this year—six home and five away.

1949 Red Hawk Schedule.

Apr. 11 Kingston (here) 2:30 p. m.

Apr. 14, Vassar (here) 2:30 p. m.

Apr. 21, Bad Axe (away) 2:30 p. m.

Apr. 25, Akron (here) 2:30 p. m.

Apr. 28, Caro (away) 8:00 p. m.

May 2, Gagetown (here) 2:30 p. m.

May 5, Harbor Beach (here) 2:30 p. m.

May 9, Elkton (away) 8:00 p. m. (night game).

May 12, Sebawaing (away) 2:30 p. m.

May 16, Unionville (away) 1:30 p. m.

May 19, Pigeon (here) 2:30 p. m.

Many of this year's players are letter winners from last year's team. The outfield will consist of M. Hnatuk, Koert Lessman, Tom Schwaderer, Eugene Kloc, and Jim Fox. Infielders who should see action are Capt. Larry McClory, Lee Hartel, Jim Wallace, Elwin Helwig, Floyd Roach, Bob Alexander, and Nari Kapala.

Jack Bird appears to be the regular catcher with big "Sim" Kitzman, who swings a lusty bat, to back him up. Chester Dorland, another catcher, is coming along rapidly and he may see limited action.

The pitching department appears to be very slim at the moment. Big Ron Bullis, a good right hander, is the only experienced pitcher on the squad. It is hoped that Coach Claxman can find at least one good prospect from the squad of 14 pitchers which include mostly underclassmen. If the team can get good pitching, a good season seems likely.

## NOVESTA 4-H CLUB'S ACHIEVEMENT DAY

The Novesta Community 4-H Club held a local achievement at the Deford school Thursday evening, March 31. All members showed completed articles and the girls had a style revue. A potluck dinner was served after the business meeting under the direction of Mrs. Phillip Goodall and Miss Jeanne Fields. The next meeting will be held in Caro on May 5 at the home of Janet and Marybelle Bruce, who will be in charge of refreshments, and Walter Rayl and Eddie Nemeth of entertainment. Election of officers will be held.

## Gifford Chapter Fish Fry

A few tickets are still available to the Eastern Star fish dinner to be served in the auditorium of Gagetown high school Friday, Apr. 8, starting at 6 p. m. Price \$1.00. Call 157F22 for reservations.—Adv.

## U-M Research Will Help Build 2 Michigan Harbors

UNIVERSITY OF MICHIGAN research will assist engineers in building harbors of refuge for small craft at Port Sanilac and Port Austin, two Michigan towns on Lake Huron.

Pictured above is the "Port Sanilac" harbor inside the University's wave-tank laboratory as tests are run to determine the proper location and length for

a breakwater. Waves, which out in Lake Huron would be seven feet high, are rolling in as Ernest F. Brater, associate professor of civil engineering, notes the results.

The work, under the direction of Prof. C. O. Wistler, is being done under contract between the University's Engineering Research Institute and the U. S. Army Corps of Engineers.

## Evening Services at The Church of Christ

The Novesta Church of Christ will hold services each evening at eight o'clock from April 10 to 17. There will be special music each evening and Rev. Howard Woodard, minister of the church, will be the speaker. Sermon themes are:

Sunday a. m., "The Triumphal Entry."

Sunday p. m., "God's Immeasurable Love."

Monday, "The Joy Set Before Christ."

Tuesday, "The Necessity of The Cross."

Wednesday, "In The Garden of Gethsemane."

Thursday, "From The Garden of Gethsemane to Calvary."

Friday, "Death on the Cross."

Saturday, "Why Did Jesus Die?"

Sunday a. m., "The Resurrection Attested."

Sunday p. m., "Sin and Its Cure."

Every one is welcome to these services.

## District Forensic Contest at Cass City on April 13

Next Wednesday evening, April 13, at 7:00, the Cass City High School auditorium will be the scene of the district forensic contest for District No. 2, Region I.

Four schools will bring their squads here to participate. They are: Bad Axe, Sandusky, Mt. Morris and Cass City.

Contests will be held in four fields of forensic activities—Oratorical declamations, dramatic declamations or dramatic reading, orations, and extempore speech.

Cass City will be represented by the first and second place winners in each division of the local contest held several weeks ago. In oratorical declamations, Cass City will have Miss Jessie Fry with the speech, "Acres of Diamonds," and Miss Joanne Dodge with "She Called Me a Snob." Ilene Ludlow with "Late for a Date" and Jeanette Frederick "Unto the Least of These" will be Cass City's delegates in the dramatic reading division. Writers of original orations, Miss Melva McConnell with "An Adolescent Speaks" and Jim Bishop, speaking on "Alcoholism" will be local candidates for places in the oration division of the contest.

Dr. E. C. Beck, head of the department of English at Central Michigan College of Education in Mt. Pleasant, will be critic judge for the contest.

The public is cordially invited to attend.

## Mack Wentworth Killed in Auto Crash

McCully Wentworth, a former resident of Cass City, was killed in North Carolina Thursday of last week in an automobile accident. He and his daughter, Norma, were on their way to their home in Milford, Mich., from St. Petersburg, Florida, where they had been since January.

Miss Norma suffered lacerations on limbs and face and was confined in a hospital for several days. Relatives here have not heard how the accident occurred.

## Winning Families At FHA Progress Day Celebration

Five Farm Families Were Honored at Meeting Held on Last Thursday

Five Tuscola County farm families were named winners last Thursday in the first Progress Day celebration to be held in this county by the Farmers Home Administration. They are: Mr. and Mrs. Charles Crittenden, Kingston; Mr. and Mrs. Lawrence Lumley, Mayville; Mr. and Mrs. Michael Singer, Unionville; Mr. and Mrs. Herman Stine, Cass City; Mr. and Mrs. Robert Vargo, Cass City.

The meeting was held in the Methodist Church at Caro and over one hundred people were in attendance.

Winners were selected from among the four hundred farm families in Tuscola County who have cooperated with the agency and its predecessor, the Farm Security Administration, since the latter was established in 1935. They Continued on page 10.

## Two Leagues with Six Teams Each Get Ready for Softball

The softball season opens in early June in Cass City when 12 teams divided into two leagues will battle for honors in this field of sport.

In the American League are the following teams and their managers: Baldy's Service, Howard Ellis; Local No. 83, Abe Karr; Hartwick's Market, Arlan Hartwick; Bullis' Plumbers, Clare Bullis; Wallace Corner, Harry Wallace; Shaw Construction, A. J. Murray.

National League—Gagetown, Wm. Downing; Decker, Clarence Phillips; Church of Christ, Gerald Stilson; Ellington, Ike Albrandt; Cass City Tractor, Eldon Fields; Western Auto, Asel Collins.

Three women's teams are organized for play—Ellington, Hemans and Beulah—and it is anticipated that another group will soon form the fourth team.

George Dillman will be the dean of the umpiring squad and in the men's group there will probably be two rounds of games in each league before the championship contests.

## POPPY POSTER WINNERS ARE ANNOUNCED

Poppy poster contest winners have been announced by the judges, Mrs. Robert Keppen, Mrs. Jack Esau and Fred Nietzel. Carol Howarth's poster was awarded first place, Marjorie Root's second place, and Elaine Root's third place. Marian Hochberg was given honorable mention. In the junior group the prize went to James Ware. The prize winning posters will be on display this week in a window in the Mac and Scotty Drug store. Plans have been made to present medals to the winners at a school assembly in the near future.

## Air Power to Be Featured at C. C. C. Program on Tuesday

"Air Power Is Peace Power," a thirty-five minute color-sound film, will be shown at the Cass City Community Club on Tuesday, April 12.

A strong air arm and a strong commercial aircraft and air transportation industry are essentials to safeguarding the peace of the world, is the contention of Captain Eddie Rickenbacker, famous ace and dean of air transportation. This thought is the general theme of "Air Power," featuring Capt. Rickenbacker.

In this documentary of flight, the camera reviews the history of flight, shows the tremendous power of today's aircraft and gives the audience an idea of what to expect in the future.

The program is presented by the Eastern Air Lines. Dr. B. H. Starmann is program chairman.

## 70 Hogs Exhibited By Future Farmers And Club Members

Grand Champion, a Duroc Jersey, Was Shown by Harold Little of Cass City

Seventy fancy market hogs were exhibited and sold at the Caro Livestock Auction Yards by Tuscola County 4-H and FFA members on Tuesday, April 5. The sale, sponsored by Frank Fullmer, manager of the Caro yards, was the 13th semi-annual sale held regularly for the last six and one-half years.

The grand champion, a 220-pound Duroc Jersey, was exhibited by Harold Little, Cass City FFA member, and was purchased by Peet Packing Company for 29c a pound. Donald Tinglan, Vassar, exhibited the reserve champion, also a Duroc Jersey, which was bought by Peet Packing Company for 24c per pound.

Other winners in individual classes were: 3rd place, Harold Whittaker, Cass City; a Hampshire, 4th place, Gene Buchinger, Reese; a Berkshire, 5th place, Joyce Little, Cass City, Duroc Jersey; 6th place, Max Harrison, Mayville; a Hampshire, 7th place, Donald Harrison, Mayville; a Hampshire, 8th place, Keith Little, Cass City; a Duroc Jersey, 9th place, Jay Salgot, Caro; a cross-breed, 10th place, Bob Oliver, Mayville, Berkshire.

Each exhibitor was allowed to show a pen of three hogs and to show one hog in the individual class. The winners in the pen classes were as follows:

Lightweight Pens—1st, Harold Little, Cass City; 2nd, Harold Whittaker, Cass City; 3rd, Donald Harrison, Mayville; 4th, Donald Tinglan, Vassar; 5th, Chas. Lockyer, Mayville.

Mediumweight Pens—1st, Joyce Little, Cass City; 2nd, Max Harrison, Mayville; 3rd, Keith Little, Cass City; 4th, Jay Salgot, Caro; 5th, Bob Oliver, Mayville.

Judging of the show began at 10 a. m. with V. A. Freeman, assistant state 4-H Club leader, from East Lansing, acting as judge. At 1 p. m. a fitting and showmanship contest was held with 12 exhibitors participating. Winners of the showmanship contest were: Donald Tinglan, 1st; Gene Buchinger, 2nd; and Max Harrison, 3rd.

The auction sale at which all 70 hogs exhibited by the 4-H and FFA members were sold, was held at the Sale Pavilion at 2 p. m. Buyers who purchased these hogs included Peet Packing Company of Bay City which purchased 42 of the 70 hogs; Frank Fullmer, Caro; Lee Packing Company, Caro; Reed & Patterson, Cass City; Everett Starkey, Fairgrove; Loren Ewald, Unionville; Don Davis, Caro; Kern's Store, Richville; and Ervin Rausch, Reese.

The Presbyterian choir under the direction of Mrs. Ethel McCoy will present special music and pastors from a number of the participating churches will have parts in the order of service.

The sermon for the occasion will be delivered by Dr. I. E. Runk, pastor-emeritus of the Olivet Evangelical United Brethren Church of Grand Rapids. The subject is "The Attraction of the Cross."

## Republicans Carry State by Margin Near 100,000

Ziegler, Incumbent Highway Commissioner, Defeated Opponent by 90,000

The Republican victory margin in Monday's election was near the 100,000 mark according to returns up to Wednesday. The party carried 77 of the 83 counties.

Chas. M. Ziegler, incumbent state highway commissioner, defeated John H. McCarthy, his Democratic opponent by more than 90,000 votes, not counting 400 voting districts in favorable Republican territory yet to be tabulated.

Other Republicans elected Monday included Lee M. Thurston, supt. of public instruction; Alfred Conable and Vera B. Baits, regents of university; Stephen S. Nisbet, member of board of education; Winfred G. Armstrong and Sarah V. H. Jones, members of the board of agriculture.

The election shattered Governor Williams' hopes for Democratic control of the powerful state administrative board and assured the continuance of the Republican 5-3 majority on the board.

Monday's vote was the second highest spring total in history. More than 800,000 ballots were cast. Michigan's vote total in the November presidential election was near 2,500,000.

## Elkland Township.

Three hundred eighty-three cast ballots in Elkland Township Monday, a larger vote than officers anticipated. Candidates on the Republican ticket, the only one on the ballot, were elected. They are: Supervisor, William Profit; clerk, Chas. E. Patterson; treasurer, Calvin J. Striffler; highway commissioner, Wm. Helwig; justices of the peace, Albin J. Stevens and Wm. Miller; member of board of review, Albert Gallagher; constables, Harold Greenleaf, Grant Ball, Clair Profit and Steve Orto.

## Novesta Township.

Slip candidates were unsuccessful in the race for supervisor, clerk and treasurer. The vote for these three offices stood: Supervisor, John H. Pringle 198, Millard Knuckles 43; clerk, Arthur Hartwick 202; Frank Novak 41; treasurer Leroy Kilbourn 207, Stanley Kloc 38. Other caucus candidates elected were Harold Chapin, highway commissioner; justices of the peace, Frank Riley and Rinerd Knoblet; member of board of review, Mack Little; constables, John Clark, Jack Kilbourn, James Slack

Concluded on page 10.

## Vassar Barber Was Killed in Auto Crash Sunday Morning

In a collision of two automobiles at the Belknap School corner, two miles north of Vassar, Rollie A. Carter, 72, of Vassar, was instantly killed at 11:15 a. m. Sunday. The accident occurred at the intersection of M-46 and South Vassar Road.

Carter was alone in his car driving south. The other automobile driven by Alton Edward Coyer, 27, of Midland was going east on M-46. Coyer suffered a wrenched shoulder and his wife a laceration on a finger and bruises on the forehead. Their two children, Terry Lee, two years old, and Gary Gene, six months, were uninjured as was Leo Dashaw, Jr., 17, of Midland, also a passenger in the car.

Carter, a barber, is survived by a son, R. O. Carter, of Detroit and a daughter, Mrs. Dorothy Wright, of Portsmouth, O.

## FARM TRACTOR TURNED TURTLE ON E. THIRD ST.

Residents on East Third Street were startled late Saturday afternoon when they saw a large farm tractor standing bottom side up in the street. The tractor driven by Stanley Szarapski turned over when he attempted to turn around in the street. Stanley escaped with only a cut on his right leg. Two teen-age boys who were riding with him on the tractor had just jumped off before the accident occurred.

## THREE GRASS FIRES CALL OUT DEPARTMENT

The fire department has been called out recently to extinguish three grass fires. The one at the north end of the village park was the most serious and firemen had some difficulty in stopping the running blaze there Monday afternoon.

## TAXES and TELEPHONES

Take a good look at your next telephone bill, and you will see that Federal taxes make up an important percentage of your bill! Federal tax on local service is 15%. On long distance service where the charge is 25c or over, the tax is 25%. Other forms of telephone service are taxed from 8 to 25%.

This tax is imposed directly upon you as a telephone user. Your telephone company, at its own expense, acts as tax collector.

Telephone service today is usually regarded as a necessity. Yet the 25% tax on long distance and other services is higher than the 20% for luxury items, such as jewelry and furs.

Telephone users everywhere have expressed their opinions on this high excise tax to their Senators and Representatives in Congress. Their views will help to guide future Congressional action on this unusual peacetime tax on a necessity. We are sure that your Congressmen would appreciate your views as a taxpayer and citizen on telephone taxes.

These excise taxes levied directly upon you as a user are in addition to the corporation income taxes which the company pays to the government. These taxes must be included in the company's cost of business and must, therefore, act to increase your telephone bill as a sort of hidden sales tax.

## LEGISLATIVE LETTER

Despite the fact no measure of major proportions was acted upon on the floor of the House this week, it has been nevertheless a busy week with numerous and long committee meetings, public hearings, and rather long calendars containing for the most part minor bills, many of which have been passed, while others have been advanced to a position of their final passage for tomorrow, or action is postponed until next week.

An interesting public hearing was held on a bill to give certified public accountant licenses to public accountants with 20 years' experience. Spokesmen against the bill attacked it as a blow at the financial structure of the nation, because they claimed banks, insurance companies, securities and exchange commissions and all other financial agencies rely heavily on the reputations of C. P. A.'s. Claiming passage of the bill would constitute a backward step, they pointed out it could set off a chain reaction to lower standards in other states. Proponents denied the charges and urged passage on the grounds that there was actually no legal difference between the Public Accountants and the C. P. A.'s, and both should have the same title, since they both perform the same functions and are governed by the same state regulations.

Passed by the House and sent to the Senate were three bills increasing the amount chargeable as costs by the winner in a lawsuit. One bill raised the taxable amount from \$5 to \$15 for fees in land contract foreclosures, and another the taxable fees in justice court from \$5 to \$10. The third bill fixed the amount as \$25 to \$75 for fees in mortgage foreclosures, instead of \$15 to \$35 as at present.

A bill repealing the "secret primary ballot" was re-referred back to committee for further study and amendments.

S. B. 62 now up for final passage tomorrow, will, when passed, put the State in position to tax federal property in the State if and when Congress gives authority to assess federal lands in the various states. At present, Michigan is one of 19 states in the Union prohibited by either state law or constitutional provision from taxing Federal property even though the Federal Government gives consent. It is thought that Congress may give the States this authority in the near future. It is interesting to note that during the war around 6½ million dollars was assessed against defense plants in Detroit even though our law did not provide for it.

H. B. 377 introduced this week provides a \$11,664,000.00 appropriation from the State's general fund, for the school employees retirement fund. Representing 7.61% of the payroll, this amount is necessary to make the fund actually sound, and in addition it contains \$164,000.00 to increase the pension of teachers who retired prior to 1945 so they may be enabled to draw the minimum amount of \$750.00 per year provided for in the 1945 act. At present some of these teachers draw as little as \$300. per year, which amount is less than Old Age Assistance, and according to many Republican members, is a condition that should be corrected. Hence this bill.

Also introduced this week is a bill to require weekly payments to

producers of milk and cream. During the last three years, producers have lost over \$300,000.00 because processors and manufacturers to whom they sold, went out of business before payment date was due.

A storm of protest arose from various communities over the introduction of a bill reducing the work week from 73½ hours to 68 hours for firemen. They claim passage of the bill would impose a heavy burden upon them in the way of being forced to add many more firemen, resulting in boosting the pay roll thousands of dollars. The temper of many of the legislators would indicate the bill has slight chance of enactment.

Another bill would require all campers on state lands to secure a permit from conservation officers and places authorized to sell deer licenses. The permit would have to be displayed at the campsite. Penalties are provided for leaving rubbish behind. It is thought this system would tend to discourage leaving messes behind, and also provide a means for finding campers if an emergency arose at home.

## Saving Money

A MAN, visiting a house for the first time, found that his host was the proud father of three wild children. The latter made so much noise that the visitor found it difficult to hear a word that was said. One child was busy ripping the upholstery out of a brand-new divan. A second lad was driving nails in to an expensive table, and the third was swinging gaily from a chandelier.

The bewildered guest eyed the youngster who was driving nails in to the furniture. He turned to his host. "I say," he said, pointing to the boy with the hammer, "don't you find it rather expensive to let your children play like that?"

The host smiled proudly. "Not at all," he replied cheerfully. "I get the nails wholesale!"

## CONSISTENT

He was talking of coincidences: "The most amazing thing happened to me at the races. It was the eleventh day of the eleventh month. My boy was eleven that day. We lived in a house numbered eleven, and I arrived on the course at eleven minutes past eleven. Later in the day I found out that eleven horses were to run in the big race, so I backed the eleventh horse on the card."

"And it won?"

"No. It came in eleventh."

## Superphosphate Held Best For Sugar Beet Fertility

Ordinary superphosphate is the best source of phosphate when used as a fertilizer for sugar beets, wheat and barley, according to Dr. Sterling R. Olsen, USDA soil scientist and Robert Gardner, agronomist at the Colorado A&M college experiment station. Experiments on various fertilizers containing radioactive phosphorus, indicate that calcium metaphosphate was a close second.

## Early Settlers' Mistake

Early settlers were at first reluctant to homestead the prairie sites, in the mistaken belief that the soil which grew trees was richer, because trees grew large, than the grassland.

Andrew Barnes, who arrived in Pontiac Saturday en route home from Florida, has been seriously ill in St. Joseph Hospital in Pontiac. Andrew Barnes, Jr., and Mrs. Harold Craig were called to Pontiac Monday. Mr. Barnes was slightly improved Wednesday morning.

A man arrived home in the small hours of the morning and, having a wholesome fear of his wife, decided to proceed with caution.

Taking off his boots, he crept noiselessly upstairs, stealthily opened the bedroom door, and, with the greatest care, crawled into bed. With a sigh of relief he went off to sleep.

In the morning he looked round for his wife, and suddenly remembered she had been staying with an aunt for the past fortnight.

## Royal Decision

"No," said the employer, sternly. "I will not do it! Never have I sold anything by false representation, and I will not begin now."

For a moment he was silent; and the assistant who stood before him could see that the better nature of his employer was fighting strongly for the right.

"No," repeated the employer. "I will not do it! It is an inferior grade of shoe, and I will never pass it off as anything better. Mark it 'A Shoe Fit for a Queen' and put it in the window—a queen does not have to do much walking."

## 4-H Achievement Day Plans Are Nearing Completion

Local leaders in four districts of Tuscola County are making arrangements to hold county spring achievement exhibits and programs in Cass City, Mayville, Akron, and Vassar during the week of April 11, according to a report by Byron E. Carpenter, County 4-H Club agent. These spring achievements will be a climax of the 1810 winter projects being carried by 890 different girls and boys in Tuscola County during the past winter.

The events are scheduled on four consecutive days: Monday, April 11, Cass City High School.

Tuesday, April 12, Mayville High School.

Wednesday, April 13, Akron Community Hall.

Thursday, April 14, Vassar High School.

Although the committees of local leaders in each district are planning their own evening programs, the schedule of events during the day and evening at the different achievements will be similar. There will be an all-day schedule each day, beginning at 8:00 a. m. when exhibits will be set up by local leaders and club members. Exhibits at spring achievements consist of articles made by 4-H members in their clothing, knitting, handicraft, electrical, and food preparation projects, and reports of work and exercises done in projects such as home management, soil conservation, and tractor maintenance. At 10:00 a. m., exhibits are to be set up and judging will begin and continue through most of the afternoon. A meeting of leaders and judges will be held at 4:00 p. m. at each achievement, and the evening program will start at 8:00. The exhibits will be open for inspection by the public. At the Mayville Achievement, a 4-H demonstration contest will be held during the afternoon. A dress revue, presented by girls enrolled in the clothing project, will be the main feature of the evening program at all achievements.

Judges at the achievements will be: At Cass City—Miss Dorothy Mulder, Sanilac County Home Demonstration Agent, Sandusky. Mr. Gleason Rohlfis, Huron County 4-H Club Agent, Bad Axe. At Mayville—Miss Josephine Hoke, Oakland County Home Demonstration Agent, Pontiac. Mr. Don Johnson, Genesee County 4-H Club Agent, Flint. At Vassar and Akron—Mrs. Corrine White, Assistant State 4-H Club Leader, East Lansing. Nevels Pearson, Assistant State 4-H Club Leader, East Lansing.

It is expected that there will be 246 different projects exhibited at Cass City, with 255 at Mayville, 289 at Akron, and 316 at Vassar. There is an average of between three and four different articles exhibited for each project, so that approximately 3500 articles will be displayed by 4-H members at the four achievements.

Spots and stains will appear on the stove enamel. To clean away, dampen a clean cloth, dip into soda and rub vigorously. You can keep your stove shining this way.

## Spares and Strikes

By George Dillman

The Parsch Five slumped off their torrid pace in the City League as they bowed to the Auten Five two games to one and losing total pins, gathering, only one point to Auten's three. With five teams tied for third place, only one point behind the Landon Keglers in second place, next week's games should cause quite a scramble in those first eight positions. High scores were not in abundance Monday night as only one member was able to total more than 200 pins for a single game. This honor went to Dr. Fritz with 208. Wallace with games of 191-187-186 for a total of 564 was high for the evening and helped his team mates to down the Parsch men.

The Juhasz team is on top in the Association Bowling Tournament with DeFrain and Teachers teams in second and third positions. Eighteen teams of the Merchants' League bowl this week and there will, no doubt, be some changes on the board.

## City League.

Individual honors in the high scoring division the past week were distributed as follows:

High single game: Fritz 208; Dewey 195; DeFrain 193; Johnson 193; Wallace 191.

High three game total: Wallace 564; Paddy 531; Fritz 527; DeFrain and Parsch, 508 each; Knoblet and Johnson 504 each; Reid 500.

The ten high average bowlers to date are: Landon 180; Parsch 173; Paddy 169; Wallace 168; Dillman

Concluded on page 3.

Teacher: "Who was Homer?"  
Pupil: "He was the man who made Babe Ruth famous."

Target  
"Did you strike this man in an excess of irritability?"  
"No, sir, I struck him on the nose."

## BRIEF ENOUGH

The young reporter had been told over and over again that his stories were too long-winded and that he must cut to bare essentials. So his next story came out this way:—

"J. Smith looked up the shaft at the Palace Hotel this morning to see if the lift was on its way down. It was. Aged forty-five."

## MICHIGAN Motoring

Do you really know and obey the signals and lights which tell you when you must stop your auto; and when it is safe to proceed? Check over these rules... then follow them for safety.

You must come to a complete stop (and remain stopped until it is safe to proceed) at:

1. All stop signs.
2. Red signal lights.
3. Amber signals alone or in combination with green signal.
4. Flashing red lights.
5. Flashing red arrow signals before turning in the direction indicated by the arrow.

These are the basic laws for stopping. However, you must also come to a complete stop for: ambulances, fire or police cars, sounding a warning after you have pulled out of the way, autos forming a funeral procession.

Review these laws, make sure that you obey them. And make sure, too, that your automobile will obey you! Police are checking lights and brakes! They're helping you make your car safe. So, be sure when your car is checked that you've already had it completely gone over at your local mechanics garage. An unsafe car may mean DEATH for you. Don't take chances with your life!

## NOVESTA

Mr. and Mrs. Grant Pringle entertained on Sunday Mr. and Mrs. Clifton and family of Marlette.

Mr. and Mrs. John Pringle and Mr. and Mrs. Clark Zimmerman and family visited at the home of Mrs. Dena Bonesteel, a sister of Mr. Pringle, at Otisville on Sunday.

Russell Cook was called back to his work in Caro on Monday after a short layoff.

Indications are that the majority of voters were satisfied with the present government, judging

by the heavy majority of votes for the present board.

## Cured

The doctor whose medical skill far exceeded the clarity of his handwriting sent an invitation to a patient to spend an evening with him adding that there would be music, cards, and so forth.

The friend failed to turn up and sent no explanation.

When they met the following day the doctor asked whether he had received the note.

"Yes, thank you," replied the other. "I took it to the chemist and had it made up, and I feel much better already."

## Squelchelegant

A lift-boy in one of the big stores hated to be asked needless questions. One day a fussy old lady entered the lift.

"Don't you ever feel sick, going up and down in this lift all day?" she asked.

"Yes, ma'am," said the boy.

"Is it the motion going up?"

"No, ma'am."

"Is it the motion going down?"

"No, ma'am."

"Is it the stopping that does it?"

"No, ma'am."

"Then, what is it?"

"Answering questions, ma'am."

## Old Tires Used As Down Payment

In one of the most exciting announcements ever made in the tire industry, 1765 Gamble Stores have just revealed that they are embarking on a phenomenal tire buying and trading program. Included are plans to let customers use their old tires as down payments\*, make their own estimate for trade-in allowance and trade in any old tire with unused mileage.

## No Cash Needed At Gambles

In conjunction with their "New Tire Policy", officials have also announced that there is no need for a customer to have cash when he buys tires at one of their stores. Customers may use their old tires on a trade-in which will serve as a down payment\*. It is thought that this "New Tire Policy" will set a precedent for the entire tire industry.

## Customers Name Own Price At Gambles

Another part of this sensational "New Tire Policy" enables customers to make their own estimates on the value of their old tires.

It has been revealed that the stores will allow customers to take an Estimate Blank, fill it out themselves and present it to any of these stores where they wish to trade for new CREST Tires.

These Estimate Blanks to be used by the customer are being mailed, placed in parked cars or are available at the stores. They may then be returned in person or by mail.

### Down Memory Lane

FROM THE FILES OF THE CHRONICLE

Twenty-five Years Ago.

April 11, 1924.

Three hundred eighteen ballots were polled in Elkland Township Monday. John A. Benkelman was chosen supervisor; Harry L. Hunt, clerk; Ernest Croft, treasurer; Joseph A. Balkwell, highway commissioner; Henry Hulburt, overseer; Solomon Striffler, justice of the peace; Isaac W. Hall, member of board of review.

About 120 ladies and girls were served at the W. H. M. S. banquet at the M. E. Church Friday. Mrs. I. W. Cargo introduced the following speakers: Mrs. A. H. Kinnaird, Mrs. J. M. Dodge, Mrs. Fox and Mrs. L. H. Hoffman, the last named two from Elkton.

The North was victorious over the South in the basketball contest staged for American Legion benefit at the town hall last Thursday evening, the score standing 21-10. M. B. Auten, Mason Wilson, J. W. Webber, W. L. Mann and Erwin Zemke were strugglers for the North and A. J. Knapp battled for the South.

Sparks from a chimney started fire at the farm home of Frank White on the Tuscola-Sanilac county line, three miles east of Cass City, Saturday and the building was speedily reduced to ashes. The M. P. Aid Society of Gagetown at Mrs. V. Calley's Thursday was largely attended. Proceeds were \$18.50. Imagine a two-course dinner for 25c; children, 15c.

Thirty-five Years Ago

April 10, 1914.

But two townships favored the proposition to bond Tuscola County for \$100,000 to build a new court house. All opposed the measure except Indianfields and Almer. A similar proposition to bond Huron County for \$85,000 was voted down Monday by a majority of 972.

Three hundred fifty-three men and women voted at the Elkland Township election Monday. There were two tickets in the field, Republican and Progressive. Republican candidates were successful.

### Ideal Plumbing and Heating Company

Society raised nearly \$1,000.00 during the past year, reports at the annual meeting of the church revealed. The total amount raised by the church was about \$2,500.00.

Final returns from the local option elections in the 12 Michigan counties that balloted on the question Monday increase rather than decrease the margin of victory gained by the "drys." Thirty-nine saloons and one brewery were knocked off total in state.

### COUNCIL PROCEEDINGS

Meeting called to order March 30, 1949, by President Clifford A. Croft.

Present: Trustees Gross, Hartwick, Benkelman, Stevens and Burt.

Building permits: Charles Holm, Frank Hegler, and renewal permit for Sam Vyse.

Sewer and Water connections: Sam Vyse, James Sowden, and Pinney store building.

Motion by Burt and seconded by Gross, the city engineer have the roof repaired over the Girl Scout room and the ceiling inside be fixed. Carried.

Motion by Burt and seconded by Hartwick, village clerk be paid \$75.00 per month. Carried.

Motion by Gross and seconded by Hartwick, the night policeman be given two nights a month relief, and the relief man be paid \$10.00 per night. Carried.

President appointed Stevens, Benkelman, and Burt, a committee to work on getting the proper insurance set up for the firemen.

Motion by Gross, and seconded by Stevens that the street lights be ordered for Garfield and Ale, and Garfield and Maple. Carried.

Bills were presented for the following amounts:

Michigan Associated Telephone Co., phone service, \$9.68.

Detroit Edison Company, lights and power, \$266.88.

Brinker Lumber Co., Inc., water works material, \$28.35.

## Kaiser-Frazer invades new price field!

## Kaiser... new price \$1995

## now world's lowest-priced big car

Our policy on prices

"It has always been our goal to put a bigger, better automobile within reach of more people. To that end, we have bought the huge factory at Willow Run, and have a great engine plant in Detroit. In Cleveland, we have acquired the world's largest blast furnace for the making of steel. Our engineering-production team and our vast dealer organization have worked overtime to reduce manufacturing and distribution costs. In line with the settled policy of our Corporation, we are giving substantial savings to the public in the form of greatly reduced prices... even sooner than we expected. Now, almost any American family can own a really big, fine car!"

Kaiser-Frazer Corporation

HENRY J. KAISER Chairman      JOSEPH W. FRAZER Vice-Chairman

Happy days are here again! Today you can get a big, big 1949 Kaiser Special for only \$1,995\*... a saving to you of over \$333.00!

Prices of all Kaiser and Frazer models have been materially lowered. These are by far the most sweeping price revisions the automobile industry has seen.

★ ★ 123½" wheelbase... 10 feet 7 inches seating space... 27½ cubic feet trunk space... over 206 inches long... 7.3-to-1 compression ratio

Listen to Walter Winchell every Sunday night, ABC

So, now you can buy the big car you've always wanted... at virtually 'little car' prices and at 'little car' economy of operation!

- Think of what this means to you and your family in terms of riding comfort, driving ease and prestige!
- Go choose your Kaiser or Frazer today. Your nearest Kaiser-Frazer Dealer can probably give you immediate delivery.
- Fair-and-square trade-in allowances... but you do not have to have a car to trade to get the benefits of Kaiser-Frazer price revisions!
- So, enjoy the comfort, luxury and safety of a new, 1949 Kaiser... the lowest-priced big car in the world!

Look what these new prices save you!

model	old price*	new price*	you save
1949 Kaiser Special	\$2328.57	\$1995.00	\$333.57

**New Barrier for Rats**

Building materials such as concrete, sheet metals and wire mesh have been used successfully for rat control, but under most conditions the cost of these materials as rat barriers has been prohibitive. Development of a new, low-cost laminated board as a rat barrier promises to reduce the tremendous damage by rats to food and property.

**Land of Few Cows**

Dairy products are seldom eaten by the average Chinese. As a consequence, their diets are low in vitamin A, and night-blindness is very common.

**Ratification of "Declaration"**

Declaration of Independence was ratified at a convention at White Plains, N. Y. July 9, 1776.

Winner, Fourth National AAA Traffic Safety Poster Contest.

April draws most of Michigan's bicyclists out on streets and highways. Elaine Havelock of Cass Technical High School, Detroit, must have known this and also that most bicycle accidents involve school age children. She drew the above AAA national prize winning poster, 9,000 copies of which will hang in Michigan schools in April. The "One On A Bike" rule is one of 12 recommended by Automobile Club of Michigan for cycle safety. The others are: (2) ride near the curb; (3) stop before entering streets; (4) obey traffic rules; (5) keep safe distance from other cars; (6) don't "hitch ride"; (7) be alert; (8) watch for turning cars; (9) wear something white at night; (10) special caution for rainy days; (11) know motorist's signals; and (12) know bicyclist's signals.

Traffic Deaths Again Increase in February

Traffic accidents in Michigan cost the lives of 85 persons in February, an increase of 21 or 33 per cent over the 64 killed during the same month last year, according to the monthly statistical report of the State Police.

There were 2,591 persons injured and 11,090 reported accidents. Injuries were six less than in February of 1948, but accidents showed a substantial reduction of 867 or seven per cent.

The fatality increase continued the upward trend begun in November. The record for the last four months shows 115 more persons killed than in the same period a year ago, an increase of 27 per cent.

All of the February fatality gain occurred on the rural trunkline system and was caused by an increase in collisions and run-off-roadway accidents.

Most of the accident reduction was in urban areas.

The record for the first two months of 1949 shows 194 persons killed, 5,532 injured, and 22,963 reported accidents. Compared with the same period last year, deaths increased 41 or 27 per cent, injuries increased 309 or six per cent, and reported accidents dropped 2,148, or nine per cent.

Mileage for January—the latest figures available—was up five per cent over the same month last year and the death rate per 100 million miles of travel increased four per cent.

KATHLEEN NORRIS Strength in Optimism

Bell Syndicate—WNU Features  
By KATHLEEN NORRIS

MOST of the things that make life pleasant don't cost anything. This is a simple truth, but staggering in its significance. It has all the force of that little chamber of steam that moves mighty locomotives. It has the compelling strength of that rippling peaceful little river whose power lights our great towns and throbs through our household machinery.

It costs nothing to be agreeable, but if many men and women knew what it wins, our divorce, suicide, melancholia and general domestic tragedy statistics would be changed amazingly.

Most persons are not agreeable. They didn't have an example of family pleasantness as children; they get into criticizing and dissatisfied habits of speech; they went on into their own lives and marriages just being mean. Not always in action, but often in speech.

Approach is Hostile

One of my neighbors is a fine, unselfish, capable wife and mother. But she is disagreeable. Her voice has an undertone of whine and contempt. She accomplishes wonders for her family and would die for their welfare; she takes tender care of her invalid mother; she is a true, economic, sympathetic wife. But her first approach to any subject or plan is hostile.

When Jim Scott gets home at night, Lynn often will start off with a string of discouragements that ac-

counts for Jim's somewhat browbeaten and henpecked aspect. The best of husbands and fathers, he is meek, quiet, trouble-avoiding at home.

"Shut that door quickly. For pity's sake, look at your rubbers." Lynn says from the kitchen. "Don't track that out here—I've been cleaning all day. If we're going to be crazy enough to go to the Smiths tonight, you've got to change. Well, you have to. What am I doing out here? The children have to eat. Jim, whether we go out or not. You look terrible. I suppose you're going to have flu, now that we're through with it. That's the way—one gets it, all right. There's Thompson's bill—awful, perfectly awful. I've nothing to wear tonight. I don't know why I said we'd go, but you always accept everything and then wish afterward you hadn't. We've never had them here and I don't want them here. No, the kitchen isn't clean at all. Jim—it's filthy. Rose had hers done. It cost \$80. I said 'Not for the Scotts, not this year.' I'll get my teeth fixed, the next money I get. Rose said Bert's were going to be over \$700. You're so tired you don't want it. That's all I get for heating you up a cup of soup."

She Loves Her Family

And during this monologue, Lynn will be putting a cup of delicious broth before her tired man, moving briskly about a speckless kitchen, setting the children's dinner down on a daintily set kitchen table and proving every second that she loves her own people and will do anything for their comfort.

Well, the physical service is valuable. But equally important is the mental and spiritual help that a healthy, courageous philosophy brings to even the most drab or discouraging situation.

We all know what it means when to our frightened and apprehensive questions the doctor says, "This is nothing serious. We can take care of this and have you back in shape in no time."

To certain persons that optimistic, hopeful attitude is natural. But all of us should try to cultivate it. Courage is contagious and, when in the face of disaster, one's closest companion is undaunted and takes the position, "Why, we can meet this. We'll weather it as we have everything else," how refreshing, how reassuring it is! How one's own courage rises to meet it!

Many years ago a family of six orphans had a family conference. They had been living along in care-free American fashion. Now, almost overnight, they were faced with mature responsibilities and burdens. The hope, the vitality and, yes, the fun of that talk comes back to me across almost half a century. They could cut this, save that, earn the other.

It was the oldest brother's incorrigible optimism that inspired them all. "Sure, we can do it—we're Americans," was his argument then as it is his in success today.

WINNING FAMILIES AT FHA PROGRESS DAY CELEBRATION

Concluded from page 1.

were chosen on the basis of their progress in family, farm, and community living—specifically their advancement in financial status, better housing, health, and education of the children; farming improvement through such means as soil conservation, better crops and livestock; and participation in school, church, farm organizations, and community activities.

Judges were USDA Council members: Milton Hagelberg, chairman; Byron Carpenter, Wilson Kirk, Donald Cook, Jacob Meachum, Francis Ode, John Martin, Harold Tubbs, and Dean Gordon.

Following presentation of the winners, a short talk was given by Frank Openlander, a state office representative. Mr. Openlander commented briefly on the outstanding achievements of Progress Day winner families throughout the state and congratulated the Tuscola County winners in behalf of Roswell G. Carr, FHA State Director, who was unable to be present.

The meeting was under the direction of Roy N. Wagg, a member of the County FHA committee, who acted as chairman. Mr. Wagg introduced George Bieth, Caro village president, who congratulated the winning families and in behalf of the village of Caro, extended a welcome to all present.

Main speaker for the occasion was Wiley Kirk, a Fairgrove farmer, who gave an interesting talk on "Michigan Agriculture." Mr. Kirk is a member of the State Agricultural Commission, and has been a grower of certified seeds for over thirty years.

Colored moving pictures were shown by Stuart Gildart, a representative of Russell Mfg. Co., and were greatly enjoyed by everyone present.

"So many families have made unusual advancement," Milton Hagelberg, USDA Council chairman commented, "that it was hard to say who deserved top honors for Progress Day recognition. But we believe our decisions were as fair as it was humanly possible to make them in measuring intangible as well as tangible gains," he added, "and we want to personally congratulate the families honored today."

The winning families will be invited to join other FHA families in similar competitions of other counties and attend a statewide

wide Progress Day meeting later this summer.

"As for the county meeting last Thursday," county supervisor John McDurmon said, "it's the first of its kind to be held here, but we hope it may become an annual event."

Farm Family Progress Day meeting to be held this summer by the Farmers' Home Administration at Michigan State College.

About one out of every six farm families of the 190,000 in Michigan has cooperated or is now cooperating with the Farmers Home Administration since the Federal program of supervised credit was established 14 years ago. On the basis of one outstanding family being selected from each 100 families served, it is expected that about 250 families will receive certificates of award at the all-day state-
