

Directors Chamber Of Commerce Were Chosen Wednesday

Board Will Meet This (Friday) Evening to Elect Officers

At a meeting of the members of the Cass City Chamber of Commerce at the Home Restaurant Wednesday evening, the result of the election of nine directors taken by mail was determined. The following were chosen.

Directors for three years—Dr. Delbert Rawson, Clifford Croft and Joseph Riley.

Directors for two years—Lloyd Bryant, Fritz Neitzel and Howard Ellis.

Directors for one year—Jack Hulien, Fred Pinney and Horace Bulen. Fritz Neitzel presided as temporary chairman, tellers who counted the ballots were Clifford Croft, Robert Schuckert and Dale Kettlewell and Lloyd Bryant was secretary at Wednesday's gathering.

Members of the board of directors will meet tonight (Friday) at seven o'clock at the office of the Brinker Lumber Co. to elect officers.

MacLean Clan in Family Reunion

The annual reunion of the MacLean family was held on Saturday, June 25, when 80 persons sat down to a bountiful chicken and ham dinner in Pine Grove Park, Port Huron.

Owing to a heavy rainfall that day, the sports were cancelled, but later in the afternoon a ball game was played.

After the business meeting a very fine program was rendered by the different members of the clan. Mrs. Kenneth Haggert of Drayton Plains, dressed in the native tartan, favored the group with several Scotch dances. Several songs with guitar accompaniment were sung.

A most interesting talk was given by Colin McKeen of Windsor, relating much of the clan history and also telling of his trip through the Scottish Highlands and of visiting the Isle of Mull which is the ancestral home of the MacLeans.

The following officers were elected to serve during the ensuing year: President, Melvin MacLean, Snover, Mich.; vice pres., Donald McKeen, Strathroy, Ont.; sec-treas. for Canada, June McDonald, Parkhill, Ont.; sec-treas. for U. S., Marjorie Karr, Cass City; sports chairman, Bob Wade, Parkhill, and Don Karr, Cass City; refreshments, Mrs. Roy MacDonald, Parkhill, and Mrs. Leonard MacLean, Snover, Mich.

Those attending from here were Arch, Melvin, Mr. and Mrs. Leonard MacLean, Mrs. Clara Vaden, Hector McIntyre, Snover, Mr. and Mrs. Claude Karr and family of Cass City.

Boots and Saddle Club Staged Rodeo

The members of the Tuscola County Boots and Saddle Club held their fifth annual amateur rodeo on Sunday, June 26, at the Caro Fairgrounds with around 150 horses and riders taking part in the show. Approximately 5,000 people watched these riders and horses perform.

The program started promptly at 2 p. m. with a grand entry of all the riders and including a covered wagon and clowns. This was followed by two square dance teams on horseback which were the Boots and Saddle Club and Nick and his Cornhuskers. The audience chose the Boots and Saddle Club as the winning team. Nick and his Cornhuskers furnished the music for the afternoon.

Other events and winners follow. Broom Polo—winning team was Blomford Campbell of Fairgrove, Nick Alexander of Gagetown and Frank Altizer of Caro.

Musical Stalls (Ladies) — 1st, Betty Quick, Caro; 2nd, Peggy Urquhart, Cass City; 3rd, Shirley Curtis, Caro.

Wrong-way Corrigan 1/2 Mile—1st, Frank Altizer, Caro; 2nd, Donald Arnott, Owendale; 3rd, Jay Stackhouse, Clarkston.

Fanny Race (Children to 12 yrs.) —1st, Chas. Carpenter, Caro; 3rd, Donald Arnott, Owendale; 4th, Patsy Aikens, Owendale.

Village Trustees Let Contracts on Two Jobs

The village council, in session Tuesday evening, accepted two bids on jobs for the village. The work of remodeling the fire department quarters hall was let to C. R. Hunt & Co. for \$2,149.32. This was the lowest of five bids. The job of replacing the riser box on the water tower was awarded to Mr. Edwards of Vassar for \$750.00.

An ordinance regulating the operation of taxicabs was passed by the council. The text of the ordinance appears in this number of the Chronicle.

Girl Scout Council Is Sponsoring Day Camp Here in July

The Tuscola County Girl Scout Council is sponsoring a day camp for Brownie and Intermediate Girl Scouts to be held at the Recreation Park here in July. Mrs. Edward Baker is chairman of the county council and Mrs. Alex Liberacki of Unionville is general chairman of this year's day camp.

Registration fee for intermediate Scouts is one dollar and for Brownie Scouts seventy-five cents.

Girl Scouts are expected to attend from Caro, Vassar, Fairgrove, Akron, Unionville, Mayville, Kingston and Cass City. Leaders are to be furnished by troops from the respective towns.

Mrs. Chas. Tennant, R. N., of Caro will be in charge of nurses and one will be in attendance at all times.

Pasteurized milk will be furnished to those attending and will be paid for by the county council.

Scouts will receive valuable instructions in nature study, handicraft, camp craft, swimming and sports.

Mrs. Curtis Hunt and Mrs. Warren Wood represent the Cass City Council on the camp committee.

The dates for the day camp are July 6, 7 and 8 for Brownie Scouts and July 11, 12, 13 and 14 for intermediate Girl Scouts.

Electrical Picnic At Sleeper Park

The County 4-H electrical picnic, sponsored by Detroit Edison Company, for all 4-H members completing the electrical project in 1949 was held at Sleeper State Park Wednesday, June 22. County 4-H Club Agent Byron Carpenter reports that 90 4-H members, leaders and parents attended. The picnic was arranged with Mr. Carpenter by Don Cook, Detroit Edison farm service advisor, and Irvin Teichman, Edison district farm advisor.

The program began at 10 a. m. with games directed by Don Cook. This was followed by swimming after which the picnic dinner was provided for all who attended by the Detroit Edison Company. Following the picnic races and competitive games were resumed and awards consisting of athletic equipment and souvenirs were presented to winners by the Edison Company.

Among those present were Mr. and Mrs. Mahlon Vance of Caro; Clare Cahill, head of farm service department, Detroit; and Wm. Scott, also of the farm service department, of Detroit. Mr. Vance is manager of the Caro office of the Detroit Edison Company.

Black and White Show on July 5

The Tuscola County Black and White Show will be held July 5 at the Caro Fairgrounds. Many of the top Holstein cattle of Tuscola County will be exhibited at this event. The program will begin with a junior showmanship contest at 10:00 a. m. An adult and junior judging contest will be conducted from 1 to 2 p. m. This will be followed with the official judging of all Holstein cattle classes by Herb Miller of Williamston. Trophies and prizes will be given for top placings.

DEFORD BARBER LANDS BIG BASS AT HARMON LAKE

An unusually large bass was caught Sunday morning in Harmon Lake, west of Kingston, by Louis Sherwood, barber at Deford. The fish weighed 5 1/2 pounds and was 21 1/2 inches long and 14 inches around. It was of the large-mouthed black bass variety.

'Nother High School Class Held Reunion Here on Saturday

Members of Class of '19 Enjoy Dinner Meet As Guests of Mrs. Schwaderer

Mrs. Eugene B. Schwaderer had as guests Saturday at her home on Kennebec Drive, ten members of the Class of 1919 of the Cass City High School. The group enjoyed a ham and turkey dinner and the remainder of the evening was spent in visiting and reminiscing. Much can happen in 30 years and there was considerable to tell of the activities of the eleven classmates and their better halves since the time when the history of the class was read by Isabelle McIntyre, the class will by Cameron Wallace, the prophecy by Florence Striffler, the giftatory by Eliza Leishman, the poem by Sarah Robinson and the class song by Dorothy McKim, at the class day exercises, at which time Norma Retherford gave the salutatory; Thelma Hunt, the valedictory; Frank Dodge, an oration; and Wayne Fleenor, the class cartoonist, drew sketches of high school life. Then the following evening, the 17 graduating seniors were presented with diplomas by E. W. Jones, secretary of the board of education, at the commencement program at the opera house.

Members of the class at the reunion Saturday evening were Irene Croft Moore of Bad Axe, Dorothy McKim of Ann Arbor, Norma Retherford of Pringing of Saginaw, Hazel Martin Blair of Bad Axe, Florence Striffler Southworth of Elkton, Robt. T. Adams of Detroit, Frank E. Dodge of Bad Axe, and Ben Benkelman, Jr., Cameron Wallace, Thelma Hunt and Isabelle McIntyre Schwaderer, all of Cass City. It was the first time some of the group had seen one another in 30 years.

In the group were the following new "classmates by marriage": Mr. Pringing of Saginaw, Mr. Blair of Bad Axe, Mrs. Frank Dodge of Bad Axe, Mrs. Ben Benkelman, Jr., Mrs. C. M. Wallace and E. B. Schwaderer of Cass City. The six members who were unable to attend the reunion included Sarah Robinson Asher of Caro, Eliza Leishman of Pontiac, Grey Lenzner of Bad Axe, Frances Abbott of Cass City, Colin McRae of San Francisco, Cal., and Wayne Fleenor, of Albion.

Jewell Sparling Bell, a favorite teacher of the Class of 1919, greeted her former pupils Saturday. She was accompanied to Cass City by her husband, Mr. Bell, of Ann Arbor.

Four Generations Are Photographed

Four generations gathered Sunday at the home of Mr. and Mrs. Harry Rockwell in Evergreen Township in honor of the 85th birthday of Mrs. Jas. McQueen, mother of Mrs. Rockwell. Mr. and Mrs. Rockwell also celebrated birthdays the past week. Potluck dinner was enjoyed and the afternoon spent in visiting and the taking of pictures by Photographer Nietzel.

About 50 were present from Detroit, Ferndale, Kinds, Bad Axe, Smith's Creek, Marlette, Caro and Cass City.

Child Is Rescued From Water Tank By Jackie O'Dell

Douglas Bogart, three-year-old son of Mr. and Mrs. Bernard Bogart of Pontiac, owes his life to his seven-year-old cousin, son of Mr. and Mrs. Wm. O'Dell, of Novesta Township.

The Bogarts were guests at the O'Dell farm last Sunday and in the afternoon Douglas accompanied Jackie to the barn to see him water the calves. Somehow the small boy fell into the large stock tank which was full of water and surely would have drowned but for the quick action of Jackie.

Instead of running to the house to call the parents for aid, he pulled his cousin out of the deep water. But for this prompt action, the Bogart boy would probably have been drowned before older folks from the house could have reached him.

Vacation School Program Today

The Vacation Church School which has convened in the Presbyterian Church for the past two weeks, sponsored by the Cass City Council of Churches, will conclude today (Friday).

A closing program will be held in the sanctuary at 10:00 a. m. Parents and friends are cordially invited to attend this service, after which there will be an opportunity to visit the respective departments, and observe the handicraft and other features of the school. There will be an offering to defray the expenses of the school. Certificates will be given to those attending the two weeks with not more than two absences. Refreshments will be served.

"Some new games and treasure hunts were introduced this week, which along with sustained interest in handicraft and study kept up a high average attendance," said Rev. M. R. Vender, director. "We are grateful to a faithful and able staff who gave voluntarily of their services."

Miss Elsie Rawson is an added helper this week.

Plane Crash Here Sunday Fatal to Van Dyke Man

Two Were Extricated with Difficulty from the Wrecked Ship

"There goes a plane in a nose dive and there may possibly be trouble," announced Stephen Dodge to several of the men folks who gathered at his Novesta Township home Sunday for a family reunion. The group drove hurriedly to the John Crawford farm located five miles south and two and three-quarters miles east of Cass City, which is a short distance from the Dodge farm. Two men were found entangled in the wreckage and were freed with difficulty.

Maurice Weld, 28, of Van Dyke, Mich., the pilot, and his brother-in-law, Nick Seramiphoff, 31, of Center Line, Mich., were taken by ambulance to the Cass City Hospital where Weld passed away at 3:34 p. m. on Sunday, about five hours after the accident.

Weld's right leg was splintered, a knee broken, his left ankle smashed and his right ankle, and one arm badly bruised and he suffered cuts on his abdomen and face.

Seramiphoff had his right arm broken, the ligaments in his left ankle torn, his left shoulder bruised and he suffered a slash under his chin and in the upper lip. Seramiphoff is a patient at the Cass City Hospital and his condition on Tuesday was considered "good" in spite of his serious injuries. He described the accident as occurring in weather which pilots term "gusty". The plane was thrown into a tail spin and Weld had almost straightened it out for a safe landing when it hit a fence.

Weld was in G. I. training as a pilot. He was on a cross country flight in a two-place Aronca plane, had left Detroit and had been to Bad Axe and Caro air fields before starting on the return trip to the Detroit City Airport. His brother-in-law was a passenger on the trip.

Mr. Weld leaves his wife and little daughter, 2 1/2 years old. The body was taken to the Reed Funeral Home in East Detroit. Funeral services were planned for yesterday (Thursday) provided Weld's parents, who were absent from home on a trip, could be located.

Thursday Nights Find Bowmen Busy At Target Practice

The Cass City Bowmen wish to express their gratitude to the Gavel Club for their courtesy and cooperation in helping the archery club get started.

During the last twelve years, archery has grown tremendously in popularity. Mail matches were held during the war and in several of these over a thousand archers from all over the country participated. In the intercollegiate event, over 150 colleges entered teams of eight girls each; in the Olympic Bowmen League for "indoor shooting" over fifteen hundred competed; with almost as many pulling bows in the nation-wide target mail matches. It is reliably reported that over a hundred

75 Attended 4-H Dairy Judging Tour

A county 4-H dairy judging tour held Thursday, June 23, called 75 4-H Club members, parents and leaders, according to Byron Carpenter, county 4-H Club agent. The tour began at 9 a. m. at the Frank and Kenneth Parrish Farm at Fairgrove where Jersey cows were judged. Following this the group drove to the Nantom Farms owned by Mr. and Mrs. E. B. Schwaderer, and managed by A. B. Quick. Holstein cows were inspected and discussed at this stop after which a picnic lunch was enjoyed at the Schwaderer farm.

Following a brief meeting conducted by Nevels Pearson, assistant state 4-H club leader, who attended the tour, the group went to the Yokom Stock Farm at Mayville where more Holsteins were judged. The Yokom Farm is managed by A. J. Harrison. In addition to judging work, fitting and showing dairy animals was discussed and demonstrated and awards from breed associations were reported by Mr. Pearson.

Three Children Wreak Havoc at Quick Rural School

A 12-year-old Novesta Township lad led his eight-year-old sister and seven-year-old brother on an expedition of malicious destruction of school property in the Quick rural school district Friday. While on their way to Cass City, they stopped at the school building four miles south and a mile west of Cass City for a drink at the school pump.

A window was broken and entrance was thus gained to the building. Legs were chopped off the piano and some of its inner works were destroyed, glass in all the windows was broken, desks were split with a hatchet, blackboards were smeared with paint, and obscene words were scrawled on the walls. The teacher's desk was thrown through the window with the dictionary and encyclopedias. The damage is estimated at approximately \$1,000 by school officers and the sheriff's department.

The children were taken into custody by Sheriff George F. Jeffrey and Deputy Sheriff Kenneth Erb on Saturday. Questioned by the officers, the children said they had no particular grievances and were on mischief bent.

The three young children with their parents appeared before Channey W. Furman, county prosecuting attorney, on Monday. The children were referred to Probate Judge Almon C. Pierce in juvenile court. Because of their ages, Prosecutor Furman said, it is doubtful that any punishment could be meted to the two youngest children.

According to Furman, the father of the children promised to have the interior of the school cleaned up within the next few days.

The Quick school had the equipment of a modern rural school before Friday. Today it is the scene of a wanton destruction of property.

Mrs. John Muntz's Funeral Held Monday

Mrs. John Muntz passed away Saturday morning, June 25, at Cass City Hospital, where she had been a patient for the past week. Mrs. Muntz had been ill for the past three years.

Funeral services were held at the Presbyterian Church Monday afternoon, the Rev. Melvin R. Vender officiating. Interment was made in Elkland cemetery.

Martha McCullough was born in Bridgehampton Township, Sanilac County, Apr. 24, 1884, the daughter of the late Robert and Mary Sweet McCullough. She was united in marriage with John Muntz on Nov. 15, 1906, in Bay City. Following their marriage they made their home in Detroit, later moving to Bad Axe. In 1938 they came to Cass City where she has made her home until her death.

Mrs. Muntz was a member of the First Presbyterian Church of Cass City. She was also a member of Echo Chapter, No. 337, Order of the Eastern Star, of Cass City.

To mourn their loss are her husband; two daughters, Mrs. Sherman (Margaret) Kilpatrick of Detroit and Mrs. Harold (Helen) McGrath of Cass City; two sons, Willard Muntz of Bad Axe and Chester Muntz of Cass City; three sisters, Mrs. Robert Booth of Bay City, Mrs. James Flood of Albany, Oregon, and Mrs. Gerald Dow, of Columbus, Ohio; three brothers, Robert McCullough of Bay City, Arthur McCullough of Marion, Ohio, and William McCullough, of Lansing; and seven grandchildren. One brother and two sisters preceded her in death.

Fourth of July week end accidents took 63 lives in Michigan last year, 14 more than the previous year.

Traffic accidents, swimming and boating, and falls are the major dangers during the liberty-celebrating holiday, the Michigan Department of Health warns.

Last year 24 Michigan people lost their lives in automobile and motorcycle accidents over the Fourth; 23 in drowning and boating accidents; and seven in falls. Two were killed in airplane accidents, two by overexposure to excessive heat and others by miscellaneous causes.

"You may save your life if you drive, swim, boat, walk, fly and play with care this week end: Let's keep Michigan free—from accident," the Department said.

Mr. and Mrs. L. J. Sicker (Bud) and baby visited last week with Mr. Sicker's parents, Mr. and Mrs. Lowell Sicker. "Bud" was graduated on June 8 from the Bowling Green State University in Ohio, and on July 1 will start his duties as physical director in the Y. M. C. A. in East Liverpool, O.

300 Cub Scouts and Parents Attend District Field Meet

Day's Activities Here Were Concluded with Distribution of Awards

Over 300 Cub Scouts, Scouters, and parents took part in the Tuscola District Cub Scout field day held last Thursday at the Recreational Park in Cass City.

The affair began at 1:00 p. m. with field events under the supervision of Lester Ross and "Baldy" Ellis of Cass City. At 5:00 the dusty Cub Scouts had an opportunity to refresh themselves in the Cass City pool. In the evening baskets of food appeared from all directions and each pack had their picnic dinner. Later in the evening a campfire lighted by the great chief, Akela, highlighted the occasion and the awards for the day and advancement were distributed. Rev. Stanley P. Kirm of Cass City was in charge of this event.

The 50-yard dash in the nine-year-old group was won by Cub Scout, Jack Humpert of Caro; in the ten-year-old group by Robert Smith of Caro; and in the eleven-year-old by Delbert Heinlein of Reese. The broad jump was won by Cub Scouts Tom Fritz of Cass City, and Lynn Ackenbach and Delbert Heinlein, both of Reese, in the three age divisions. Cub Scout Delbert Heinlein of Reese won the high jump. The 200-yard relay was won by the Caro Cub Pack 3161. The Cass City pack 3194 won both the shuttle race and the over and under. Elfers and Kinnall of Reese were winners in the wheelbarrow race and Keller of Vassar was first in the broad jump.

In total points the pack from Reese was high which gave them the trophy again. This must be won three consecutive years in order to keep permanent possession.

The cheery campfire was the setting for awarding the trophy, advancement recognition, and ribbons for the winning Cub Scouts.

Robert Schuckert of Cass City was chairman of the day and Robt. Hunter and Arian Hartwick assisted him in the program.

John Tewksbury Died at Age of 84

John H. Tewksbury died Friday in Pleasant Home Hospital where he had been a patient for two days after suffering a fractured leg in a fall. He was 84 years of age.

Funeral services were held in the Douglas Funeral Home on Sunday afternoon, the Rev. Frank Houghtaling, former pastor of the Nazarene Church here, officiating. Burial was in Novesta cemetery.

Mr. Tewksbury was born in Macomb County on July 25, 1864, and was united in marriage with Myrtle Gilliam in 1885 at Clifford. She died in 1918. Mr. Tewksbury lived the last five years with his daughter, Mrs. Andrew Cross, in Cass City.

He leaves three daughters, Mrs. Lena Clute, of Royal Oak, Mrs. Ella Kacy, of Farmington, and Mrs. Cross; five grandchildren; 18 great grandchildren, and five great great grandchildren.

THURSDAY NIGHTS
FIND BOWMEN BUSY

Concluded from page 1.

thousand bows are manufactured annually; that upwards of 500,000 indulge their time in some measure with bows and arrows. In Michigan alone, there are over seventy clubs actively engaged in some form of archery.

Archery has many variations of interest. Target archery is the formal usual arrangement, where a stated number of arrows are shot at different distances. Flight archery is spectacular and the casting of an arrow beyond the 600-yard mark is the objective. Clout shooting places archers at 180 yards and 120 yards from a target ten times enlarged on the ground, into which the archers attempt to drop their round of arrows. Field archery is the informal cross-country phase of the sport that stimulates an obstacle hunt, over a course of 28 field targets.

The targets placed on the play grounds here are for any one, men, women and youngsters alike to use and enjoy. Anyone wishing help or who would enjoy shooting with a group will usually find some one at the target grounds Thursday evenings. Archery is a sport enjoyed by folks in their seventies as much as those in their teens. A good bow is frequently used for years and a set of arrows properly cared for should last as long. Incidentally nine more counties have been added to the list for the use of archers for deer hunting.

GREENLEAF

Mr. and Mrs. Calvin MacRae entertained Tuesday night Mr. and Mrs. Reed Bailey and daughter, Lenore, of Clinton, Michigan. Mrs. Bailey is an aunt of Mrs. MacRae.

Marshall Sowden returned home from Ann Arbor. He is much improved and able to walk with a cane.

Two car loads from Fraser church attended a conference at Marlette Presbyterian Church Wednesday evening. The lesson was on "Planned Stewardship."

Mrs. Peter Rienstra has received word from her brother, Clave Barnes, that he is at present in California and will probably be there from six months to a year.

Amy Root and Elaine Nemeth spent the week end at Rescue with Elaine's sister, Mrs. Stanley Mellendorf.

Visitors on Sunday at the Rayford Thorpe home were Mr. and Mrs. Nap Videan and friends, Mr. and Mrs. Wm. Travseau, all of Belleville, Ohio.

All Is Not Bad
From Heavy June
Rains, Is Advice

Those farmers who lost out on planting some crop or had to discontinue plantings because of the heavy mid-June rains, can take heart. Grant E. Nichol, agricultural research associate, Farmers and Manufacturers Beet Sugar Association, says that bare ground left from that kind of a situation can be turned to advantage for 1950 if the field is properly handled now.

He advises planting to some quick-growing crop for plowdown in late summer or early fall, and following it up with a beet planting next spring. Soybeans, with the seed properly inoculated for nitrogen production, are the best crop for plowdown purposes, he states. But millet, sudan grass or buckwheat, while not quite so good, will do well. Some farmers even use corn. Nichol recommends fertilizing the green manure crop with 200 or 300 pounds of fertilizer to guarantee maximum growth.

This procedure may turn what looks like a discouraging outlook for 1949 to a highly profitable return in 1950, Nichol believes.

The customary practice of farmers caught short with unplanted land this time of year is to put it to buckwheat for grain as a sort of a "last-resort" measure. But Nichol avers that it is of dubious profitability at best, and that to select soybeans for plowdown ahead of sugar beets in 1950, is the best bet.

This type of organic matter plowed down ahead of a beet crop is always a profitable investment, he says, and here is an instance where it is of particular timeliness.

Largest Insurance Claim
Largest single casualty loss payment in history was paid during 1948 to the Scott Paper Co., of Chester, Pa. An explosion damaged a dryer roll paper machine in 1948 and knocked it out of operation for more than two years. Most of the insurance payment of more than \$2,900,000 was made under machinery use and occupancy policies, according to the National Underwriter.

Slaw
Cool, crisp slaw is popular, especially when served with a tart, snappy dressing. Use either French dressing or mayonnaise, but be sure it has zest and tang. A bit of chopped pickle or pickle relish, a dash of mustard or Worcestershire can be added for extra flavor. Add the dressing just long enough before serving to blend the flavors.

Postage Stamps
Railroads have been a favorite subject for postage stamp designers since the iron horse took over from the pony express, which also was depicted on a stamp. More than 65 countries have issued postage stamps picturing locomotives and trains, bridges, tunnels, tracks, mail cars, and other railroad equipment.

Saffron

Saffron was grown extensively by ancient Greeks and Romans. Early cultivation spread from Persia to China to Asia Minor and finally to Europe. Dye derived from pistils. Produces yellow color.

Safflower is a plant first cultivated in Spain, Egypt and the Levant, originating in southern Asia. Dye is taken from fleret heads growing at end of plant's numerous branches. Produces basic yellow color and shades of rose, scarlet, purple and violet.

Personal Injury Costs

In the dairy industry, the cost of each lost-time personal injury accident is equivalent to profits on 50,000 to 60,000 quarts of milk, or 10,000 to 12,000 quarts of ice cream. This estimate does not include property damage to company vehicles, time lost because of non-deliveries, or the cost of replacing and retraining employees.

For Pedestrians

If walking on the highway, walk toward oncoming traffic and keep as far to the side of the road as possible. A skidding car will then be less likely to strike you, or if you should slip you will be less likely to slide into the path of a car.

West Side Huron Farm Bureau—

The West Side Farm Bureau women met at the home of Mrs. Karl Oehmke near Sebawaing Friday afternoon, June 24, with 45 members present. Fourteen groups were represented.

Each group reported to the president what food they are preparing for the Farm Bureau kitchen at the Bad Axe Fair. Junior Farm Bureau members will help serve at night.

Mrs. Fleugge moved that Betty Oehmke's name be put up for the state chairmanship.

Mrs. Retford read the report of the meeting at Interlocken. Huron County with nine ladies had the largest group present. Miss Weston of Bad Axe, worker on the bureau of social welfare, gave an interesting talk.

A lovely lunch was prepared and served by ladies of West Huron and Happy Home Groups.

All the Farm Bureau women are asked to donate any old dishes they have for the Farm Bureau Camp at the Sleeper Park. Bring the dishes to your next Farm Bureau meetings in your locality and turn them over to your women chairman and she will be responsible for getting them to Pinnebog at the next meeting in August.

The Farm Bureau picnic will be held July 15 at Caseville.

There is to be a contest for the best essay on "What Can Farm Bureau Do for My Family." First prize is a free trip to Chicago; second prize, \$25. Final contest is Nov. 9 at Lansing.

Anyone needing help for "polio" should get in touch with Mrs. Earl Retford and she will contact the Kenny Foundation.

Mrs. Stanley B. Mellendorf and sons, Dale, Norris and Perry, and Mrs. DeEtte J. Mellendorf attended the funeral services Monday afternoon of their aunt and sister-in-law, Mrs. Alonzo T. Swick, in Owendale.

Mrs. Addie Knight and Mr. and Mrs. Ephraim Knight, daughter, Janis, and son, Edward, were Sunday dinner guests at the home of Mr. and Mrs. Alfred Maharg.

James Norman is the name of the son born to Mr. and Mrs. Thomas J. Quinn, Jr., Friday, June 24, in the Cass City Hospital. They returned from the hospital Tuesday.

Mr. and Mrs. Arthur Oswald of Dearborn were Sunday visitors of the latter's brother-in-law and sister, Mr. and Mrs. John D. O'Rourke.

Mr. and Mrs. Frederick Becker returned to their home at Farmington Monday forenoon after visiting at the Thomas Quinn, Sr., home since Saturday.

Mr. and Mrs. Richard O. Loos and children of Port Huron and Mr. and Mrs. Perry E. Mellendorf and daughter, Gloria, of Smith's Creek returned home Monday after visiting relatives here since Saturday afternoon.

Mrs. James Welborn went to Howell to see her husband Sunday.

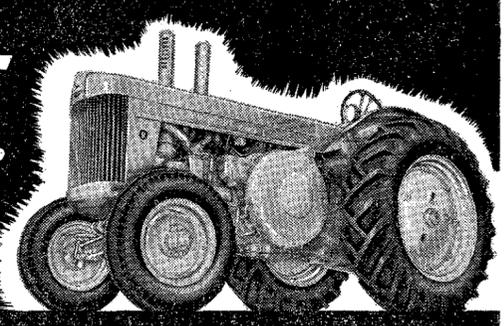

Mr. and Mrs. Thomas Quinn, Sr., and guests, Mr. and Mrs. Frederick Becker, were Sunday callers at the homes of Mr. and Mrs. Francis E. Quinn at Kinde and Mr. and Mrs. Elwood Creguer at Filion. Mr. and Mrs. Quinn's granddaughter, Charlotte Creguer, returned home with her grandparents for a few days' visit.

Miss Madelyn O'Rourke, R. N., of Mercy Hospital in Bay City spent from Wednesday until Friday at the home of her parents, Mr. and Mrs. John D. O'Rourke.

June Is the Popular Month for Weddings

Father Officiates at Daughter's Marriage

The wedding of Miss Irene Elizabeth Smith and Mr. James Harold Adkins was solemnized at the Birkett Memorial Baptist Church in Detroit on Friday evening, June 24, at eight o'clock. Rev. Frank Smith, the bride's father, was the officiating clergyman.

For her wedding the bride wore a gown of lace trimmed with a shadow sheer over satin, styled with an off-the-shoulder neckline. Her three-quarter length veil was gathered on a crown of orange blossoms and her bouquet consisted of shattered white carnations and roses. Her travelling costume was a two-tone grey gabardine suit with grey accessories.

Miss Joann Smith was her sister's maid of honor and was attired in a gown of white tulle over orchid taffeta and carried carnations of corresponding colors. The bridesmaids were Mildred Bryant, gowned in white tulle over chartruese taffeta, and Shirley Adkins, sister of the groom, who wore a white tulle over pink taffeta gown. Each carried carnations of colors matching their dresses.

James Pitts served as best man and Leo Schreiber and Richard Smith, the bride's brothers, were the ushers. Thomas Merritt was ring bearer and Miriam Merritt in a floor-length yellow dress, as flower girl, carried a basket of carnations.

For her daughter's wedding Mrs. Smith wore a gown of dusty rose taffeta with an ecru lace yoke, matching gauntlets and a hat of lace and tulle.

The young couple are on a wedding trip in the East.

Rev. and Mrs. Frank Smith and family were former residents of Cass City when Mr. Smith was pastor of the First Baptist Church here for several years.

Miss Peters, Bride of Alex McCarty

Miss Dorothy Peters, daughter of Mr. and Mrs. Linus Peters, became the bride of Patrick McCarty, son of Mr. and Mrs. Alex McCarty of Tyre, on Saturday, June 18, in St. Joseph's Catholic Church at Argyle, Rev. Wm. Flannery officiating.

The bride was attired in a gown of embroidered marquisette, with sweetheart neckline, fitted bodice, and full skirt extending into a long train. She carried a bouquet of white mums. Her fingertip veil of nylon net, bordered with lace, was held in place with a sweetheart cap.

Attending the bride as maid of honor was Miss Beverly Wrubel of Detroit, her cousin. The bridesmaids were Miss Irene McCarty, niece of the groom, and Miss Marge Ingles, who wore gowns of yellow and green embroidered marquisette respectively, fashioned like the bride's. Their open-crown hats were of the same material as their gowns. They carried colonial bouquets of daisies.

Attending the groom were Joseph Sefton, his cousin, and Wm. Palmer.

The Parisville choir, conducted by Robt. Ertman, uncle of the bride, sang the nuptial mass.

A breakfast was served to 100 guests in the bride's home followed by a reception in the evening in the parish hall. Guests attended from Kenosha, Wisconsin, and Gary, Ind., Detroit, Pontiac, Jonesville, Gagetown, Parisville, Minden City, Crosswell, Cass City, Bad Axe and Saginaw.

The bride is a graduate of Sandusky High School. Mr. McCarty was graduated from Ubyly High School and has a service station in Argyle. They will reside in their new home in that village.

MARRIED IN ELIZABETH CITY, NORTH CAROLINA

Mrs. Bauer.
Beryl Elizabeth Marble, daughter of Mrs. Eva B. Marble, was married recently to Lee C. Bauer, son of Mr. and Mrs. Walter Bauer, of Ann Arbor at Elizabeth City, North Carolina. The Marble family are former residents of Cass City.

Father of Bride Bakes Wedding Cake

Over three hundred guests gathered in the auditorium of the First Methodist Church in Cass City Sunday evening, June 26, to witness the ceremony in which Miss Joan Dolores Sommers and Mr. Stuart William Merchant exchanged their marriage vows. The rites were performed at 7:45 before an altar decorated with palms, baskets of delphinium, and lighted candelabra.

An uncle of the bride, Dr. Merriell Lester of Fort Wayne, Ind., conducted the double ring ceremony, assisted by the Rev. Howard Watkins, pastor of the church at Cass City. Dr. Lester had also officiated at the marriage of the bride's parents, Mr. and Mrs. Joseph Sommers, of Cass City.

Organist Danny Liddell of Olivet College at Kankakee, Ill., played appropriate wedding music, and Marshall Hubbard of the same school, formerly of Cass City, sang "Always," "Because" and "The Lord's Prayer."

Proceeding the bride to the altar were her attendants, gowned in pastel shades and carrying colonial bouquets. Miss Velma Muntz of Cass City, as maid of honor, wore rose taffeta, and the bridesmaid, Miss Florence Hillman, of Kalamazoo was dressed in chartruese. The junior bridesmaid, Jean Martin, wore yellow, and the flower girl, little four-year-old Sherry Law, was dressed in white organdy with a poke bonnet.

The bride, who was escorted up the aisle by her father, was gowned in candlelight satin. The dress had a net collar with ruching, a net yoke outlined with a lily design in pearls, and long sleeves. The long torso waist was trimmed in the back with a row of satin buttons, and ruffled paniers of satin started at the waist and extended down the full-length train. Her fingertip silk illusion veil fell from a headband of satin laced through pearls and ending with a loop. She carried a bouquet of white roses.

The bride wore the pearls which the groom had given her as a wedding gift. Her gift to him was a Swank chain and gold knife engraved with the wedding date.

The groom, who is the son of Mr. and Mrs. Frank Merchant, was attended by his best man, John Sommers, brother of the bride, and Edwin Karr. Fred Martin was junior groomsman, and ushers included A. J. Murray, Don Karr and Dean Robinson of Flint.

For her daughter's wedding, Mrs. Sommers chose a gray dress and Mrs. Merchant was attired in rose. Both mothers had white accessories and orchid corsages.

Wedding guests were invited to greet the bride and groom at a reception in the social rooms of the church following the ceremony. Ladies of the Woman's Society of Christian Service of the Methodist Church supervised the serving of ice cream and cake, and Ruth and Joyce Butler of Charlevoix, former roommates of the bride when she attended school in Bay City, served punch.

Highlighting the reception was the unique wedding cake made by the bride's father. It was a fifty-pound, three-tiered divinity white cake of a rectangular shape measuring 16 x 24 inches. The bottom of the cake rested on a specially constructed stand which elevated each tier individually and allowed room for roses to show between the tiers. Each layer was iced in a pastel shade to match the bridesmaids' gowns.

On top of the cake, which was trimmed with white and decorated with white and pink roses, was a miniature white plastic church electrically lighted and standing on a green terrace. In front of the church and at the other end of the cake stood a tiny bridal couple surrounded by white roses. The cake was cut by Miss Laura Maier, who served it to the guests.

The bride was assisted at the reception in the opening of her gifts by Joyce Merchant, Shirley Ann Mitchell, and Elsie Mae Rawson.

Guests came for the wedding from South Bend, Elkhart, and Odon, Indiana, and Mount Forest, Ont. Others came from Emmett, Port Huron, Kingston, Bay City, Imlay City, Vandalia, Marlette, Dowagiac, Detroit, Flint, Saginaw, Charlevoix, and Chicago, Ill.

When the young couple left for a short wedding trip in northern Michigan, Mrs. Merchant wore a navy blue silk taffeta print dress with white accessories. Her corsage of three gardenias was the gift of Mr. and Mrs. George Clara, florists.

The bride, who is a 1947 graduate of Cass City High School and of Bay City School of Commerce, has been employed as a bookkeeper by Nestle's, Inc. The groom was graduated from Cass City High School in 1944 and served in the Army for a time.

Mr. and Mrs. Merchant will reside in their new farm home which is located two miles north and 1/4 west of Cass City.

On Northern Mich. Honeymoon Trip

Mr. and Mrs. Andrew Rutz are on a honeymoon trip in northern Michigan. Mrs. Rutz is the former Wilma June Sommerville, daughter of Mrs. Ethel Pettinger, and the late James Sommerville, Cass City. Mr. Rutz is the son of Mrs. Elizabeth Rutz and the late John Rutz of Carsonville.

Rev. Fr. H. F. Zacharias performed the double ring ceremony Saturday, June 18, at St. Mary's Church, Port Sanilac, in the presence of a number of friends and relatives. The full choir sang high mass and George Perriski of Ubyly, vocalist, sang "Ave Maria." The altar was decorated with red roses and daisies.

The bride, given in marriage by her stepfather, wore a white marquisette gown over white satin with a fitted bodice. The full hoop skirt fell gracefully into a long train which formed soft folds. She carried an arm bouquet of red roses and her illusion veil was held in place by a cap-shaped tiara of orange blooms and seed pearls. Her only jewelry was a strand of pearls, a gift of the groom.

For her duties as matron of honor, Mrs. Thelma Payter, Detroit, sister of the groom, wore a blue moire taffeta gown with matching head-piece and carried carnations and roses. The bridesmaids wore gowns in rainbow colors in soft taffeta. They were Mrs. Eileen Franzel, sister of the bride, Misses Alice Griffka and Audrey Rutkowski, friends of the bride, and Goldie Rutz, sister of the groom, wearing yellow, green, pink and orchid respectively with head-pieces to match. The flower girl, Carole Ann Payter, Detroit, niece of the groom, was dressed in a long blue net hooped dress with pink ribbon and carried a basket of rose petals.

Thomas Wrothell, Ferndale, nephew of the groom, carried the rings on a satin pillow. Joseph Rutz, Ypsilanti, was his brother's best man. Other attendants and ushers were Arthur Payter, Detroit, brother-in-law of groom; John Sommerville, Detroit, brother of the bride; John Matthews, Sarnia, Ont., cousin of the groom; Dan Franzel, Ubyly, and John Payter, Detroit.

For her daughter's wedding Mrs. Pettinger chose a blue berberg with floral design and white accessories and a corsage of gardenias. Mrs. Rutz, mother of the groom, was unable to attend on account of illness.

Following the ceremony breakfast was served the bridal party and 80 guests at the home of the bride's sister, Mrs. Dan Franzel, Ubyly. The house was decorated with vases of cut flowers. At 4:30 dinner was served to about 350. The table was centered with a wedding cake, made by the bride's aunt, Mrs. Matthews, of Sarnia, Ont. In the evening at the Ubyly High School a reception was held.

Guests from Detroit, Canada, Bad Axe, Argyle, Carsonville, Cass City, Sandusky and Port Huron attended the ceremony and reception.

Prior to her marriage Mrs. Rutz was honored at showers by her mother and sister; aunt, Mrs. J. Ruthowski; and friends, Mrs. Smith and Miss Winnie Mumby.

Young Couple United By Candlelight

In a candlelight ceremony at eight o'clock Saturday evening in the Evangelical United Brethren Church, Miss Laura Lavina Stilson, daughter of Mr. and Mrs. D. J. Stilson, became the bride of Mr. Kenneth Mitchell McRae, son of Mr. and Mrs. William McRae, of Decker. Rev. S. P. Kim read the rites before about 250 assembled guests, using the single ring ceremony. The soloist was Mrs. Elizabeth Pagonis of Detroit who sang, "Because" and "I Love You Truly."

The church was decorated with branched candelabra and baskets of orange blossoms and red roses against a bank of potted palms.

To the strains of the wedding march, played by Miss Betty Smith of Detroit, the bride entered on the arm of her father who gave her in marriage. She was dressed in a gown of white marquisette with a long train, embroidered with an all-over white flower design, giving a lacy effect to the material. The fitted bodice was made with a v-neck and puffed sleeves, caught at the sides with pearl orange blossom cuff links. She wore elbow-length mitts of the same material as her gown and her double fingertip veil of illusion, edged with lace, fell from a tiara of orange blossoms. Her arm bouquet was a spray of white gladioli and lilies of the valley on a background of white illusion. She also wore a string of pearls, a gift of the bridegroom.

The matron of honor was Mrs. Earl Rayl, Jr., sister of the bride, and the maid of honor, Miss Mary Straty of Cass City. They were dressed in taffeta gowns, made alike. Mrs. Rayl's gown was in buttercup yellow and Miss Straty's

in aqua. Both wore mitts and their veils of illusion in the colors of their gowns were caught at the crown with flowers. They carried sprays of gladioli, matching their dresses in color.

Little Flora Jane McRae, five-year-old sister of the groom, was flower girl. She was dressed in a long white taffeta gown and had sprays of lilies of the valley in her dark hair. On her arm she carried a basket of flower petals.

Earl Rayl, Jr., was best man and Steve Ziembra was the other attendant. The ushers were Carl Stilson, Hugh Mitchell and James Chapman.

For the wedding Mrs. Stilson, mother of the bride, wore a black and white print suit with white accessories and a corsage of gardenias. Mrs. McRae, the bridegroom's mother, chose a navy blue dress with matching accessories and a corsage of gardenias.

A reception was held at the town hall immediately after the ceremony. The hall was decorated in pink and white streamers, white bells and branches of cedar.

Among the guests was the bride's grandmother, Mrs. Peter Decker, of Rochester. She wore an orchid colored dress with a white corsage. Other out-of-town guests were from Rochester, Caro, Detroit, Birmingham, Lansing, Saginaw, Otisville and Roseville.

Mr. and Mrs. McRae left Sunday on a wedding trip to Niagara Falls after which they will go to their home on a farm south and east of Cass City.

June Ross Is Bride of Richard Porter

Rev. E. R. Werm officiated at the nuptial high mass at St. Columbkille's Church Saturday, June 25, at 10 a. m., when Miss E. June Ross, daughter of Mr. and Mrs. John Ross, became the bride of Richard Porter of Flint.

Bouquets of lilies, delphinium and roses decorated the church altars for the occasion. Edward Ross, brother of the bride, seated the 75 guests. Soloist was Mrs. Ray Tooney of Gagetown.

The bride chose a street-length dress of yellow dotted Swiss with matching hat. Her arm bouquet was of yellow roses and pink shattered carnations. The bride's sister, Miss Kathleen Ross, of Detroit, her only attendant, wore a similar costume of blue dotted Swiss. Her flowers were pink roses and yellow carnations. Kenneth Reno of Flint performed the duties as best man.

A wedding breakfast was served the immediate families at a local restaurant. The newlyweds will make their home in Chicago. The bride has been employed in Port Huron as a medical technician.

Guests were present from Port Huron, Detroit, Flint, Midland and Caro.

Miss Mitchell.
Mrs. Harry Mitchell of Decker announces the engagement of her daughter, Donna, to Otis Dorland, son of Mr. and Mrs. Otto Dorland, of Decker.

No date has been set for the wedding.

Interior Decorating

Interior decoration work has a bright future because "of the tremendous increase in building of homes since the war."

United Fund Goal May Reach \$2,000,000 Directors Told

With a recommended campaign goal of just under \$2,000,000, and the possibility of adding an additional 5 or 6 agencies to the 19 present members of the United Fund, the United Health and Welfare Fund of Michigan opened its plans for its second annual campaign by re-electing James M. Shackleton of Saginaw, president, at its annual meeting in Lansing, Thursday, June 23.

Other officers elected were: Vice presidents, W. G. Armstrong of Niles, C. L. Brody, J. M. Maynard, and Edward G. Hacker of Lansing, Harold McB. Thurston of Muskegon, Edward C. McCobb of Grand Rapids, R. B. Miller of Battle Creek, George A. Osborn of Sault Ste. Marie, and Dan Gerber of Fremont, and J. M. O'Laughlin, W. Calvin Patterson and August Scholle of Detroit. R. F. McKim of Lansing was re-elected treasurer. Clarence Myers of Caro was elected a director from Tuscola County.

In a report prepared by James K. Watkins, chairman of the admissions and budget committee, it was reported that all of the 19 present participating members of the fund had requested inclusion in the second campaign. He indicated that the committee probably would recommend the inclusion also of the National Foundation for Cerebral Palsy, Michigan Welfare League, Leader Dog League for the Blind, Epileptic Clinic, Sister Elizabeth Kenny Foundation for Polio and the Roscoe B. Jackson Memorial Laboratory for Cancer Research.

J. M. Maynard, state campaign chairman, reported that Michigan United Fund campaigns raised \$1,091,858. He pointed out that the job this year was more than a job of raising money, but also introduced a new idea. Average production of the campaigning counties, he said, was just over 80 per cent.

Thirty-four counties, representing 80 per cent of the state giving potential, actually organized for campaigns, he said.

HOLBROOK

Mr. and Mrs. Loren Trathen were honored at a turkey dinner at the Peter Rienstra home on their wedding anniversary, June 27. The table was decorated with a centerpiece of red roses, mock orange blossoms and blue and white streamers, also a wedding cake. Mr. and Mrs. Theodore Gracey and Glenna Moore were guests at the dinner.

Mr. and Mrs. Loren Trathen and Paul O'Harris spent the week end in Flint and attended the wedding of Paul's brother, Lyle O'Harris, and Miss Barbara Russ of Davison at the Court St. Methodist Church on Saturday, June 25.

Mr. and Mrs. Clifford Jackson and son, Robert, and Mr. and Mrs. Bud Gruber of Cass City spent the week end at East Tawas.

Mrs. Emerson Kennedy and daughter, Bonnie, visited Monday at the Theodore Gracey home.

Floyd Hill went to Flint Monday night where he will be employed at Buick's.

Mr. and Mrs. Ray Armstead of Detroit are spending some time at the home of her parents, Mr. and Mrs. Merrill Shagena.

Rev. and Mrs. Herbert Hitchens visited over the week end at the Wm. Nichol home and left on Monday for their new home in Florida.

Clare Barnes who has been on a trip to California came to the home of his sister, Mrs. Peter Rienstra, Tuesday evening.

Old Fluorescent Tubes Create Health Hazards

NEW YORK.—Industrial representatives have joined with New York city officials in issuing a warning concerning disposal of burned-out fluorescent lamps.

At a conference called by the department of health and sanitation, it was said that broken fluorescent tubes may create health hazards.

The tubes—of which 200 million are said to be in use throughout the nation—are reported coated on the inside with a phosphor which usually contains beryllium, a toxic substance.

It was said that skin cuts from broken tubes might cause a condition known as granuloma, a benign skin tumor. There also is a danger in inhaling dust from broken tubes.

The conference, including representatives of firms which manufacture the tubes, unanimously adopted this list of precautions for disposing of burned-out tubes:

- 1. Keep discarded tubes away from children.
- 2. Never break tubes or place tubes in incinerator or open containers in the street.
- 3. Deliver tubes directly to refuse trucks.
- 4. Should a tube be broken, sweep up fragments and wrap them in heavy paper. Never handle broken fragments without gloves.
- 5. If cut by a broken tube, consult a doctor at once.

Modern Man Declared Now Uglier Than Ever

GRAHAMSTOWN.—"Men have never been so ugly as they are today," says Prof. I. J. Rousseau of Grahamstown, who advocates communal exercises on the beaches and folk dancing to "restore the physique of the South African male."

The professor has campaigned against obesity for 15 years, describing the average male over 40 as "a comic, pot-bellied creature and a perambulating eyesore."

Women's figures have improved, he thinks.

Those who work solve problems that would paralyze a philosopher.

Oldest Scrolls Of Bible to Go To High Bidder

BALTIMORE.—Four leather-bound parchment scrolls, described by a Johns Hopkins university archaeologist as "the greatest manuscript discovery of modern times," will be offered for sale to the highest bidder.

He will have to be wealthy. The documents are the four oldest manuscripts of the Old Testament known to date. Valued at more than a million dollars, they were brought secretly to this country early this year.

Discovered by wandering Arabs in a half-closed cave by the Dead sea in 1947, the parchments contain the entire Book of the Prophet Isaiah as it appears in the Bible, a commentary on the Book of Habakkuk, and a manual of discipline for a Jewish sect.

Experts say they were written 100 years before Christ—1,100 years before the date assigned to the oldest Hebrew Bible scroll previously known.

Sale Date Soon
An authoritative source, who declined use of his name, said the treasure would go on the block shortly. It is owned by St. Mark's Syrian Orthodox convent in Jerusalem.

Dr. F. W. Albright, professor of Semitic languages at Hopkins and one of the nation's top archaeologists, first established the authenticity of the scrolls from photographs sent to him.

Since then he has examined the originals. He reported: "During the past few weeks any possible doubt about the age and authenticity of the scrolls has been removed."

He disclosed also that the documents were sent to the Metropolitan Museum of Art in New York. There chemists reportedly are working over one scroll whose condition has prevented its being unrolled.

St. Mark's was damaged badly in the recent fighting between Israeli and Arab forces in the Holy Land. It expects to get repair money from the sale of the manuscripts.

U. S. May Buy
The hope is that the U. S. Government may buy them. Among interested groups, however, is Yale University.

The find, whose worth to the Christian-Jewish world has been termed incalculable, was brought to America by Athanasius Yeshu Samuel, Syrian archbishop of Jerusalem and Trans-Jordan and Orthodox apostolic delegate to the United States.

The documents were already in the U. S., it was disclosed, when dispatches March 18 reported them hidden and guarded in Syrian homes to prevent possible damage or loss in Palestine fighting.

Dr. Albright believes that one of the scrolls—the one reportedly in chemists' hands now—is written in Aramaic, the tongue of Christ.

And, he declared, it may contain another Bible book—which would double the monetary value.

Magician's Spirit Falls Again to Manifest Self

COLUMBUS, OHIO.—The spirit of Howard Thurston failed for the 11th time to manifest itself to a long-time friend of the famed magician.

Claude Noble, Detroit, stood for one minute in the mausoleum where the body of Thurston lies and waited for the spirit of the magician to return.

As two newspapermen watched in silence, Noble stepped into the mausoleum at 12:30 p. m., recited the Lord's Prayer, and said: "Howard Thurston, I am here in response to our pact. If you can manifest yourself to me, do it now."

He then held aloft a photograph of Carveth Wells, explorer and friend of the sleight-of-hand artist who died in Miami at 12:30 p. m., 13 years ago.

Under the pact made between Thurston and Noble before the magician's death, the spirit of Thurston would have knocked the picture out of Noble's hand. But today nothing happened—just as nothing had happened in the 10 previous attempts.

Noble silently left the building and walked through the rain to an automobile.

Noble, who missed the date in 1947 and 1948 because of illness, said he would return next year to make another attempt. He said that should he die, the experiment will be continued either by Wells or magician Howard Blackstone.

Lazy Mothers Blamed For Bugs Bunny Faces

LOS ANGELES.—Mother, do you want your child to grow up to look like Bugs Bunny? It's happening, says a University of California professor. Dr. George W. Hahn told a meeting of 4,000 California dentists that laziness of modern mothers was producing more children with rabbitlike faces. Too many mothers, he said, like to sleep. They shove baby's feeding schedules too far apart.

"Like any other mammal, a child wants to nurse when hungry. If he can't nurse his mother, he sucks his thumb."

Thumb sucking, the doctor said, causes protruding teeth and facial deformity so that junior looks something like a rabbit.

'Woman' Fire Eater Unmasked, Revealed As Fugitive G. I.

BURTONWOOD AIR BASE, ENGLAND.—Donna, the "woman" fire eater whose act has been wowing British vaudeville audiences for the last three years, has been unmasked as an American GI deserter from Philadelphia.

United States army authorities said "Donna Deibert" of the English stage confessed "she" actually is Pfc. Deibert E. Hill of Philadelphia.

The rouged, beskirted Hill was arrested in a theatrical boarding house in Newcastle, England, and turned over to army authorities on charges of wartime desertion.

Hill told military police he went AWOL from his air force ground job in the summer of 1945, fearing he soon would be transferred to the Pacific theater for further war service.

It was a tip from a jealous girl friend that led to Hill's arrest. He was wearing a woman's blouse, slacks, nylons and shoes when taken into custody.

Police seized his female padding. They left behind three ducks which were part of his stage act.

At the Burtonwood base an army barber trimmed his shoulder length curly burnt locks to army specifications and shaved a day's growth of dark stubble.

The army also provided him with a green fatigue uniform and army brogans before locking him in a guardhouse cell. But he still sported plucked eyebrows and dainty, painted fingernails.

Brigade of Firemen Get Hefty Heifer From Well

CHILWORTH, ENGLAND.—Myrtle, a hefty heifer, fell into a cistern. It took a brigade of firemen to get her out.

Norman Ashworth was leading her across his farmyard to a truck. Myrtle was bound for market to become beef.

Her path crossed the cistern cover. She stepped on it. Her hind legs slipped through. The rest of her followed gradually. And there was Myrtle wearing the cistern like a girdle.

She was standing upright in several feet of water. Only her head was above the surface. Ashworth called the Surrey fire brigade. The firemen put a rope around Myrtle and pulled. Myrtle didn't budge.

The firemen pumped out the water. They dug a shaft alongside the cistern and tore down one wall. They put two sets of ropes on Myrtle and eased her out a hundredweight or so at a time.

Mrs. Ashworth looked fondly at the unperurbed Myrtle. "This has so endeared her to us," Mrs. Ashworth told reporters, "that we probably won't sell her at all."

Crawford, Mrs. Howard Helwig, Mrs. Harold Murphy, Mrs. Harold Wells and Mrs. John West.

Avoiding Decay

Since moisture in wood is essential to its decay, buildings should be designed to avoid the possibility of the wood becoming damp enough to decay.

HOLBROOK

Mrs. Alta Dobson entertained her sister, Mrs. Ray Thornton, and son, Budd, Saturday. Mrs. Mary McHugh returned to Detroit with her daughter, Mrs. Thornton, for a few weeks.

Mr. and Mrs. John Y. Brown went to Detroit last Saturday to attend the wedding of their son, Donald J. Brown.

Mr. and Mrs. John Gruber and Patsy called on their grandparents, Mr. and Mrs. J. Y. Brown, Monday evening.

Roger Guintner and Larry McClory of Cass City are making hay on the John Y. Brown farm near Holbrook.

"E" for Effort

Five professional wisecrackers sat discussing gags and cracks too dead ever to be used again. One asked whether anything could be salvaged from that old one: "Who was that lady I saw you out with last night?"

"They all fell silent, wiggling pads and pencils, thinking. In fourteen seconds this slip was tossed onto the table: "Who was that lady I saw you outwit last night?"

Safety Measure

"John," said the nervous woman, nudging her husband. "did you hear anything?"

"Yes, dear, it must be burglars."

"As he spoke he began to get out of bed."

"Oh, John, do be careful! Don't take any risks. What are you going to do?"

"Lock the bedroom door," was the firm reply.

He Knew

The recruit was causing his sergeant a lot of trouble.

Finally the N.C.O. went up to him and said sarcastically: "Do you realize you are the only one in step?"

"Well," said the recruit, "it's no good telling me—you'd better tell the other fellows!"

SCOOP!

Dumwiddy—Cheer up, old chap. No news is good news. Golladay—Not when you're running a newspaper.

SHOOTER SHILLED

An American had an invitation to a private shoot. Addressing the old gamekeeper, he said: "I'm one of the crack shots in the States. To-morrow you will be loading for me, and for every bird I miss I'll give you a shilling."

The following evening the gamekeeper met a friend and told him the story.

"If I'd had another blank cartridge," he said, "I'd have made just a pound."

Oregon Crops

Grain and hay crops occupy approximately 60 per cent of Oregon's cropland, and bring more cash to farmers than any other of eight groups of crops.

Wet Paint Kills Cattle
Wet paint on farm buildings and fence posts is dangerous to stock as the lead contained in making in many kinds of paint can kill cattle. While the paint is wet, animals are attracted to it because it contains linseed oil. It is important to keep stock away from wet paint and discarded paint buckets.

Winter Hint
California's blustery weather last winter inspired all sorts of gifts from more temperate communities, but the prize for dispatching the civic coup de grace goes to an Idaho hardware dealer. He air-expressed a snow shovel to the Los Angeles chamber of commerce. In return he received a gracious "Thank you."

Salad
For variety in salads, combine the cabbage with shredded carrots and a small portion of grated onion. Diced unpeeled apples, celery, and nuts combined with shredded cabbage make a delicious salad. Another favorite combination is green pepper, cucumber, and cabbage.

Horses and mules were responsible for half of all farm accidents caused by animals last year, according to a survey by the bureau of agricultural economics.

Painting Stairways
To paint a stairway which must be used while the paint is drying, paint every other step. Then when the first set of steps is dry, the alternate steps may be painted.

During World War II, all Manchuria was under Japanese military control, having been overrun in 1931 and reconstituted as the puppet state of Manchukuo. Together with neighboring Korea (in Japan's hands since 1910), this huge backland area served Nippon as an arsenal of food and strategic minerals.

Canning of Milk
The idea of preserving milk by concentrating it and heating it in sealed cans was brought to this country from Switzerland. Evaporated milk was first prepared commercially in the little country town of Highland, Ill., in 1885. It was only after several years of struggle and experiment that evaporated milk became a commercial success.

Akron citizens voted to bond that village for \$8,000 for the erection of a community building. E. A. Corpron of Kinde has purchased the hardware stock of the J. B. Cootes Hardware and inventory was taken the first of the week.

The Copland confectionery store in the Ricker & Krahling building has been purchased by Mrs. James Clark of Detroit.

A new oven with a capacity of 200 loaves and a bread mixer operated by electricity are new units which have been added to the equipment of the Doerr Bakery.

Miss Merub Neville has accepted a position as stenographer at the Cass City State Bank.

Leslie and Malcolm Whale left Sunday for Mt. Pleasant where they will attend the state normal college during the summer session.

Several members of the Bethel M. E. Church motored on Sunday to Leper to hear their former pastor, Rev. J. D. Young.

At a business meeting of the M. P. Church at Gagetown, Julius Fischer was chosen delegate to the annual conference at Gull Lake.

At a meeting Monday evening, the following persons were elected to serve as officers of the Cass City Fair: President, Joseph M. Dodge; vice president, L. E. Dickinson; secretary, John Marshall; treasurer, Edward Pinney; directors, Hugh Cooper, W. J. Schwegler and J. D. Tuckey. The churches of Cass City have planned to unite their evening preaching services during July and August.

Harlow G. Leavens, superintendent of schools at Dakota City, Nebraska, has been secured as superintendent of the Cass City Public Schools, at a salary of \$1,100.

On the farm of Matt Parker, west of Cass City, a Leghorn hen appropriated a "swarm" of four kittens two weeks old and mothers them to perfection.

Twelve Cass City merchants have contracted with H. P. Knisley of Chesaning for a union delivery service commencing about Aug. 1. Four deliveries will be made each day.

One-Story Home Grows in Favor

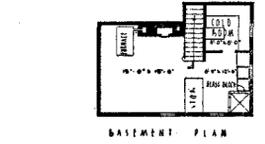

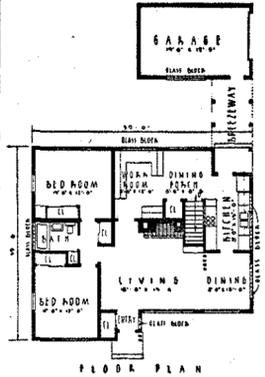

Plan Well Suited To Farmers' Needs

The one-story home with basement for the laundry storage purposes and the heating plant is growing in popularity.

Highly suited as a farm home because it eases housekeeping, its popularity is demonstrated by the number of ranch-type houses being built today in both rural and metropolitan areas.

The one-story and basement house pictured here offers features that justify the popularity of homes of this type. Planned as a farm home, it includes the conveniences of modern design found in city homes.

The narrow kitchen is accessible to both the dining area at one end

of the living room and to the dining porch. Sink and storage shelves are along the outside wall, with the stove and additional storage area on the inside wall. This arrangement provides numerous economies.

The work room is adjacent to the dining room porch but far enough from the living and bedrooms to confine disturbing noises. The two bedrooms, each with two exposures, contain ample closet space and are close to the bathroom.

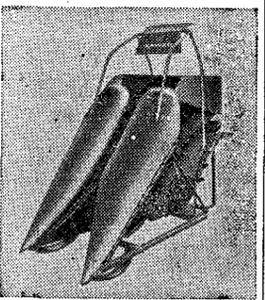

The garage is separated from the house by a breezeway, which can also serve as an outside porch.

The basement includes several features considered essential to comfortable living on a farm. It is entered from the back porch, eliminating this traffic from the living area of the home.

The cold room is ample for storage of glassed fruits, vegetables and other farm produce. Plenty of electrical outlets in this room provide current for a food freezing locker.

In one corner of the laundry is a shower.

Automatic Harvester

Another farm job is brought closer to complete mechanization by this automatic field forage harvester. Within a few minutes the corn harvesting unit can be substituted for the hay pickup attached to the basic machine. With hay unit, the machine automatically picks up hay from the windrow, chops and blows it into a trailing wagon for removal to mow or silo. With corn attachment, the machine sweeps along the row, cutting and chopping corn for silage.

Lice, Mange Top Pests Of Those Raising Swine

Two of the most common and harmful pests on hogs are lice and mange. If insects are permitted to feed on hogs, the animals will have stunted growth and be more subject to disease, says the University of Louisiana agriculture extension division.

Farmers are reminded that by controlling insects they increase the value of pastures and feed and thus increase their earnings.

Michigan Mirror

By Gene Alleman

During your leisure-time travel on Michigan state highways this summer, don't be surprised if you encounter miles of wornout roads. In fact, be surprised if you don't! The state three-cent gasoline tax and other revenue sources afford about \$36 million in road money for the fiscal year ending this June 30. That seems like a lot of money, but it really isn't so much, as Commissioner Charles M. Ziegler readily proves.

"From this amount \$700,000 are required for general administration, \$5 million for engineering and supervision, \$14 million for highway and bridge maintenance and operation, and \$500,000 to cover operating loss of state ferries at the Straits of Mackinac, says Commissioner Ziegler.

"This leaves a balance of only \$15,750,000 of state funds for highway and bridge, new construction and reconstruction, as well as to meet unforeseen emergencies not in our program such as the immediate replacement of three bridges which collapsed this year.

"The legislature has approved a budget item of \$2,500,000 to start construction of a double-ended ice-breaker ferry needed to handle adequately the increased traffic volume across the Straits of Mackinac, both winter and summer. Money spent on construction of this ferry must also come out of the funds available for highway construction."

Lack of finances do not permit the state highway department to provide for normal depreciation of its trunkline system of 9,400 miles. "We should be spending \$25 millions each year in order to take care of depreciation only," said Ziegler. "We still have about \$160 million of highway deficiencies today. Finances have not been adequate.

"From 1942 through 1945 regular highway construction was impossible because of war restrictions, but depreciation was stepped up by unprecedented traffic made necessary by wartime emergencies. Government statistics show that 78 per cent of all war production transportation in Michigan moved over Michigan highways.

"In 1946, immediately after the war, we expected to get our post-war construction programs under way. We could not do so because of the impossibility of getting cement, steel, new equipment and other materials. Therefore, we had four years of war, plus 1946, or five years when there was no new normal highway construction.

"Cost of Michigan highway work has risen steadily from 1941 through the war years to 1949. Today our highway costs are 110% above the costs of 1941. One dollar

today purchases less than one-half what it did in 1941.

"Two lane 22-foot pavements, which carried traffic satisfactorily in 1941, are inadequate to handle properly and safely the greatly increased volume. In 1941 we were building these normal two-lane pavements, including preliminary grading and drainage structures, for from \$40 to \$45 thousand dollars per mile. A mile of the same width of concrete pavement today, increased some in thickness and more heavily reinforced to stand the heavier industrial traffic, is costing about \$100 thousand dollars per mile.

"Ordinarily divided highways with a two-lane pavement in both directions cost about \$200 thousand dollars or more per mile in a rural section. Because of the number of railroad and street grade separations and the high cost of necessary right-of-way in Detroit, the 10 1/2 mile section of the Ford and Lodge expressways we are now working on costs around 6 1/2 million dollars per mile. The state must pay \$2 to match \$1 of federal aid for right-of-way purchases."

There is inflation also in highway use. Passenger car traffic is up nearly 25 per cent compared with 1941; industrial traffic is up 50 per cent. More heavy trucks and busses pound the pavements.

Commissioner Ziegler has favored the Good Roads Federation program for an increase in the state gasoline tax. He points out that Michigan is one of three states which has a 3-cent gasoline tax; that the average tax of all states on Jan. 1, 1949, was 5.7c per gallon; that since Jan. 1, 1949, a total of 14 states increased the gas tax load so that the average is now approximately 6c a gallon—double that of Michigan.

If all state roads are not ideal, just remember this: Better roads and higher taxes go hand in hand.

National Forest Wildlife
More than two million head of deer, elk, and other big game animals—or about one-third of the nation's total big game population—live on the national forests. The forests contain 90,000 miles of unposted streams and one and a half million acres of fish-producing lakes. In 1948 they played host to four and a half million hunters and fishermen.

New Corn Hybrids
Corn-breeding research is now being conducted at practically every state experiment station in the United States. New corn hybrids are being rapidly produced to fit the areas not yet planted with hybrid seed, and better yielding hybrids with greater disease and insect resistance are being developed for areas where hybrid corn is now being grown.

Thursday, July 7—Local 83 vs Bullis, 8 p. m. Hartwicks vs Shaw, 9 p. m.

Friday, July 8—Brinkers vs McConkeys, 8 p. m. Shaw vs Baldys, 9 p. m.

We are having some real softball games. Each time that these teams appear they show a decided improvement. Parsch's team needs a little more seasoning. Some of the plays made even confounded the umpires. I witnessed the theft of second and third base and then the runners turned around and stole back to second and first. Now I am waiting until they steal home in reverse.

Bake a Cake Appropriate for the Bride!

Wedding Plans

IF YOU'RE PLANNING to entertain after the wedding and make all the refreshments yourself, with just a little help, do consider a simple menu as the most effective means of doing it.

You'll probably have to cook in large quantity since many guests will be there. Time will have to be spent on the decorations. All in all, if you want everything to be perfect, it's best to have a simple menu which can be carried out more perfectly than a larger, elaborate menu.

FOR A LARGE wedding reception, a simple but effective menu goes like this:

- Assorted-Tiny Sandwiches
 - Potato Chips
 - Stuffed Olives
 - Salted Nuts
 - Fruit Punch
 - Coffee
 - Wedding Cake
 - Ice Cream or Ice Cream Mold
- The cake may be made in several layers of different sizes. If you desire a smaller cake, use three or four layers of the same size. In either case, make the cake and decorate it at least 24 hours ahead of serving time so that it can be sliced easily.

Here's a good recipe for a large cake. The filling and icing recipes follow:

- Six Layer Wedding Cake (Serves 16-18)**
 - 6 cups sifted cake flour
 - 6 teaspoons baking powder
 - 1 teaspoon salt
 - 1½ cups shortening
 - 4 cups sugar
 - 2 teaspoons vanilla
 - 1 teaspoon almond extract
 - 2 cups milk
 - 10 egg whites
- Sift together flour, baking powder and salt. Cream shortening with vanilla and almond extract until fluffy. Fold in sugar and blend until thoroughly mixed. Add sifted dry ingredients alternately with milk, in small amounts, beating after each addition until smooth. Beat egg whites until stiff but not dry and fold in gently. Pour into greased, waxed-paper lined pans and bake in a moderate (350°) oven for 30 minutes. This recipe makes six nine-inch layers.

- Lemon Filling (For 6 nine-inch layers)**
 - 2¼ cups sugar
 - ¼ cup cornstarch
 - ¼ teaspoon salt
 - 3 tablespoons grated lemon rind
 - 1 cup lemon juice
 - 1½ cups water
 - 3 eggs, beaten
 - 3 tablespoons butter
- Mix sugar, cornstarch and salt thoroughly. Add remaining ingredients in order given and blend thoroughly. Cook over boiling water, stirring constantly until thickened. Cool.

- Ornamental Icing**
 - 2 cups sugar
 - 1 cup water
 - 3 egg whites
 - ¼ tablespoon cream of tartar
 - ¼ teaspoon vanilla
 - ¼ teaspoon almond extract
- Boil together sugar and water,

LYNN SAYS:
Serve Salads to Sharpen Summer-Wilted Appetites
Tomatoes may be stuffed with seafood salad, mixed vegetables or egg salad for a salad meal that's complete.
Use this combination for fruit salad: melon balls, marinated in lime juice, white grapes, peach slices and pineapple spears.
Want a light fruit salad that's colorful to serve as dessert? Try fresh, diced pears, sliced bananas and red raspberries.

LYNN CHAMBERS' MENU

- Smoked Tongue
- Raisin Sauce
- New Potatoes, Boiled
- Creamed Spinach
- Hearts of Lettuce Salad
- Lemon Meringue Pie
- Beverage

without stirring, to 242° or until a small amount dropped from a spoon spins a thread. Beat egg whites until stiff but not dry and pour on hot syrup in a thin stream while beating constantly. Add cream of tartar, vanilla and almond extract and beat until thick enough to spread. Cover cake smoothly with a part of the icing and beat remaining icing until cool and stiff enough to hold shape when forced through pastry tube. When coating on cake has hardened, decorate as desired with remaining icing forced through pastry tube. If icing becomes too thick, add a few drops of hot water.

YOU MAY TINT some of the icing forced through the pastry tube a delicate yellow or pink if you want tiny roses for decoration. Also tint part of the icing a pale green if you want leaf decorations for the roses.

For the top of the cake, you may purchase a bride and groom decoration or a pair of lovebirds.

When setting cake on a platter, place fresh flowers all around the base of the cake, for decoration.

- Strawberry Punch (Makes 8 quarts)**
- 2 quarts water
- 1 cup granulated sugar
- 1 cup corn syrup
- 4 quarts strawberries
- 1½ quarts chilled orange juice
- 1 pint chilled lemon juice
- 2 quarts ginger ale
- 2 thinly sliced limes or
- 2 quarts lemon sherbet

Combine sugar, water and corn syrup. Bring to a boil. Add the washed, hulled strawberries and boil, covered, for four minutes. Remove, strain through a sieve, without pressing, and chill. Just before serving, combine with other ingredients. If using sherbet, place in scoops on top of punch in punch bowl.

- Coffee (Serves 25)**
- ½ pound drip grind coffee
- 4¼ quarts boiling water

Tie the coffee loosely in a fine cheesecloth or muslin type bag. If desired, mix coffee with one egg, including the shell, to which has been added a small amount of cold water. This will make coffee clear. Drop the bag in the water which is boiling in a large kettle. Cover the kettle and turn heat very low. Let coffee steep for 12-15 minutes. Remove bag and serve coffee as needed. This will give 25 people an average coffee cup serving.

Look into your garden for salad inspiration. Lettuce, spinach, radishes, carrot sticks and a bit of watercress, if you have it, make a delectable green salad.
Start a meal off with a salad to pep appetites; watermelon, honeydew and cantaloupe balls, pineapple cubes, red cherries and a topping of sherbet.
Lima beans left over from supper? Mix them with chopped sweet pickle, celery, sliced, stuffed olives and mayonnaise and serve for lunch.

ORDINANCE

An ordinance to license and regulate the operation of taxicabs or other motorized vehicles used for the transportation of persons for hire.

The Village of Cass City Ordains:

Sec. 1. No person, firm or corporation shall engage in the business of operating taxicabs or other motorized vehicles used for the transportation of persons for hire within the limits of the Village of Cass City without first having obtained a license therefor in the manner herein-after provided.

Sec. 2. Each person, firm or corporation desiring to obtain a license to engage in the business of operating taxicabs or other motorized vehicles used for the transportation of persons for hire shall make written application therefor to the village clerk in the form and manner prescribed by said clerk.

Sec. 3. The application for license required herein shall contain the following items together with such additional information as the village clerk may require:

- The full name, residence address and business address of the applicant.
- A statement as to the financial responsibility of the applicant or in lieu thereof, a sufficient showing that said applicant has adequate insurance for the protection of passengers to be transported, against any damages caused to such passengers for which the applicant may be liable.
- An application for a license under the provisions of this ordinance shall be accompanied by a bond to the Village of Cass City, approved as to form and surety by the village clerk in the penal sum of \$500.00 with sufficient surety or sureties, or sufficient collateral security, conditioned for the due observance during the time of the license of any and all ordinances which are now in force or may be adopted hereafter by the council or trustees of the Village of Cass City.
- The fee for each license issued under this ordinance shall be \$3.00 per year payable on July 1st of each year to the clerk of the village or at such time a license is granted under the provisions of this ordinance and on July 1st of each succeeding year thereafter. Such fees, deposited by the clerk, shall be credited to the village. Each license issued shall be in such form as the village council shall by its resolution prescribe and that a duplicate of each license issued shall be kept on file in the office of the village clerk.
- The village council shall have the right to revoke any license issued under the provisions of this ordinance upon proper cause being shown involving the health, morals and welfare of the community.
- No person shall drive or operate any taxicab or other vehicle covered by this ordinance unless such person is over the age of 25 and is legally qualified as an operator of a motor vehicle.
- The village council shall have the right to designate, by resolution, a stand or stands to be used exclusively by taxicabs or other motorized vehicles used for the transportation of persons for hire.
- Any person, firm or corporation who shall violate any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof by any court of competent jurisdiction shall be punished by a fine of not less than \$5.00 nor more than \$10.00, and the costs of prosecution, or by imprisonment in the county jail for a period not exceeding ninety days, or by both such fine and imprisonment in the discretion of the court.
- This ordinance shall take effect and become operative on the 15th day of July, 1949.

Adopted June 28, 1949.

CLIFFORD A. CROFT,
Village President.

WILMA S. FRY,
Village Clerk.

Rio de Janeiro
Named for a river that does not exist, the city of Rio de Janeiro is often called, simply, Rio; virtually never called by its full name—Sao Sebastiao do Rio de Janeiro. Spanish discoverers in 1502 mistook the wide bay for the mouth of a river, which they called River of January because they came upon it on January 1.

Disability
Average adult is sick 100 times during his lifetime; about 85 times with minor ailments and about 15 times with major disabilities.

Fairgrove Supervisor Died Suddenly

John N. McAlpine, 59, supervisor of Fairgrove Township for the past 16 years, died suddenly at his cottage at Thomas Beach on Saginaw Bay near Quanicasse Sunday following a heart attack.

Mr. McAlpine was born May 28, 1890, in Fairgrove Township and had spent his entire life in that township. He married the former Miss Iva Hall at Caro March 20, 1912. Besides being a member of the Tuscola County board of supervisors, he was a member and past master of the Fairgrove Masonic lodge.

Fire Prevention
Careless smokers and the careless handling of matches are responsible for more home fires than any other single common cause. Never smoke in bed, in the attic, or in the garage. Snuff out cigarettes before discarding them.

John Donnelly Died in Hinsdale, Ill.

John Donnelly, 61, of St. Louis, Mo., passed away Wednesday morning, June 22, at the Love Foundation in Hinsdale, Ill., where he has been for the past two months.

Mr. Donnelly was born Oct. 23, 1888, in Cass City and attended school here. At sixteen years of age he went to work for the Grand Trunk Railroad, and remained in their employ until he was chosen assistant to the grand chief of the Brotherhood of Railroad Engineers. He held this position at the time of his death.

In 1911 he was united in marriage with Henrietta Kapanga of Holland, Mich., and they made their home in Durand for many years.

Surviving him besides his wife are two brothers, William, of Cass City and Lloyd Donnelly; five nieces, Joyce, Mary, Grace and Joellen Donnelly and Patricia Donnelly Shaw, and two nephews, Charles and Lloyd (Bud) Donnelly. The funeral was held in Holland, Mich., and burial was in the Pilgrim Home cemetery of that city.

Valuable Cob
The cob of the corn has a definite feed value of its own for cattle. When it is wasted, feed is wasted. Corn cobs are worth half of their weight in shelled corn for fattening steers to the choice grade.
