

## Circle August 10 On Your Calendar With Red Pencil

That's the Date of the  
Big Home-Coming in  
Cass City

Get out the red pencil and circle the date of Thursday, August 10.

That's the date of the home-coming at Cass City sponsored by the Cass City Chamber of Commerce who have adopted "Never a Dull Moment" as the slogan for this great holiday. Preliminary plans were considered when Warren Wood, president of the Chamber of Commerce, conferred with the board of directors and members on Tuesday evening to discuss the program for the day.

There will be races for the youngsters, a decorated bicycle parade, baseball game, pony races, trained horses, free dance, amateur show, exhibitions in archery, swimming contests, tug of war between the Country Cousins and the City Slickers, prizes for the oldest lady, the largest family and the family coming the greatest distance to the home-coming.

One cannot predict where the program will end with all the suggestions pouring in, but it promises to be a big and thrilling day for Cass City. So get out the red pencil and circle the date—Aug. 10.

Here's a suggestion! When you write a letter to your friends add as a P. S. these words: "Don't forget the Cass City Home-Coming on August 10."

The next meeting of the directors of the board of commerce and all members of the organization is scheduled for Monday, July 17, at 8 p. m., at the Municipal Building. All are urged to attend.

## Cramton Recalls Amusing Anecdotes Of Politicians

After 18 years in Congress one gets to know many prominent men in the nation's history and can recall amusing anecdotes as well as witty sayings of these important people. Such was the experience of Louis Cramton of Lapeer and he entertained the Cass City Rotarians at their luncheon Tuesday when he gave a remarkable address on "Politicians Are Human."

In his talk he referred to William Howard Taft, Woodrow Wilson, Theodore Roosevelt, Warren Harding, Herbert Hoover, Chas. Curtis and others.

Previous to the program which was under the chairmanship of Louis Bishop, Rotarians stood several moments in silence as a tribute to William Miller, who died recently, and then sang "God Be with You till We Meet Again."

## Cass City Scouts Defeated Akron, 3-1

Cass City Boy Scouts defeated an Akron Scout baseball team here last Thursday, the score standing 3 to 1. Every Thursday under the sponsorship of Keith McConkey and George Clara, Scout leaders, the local team has a game scheduled.

The Rotary Club, sponsors of the Boy Scouts, voted Tuesday to purchase baseball equipment for the local nine.

The schedule for July is: Caro at Cass City on the 13th, Cass City at Unionville on the 20th, and Kingston at Cass City on the 21st.

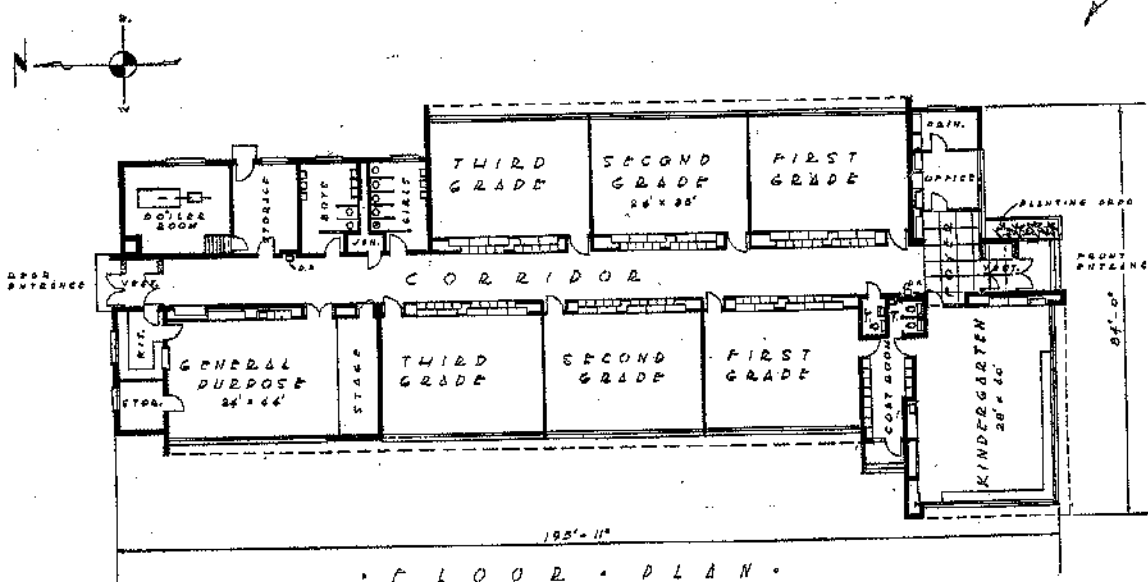

## BOARD OF EDUCATION ELECTED OFFICERS

Mrs. Edward Baker was elected president of the board of education Monday night. Lester Ross is secretary and Frederick H. Pinney, treasurer. All succeed themselves in office.

## OPEN HOUSE

All relatives and friends are cordially invited to attend an open house honoring the 60th wedding anniversary of Mr. and Mrs. G. E. Krapf Sunday afternoon, July 16, from 3 until 5 o'clock in the Evangelical United Brethren Church social rooms.

## Floor Plan of New Elementary School

Members of the board of education of the Cass City Public Schools, on Thursday, met with the architect who prepared the plans for the new elementary school here, the floor arrangement of which is pictured above. The plans with some minor changes were approved by the board. Bids will be received from contractors until 7:00 p. m. on Aug. 8 and it is anticipated that the structure will be enclosed by late autumn. Cinder blocks with brick veneer will be used for the outside walls.

The building which will have its entrance at the south end will be approximately 84 feet at this point

and will be 55 feet in width at the other end. The length is 196 feet. The school will be one story in height with the exception of the boiler room which will be approximately 1½ stories.

A convenient foyer will be to the left of the principal's office and waiting room. The foyer and toilets will have terrace floors. Asphalt tile will cover the floors of other rooms.

The kindergarten, 28 by 40 feet in size, will be a self-contained room with cloak rooms, toilets and drinking fountains and is connected with a room which will be used by a division of the first grade next year. In the event that the kindergarten needs more space in future

years, both rooms may be devoted to that class of pupils.

In addition to the kindergarten, space is arranged for two first grade; two second grade and two third grade rooms. Besides these seven class rooms, there will be a general purpose room, 44 by 24 feet in size, with a stage at the south end and a kitchen and storage space at the north. This room will be used for music, recess periods in stormy weather, art work and lunches.

Fluorescent lighting will be used in class rooms, corridor and offices as planned by the Detroit Edison Co. A sink and drinking fountain will be in each class room.

## Nearly a Thousand Killed or Hurt in State Each Week

Nearly one thousand persons are being killed or injured on Michigan highways each week, and speed is one of the principal causes, Cpl. James MacDonald, of the Bad Axe post of the Michigan State Police asserted today in urging motorists to cooperate in the present campaign to reduce the frequency of this most serious traffic offense.

"The slogan of the campaign, 'Speeders Lose,' has been well selected, for the records prove that speeders do lose," Cpl. MacDonald said. "Even when speed is not the direct cause of an accident it often contributes to its seriousness and means the difference between life and death."

"Not only was speed a factor in 500 Michigan traffic deaths last year, but it also was responsible for the serious injury of many of the 41,000 persons who were hurt in the 143,000 accidents that occurred in the state."

"Motorists should take heed of the fact that accidents are on the increase in Michigan. So are injuries and deaths. Many pleasure drives and vacation trips are ending in tragedy. The answer is that every driver, for his own sake as well as for the welfare of others, should drive carefully and alertly, and remember particularly that speeders lose."

Cpl. MacDonald also explained that where there is no specified speed limit, which is the case on most of the highway system, the state law provides that it is a violation to drive faster than conditions such as traffic, weather and time of day permit.

## Coaching Conference Attended by Locals

Mrs. Don MacLachlan, Miss Hollis McBurney, Mrs. R. A. McNamee, and Rev. M. R. Vender were in Alma on July 7-8, and Frederick Auten on July 7-8, attending a pre-laboratory school coaching conference in preparation for the third year cycle of the Presbyterian new church school curriculum.

This regional conference was held with some of the writers and editors of the curriculum together with other national staff leaders in preparation for servicing area conferences for coaching or briefing teachers and church school officers on the curriculum. The Flint Presbyterian area conference has been set for September 17, probably at Caro.

## Ben Franklin Store to Open Here Within Two Weeks

Otto Prieskorn Re-enters Mercantile Circles in Cass City

Otto Prieskorn, who sold his clothing and shoe business to Jack Hullen two years ago after conducting that retail business 14 years, has re-entered mercantile circles in Cass City. A sign in the store building says that a Ben Franklin 5c to \$1.00 Store will occupy the building vacated last winter as temporary quarters by the Pinney State Bank during the bank's remodeling process. It is expected to open the new store within two weeks. The structure has been remodeled in recent months by Fay McComb for Mr. Prieskorn.

The building which was 50 feet in length has been enlarged with a 38x35 ft. addition, making the whole structure 88x35 ft., all available for the merchandise stock received within the past 10 days, consisting of one entire railroad carload. The basement which is 88x35 ft. in size has been lowered 18 inches, making it 7½ ft. in height. It will be used for storing surplus stock.

Modern fixtures have been placed in the salesroom, fluorescent fixtures of a cool white type will light it and the floor is covered with asphalt tile. Bottled gas with blower will furnish hot air heat for the store.

## Rev. Donald Bates of Mayville County Red Cross Chairman

The annual meeting of the Tuscola County Chapter of the American Red Cross, held in the supervisors' room of the courthouse on Friday, July 7, attracted the largest number of members of any annual meeting in recent years.

Reports of accomplishments were given by the county chairman, treasurer, corresponding secretary, disaster chairman, and the co-chairmen of the 1950 fund drive.

B. H. McComb and Frank Chamberlain reported on their attendance at the National Red Cross convention held in Detroit recently.

Miss Irene Puhlman, field representative of the area office of the Red Cross in St. Louis, gave a very interesting talk, pointed out the seriousness of the present international situation, the part the Red Cross is expected to play to meet requirements of their charter obligations and the planning that must be done to provide for an efficient, smooth-working organization that can cope with any type of disaster that might occur.

Miss Susan Blackney, executive secretary of the Saginaw Chapter, was introduced and expressed her appreciation of being in attendance.

Mrs. Gerald O. DeBoer, executive secretary of the local chapter, reported the following activities for the local office in the past year. A total of 3,600 veterans or an average of 300 veterans per month requested some sort of assistance from the Red Cross. One thousand seven hundred seventy-four letters were received and 2898 letters mailed out. Ninety-two emergency telegrams were received and 74 telegrams dispatched. Two thousand two hundred eighty-six miles were driven to conduct the work of the office. Five hundred two hours or approximately 12½ forty-hour weeks since Oct., 1949, were devoted to unpaid overtime work on Saturdays, Sundays, holidays or evenings to expedite the operations of the office.

The nominating committee, consisting of Edwin Sheffer, as chairman, and Nicholas VanPetten recommended the following slate of officers who were elected:

Rev. Donald Bates, Mayville, county chairman; Nicholas VanPetten, Gifford, vice chairman; Harold D. Anderson, Caro, treasurer; John Turner, Caro, corresponding secretary; Mrs. Lois Jean Auten, Cass City, Junior Red Cross chairman; Harold Oatley, Cass City, first aid chairman; Charles Hunt, Caro, water safety chairman; B. H. McComb, Caro, disaster chairman; Donald Ellwanger, Caro, home service chairman; Gerald O. DeBoer, Caro, public information chairman; Edwin Scheifer, Vassar, Tuscola Twp. chairman.

The following committee was appointed to draft a set of chapter by-laws which would conform to

Concluded on page 6.

## Will Celebrate 60th Anniversary of Krapf Wedding

Mr. and Mrs. George Emanuel Krapf, who were married sixty years ago on July 19, will be honored at an "open house" next

Mr. and Mrs. G. E. Krapf.

Sunday afternoon from three to five o'clock. The observance of their wedding anniversary will be in the social rooms of the Evangelical United Brethren Church.

George Emanuel Krapf and Miss Amelle Kaiser were united in marriage in the Evangelical parsonage at Caro by Rev. George J. Kim on July 19, 1890, and resided on a farm one mile north and two and a half miles east of Cass City following their marriage. Three years later they moved to the 100 acre farm two and one half miles east and one quarter mile south of Cass City where they lived about 50 years prior to moving into their present home on East Houghton Street.

Mr. Krapf, the son of the late Frederick Krapf and Dorothea Benkelman Krapf, is a native of Elkland Township. He was born one mile north and one-half mile west of Cass City on September 20, 1867.

Mrs. Krapf was born in Gospiengen, Germany, on September 28, 1865, and came to Cass City in 1888 with her brother, the late William R. Kaiser, and sister, Mary, now Mrs. Samuel Striffler, of San Diego, California.

Both Mr. and Mrs. Krapf have been members of the Evangelical Church for more than 60 years. Mr. Krapf held the office of school treasurer in District No. 6, Elkland, for 20 years.

## New Block and Other Improvements On West Main St.

Two West Main Street business concerns are making improvements to their mercantile properties.

Mac & Leo Service will move their gas and fuel oil storage tanks from their station property on West Main to 1½ acres of land south of Cass City, purchased recently from Dorus Klinkman, thereby relieving the congestion on their retail property. Recently erected are two 15,000-gallon storage tanks on their Novesta Township land which added to that at their retail station will double the quantity which may be kept in storage. The two large tanks have been erected but piping connections are yet to be made.

Stanley McArthur and Leo Ware, partners in the Mac & Leo Service, have been in business six years and have built up a nice volume during that period.

Joe Frederick, who recently moved his appliance stock from a down town store building to his residence on Main Street, has a business establishment partly erected between his home and the American Legion hall. The salesroom will be 28 by 50 feet with an apartment above for living quarters. A warehouse, one story, 25 by 28 feet in size, joins the salesroom to the north. The building is constructed of cinder blocks and the owner expects to have it ready for occupancy by Sept. 1.

Building operations have been mostly a family affair. Joe Frederick, the owner, helped lay blocks until he fell from a scaffold and broke a rib. His father, Peter Frederick, a mason, has helped with the work and Raymond, 19, son of Joe, has laid many a block in the building operations.

Friendship is the only cement that will hold the world together.

## Lester Ross and C. M. Wallace Elected School Trustees

Balance on Hand for  
Year Ending June 30  
Is \$15,642.63

Mrs. Edward Baker, president of the board of education, presided at the annual school meeting of Dist. No. 5, Elkland, at which 17 voters were present on Monday night.

Lester Ross was elected trustee for a three-year term to succeed himself in that position. Cameron M. Wallace, who was appointed by the board of education to fill the vacancy caused by the resignation of Robert Keppen several weeks ago, was elected as trustee for a one-year term.

Harold Perry and Dave Ackerman were appointed tellers for the election and were sworn in as such officers by Notary Public Frederick H. Pinney.

The action of the board of education in transferring \$14,000.00 last year and \$11,000.00 this year from the general fund to the building and site fund was confirmed by vote of the group present Monday evening and the board was authorized to use as much of these amounts as may be needed in the elementary school project.

Treasurer Frederick H. Pinney reported total revenue receipts in the general fund to be \$198,023.65. Of this amount the principal items are: General property tax collections, \$16,401.42; primary money, \$8,538.66; state school aid, \$64,588.58; sales tax, \$10,482.78; Smith-Hughes and George Deen funds, \$3,248.33; advanced state aid, \$35,000.00; tuition (elementary), \$9,948.85; tuition (high school), \$27,368.23; amount received for transporting non-resident pupils, \$18,603.82. The balance on hand June 30, 1949, was \$14,572.64.

Total disbursements during the year were \$194,953.65 and the balance on hand June 30, 1950, was \$19,642.63. Principal items of expenditures of the general fund included general control (administration), \$10,790.73; instruction, \$111,668.09; transportation of pupils and maintenance of busses, \$19,729.74; health service, \$989.21; recreation activities, \$665.00; wages of janitors and other employees, \$5,792.55; fuel, electricity, water, etc., \$6,766.87; rent \$1,130.00; insurance, \$501.96; maintenance, \$9,165.36; transportation (busses), \$4,507.62.

In the debt retirement fund, the expenditures were \$23,000.00 paid on principal of bonds and \$1,572.50 as interest coupons on bonds. This finished the payment of all of the bonds issued at the time the present high school building was erected.

Superintendent of School Willis Campbell said next year's faculty would consist of 37 members, nine of whom have master's degrees. All full time high school teachers here have degrees. The school is on the approved list of the University of Michigan, the North Central Association and the College Agreement Association.

Mrs. B. H. Starrman, president of the Home and School Council, gave a brief report of the activities of that society since its organization during the past year.

## Mrs. I. K. Reid's Funeral Sunday

Mrs. I. K. Reid, 78, life-long resident here, died early Saturday in the Cass City Hospital where she had been a patient for eight days. Funeral services were held Monday at 2 p. m. in the Douglas Funeral Home. Rev. M. R. Vender officiated and burial was made in Elkland cemetery.

She was formerly Luella H. Dillman, daughter of the late James and Rachel Randall Dillman, and was born here June 16, 1872. She was married to Mr. Reid in 1890.

She is survived by three sons: Floyd of Cass City, Orris of Detroit and Glen of Belleville, two stepsons, Fred Reid of Royal Oak and Frank Reid of Cass City; two brothers, Chas. Dillman of Flea-Flo, Manitoba, and John Dillman of Cass City; and two sisters, Mrs. Myrtle Bingham of Kalispell, Montana, and Mrs. Harriet Boyes of Campbell, Calif.

Mr. and Mrs. J. D. Sommers; Mrs. Stewart Merchant and little son, Denny Joe, returned home last Thursday from a five-day vacation trip to Indiana. At Odon they visited in the home of Mr. Sommers' half sister and in Elkland with his brother and sisters.

Tip to motorists: Be your own watchman at railroad crossings.

**Notice to Our Customers and Friends**

Beginning July 24, we will give DAY AND NIGHT SERVICE THROUGH HARVEST, ALSO as a service to our customers we are passing along a recommendation given out by Michigan State College, a simple test for wheat, oats and barley for moisture content. Let's not get caught like last year.

A MOISTURE TEST FOR GRAIN

Wheat - Oats - Barley

Grain should not be threshed or combined when tough (carrying over 14% moisture). It is not safe to store when above 14% moisture.

The test is as follows: Obtain a cottage cheese box, a one-half pint ice cream box or a dixie cup with cap, then fill them 1/2 to 1/3 full of threshed grain or grain you have threshed from the head. (Be sure the grain is free of chaff.) Add 1/4 to 1/2 teaspoon of salt depending upon the quantity of grain and shake 200 to 250 times.

Pour the grain and salt out on a piece of paper. If the salt has clumped together the grain is too moist. If the salt is fine and granular, as it was when you added it, then the grain is O. K. for combining and storage.

The time of shaking is the important feature. The drier the grain, the more shaking it requires. Do not hold the grain too long in the hands as it may take up moisture.

If you use the ice cream box or dixie cup over again, wipe it out thoroughly with a dry clean cloth.

Be sure and test the grain several places in the field to get an accurate indication of the moisture.

We carry the largest stock of repairs in this territory.

### DEFORD

Annual Picnic of W. C. T. U.—

Once a year the ladies of the Deford Women's Christian Temperance Union have a picnic dinner, and games in the afternoon for all the children who come, so on July 7 about 60 men, women and children gathered at the home of Mr. and Mrs. Warren Kelley, east of Deford, for that purpose.

On the west lawn were two long tables, upon which were set many "goodies" to eat, and all enjoyed them, especially the ice cream with the cakes.

After the dishes were cleared away, the meeting was called to order in the house by the president, Mrs. Edna Warner. The group sang a song, and Mrs. Warner introduced Rev. Mr. Landrith of the Novesta Baptist Church, who then introduced Miss Victoria Garcia of Pontiac, who gave us a stirring message about the faith of Abraham and his leadership, and how we need that faith and leadership today. She gave her personal testimony, also singing a solo for us. She left us with this thought, "God Calls and It's Man's Privilege to Obey."

Mrs. Phyllis Churchill and Mrs. Warren Kelley conducted recreation for the children, following the program. Prizes were given and all the children received boxes of cracker jack.

A collection was taken to cover expenses and all left at a late hour planning to meet in August at the Burton Allen home. May we meet you there? You are welcome.

Friday will be the last day of vacation Bible School. A good number have been present. Sunday evening the children will give a program, showing some of the things they have learned. Our church is much in need of a new roof. Sunday evening is the time set to bring tithes and offerings in. It will all be a free-will gift. Anyone desiring to give, will be assured it will be used in the Lord's work.

A large number was out Monday evening at school meeting. Burton Allen was named as the new moderator in place of R. E. Johnson and Clarence Cox is the new trustee.

Marilyn Rayl returned to her home Thursday after spending nearly three weeks at her brother Arnold's home near Lapeer.

Earl Rayl, Sr., attended the Rayl reunion at the Akron park, Sunday afternoon.

Mr. and Mrs. Arleon Retherford and family spent the week end at Center Line with their parents, Mr. and Mrs. Norris Boyne.

Mr. and Mrs. Carl Knustos and Virginia of Birch Run spent Saturday evening with Mrs. Lena Curtis.

John Field and Warren Kelley have improved their houses by adding coats of paint.

Grant Pringle drove to Ypsilanti Sunday. Mrs. Pringle and son, Ronnie, returned to their home after spending two weeks with her parents, Mr. and Mrs. Glen Wright. Mrs. Wright underwent an operation recently.

Mr. and Mrs. Kenneth Churchill, Vernon and Janice, went to Saginaw Monday to see the Ringling Bros. Show.

Last Thursday, Mrs. John Pringle and Mrs. Clark Zinnecker and son were callers in Brown City. Mr. Pringle's sisters, Mrs. Jennie West and Mrs. Dena Bone-steel, returned home with them for a visit.

Sherry Lynn Bills of Caro spent from Friday to Tuesday with her grandparents, Mr. and Mrs. Kenneth Kelley. Mr. and Mrs. Bills were in Detroit.

### ENGAGEMENT TOLD

Mr. and Mrs. Ray Franklin of Deford announce the engagement of their daughter, Doris Mae, to

Doris Mae Franklin.

Mr. Leo Dean Karr, son of Mr. and Mrs. W. R. McKinley. No date has been set for the wedding.

### ELMWOOD

Arthur Ewald of Pontiac spent the week end at the George Sealey home. Mrs. Ewald is still confined in bed from the bruises she received in their accident last week. She is improving and hopes to be up shortly.

Mr. and Mrs. LeRoy Evans and sons and A. S. Evans called on Mr. and Mrs. Bert Evans on Sunday.

LASH FAVORED  
Teen-Agers  
Misbehaving

LONDON, ENGLAND.—Although it was outlawed years ago, the "cat" — a whip called a "cat-o-nine-tails" — is being looked upon fondly again by British officials.

The reason is that this once law-abiding country is suffering from a plague of teenage mobsters. They roam city streets singly and in gangs, London once was the safest city in the world. Even the city's most loyal defenders wouldn't make that claim to day.

The London bobby with his kilted hat and cheerful manner still patrols his beat with neither gun nor knife to protect himself and the citizenry.

Weapons of the young hoodlums and their girls range from razors to knuckle dusters, blackjacks and a peculiarly vicious instrument contrived from a bicycle chain.

The chain may have a short handle to be gripped by the hand, or one end with heavy tape beyond which is 10 to 12 inches of flexible steel lash. Even this weapon has been refined by London's teen age tough guys. They file the tip of the chain into jagged teeth.

Girls Also Join

Young girls sometimes join up with the young mobsters who go out to maim and rob for money, liquor and clothes. Some of the young girls of these gangs dress in the exaggerated rock style favored by our own young plug-uglies.

To a visitor returned to London after an absence of nearly 30 years, the criminal violence reported daily by the press is shocking, almost unbelievable.

It recalls the bad old prohibition days in Chicago or New York, but with a difference. These London mobsters really are just kids.

In the London of the early 1920's crimes of violence were few. Punishment was almost inevitable, and it was, without exception, severe. Hanging was the penalty for murder, and not more than one in 100 escaped it over a period of years.

For violent crime such as the slugging and maiming now so prevalent here, the penalty could be and often was the whip. The British whip was a cat of nine tails.

It was said with considerable evidence that a man once flogged with it would avoid a flogging of fives in the future.

The Socialist government which came into power here in 1945 was committed by its intellectual leadership to abolish both flogging and the death penalty for murder.

Hanging survived, but under conditions which make it considerably more likely now that a convicted murderer sentenced to die on the gallows will obtain the clemency of a life sentence instead. But the government did abolish the whip.

Clamor for Lash

There is a clamor in the United Kingdom now to restore the lash. The press largely supports the effort to resume floggings for violent crime. The letter columns of the newspapers indicate public support.

The battering day after day imparted of violent crime has persuaded of several British judges to appeal from the bench for authority again to sentence offenders to be whipped. The dispute has reached the house of lords, where the lord chancellor, Viscount Jowitt, announced that the Labor government would stand pat against flogging.

Lord Goddard, the lord chief justice, spoke for the British bar. He warned the government that if the crime wave continued the public demand for flogging would be overwhelming.

"Then it must be applied," he said. "I hope it will not be too late."

Viscount Jowitt's expectation that the crime wave will abate this year or next is not well supported by the available facts. There has been a steady increase in crimes of almost all kinds in Great Britain.

By Gene Alleman.

Easy credit and installment buying are proving to be pitfalls into public welfare relief. It is one of the principal causes of financial trouble which brings people onto Michigan relief rolls.

Howard DeSpelder, welfare director for Montcalm County, gave this interesting bit of information recently to newspaper editors of Montcalm County at Lakeview. It illustrates the many complications of modern living whereby sales promotion of retailers prompt some families to go into debt greater than their income. Since installment payments on these heavy debts leave nothing for living expenses, the families then apply for relief at the expense of the taxpayers.

The Montcalm welfare director blamed merchants for the unusual situation, and he appealed to retailers not to sell people things they could not pay for. Tightening of credit and installment buying privileges would result in less welfare cost, according to the Montcalm welfare director.

The cost of relief in this county in 1941 was \$12,371. Eight years later (1949) welfare costs rose to \$55,222. Since the year 1941 was one of general prosperity, the question naturally arises as to why welfare costs have mounted so substantially, more than 400 per cent in the eight-year interim.

The rising cost of welfare in Michigan prompted an investigation by a committee of the Michigan state legislature in 1949. Colin L. Smith, Republican of Big Rapids, was chairman of the special senate committee.

The committee recommended that the entire welfare system should be drastically revised and that restrictions should be placed

on county welfare departments in the interest of efficiency and economy.

In his call for the 1950 Special Session Governor G. Mennen Williams recommended that the Legislature impose penalties on welfare chislers. This recommendation was also made by the special senate committee, and one of the 1950 legislative enactments calls for severe penalties on any welfare official who aids and abets the welfare chisler. This act imposes on the recipient of welfare the responsibility to keep the welfare official informed if there is any change in his family income. Heretofore a family could continue to receive welfare aid after the breadwinner obtained employment and the practical need for aid had ceased.

Four other bills were adopted by the legislature although Attorney General Stephen J. Roth held that the bills were not germane to the Governor's Special Session call. These bills would require approval by the State Administrative Board before the Social Welfare Commission could pay more than 50 percent of any county's relief cost. The measure also prohibited county welfare boards from granting welfare until after an investigation had been made of the applicant's employment, marital and general economic status.

The state's total welfare program involved \$100,000,000 in the fiscal year just ended. The Social Welfare Commission asked for \$114 million for the new fiscal year (starting July 1, 1950.)

W. J. Maxey, state social welfare director, reports that "considerably more than half" of all welfare costs relate to illness or unemployment of the applicant.

During World War II industry would hire workers who were more than 70 years old. Also women who are involved in aid to dependent children cases were hired by industry during the War and also were the first to be fired when the labor market became competitive.

Maxey hopes that the Federal Old Age Insurance system, now being liberalized by Congress, and the growing pension plans of industry will combine to reduce Michigan's \$100 million a year welfare costs.

## GAGETOWN

Ray Toohy attended the funeral services Friday at Standish for a cousin, Archie Knight. Mrs. Harold Johnston invited several little friends of her son, James, to come to his home last week Thursday afternoon to help him celebrate his sixth birthday. Luncheon was served and games played.
