

14 to Be Inducted From Tuscola Co. On October 4

A full day is planned for 77 Tuscola County draft registrants who will report for pre-induction physical examinations in Detroit October 10. The men will undergo a series of thorough tests to determine whether or not they are qualified for service in the armed forces.

Tuscola County men will be taken by bus to Detroit's Fort Wayne, situated on the Detroit River, south of the downtown section of the city, where over 500 men are examined daily.

First stop upon arrival at the Fort is the gymnasium where names of examinees are checked off and each one is given a number which will be his designation for the day. It is here out-state men have advantage over those from Wayne County since they are examined first, enabling them to return home the same day.

Actual examination begins with an intelligence test given in the gymnasium building. Examinees are allotted 45 minutes to answer 90 questions pertaining to English, mathematics and mechanical aptitude.

Shortly after 10 o'clock the Fort cafeteria opens for the noon meal. Men are given time to eat between phases of the examination, with the bill footed by the government.

On the physical side of the examination, a staff of doctors check blood and blood pressure, heart, chest, muscular control, eye sight, hearing, teeth, weight and height. At the end of the examination the results are reviewed and the exam form is marked either "accepted" or "not accepted."

Examinees are notified of classification within ten days by their local draft boards. Twenty-one days after classification, they may be called for induction into the armed forces.

Of the 78 draft registrants from Tuscola County who reported for physicals Sept. 6, 14 will be inducted next Wednesday, October 4. They are:

Robert G. Britton, Caro.
Elmer Faust, Caro.
Harold M. Lane, Vassar.

Miss Addison Talks On English Gardens At W. S. C. Meeting

A day in September can be quite as perfect as a day in June, so say the members of the Woman's Study Club who gathered Tuesday afternoon in the lovely garden at the Maier home to hear Miss Muriel Addison describe English gardens.

The speaker explained that, though Britain is small, there is great variety in gardens because of the many kinds of ground and soil. One county, she said, which has low ground is called the Holland of Britain because of the fields of gorgeous tulips. Other places were noted for the beautiful roses, daffodils, geraniums and many other kinds of flowers. Miss Addison said the perfume and petals hold a message of summer beauty for even blind children who learn to distinguish the various species of roses by their fragrance. Sweet peas, which were first brought to England from Sicily in 1699, are found in abundance.

Miss Addison illustrated her talk with dozens of photographs including one of Sandringham House and Gardens, the home of the royal family, Buckingham Palace and the garden in which the poet Wordsworth composed the poem, "Daffodils."

"My Favorite Flowers" was the topic for roll call and it was evident that everyone present loved all flowers so much that it was difficult to make a choice.

The next meeting of the club will be an evening meeting with Mrs. Alice Nettleton as hostess on Oct. 10 and the topic will be "Vacation Journeys."

Little Tots Enjoy Fire Truck Ride

What's it like to ride on the back of a fire truck? You can ask any member of the Cass City kindergarten class for the answer or maybe even a few of their moms.

Tuesday morning firemen, Clarence Burt, "Baldy" Ellis and Fritz Neitzel picked up the tots and their teacher, Miss Jean Hutchinson, at the school and gave them a spin around town on the truck.

Mrs. Jack Knuckles, Mrs. Arthur Paddy, Mrs. Betty McLeod and Mrs. Cliff Ryan, who dropped by to take the children home, went along for the ride.

The children of the afternoon session were also given a Cook's tour of the village by the fire department.

Village Trustees Passed Air Gun Ordinance Tuesday

An ordinance relative to the use of air guns in Cass City was passed by the village council at their regular monthly meeting on Tuesday evening. The ordinance appears on another page of this number of the Chronicle.

Trustees voted to erect a street light on Leach St. between Garfield Ave. and Third St. and to construct a drain on Rose St. to Seeger St. for the school grounds.

A report of the swimming pool finances was read to the council. The following figures were given:

Expenses—
Perchlorine \$142.50
New fixture 98.88
Miscellaneous expense 83.50
Wages 878.25
Admission tax 70.68
Lights 77.50
Insurance 12.83
Village maintenance 150.00

Receipts—
Admissions 353.40
Red Cross classes 87.00

In the playground operation, expenses totalled \$482.93. Of this, \$382.93 went to James Wallace for wages and \$100.00 for sprinkling equipment. The Cass City School's payment of \$500.00 was credited to receipts.

Flood Damage Survey Progresses In Sanilac Flats

Representatives of the Army Corps of Engineers of the Detroit district office are making a flood damage survey in Sanilac flats, according to an announcement made Tuesday by G. B. Crumble, Chief, Special Investigation Section of the Engineering Division.

A detailed and exhaustive field canvass is being accomplished to determine the extent of flood damage experienced in the 1946, 1947, 1948 and 1950 floods along the Saginaw River and its tributaries. The object of the survey is to provide data on the basis of which it will eventually be possible to determine whether the Federal Government, on a cost and health basis, is justified in backing a general flood control project for the Saginaw Valley.

According to Lt. Colonel John D. Bristol, district engineer, all information on individual losses is confidential. Results of the survey will not be released until a final report has gone to the division office and the Chief, Corps of Engineers, Washington, D. C.

The general survey started in 1948 and field work has been completed in Vassar, Frankenmuth, Midland, Kawakawlin, Flint, Flushing, Swartz Creek, Owasco, Cornum and Shiawassee Flats. The two man field visits are now progressing in Sanilac Flats. Mr. Crumble is being assisted by William F. Russell in the survey.

Sanilac Co. O. E. S. Entertained

About 70 members of the Sanilac County Club of the Order of the Eastern Star were entertained Thursday afternoon, Sept. 21, by Elk Chapter, No. 273, Peck, in the Methodist Church at Peck.

Prayer was offered by Rev. Ben Hollis after which a potluck dinner was served, followed by the business and program.

The address of welcome was given by Worthy Matron Shirley McBean of Elk Chapter and the response was given by Worthy Matron Viola McDonald of Eastside Chapter, Port Sanilac.

Mrs. Viola Nichol, president of Washington Chapter, Brown City, presided at the business meeting which included the roll call of chapters, past matrons, past patrons, present matrons and patrons and past presidents.

The Deckerville Chapter with an attendance of nine was presented the traveling gavel. Washington Chapter, Brown City, received the prize money with an attendance of 11.

The group voted to send money to the Masonic Home at Christmas time.

The Minden City group extended an invitation to the club to meet with them during December when the annual Christmas party will be held. Each member is to bring a 50 cent gift.

The program was in charge of Mrs. Wanda Burns of Elk Chapter which began with organ music by Lois Kelly of Yale, past grand organist of the Grand Chapter of Michigan, O. E. S., followed by a vocal solo by Mrs. Robt. Burns, reading by Mrs. Ben Hollis and selections on the electric guitar by Mrs. Burton Bennetts. The meeting was concluded with group singing and the benediction by Mrs. Hollis.

Nurses' Meeting In Cass City Next Monday Evening

Letters of invitation have been sent to nurses in Sanilac County and those residing within the Cass City area, announcing that a meeting of the group will take place in Cass City on the night of October 2.

Arrangements have been made by the nurses for a chicken supper to be served at "Pete and Bea's" at 7:15 p. m. Reservations should be sent in by Thursday, September 28.

The speaker of the evening will be Miss Muriel Addison of Blackpool, England, who is a current visitor in the States.

Nurses who may not have received invitations to this social gathering are welcome to make reservations.

August D. H. I. A. Report Shows Seasonal Decline

The fifteen cow registered Holstein herd of Henry Opperman & Sons, Millington, was the high producing herd for August, says George C. MacQueen, assistant county agricultural agent. This herd produced 1280 pounds of milk and 44.6 pounds of butterfat. This was a considerable decline from the production of 46.5 pounds made last month by Rufus Wark's herd at Akron. According to the association tester's reports, the total cow days dry was considerably higher which is a seasonal occurrence and correlates with the fall freshening program, used by many dairy farmers.

Only two association reports were available for August. Tester Richard Hampshire of association No. 8 received his call from Uncle Sam late in August so that left the records of Jack DeSimpelare and Jack Rose.

High individual cow honors also went to Henry Opperman & Sons, Jean, a 3-year old registered Holstein, produced 2049 pounds of 4.0 per cent milk in 26 days for 82.0 pounds of butterfat. This cow freshened August 3.

The top cow finishing her 805-day record this month was a 4-year old registered Holstein of Howard Foster's of Fairgrove. She produced 14,931 pounds of milk and 543.1 pounds of butterfat.

The remaining herds that went over the 80-pound class were: Olive Frost, Caro, mixed herd, 936 pounds of milk and 40.9 pounds of butterfat; F. B. Otherson, Unionville, registered Holsteins, 1029 pounds of milk and 39.5 pounds of butterfat; Werner List, Vassar, registered Holsteins, 1243 pounds of milk and 39.1 pounds of butterfat; Rufus Wark & Son, Akron, registered Holsteins, 1210 pounds of milk, and 39.0 pounds of butterfat; John Horst & Son, Akron, registered Holsteins, 893 pounds of milk and 38.0 pounds of butterfat; Alton Reavey, Akron, registered Holsteins, 1244 pounds of milk and 38.2 pounds of butterfat; Roy Brown, Fostoria, Holsteins.

Girl Scouting Ready For Another Year of Activity in Cass City

Girl Scouting in Cass City is ready for another full year of activity. Over ninety girls are eagerly awaiting troop organization.

The first project this year will be to share with Boy Scouts and parents in an all-scout dinner to be held in the high school next Wednesday evening, October 4, at 6:30 p. m. Several awards earned by the girls will be presented at that time.

Each family attending the dinner is requested to bring its own dinner service and 15c per person. Everyone must try to be on time so the dinner may begin promptly at 6:30 p. m. and the youngsters may get home at a reasonable hour.

Mrs. B. F. Benkelman, Jr., announces that many of the former Girl Scout leaders and substitutes are returning to duty. These are Mrs. Don McLachlan, Mrs. Burton Lee, Mrs. Keith McConkey, Mrs. Steve Otto, Miss Jean Hutchinson, Mrs. Frederick Finney, Mrs. Jack Hullen and Mrs. Ralph Young.

However, since so many girls wish to participate in Scouting, it is necessary to enlist the aid of additional leaders for both the Brownie and Intermediate Scouts. It is hoped anyone desiring and qualified to assist in this work will contact either Mrs. Benkelman or the present Scout leaders.

The Girl Scout rooms over the library are almost ready for the girls. A new floor will be laid very soon with the assistance of Ray Fleenor and some of the Explorer Scouts. A new lavatory which was installed last year will be painted and the furnishings completed.

Cass City Loses First Conference Game to Vassar

Unable to keep a 7 to 0 lead at the end of the first quarter, Cass City lost to the Vulcans Friday night in the first conference game of the season at Vassar.

The Red Hawks scored two minutes after the kick-off on recovery of a Vassar fumble on the 6 yard line. Lee Hartel carried the ball from the one yard mark on the third play for the touchdown. Chet Dorland kicked the extra point.

Before the end of the period, Cass City came close to scoring again when Tom Schwaderer sprinted 40 yards for a first down on Vassar's five yard line. The ball was on the three yard mark for the second down when Vassar picked it up on a Cass City fumble.

A punt fumble in the second quarter gave Vassar opportunity to tie up the score 7 even when Ray Cobb, Paul Haines and Larry Armour took turns carrying the ball to the 2 yard line where Armour took it across for Vassar's first score of the game. Extra point was kicked by Bruce McClelland.

In the fourth period, Cobb carried the ball 15 yards around Cass City's right end, making the second TD for the Vulcans. McClelland again made the point good.

Tonight (Friday) Cass City will meet the Pigeon Panthers on the home field. Game time is set for 8 o'clock.

On the record so far this year, Pigeon defeated Owendale in the first game of the season Sept. 15 and last Friday they bowed to an impressive Harbor Beach squad 21 to 6. Four linemen and the entire 1949 backfield have returned to the Panthers this year, according to Cass City coach, Arthur Paddy.

Paddy said Cass City starters will be the same tonight as they were last week with the possible substitution of Frank Creason for right halfback Lee Hartel who suffered an injured hip shortly after he scored for Cass City against Vassar last week.

Richard Wallace is a member of Explorer Post 2194 of Cass City, and the son of Mr. and Mrs. Cameron Wallace. Jack Thorpe is a member of Explorer Post 2155 of Reese, and the son of Mr. and Mrs. Ambrose Thorpe. Explorer Scout William Jensen of Reese passed his Star Rank on the same night.

The district board of review was held by the district advancement chairman, Sam Anderson, of Caro. Other members of the board of review were Harold Outley of Cass City, Jack Gee of Caro, and Laurence Stein of Reese.

President of Legion Auxiliary Appoints Project Chairmen

At the regular meeting of the American Legion Auxiliary, held Monday evening at the Legion hall, Mrs. Arthur Kelley, the president, announced the appointment of chairmen of various projects for the coming year as follows: October, education of war orphans, Mrs. Everett Leishman; November, membership, Mrs. Jake Wise; December, rehabilitation, Mrs. James Seale; January, legislative, Mrs. Henry Tate; February, Americanism, Mrs. Robert MacKay; March, community service, Mrs. Alex Tyo; April, Pan American, Mrs. Tom Cottick and child welfare, Mrs. Raymond Kerbyson; May, poppy sales, Mrs. Harold Hulbert; June, junior activities, Mrs. Stuart Merchant; July, Girl's State, Mrs. Joseph Sommers; and September, music, Mrs. Jake Gruber.

Mrs. Alex Tyo was elected treasurer for the year in place of Mrs. Everett Leishman.

At the close of the meeting Mrs. Kelley and Mrs. Cottick served refreshments.

Bad Axe Drum and Bugle Entertains Infirmary Patients

The Sherman-Elvin Drum and Bugle Corps of the American Legion Post No. 96 of Bad Axe entertained patients at the Tuscola County Infirmary at Caro on Sunday afternoon, much to the delight of the infirmary group. Five organizations at Caro—the Allied Veterans Council, the Junior Red Cross, the American Legion Auxiliary to Theron Atwood Post No. 7, the Veterans of Foreign Wars Auxiliary No. 4154 and American Legion Post No. 7—made arrangements for the entertainment.

Following the program, Earl Laur, Jr., W. Clark Johnson and Harold Johnson, entertained the Bad Axe musicians at the Post Home at Caro.

Milsteadt pointed out that danger of enemy bombing would be sharply increased if Russia should openly enter the Korean conflict. He outlined the use of bomb shelters and what provisions should be kept there as well as where first aid stations should be located. Carl Howard of the Saginaw police department also addressed the group.

A first aid training program will be started in Caro this fall if a sufficient number of people will register for instruction.

Township representatives chosen at the meeting are: Fairgrove, Fred Rohlf; Freemont, Vaughn Tabbs; Gifford, Nick VanPetten; Indianfields, Frank Chamberlain and Mrs. Clayton Hamilton; Juniata, Mrs. R. L. Hill; Kingston, Roland Hampshire; Koylton, Donald Bass; Millington, Mrs. Wm. Hanlin; Novesta, Warren Kelly; Tuscola, Ed. Construction on New Grade School To Start Soon

Excavation for Cass City's \$150,000 grade school building will begin within ten days, according to Mrs. Ed. Baker, chairman of the school board. Site for the structure is next to the present high school at the end of Oak Street.

Original bids on the building which were opened last August put construction costs over the \$172,000 mark, but alterations negotiated through Warren S. Holmes, Lansing architect, have brought construction into range of the school budget.

A \$125,000 bond issue was sanctioned by voters last April and an additional \$25,000 is on hand in the building and site fund.

The school will be of brick veneer, with cinder block partitions, asphalt tile floors and sound proofed ceilings. Floors in the foyer, vestibule and lavatories will be of terrazo. Main entrance to the building is planned for the south side.

The Volmer Co. hopes to have most of the foundation work done on the one story structure before cold weather with completion slated for the 1951 fall semester.

Outlined Plan Tuesday Against Atomic Attack

Outlining a plan against atomic attack, Darrel Milsteadt of the sheriff's office in Saginaw addressed a meeting of the Red Cross in Caro Tuesday night. About 80 Red Cross workers were present.

Milsteadt said that Tuscola County would be one of the points of interception of enemy bombers en route to Detroit and other vital industrial centers in the event of a third world war. Although bombing of the area is not probable, he said, planes might be forced down here, with a full cargo of atomic explosives.

He listed the first three areas in the state most likely to be targets for enemy attack as Detroit, Midland and Sault Ste. Marie. Next in line would be Pontiac, Flint, Saginaw and Bay City, he said.

Milsteadt pointed out that danger of enemy bombing would be sharply increased if Russia should openly enter the Korean conflict. He outlined the use of bomb shelters and what provisions should be kept there as well as where first aid stations should be located. Carl Howard of the Saginaw police department also addressed the group.

TUSCOLA COUNTY EXTENSION OFFICE

The October meeting of the Tuscola County Soil Conservation District directors will be held in the courthouse on Monday evening, October 2. Plans for the annual event and annual report will be made in addition to the approval of farm plans completed and the acceptance of requests for farm plans.

The third growth or stand of alfalfa is very abundant in most cases. Farmers are reminded not to pasture or cut for hay unless absolutely necessary and then only later in the season. Good management practices would be to plow under the thick, heavy growth to help maintain or improve soil tilth and structure.

The Tuscola County DHIA board of directors will meet in the county agent's office on Friday evening, September 29, for a regular board meeting. Hiring of a new tester, discussing testing rates, and maintaining of the three associations now in operation are high lights on the agenda to be considered. The three associations are headed by President Alva Hillman of Cass City.

Representatives of the Saginaw Valley Regional Planning Commission will meet at Frankenmuth for the regular fall meeting on Thursday, October 5. Charles Manson of Vassar is a member of the commission's executive committee. Reports on accomplishments and recommendations of the commission will be presented. All persons interested in Saginaw Valley Flood Control programs are cordially invited to attend. The meeting will begin with a noon luncheon at the Zehnder's Hotel.

Sheepmen are reminded to get their fall rams at Ram Day at Michigan State College on October 2 or at the Thumb Sheep Breeders' Show at the Marlette Stockyards on October 5.

Tuscola County Agent Loren S. Armbruster and Associate Agent Gleason Rohlf of Huron County have been invited to meet with other agents from counties where Red Dane cattle organizations exist. The gathering will include O. E. Reed, Chief of the Bureau of Dairy Industry, Washington, D. C., and M. H. Fehrman from the U. S. D. A. Experimental Station at Beltsville, Maryland. The meeting will be held at Harrisville, Michigan, to review the progress made in the breeding of Red Danish cattle.

Data released by Timothy Hodge of MSC Agricultural Economics Department stated that it cost the dairyman \$3.37 to produce 100 pounds of milk during the month of July, 1950. The cost figure included feed, labor, operation, and estimated overhead expenses. This information was gathered from 55 dairy farms within the Detroit milk shed area.

Several members of the Wells Extension Group completed poly-plastic lampshades at a meeting last week.

A nominating committee was appointed at the September meeting of the Women's Extension Council. They will prepare a slate of officers for the election meeting in December.

The Tuscola County 4-H Council directors met for their fall quarterly meeting Monday evening, September 18. Seventeen council directors, husbands, and wives met at 7 p. m. at Hotel Montague for dinner and afterwards gathered at the Wilber Memorial 4-H Building for their business meeting. The council treasurer, Mrs. Fred Black, reported an income of nearly \$1000 from the drive conducted this summer, raising the balance to just over \$1500. Directors voted to make another \$1500 payment on the building, leaving only a \$1500 debt. Plans were made to rent the building for Women's Extension meetings, and to other groups. The council also decided to help sponsor a series of 4-H leader training meetings, and to meet again October 30 to help the 4-H Club agent check 4-H club records and choose the county honor roll.

Just sharpen your pencil—
and there you are!

ACROSS this broad land there are thousands of people who have been doing themselves a disfavor.

Seems they "just naturally assume" a Buick is beyond their reach—and so pass up the car they're really itching to own.

Now why "assume" anything as important to your happiness as a new car?

Why not see for yourself how delivered prices run—how close Buick matches your own budget—how frequently it is priced under some cars you may be considering?

Then—if there is a particular car in

mind—sharpen up your pencil a little.

Is it a six—or an eight, like Buick? If an eight, is it a valve-in-head eight? That adds a plus in efficiency, you know, even without the extra edge of Buick's Fireball power.

Will you ride on four soft coil springs, as in Buick—or on only two? Will the drive be through a sealed torque-tube that keeps the rear wheel assembly firmly aligned? It is in a Buick.

Do you get soft, low-pressure tires as part of the price—or as extras? Will you have bumper guards built as part of the bumper, or a one-piece cast metal grille that can be costly to repair or replace?

Does the price include air cleaner; oil filter; dual horns, windshield wipers and sun visors; an automatic dome light; self-locking luggage lid; a single key for all locks?

And is there an automatic drive, or one in which gears still shift in normal driving?

Yes, sharpen your pencil—and there you will be, in a Buick.

Whether it's a SPECIAL, a SUPER or a lordly ROADMASTER, you'll be driving the big buy of its price class, and getting a rich bonus of driving comfort, driving thrill and "fashion-first" styling.

But you have to make the first move. You are the one who has to find out. How about starting now—with a call on your Buick dealer?

*Dynaflow Drive is standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Kindergarten Has Many Little Folks

The following little girls and boys are potential members of the graduating class of 1952. Full-fledged members of the kindergarten are enjoying half of each day with their genial teacher, Miss Jean Hutchinson. Tuesday was an important day for the children when their pictures were taken for the school annual.

The morning group are rural pupils and are as follows: Gerald Atkinson, John Bohnsack, Douglas Britt, John Crawford, Richard Emmons, Billy Hutchinson, Marvin Irwin, Edward Knight, James Knuckles, David Perrott, Dickie Reid, Charles Sealey, Brewster Shaw, Ian Stirtor, Judy Ann Ball, Suzanne Barnes, Linda Bigelow, Joan Connolly, Ardis Cummins, Wilma Goodall, Marguerite Hahn, Chesterine Kloc, Sherry Law, Cheryl McLellan, Joanne Miljura, Karen Powell, Mary Otis, Nora Jean Schenk, Jeanne Rolston, Ruth Anne Willis and Lettie Doughty.

Members of the afternoon class are: Michael Bryant, Robert Freiburger, James Fritz, James Huff, Kenneth Hurd, Kenneth Kessler, Gary Lee, Richard McNeil, James Merchant, Charles Peasley, Gerald Rose, Leslie Schram, Duane White, Linda Ashmore, Katherine Ballard, Linda Dickinson, Candace Franklin, Carol Ann Fritz, Virginia Gross, Betty McAlpine, Jane MacLachlan, Janice Parker, Veronica Rutkowski, Ellen Kay Watters, Joann Zawilinski and Kay Mark.

Honor Bride-Elect With Two Showers

Miss Caroline Irene Ward, bride-elect of Flint, was honored at two showers recently. The first one was given in the home of her parents, Mr. and Mrs. William Ward, southeast of Cass City, on Saturday evening when Miss Esther VanNorman and Mrs. Virgil VanNorman of Shabbona were hostesses. A cupid in the person of Janet Caister presented to Miss Ward ten very beautiful and useful personal gifts.

Mrs. Clara Weatherhead of East Wood Street, Flint, opened her home for the second shower for Miss Ward Monday evening. Miss Edith Carpenter, Miss Mary Bird, R. N., and Miss Pearl Weatherhead, R. N., were co-hostesses. The house was decorated with multi-colored floral arrangements and the gifts to the guest of honor were of linen.

Guests at the affair included registered nurses, practical nurses, office employees and a policeman's wife. Also attending was Mrs. William Ward of Cass City.

Miss Ward will become the bride of James Karr of Flint Saturday evening, October 14. He is the son of Mr. and Mrs. Ervin Karr of Cass City.

The Shabbona Methodist Church will be the scene of the 8:30 o'clock candlelight service. The bride-elect has asked Miss Esther VanNorman to act as one of her bridesmaids.

Achievement Day Set for Nov. 2

The September meeting of the Tuscola County Women's Extension Council was held last Wednesday in the county courthouse. Achievement Day has been set for Thursday, November 2. It will be held in the new school building in Millington. All extension women and friends are invited to attend. A style show of fashions from by-gone days is planned for the morning session, and an outside speaker will be featured in the afternoon.

Advertise it in the Chronicle.

A committee of Mrs. Robert Beyette, Caro group; Mrs. William Gardner, North Almer group; and Mrs. James Campbell, Ellington group, was appointed to work out a budget for 1951.

It was reported that a check for \$37.10, the balance of the Wilber Memorial Fund, had been turned over to the 4-H Council. Signs directing the way to the Memorial Building and a blackboard for the building had previously been purchased from the fund by the Women's Extension Council.

Home Fires Will Strike One Family In Every Hundred

There is one chance in a hundred that there will be a fire in your home this year.

That is the warning given by the National Board of Fire Underwriters, which has just issued a new booklet that takes home owners on a tour of their homes, in search of fire hazards.

Issued to help Americans cut down their yearly total of 400,000 home fires, the booklet is titled "The Fire Safe Home." It supersedes another booklet of the same title, more than 2,000,000 copies of which were distributed.

"It doesn't take a detective to discover a fire hazard," the new booklet points out, and then reviews the hazards to be found in each room of the home. In each case, advice is given on methods of removing the hazard.

Copies may be obtained free from the National Board of Fire Underwriters, 85 John Street, New York City.

Insulation Cuts House Heat Loss

If you want to cut down on heat loss this winter, insulate that farm home of yours, say Michigan State College agricultural engineers.

Insulating and weatherproofing have numerous advantages. The main reason for keeping in the heat is to save fuel. However, by keeping in the heat, you make the home that much more livable.

Other advantages of insulating and weatherproofing are increasing the re-sale value, sometimes helping fire prevention, and extending the life of the house.

REV. D. M. WESSMAN GOES TO BAD AXE CHURCH

Rev. Duane M. Wessman preached his farewell sermon at the Assembly of God Church Sunday. He has taken over the pastorate of the Bad Axe Church of that denomination and with his family expects to move to Bad Axe in the near future from the home of Mrs. Walter Mark, their present residence.

Tuscola United Health and Welfare Drive Oct. 17-31

Tuscola County's United Health and Welfare Fund Drive will be held from October 17 to 31. This will be at the same time as the drives in the other counties of the state and the Detroit Torch Fund. This was decided at a meeting of the executive board and budget committee last week.

The county quota of \$16,042 can be reached this year, the committee feel, with the experience gained last year and a more complete organization. The Michigan United Health and Welfare Fund is an organization set up to make one solicitation a year in an effort to cut down on the number of independent fund raising campaigns.

The executive committee and the budget committee of the Tuscola County is made up of the following people: C. R. Myers and George Biech, county co-chairmen; Marion Peacock, secretary; Alex Marshall, treasurer. Other members are Conrad Mueller of Richville; Howard Slatter, Tuscola; Charles Manson, Vassar; Mrs. Margaret Willis, Vassar; Clara Maers and Ralph Freeland, Fremont; Dr. Delbert Rawson and Willis Campbell, Elkland; James Gallery, Indianfield; Steve Glaza, Millington; Mrs. Ted Schmidt, Columbia; Adolph Kamm, Denmark; Reid Kirk, Fairgrove; Truman Ackerman, Akron; and Ken Kerr, Indianfield.

The committee added to the list of state wide agencies, the County Girl and Boy Scouts agencies and agreed to spread the township quotas on a population basis according to the new 1950 census.

The state-wide organization approved the following agencies and requests Tuscola County's support as follows: Michigan Heart Association, \$968; Michigan Chapter of Arthritis and Rheumatism \$927; United Cerebral Palsy \$436; Multiple Sclerosis Society \$325; Leader Dog League for the Blind \$137; Pathfinder Guide Dog, Inc., \$123; Michigan Epilepsy League, \$119; American Social Hygiene, \$131; Cancer Research, \$128; Michigan Hearing Association, \$86; American Hearing Society, \$42; National Health Nursing, \$62; Associated Services for the Armed Forces, \$1190; Michigan Welfare League \$124; National Social Welfare \$89; Family Service \$81; International Social Service \$84; American Federation of International Institute \$17; National Probation and Parole Association \$84; Child Welfare League \$51; National Child Labor Committee \$23; National Urban League \$50; National Travelers' Aid Association \$48; National Federation of Neighborhood Centers \$32; and the National Legal Aid Association \$11. The total asked of the above agencies is \$7,783.00, and the committee agreed to ask for \$900 for Girl Scouts and \$6,155 for Boy Scouts, organization for county wide services.

Following are the amounts to be asked for from each township in this fall's drive:

Akron \$738; Almer \$673; Arabela \$618; Columbia \$660; Dayton \$361; Denmark \$860; Elkland \$1,093; Elmwood \$511; Ellington \$329; Fairgrove \$745; Fremont \$772; Gilford \$447; Indianfield \$2,632; Juniata \$407; Kingston \$460; Koylton \$328; Millington \$940; Novesta \$414; Tuscola \$494; Watertown \$496; Wells \$815; Wisner \$394; Vassar \$1,472.

GAGETOWN

Mr. and Mrs. Bernard Craves and children of Bay City spent the week end with Mr. and Mrs. Sherwood Rice, Jr.

At the dog show, sponsored by the Caro Conservation Club on Sunday, Sept. 17, Vistor Rocheleau won grand champion on his English Pointer male dog, also first prize on his male Pointer. Harold Johnson received a blue ribbon on his female Buff Cocker Spaniel.

Roy Strong had the misfortune to fall in his home Saturday evening, Sept. 23, and break his left collar bone. He was in a hospital for three days and is now convalescing at the home of his daughter, Mrs. Thomas Quinn, Jr.

The Altar Society of St. Agatha's Church held a special meeting Sunday for the election of officers and the following were elected: President, Mrs. Wm. Martus; first vice president, Mrs. Norman Pine; second vice president, Mrs. Vincent Wald; and secretary-treasurer, Mrs. Leslie Munro.

Clare Haines of Caro is constructing a building for housing implements on the site of the old lumber shed which he purchased from the American Legion recently. The building is 60 feet long and 80 feet wide and is built of cement blocks with a red brick front facing. He is contemplating to erect another building in the rear of this one.

Mrs. Joel McDermid of Pontiac visited friends in this vicinity the first of the week.

Floy Ashmore celebrated her 12th birthday Saturday, Sept. 23, by entertaining fifteen of her girl friends. The afternoon was spent in playing games and horseback riding, after which lunch and birthday cake were served. She received many lovely gifts. Floy presented each guest with a corsage made with flowers from her 4-H flower garden.

HOLBROOK

Church News — The first quarterly conference of Ubyly, Argyle, Cumber and Holbrook Methodist churches will be held at Holbrook this (Friday) evening, Sept. 29, at 8 o'clock. Rev. Ray E. Willson will be in charge of the meeting. Potluck lunch will be served by the ladies of the four churches.

Sunday evening at 8 o'clock at the Cumber church there will be Communion services. You are invited to attend.

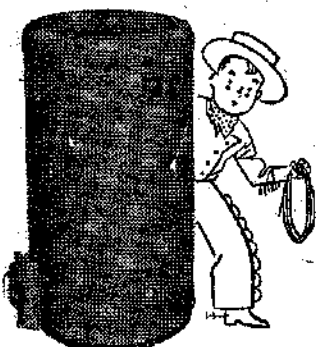

Sunday evening a fine program was given at the Ubyly church with the children in charge and Mrs. Ethel Ross as special chairman. Eighty-three were present. Ice cream and cake were served after the meeting.

Mr. and Mrs. Leslie Townsend of Cass City visited Monday at the Clifford Jackson home.

4-H Club Leads Way In Fire Prevention

Because of the ever present threat of farm fires and the damage caused by them, Farm Fire Prevention Week will be held throughout Michigan, as well as the nation, from October 8-14.

Realizing the threat of fire, several members of the Martinsville, Wayne County 4-H Club have already been working on fire prevention projects, and have created a large scale interest in the prevention of fire in their community.

Members of the organization interested in the subject kept scrap books, listing the causes of fires and methods of prevention. Trips were made to all 4-H Club members homes for fire checks.

Members found faulty chimneys, bad wiring, and numerous other possible fire causes. All were labeled with red signs as fire hazards.

To further promote fire prevention the Martinsville 4-H Club had an Achievement Day display

at the club's annual Spring Achievement program, where each member was awarded a blue ribbon.

Because members learned their lessons thoroughly in the prevention of fire, a car and garage were saved from being burned. While a Martinsville resident was repairing a car in his garage a wrench hit a hot wire and set the carburetor afire.

Several 4-H'ers spotted the smoke and ran to the garage where they pushed the car out into the open. They immediately went to work shoveling sand on the fire thereby putting it out. The group has also been instructed in controlling grass fires.

Michigan Mirror

By Gene Alleman.

Baseball, war and politics crammed front pages in Michigan this week. There'll be another world series next year, but no second chance in Korea.

Now it can be told. This year saw the biggest primary turnout (900,000 voters) since 1940. What would happen to baseball if spectator participation reflected such apathy.

But the coming election will get its share of news space in the next month. Both sides are lining up for a slugfest, with the G. O. P. recognizing the heavy Democratic turnout as a call to arms. Both major parties are treading lightly. An error now might reveal a chink in political armor for the opposition to hammer.

When the new state legislature convenes Jan. 1, it will again take time for them to get acquainted. There will be 42 changes.

Sure sign that fall has arrived is the return of children to school—and a lessening of the now annual polio epidemic. Experts report a "better year" in combatting the crippling disease.

Housewives are getting a surprise now that chilly, meat-eating weather is back. While they served cold cuts and potato salad this summer, roasts, chops, and even poultry jumped a few cents in price. And eggs are going up even faster despite the fact that the U. S. Grade A egg production in August was the highest on record for the month.

But sugar may go down, officials in the industry state. U. S., European and Cuban crops were highest on record this year. Many a housewife may find herself sweeping around that 50-pound sack in the basement.

Farmers also are coming into the state spotlight over the oleo referendum this fall. The fight for ready-colored oleomargarine has raged for a year now. Both dairy and margarine interests are confident of victory—both are beating the bushes in these last weeks before the people decide the issue for them.

Since the Korean war has taken a turn for the better, the news that half of the Michigan men called for pre-induction examinations have been rejected is not so disheartening. Of 18,384 examined, 9,502 were rejected.

Relief for those inducted—draftees and recruits can forget their bills. While in the service not even income tax evasion can be prosecuted and the servicemen's family cannot be evicted for non-

payment of rent without a special court order.

But if the serviceman gets to Korea he may miss out on his beer ration—at least if the Temperance league of America has its way. This group recommends giving the combat boys fruit juices and soft drinks instead.

While more profit taxes are boomed in Washington, the echo can be heard in Michigan. State Controller Robert F. Steadman says the state had a \$45,673,724 operating deficit during the fiscal year ending June 30. He says that only by new taxes can the state overcome this deficit position.

But Michiganders are saving their money. At least bank deposits in the state went up five percent last year making a total of more than five billion dollars as of last December.

War officially has come to Michigan's industry now. Ford and Cadillac have announced they now have war contracts—first large contracts to be let in the state.

Hand in glove with war contracts goes the labor problem. The U. S. Labor department is urging employers to consider physically handicapped workers. Perhaps now handicapped World War II veterans will find a place in this new crisis.

A committee has been formed in the state to push the \$65,000,000 bond issue (to be on the November ballot) which would authorize the state to borrow money for construction of mental and TB beds. Name? Michigan Citizens Education Committee on Bond Issue for Mental and Tuberculosis Patients.

A four color map of "Historic Michigan" will be ready for distribution early in 1951, according to the state historical commission. The map has been three years in the making and goes to the printers soon.

SHABBONA

Shabbona Extension Club—

The Shabbona Extension Club met Friday night, Sept. 22, when members entertained their husbands. Games were played by the group and enjoyed by all. Lunch was served family style. Mr. and Mrs. Cliff Ferguson were each presented with an appropriate gift. They will be moving to their new farm with the best wishes of the club. The next meeting will be held in the home of Mrs. Clara Auslander on Wednesday evening, Oct. 4, at 7:30. The lesson on "Legal Phases" will be given with Mrs. Clark Auslander and Mrs. Harold Peters as leaders. Visitors are always welcome.

The want ads are newsey, too.

The Korean situation should give other nations a good lesson on how democracy works in a crisis. One day both Democrats and Republicans criticized each other freely; while the following day, alert to a common danger, party lines fell, prejudices vanished—unity was all that counted.

Summer must be almost finished again, judging from the appearance of football stars' pictures on sport pages.

Homemakers' Hints

by Pat Morley

Today, a surprising number of homemakers are finding the way to have comfortable, really attractive homes at lower cost. The answer? The roomy old farmhouses just outside of town... the cottages at nearby lakes that can be bought for very little. A little ingenuity

—a wall knocked out here, new paint there—turns these bargains into beautiful year-round homes. First consideration, however, should be the right working equipment for the home—a convenient kitchen and bathroom, electricity, of course—and the right heating equipment. Many homemakers are discovering a new fuel oil heater that may be placed right in the living room—matching other furniture designs—and heating the entire home inexpensively and very efficiently.

The heater is called Duo-Therm giving thrifty, clean and work-saving oil heat in homes without basements or central heating plants. It has a Power-Air Blower which circulates heat throughout the rooms and a thermostatic control for heat regulation.

One reason why this efficient heater is so popular is that it's designed just like fine furniture. There are Sheraton and Hepplewhite and Chippendale Models for traditional rooms... and smart blond designs for modern rooms, each of them actually resembling a smart looking console.

There are styles for every purpose—for warm heating comfort in a trailer or a six-room house. No wonder so many homemakers—both in the city and in the country—are depending upon this economical, really thrifty way to warm homes in winter!

We'll know the day of miracles has returned when this country gets into war and the taxes don't go up.

An announcement by Henry J. Kaiser

The Henry J...the lowest-priced car in the low-price field.
\$1299.
Delivered at Willow Run with federal taxes paid. Only white sidewall tires, deluxe bumper guard and local tax (if any) additional.

The most important new car in America!

Here today... The

Henry J.

Available in two models: Henry J (as illustrated above), Henry J Deluxe (six-cylinder at additional cost).

Important because...it's Smart! Smart to look at... smart to own! Notice the extra-wide doors...front seat 58 inches wide...head room and leg room galore! And—look! The back of the rear seat folds forward, giving you 51 cubic feet of storage space, almost double that of the largest sedan trunk compartment!

Important because...it's Tough! Husky, Double-Channel Frame, reinforced like a steel bridge! The rear axle Hypoid geared, as in most expensive cars. Extra-wide windshield and windows give you the largest vision area in any low-priced car...short turning radius permits the easiest parking.

Important because...it's Thrifty! You get 30 to 35 miles per gallon from the quiet, responsive Super-sonic Engines. (Henry J—4 cylinders, Henry J Deluxe—6 cylinders.)
Lower first cost...lower maintenance...lower repair bills...lower insurance...lower operating cost. Your savings, in just two years, can more than total the down payment on the Henry J.

Mrs. Budd Luther stayed for an extended visit with her sister-in-law, Mrs. Clara Streeter.

Mrs. Alma Streeter, who has been visiting Mrs. Clara Streeter, returned home with them.

ORDINANCE NO. 44.

An Ordinance Relative to the Use of Air Guns Within the Limits of the Village of Cass City.

The Village of Cass City Ordains:

Section 1. An "Air Gun" is hereby defined as any gun which shoots a projectile either by means of air pressure or spring.

Section 2. It shall be unlawful for any minor under the age of 18 years to use an air gun, except at a target range approved by a committee appointed by the Village President acting with the town marshal. Any police officer shall have authority, and it shall be his duty to confiscate any air gun being used by any such minor within the limits of the Village of Cass City, except as herein before set forth.

Section 3. It shall be unlawful for the parent or guardian of any such minor in his charge or custody to knowingly permit any such minor to use an air gun, except as herein before set forth.

Section 4. Every parent or guardian of a minor under the age of 18 years shall be liable for damages for any and all injuries to persons or property, that may be caused or result in as a result of the use of the air gun as defined in this act, such damages to be determined and collected in appropriate legal proceedings, in which proceedings any failure or refusal by such parent or guardian to comply with the requirements of this ordinance, shall constitute prima facie evidence of negligence.

Section 5. Any person or persons who shall violate any of the provisions of this ordinance, or shall fail to comply with the same, shall upon conviction thereof, be punished by a fine of not more than \$100.00 or by imprisonment in the county jail for a period of not more than 90 days, or by both such fine and imprisonment in the discretion of the court.

Section 6. All ordinances and parts of ordinances in conflict herewith are hereby repealed.

Section 7. In the opinion of the Council for the Village of Cass City, this ordinance is necessary for the protection and preservation of the public health, safety, convenience, morals and general welfare, and it is enacted for that purpose, and shall be in full force and effect from and after its passage and the date of its publication.

Passed, adopted and approved at a regular meeting of the Council for the Village of Cass City on the 26th day of September, 1950.

This and That

When Mrs. A. J. Knapp read the story to her husband regarding Aaron Robinson, Detroit catcher, failing to tag the Cleveland base runner at home plate in Sunday's game which ended victoriously for Cleveland, "Al" remarked "right off the bat" that the entire Detroit infielders were as much to blame as Robinson. "They should have shouted to Robinson, 'Tag him! Tag him!'" remarked Mr. Knapp at once. "Al" who has been bedridden most of the time for many months keeps in close touch with the pennant race and knows all the "ins and outs" of the games.

The sun turned blue on Sunday forenoon and electric light corporations tallied up some extra revenue on their meters because of the darkness. Radio listeners learned that the real cause was smoke caused by forest fires in northern Alberta, 340 miles northwest of Edmonton, which had been belching it up for a week until it hung like a blanket, 10,000 feet thick, between two layers of clouds.

Folks who were old enough to remember the big fire of 1881 in this section of Michigan were reminded of that holocaust. The first edition of Cass City's first printed newspaper of Sept. 8, 1881, contained an article regarding the catastrophe from which these introductory paragraphs are taken:

"We write amid smoke and cinders of the most terribly ruinous fire that ever visited the Huron peninsula of Michigan. Ten years ago a conflagration swept through this region leaving in its wake a charred and blackened country, but with all its hideous terrors it was not so terrible in its destruction of property and life as the fire of this week for the very good reason that there was not so much to destroy.

"At this writing it is utterly impossible to form any intelligent estimate of the amount of damage done. In the sacrifice of human lives it is simply overwhelming. From all directions reports of the finding of blistered and charred remains of men, women and little children continue to come in until it is thought that within the burned district of the three counties no less than 300 human lives have been destroyed. No mind can conceive and no pen portray one-tenth of the sickening sights presented way through the desert of destruction and looked upon the realm of the dead."

"Why don't you publish the names of village, township and county officers occasionally," remarked a Chronicle reader some time ago. "I can never remember who they are."

All right, we'll start with village officers this week. May we suggest you paste the list in your telephone directory for handy reference.

Cass City officers:

President, Clifford Croft.

Treasurer and clerk, Mrs. Wilma Fry.

Trustees, Benj. Benkelman, Jr., C. R. Hunt, M. C. McLellan, James Gross, A. J. Stevens and Arlan Hartwick.

Health officer, Mrs. Harold Wells.

Marshal, Steve Orto.

Supt. of public works, Clarence Burt.

West Elkland 4-H Club Met at Wagg Home Monday

The September meeting of the West Elkland 4-H Club was held Monday, September 18, at the home of Marilyn and Roy Wagg. The club is collecting comic books to send to the veterans' hospital in Saginaw. Anyone interested in donating comic books for this purpose, please contact Mrs. W. J. Donnelly.

It was announced at the meeting that the club received the following ribbons at the state 4-H show at Lansing:

Forestry—Bill Martus, blue; Mary Donnelly, blue and Fred Martin, red.

Handicraft—Fred Martin, red; Mary Donnelly, red.

Vegetable garden—Bob Martus, red; Mary Donnelly, red.

Electricity—Joyce Donnelly, red; Mary Donnelly, white.

This made a total of nine state exhibits from an enrollment of thirteen members.

The children were reminded that to be eligible for premium money all project records must be handed in to the leaders by October 15.

After the business meeting the group enjoyed playing games and a very nice lunch was served by the hostess, Mrs. Wagg.

Harley Kelley Heads Local Farm Bureau

The Kingest Farm Bureau met in the home of Mr. and Mrs. Adolph Woelfle Monday night, Sept. 18. During the business meeting the officers for the coming year were elected. They are:

Tuscola County Farm Bureau Has Planned 1951 Drive

The Tuscola County Farm Bureau membership committee have made plans for the 1951 drive. Members of the committee are Ted Kramer of Unionville, Jesse Treiber of Unionville, Adolph Woelfle of Deford, Henderson Graham of Caro and Allison Green of Kingston.

County organizational director, Kenneth L. Baur, reported the county's 1950 membership to be 1098. This number is over the 1950 goal. The goal for 1951 is 1238. Mr. Baur also reported that the mem-

bership drive will be a one-week event with the entire state going on the drive the week of Dec. 4th.

The 1950 membership in state is 41,825 and the 1951 goal is 46,183.

The committee set Nov. 6th, Monday evening, as a meeting for all township captains, with the kick-off meeting and beginning of drive meeting for Saturday night, Dec. 2.

Two County Banks Give Scholarships

The State Bank of Vassar and the Kingston State Bank are sponsoring two Tuscola County youths to the short course at Michigan State College this year, says George C. MacQueen, assistant county agricultural agent.

Agent MacQueen was informed by Lewis Walton, president of the Vassar Bank, that Fred Bekemeier of Reese will receive the \$100.00 scholarship offered by that bank.

Alex Marshall of the Kingston Bank announced that Clayton Ruggles of Kingston would be the recipient of their \$100.00 scholarship.

Sponsorship of youths to an agriculture short course at Michigan State College is carried on by local member banks of the Michigan Bankers Association, says Agent MacQueen. It is a program designed to develop closer relationships and greater service with their rural patrons. Confidence and better community relations are created by such a program by investing in our most vital commodity, the youth of the community. Agent MacQueen further stated.

Four Thumb Bands In U. of M. Half Time Show Oct. 9

Four high school bands from the Thumb of Michigan area will join 33 other high school bands of the state in staging with the University of Michigan Marching Band the half-time show at the Michigan-Darmouth football game on Saturday, October 9.

William D. Revelli, conductor of the University of Michigan bands, has completed arrangements for the second annual high school band day. Approximately 2,500 band

men will be on the field for the half-time performance.

The four Thumb bands and their leaders scheduled to participate are Cass City, Don Borg, instructor; Elkton, Stanley Bauman; Im-lay City, Gayle Grove; Yale, Robert Peck.

Annual All-Scout Night Will Be Held Here on October 4

The annual all-Scout night of Cass City will be held at the high school gymnasium on Wednesday night, Oct. 4. An estimated crowd of 450 is expected. The purpose of the meeting is to bring together all the units of Scouting in this community. Represented will be the Girl Scouts, Brownies, Cubs, Boy

Scouts and Explorers.

The evening's activities will commence at 6:30 p. m. sharp. Families and friends of all the Scouts are invited. The dinner will be planned potluck and all are requested not to forget their own table service. There will also be a charge of 15c per persons to cover the cost of milk, coffee, ice cream, rolls, etc. which will be furnished.

Following the dinner, at approximately 7:45 p. m., there will be a court of award and a court of honor. Dr. Delbert Rawson will be master of ceremonies for the evening.

Following the award a committee is planning a surprise program of entertainment.

A highlight of the evening will be the awarding of an Eagle Scout badge. This is the honor that all Boy Scouts strive to attain.
