Late Pasture
Dairymen, don't turn cows out too early. Grass development has been delayed by the late spring and the short growth cannot provide sufficient nourishment for producing cows. Also, unduly early pasturing hurts pasture stands and cuts down on carrying capacity later in the season. Keep 'em in the barn and feed hay and silage a few more days.

Seed Bean Supply Scarce This Year
Supplies of certified navy seed beans for 1951 planting will be about one-half the amount usually available, Stuart Hildebrand, Michigan State College farm crops specialist, reported today.

The supply of one year from certified seed will be in about the same proportion. This applies to both Michelite and Robust varieties.

To insure adequate supplies of good quality certified seed, the Michigan Crop Improvement Association has authorized an additional grade of certified seed beans. It will be called "Average Color Grade," meaning good average color for the crop year.

The only difference between the two is that the top grade seed must be bright in color while there is an additional tolerance for slight discoloration because of weathering in the average color grade.

The number of farms in the United States dropped almost 10% since 1945, according to the 1950 census. Partial cause of this drop is the change in the census definition of a farm. A farm, for census purposes, is a tract of three acres or more on which agricultural products, exclusive of a home garden, with a value of \$150 or more were produced in 1949.

Social security tax returns are due this month for the first time from farmers regularly employing hired labor. Pamphlets explaining who is included as an agricultural employee in the social security law are available at the extension office, as well as forms to be submitted by farmer employers to obtain the necessary identification numbers.

Use sound farming practices to boost your farm output.

farmer to set prices on his products. How then is your feed dollar split?
These figures, set out by the USDA may be revealing. The farmer gets 15 cents of your dollar for canned peaches, corn flakes, canned corn and bread. He gets 25 cents when you buy margarine or rolled oats. When you buy evaporated milk and sugar, he gets about 4 cents. In the case of white flour, cheese and milk, the farmer collects about half of your dollar.

Meat is the big budget headache now. Our information says that the farmer gets 62 cents out of your buck. With poultry and eggs it's 57 cents.
The point of all this is: In some cases, most of your money goes for processing, not to the farmer. In the case of meat where the cattlemen actually gets 62 cents out of every dollar, it would seem as though the packing industry deserves an orchid for operating so efficiently.

Members of that group of girls are: Helen Kay Jeffrey, Joyce Agar, Rhonda Bell, Norma Putnam, Sue McLachlan, Jane Mark, Glyn Parrott, Ann Horner and Ellen Gordon. About 15 guests were present.

Miss Mary Kay Brown has returned to her nurse's training at the University of Michigan Hospital at Ann Arbor after spending a week with her parents, Mr. and Mrs. C. U. Brown. Mary Kay is one of more than three hundred members of the choral union which will take part in the May festival at Ann Arbor, May 3 through May 6. The Philadelphia Symphonic Orchestra will be there for the entire festival. The choral union will sing two numbers, Verdi's "Requiem" and Lambert's "Summer's Last Will and Testament." The latter number is being sung for the first time in America.

Mr. and Mrs. Paul Wurtz of Saginaw were visitors in the home of Rev. and Mrs. S. R. Wurtz and family Sunday afternoon.

Mr. and Mrs. Dan Hennessey, Jr., of Flint spent the week end with relatives in this locality. Mrs. Hennessey remained for the week.

Frank Martinek of the Veterans' Facility Hospital at Grand Rapids came last week to spend a ninety-day furlough with his family near Gageton.

Mrs. Ronald Hubbell and two sons, Stanley and Tommy, and Harry Johnston, all of Pontiac, were dinner guests Sunday at the John Mark home.

Mr. and Mrs. Charles Dingman of Saginaw accompanied by their four children visited Mrs. Dingman's parents, Mr. and Mrs. A. E. Steward, of Cass City on Sunday.

Dagnar M. Brown was relieved of his duties at Great Lakes and returned home after visiting relatives in Chicago. She has returned to work at the Caro State Hospital.

Miss Shirley Damm was the guest of Pvt. "Bill" Johnston at Fort Leonard Wood, Missouri, from Friday to Tuesday. She was accompanied on the trip by friends from Detroit.

Rev. and Mrs. Melvin R. Vender were in Hespeler, Ontario, on Thursday to attend the funeral of George Graham, an uncle of Mrs. Vender. They will return to Cass City today.

Mrs. Thomas J. Wagg and son-in-law, Morley Russell, of Pontiac visited Tom's sisters, Mrs. Dale Gingrich and Mrs. Herbert Bartle, and brothers, Asa Wagg of Wickware and Roy Wagg, of Cass City on Monday.

Sunday guests of Mr. and Mrs. John Bohnsack were Mr. and Mrs. Merrill Martin and son, and Mrs. Millie Martin, all of Sandusky, and Mr. and Mrs. Harold Martin of Peck. Mrs. Millie Martin remained until Monday.

Misses Edna and Vernita Linderman spent last week visiting their brother, Pvt. Nelson E. Linderman, who is in the army hospital at Fort Leonard Wood, Missouri. They also visited some interesting places in the Ozarks.

Mr. and Mrs. George Galloway and son, Brent, spent the week end with Mr. and Mrs. Kenneth Bartle and family at Bridgeport. Sunday, the eighth birthday of Alice Bartle and the third birthday of Brent Galloway, was celebrated.

Mrs. Raymond Monroe of Newaygo, cousin of T. C. Hendrick, spent the week end in the Hendrick home. Other guests on Sunday and Monday were Mrs. Sherwell Kelley and children of Romulus and Mrs. Ray O'Dell of Dearborn who came to attend the funeral of their uncle, Gordon Finkbeiner.

Mrs. Mason Wilson is spending the week in Ubyl at the Carl Stafford home while her daughter, Mrs. Stafford, is attending the State Federation of Women's Club meeting at Newberry. Mrs. Ray Boughton as a delegate from the Woman's Study Club here accompanied Mrs. Stafford.

Relatives and friends of Mr. and Mrs. Howard Wood of Detroit received word of the death of their infant son who was born April 17. Mr. Wood and Mr. and Mrs. Richard Calley accompanied the remains to Cass City Thursday when interment was made in Elkland cemetery. Mrs. Wood is the daughter of Mrs. Beulah Calley, formerly of Cass City.

Mr. and Mrs. J. Maletski and daughter, Lavada, and son, Walter; Ricky Burroughs and Ben Harrison, all of Hazel Park, were Sunday guests of Mr. and Mrs. Hollis Seeley and family. Afternoon callers were Mr. and Mrs. Harley Dean and son, Fred, of Caro, Mr. and Mrs. Raymond Hauser and two daughters, Sharon and Marla May, and Miss Audrey Hower of Saginaw.

Principal business at the meeting of the American Legion Auxiliary to Tri-County Post No. 507, American Legion, held Monday evening at the home of Mrs. Jake Gruber, was the selection of a girl to attend Girl's State at Ann Arbor in June. By ballot, Lois E. Little was chosen by the members to attend. Games were enjoyed. The door prize went to Mrs. Clement Tyo. The hostess, assisted by Mrs. Wilbur Morrison, served a hearty lunch at the close of the meeting, consisting of salad, pickles, sandwiches, potato chips, ice cream, cookies, cake and coffee. Poppies for the annual poppy sale have arrived.

Evil and Error

A tub thumping evangelist, having scared three quarters of a deep Southern community into repenting every sin they had committed and numerous others they had never heard of, consented to visit the abode of Sister Johnson for refreshments. She left him alone for a moment in the parlor, and when she returned, found him frowning severely.

"Sister," he thundered, "even the appearance of evil should be avoided. For instance, you have here on your cupboard several decanters, each partly filled with what appears to be intoxicating liquor."

"But it isn't liquor," quavered Sister Johnson. "The bottles look so nice on the sideboard, I fill them halfway with furniture polish for the effect."

"Exactly," pursued the evangelist. "You must avoid the appearance of evil. Feeling a trifle faint, I helped myself to a wee nip from the decanter in the center."

Gordon Finkbeiner Buried Monday

Funeral services for Gordon Finkbeiner, 55, of Owendale were held Monday at 2 p. m. in the Methodist Church at Gageton. Burial was made in Elkland cemetery. Mr. Finkbeiner died Friday in the Veteran's Hospital in Saginaw after an illness of almost three weeks. He was transferred from the Cass City Hospital to Saginaw last Tuesday where his condition steadily grew worse.

Son of the late Fred and Lavina Schweitzer Finkbeiner, he was born Jan. 21, 1896, in Fair Haven Township, Huron County. He and Miss Fannie Hendrick of Cass City were married July 24, 1918.

Surviving is his widow; a son, Everett, of Gageton; two daughters, Mrs. Vivian Agar of Owendale and Evelyn, at home; four grandchildren; five sisters, Mrs. Ed Schenck (Nellie) and Miss Beulah Finkbeiner of Bad Axe, Mrs. Earl McKee (Ethel) of Detroit, Mrs. Beatrice Armbruster of Sebawaing and Mrs. Dorothy Walsh of Bay City; and four brothers, Earle of Detroit, Charles of Sebawaing and Walter and Lloyd of Cass City.

Mrs. John Davidson Succumbs at Caro

Mrs. John Davidson, 76, died Friday in Frick Rest Haven at Caro where she had been a patient for three years. Funeral services were held Monday at 2:00 p. m., in the Douglas Funeral Home and burial was made in Grant Township cemetery.

Born Dec. 8, 1874, in Gault, Ontario, she was the daughter of the late Daniel and Abigail Camp North. She was married to John Davidson at Little Current, Ont., in 1896. They came to Huron County in 1902 and Mr. Davidson died in 1940.

Surviving is one daughter, Mrs. Anna O'Connor of Midland and five sons, George of Flint, William, Irving and Charles of Pontiac and Henry of Dryden, also 26 grandchildren.

Michigan Mirror News Briefs

Citizens who vote for the man, not the party, are being blamed for Michigan's current stalemate between a Democrat governor and a Republican administrative board and state legislature. Williams and the legislature find themselves diametrically opposed on taxation policies. Since the legislature does not accept the governor as its leader, months of valuable time have been spent trying to find a solution to vexsome problems. "How did we get this way?" you ask. Well, because a majority of citizens wanted it to be so. Primary elections for public office circumvent party responsibility.

Law enforcement officials, including sheriffs, prosecuting attorneys and the State Police, have submitted recommendations to the legislature for tightening of criminal law procedure. Grand juries (24-man or 8-man) would be given power to grant immunity to key witnesses—a weapon removed by the 1949 legislature.

There ought to be a moral somewhere in this item: Detroit's municipal bus and street car system went \$47,500 into the red during March; the union of bus and street car operators now threatens a strike unless wages are raised 7 1/2

"TO EVERY CREATURE"

Dugout canoe and airplane—old and new methods of travel—stand side by side in the heart of a South American jungle. Primitive Indian children stand in wonder and amazement on the "feet" of this strange "bird." Use of aircraft, radio and photography by trained missionary technicians on foreign mission fields forms a unique sequence in Moody Bible Institute's newest sound-color film release, "To Every Creature," to be shown at the First Baptist Church, 6406 Houghton Street, Monday (May 7), at 8:00 p. m.

cents an hour. Also from Detroit comes a legislative bill to boost salaries of state supreme court justices from \$15,000 to \$25,000 a year and circuit court judges from \$9,000 to \$20,000 a year. Additional security would be provided by extending the terms of circuit judges from six to eight years. Rural legislators have been cool to proposals of liberal pensions for aging judges; the same treatment is anticipated for the latest notion of \$20,000-\$25,000 salaries. What's just for a justice?

The legislature adopted a resolution, on party lines, censuring President Truman for firing General MacArthur. As one legislator put it, "There must have been a better way for the President to discipline the nation's hero of Bataan than to fire him. I always held that against Sigler (who fired Oscar Olander as State Police Commissioner), and now I can't go along with Truman for doing the same thing."

While the legislative taxation cauldron boiled furiously, Governor G. Mennen Williams quietly turned to his proposed crime commission and the possibility it won't meet approval in the state. Following exposure of a narcotics ring in Detroit, Williams has asked that a citizen body be named to probe situations in the state. Now the majority of Detroit Bar association members have turned against the commission proposal—ostensibly because it would be an "ineffectual" citizen committee. Says Williams, off the record, the idea hasn't been dropped—law enforcement facilities must be tightened and work is being done in that direction.

The mock air raid on Sault Ste. Marie was a success. It showed people of Michigan just how much more equipment is needed. Medical supplies, radios and fire equipment were listed as most necessary and most limited.

Of the 507,000 Michigan men who registered for the draft since June of 1948, some 18,000 have been called up since the outbreak of the Korean hostilities.

Approximately 11,000 men are now awaiting induction with 40,000 coming up shortly for pre-induction examinations.

The number of Michigan strikes has reached the nadir of the curve of the last 10 years. Eighty-one disputes were reported as against 718 in 1944-45. Number of man-

days lost last year was 7,000,000 highest of any of the last seven years.

The state library lost 30,000 books, documents and pamphlets in the state office building fire. Partial library service is now restored.

For the first time in five months, monthly wholesale price and Michigan farm price averages failed to rise during March.

On the basis of tentative valuations, public utility and public service companies will pay \$1,028,454 more to Michigan schools than they did last year. Average tax rate this year was \$32 per thousand, compared to \$31.63 a year ago. At this rate companies will pay \$14,735,118 in taxes this year.

The automobile industry may be slowed down by a design freeze rather than materials regulations. Tool and die shops will be tied up with defense work after the tools now in construction for passenger cars have been delivered.

Pressure again is on the legislature to put deer hunting regulations into the hands of the conservation department to alter at its discretion. Previous attempts have failed with legislators loathe to give up that authority. But this year the heavy deer kill has sportsmen's clubs up in arms. "A given number of deer starve yearly for lack of forage," one spokesman says. "That meat could just as well be on a hunter's table."

Senator Harry Hittle (R-East Lansing) would sentence subversives to sentences of any length of time up to life. In a bill he introduced in the state Senate he would put teeth into the constitutional amendment approved by the people to define subversion and make it a crime.

The sum of \$12,520,000 has been appropriated for mental hospital construction in the state. The money will be spread as follows: \$5,268,000, Northville state hospital; \$1,142,000, Caro; \$2,327,000, Coldwater state home and training school; \$1,286,000, Kalamazoo; \$274,000 Lapeer; \$423,000, Pontiac; \$363,000, additions to five other hospitals, and \$1,437,000, Ionia.

Upwards of 100,000 fishermen are expected to crowd the banks of Michigan trout waters at the opening this week end. A favorable opener is expected.

Conservation officials are already cautioning Michiganders against forest fires. Already some 1,000 acres have been burnt over and the dry season is not even begun yet.

The state reorganization com-

mission would limit civil service powers. The body has voted to recommend creation of a separate personnel department for state government under a single administrator appointed by the governor. Commission Research Director Loren B. Miller still claims 94 percent of state employees get jobs without civil service examinations.

McArthur's riotous homecoming was stealing headlines when Chas. G. Bolte, member of the U. S. mission to the U. N., told a Michigan State College conference, "behind the shield of power we are earnestly trying to build a world of peace."

Meat to Increase

Production of meat is expected to increase in 1961 according to Kenneth Hood, extension agricultural economist of the Pennsylvania state college. In 1950, the average consumer ate 145 pounds of meat; in 1961, 148 pounds per person may be available after meeting the anticipated increase in military requirements.

To Remove Lint

Substitute cellophane tape for a brush to remove lint from your dark suits when motoring. Simply wrap the tape around your hand, sticky side out, and remove lint and dust by patting lightly over the surface.

Gasoline Motor

With SAE 20 oil, it takes two and a half times as much power to turn over a gasoline motor at zero temperature than at 90 degrees.

Go! Was Illegal

Parliament in 1488 passed an act that golf be abandoned. The game was again permitted to continue in 1491, however.

When Adding Cheese

Cheese should be grated or shaved thin before being added to other cooking ingredients.

Insurance Coverage Usually Found Low

A serious fire can pull the curtains on your farming operations—particularly if you're a young farmer who has borrowed heavily to get started.

Warren Vincent, Michigan State College agricultural economist, has found "under-insured" building a common condition in Michigan. He warns that unless insurance policies are adjusted in line with rising replacement costs, the farmer stands to lose as his actual protection becomes less and less. Reliable appraisal firms have estimated that farm property values have increased 20 percent during the last three years.

Fire insurance is only one type of protection needed by the farmer who wants to make the best use of his operating capital. The increased investments in real estate, livestock, and machinery required in modern farming make fire, lightning and wind insurance practically essential on all farms.

Many other types of insurance deal with both personal and business risks. They vary from damages caused by falling airplanes to the damages or injuries resulting from actions of a neighbor's mischievous child.

Vincent says that an attempt to insure against every risk is usually prohibitive and probably unnecessary. Farmers should, however, become acquainted with the provisions and costs of fire, lightning, wind, health, accident, liability, life and vehicle insurance. A little study now may avoid learning the hard way.

Dirty Clotheslines
Tired of clotheslines that mark up your washings? First wash your clothesline with mild soap in warm water. Rinse and dry thoroughly. Then apply two thin coats of white shellac and dry thoroughly after each coat.

Preserved 662 Years
The gate at Balliol College, Oxford, built in 1288 has been preserved for 662 years with paint. When old coats of paint were removed, not long ago, the old timber was found to be in perfect condition.

GUARD AGAINST THE THINGS THAT CAUSE FIRE!

Never have there been such great fire losses—with homes, unfortunately, well to the top of the list. (The life hazards are serious, too.)

YOU can safeguard YOUR home and your community by cooperating in the Clean Up—Paint Up—Fix Up Campaign. Fire Prevention is a vital part of the plan.

Rid your basement of insidious fire-encouragers . . . rubbish, faulty furnace or insulation, defective wiring, etc. "Junk the junk" from your attic and garage. And all through the house "Clean Up" for safety . . . "Paint Up" because it inspires this safeguarding cleanliness. IT IS IN YOUR HANDS to say "NO" to F-I-R-E!

when PROTECTION counts

Sometimes people see the need for protection only when it's too late. Locking the barn door after the horse has been stolen is an age-old fable of futility.

All of us guard against dangers that appear imminent. Threat of flood drives us to building levees, piling sandbags. But too often the inevitable dangers that threaten our families' security are disregarded or forgotten.

For most of us the only real guarantee of the future security of our families is life insurance. Why not examine your own situation? Are your wife and children protected—or are you taking the risk of waiting until it's too late?

Only farmers who can increase cotton acreage without disturbing a well-planned feed production program should do so, unless they have surplus land, labor, and equipment to use for cotton production.

Gagetown Club to Hold Spring Revue

The Gagetown Ladies' Study Club will sponsor a "Spring Revue" on May 2, at the Gagetown High School gym at 8:00 p. m., proceeds to go toward the purchase of a hospital bed for the use of anyone in the community temporarily in need of it.

The program consists of dances, (ballet, tap, folk, Hula,) solos, (vocal, accordion, piano, marimba,) baton twirling, our own school's Melody Band, readings, and last but not least, Neva Heindl's six tumbling girls in a sensational act. See Mrs. Rutledge's dancers, hear Mr. Haynes' marimba act, feel Jake Romeg's accordion talk, marvel to Karen Heindl's "Topsy Turvy" clog, enjoy Barbara Benedict's real Hawaiian Hula dance, along with many other musical treats, and you will always remember the date of May 2, 1951.

GAGETOWN

The Gagetown Woman's Study Club is sponsoring a spring revue at 8 o'clock Wednesday evening, May 2, at the public school auditorium.

Mrs. M. P. Freeman entertained the 500 group Wednesday afternoon. Tea and cookies were served. Mrs. Lawrence McDonald won first prize and Mrs. Patrick Kehoe won second prize.

Mrs. Frank Lenhard entertained the bridge club at her home Friday afternoon. Three tables were at play. Mrs. Alvin Freeman held high score.

Don Roy Kelcher, son of Mr. and Mrs. Raymond Kelcher, has been confined to his home with a severe case of the flu.

Cow Care

Injuries to the teats and udder should be treated promptly, because even a small scratch can become a breeding ground for the germs that cause bovine mastitis.

Old Employee
A six-year-old was looking at photographs of her parents' wedding. Her father described the ceremony and tried to explain its meaning. Suddenly light dawned. "Oh! Mary Jane exclaimed. "Is that when you got Mother to come to work for us?"

BEAUTY WINS

Needling a new secretary, the firm's president decided to have applicants judged by a psychologist. Three girls were interviewed together.

"What do two and two make?" the psychologist asked the first. "Four," was the prompt answer. To the same question the second girl replied: "It might be 22." The third girl answered: "It might be 22 and it might be four."

When the girls had left the room, the psychologist turned triumphantly to the president. "There," he said, "that's what psychology does. The first girl said the obvious thing. The second smelled a rat. The third was going to have it both ways. Now, which girl will you have?"

The president did not hesitate. "I'll have the blonde with the blue eyes," he said.

High Falloot

A group of men were discussing their various backgrounds. One boasted of his illustrious ancestors, and claimed to have descended from a family of very lofty station. "Indeed," quipped one of his listeners. "There is no doubt that you are right. I understand that certain members of your family were finally so elevated in position that their feet did not touch the ground."

I. C. U. Project to Be Sponsored by Cass City Churches

Everyone who wants to see Christian Education and Christian Leadership soundly established in Japan is offered an opportunity, through the churches during the week beginning April 28, to make a contribution to the building and maintenance of the new international Christian University (ICU) at Mitaka, Japan.

This unique and monumental project was originally sponsored by the Federal Council of Churches of Christ in America and The Foreign Missions Conference of North America. Since 1949 the ICU has been formally endorsed by twenty Christian denominations in the United States and Canada. Thirteen of these are officially represented on the Japan International Christian University Foundation. Seven of the small denominations in Canada and the United States endorse the project along with 200 universities and colleges.

General Douglas MacArthur is honorary chairman; Joseph Grew, former Ambassador to Japan, is national campaign chairman.

"Missionaries, educators, statesmen and military leaders agree that here is an opportunity to invest in an enterprise that will pay dividends that will be beyond all computing," said Rev. M. R. Vender, local ICU representative.

Dr. E. Stanley Jones says, "Not for a thousand years has the Christian Church had an opportunity such as Japan offers today through the ICU."

No formal campaign is contemplated in Cass City, according to Mr. Vender. "We should have the information, however, in order that anyone interested and able may have an opportunity to contribute to a very deserving cause, as I propose to do personally," said this pastor. Pamphlets of explanation will be given out on Sunday, and announcements made with reference thereto in some of the local churches.

The Cass City Council of Churches has endorsed this project as a great opportunity for building good will in the Far East, and undergirding Democracy in our world. ICU is being built and will be supported by Christian denominations in Japan, the United States and Canada. Its primary purpose is to train teachers for positions in Christian schools and colleges and to help provide able-trained young people for responsible positions in government and in social welfare work. Its faculty will be composed entirely of Christian men and women, about half of whom will be Japanese. Its students will be young men and women from all countries, but predominantly from Japan, who are able to qualify for admission to the 4-year undergraduate college of liberal arts or the graduate schools of education, citizenship, and social work.

The new university is located at Mitaka, about 17 miles from downtown Tokyo, on a 350-acre tract which was purchased with funds contributed by the Japanese people who to date have raised about \$450,000 to help found the University. In order to open the university in April 1952, as planned, funds have to be raised this spring to complete the unfinished buildings on the campus which were originally built for war purposes by the Japanese militarists. It is primarily to help turn these "swords into ploughshares" that funds are being sought at this time.

Exotic Particles

More than half of the world's mass is made up of neutrons, fundamental building blocks of matter. Yet they are the most difficult of all nuclear particles to detect.

Winners Announced In Local Contest

Three girls from the Cass City area have been named winners in the local IGA store Teen-Age contest concluded Saturday.

First prize will be awarded to Florence Leazenby, second prize goes to Shirley Smith and the third award will be given to Melva McConnell. Prizes will be awarded Saturday at the IGA store at 2 p. m.

Under way now is the baby contest. Eligible to compete is any

child born on or after April 30, 1948.

As in the teen-age contest, the three winners will have the opportunity to compete in the regional and national contest. Full details are available at the IGA store.

Super-Smooth Landings

A new landing system makes it possible for elevator cars to land so smoothly that passengers can't detect the exact instant the car stops.

Birthdays In Latvia

Birthdays come twice a year in Latvia. Each child celebrates the anniversary of the day of his birth, as well as his "Name Day," similar to the Saints Day of the Catholic church. All Latvian children who are called by a certain first name celebrate on the particular day which is set aside for that name.

Sweet Potatoes

Sweet potatoes can be used in many main dishes—such as scalloped with apples—or in sweet potato pies, cakes, and custards for desserts.

Book Review Given At Club Meeting

The Woman's Study Club held a regular meeting Tuesday afternoon in the Girl Scout Rooms.

Miss Hollis McBurney reviewed the book, "Miss Willie," by Janice Holt Giles. The setting of the story is a Kentucky mountain ridge and Miss Willie is a city teacher who takes over a school on the ridge and struggles with the problems of the mountain folk.

The next meeting will be held on May 8 at the home of Mrs. Guy Landon.

Rev. Ralph Cook.

The Reverend Ralph Cook of India has just returned for his second furlough as a missionary for the Church of the Nazarene, and will be at the Ellington Church of the Nazarene Friday night, April 27, at 8:00.

He has an up-to-date message from one of the world's most troubled areas.

Former Cass City Resident Dies In Florida

Jas. E. Doerr died at his home in Pompana Beach, Florida, Sunday evening, April 22, 1951. He had been ill for about a year.

Born in Cass City April 9, 1893, he was the son of Mrs. Anthony Doerr and the late Mr. Doerr. He attended school in Cass City and was engaged in business here, in Caro, and in Sandusky until he went to Florida to make his home in 1940.

He was married to Miss Claudia May Long in Baltimore, Md., and she died in November, 1941.

In February, 1950, he married Mrs. Frieda Coats of New Jersey.

Besides his wife, he is survived by one daughter, Mrs. Paul Groose of Trenton, Nebraska; one son, Anthony, of Sandusky; his mother, Mrs. Anthony Doerr of Cass City; one brother, Herman of Cass City; one sister, Mrs. Norman Fisher of Royal Oak; and five grandchildren.

Funeral services were held at Little's Funeral Home yesterday (Thursday) at two p. m., Rev. Howard C. Watkins officiating. Burial was in Elkland cemetery.

HAWKS WIN FIRST CONFERENCE TILT

Concluded from page 1.

Insurance runs in the fifth inning while Pigeon scored single runs in the first, fourth and sixth innings.

Hartel, who was making his first start of the season, went all the way on the mound for Cass City to receive credit for the win.

Creason was behind the plate for the Hawks.

Monday Cass City plays Unionville in a non-league encounter and Thursday they are slated to play at Bad Axe.

Mrs. M. A. Morris Funeral to Be Held Saturday

Mrs. Minnie A. Morris, 89, died Wednesday morning at Stevens' Nursing Home where she had been a patient for three years. Funeral services will be held at Little's Funeral Home Saturday at 2 p. m., with Rev. Arnold Olsen officiating. Burial will be in Elkland cemetery.

The former Minnie A. Jeffs, she was born in Kingston, Ont., Dec. 14, 1861. She married Walter A. Morris in Teluride, Colo., in June, 1884. Later they moved to Michigan and lived for some time at Ewart and at Pontiac. Mr. Morris died in 1913 and for the past 15 years Mrs. Morris has lived in this vicinity.

Surviving are one son, Dr. Frank L. Morris of Cass City; two daughters, Mrs. Ralph Reed and Mrs. Bryce Lewis, both of Three Rivers; ten grandchildren and eleven great grandchildren.

Evangelist Ralph Rice.

Evangelist Ralph Rice will be at the Gagetown Nazarene Church to hold revival meetings, May 1 through 13. Meetings are scheduled to start at 7:45 each evening.

C. E. Hymn Sing Well Attended

The Mizpah United Missionary Church was well filled Sunday when the audience was privileged to hear Mrs. Jean Bauman of Elkton speak at a Christian Endeavor hymn sing rally.

The four Bauman children were present to play their instruments and sing, a very outstanding feat for children so young. Kenny plays a cornet, Audrey a trombone, Sherry a saxophone and Ronny the bells. They also played a quartet number, "Church Bells," on the piano.

The service was partially devoted to singing which was led by Lee D'Arcy of Kingston.

LOCAL HERD PLACE NEAR TOP IN DHIA

Concluded from page 1.

county the previous month. E. G. Golding's Red Dane herd at Cass City placed fourth with a 43.6 pound average butterfat record, followed by A. B. Quick's 17 Holstein cows, which made a 43.5 pound fat average, just one-tenth pound out of fourth place. Other high herds and average butterfat production were Ruben Rohloff, Reese, 43 pounds, Don Valentine, Fostoria, 42; Roy Jackson & Sons, Caro, 42; Dr. H. T. Donahue, Cass City, 41; and Roy Brown, Fostoria, 39 pounds. Thirty-six of the 67 herds tested averaged 30 pounds of butterfat per cow or higher.

Association number three has a new tester-supervisor, William Andrus of Owendale. Andrus took over his testing duties shortly after March 1, replacing Loyd Langmaid, Decker, who has worked with the DHIA since last October. Jack Rose, Caro, tester-supervisor for association number two, announced that two new herds joined the organization in March. Ross Russell, Caro, and Peter Kern, Reese, are the dairymen who began testing. Both have registered Holsteins. Kendall Hobart, Unionville, is tester for Tuscola DHIA number one.

The high producing individual cow was Dr. H. T. Donahue's No. 51, a registered Holstein that made 2990 pounds of milk testing 3.9%, for a butterfat total of 117 pounds. This is the same cow that topped all individual cow records in the February DHIA summary. Janet, a 6-year old registered Holstein in

the Rufus Wark herd at Akron, had the second highest butterfat production, making 110 pounds in March. Standing third and fourth in the individual honors class, were two more Holsteins owned by Dr. Donahue, Cass City, cows number 55 and 76 which produced 104 and 103 pounds of butterfat respectively. Dr. Donahue also owns the cows placing sixth and seventh in high individual production, making a total of five out of the top ten cows in March from the Donahue herd. Fifth individual cow in butterfat production was a registered Holstein, Bess, owned by F. B. Otherson, Unionville, with a 96 pound butterfat record. Werner List, Vassar, owns the cow placing seventh, and the eighth high DHIA cow in Tuscola County is a Holstein in the E. B. Schwaderer herd at Caro. Howard Foster, Fairgrove, has the cow in tenth place. Of the 1051 cows tested, 161 produced over 50 pounds of butterfat during the month.

Rev. M. V. Bass to Hold Revival Here

Rev. M. V. Bass will conduct revival meetings at the Church of the Nazarene, Cass City. Programs start at 8 p. m. and will continue nightly from May 1 through May 13.
