

Guy Hill to Address Seniors At Commencement Program

Professor Guy H. Hill, Coordinator of High School Cooperation for Michigan State College, has been selected to give the commencement address to the Cass City High School graduates on Tuesday, June 12.

Dr. Hill is a native of North Carolina and still speaks with a southern accent which his hearers find fascinating. For the past fifteen years he has been at the East Lansing College, most of the time as professor in Philosophy of Education and as director of student teaching at the secondary level. Since 1949 he has been in charge of the office which coordinates relations between the college and the high schools of the state.

The author of several text books and many magazine articles on educational subjects, Dr. Hill has also held important positions in professional groups in his field. He is widely known and exceedingly popular as a speaker. He weaves a fine fabric of educational philosophy into his presentation and his story telling ability is rated without equal by all those who have heard him.

Guy H. Hill

This year's graduating class, numbering eighty-four, is the largest in the 65 year history of the local high school.

Irene Ludlow, senior president, will preside at the commencement exercises. Student speakers will include Leta Little, Salutatorian, and Carol Howarth, Valedictorian. Music will include two vocal ensembles, one of senior boys and one of senior girls. In addition, Nancy DeLong, well-known senior vocalist, will sing.

Arthur Holmberg, high school principal, will present special awards and scholarships, while superintendent of schools, Willis Campbell, will award diplomas to the graduates.

Melva McConnell, a member of the class, will give the closing prayer.

Baccalaureate Service.

Baccalaureate services for the class of 1951 will be held at the high school auditorium Sunday evening, June 10, at 8:15. Following a custom of many years, seniors will form a procession led by the junior girls. The procession will be played by the high school band and Tom Schwaderer, junior president, will serve as escort.

Special musical numbers will be provided by the Girls' Glee Club and Cecelia Brown, soloist. The graduates have invited Rev. S. R. Wurtz, of the Evangelical United Brethren Church to deliver the baccalaureate address. He will be assisted in other parts of the service by several local pastors.

Thirty-five Area Students to Graduate from Eighth Grade

Thirty-five area students will be among 223 eighth grade graduates from rural schools in Tuscola County to receive eighth grade diplomas in ceremonies that start at the courthouse at 9:30 a. m. today.

Graduation exercises will be held in the high school auditorium. Woodward G. Smith, director of extension from Central Michigan College of Education at Mt. Pleasant, will give an address titled, "Rain's My Choice."

Diplomas will be presented by Joseph E. Liddicoat, County Superintendent of Schools.

All graduates will be guests of Tuscola County High Schools at the county field day held at the fairgrounds immediately following the exercises.

Attending from this area will be 13 students from the Gagetown School. They are: Shirley Chaffee, Cass City; Gary Cummings, Gagetown; Duane Deering, Gagetown; James Evans, Gagetown; William Gordon Ewald, Cass City; Janice Fischer, Gagetown; Charles L. Grady, Gagetown; Don Hendrick,

O'Dell Rescued From Behind Enemy Lines

Pfc. Robert O'Dell was one of eight American soldiers picked up by an Allied tank force Tuesday, May 22, after spending five days behind enemy lines in Korea.

O'Dell and the other soldiers were part of a second division convoy moving to Hongchon from Hangeye last week.

A Chinese ambush scattered the trucks and for five days the soldiers hiked across country and slept in the mud to keep ahead of Red gunners.

When picked up by the tankers, O'Dell and the rest of the Americans were almost unrecognizable. They were saved when they called out in English for the tank crews to hold their fire.

Local High School's Tax Rate Set at Five Mills for Year

Cass City High School has the lowest tax rate of any of the 11 schools in Tuscola County, according to figures released by members of the tax allocation board.

The high school's rate has been set at five mills for operating expenses for the 1951-52 year.

The board has set a tax rate of seven mills for county purposes. The rate is the same for the county as it was last year.

Township tax rates range from nothing to 6.25 mills.

Members of the tax allocation board are Joseph E. Liddicoat, county superintendent of schools, chairman; Arthur M. Willis, county treasurer, vice chairman; Fred Mathews, county clerk; Roy Sylvester, supervisor of Wisner Township; and Louis Walton and Milo Culbert.

Many Speakers at General Assembly

Rev. Melvin R. Vender, of the Cass City Presbyterian Church, together with his wife, will return home this week end after spending more than a week as delegates from this area to the 163rd general assembly of his church.

The assembly was held this year at Cincinnati, Ohio, and delegates gathered from all over the nation for the opening meeting of the organization Thursday, May 24.

At this meeting, Dr. Harrison Ray Anderson, pastor of the Fourth Presbyterian Church, Chicago, was elected moderator of the general assembly.

After the opening session Thursday, the women's meeting featuring the theme, "I will build my church," was the outstanding feature of the day.

Over 1000 reservations were made for the Saturday afternoon every man banquet of the National Council of Presbyterian Men, Masonic Temple, President David W. Proffitt presided.

Full days were scheduled for Sunday, Monday and Tuesday with outstanding speakers from the Presbyterian Church addressing the delegates.

Alexander's Circuit Clout Wins Long Game for Hawks

Box Alexander broke up an overtime, eight inning game with Mariette Thursday with a story book home run that drove in the only tallies scored in a tight pitchers duel between Gerald Whittaker and a good Mariette flinger.

The home run was a line drive between center and right field that scored Tim Burdon from second base. Burdon got on with a single early in the inning... one of the Hawk's five hits.

The victory was the eighth of the season for Whittaker against two losses. The brilliant Hawk moundman dropped the season's opener against Sebewaing and was bunted to defeat in the crucial game against Elkton. Four of his victories were via the shutout route.

Whittaker will undoubtedly be Coach Irv Claseman's choice to pitch the county championship game against Reese today at Caro.

The Hawk's won the right to compete in the playoff by having a perfect percentage in county games this year.

Whittaker won the pitching assignment by pitching outstanding ball all year. Against Mariette, the young hurler allowed three hits while Cass City was collecting five.

Mariette didn't make an error, while the Hawks committed two, both of which Whittaker pitched over.

Local Eagle Scout Leads Discussions At State Conclave

Scoutmaster Harold Oatley and Richard Wallace, senior crew leader of the local Explorer Post, attended the State Conclave of the Order of the Arrow, an honorary society of scout campers, held at the summer camp of the Grand Rapids Scout Council over the week end.

Dick was scheduled to participate in the presentation of the opening ceremony which the camp initiating team was invited to put on for the Friday evening program, but arrived too late to take part. On Saturday, however, he served as chairman of discussion groups for both morning and afternoon meetings.

Girl Scouts Register For County Day Camp

Girl Scouts and Brownies of Cass City troops are now registering for the annual County Day Camp for scouts in Tuscola County.

Plans call for the camp to be held in Akron this year. The Brownies will attend on July 11, 12 and 13, while the intermediate Scouts are scheduled to be at Akron July 17, 18, 19 and 20.

As usual, the Day Camp is sponsored by the Tuscola County Girl Scout Association and a complete program is in store for girls attending from this area.

Nature study, handicraft, weather, folk dancing, music and dramatics are included in the program outlined by the association.

Children attending will be well supervised, spokesmen for the association asserted. First aid equipment is available to all units and a trained nurse is on duty at the camp at all times.

Transportation is furnished by the local school board and all buses used are fully insured.

The only cost to the scouts attending, is a 25 cents registration fee, good for the entire period, all other costs are defrayed by the association.

This year, the program is under the direction of Mrs. Betty Coladay, Vassar, who is assisted by talented women from all over Tuscola County.

Plans Set For 53rd Sunday School Rally

The Northwest Sanilac Co. Sunday School Association met in the home of O. F. Buschlen on May 7 to make plans for the 53rd Sunday School rally. The 1951 rally will be held in Dr. McNaughton's grove, one mile west of Argyle on July 10.

There will be special singing by the local Sunday Schools and the speaker at this rally will be Michigan's Lieutenant governor, William Vandenberg. The executive committee expects this to be the greatest of all rallies and extends a special invitation to all Sunday Schools to attend.

Andrews Purchase Home Restaurant

George and Alice Andrews, formerly of Bad Axe, announced today that they have purchased the Home Restaurant from Pete and Bea DeBlais, former owners. The Andrews recently left the Rainbow Restaurant in Bad Axe. They moved to the Huron County seat two and one-half years ago. Prior to that time the couple lived in Detroit.

Andrews stated that he takes control of the restaurant today.

The Andrews plan to make their home in Cass City. The couple have two sons, Thomas, 7, and Rodney, 5.

Track Team Whips Vassar in Last Duel Meet of Season

Cass City High School whipped Vassar in a dual track meet at the municipal park Monday night, 61-48, as Tom Schwaderer again led both teams in scoring 16 1/2 points with firsts in the 100 yard dash, 220, high jump and a leg on the winning medley relay team.

Seven new track records were set, three by Vassar and four by Cass City, as the tracksters continue to better times at the new track.

Tom Schwaderer was the only member of the Cass City track team competing in the state meet at Ann Arbor Saturday to pick up any points for the local high school.

Schwaderer tied for fourth in the high jump at five feet, six inches for 2 1/2 points. The state toga was annexed by Cadillac.

Bill Martus, who is developing into an outstanding sophomore hurdler, pushed Steve Marovitch, two-time Upper Thumb High Hurdle champion, to a new field record in his specialty, while setting one in the 180 low hurdles himself.

Three events were slammed in the meet. Vassar took all the points in the shot put, while the mile and half mile were slammed by Cass City.

The last meet of the season will be the county meet at Caro today. The results:

Shot Put won by Salisbury, 2nd Krummauer, 3rd Carr, all of Vassar. Distance 38 ft. 10 in.

* Broad Jump won by Cobb, Vassar, 2nd Armour, Vassar, 3rd Guinther, Cass City. Distance 20 ft. 9 in.

* High Jump won by Schwaderer, Cass City; 2nd Marovitch, Vassar; 3rd Finta, Vassar. Height 5 ft. 10 in.

Pole Vault, 3 way tie between Wallace, Cass City; Marovitch, Vassar; and Finta, Vassar. Height 10 ft. 2 in.

* 120 High Hurdles won by Marovitch, Vassar; 2nd Martus, Cass City; 3rd Watson, Cass City. Time 16.2.

Medley Relay won by Cass City, Kelly, Schwaderer, Kloc and Burdon. Time 2:44.6.

100 Yard won by Schwaderer. Concluded on page 10.

R. S. Kerbyson Funeral Monday

Funeral services for Raymond S. Kerbyson were held Monday afternoon at two o'clock at the Little Funeral Home. Rev. Walter Hubbard of Kingston officiated at the rites and interment was in Elkland cemetery.

Mr. Kerbyson died at his home Thursday morning after an illness of several weeks.

He was born March 14, 1894, at Minden City. On December 19, 1916, he married Miss Anna Vatter of Argyle in Sandusky. They made their home in Decker until 1924 when they came to Cass City where they have since then resided. He has been a member of the local Presbyterian Church since 1924.

He is survived by his wife; one daughter, Mrs. Cecil Kettlewell, of Riverside, California; one son, Gerald, of Cass City; one brother, Amos Kerbyson, of Port Huron; two sisters, Mrs. Wm. Ross of Keego Harbor and Mrs. Stella McDonald of Detroit; and three grandchildren.

Coming Auction

Having decided to quit farming, Charles Simpkins will have an auction 4 miles east, 4 north and 1/2 east of Cass City on June 6.

Parsch's Store will be open Thursday afternoons. Adv. 11-10-M

Tuscola Board of Education to Hold Biennial Election

The Tuscola County Board of Education will hold their Biennial Election at the Tuscola County Courthouse on Monday evening, at 8:00 o'clock.

At this meeting the following persons may vote: Directors of the boards of primary districts; secretaries of the boards of graded and rural agricultural and township school districts.

Three vacancies are to be filled by election. The vacancy caused by the resignation of Dr. A. A. Metcalf, is now being filled by Bates Willis who was appointed to the County Board to fill the vacancy until the next biennial election. This term will be for two years.

The terms of Audley Rawson and Allison Green expire. The persons elected to these two offices will hold office for a term of six years. The persons now holding the office are eligible to succeed themselves or any other citizen is eligible to any of the three vacancies. Not more than two members may be elected from any one township or city. Persons elected need not be members of local boards.

Foust to Address Graduating Students

Dr. Judson W. Foust, professor of mathematics and assistant to the president of the Central Michigan College of Education, Mt. Pleasant, will address 23 students at the Tuscola County Normal commencement exercises at the Methodist Church in Caro, Thursday, June 14, at eight p. m.

Dr. Foust's talk will be built around the title theme, "Narrowing the Gap."

County Superintendent of Schools Joseph E. Liddicoat will distribute diplomas.

Baccalaureate services will be held at the regular service, June 10, of the Caro Methodist Church, Rev. Joseph Dibley, pastor, presenting the sermon.

Rural Schools Celebrate Term End

The Hay Creek School in Sanilac County closed Wednesday, May 23, and in celebration a picnic at the school was enjoyed by over fifty residents of the district. Following the picnic dinner a softball game was the entertainment of the afternoon. Mrs. Arlington Gray, who has taught the school for two years, was presented with a gift.

As a climax to the school year the teacher, Mrs. Jack Howell, and pupils of the Sand Valley School and several mothers of pupils made a trip to the zoo at Royal Oak Saturday.

Tuscola United Fund Meeting at Caro

The annual meeting of the Tuscola United Fund is going to be held in Caro on Monday night, June 4, according to George Bieth, county co-chairman. All townships have reported in their 1950 campaign results with a majority achieving one-hundred percent in their campaign efforts.

The annual meeting is open to the public and anyone who wishes to attend may. It will begin with a dinner meeting at the Hotel Montague at 7:00 followed by the business meeting.

This is the third annual meeting of this organization. Its success can be traced to the energy and efforts of the late Clarence Myers of Caro, who devoted his time to the promotion of the organization.

Strange Fish Makes Tackle, Bait Obsolete

Want to go fishing the easy way? If so, you'd better take off for California on a Grunion hunt. For, according to an article in a trade publication brought to the office by Art Atwell, Cass City, the Grunion is the only fish in the world that the angler has no need for bait, tackle, nets or any other standard fishing equipment.

The Grunion hunter catches his fish on the beach. The amazing iridescent little fish rides in on a high tide, spawns on the sand, and washes back out to sea in a space of 30 seconds.

It is within these 30 seconds between waves that Grunion are scooped up and put into the container brought for the purpose. The number of fish caught varies with the skill of the angler and the size of the run.

Grunion resemble smelt, are Concluded on page 10.

Freshman Class On Sight-Seeing Tour

Fifty-eight freshmen from Cass City High School took a trip to Dearborn Saturday to visit the Edison Institute and Greenfield Village.

The students left Cass City at seven a. m., arriving in Dearborn in time to visit the Edison Institute before lunch.

Saturday afternoon was devoted to the tour of the famous village.

Annual Children's Day Program at Local Church

The Annual Children's Day will be observed in the Presbyterian Church on Sunday, June 3, as announced by Mrs. Ernest Croft, superintendent of the school. Children of the departments will present a pageant, "A Story to Tell," assisted by the Youth Fellowship and teachers.

The pageant or dramatization will depict the extension of the Christian Church particularly in its ministry to children, in recognition of the 50th anniversary of the vacation church school, founded in New York City by Dr. Boville.

The program is in charge of Mrs. James Champion, Mrs. Zora Day and Mrs. Donald McLeod with other selected helpers, including teachers in the church school. Mrs. A. B. Champion heads up a committee in charge of the decorating of the sanctuary for Children's Day. The service will be held at 10:30 a. m. with no Sunday School session. The sacrament of baptism will be administered by the pastor who returns this week end from Cincinnati where he and Mrs. Vender have been attending the General Assembly of their denomination.

Although no action was taken, the council plans to enact new ordinances dealing with law and order in the community. The new laws will be part of a long range program to bring the village ordinances up to date.

Until 1947, no new ordinances had been passed here since 1924 and the majority of the laws dated back to 1893 and 1900.

Since 1947, when the zoning and building ordinances were passed by the village council, the legislators have passed seven new ordinances and amended several others.

In other action during the evening, the council granted building permits to Fred Pinney, for a dwelling on Kennebec Drive, and a similar permit to Robert and Evelyn MacKay, on Ale and Garfield Avenues.

Tax Money Here

Village treasurer, Wilma Fry, reports that the license plate tax money has been returned to the village.

This year the village received \$3,335.46, the most ever allotted to Cass City.

The increase is due, Mrs. Fry stated, to the increased number of persons in the village as revealed by the recent nation-wide census.

Knight Expert on O P S Ceiling Prices

A former Cass City girl, Lucile Knight, of the office of Price Stabilization in Detroit, is an expert on the changing laws of the OPS.

She recently explained the new laws to a group of merchants at a Chamber of Commerce meeting in Bay City.

The most recent regulation exempts smaller stores from filing price charts, she told the group in Bay City. The most recent regulation varies according to the merchandise sold at the retail outlet.

Participating in the parade this year were the three high school bands, Tonette, Cadet and Senior.

Besides the bands, many other groups helped make the parade of interest to spectators who lined up along Main Street to watch the spectacle. Leading all the marchers was the color guard, followed closely by the American Legion.

The Boy Scouts, Cubs, Girl Scouts and Brownies were represented in the parade to the cemetery. Two young girls, on horseback, completed the colorful column of marchers.

At the cemetery, the band opened the service with a march number, after which Elkland Township supervisor, William A. Proffitt, introduced the speaker.

While explaining the meaning of his address, Rev. Wurtz pointed out that everyone meets the Iron Gates in life.

We should realize, Wurtz stated, that no matter how foreboding our Iron Gate may appear to us we should not despair, for we should recognize the possibility of God working in us.

After we realize and recognize our Iron Gate, we should ask for enforcement from God, Wurtz asserted.

We are here to honor our dead, who purchased our freedom, Wurtz said, let us then face the Iron Gate of our day as bravely as they faced the Iron Gate of theirs.

Rev. Arnold P. Olsen, of the First Baptist Church, gave the invocation.

After the message, Donna O'Dell played Taps to conclude the services.

A contract to repair the village swimming pool was awarded to the Hilton Guncrete Company of Pentwater, Michigan, at the regular meeting of the council Monday night.

Present plans call for the completion of the pool shortly after termination of the school year here.

For \$2,400.03, the company will resurface the entire wall area of the pool and apply a final coat that will contain color, eliminating the need for annual painting.

Six-hundred and fifty-one dollars of the amount needed will be donated by the Rotary Club. The money was netted from the Talent Night program sponsored by the club earlier this year.

Although \$2,400.03 is more than a third of the initial cost of the pool, members of the council pointed out that at today's prices Cass City's swimming pool would cost a minimum of \$50,000.

Again this year, Arthur Holmberg, high school principal, will have complete charge of the pool.

Other council activities. Besides awarding the pool contract, the council discussed several other projects in the village.

The drainage problem was discussed and methods of completing the work decided on.

The village council and the Elk- and Township board, which attended the meeting, agreed that he fire department siren should be raised for better efficiency.

New Ordinances. Although no action was taken, the council plans to enact new ordinances dealing with law and order in the community.

The new laws will be part of a long range program to bring the village ordinances up to date.

Until 1947, no new ordinances had been passed here since 1924 and the majority of the laws dated back to 1893 and 1900.

Sanilac-Tuscola Nurses Slate Sixth Meeting Monday

Nurses of the Sanilac-Tuscola area are meeting for the sixth time on Monday in Sandusky, according to Mrs. Irene Schwaderer, R. N., District Nurse of the Sanilac County Department of Health. The group will meet at the Odd-fellow Hall, at 7:30 p. m. for a steak dinner.

Recent progress and new advances in medicine will be presented by Frances Ford, M. D., of Appleton who has been invited as the speaker of the evening.

It is also hoped that a representative from the Michigan State Nurses' Association will be present to advise the group as to its future program. A majority have expressed their opinion in the past in favor of forming a District Nurses' Organization, since there is no such group in either county.

Rev. Wurtz Gives Address At Memorial Day Service

The annual Memorial Day parade in Cass City received a valued assist from the weatherman when Wednesday dawned bright and clear for the paraders and the services that followed at the cemetery.

Starting at 10:30 a. m., members of various organizations marched through the village and to the cemetery to honor the Cass City area's dead.

Participating in the parade this year were the three high school bands, Tonette, Cadet and Senior. Besides the bands, many other groups helped make the parade of interest to spectators who lined up along Main Street to watch the spectacle. Leading all the marchers was the color guard, followed closely by the American Legion.

Nut Picks

A nut pick can be a handy piece of sewing equipment. The blunt end can be used as an aid in turning belts, while the pick end can be used to pull out the corners after the belt is turned. It is also handy for pulling out basting threads.

X-Ray Probes Woods

The X-ray can now be used to find defects in logs and heavy timbers which are hidden from the naked eye by the bark and outer wood. Once the defects are located, the sawmill operator can thus use the log to best advantage.

GREENLEAF

Betty Lou Bond was reported ill with tonsillitis the first of the week.

Miss Effie MacCallum returned to her home here from Saginaw Saturday evening for a week's further rest after her recent illness.

Mr. and Mrs. Roswell Mercer of Detroit were Thursday callers at the James Dew home.

MICHIGAN MILK PRODUCERS ASSOCIATION

PROTECTION

The desire for Protection provides the motive for men joining together in a common cause. It inspired the establishment of our Free Government.

Throughout the ages mankind has been seeking protection—for self, for loved ones, for the right to live as the Creator intended man to live.

The desire for Protection inspired the establishment of the Michigan Milk Producers Association thirty-five years ago—protection for worried dairy farmers and the public which is so dependent upon them.

Through their organization, members of the M.M.P.A. have built a solid foundation for Michigan's Great Dairy Industry. Sixteen thousand of them working together as a unit provide millions of city dwellers with a constant supply of the most vital of all food products—pure, fresh milk—every day in the year, at an equitable price.

Through their cooperative activity every member also is protected—he knows he has a market for all the milk he produces with prompt payment guaranteed and at the price which the quality of his product justifies.

Such cooperative effort provides the utmost of protection for all concerned—it is in large measure responsible for the month of June being proclaimed throughout the land as DAIRY MONTH in recognition of the dairy industry's great contribution to the health and happiness of all Americans.

FIRST NOTICE OF MEETING OF

DRAINAGE BOARD

To Whom It May Concern:

Notice is hereby given that on the 7th day of May A. D. 1951, an application was filed with Freeland Sugden, County Drain Commissioner of the County of Tuscola, asking for the Laying Out and Designating a Drainage District for a certain drain in the Counties of Tuscola and Sanilac, proposed to be known as the Batel Drain.

And whereas, a certified copy of said application has been served upon Neil Muir, County Drain Commissioner of the County of Sanilac, by Freeland Sugden, County Drain Commissioner of the County of Tuscola.

Now therefore, in accordance with Act No. 375, P. A. 1928, an amended act, meeting of the Drainage Board of said drainage district will be held at the S. W. corner of Sec. 12, in the Township of Elkland, County of Tuscola on the 7th day of June A. D. 1951, at 11:00 a. m. o'clock in the forenoon, to determine the practicability of said improvement.

Now therefore, all persons owning lands liable to an assessment for benefits or whose lands will be assessed by said proposed drain, or any municipality affected, are requested to be present at said meeting, if they so desire.

Dated at Lansing, Michigan, this 16th day of May A. D. 1951.

CHARLES FINY, Director of Agriculture, By John Hudson.

*Deputy Director in charge of Drainage.

4-H Club Completes Spring Enrollments

The May meeting of the West Elkland 4-H Club was held at the Clifford Martin home on Wednesday. Election of officers was held with these results:

Pres., Bob Martus; vice pres., Fred Martin; sec., Mary Donnelly; treas., Sue Edzik; and reporter, Joyce Donnelly.

Spring enrollments were completed with ten members taking twenty-eight projects. They include: Bird study 3, frozen foods 2, canning 2, baking 2, flower garden 4, insect collecting 2, vegetable garden 2, potatoes 1, wheat 1, beans 1, junior leadership 3, and archery 5.

There will be three junior leaders to help with the club work this year. Mrs. Clifford Martin will replace Mrs. William Martus as flower garden leader and will be assisted by Jean Martus as junior leader. Fred Martin, as junior leader, will head the new archery club and the bird study group will be led by Joyce Donnelly, another junior leader. Mrs. Claude Karr and Mrs. Wm. Martus make up the mothers advisory committee for this year.
After the business meeting games were enjoyed and refreshments were served by the hostess, Mrs. Martin.

Dr. and Mrs. H. T. Donahue attended the annual Bay County Medics Party at the Bay City Country Club Wednesday, May 24. The party is for doctors and their wives. Doctors and their wives from all over Bay County were present.

Plans Complete for Otolological Clinic

Preparations for an otological clinic in Sandusky have been completed by the Sanilac County Department of Health in cooperation with the State Health Department. The ear examinations will conclude a hearing conservation program in Sanilac County which began with group audiometer tests of 3,582 school children earlier in the year and was followed by 285 individual, pure-tone tests done by Courtney Osborn and Miss Geraldine Purcell, hearing consultants of the Michigan Department of Health.

Portable equipment has been used by Miss Purcell; Mr. Osborn came to Sanilac County with a mobile Michigan Health Department trailer containing special hearing testing equipment. This trailer was first of its kind to have been equipped for testing purposes in a conservation program.

The clinic concluding the program will be conducted by Waldo A. Schaefer, M. D., F. A. C. S., otologist of Port Huron, on three successive Thursday afternoons, June 7, 14 and 21, on the second floor of the courthouse. Appointments for 79 children have been made. Following their examinations the children will be referred to their family physicians for whatever treatment is indicated to either restore the hearing loss where possible, or to make plans for rehabilitation.

Way Back When
Pericles who ruled the Athenian Empire about 450 B. C., had the Piraeus arranged in regular blocks and squares by Hippodamus of Miletus. For the first time, the main streets in a city all ran parallel and were cut at right angles by cross streets.

FROM JUNE 11-15
AT 9:30 TO 11:30 A. M.
Make plans to be there now.
ALL BOYS AND GIRLS
INVITED TO ATTEND

We Wish to Congratulate the

CLASS of '51

Yours is the largest class to graduate in the history of the school—not too big, however, for your stalwart President, Ilene Ludlow, to superintend.

You have 70 non-resident and 14 resident students. Just what would your class amount to without the non-residents?

You have 45 girls and 39 boys. Just what would your class amount to without the girls?

You have had an outstanding year in athletics; doubtless the credit is entirely due you, for you have trained the under classmen to assist exceptionally well.

In football—you won 6, lost 1, tied 1—runner-up in Upper Thumb to Vassar.

In basketball—you won the District Tournament and went to the Region Finals.

In baseball—you were runner-up and doubtless today you will win the County Championship.

In track—you won the Upper Thumb, won third in the Regional and will also win the County Meet today.

It will not be easy to replace Bob Alexander, Jim Bishop, Alfred Murray, Lee Hartel, Fred Milligan, Eugene Kloc, Jim Fox, Leslie Townsend, Chuck Watson, Ben Hobart, Jack Stahlbaum, Chester Dorland, and Roger Little, who have assisted in bringing so many honors to our school. We never could understand, however, why Coach Paddy didn't put Pat Stirton on one side of center in football and the rest of the team on the other side; but Pat won a scholarship to Central Michigan College at Mt. Pleasant and may like that better.

Speaking of scholarships, Jessie Fry, President of Student Council, won one to U. of M. and Carol Howarth, valedictorian, one to Michigan State.

You have 10 seniors out of 32 in the Glee Club which won superior rating at State and Nancy DeLong, who won the same rating at the State Solo Festival, is one of your number. You have had little to do with the band but this year it won 1st division rating in the District and 3rd division rating in the State.

Melva McConnell, who likewise assisted your debating team in winning the U. of M. award for excellence in High School debating, has won first in Regional Forensic Contest in oratory and first in District Contest for extemporaneous speaking.

You will be missed.

Michigan Mirror News Briefs

John B. Martin of Grand Rapids, state auditor general, has revealed his candidacy for the senate seat recently vacated by the late Arthur H. Vandenberg. It was no surprise. The big G. O. P. battle for nomination to the chair, now occupied by Williams' appointee, Blair Moody, is expected to be between Martin and Arthur Vandenberg, Jr., son of the famous bi-partisan policy supporter.

Vandenberg has the name but Martin for a year has been dropping not too subtle hints concerning the job and may pack more power than is expected. Young Vandenberg was his father's secretary and undoubtedly will use "experience" as the backbone of his campaign, if he runs.

There is no reason to assume he won't enter the race.

Meanwhile, Democrat Moody is allowing no moss to grow on his new senatorial shoes. Invading Grand Rapids itself (evidence of where G. O. P. opposition to him will stem) the new senator advocated restoration of unity on the same bi-partisan policy pioneered by the late senator.

A Washington reporter for many years, Moody knows politics inside out.

A movement to eliminate the last minute legislative jam which again has featured the state legislature's 1951 session has been launched by Speaker Victor A. Knox of Sault Ste. Marie, sparked off by Rep. Louis C. Crampton of Leapeer. Reform proposals: All bills must be introduced by March 1; each committee must act on bills within 30 days; additional compensation for members of the House Ways and Means committee and Senate Finance committee for budget hearings prior to convening of the legislature. Crampton favors a 90-day legislative session. Indiana legislators do the job in 60 days.

It is expected that the 1952 legislature will be asked to appropriate funds for a long-term program to erect roadsign markers to designate Michigan's historic sites and geographic features.

The request will be but one of many similar ones. Latest grab bag is the \$65,000,000 approved last fall to improve mental and tuberculosis hospitals. Counties have been standing in line to get on the gravy train. How far will \$65,000,000 go?

Already bids on six projects in the state are \$1,484,500 over funds appropriated for the jobs. Contracts are being held up pending

word from the legislature concerning additional financing.

A new state office building may be nearer than we think. State administrative board has ordered vacating of homes on the site of the new structure, just west of the capitol building. It is expected to cost \$5,000,000.

In 1950 the nation had 25,103 medical students enrolled, 101 more than in 1949. Despite military demands the 72 four-year medical schools are continuing to accept only one of every 3.6 qualified students who apply.

Says Dr. Hugo Aach, Kalamazoo: "It seems today that all the institutions want is bigger and better buildings. . . . I feel that what we need rather than more facilities is better use of the present ones and sounder judgment in choosing our medical students." He blames A. M. A.

Unemployment insurance receipts hit a new high in Michigan in 1950. Insured workers in the state earned \$6,077,697,743 during the year. Insurance benefits paid out in the entire nation last year was only \$1,400,000,000.

Chuckle of the season is the comment of Chelsea farmer, Hilarian Bibicoff, who after attending a farm meeting in Ann Arbor returned the \$7.50 paid him by the government for being present saying, "They didn't tell me anything I didn't already know. . . . I do not feel justified to accept the taxpayers' money for nothing. . . ."

Says FBI Director J. Edgar Hoover, looking at Detroit: "While the Communist party has not yet launched a program of sabotage it is a fact that every disciplined member of the party has been called upon to prepare himself to meet any emergency and to be prepared for organized violence."

Not enough managements have progressed beyond the "night watchman" form of security.

Bigger and plainer reflecting highway signs are being installed and are expected to increase safety for Michigan motorists and visiting tourists.

And an outstanding tourist season is expected by Michigan resort operators. The trend will be to short trips of distance requiring not more than one or two day's travel. Already state park attendance is up 50,000 with fishing license sales 12 percent over same period last year.

Public Debt Dangerous.
Citizens should remember that economy is the first and most important of virtues—and that public debt is the greatest danger to be feared.

District of Confusion.
A grade school student who said he thought D. C. meant District of Confusion has Washington officials puzzled—they can't figure out if he was just dumb, or was making a dirty crack.

Custom Work Survey Told in New Folder

If you're planning to hire custom farm work or to do custom work this year, a new Michigan State College folder will be of value to you.

"Rates for Custom Work in Michigan," prepared by B. R. Bookhout, MSC agricultural economist, lists custom rates reported by about 150 farmers throughout Michigan. Each farmer was asked to report the rates he charged for the principal types of custom work in 1950, and to indicate what his 1951 rates would be. Results of the survey are reported in the new folder.

Custom work, Bookhout points out, is one method of solving the problem of how to make less farm machinery and farm labor serve more farmers. Custom work will become increasingly important in the months ahead, he believes.

A copy of the folder, F-61, may be obtained from county agricultural agents' offices or by writing to the Bulletin Office, Department of Information Services, Michigan State College, East Lansing.

The happiness of your life depends on the quality of your thoughts.

FROM THE FILES OF THE CHRONICLE

Thirty-five Years Ago.

The South Side team won the baseball game which took place on Tuesday between teams of the north and south side of Main St. with a score of 14-7.

L. H. Wood is building a garage at the rear of his store.

Nearly 60 were present at the regular meeting of Cass City Lodge, I. O. O. F., Tuesday evening. A class of eight candidates, seven from Wilmet and one from the local society, were initiated into the mysteries of the first degree.

Mr. and Mrs. L. H. Wood announce the marriage of their son, Maurice, to Miss Gertrude Newell of Durand.

Word was received here Thursday that J. S. McArthur died early that morning in Port Huron. Funeral services will be held Saturday.

Twenty-five Years Ago.

Miss Faustina A. Brown passed away Tuesday morning at the Bad Axe Hospital. Funeral services were held Wednesday afternoon at the Angus McPhail home. Rev. Leach conducted services and interment was made in Elkland cemetery.

Grey F. Lenzner, who has been attending college at Kirksville, Missouri, returned to his home here last Saturday. Mr. Lenzner and his room-mate, Gerald Brooker, of Canto, Ohio, decided to hike to their respective homes. The total mileage by rail is over 700 miles; but the distance was considerably shortened by numerous "lifts" from kindly disposed motorists.

Honoring the birthday of her daughter, Lucile, Mrs. S. L. Brokenshire entertained several little girls on Saturday afternoon at her home.

The Cass City Grange will meet this evening at the home of Mr. and Mrs. Isaac Walker.

Mrs. C. W. Heller and Mrs. C. McRae entertained the Presbyterian Missionary Society at the Heller home Thursday afternoon.

Ten Years Ago.

Norwood and Jeness Eastman, sons of Mr. and Mrs. Elwood Eastman of Elkland Township, both won honors at Ypsilanti Normal. At a dinner of the Ypsilanti chapter of the National Forensic Society, Pi Kappa Delta, Norwood received the degree of honor in oratory and debate. The degree of fraternity in debate went to five students among whom was Jeness Eastman. Norwood also received the E. A. Strong Scholarship which carries with it the office of presidency of Stoics.

Miss Lorinda Rocheleau of Gagetown and Leland DeLong of Cass City were married on Saturday afternoon.

Miss June MacRae was graduated from Kirksville College of Osteopathy at Kirksville, Mo., on Saturday. She expects to be associated in the near future with her brother at Gagetown.

Special recognition will be made to 19 honor students at the eighth grade graduation exercises at Caro this morning. All 19 have an average marking better than 95%.

Members of the Wesleyan Circle enjoyed a potluck supper at the home of Mrs. Albert Gallagher with Mrs. Donald MacLachlan and Mrs. Kilborn Parsons as assistant hostesses.

Five Years Ago.

Willis Campbell has completed 25 years as an instructor in the Cass City Public Schools.

Joseph D. Sommers, proprietor

of Sommers' Bakery in Cass City, is in Morris Hospital with several fractured ribs and a splintered left elbow received in an accident when a railroad engine hit his automobile last Friday.

Smart American Motorists.

Natives who beat drums to beat off evil spirits are objects of scorn to smart American motorists who blow horns to break up traffic jams.

Ashamed of Weakness.

We sometimes wonder if the time will ever come again when a dollar can look its owner in the face without being ashamed of its weakness.

Fish Hatcheries

The United States fish and wildlife service operates some 120 fisheries which distribute annually about 3.5 billion eggs; 2.25 billion fry, and 98 billion fingerlings.

Personal News and Notes from Deford

Midweek services at the church are well attended, the only regret is there are yet many empty seats awaiting your presence. Won't you join us?

The youth meet usually at 7:45 Sunday evenings. We need you. Lyle Reynolds will be the leader June 10. Study: "Sermon On The

Mount." The Intermediate Sunday School class will have a recreation hour at the home of Lora Jean Allen Friday night.

The Sunday evening services are well attended. The last Hymn Sing of the season June 3 at 8 p. m. in the Methodist Church in

Kingston. An invitation to every-

one to come. The June W. C. T. U. will meet June 14. Schedule: Hostess, Mrs. Laura Clarke; devotions, Mrs. Cora Slingland, and the lesson leader, Miss Harriet Warner. Let's all fight a praying battle to make our community a good place for our boys and girls to grow up in. This meeting is postponed one week as the county convention of the W. C. T. U. will be held in Caro, June 8, at 10 a. m. with three sessions.

Mrs. Walter Hoenicke of Forestville was the guest of Mrs. Ruth Sherman Sunday and Monday. Mrs. Hoenicke, Mrs. Sherman and daughter, Mabel, Mrs. Walter Thompson and daughter, Georgia, spent Monday at Fairgrove and visited the cemetery there.

Mrs. Earl Rayl, Sr., Carolyn, Mrs. Edwin Rayl, Mrs. Harold Rayl and Rona Lou were among the guests attending a bridal shower for Miss Deliah Hirsch on Friday night at the home of Mrs. Virgil Geister of Decker.

Marilyn Rayl is spending a few days at the home of her brother, Arnold, and family near Lapeer.

Mr. and Mrs. Earl Rayl, Jr., were guests at his parental home Sunday afternoon.

Mr. and Mrs. Herb Tanner and son and Mrs. Eliza Polen of Crosswell were callers of Mr. and Mrs. Darwin Curtis Sunday.

Mr. and Mrs. Albert Launder Shear of Utica were Saturday night and Sunday guests at the George Robin home.

Visitors of Mr. and Mrs. John Clark on Sunday were Mr. and Mrs. Floyd Rondo, Mr. and Mrs. Isaac Tedford, Mr. and Mrs. Bub Wright and Mr. and Mrs. Jack Tedford of Pontiac, Mr. and Mrs. Delbert Martin of Caro and Mrs. Max Agar and Ruth Ann of Cass City.

Mrs. N. A. Samaras of St. Petersburg, Fla., called on Mrs. Howard Malcolm Sunday.

Mr. and Mrs. Hugh Kelley, Mr. and Mrs. B. Kelley and Dee Kelley of Pontiac were Sunday guests of their parents, Mr. and Mrs. Wm. Kelley.

Extension Club Meets at Bond Home

The Greenleaf Extension Club held their last meeting of the season at the home of Mrs. Chas. Bond on Friday, May 25.

The meeting opened by repeating the Michigan Extension Women's Creed in unison.

The business session was conducted by Mrs. Elmer Feuster, chairman. Roll call was answered by naming a new fabric and its uses.

Mrs. Bond gave an extensive and well-organized report on the Michigan Home Economics Association convention which was held at the Hotel Statler in Detroit last winter.

Mrs. Anson Karr gave a report on the annual tea which was held in Sandusky, and presented a very interesting lesson on new fabrics and their uses.

The hostess served dainty sandwiches and cakes with tea and coffee. The next meeting will be held in September.

Electric Mixers

To pour flour into an electric mixer proceed as follows: First sift the flour onto a sheet of heavy waxed paper; then, holding the two opposite edges together, pour the flour into the electric mixer from the paper scoop.

St. Helena island

Nearly 5,000 people living on Great Britain's lonely St. Helena island in the South Atlantic ocean get along satisfactorily on their 47-square-mile exposed submarine mountain summit without an internal mail system. A large part of the revenue of this island of Napoleon's exile, however, comes from the sale of its postage stamps to collectors.

Oldest Metal

Lead is one of the oldest of metals. There is evidence that the Egyptians used it some 5,000 years ago, and there are numerous references to it in the Old Testament. In Exodus it is written that Pharaoh's hosts, destroyed while pursuing Moses and his followers, "sank as lead in the mighty waters."

Seurynek - LaPratt Married Recently

The wedding of Miss Catherine Seurynek and Charles LaPratt was solemnized Saturday, May 5, in St. Agathas Church in Gagetown. Rev. Lucien Bourget conducted the rites before an altar decorated with bouquets of gladioli. Mr. and Mrs. Frank Seurynek of Gagetown are the bride's parents and the groom is the son of Mr. and Mrs. Ludger LaPratt of Caro.

Attired in a gown of Chantilly lace, fashioned with a basque waist and full Cathedral train of lace with satin inserts, and a lace edged veil of imported illusion which was attached to her satin bonnet, the bride was given in marriage by her father.

She carried a white prayer book and a bouquet of red roses and white carnations.

Mrs. Charles LaPratt. Her attendants were Miss Olive LaPratt of Caro, sister of the groom, in a maize taffeta gown and headdress, and Mrs. Thomas Seurynek of Gagetown, whose gown and headdress were styled of orchid taffeta. They carried bouquets of yellow roses and white carnations tied with matching ribbon.

The groom was attended by his brother, Wayne, and Thomas Seurynek, brother of the bride. Ushers were James Winchester of Gagetown and William Nickert of Flint.

A wedding breakfast for the bridal party was served by Mrs. James Winchester and dinner for the immediate families was held at the O'Rourke restaurant. The dinner table was centered with a four-tiered wedding cake. A reception for 300 guests was given at the Arbeiter Hall in Sebawaing in the evening.

Insect-Eating Papoose

Incognito
Under a flossy pen name a young writer named Smith had a best-seller published - a romantic book that was gobbled up by the public and the movies. On the strength of his success, the writer married, traveled widely, and was idolized by the ladies who sat on resort-hotel porches. Finally, all this adulation began to pall on the couple.

One evening they entered a swank hotel, and when the novelist picked up the pen to register, his bride said - in a voice that was overheard by the hotel clerk - "Why don't you just register under the name of Smith this time, darling?"

Lawyer-When I was a boy my ambition was to be a pirate. Client-Congratulations!

THAT'S RIGHT
George Ade, in his quality of cynical bachelor, said at the Chicago Athletic Club:

"I was sitting with a little girl of eight one afternoon. She looked up after her Hans Andersen and said:

"Does m-r-a-g-e spell marriage, Mr. Ade?"

"Yes, my child," said I."

90 Proof
Most people have no respect for age unless it's bottled.

Her Mistake
"My wife talks to herself." "So does mine, but she don't know it. She thinks I'm listening."

LET'S TALK IT OVER

Disaster.
Losing a tree out of an orchard is a sad occasion. There is little financial loss. A replacement will only cost a few dollars. With a few strokes of an axe you cut down 10 years of pruning, spraying and tender care.

Orchards don't thrive on sudden changes of temperature. Last November, most of the state experienced that rare phenomenon of having an Indian Summer vanish overnight with below zero thermometer readings coming in. In the fruit belt along the Western side of the state this was indeed a tragedy. The warm weather had caused the sap to re-enter the branches. The cold snap froze the sap and killed many trees. In the peach orchards four-fifths of the crop was destroyed. Fruit growers expect a crop failure once in a while. They can well survive a bad year now and then. It is the loss of the mature trees that is irreplaceable.

Four trees out of our orchard of twenty-five were nipped. Two cherry trees, an apple and pear tree appear to be recovering, but our beautiful Anoka apple tree located right in the middle of the lawn seems beyond recovery. My heart will be heavy the day I cut it down. It was planted ten years ago when we started to build.

Chestnut Trees.
Most Italians make a wry face when you mention chestnuts. They have good cause. During the last war it was either chestnuts or starvation - in some instances.

During the stalemate in the Apennine Mountains in the winter of 1944-45 we made friends with an Italian family and enjoyed the hospitality of their fireplace many times. They, like so many others had gathered a bumper crop of chestnuts to help solve their food problems that winter. It was during that winter we developed a fondness for roast chestnuts.

Forty years ago, a blight in this country caused the complete destruction of every chestnut tree from Canada to the Gulf of Mexico. The disease was first reported in 1904 and spread quickly, setting a record that has never since been equalled.

The American chestnut was the

main source of our domestic tannin, especially valuable in wartime. Years after the trees were killed the dead wood was used for the extraction of tannin.

In 1949, after 40 years of research, Government Foresters came up with a blight resistant cross between an Asiatic and American chestnut. Seeds were sent to nurseries and it is now possible to obtain this new cross for domestic planting.

We ordered three of these "Chinese chestnut" trees from a source in Pennsylvania. They arrived yesterday and were quickly planted. If everything goes according to the catalogue, we'll be gathering our own sweet chestnuts in about three years.

Wildlife Food.
Sweet chestnut trees grown in a farmer's wood-lot are an important source of food for wild game. They also make excellent poles and posts.

Most of the old holiday recipes called for the festive fowl to be stuffed with chestnut dressing.

If this Asiatic-American cross turns out to be a success our economy will be greatly benefited.

Forty years of research will pay real dividends.

Grassland Vital for Larger Crop Yields

All-out production of food, fiber and other crops cannot be maintained long if grasslands are eliminated from crop rotations. Richard Bell, Michigan State College farm crops extension specialist, made this comment in stressing the need for continued effort for production of more high quality grasses and legumes on Michigan farms.

"To protect the soil and to give profitable and sustained food production, farmers must resist the urge to reduce acreages of good grasses and legumes during this period of high demand for cash crops," Bell opined. Improved grasslands will make possible greater forage production on fewer acres.

After a year or two in soil-building grasses and legumes, the crops specialist says, these acres will then produce larger yields of grains and other cash crops.

Bell, who also heads the committee planning six Grass Days throughout the state in June, urges farmers to attend the event nearest them.

The demonstration plots, which show what good practices, fertilization, seed selection and management can do to increase forage production, will be explained at each farm. There will also be discussion of utilization of the forage crops by farm animals.

The six Michigan Grass Day programs will be held in mid-June in Calhoun, St. Clair, Saginaw, Montcalm, Manistee and Osceola counties.

Michigan's upper peninsula farmers are participating in pasture improvement programs this summer. Extension specialists in that area believe these county events will be very valuable this year in stimulating the production and utilization of better forages.

Montague - Hartwick Rites in Novesta

Miss Leota Montague, daughter of Mr. and Mrs. Clark Montague of Deford, and Robert Hartwick, son of Mr. and Mrs. Edward Hartwick, were married Saturday evening, in the Novesta Baptist Church. Rev. C. E. Landrith performed the ceremony.

The bride was given in marriage by her father. She wore a white suit with white accessories and carried a colonial bouquet. Her bridesmaid, Miss Lois McNeilly, of Deford chose a gray suit with white accessories and a corsage of red roses.

Ray Vargo of Cass City was groomsmen.

A reception was held in the Deford Town Hall Saturday evening. Mr. and Mrs. Hartwick are both employed in Cass City and will reside here.

Animal nutrition experts are emphasizing again the importance of harvesting the hay crop early to obtain more valuable forage. Alfalfa and clover hay cut in the very early stages of bloom yield a higher protein content and are more completely digestible. Hay harvested before it reaches one-half bloom results in a lower-cost dairy ration since less protein supplement is required to balance the ration.

MSC Circular Bulletin 214, "Chemical Weed Control," is available at the County Extension Office in the courthouse. Various compounds and the specific use for each are listed, along with directions for mixing.

Applying 150 to 200 pounds per acre of fertilizer with field beans is usually a worthwhile investment, according to agronomy experts. It is recommended, however, that fertilizer be applied in bands on inch to the side and one and one-half inches below the seed, or broadcast with a grain drill before planting. When seed is drilled in contact with commercial fertilizer, some injury is likely to develop, resulting in a poor stand.

A new up-to-date MSC folder, F-161, "Rates for Custom Work in Michigan," will be available in the Extension Office in a few days. This folder reports on surveys which have gathered information on farm custom rates in all parts of the state during the past few months.

Miss Habicht Honored at Shower

On the evening of May 26 Janet Habicht, bride-elect, was guest of honor at a shower given by her aunt, Mrs. C. S. Neal, at the Neal home in Grosse Ile.

Guests attended from Milan, Ypsilanti, Plymouth and Detroit. Mrs. Harry Habicht and Mrs. Hetty Livingston of Cass City also were present and with Miss Habicht spent the night at the Neal home.

about six inches long and the State Fisheries Laboratory can give the exact hour to the minute when the silvery fish will start and stop.

The spawning runs extend from March to August, with April and May a closed season.

The best runs always occur between the second and third nights following a full or new moon.

The eggs that are laid in the sand by the Grunion hatch in two weeks and are immediately washed back into the ocean by receding waves. This occurs with astonishing regularity until August when the run is over for another year.

at present time although nurses had been eligible to join either the St. Clair County or Saginaw County groups. Registration lists in the two counties show a total of 79 nurses in Sanilac County and 87 in Tuscola County. The Sanilac County Department of Health through the efforts of its staff nurse, Mrs. Irene Schwaderer, and clerk, Mrs. Faith Kelley, has been sponsoring the nurses' meetings since March of 1950. Programs for each meeting have been arranged through the cooperation of member nurses.

Falls Most Frequent Cause of Accidents

Falls are the number one cause of fatal accidents in Michigan homes, says Miss Jean E. Gillies, county home demonstration agent. Falls on stairways are the most frequent cause of accidental deaths in homes, especially among people 65 years and older.

Word from Olevia C. Meyer, extension specialist in home management at Michigan State College, says that the older age groups are most susceptible to falls.

In 1949, according to the Michigan State Department of Health, 903 deaths for all ages were caused by falls in Michigan homes. Of these, 781, or 86 percent, occurred on stairways. Seventy-one percent of those who died as a result of falls on stairs were people over 65 years of age.

Ten simple rules, if strictly followed, can reduce stairway falls, Miss Meyer believes.

1. Provide a good, sturdy hand rail on all stairways, and teach people to use it.
2. Be sure there is good light the full length on all stairways without glare in the eyes.
3. Place two-way switches at the top and bottom of the stairway to light your way as you go.
4. Finish steps in light colors to make them easier to see.
5. Keep steps and step coverings in good repair at all times.
6. Remember stairways are not intended for storage.
7. Keep steps clear of small objects such as burned matches, cigarette butts, bobby pins, buttons and marbles.
8. Avoid the use of wax and other slippery finishes on steps.
9. Small throw rugs should not be used at the head and foot of stairways.
10. Teach children and other members of the family to observe these rules.

Insect Control to Be Important Job

Pest control may be one of the factors that determines whether Michigan farmers can meet the request for additional food and fiber for national defense this year. Ray Hutson, head of the department of entomology at Michigan State College, points out that defense demands are for many of the same chemicals used in making insecticides.

"It could be a story like that for the want of a nail a battle was lost" if adequate chlorine, benzene, alcohol and sulphur are not available for making insect control items," the entomologist warned.

The MSC authority points out that toxaphene, BHC, lindane and chloradane, among some of the leading insecticides, must be made from chlorine and benzene. DDT and methoxychlor require alcohol as well as benzene and chlorine for their manufacture.

Manufacturers and suppliers, Hutson reports, have stocked themselves for normal needs this year. But local outbreaks of bugs could force heavy demands and necessitate substitutions. The entomologists say Michigan suppliers of insecticides have planned to handle the needs within the state and substitutions have been stocked for many items expected to be in short supply.

Hutson advises farmers, fruit growers and truck gardeners to keep an adequate stock on hand and to order their needs well in advance. This will permit suppliers to anticipate the needs from manufacturers and prevent shortages at critical periods, he believes.

Automobile Accident Causes Death of William H. Moreton

Burial services for William H. Moreton, 65, of Detroit were conducted Saturday afternoon by Dean Weaver of St. Paul's Cathedral.

Moreton died Wednesday, May 23, from injuries suffered in an automobile accident the previous day when the car, in which he and his business partner, George H. Cheney, were riding, skidded and crashed into a tree on US-10 during a storm.

A native of Salt Lake City, Utah, he moved to Detroit in 1916 and resided in that city until the time of his death. He is survived by his wife, Ruth Striffler Moreton, who is a sister of Mrs. John Sandham and Mrs. Angus MacPhail of Cass City.

Dean Weaver also officiated at the funeral rites which were held in St. Paul's Cathedral in Detroit at 11 o'clock on Saturday.

Valley Trails Camp To Open in June

Many camps are available to our county's youth and one of the biggest of these camps is the Summer Camp of the Boy Scouts operated by the Valley Trails Council that serves our county area. They supervise a 480 acre tract of wooded area which includes Lake Rotary, nine miles north of Clare, Michigan.

The camp enrollment is now over 900 boys with some of them coming from Caro, Cass City, Kingston, and other parts of the county. The Camp has six troop camp sites which will accommodate about 148 boys at one time. In addition to this there is one Explorer Camp Site that will be supervised by Emmerson Scott of Caro, the former skipper of the Caro Sea Scout Ship, who made a 5000 mile trip from Saginaw to the Arctic Circle by canoe.

The camp opens on June 24 and continues for a period of eight weeks. Any registered scout may attend for one or more weeks.

Extension Workers Attend Conference

Extension workers from Tuscola County attending the Annual Conference at Michigan State College were taken "back stage" to view new developments in the field of agricultural research, reports Alfred P. Ballweg, County Agricultural Agent. Research in the "biological age" was the general theme of the conference.

Such topics as the use of hormones in plants and animals, animal and plant breeding, nutrition of plants, animals and humans, animal diseases and the use of radio active isotopes in research with plants and animals were discussed by the staff of the M. S. C. Experimental Station.

The Extension Agents of Tuscola County stand ready at all times to bring the latest information from M. S. C. to the people of the county. "We welcome you to call at your county office at any time we may be of help to you," says Ballweg.
