A fire, Wednesday morning, thought to have been caused by a faulty chimney, broke out in the roof of the Walter Posluszny home, one-half mile east of Deford, and destroyed the roof and badly damaged the front half of the upstairs of the frame building.

Firemen of the Eikland Township Fire Department, which answered the alarm, said that they battled the blaze for more than an hour before the flames were subdued.

When the fire started Posluszny was away and neighbors and firemen were forced to carry the furniture out of the home. The cost of the damage has not yet been ascertained.

Good News

Truck crop farmers take the greatest risk. All through the 1951 season we heard reports of good yields and prices in most areas. In Michigan, three significant things happened.

First, we planted about the same acreage in 1951.

Second, the total tonnage about seven per cent higher. Third, the value of these truck crops were 10 per cent higher. Same acreage, better yield, more money. This is a tribute to good

In past years, we've seen a lot of tomatoes go unwanted at 50 cents a bushel. In 1951 the average We are a nation at war. Wheat price was over 2.50. Those are the in the storage bins of the country tomatoes sold by farmers on the is just as important as the num-open market. The canning factories paid 20 dollars a ton for tomatoes three years ago. Last year the price was 30 dollars a ton.

Plymouth's Pace-Setting New Belyedere

Here's Plymouth's smart hardtop club coupe, the Belvedere, the pace-setter in the lowest price field with its new concepts in styling and beauty. The car has glistening, lively two-tone colors: Suede Tan with Sable Bronze top; Belmont Blue Polychromatic with Sterling Grey top; Mint Green with Black top. The color used on the roof follows the Belvedere's streamlined contours around the spacious rear window and down over the rear deck, giving the car the continental look. Sparkling chrome molding outlines the top and carries back to separate the two colors at their junction at the rear quarter-panel. The interior is luxurious, with colorful quality fabrics and vinyl blended in perfect harmony with the shades used on the exterior.
