

From the Editor's Corner

This year, Cass City Value Days promises to be a bigger event in the village than the ones held in the two preceding years. Merchants along Main Street have been preparing for the event for many weeks by watching for and buying for the event.

Shoppers' acceptance of the plan for village-wide bargain days was proven last year when sales topped the original Value Days in 1951. The plan was originated and is still sponsored by the Cass City Chamber of Commerce.

We were happy to read a report that the Cass City Gavel Club is considering numerous projects for the welfare of the village. Over the years, since its inception, the group of civic-minded Cass Cityites have sponsored and completed many projects that have made the village a more pleasant and prosperous place to live.

The projects, outlined in a story that appears in the Chronicle this week, are evidence that the club is still progressing and working for the welfare of the community.

Final Citizenship Hearing Scheduled

The final hearing is slated this month for two area persons who have made application for naturalization, according to Fred Mathews, Tuscola County Clerk. The two are: Gabor Hober, Gagetown, and Borbala Paladi, Deford.

Coming Auctions

Two sales are listed this week for Tuesday, May 5, they are slated at the same place, four miles east, two south and four and one-quarter miles east of Cass City, at 1:00 o'clock, William Rowley will sell his personal property. Immediately following this sale, another will be held at the same premises to settle the White estate.

Sentence LaPeer Slayer to Prison Term Tuesday

Ronald Frederiksen, 16, of Pontiac was sentenced to prison for 18 months to 15 years for fatally shooting Wayne LaPeer, 17, of Cass City in the woods near Atlanta, Michigan, while deer hunting Nov. 16, 1952.

Circuit Judge Arthur W. Wilcox sentenced him Tuesday after the youth was found guilty of involuntary manslaughter, as charged.

Prosecuting Attorney Sidney Gassell said that the area where the shooting occurred was not heavily wooded and offered no obstruction to good visibility.

Frederiksen claimed that he had mistaken Wayne for a bear.

Wins Scholarship

Robert Fox, son of Mr. and Mrs. Ronald Fox, Cass City, has been awarded a tuition scholarship from the Michigan State Tuscola County Alumni Association.

Robert, an outstanding student at Cass City High School, plans to enroll in the school of agriculture at MSC.

George F. Foster, president of the alumni association, said that Robert was awarded the scholarship for character and leadership—primary prerequisites for winning the award.

Noted Speaker to Appear for Annual Ladies' Night

Rev. Robert Richards, pastor of the Newburg Methodist Church of Plymouth, will be the guest speaker at the annual ladies' night of the Cass City Community Club Tuesday, May 5.

Rev. Richards was born and raised in Wales, England, and immigrated to the United States after World War I.

His topic for discussion will be "Why I am glad to be an American." In his address, he traces his life history, starting with his early boyhood and subsequent work in the English coal mines, to his present day activities.

Rev. Richards received his high school and college education after coming to the United States.

The story of his life, as he tells it, has made him an especially popular speaker. Authorities of the Community Club were forced to contact him far in advance to secure his appearance here Tuesday.

He has appeared in various Thumb communities and spoken at Michigan State College. Several persons in the area have heard his address and report that they eagerly look forward to hearing him again.

Twenty Called to Fill Tuscola May Draft Quota

One Cass City youth, Clarence Schneberger, is among 20 young men who have received their induction notices to report to the American Legion Hall at 6:30 a. m. May 11 for induction into the armed forces.

The May draft lists three men from Akron: William Powell, Dale Sherman and Robert Frent, and five men from Caro: Keith Green, Delano Corey, David Rushlo, Lee TerBush and Richard P. Downing.

Fairgrove will send James Czowski and Timothy Sheridan. Donald Robinson, Dennis Grimshaw and William Freeland will leave from Mayville.

Burton Gross from Millington, Gale Nelson from Reese and Patrick Goslin from Unionville will also leave May 11.

The list is concluded with three men from Vassar: Erwin Weber, Frank Stedry and John Doering.

Deford and Gagetown were not called on to help fill the May quota.

Scout Leaders Look For Camp Leader

The Tuscola County Girl Scouts are badly in need of a camp director for summer day camp to be held at Akron Community Park in June and July.

Authorities of the organization pointed out that a training course in the work is offered at the National Girl Scout Camp Training Program at George Williams College, College Camp, Wisconsin.

Some college education is required to be eligible for the position. The county organization has asserted that they will pay the expenses for the course which is scheduled May 8-17.

The program was organized at the regular meeting of the Tuscola County Girl Scout Association officers, held at the Cass City council rooms Wednesday, April 15.

Mrs. Tim Sellers presided in the absence of the president, Mrs. Robert Colloday. Members were present from Caro, Vassar, Akron, Fairgrove, Unionville, Mayville and Cass City.

The county adult workers will gather at the Akron High School Wednesday, May 6, for a 7 p. m. Concluded on page 12.

Baptist Church to Extensively Remodel

The Baptist Church in Cass City will have extensive remodeling in the near future if plans, okayed in a building permit granted by the village council Tuesday evening, are completed.

Members of the church are enlarging the basement to 26 feet by 22 feet, enlarging the auditorium and adding a nursery.

The proposed work will cost the congregation an estimated \$8,000. The enlargement of the basement will be accompanied by extra rooms for church work.

Local Improvement Projects Discussed At Gavel Club

The Cass City Gavel Club discussed projects the club could sponsor to improve and aid the growth of the village, Tuesday evening at their regular meeting at the New Gordon Hotel.

Under the direction of co-chairmen, Glen McCullough and Bernard Ross, the members discussed six beneficial community projects: (1) a new community building in the village; (2) gateway to park; (3) lights for baseball field; (4) enlarging Christmas display; (5) assisting in hospital drive; (6) acquiring a site and the building of a building for a factory in the village.

After discussion, the six projects were taken under advisement for further study and are expected to be brought before the club at their next meeting.

Iowa Tests Show Seniors Rank Near Top Nationally

Each spring the seniors of Cass City High School write the Iowa Tests of Educational Development, a battery of achievement tests covering all the areas of high school work. The tests are scored at the University of Iowa and each student is supplied with a profile giving his or her percentile rank in each test, as well as a composite ranking. This tells the senior not only how his score compared with the average of his own class but also with seniors nationally.

In addition to the individual scores, the school administration is also supplied with a report telling how the senior class, as a group, ranked in each test and in the combined score. This information is also given on a percentile basis.

Thus, an 80th percentile would mean that, as a group, the seniors were equal to or better than 80 per cent of seniors nationally.

The class, soon to be graduated from the local school, came through with most gratifying results in all the tests, according to data recently received by school authorities.

In all the eight tests used to determine the final score, the local seniors rated in the 70th percentile or higher. Their highest score was in the test on Natural Science Backgrounds where their percentile rank was 87. Other high ranks were 85 in Interpretation of Social Studies Materials, 80 in Social Studies Background and 80 in Interpretation of Natural Science Materials. In the final composite score, the class earned a percentile of 80, indicating that as a group they would break into the upper quarter of seniors nationally.

Tea Slated for Prospective Nurses

A tea will be held Wednesday, May 6, at 4 p. m. in the Home Economics room of the high school. All high school girls interested in nursing, together with their mothers, are invited to attend.

The wives of Cass City doctors are to be hostesses. Because of the acute shortage of nurses and the need to interest more women in the profession, the Tuscola County Auxiliary to the Michigan State Medical Society is anxious to assist and advise all girls considering a nursing career.

Youth Group Hears Rabbi in Saginaw

Eight members of the Westminster Fellowship attended a service at Temple Bethel in Saginaw Friday evening and heard Rabbi Schwartz speak on "The Problem of Peace."

The group, which was accompanied by Mrs. Eldon Hall, adult leader, and Mrs. Don MacLachlan, enjoyed a question and answer period after the address. Ruth Merchant is president of the Westminster group.

The next item on the inter-group fellowship program will be a Negro choir which the group is sponsoring.

The choir will present a sacred concert, which is open to the public, May 17 at 8 p. m.

Rev. M. R. Vender, who serves as resource counselor for the young people, says, "This is one of the most responsive groups we have had. They are eager for new adventures of experience and ser-

Strike Threatens to Halt All Work at Two Nestle's Plants

Lt. Gordon Hartwick Flies Crippled Plane Safely to Base

Lt. Gordon Hartwick, son of Mrs. Fred Hartwick of Deford, together with nine crew members, were commended for their skillful performance and alert action by their commanding officer when they flew their plane 400 miles on one engine with visibility down to zero.

Homeward bound, via the Azores from French Morocco after five months' duty, the huge aircraft's starboard engine faded out after logging some 900 miles over the Atlantic and approximately 400 miles out of Argentina, Newfoundland.

Headwinds and zero visibility made it tougher, but pilot Lt. Hartwick skillfully trimmed the plane to fly on one engine.

Three hours later, still over the Atlantic and some 60 miles out, the crippled bomber was picked up by Navy Argentina's Ground Control Approach and brought to a safe landing with a 200-foot ceiling and one-half mile visibility.

Hawks Win First Home Track Meet

Cass City had little trouble annexing a triangular track meet held Wednesday, April 22, with Marlette and Sandusky. The Hawks won 13 firsts and piled up 68 2/5 points.

Sandusky scored 25.9 points and Marlette 42.7.

The complete results:

Pole vault: won by Wallace, CC; second, Bennett, S; third, Foy, CC. 10 feet, eight inches.

High jump: Wallace, CC; Clara, CC; Almas, M. Five feet, two inches.

Shot put: won by Burdon, CC; second, Brown, M; third, Bartle, CC. 40 feet, 11 inches.

Broad jump: won by Burdon, CC; second, Bennett, S; third, Guinther, CC. 20 feet 3/8 inch.

High hurdles: won by Lick, M; second, Martus, CC; third, Bennett, S. Time—17.1.

Medley relay: won by Sandusky; second, Marlette. Cass City disqualified. Time—3:1.2.

100-yard dash: won by Burdon, CC; second, Lambert, M; third, Clara, CC. Time—11.2.

440-yard dash: won by Guinther, CC; second, Almas, M; VanEtten, M; Sweet, S. Time—57.5.

1 mile run: won by Kritzman, CC; second, Matter, S; third, Tuckey, CC. Concluded on page 12.

Youth Group Will Hold First Banquet

The first annual Christian Youth on the March banquet will be held Saturday, May 9, at 6:30 p. m. at the Vassar High School auditorium.

The banquet will be in honor of county high school graduates. Pat Zondervan, vice-president of Gideons International and an executive of the Zondervan Publishing Company, will be the guest speaker.

Mr. Zondervan will tell of his recent tour of England and his work as a personal evangelist.

Special music for the event will be presented by Roselyn Franklin of Emmelena, Ky., and Shirley York, Mayville.

The rally, following the banquet, will start at 8 p. m. It is open to the public.

Routine Business Transacted At Council Meeting Tuesday

The Cass City Village Council decided routine business matters and started to establish the summer program at the park at their regular monthly meeting at the Cass City Municipal Building Tuesday evening.

Irv. Claseman, who will be recreation director at the park again this summer, was handed a tentative schedule for the summer program.

A regular program will be established in the morning hours and swimming will be the only organized activity in the afternoon.

Mr. Claseman has been asked by the council members to devote the afternoon hours to maintenance work. His principal work will be painting at the field.

Council members instructed the clerk, Mrs. Wilma Fry, to pay a bill for \$2,254 for pre-filter pumps

Workers belonging to the United Dairy Workers, Local 83, CIO, have voted to strike at the Nestle's Milk Company in Cass City, unless wage demands presented to company authorities are met.

Officials for the union in Detroit have notified the state government of their intentions. By law, the workers are required to wait until a meeting is held with a representative from the state before striking, if the representative appears on the scene within 30 days.

Immediately following the meeting, or after 30 days, whichever is first, the union can call a strike.

Union demands at the present time call for a flat increase of 20 cents per hour. At the original meeting between management and union, held last Wednesday, the union requested an increase of 30 cents.

When company officials refused, they held a meeting and voted to strike if they were not granted a 20 cents an hour increase.

The strike would not only close the Cass City plant, but would close the Ubyl Nestle's plant as well. Workers in Ubyl belong to the same union as the Cass City employees do.

Bargaining Clause

The union contract with Nestle's would ordinarily expire in November. However, when the contract was signed last year, wage controls were still in effect.

At the union's request, a clause was inserted in the contract allowing either party to reopen the contract.

With the end of wage control, the union decided to seek more money.

Hawks Win Two Games to Tie for Conference Lead

Cass City's baseball nine leaped into a tie with Caro to head the Thumb "B" Conference with two victories in as many starts in league competition as they whipped Bad Axe, 7-2, and edged Sandusky, 4-3. The wins were the fourth straight of the season for the Hawks who are undefeated.

The squad's first league victory was recorded Thursday, April 23, when they defeated Bad Axe at their home grounds.

A four-run second inning rally proved to be enough for Jim Evans to win his first high school start as he showed excellent control and a good fast ball.

The Hawks' markers were the results of walks. They combined six bases-on-balls with a lone hit for their four markers in the second inning.

In the next inning, Cass City combined hits by Burdon, Doyen, Agar and LeRoy Hoag for two more runs.

The best Bad Axe could do was a single out in the first and sixth innings.

Defeat Sandusky
In their home opener, the Hawks played their toughest game of the season as they edged Sandusky, 4-3, behind the four-hit hurling of Bob Wallace.

The Sanilac nine started off in the first inning as if they were going to hammer Wallace out of the box. They garnered three of their four safetys in that inning and

MICHIGAN MIRROR NEWS BRIEFS

Maneuvers, pot shots and pressures continue to characterize the state's tax picture. All agree that new taxes must be forthcoming; all continue to point fingers in the other direction when it comes to deciding who shall be taxed.

House Republicans have been making strong behind-the-scenes efforts to come up with a tax they could vote through the House. When and if they succeed in this, the bill must secure approval from the Senate before going to the governor. Representatives say that the Senate would not pass a corporate profits tax, should it get through the House. In short, some of them seem sure that a bill the House could agree upon, could not pass the Senate. So belief continues that no complete tax solution will be produced until after June 30, the end of the fiscal year, when the exact amount of the deficit will be known.

Talk of a special session led to a new idea that the Legislature might not adjourn on May 22 as originally planned, but would recess with the idea of returning to handle taxation or whatever other matter it might choose. If there is an adjournment, with the governor calling a special session, he can also limit subjects for legislative consideration; a recess leaves the lawmakers with free hands.

With payroll, corporate profits, business profits, taxes and several other proposals under consideration, it is anybody's guess what will happen. Proponents of Representative Walter Nill's (D Muskegon) corporate profits tax have been waiting to force their issue. They agree that earmarking of funds caused much of the present trouble and say that it would be possible, once their tax is adopted for the Legislature to reduce this damage by exempting certain commodities like food and clothing, from sales tax. Loss of funds from the sales tax diversion, they think, could be made up by the corporate profits tax.

This detracts some appeal from those who support a widely based, short term tax program temporarily affecting many people. They argue that these people will agitate for removal of the tax and elimination of the Constitutional earmarking provisions.

Main trouble with the "wide base" tax thinking is that people who are expected to exert pressure to change the Constitution after their taxes are collected and the deficit eliminated, are already agitating, and very hard, against any tax on themselves in the first place.

For instance, Rep. Nill has on his desk letters from members of the tourist trade objecting to proposed short term taxes on their operation. He has a copy of Senate

Bill 1272 by Senator George N. Higgins (R Oakland and Washtenaw) with this remark typed in the corner: This would mean about \$21,000,000 a month tax for (a western Michigan oil business). He also has a letter showing that the bill, which taxes petroleum at 10c per barrel, defines barrel as 31 gallons and that the accepted barrel capacity in the industry is 42 gallons. This, he argues, would raise the tax from a dime to 13.55c per actual barrel used.

Legislative mills in Michigan are grinding, as they sometimes do in a democracy, slowly, tipping first one way, then the other as weight of public opinion and interest makes itself felt.

Plans to promote the state with a national publicity program are under consideration. It'll be called "Michigan Weeks" and may take place this October. Godfather of the promotion is Michigan Department of Economic Development which will try to coordinate statewide programs with local Chambers of Commerce and other service clubs. The same group will coordinate fund raising and interests of the widely diversified groups which are hoped will be interested in Michigan Weeks.

Screening of tourists for industrial prospects is being recommended by the Department of Economic Development. A three

page memorandum, sent to industrial and would be industrial areas, urges that keypoints in the community be used in an attempt to interest any visitor connected with a factory to locate it there.

Prepare placards inviting questions about industrial sites; seek assistance from hotel, resort or restaurant operators for tips about industrialists vacationing in the area; ask for newspaper publicity about advantages of the location. These and many other ideas are submitted in the hopes that new industry will be sold on a Michigan location for its home.

Increased loss of life and property from traffic accidents caused increased concern in state and city circles. New and grimmer statistics were undoubtedly a factor in the passage last week of a Senate bill to limit Michigan highway speeds. The proposal calls for limits of 65 miles per hour in daylight and 55 at night. It is hoped that rigid control of speed will reduce accidents for figures show that driver violations are involved in 75% of accidents; that excess speed is responsible for 45% of these.

The House also trotted out and passed a bill for stricter control of driver licensing. This bill had been returned to committee but in the face of more traffic deaths, it was called back for approval.

Home Demonstration Week, May 3-9

Tuscola County's 600 Home Demonstration members are a part of the 40,000 members in Michigan who will observe National Home Demonstration Week, May 3 to 9. Home Demonstration members are now in the process of selecting lessons for the coming program year which starts in September. Thus far in 1953, lessons in Tuscola County have included "What's Next in Korea," "New Hats from Old," and "Your Meals and Your Manners." In May, a lesson on "Improve Your Storage Space" will be presented, followed by a June lesson on basketweaving.

Home Demonstration work is an educational program under the Co-operative Extension Service of Michigan State College. The work is open to any women who are interested in getting together in a group to learn more about the different aspects of the home, the family and the community.

ald S. Leonard has considered asking for volunteers from the police force to work extra hours. Death rate there is 60% higher than last year with speed and carelessness listed as major causes in the fatalities. The Detroit Police Department is 240 men below strength which makes the problem of strict enforcement more difficult than usual.

Tuscola ABA Shows Sustained Growth

A quarterly check of progress made by Artificial Dairy Breeding Association in Tuscola County reveals a sustained growth in number of first services given during months of January, February and March of 1953, reports Alfred P. Ballweg, county extension agent.

Total number of first services given by each Association during the three month period were as follows: Millington Tuscola, 249; Huron Tuscola, 208; Kingston Tuscola, 278; Vassar Tuscola, 261; Cass City Tuscola, 296; or a total of 1392 first services.

Inseminator Managers and directors of area associations for 1953 are as follows: Manager, Dick Ross, Kingston; president, Ellwood Eastman, Cass City; vice-pres., Roy Wagg, Cass City; sec-treas., E. Homemakers Study Storage Problems

Inadequate storage space presents a problem for many homemakers. Home demonstration group members of Tuscola County will discuss the problem this month when they study the lesson, "Improve Your Storage Space." Leader Training meetings will be held on May 5 and 7 at the Wilber Memorial 4-H Building, at 10 a. m. according to Jean E. Gillies, county home demonstration agent.

WCTU—

During the business meeting of the Women's Christian Temperance Union, it was decided to have their meeting on the first Tuesday of the month instead of the first Thursday as has been the custom.

Delegates were appointed to go to the county convention May 7 at Bad Axe. The delegates are: Mrs. Blanche Kelley, Mrs. Martha Bruce, Mrs. Edna Warner, Mrs. Carrie Retherford, Mrs. Genie Martin, Mrs. Phyllis Lester and Mrs. Harriet Rayl.

After a round-table discussion on the meaning of total abstinence and what it could mean to our country, and what the President's action concerning the use of fruit juices instead of alcoholic beverages at the White House could mean to the youth and children, the group adjourned to meet with Mrs. Florence Sickler Tuesday, May 5, at 2 p. m. May we meet you there, friends and members? If the youth are to be total abstainers, we must fight for their souls.

Mrs. Lula Roblin was the April hostess.

The Junior High Sunday School Class will have a hay ride and wiener roast Saturday evening.

Long Illness Fatal To Mrs. John Mark

Mrs. John Mark, 74, in poor health for some time and a patient for three weeks in Pleasant Home Hospital, died in the hospital Saturday afternoon.

Funeral services were held Tuesday at 2 p. m. in the Douglas Funeral Home. Rev. Ernest Gibson of Reese officiated and was assisted by Rev. L. L. Surbrook, pastor of United Missionary Church. Burial was in Goodland Cemetery near Imlay City.

Susanna Wanner, daughter of the late Mr. and Mrs. Samuel Wanner, was born in Michigan Sept. 26, 1876. She married James Johnson who preceded her in death, and later, on Jan. 2, 1941, she married Mr. Mark in the Mizpah Church parsonage. She attended Riverside United Missionary Church.

Surviving are her husband and one brother, Allen Wanner of Cass City, several nieces and nephews.

May 2. The group will begin their hay ride at the Horace Murry home at seven o'clock and will end at the home of Cecil Lester for a wiener roast.

Baptismal services will be held at the Deford Methodist Church Sunday morning, May 3, at 10 o'clock.

The Prayer Band will meet at the Reese Holiness Church Friday, May 1, for an all-day meeting. Potluck dinner. Bring your own table service.

TOWNSHIP OF ELKLAND COUNTY OF TUSCOLA THE TOWNSHIP OF ELKLAND OR DAINS:

SECTION 1—Permission is hereby granted to THE DETROIT EDISON COMPANY, a New York Corporation, its successors and assigns, to construct, maintain and operate in the public streets, highways, alleys and other public places in the Township of Elkland, Tuscola County, Michigan, all needful and proper poles, towers, masts, wires, pipes, conduits and other apparatus requisite for the transmission, transforming and distribution of electricity for public and private use, subject, however, to all conditions and restrictions hereinafter contained.

SECTION 2—The conditions of the foregoing grant are as follows:
A—The grantee shall do no injury to any street, highway, alley or other public place, or to any shade trees, or in any manner disturb or interfere with any water or gas pipes, or with any public or private sewer, now or hereafter laid or constructed by any authorized person or corporation.

B—The Highway Commissioner may, in his discretion, grant permission for the trimming of trees when necessary to make the lines safe and accessible, such trimming to be done under his supervision.

C—The construction work of the said lines shall be under the supervision of the Highway Commissioner, and the grantee shall pay to the Township, upon presentation of an itemized bill, the cost of such supervision at the legal rate of charge for the same.

D—The said grantee before entering upon any street, highway, alley or other

public place for the purpose of erecting and constructing any poles, masts, wires, pipes, conduits or other apparatus shall, in writing, notify the Highway Commissioner or his representative, of the proposed construction and obtain his approval thereof, and shall, if the Commissioner so requires, file with him a sufficient plan and specification showing the nature and extent of the proposed erection and construction. The cost of inspection shall be paid by the grantee.

E—No street, highway, alley or public place shall be allowed to remain open or unencumbered by the construction work of the said grantee for a longer period than shall be necessary to execute the said work, and the Highway Commissioner shall, determine the question of such necessity, and the grantee shall at all times conform to all ordinances of the Township, now or hereafter in force relative to the fencing and lighting of obstructions and excavations.

F—The grantee shall save the Township harmless from any judgment, that may be recovered against the Township by reason of the wrongdoing or negligence of the said grantee in the erection and maintenance of said poles, masts, wires and other apparatus or construction.

G—Said grantee shall make due provision upon forty-eight hours' notice in writing by raising its wires or otherwise for the passage of any barn, building or other structure on or over any street, highway or public place occupied by the Township, wires, poles and other apparatus of said grantee.

H—In case the office of Highway Commissioner should hereafter be abolished, then, in such case, the duties, powers, and rights of such Highway Commissioner shall be performed by the officer to be appointed and designated by the Township Board.

SECTION 3—In consideration of the granting of this franchise, grantee agrees that its rates and charges for electric service in the Township of Elkland shall not exceed its rates and charges for like service elsewhere in its service area, evidenced by its uniform rate schedules at the time on file with and approved by the Michigan Public Service Commission.

SECTION 4—This grant shall take effect, if said grantee shall, within fifteen days from the date of the passage of this ordinance, file with the Township Clerk its written acceptance of the terms of the same and upon the confirmation of this grant, by the affirmative vote of a majority of the electors of said Township, voting thereon at a special election to be held on Monday, the 15th day of June, 1953, as provided for by the Statutes and the State Constitution.

SECTION 5—This Franchise and Ordinance shall be and remain in force for thirty (30) years from and after the date of its confirmation by the electors of the TOWNSHIP OF ELKLAND, Tuscola County, Michigan.

SECTION 6—Nothing in this grant shall be construed to alienate the title of the public in and to any street, highway, alley or public place or any portion thereof, neither shall anything herein be construed in any manner as a surrender by the TOWNSHIP OF ELKLAND of its legislative power with respect to the subject matter hereof, or with respect to any other matter whatsoever, nor as in any manner limiting the right of the said TOWNSHIP OF ELKLAND to regulate the use of any street, avenue, highway or public place within its jurisdiction.

Dated this 23rd day of April, 1953.

Moved by Maynard McConkey
Seconded by J. C. Hutchinson
The following Resolution was adopted by a vote of Yeas 4, Nays 0, Absent 1.

RESOLVED, that the proposition and franchise of THE DETROIT EDISON COMPANY, as read, be adopted, subject, however, to confirmation by a vote of the electors of the TOWNSHIP OF ELKLAND, Tuscola County, Michigan.

I hereby certify that the above and foregoing is a true and correct copy of a franchise granted to THE DETROIT EDISON COMPANY at a special meeting of the Township Board of the TOWNSHIP OF ELKLAND, Tuscola County, Michigan, held on Thursday, the 23rd day of April, 1953, said franchise to be subject to the conditions of Section 4 of said franchise in accordance with the law governing same.

C. E. PATTERSON,
Township Clerk.

Forest Protection

Forest protection has come a long way since the menace of fire was first recognized in 1817. For a long time state residents regarded fires indifferently. Now, however, forest fires are recognized as an unnecessary economic waste and a threat to the prosperity and well being of the state.

Three Area Youths

On Two-day Milk Marketing Trip

A two-day milk marketing trip to the Detroit market is being taken by three 4-H Dairy Club members from Tuscola County. The boys are Jack Poppy, Unionville; Dick Donahue, Cass City, and Douglas Ensing, Kingston. All boys are carrying on dairy production projects. They are being accompanied by Harold Stewart, Vassar, leader of the Progressive Livestock Club. While at Detroit the boys will visit the offices of the hosts, the Michigan Milk Producers Association and acquaint themselves with the situation and problems of Michigan dairy farmers. They will also tour the Twin Pine Farm Dairy, one of the largest cooperative dairies in Michigan. The tour will end by seeing the Detroit Tigers play at Briggs Stadium. This trip is designed to encourage 4-H Dairy Club members to keep production records because from this trip comes opportunities of a trip award to the Waterloo Dairy Cattle Congress.

Young Beavers

Beavers give birth to their young once a year in late spring. Generally, from two to six are born, though the average number is four. At birth they weigh about a pound each and are able to swim, but cannot dive because the air trapped in their furs makes them too buoyant.

The toughest problem some kids face is that of learning good manners without seeing any.

MOBILGAS ECONOMY RUN FLASH!

FORD BEATS ALL IN ECONOMY!

Economy Winner
4 Years in a Row!

MILEAGE MAKER "6" WINS SWEEPSTAKES!

Score a blazing victory for Ford's dollar-saving gas economy! Ford's high-compression Mileage Maker "6" with Overdrive beat every car entered in this year's Mobilgas Economy Run, regardless of size or weight, to sweep the sweepstakes! Ford's winning average was 56.70 ton-miles per gallon.* And Ford's high-compression 110-h.p. Strato-Star V-8 with Overdrive was right up there in economy, too, with a record of 48.55 ton-miles per gallon!

The winning Ford was a regular production car, just like thousands of other '53 Fords you see on the road today. This 1,206-mile trip from Los Angeles to Sun Valley covered all types of driving conditions. The route threaded through city traffic, where stop-and-go driving tests an engine's fuel economy under the toughest conditions... and out along the highways of four western states.

The Ford Mileage Maker "6" took all this in stride, maintaining a speed above the required 44.25 m.p.h. minimum, to finish 1st in the sweepstakes! What better proof is there that Ford is the thriftiest car of all? What better way to show why Ford is worth more when you buy it... worth more when you sell it!

Kingston Boy Wins 4-H Tractor Contest

Louis Wenzloff, Kingston, was named winner of the 4-H Tractor Operator's Contest held at the fairgrounds, Caro, last Saturday, April 25, announced George C. MacQueen, County 4-H Club agent. Young Wenzloff, a member of the Kingston-Caro Tractor Club, maneuvered his Farmall H tractor through the three events skillfully and received a total of 825 points off, which proved to be the least points off in the contest. This also gave him the honor of representing Tuscola County at the State 4-H Show in August in this contest. In second place was Don Tuckey, Cass City, a member of the Cass City Gas Caps, who went through the events with his Ford for a score of 833 points off. Jim Daily, Kingston, a club-mate of the winner, was third with a score of 864 points off. He drove an Allis-Chalmers tractor. A field of 15 contestants was at

hand in the tractor pool waiting their turn to display their skill. Being the first time such an event was held in Tuscola County, the events were not too familiar, but a good job was done by all. A good crowd was on hand because of the adjoining Caro Merchants' Show and also because the rains prevented farm work from being done. The first event was a two wheeled event whereby the contestant spotted to a two wheeled implement in simulated shed, maneuvered through rows of markers at decreasing clearances in between. A series of four barrels, zig-zag forward and then back in the same manner, back into a dead end lane and pull out and spot implement the contestant hitched to a rubber tired grain wagon, pulled out and around a marker and backed the wagon into the shed. The third event was called the restricted gate where a lime spreader had to be maneuvered

through an opening that was 6 inches narrower than the width of the implement. This event was eliminated because of some physical features that made it nearly impossible to accomplish. The last event was a belting up event to another tractor. Each contestant was scored by a judge and time-keeper who in turn determined total points discounted. The one with the least points discounted won the contest. The placing of other contestants and their points off were as follows: Albert Griffen, Cass City, fourth, 871; John Jeffrey, Akron, fifth, 923; Gerald Auten, Cass City, sixth, 929; Pat Beckett, Cass City, seventh, 1120. Pat was also the first contestant to try the course; Gene Taggett, Caro, eighth, 1153; Dick Donahue, Cass City, ninth, 1475; others competed: Bill Tuckey, Cass City; George Taggett, Caro; Mark Culbert, Caro; Larry Miller, Caro, and Dick Tonkin, Fairgrove. Conscience gets a lot of credit that belongs to cold feet.

Being led into temptation seems to be a popular pastime for a great number of people.

Temptation plants evil thoughts—conscience plows them under.

Final Rites Held for Randolph Ducolon

Funeral services for Randolph Ducolon were held Sunday at 2 p. m. at Little's Funeral Home. Rev. S. R. Wurtz officiated. Mr. Ducolon died at Cass City Hospital Thursday evening, April 23, where he had been a patient only one day. He had been in ill health the past several years.

He was born in Clifford, Michigan, March 31, 1861, and married Miss Hannah Tinglan in Vassar in 1884.

Following their marriage, they made their home in Lapeer. Later, in 1890, they moved to Brookfield Township on a farm where he has made his home until his death.

Mrs. Ducolon died in 1932. Mr. Ducolon was a farmer and also taught school for a number of years, being superintendent of Unionville School for one year. He was a member of Acme Lodge No. 446, F. & A. M., of Gagetown.

Surviving are one son, Harry Ducolon, at home, and one grandson, Wayne Ducolon of Denver, Colorado. Two daughters, four

sons and one brother preceded him in death. Committal service was under the auspices of the Masonic Order and burial was in Hillsdale Cemetery, Gagetown.

took a short one-run lead.

Cass City bounced back to go in front in the bottom half of the second. Tuckey slammed a double and Tim Burdon and Dean Hoag kept the rally alive with a pair of singles. The hits, combined with free tickets to first for Graydon Agar and Roy Wagg, accounted for the two runs.

In the top of the third, Sandusky tied the game on a walk and an error, but the Hawks forged back into the lead on a Sandusky boot and a double by Dean Hoag.

Sandusky made a last try to get back into the game in the fifth when they again knotted the count with a run on an error, stolen base and a single by Maxwell.

But, as in the third, the Hawks regained their lead and scored what proved to be the winning run in their half of the same inning. Wallace and Burdon singled. A fielder's choice and a long fly ball by Don Doyen shoved the marker across.

The Hawks will play Marlette Monday and Caro Thursday. Both are league games and will be played at the Cass City Recreation Park.

This Great New 3-Point Hitch with Load and Depth Control

...Yours, As Regular Equipment, in the New JOHN DEERE "40" Series Two-Plow Tractors

When you inspect the advanced-type 3-point hitch on the new John Deere "40" Series Tractors, you'll quickly see why it offers you advantages over other 3-point hitches. First of all, it's a stronger hitch, with every part built with rugged durability for long service. It's a fully-adaptable hitch that will take a full line of new John Deere Quik-Tatch "pickup" tools as well as any standard 3-point tools made for other tractors.

It is an easier hitch to hook up to, thanks to the turnbuckle design which enables you to shorten or lengthen the top link with a turn of the hand. Best of all, there is the new John Deere Load-and-Depth Control which works with the 3-point hitch and the Touchomatic system to give you the kind of working accuracy you have always wanted for your plow, disk harrow, and other field implements. We'll be glad to demonstrate, any time.
