

## From the Editor's Corner

You might expect a person to fail to put on his license plates shortly after the time had expired in March, but not to have them on in May is unusual.

But Dale Kettlewell, who takes frequent trips throughout the state for furniture, has to learn the hard way. The other day on one of his jaunts, he was stopped while in Saginaw by an inquisitive officer who wondered where his 1953 plates were.

The officer learned from the crestfallen Dale that the plates were on the desk in Cass City and Dale's trip that day stopped—until his dad hopped into his car and brought them to him in the city.

However, the cloud had a silver lining—Dale talked his way out of a ticket from the cop who must have been in a magnanimous mood.

With so many stores to contact the Chronicle forgot to call on two merchants for their Value Days copy.

M&M Plumbing and D. A. Krug, who made arrangements to have specials for the village-wide event, were overlooked until too late to be listed with the other merchants. However, the companies will have the values ready for shoppers in their store.

The mediator from the Michigan Labor Relations Board was expected to arrive at the Nestle's plant in Cass City to arbitrate at a joint meeting of company officials and the union Thursday.

The union has asked for a 20 cents per hour increase in wages which has been refused by Nestle's.

## Mobile X-ray Unit Slated in Cass City All Day Tuesday

The Saginaw Valley Mobile X-ray unit will be in Cass City Tuesday, May 19, as one of five stops scheduled in Tuscola County during the week of May 18-22.

Other stops scheduled by the unit will be at Akron, Monday; Caro, Wednesday; Vassar, Thursday; and Millington, Friday.

The X-ray service is free to all persons 14 years old or older in the county. Authorities urge that county residents be X-rayed every year or every other year.

The X-ray unit stops in villages on their tours, but persons in charge said that they especially want persons in the rural area to use the service when it arrives in the community closest to them.

## Gospel Singers Offer Varied Selections

The Harmony Gospel Singers, a group of singers from Saginaw, have arranged a group of outstanding selections to present to persons in the Cass City area Sunday evening, starting at 8 p. m. at the Presbyterian Church.

Three spirituals will be offered. They are: "On the Jericho Road," "Stand By Me Lord" and "Get Away Jordan."

Other selections offered will include: "My Expectation," "Long, Long Way" and "He'll Be There."

The audience will join the chorus in an evening hymn and the closing spiritual, "Lord, I Want to Be Like Jesus."

The concert is sponsored by the Westminster Fellowship. The concert will be on page 8.

## Chamber of Commerce Starts Planning for Home-coming

Members of the board of directors of the Cass City Chamber of Commerce set the date for the annual Cass City Home-coming at a meeting Monday evening at the Cass City Municipal Building.

This year the event will be staged Thursday, Aug. 6. Already plans are under way to make the event bigger and better than previous celebrations here.

Heading the home-coming committee is Harry Little. Others appointed by President Bernard Freiberger are Fred Auten, John West and Leo Ware.

This group is expected to organize sub-committees and workers for the home-coming. Each year a concentrated community effort is required to stage a successful celebration.

The president also appointed a committee to try to bring industry

## Deford Methodists to Hold Dedication Service Sunday

Dr. E. Ray Willson, district superintendent for the Methodist Church, will be in Deford Sunday to take charge of the dedication service scheduled at the Deford Methodist Church.

Members of the church have completed an ambitious expansion program that includes a new full-length basement which is divided into five new Church Sunday School rooms.

Another improvement for the church is the installation of an oil furnace. Estimated total cost of the project is \$6,000.

Of this amount, \$4,000 was spent for the basement and Sunday School rooms and \$2,000 was expended for the furnace.

According to the pastor, Rev. Edith Smith, the entire work is paid for. Much of the labor was contributed by members of the congregation.

The improvement work has been under construction for approximately one and a half years.

Members of the congregation invite persons in the area to participate in the service.

## Schwaderer Co. Estimates Fire Loss Near \$5,000

A raging fire razed the east half of the Schwaderer cement block plant Friday evening, causing extensive damage estimated to be between \$4,500 and \$5,000.

The fire in the plant, southwest of Cass City, was first noticed by Dan DeLong who turned in the report between 10:30 and 10:45 p. m. The Elkland Township Fire Department rushed to the scene, but was hampered by the lack of a quick available water supply.

Destroyed in the blaze were nine motors, one of which was the company's pump motor, and a day's run of concrete blocks, an estimated 1700 of them. The east end of the building was also destroyed.

E. L. Schwaderer, owner of the concern, said that he thought the blaze must have started from faulty electric wiring in the building.

The fire was the fifth in a row in Novesta Township that the Elkland Township Fire Department has been called on to subdue.

## Grade School Pupils To Present Play

Friday evening the grade students of Cass City Public School will present a musical play entitled "Six and Four are Ten," Miss Clara Lyle Boone, music instructor at the school, announces.

Besides the play, the program will feature drama and music highlighting the gay crowds going to the fair and the strange happenings in a country inn near the fairgrounds.

Admission to the performance is free for parents and friends of the students.

## WSCS to Meet

The WSCS will meet Monday, May 18, at the Methodist Church for a 6:30 supper meeting, served by Group IV, Mrs. John Guisbert, Mrs. Howard Helwig, co-chairmen.

The program, "God's Plan—All One Family," will be presented by Mrs. Harold Oatley and Mrs. L. I. Wood will lead devotions.

Members are requested to bring their mite boxes to this meeting.

## Parsch's Store Will be Open Thursday Afternoons

to Cass City. Herbert Ludlow is the chairman. Others appointed to assist Mr. Ludlow are Cliff Croft, Joe Riley and John Haire.

According to a report by Secretary Don MacLachlan, the membership of the organization now stands at 90—five more than last year's record total of 85.

The board of directors discussed the advisability of erecting a permanent electrical service at the recreation park. Existing power has been strained to capacity by the concessions already at the home-coming in past years. To expand the event, more power will be necessary.

Complete plans and estimated cost will be presented to the board at the June meeting.

Parsch's Store will be open Thursday afternoons.

## Mrs. Carpenter to Lead Discussion at Cass City Friday

"One World" is a panel discussion to be presented at the Michigan State College alumni meeting Friday, May 22, at the Cass City High School at 8 p. m.

The discussion will be led by Mrs. Louise Halladay Carpenter, assistant counselor of foreign students and director of the adventures in world understanding program. College students from four foreign countries will also take part in the panel.

Mrs. Carpenter first joined the

Mrs. Louise Carpenter, staff of Michigan State College as assistant director of the American Hotel Association testing laboratory in 1945.

In 1948, Mrs. Carpenter was appointed consultant of the college continuing education services and in July, 1952, assumed her present duties of counseling foreign students and directing their group contacts with Michigan communities.

All former students of Michigan State College are invited to attend this meeting.

## WSC Meets Tuesday

The Woman's Study Club met at the home of Mrs. Joe Benkelman Tuesday, May 12.

Mrs. Herbert Ludlow gave a report of the State Federation of Woman's Clubs' meeting held in Lansing and Mrs. Fred Maier reported on the County Federation of Woman's Clubs' meeting held in Vassar.

May 26 will be the last meeting of the season and will be held at the home of Mrs. A. Woelfel. This will be a 1 o'clock potluck luncheon.

## Final Plans Set For Cass City Softball League

Final team arrangements have been completed for the Cass City Softball League which will begin play Monday, June 8, when Church of Christ faces Auten Motor Sales at the Cass City Recreational Park.

Besides the two teams who will open the season, four others have signed to make a six-team league. Two of the four are holdovers from last season. They are Decker and FFA. New in the league will be Cass Tavern and Gagetown.

Team managers and sponsors have been requested to meet Tuesday, May 19, at the New Gordon Hotel to discuss the season. Managers of the various clubs this year are: Cass Tavern, Wally Zawilinski; Decker, Clarence Phillips; Auten Motor Sales, Alden Asher; Gagetown, Bill Downing; FFA, Coach Jerry Raymond, and Church of Christ, Carl Kolb.

## Edward Gingrich Killed in Car-Bus Collision Tuesday

Edward Gingrich, 73, of Bay City, was killed Tuesday when his car skidded into a school bus while he was trying to stop in obedience to the bus' stop signal. The accident occurred on M-24, south of Lapeer.

Mr. Gingrich died 15 minutes after the crash while on the way to a hospital. Two children in the bus received minor injuries.

Gingrich and son, Dale, of Cass City, were returning from Detroit with two new cars. Dale, driving ahead, saw the slowing bus and the signal, but passed before the bus came to a halt.

Mr. Gingrich was born Nov. 4, 1880, in Guelth, Ont., the son of the late Mr. and Mrs. Amos Gingrich. He married Sylvia Felter in Elkton in 1912.

Surviving are: a daughter, Mrs. Stanley Endersbee, Bad Axe, three sons, Harold, Roseville, Dale, Cass City, and Raymond of St. Petersburg, Fla.; a sister, Mrs. Glenn Latimer, Quanicasse, a brother, Isaac, Natches, Washington, and nine grandchildren.

Mr. Gingrich lived the majority of his life in the Cass City area. He was in the piano tuning business here.

Funeral services will be held at the Douglas Funeral Home Saturday at 3 p. m. Other funeral details are incomplete.

## Cass City Soldiers Separated in Korea

After nine months of Army life together, two Cass City soldiers were finally parted in Korea after joining the 3d Infantry Division's 15th Regiment.

Privates John Gruber and Elwyn Helwig, medical aidmen, were separated when Gruber was assigned to Company L and Helwig to Company K.

Entering the Army in July, 1952, the men received basic training at Camp Breckinridge, Ky., and later took medical aid training at Eta Jima, Japan.

Gruber's wife, Eula, and father, Joe Gruber, Sr., live in Cass City. Private Helwig is the son of Mr. and Mrs. Levi Helwig.

## Caro Tops Hawks To Take Thumb B League Lead

Caro moved into a half-game lead in the tight Thumb B Conference baseball race when they defeated Cass City Thursday, May 7, at the Cass City Recreational Park, 5-2.

The win gave Caro a 5-1 league record while Cass City now has a 4-1 record after its victory over Crosswell-Lexington Monday, 11-7. Only other team in contention for the title is Yale which also has won four and lost one.

The game with Caro was much closer than the final score indicated. A last inning rally by Caro broke a 2-2 tie to give the league leaders their victory.

Here's what happened in the fatal ninth. Lee Dickerson singled to left and Campbell walked. Bruce Weiland, a thorn to Hawk hurler Bob Wallace all afternoon with four hits in four tries, then lashed out a double, scoring Dickerson and Campbell. He took third on the throw to the plate and scored on Ostrander's long fly to right field.

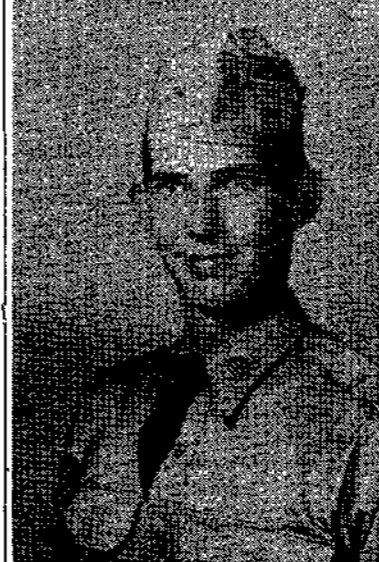

Cass City went into an early lead in the game when they scored twice without the benefit of a hit. LeRoy Hoag was safe on an error and Russ Foy walked. On an attempted double steal, Arbon, Caro's receiver, threw the ball to third trying to cut down Hoag and the ball got by the third baseman and Hoag went over for the first marker. A little later, Foy stole home to account for the last Hawk run in the game.

Cass City never threatened after the first inning, except in the seventh when Tim Burdon and Graydon Agar led off with hits. But Wayne Raymond bore down and quelled the threat to win the game.

Cass City picked up five hits and made three errors. Caro banged out six safeties and made only one boot.

Crosswell-Lexington Game. The Hawks' chances of winning at least a share of the Thumb B Conference title were kept alive. Concluded on page 8.

## Hold Prayer Service For Gerald Hartwick

Gerald L. Hartwick.

A special memorial service was held for Pfc. Gerald L. Hartwick at the home of his parents, Mr. and Mrs. Edward E. Hartwick, Friday evening.

The service was conducted by Rev. Jason Holloper and members of the immediate family attended. Pfc. Hartwick was killed in action in Korea April 29, 1953.

## Tax Refund Nets Village \$5,243.61 In First Quarter

Cass City's share of \$57,836,268.62 net receipts of the State Motor Vehicle Highway Fund for the first quarter of the calendar year 1953 amounted to \$5,243.61.

The funds are divided on the following basis: 44 per cent to the State Highway Department, 37 per cent to counties for expenditure on county roads and 19 per cent to cities and incorporated villages for expenditure on roads and streets.

Tuscola County received the most money of the three area counties. Tuscola's share was \$213,789.38, while Huron County received \$204,651.26 and Sanilac County received \$205,832.39.

Besides Cass City, area villages which received money included: Caro, \$9,381.04; Gagetown, \$1,784.03; Kingston, \$1,278.02; Owendale, \$2,076.36, and Uly 2,106.59.

## Mrs. Herman Doerr Dies at Home Sunday

A lingering illness proved fatal to Mrs. Herman Doerr, 54, who died in her home Sunday. The well-known Cass City woman, who has been treated for a long period by specialists, was to have gone to Ann Arbor Monday for a delicate lung operation.

According to her husband, she had been suffering severe pain before her death.

Funeral services were held at the Douglas Funeral Home Wednesday at 2 p. m. Arthur Holmberg officiated.

Mrs. Doerr was a member of Echo Chapter No. 387, O.E.S.

Formerly Retta R. Hooper, daughter of the late George C. and Olive Hooper, she was born Aug. 7, 1898, in Caro. She married Herman Doerr in July, 1917.

## Schedule Spring Concert at High School Thursday

Members of the various bands and the music department at Cass City Public School will present a spring concert Thursday evening, May 21, at the high school auditorium. The event will begin at 8:15 p. m.

A varied program has been arranged under the direction of Miss Clara Boone and Ralph Powell, music instructors at the school.

Bands participating will include four school bands and a novelty band of junior students. Persons attending will hear the following groups: fourth grade tonette band, fifth grade band, sixth grade band and high school band.

The junior novelty group will perform with a fife, jug and bottle. Among the vocal groups who are scheduled to appear Thursday are the seventh and eighth grade girls' glee club and the eighth grade vocal ensemble.

Norma Harris, a sophomore, and first baritone player of the band, was elected student director for the event.

## Annual Value Days Expected To Attract Thumb Shoppers

### Former Cass Cityite Speaks at Rotary

Capt. William H. Spencer, chief pilot of the international division of the Philippine Air Line, told Rotary members of his experiences and the advances in flying in his company at the regular Rotary meeting held Tuesday noon at the New Gordon Hotel.

Capt. Spencer, a former Cass City resident, the son of Mrs. Anna Sharrard, who now makes his home in the Philippines, has logged over 10,000 hours of flying time.

He was a pilot in World War II and joined the Philippine Air Line after his tour of duty. When he arrived, the company had four planes, now they have 51.

Commenting on the safety of airplanes, Capt. Spencer said that more persons are killed driving to and from the airport than are killed in plane accidents.

The Philippine Air Line uses four-motored planes. Capt. Spencer said that he, personally, tested the new jet passenger aircraft and said that they were not practical at the present time for his company because of the distance required to stop them while landing.

### American Legion to Hold Poppy Sale

Members of Tri-County Post No. 507, American Legion and Auxiliary and Junior Auxiliary members will launch the annual poppy sale here May 21 and continue throughout the week end, Mrs. Arthur Kelley, chairman of the drive for the Auxiliary, has announced.

Two thousand of the little red paper flowers, which have been made by hospitalized veterans during the past year, have been received by the post and unit here.

The poppy, as the memorial flower of the American Legion, was chosen at the national convention in Cleveland in Sept., 1920.

"No price is fixed for the poppy. The newsboy's pennies and the businessman's dollar are equally acceptable. The amount given is a donation to relieve suffering caused by the war." Every cent received above the actual cost of the poppy is used for veterans or their families who may be in need of help.

For the second time, the local organizations expect to have three generations of one family selling poppies: Mrs. Clement Tyo, the Auxiliary president, Alex Tyo, past post commander, and Sessan Tyo, a Junior Auxiliary member.

### Girl Scout Leaders Meet in Akron

Thirty-five members of the Tuscola County Girl Scout Association met at the Akron school cafeteria Wednesday evening, May 6, to hear Miss Marion McCann, Saginaw County girl scout executive. Concluded on page 8.

Sponsored by the Cass City Chamber of Commerce, the third annual Cass City Value Days, which starts today, is expected to draw record crowds to Cass City to take advantage of the many bargains in nearly every local store. The village-wide sale dates are today and Saturday.

In section two, pages two, three, six and seven are four full pages of items at outstanding price reductions from 31 merchants in the village.

Careful thought has been given to provide a variety of items for selection of Thumb shoppers. Everything from feed to used cars and accessories are listed in the annual sale event.

Reductions reach 50 per cent and more in many cases and all items are offered at a low price to again acquaint shoppers with Cass City as a trading headquarters.

Many merchants have added other bargains not listed in the advertisement, but are displayed in the store for the convenience of shoppers Friday and Saturday.

## Twenty-one County Men Reported Out of Armed Forces

Twenty-one Tuscola County youths have reported to the county board at Caro after their separation from service. Included are eight men from Cass City and Gagetown. From Cass City the following men have been separated: Ervin J. Karr, Jack Kappen, Donald Partridge and Lyle Deneen. From Gagetown, Everets Mosack, Vincent Repshinska, Donald Schwartz and Richard Langlois have completed their military service.

The complete list: Frederick Bauer, Vassar; Lyle Jackson, Caro; Frank Spencer, Fairgrove; Gerald Hunt and James Perry, both of Millington; Donald Werner, Mayville; Jack Benson, Jack Houghtaling and Calvin Wright, all of Fairgrove; Harold Beyerlein, Reese; Louis Stange and Robert Kischnick, both of Vassar, and Leonard Johnson, Postoria.

## Livestock Club Elects New Officers

The Cass City Livestock Club elected officers for the new year at their regular monthly meeting Monday. Dick Donahue was named president of the organization and Fred Martin is the vice-president.

Roger Marshall was named secretary and Gerald Auten will be the treasurer. Richard Carpenter was elected reporter for the group.

Following the election, a general discussion was held. The club reports that there are now 45 members in the club. They hope to have the majority of the members at the next monthly meeting.

**MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!**

Already, 1953's official sales figures tell a remarkable story of clear-cut and decisive preference for Chevrolet trucks. But, this is not surprising, for truck users everywhere are discovering how far ahead of all others Chevrolet trucks really are.

They are discovering things like the tremendous new power in advanced Loadmaster engines in heavy-duty models. The remarkable gasoline economy. The extra ruggedness and strength. And that the Chevrolet line lists for less than any other trucks of comparable size and capacity.

So, before you buy any truck, stop in and see us, won't you?

## Two Local Soldiers Receive Discharges

Pfc. and Mrs. Garry Evans and Pfc. and Mrs. James Rabideau returned home last week from Alaska where the men were stationed with the Armed Forces at Fairbanks.

Both Mr. Evans and Mr. Rabideau received their basic training at Camp Breckinridge, Ky., and served in Alaska together.

Mrs. Rabideau joined her husband in May, 1952, taking their month-old baby, Michael, with her. Mr. Evans' parents, Mr. and Mrs. Harold Evans, drove to Alaska in July, taking Patsy with them and she and Mr. Evans were married at Fairbanks.

The couples returned by boat to Seattle. The men received their discharge at Fort Lewis, Washington, and arrived home in time for Mother's Day.

The entire Evans family gathered Sunday for the first time in two years. Those present included: Mr. and Mrs. Richard Evans and son of Garden City, Mr. and Mrs. Walter Bork and daughter of Bay City, Mr. and Mrs. Garry Evans, Miss Pat Evans of Detroit, James, Karin and Dale Evans.

## Betrothed

Kathleen H. Auten.

Mr. and Mrs. Kenneth Auten of Gagetown announce the engagement of their daughter, Kathleen H. Auten, to Arthur H. Warner, son of Mr. and Mrs. Hazen Warner of Deford. The bride-elect is a member of this year's graduating class and Mr. Warner was inducted into the army Monday.

## Partlo - McClure Wedding Saturday

Potted plants decorated St. Pancratius Church in Cass City Saturday for the double-ring ceremony at one o'clock, at which Rev. John J. Bozek officiated, when Miss Mary Partlo of Akron became the bride of Frederick James McClure. The bride is the daughter of Mr. and Mrs. Oliver Partlo and Frederick's parents are Mr. and Mrs. Glen McClure.

Appropriate wedding music was played by the church organist as the wedding party entered the church for the side altar ceremony.

Attendants were Miss Mary McClure and Larry McClure, sister and brother of the groom. The bride, given in marriage by her father, chose a floor-length gown of white lace over taffeta. Her finger-tip lace veil fell from a close fitting bonnet shaped hat.

The bridesmaid wore a floor-length gold colored satin gown with matching hat. Both had matching bouquets of white gladioli and bebe mums and the bride's bouquet was centered with a removable corsage of pink carnations.

Mrs. Partlo wore for the wedding an aqua dress with black accessories and Mrs. McClure chose navy blue with which she wore white accessories.

Following the ceremony, a luncheon was served in the Akron Methodist Church to sixty-five guests, after which the newlyweds left on a week's trip to Northern Michigan. When they return, they will make their home at Washington, Mich., while the groom is employed in Birmingham. The groom is a Korean veteran.

Guests came from Birmingham, Detroit, Pontiac, Rochester, Akron and Caro to attend the wedding.

Many a man who thought he was self-made, was married three times and drastically revised by each of his wives.

The big trouble today is that too many motorists believe that the right of way belongs to the one who gets there first.

## Belva Dorland Wed Friday Evening

Before an altar banked with palms and potted geraniums in the Mizpah United Missionary Church at 8 p. m. May 8, Miss Belva Dorland became the bride of Mr. Lloyd Kuhl. Rev. Edward Bailey and Rev. Lewis Surbrook officiated at the double-ring candlelight ceremony.

The bride is the daughter of Mr. and Mrs. Otto Dorland of Decker and Mr. and Mrs. Edward Kuhl of Sebawaing are the parents of the groom.

The bride, given in marriage by her father, chose a white floor-length gown of Chantilly lace over satin fashioning a bodice with wrist point sleeves. Her finger-tip veil was fastened to a coronet of seed pearls and her only jewelry was a pearl necklace. She carried a bouquet of red roses.

Shirley Dorland, sister of the bride, was maid of honor. She wore a gown of yellow net over taffeta and her flowers were white carnations and pink rosebuds.

Sylvia Kuhl, sister of the groom, was bridesmaid and her dress was Nile green net over taffeta and she carried a colonial bouquet of pink rosebuds.

Both girls wore floral headpieces to match their bouquets. Lee Otto of Sebawaing was best man and Ronald Buchholz, also of Sebawaing, was the groom's other attendant. Chester Dorland and Bruce Kuhl were the ushers.

Edward Bailey, Jr., sang "Because" and "Dearly Beloved," accompanied by Mrs. Ernest Bullock. Mrs. Dorland chose for her daughter's wedding a navy blue crepe dress with white trim and Mrs. Kuhl wore a blue dress. Both wore corsages of gardenias.

A reception was held immediately following the wedding, in the Shabbona Community Hall. Guests were present from Detroit, Flint, Lapeer, Rochester and Brown City. For her going away dress, the bride wore a dusty blue suit with beige accessories.

After a short trip through Northern Michigan and Canada, the couple will make their home on the groom's farm near Sebawaing. The bride will continue her work as bookkeeper at the Pigeon Co-operative Elevator.

## Spring Blossom Tarts For Your Tea Tray

Spring Blossom Tarts for the tea tray seem like chef's creations, but the tart shells are made with pastry mix and the filling consists of only two ingredients, semi-sweet chocolate morsels and evaporated milk. A bit of whipped cream and a morsel of semi-sweet chocolate complete the tarts in simplest style. Semi-sweet chocolate has a lighter, more delicate flavor that is perfect for spring desserts, and this chocolate is convenient to use whether whole or melted. Semi-sweet chocolate is most familiar to America in the famous Chocolate Crunch Cookies in which the morsels of chocolate stay whole during baking. But the delicious flavor is good in recipes that require melted chocolate, and semi-sweet chocolate morsels are efficient to use when a recipe requires melted chocolate since they are in small pieces that simplify the melting process.

Spring Blossom Tarts 1/2 package pie crust mix 1/2 cup (1 small can) evaporated milk 1 package semi-sweet chocolate morsels 1/2 cup heavy cream, whipped and sweetened

Follow directions on package for preparing pie crust. Fit pastry on back of small muffin pans, or fit into small tart pans. Prick with tines of fork. Bake in a hot oven (425° F.) 10 to 12 minutes, or until delicately brown. To prepare filling reserve 1 tablespoon semi-sweet chocolate morsels to use as garnish; put remaining morsels and evaporated milk in saucepan over low heat. Cook slowly, stirring until mixture is blended. Bring to a boil, and cook, stirring constantly, until mixture is slightly thickened, about 3 to 5 minutes. Fill pastry shells; garnish with whipped cream and a chocolate morsel. YIELD: Filling for 16 small tarts.

# Growers Urged to Supply Wheat Data

In line with a recent announcement by Secretary of Agriculture Ezra Taft Benson, the U. S. Department of Agriculture will immediately start the preliminary work necessary in case production and marketing controls are required for the next wheat crop.

According to Chas. B. Eckfeld, chairman of the County PMA Committee, certain information from farmers is absolutely necessary in order to do a sound administrative job of setting equitable acreage allotments for individual farms. Farm allotments will be determined by the County PMA Committee, with the assistance of the community committees who will obtain required information from wheat growers.

Data needed includes the farm's wheat acreage and production data for the three years, 1951, 1952 and 1953; the legal description of the land and other pertinent information. If the farmer operates a rented farm, he should be able to supply such additional information as the name and address of the owner.

Final decision has not yet been made as to whether acreage allotments or marketing quotas will be used for the 1954 crop of wheat. That decision will be made later, when more is known about the supply and prospective demand situations. However, the indicated wheat supply is such that production controls will probably be necessary as directed by law.

Proclamation of a national wheat acreage allotment is mandatory unless dispensed with by the secretary because of a national emergency or a material increase in exports. Proclamation of quotas is mandatory when supplies reach a certain point specified in the legislation, except under emergency conditions.

An early start on the necessary advance work is particularly urgent, Mr. Eckfeld explained, because the decision and proclamation must be made not later than July 1 for marketing quotas and July 15 for acreage allotments without quotas. If quotas are proclaimed, a national referendum among growers must be held by July 25.

Tuscola County has an estimated 3000 farms growing wheat. There are an estimated 2.1 million wheat farms in the United States. Acreage allotments were last used for the 1951 crop of wheat, but were discontinued before the end of the marketing year. Wheat marketing quotas have been used only twice, for the 1941 and 1942 crops.

Concluded from Page one. Monday when they edged Crosswell-Lexington in a slugfest, 11-7.

Although the Hawks scored six runs in the first two innings, the game was not decided until the Hawks scored four times to break a 7-7 tie.

In the seventh, Burdon started the big rally by reaching first on an error. Agar walked and Doyen was safe at first when the Crosswell-Lexington first sacker muffed the ball on a sacrifice that let Burden score the tie-breaking run.

Jim Evans singled but Agar was nipped at the plate trying to score. Doyen scored from third when LeRoy Hoag scratched a hit to the infield and an error on Foy's bouncer set the stage for Dean Hoag's double that scored Evans and Foy.

Crosswell-Lexington scored twice in the first inning, three times in the fourth and twice in the fifth for their seven runs.

Cass City made eight hits and committed three errors. Crosswell-Lexington garnered six hits off Evans slants and committed four misplays.

Evans went the distance for Cass City while Crosswell-Lexington started Kotsch, with Regan relieving in the third to hurl the rest of the way.

## MICHIGAN MIRROR NEWS BRIEFS

Spending money may be fun to some people, but to Legislators this year its the occasion for bickering, badgering and even open warfare. Both House and Senate have passed bills appropriating money they expect to collect from the new tax program so long in the making.

House proposals, which were concerned with expenditures for operating funds, were passed with little controversy. Only important change was the elimination of money to operate Michigan's naval reserve; a saving of \$27,167. Representatives voting against this appropriation charged that the naval militia is made up of 1,900 men who do nothing; constitute nothing more than an officers club. The men draw \$50 allowance for uniforms that have no use. Only meetings held, according to Representatives fighting the appropriation, are for an hour or two every six months to figure out how much to ask from the state.

Representatives rubbed their hands in gleeful anticipation of some wholesale cutting of the Senate provisions as soon as they reached the House floor for consideration. They felt safe on their own program since expenditures were about the same as last year. By legislative custom the chambers alternate in the designing of a budget. One year the House studies and proposes capital outlay measures; the Senate operating expense. The next year, the subjects are reversed.

Basic difference in thinking between those who proposed the spending of money for new buildings and those who oppose it seems to be this: One group says we need the building now, with emphasis on the now. The second group believes that the state should spend no money until its present deficit problem is solved.

Senator Creighton Coleman, a young Republican leader, pointed out that an elaborate program is needed now because Michigan has done little building in the last 20 or 30 years while the population has increased from 30 to 40 per cent. The Jackson prison situation, for example, demands immediate action.

A major attack was made to remove funds for an artificial ice rink in the Upper Peninsula. Critics of the appropriation pointed to this expenditure of \$159,100 for Dec Stadium at Houghton College of Mining and Technology, claiming that the money was desperately needed for medical aid for Michigan citizens, and should not be spent for such facetious items as ice rinks in north Michigan. Other efforts were made to reduce expenditures for libraries and other buildings at Michigan State College and University of Michigan. But in the end, bills passed were very similar to what the Appropriation's Committee recommended.

Such study was devoted, said members of the Senate Appropriation Committee, to the proposals they made and they stood behind them. Senator Don Vanderwerp, western Michigan Republican, said that Houghton was the first college in the state to make much of ice hockey and that investigation showed the rink was an integral part of the recreation program. He also indicated that committee members were not surprised at attempts to reduce their appropriation plans, adding that it is much easier to try to improve a thing than it is to create it in the first place.

Memories of troubles at Jackson prison were recalled by the budget which allows a total of \$487,000 for that institution. Of this \$81,000 is earmarked to remodel cell block 9; \$32,000 to remodel a dining room; \$250,000 to remodel two floors of cell block 1. Marquette would receive \$529,700 from the proposed budget, \$500,000 of which is designated to pay for the construction of 200 new cells at a total cost of \$950,000.

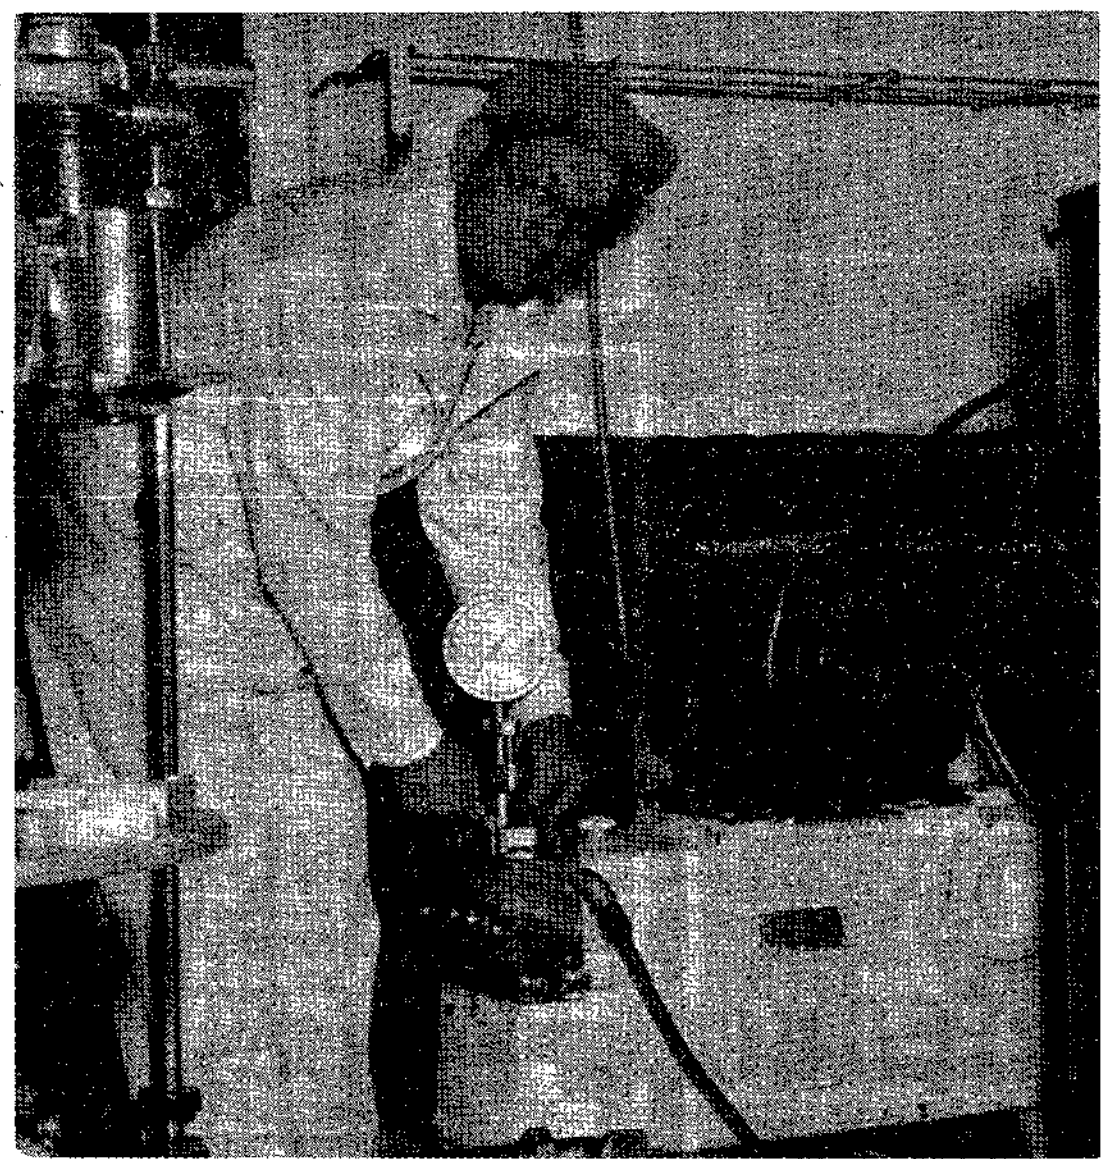

Other figures include \$660,000 for modernizing University Hospital in Ann Arbor; \$1,320,000 for libraries and roads for U of M; \$1,370,000 for a new library, new barns and storage space at MSC;

Usual objections from Wayne County are present when it comes to the localities where money is being spent. They point out that their area has greatest need for hospitals of all types. Still bitter about state distribution of tuberculosis hospitals, Detroit people claim they don't get a fair share of Michigan money considering the vast sums that are collected from Wayne and spent out-state.

Detroit's Senator Ryan lost his fight last week to get a new children's hospital for Wayne University or in Northville. One million dollars was being appropriated for a new structure, which will cost \$2 million, for children needing psychiatric treatment. Debate grew bitter over this question with Senator Ryan stating that the University of Michigan didn't even need lobbyists to get what ever it wants from the Legislature. The Senate voted to locate the hospital at Ann Arbor.

### Final Rites Held for Mrs. Mary Reamer

Mrs. Mary Reamer died Monday, May 4, at the home of her son, Sherman, north of Kingston, after an illness of six years.

Mrs. Reamer was born in Yale May 26, 1866, and came to Tuscola County when a young girl.

She married Alonzo Reamer April 1, 1888, who preceded her in death.

Surviving are: four daughters; five sons; 18 grandchildren; 18 great-grandchildren, and four sisters.

Funeral services were held Thursday, May 7, at the Pilgrim Holiness Church in Kingston, of which she was a member, with Rev. H. C. Riekner and Rev. M. C. Kettle officiating.

Burial was in Kingston Cemetery.

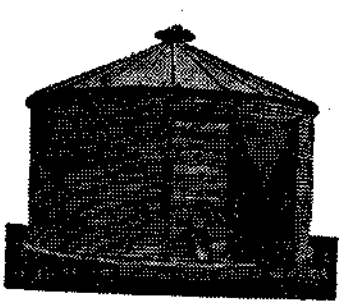

**Today's Problem**  
The big problem today is for us to reconcile our net income with our gross habits.

Contest Postponed

Plans for the 4-H Plowing Contest, originally scheduled for Saturday, May 16, has been postponed to a more suitable season, says George C. MacQueen, 4-H Club agent. Because of the late season, it was felt that many of the contestants who normally would com-

pete, will be busy on their own farm. It is hoped that the contest may be held at such a time as to allow the winner to compete in the State 4-H Show early in September. Due to end-of-school activities, the proposed trip to the Dearborn Tractor Plant has also been delayed to a future date, MacQueen concluded.

Choose Hybrid Corn To Fit Conditions

Farmers should choose their hybrid seed corn to fit their own locality and growing conditions, according to A. P. Ballweg, county agriculture agent.

Recent tests completed by the Michigan State College farm crops department show that varieties vary in production in different parts of the state. The best test of a hybrid's performance is to compare it with other hybrids under equal soil and climatic conditions.

Farmers may obtain a copy of Cooperative Extension Folder F-67 on "Corn Hybrids Compared, 1953" from their county agricultural agent or by writing to Bulletin Office, Department of Information Services, Michigan State College.

"It is better to choose an early corn instead of a late one for grain," Ballweg said. "This means a hybrid that is of average or drier-than-average moisture content."

The advantages of a good early maturing hybrid for grain use are: maturity before killing frosts, yields usually equal to late hybrids in Michigan, lower moisture content for safer storage, mature dry corn for better food, earlier maturing for harvest when the weather is still good and there is time for fall plowing of stubble.

Ballweg added that hybrids are usually better for use as silage. "The later hybrids which have good grain yields generally produce more fodder and yield more silage per acre," he said. The early dent stage, when most of the kernels have dented, is the best time for silage harvest.

Planting two or three kinds of hybrids sometimes offers a degree of "crop insurance." If one hybrid runs into unfavorable weather, the others may come through with a good crop.

Crime can't flourish in well-haved communities—weeds can't get very high if you keep the grass mowed.

Most any man gets lonesome if he doesn't work—but you can still find many who prefer to be lonesome.

A politician naturally spends lots of time fixing his fences because there is where he sits most of the time.

Money doesn't mean anything in this world—but everything in this world seems to mean money.

The world, as a whole, would be better off if an amplifier could be attached to the voice of conscience.

Check Speed to Halt Traffic Deaths

With the arrival of the summer months, speed, the No. 1 public enemy on the highways, is increasing its harvest and wise motorists anxious to save their lives will keep this in mind by driving with the utmost safety, according to Sgt. John C. Carstensen, commanding officer of the Bad Axe post of the Michigan State Police.

"Figures just revealed show that last year 48 per cent of the traffic violations reported in fatal accidents were for driving too fast, the highest percentage in the history of the state," Carstensen said. "Driving too fast doesn't just mean getting everything out of the car that you can, but going too fast for conditions such as traffic, weather and visibility."

Police agencies throughout the state are now cooperating in a campaign to urge drivers to control speed, Carstensen reported.

"Safety appeals are not just idle talk," Carstensen stated. "The record shows just how foolish it is to drive faster than you should. During 1952, for example, there were 160,329 accidents as compared to 176,587 in 1951, a reduction of 15,768. But even with fewer accidents, more people were killed or injured last year than during the year previously, or 50,837 casualties in 1952 and 50,058 in 1951. The answer was that cars were being driven too fast and hit with greater impact with more serious results."

"The law does not set a specific maximum speed limit, but it does require that cars be driven at a speed that is safe according to conditions. Sometimes this is higher and sometimes lower. But a driver who is anxious to save his life will not only drive cautiously, but watch out for the other fellow who isn't. And this is the season of the year for more accidents."

Who's To Blame? It's the middle generation who raises the younger generation for the older generation to worry over.

High Aim In Life It is well to aim high in this life, provided you don't get into the habit of overshooting the mark.

WHAT DO YOU WANT TO KNOW ABOUT BANKING? ... have heard the term "instalment credit" used to describe certain bank loans - just what does it mean?

INSTALLMENT credit is a form of personal bank loan, which we extend to individuals at low cost for a variety of worth-while purposes - to finance appliances, automobiles, or home repairs, for example - and which borrowers repay in monthly instalments. If you need to borrow, for any sound reason, see us. We will try to arrange a low-cost bank loan - on terms suited to your income.

Do it Better... Do it Electrically Whether you're replacing worn-out home equipment or outfitting a new home, you'll find that electric appliances offer advantages too good to be without. A few examples are the automatic electric range that cooks almost without attention from you; the automatic electric water heater that eliminates weary trudging to and from the tank; the automatic electric clothes dryer that does away with heavy lugging and lifting; the electric incinerator that disposes of garbage and trash indoors. Yes, you certainly do it better when you do it electrically! See the old and the new! The following dealers are celebrating Electrical Week, May 17-24, with special displays of interest to every homemaker.
