

County to Borrow \$60,000 to Cut Deficit

The Tuscola Board of Supervisors Thursday, June 25, set up a committee to negotiate a loan of \$60,000 to relieve the \$65,000 deficit facing the county.

The money would be paid back out of the first taxes collected under the seven and one-half mill tax passed in April. This levy was a half-mill increase over previous taxation. Additional taxes are expected this year also, according to County Clerk Fred Mathews, because of the raise in valuation of the county property.

Under this year's arrangement, the equalized value is set at \$45,736,416 as compared to the \$41,982,885 of last year.

The Board appointed Arthur Willits, county treasurer, and Fred Mathews, county clerk, to investigate the loan.

The appropriations for the Tuscola County Fair were tabled due to the shaky financial state of the county.

Mr. Edward Baker of Cass City has been suggested to the Civil Defense Department for appointment as Director of Civil Defense in Tuscola, by the Board.

The Board also heard an address by State Representative Allison Green discussing the legislation of the past session.

Other business completed by the Board was the transfer of \$500 from the general fund to the soldier and sailor relief fund and setting of the date of the annual picnic for Wednesday, August 12, at the Gun Club.

Community Chest To Conduct Drive For Tornado Relief

A drive for funds for tornado-stricken Flint area will be conducted by the Elkland Township Community Chest. This was decided in their meeting Monday night.

Authorities stated that many other communities have already conducted similar drives. They also stated that this would give local people who failed to meet their quota in the regular drive a chance to respond this time.

Cannisters will be placed in Cass City business places and checks may be turned in either at the Cass City State Bank or the Pinney State Bank. There will be no solicitation.

In their meeting, the Chest members also voted to send their quota of \$160 to the Michigan Crippled Children's Association.

Secretary of State Speaks at Gavel, Rotary Meeting

Owen "Pat" Cleary, Michigan secretary of state, explained to members of the Cass City Rotary and Gavel Clubs the changes he had made since he took office after the last election.

Speaking at the regular noon-day luncheon meeting, Cleary explained how he had changed the administration of his office from 14 departments to five departments.

"It's easier to place responsibility on five persons than on 14," he asserted.

The five departments are: motor vehicle, administrative control service, elections, division of investigation and personnel.

After explaining the various functions of the five departments, Cleary explained the recently passed law that puts control of vehicle licensing into the hands of the State Department.

After examination by local police departments, the Secretary of State's office will have complete control of all licenses issued.

The law is expected to keep accident-prone drivers off the road through the file system the department will have to check consistent violators, Cleary said. Concluded on page 4.

Quarter Century Club Four Workers Serve 25 Years Sending Milk Abroad for Plant

Yes, twenty-five years is a long time to stick to one job. But four employees of the Nestle Condensed Milk Co. have been working that long getting milk ready for shipment to foreign lands.

Helen O'Rourke joined the Quarter Century Club Monday when she received her gold pin and letter of congratulations from H. J. Wolfisberg, president of the Nestle's Co., Inc., main office in White Plains, N. Y.

Mrs. O'Rourke completed her 25 years May 17. The second newest member of the club is John Ryan, who finished his 25 years in February. Other club members still with the Cass City plant are: Mason Wilson and Alva Burt. Each of these received the gold pin of the Quarter Century Club and a watch to honor their service.

The Nestle's plant is now in its 34th year of operation as the biggest employer in Cass City. It had its birth as the Hires Condensed Milk Plant in 1918 and became the Nestle's Plant in 1920. Since that time it has been constantly growing and building new additions. The employee ledger

lists 70 workers now.

Ninety-nine per cent of the milk produced in Cass City reaches foreign ports of the Philippines, South America and Africa where its quality of easy preservation without refrigeration makes it constantly in demand, according to E. A. Hanna, plant superintendent.

The long trip abroad begins on the farms in the area bounded by Imlay City, M-58, Unionville and Port Austin. Privately-owned trucks pick up the milk and haul it to the plant. There it is cooled and reheated to pasteurizing temperature. A portion of the water is boiled out of it and lactose and a sugar syrup are added to keep it from spoiling.

The process resembles the home canning process of jam-making, according to Mrs. Burt.

The butterfat content of each batch of milk is tested in the laboratory by Bruce Holcomb, chief chemist, and Iva Hutchinson, assistant chemist. These tests are necessary both to keep up standards and because each of the countries dealing with the plant

Nature's Creatures Aid in Auto Accident

It was the middle of the summer but Ken Cumper of Cass City couldn't stop his car from skidding into the one ahead of him at Linwood Corners Sunday afternoon.

When he came upon the car, stopped because of an accident ahead, Mr. Cumper hit the brakes and slid—right on into it. The road was covered with fish flies.

The front of Mr. Cumper's car was badly damaged but no one was injured.

In the top picture, Lyle Holik, Ethel Dickinson and John Zawilinski rush to keep up with the conveying belt in the Nestle's Condensed Milk Co. plant and pack four-ounce cans of condensed milk for shipment to people in foreign lands where lack of refrigeration would normally keep them from having the benefits of milk. In the bottom picture, Bruce Holcomb, chief chemist, and Iva Hutchinson, assistant chemist, test samples of the condensed milk to see that it stays up to standards.

Two Die in Accidents, Nine Others Injured

William Ray Kelley, 66, of Deford was killed and David Seignurie, 15, of Deford is in serious condition in the Cass City Hospital as a result of a two-car accident on Deford Road early Sunday morning.

Police reported Mr. Kelley was driving on the left side of the road two and a half miles south of Deford. His car struck head-on with one driven by Elmer Fritz. Mr. Seignurie was picked up while hitchhiking by Mr. Kelley. Mr. Fritz' wife, Eileen, was riding with him.

Mr. Seignurie suffered internal injuries, according to police reports.

Mr. and Mrs. Fritz were still hospitalized Tuesday morning in the Cass City Hospital.

Mr. Kelley was born April 18, 1887, in Ontario, Canada. He moved to Tuscola County 57 years ago. He is a retired mechanic. On May 6, 1906, he married Grace Hall. After her death he married Elizabeth Clark, who died recently.

Funeral services were held Wednesday at the Mayville Funeral Home. The Rev. G. C. Branstrom, pastor of the Akron Methodist Church, conducted the services. Burial was in East Dayton.

Survivors are: children, Mrs. Ray Taylor, Saginaw; Mrs. Zigmont Mis, Caro; Mrs. Pierre Cramer, Akron; Hugh Kelley, Oxford; Edgar Kelley, Pontiac; Mrs. George Urban, Detroit; D. C. Kelley, Columbiaville; Robert Kelley, Spokane, Washington; Mrs. Clarence May, Deford; Bern Kelley, Pontiac; Joe Kelley, Saginaw; Kenneth Kelley, Deford, and Wendell Kelley, Bad Axe.

Also surviving are a sister, Mrs. Fred Schurte, Belding, and a brother, Ross Kelley, California, twenty-eight grandchildren and eleven great-grandchildren.

Flint Woman Dies

An accident occurring when a car driven by Walter Heinburg ran into the rear end of one driven by William Chatters caused the death of one woman last Sunday morning. The accident took place on M-15 outside of Millington.

Mrs. Rosemary Heinburg of Flint died as a result of the accident, after being taken to Saginaw General Hospital along with her husband, Harvey Sergeant, a passenger in the Heinburg car, and Mr. and Mrs. Chatters.

The Chatters are from Millington. Their condition is reported as fair by hospital authorities.

Hospitalize Posluszny

Ronald Patrick Posluszny is in serious condition in St. Luke Hospital in Saginaw as a result of an accident early Saturday morning on the Deckerville Road.

Posluszny was driving east on the Deckerville Road near Deford when his car went off the road and hit an abutment. He suffered a broken arm, broken jaw and internal injuries, according to police officers.

Parsch's Store will be open Thursday afternoons.

From the Editor's Corner

Momentum in the village for the establishment of a Little League baseball loop is growing. According to authorities investigating the possibilities, already enough sponsors have shown sufficient interest to start the program here next year.

Initial cost to sponsors is \$250. Four sponsors are needed to start the league. Teams play four nights a week and are completely outfitted with uniforms, bats, balls and other necessary equipment.

Personally, we believe that the program would be well received by spectators and fans. Admission to the games is free. Caliber of the

Director Plans Second School Band Concert

Despite a small turnout for the band concert Saturday night at the Cass City Recreational Park, Music Director Ralph Powell stated Tuesday that another concert will be presented soon.

The next one, according to Mr. Powell, will be held in a downtown area, if possible. It is hoped to achieve a better turnout that way.

Mr. Powell stated it was difficult to estimate the attendance at the Saturday concert because many of the spectators sat in their cars. However, he said, only 32 of the 66 members of the school band appeared.

Add New Features To Home-coming For Cass Cityites

New features, plus many of the stand-by attractions of previous years, will highlight the annual Cass City Home-coming August 6, according to plans formulated at a meeting of the Cass City Chamber of Commerce Board Monday evening.

The Chamber of Commerce, sponsors of the event, have expanded the livestock show to include FFA members. In former years, only 4-H members had shows at the Home-coming.

Another feature that is expected to attract the attention of area farmers will be a tractor driving contest. New this year, the event has proved a big attraction wherever it has been inaugurated.

Prizes will be offered to the contestants that prove to have the most driving ability over the tough obstacle course.

Plans now call for different concessions for the amusement of persons in the area. Discontinued will be the dunkers' chair. In its place will be a new novelty game as yet undecided on.

One of the events that has been part of the annual celebration will be missing. Fireworks will no longer precede the free evening's dancing.

All of the other crowd-pleasing features have been again booked for the day. Committees were formed Monday evening to help plan the events here.

New Rotary Heads Take Over Official Duties July 1

New officers for the 1953-54 Rotary Club took over their official duties Wednesday, July 1.

Bob Schuckert, replacing George Clara, will head the club during the year. Vice-president will be Fritz Neitzel; secretary, Del Rawson, and treasurer, Jack Hulien.

The board of directors will be George Clara, Curtis Hunt, Al Stevens, Ernest Schwaderer and Herman Doerr.

Al Stevens will also serve as sergeant-at-arms. Committees and their members include: Aims and Objects: Bob Schuckert, Del Rawson, Jim Bauer, Cliff Croft, Louis Bartz and Horace Bulen.

In charge of classification and membership are: Bob Hunter, Fred Pinney and Jim Bauer.

Attendance committee members are: July through October, Willis Campbell and Leonard Damm; November through February, M. B. Auten and Mac McLellan, and March through June, Frank Reid and Earl Douglas.

Council Approves Original Road Plan

Working by a single flashlight during intermittent periods of darkness, the City Council Tuesday night decided to carry out the original plan for the resurfacing of the village roads.

The decision followed discussion of possible placing of curb and gutter systems on some of the village streets. This was overruled because of the expense.

Approximately 40 blocks will have resurfacing done on them this year, according to the plan.

The Council also approved laying of a transite pipe from Main Street to the home of Frank Mosher on Doerr Road. This line would service five homes and businesses.

Building permits were granted to John Doerr for a garage and to Frank Mosher for a basement home.

A letter of appreciation from Mrs. Alfred J. Knapp to the Council for the rebuilding of a curb in front of her home was read by Mrs. Wilma Fry, secretary.

Winds that reached 70 miles per hour whipped the Cass City area Tuesday afternoon destroying barns, uprooting trees and destroying power lines serving the Thumb area.

For the second time within three weeks, Cass City and surrounding area were without electricity. For four hours, residents were again turning to lamp and candle light as they did when they were without service for 18 hours Monday, June 8, when the devastating tornado ravaged parts of the Thumb area.

Nearest victims of the high winds in the Cass City area were the Rinerd Knoblet family, southwest of the village.

The gale struck their farm at 1:15 p. m., destroying the barn, uprooting trees and knocking five windows out of the family's home.

Only one person, Mrs. Rinerd Knoblet, was injured. She suffered a deep cut on the palm of her hand as wind-blown flying glass struck her.

Strangely enough, Miss Martha Knoblet, in the house when the storm hit, said, "I've been in worse storms, the wind didn't seem too bad to me."

Yet the storm blew furniture around the rooms, lifted the roof and one side from the barn and tore two trees up by the roots.

Scattered reports from throughout the Thumb indicate that the high winds were general throughout the area. Marlette, Caro, Brown City, Lapeer and other areas all tell of tremendous damage from the storm.

Incomplete reports indicate that one of the local areas hardest hit was Kingston where five barns in one region were demolished. Among the farmers near Kingston whose barns were demolished are these who were unofficially reported to the Chronicle: Frank Lester, Nathan Randall and T. Jakubowski.

Playful Calf Pushes Owner into Bandages

A few minutes play with a heifer calf ended in severely broken ribs, internal injuries and shock for Mrs. Charles Williamson of Gageton last Friday.

Mrs. Williamson's daughters had been playing with the calf so she decided to join them but the calf playfully bunted her against the stall. Mrs. Williamson has been recovering from the accident at her home under the care of her daughter.

Decker Cops Top Spot in Cass City Softball League

Decker moved into the top spot of the Cass City Softball League this week by scoring important victories over their nearest competitors. They knocked Auten's out of a share for the lead Monday with a convincing 9-1 victory and stood off a challenge by FFA earlier in the week, 4-3.

Wednesday, June 24, Decker scored the first of their three wins of the week when they easily whipped Gageton, in fifth spot in the loop standings.

The second game Wednesday went to Church of Christ in a slugfest, 14-10. The win was the churchmen's third of the year.

Friday at 8 p. m., Decker edged FFA, 4-3, in a thriller. A home run by first sacker Pete Martin of Decker was the decisive blow for the winners. Stoutenberg, freshman hurler for FFA, posted another well-pitched game as he limited the potent Decker stickmen to two hits. Errors cost him the victory.

In the nightcap Friday, Gageton edged Decker, 4-3. Concluded on page 10.

Ten Taxpayers Rush To Square Accounts

Village Treasurer Wilma Fry announced Tuesday that Charles Peaseley was the first man in the village to pay his taxes, due beginning June 29.

The names of the other members of the First Ten Club are: John Gruber, Steve Harbec, Harold Wells, Mary Moore, C. M. Wallace, Ellis Mallory, Earl Moon, Glen Atfield and Frank Hegler.

"Be not as the horse or the mule whose mouth must be held in with bit and bridle." Often God's children are like unbroken horses. There is lack of obedience and rebellion against any control.

Paul, when he was Saul, kicked hard against the goads till he gave over the fight at last, and even when an apostle, he had to have a thorn in the flesh, at least for a time.

God's children will have sorrows enough if they spend their lives in communion with God and outpour them for the good of their fellowmen. They may be spared many unnecessary trials if they fully yield to Him and walk the pathway of humility and love. Letters to Editor

San Diego June 24, 1953

Cass City Chronicle Dear Chronicle:

Fifty-four years ago we, wife and I, subscribed for the Chronicle and have renewed every year since. Enclosed find check for \$3.00 for another year.

Yours, Sam Striffler, 4422 40th St. San Diego 16, Calif.

23 June, 1953

Mr. John Haire Editor, Cass City Chronicle Dear Mr. Haire:

Private Pat Kendall, formerly of Cass City, was admitted to the station hospital, Fort Sill, Oklahoma, six weeks ago, for prolonged treatment.

Anxious to join the army, he enlisted when he was sixteen years old and was released when his age was made known. He entered the army again at 18 and was sent to Fort Sill for artillery training.

Hospitalized before having a chance to get acquainted with the men in his outfit, he is anxious to hear from his friends and to keep in touch with his home town.

His address is: Pvt. Patrick D. Kendall US16295480, US Army Hospital, Annex Ward 14B, Fort Sill, Oklahoma.

Will you print the above in the Cass City Chronicle? This letter is

GREENLEAF

The Fraser Ladies' Aid met Wednesday of last week at the church for dinner and quilting. Tuesday, nine of the members met at Shabbona with five other ladies' aid groups who were guests of the Haycreek group. A musical program was presented and ice cream and cake were served.

Mrs. Doris Mudge went to Bad Axe General Hospital Wednesday morning for minor surgery, returning home Saturday.

Wm. McGilvray of Detroit spent the week end at his home at Old Greenleaf.

Mrs. Anna MacCallum of Bad Axe called Sunday afternoon at the home of Miss Catherine McGilvray and Miss Anna McLeod.

Mr. and Mrs. Howard Hoadley of Imlay City called on relatives at Old Greenleaf on Sunday.

Young people aren't as quiet as they used to be—but neither are the old folks.

An unofficial act of a Grey Lady in the Red Cross Volunteer Services at the hospital here at Sill. My uniform is my introduction to servicemen who are patients here, and often seems to be an invitation for a patient to sound off about his gripes and problems.

It would serve as a tremendous boost to his morale if this letter would bring news from home.

Sincerely, A Grey Lady

To make a sugar sirup for sweetening fruit you are canning, boil sugar and water or fruit juice for five minutes and remove the scum, advise Michigan State College home economists. A heavy sirup can be made by using a cup of sugar with one cup of water or juice. A medium sirup recipe calls for a cup of sugar with two cups of water or juice and a light sirup will come from three cups of fluid with one cup of sugar.

Join Cansfield-Price In Wedlock at Rites Saturday in Bay City

Against a background of white gladioli, palms and candelabra, Miss Mary Margaret Cansfield and Kenneth John Price of Lansing were joined in marriage Saturday at the First Methodist Church in Bay City.

Two hundred and fifty guests attended the afternoon rites at the Rev. T. Leonard Snaders performed the double-ring ceremony.

Miss Cansfield is the daughter of Mr. and Mrs. Arthur H. Cansfield of Bay City and Mr. Price is the son of Mrs. Charles Price of Cass City and the late Mr. Price.

The bride was given in marriage by her father. She wore a gown with a fitted imported lace bodice fashioned with a soft scalloped decollete neckline with steves ending in points over the wrists.

Her cathedral length train appliqued with lace flowers was made of nylon tulle over satin.

A finger-tip length veil of French illusion secured by a small satin cap accented with pearls completed the bridal outfit. She carried a bouquet of white lilies surrounded with smilax and stephanotis.

Miss Dorothy Toepfner, accompanied by Neil R. Ringle, both of Bay City, sang during the ceremony.

Miss Helen Ann Cansfield of Northville was maid of honor for her cousin and Miss Joanne Kaiser and Beverly Maxson were bridesmaids.

They wore shell-pink gowns of identical styling, featuring off-the-shoulder necklines with bands of pure silk Shantung and waltz-length skirts of nylon tulle over Shantung accented with bands of silk Shantung.

Matching face veils and nosegays of pink sweetheart roses and blue delphinium with ivy completed the bridesmaids' outfits.

Robert F. Benkelman was best man and James A. McCoy of Kinde, Charles S. Auten of Cass City, Paul H. Barnum of Lansing and John H. Cansfield, the bride's brother, acted as ushers.

The bride's mother selected a foam green lace and chiffon frock with matching accessories. Her corsage was of rubrum lilies.

Mrs. Price wore a bluish pink chiffon gown with matching accessories and a corsage of rubrum lilies.

A reception immediately followed the ceremony in the church parlors with the centering point an arrangement of white larkspur, swansonia, white carnations and silver candelabra on the bridal table.

Assisting at the reception were Mrs. Paul Barnum, Mrs. Loren Lively, both of Lansing, Mrs. William Gregory, Mrs. Lyle Bublitz, Mrs. Eugene Northcott, Mrs. Robert Benkelman and the Misses Susan Blasser, Jan Graveline and Janet Deutscher.

A yellow linen suit with white accessories and a corsage of white gardenias became the bride's traveling garb as the couple left on a two-week wedding trip to the Upper Peninsula. They will reside at 1110 Prospect St., Lansing.

CLUB SPEAKER

Concluded from page one
Cleary pointed out that another part of the law calls for an increase in license fees. Drivers will pay \$1.50 for renewal of their license instead of \$1.25 and new license will cost \$3.00.

Of this money, 50 cents of the \$1.50 and \$2.00 of the \$3 will be returned to local government for use.

Cleary told the assembled service clubs that he thought the money could be well spent for driver training courses. "Wherever these courses have been established," Cleary said, "accident rates have decreased sharply."

Baptists to Show Film Of "Quaker Miller"

The story of Perry Hayden, the "Quaker Miller" who planted a cubic inch of wheat in 1940 that, when Hayden followed the tithing rule, grew in six years to cover 2,666 acres of land, will be told in a movie shown at the First Baptist Church, Sunday, July 5, at 8 p. m.

Representative to Aid With Social Security

Persons in Tuscola County wishing information about old-age and survivors insurance may meet with a representative of the Social Security Administration in Caro twice a month.

The representative will be in the Michigan Employment Office in the State Savings Bank Building the second and fourth Thursdays of each month.

Farmers to Discuss Profits on Tour

Farmers from all over Michigan will be heading for Saginaw County in about five weeks seeking answers to a common problem of farmers today.

"Maintaining Profit in a Cost-Price Squeeze" will be the theme of the annual state farm management tour in August in Saginaw County, reports Alfred P. Ballweg, Tuscola County agricultural agent.

The tour, arranged by the Michigan State College agricultural economics department and Loren D. Black, Saginaw County agricultural agent, will cover three farms.

These farms specialize in dairy, cash crop and cash crop-beef operations, notes James M. Nielson, Michigan State College agricultural economist. The tour will take in two farms in the forenoon and one in the afternoon, he explains, and there will be a short program after lunch. A speaker will discuss how to soften the squeeze put on farmers by the lower prices he gets for his products and his higher costs of operation.

MICHIGAN MIRROR NEWS BRIEFS

Healthiest year in Michigan's history was 1952, announces the state Department of Health.

Some credit for this fine showing belongs to the staff of the state health department itself, for it has worked hard many years to protect the physical well-being of Michigan's citizens. Now in its 81st year of existence, the department is considered the finest in the country. It was established in 1873, the fifth oldest in the nation.

Credit should be given to county and city health authorities who reflect in their own operations the help they received from the state.

Polio was the only serious communicable disease that was epidemic last year. Other facts reported:

More babies were born than in any previous year; about 175,000 which topped the previous high of 1951 by 3,000.

Life expectancy of babies born in 1952 remained at 66 years for boys, 72 for girls.

Deaths from diseases affecting older people increased. Increasing longevity results in part from control of diseases of earlier years.

Michigan's death rate is nine per thousand; well below the national average of 9.6. Only 15 states have a lower death rate.

More than 90 per cent of people of Michigan were served by 51 full-time local health departments.

Most dramatic result of health department campaigning is the tremendous reduction of goiter cases in Michigan children. Tests in 1924 showed 47.2 per cent with enlarged thyroid glands. Research proved this was caused by lack of iodine in diets.

The department found that iodized salt would correct this deficiency; promoted and is still promoting that consumers use only iodized salt.

Result: Only 1.4 per cent of children in the same area this year examined for goiter showed positive signs.

Biggest health problem remains tuberculosis. Of money spent for public health in Michigan, 80 per cent, about 2½ million, is spent fighting this disease—or caring for those that fall to it.

Newest field to receive attention is "adult health problems"; cancer, heart diseases and diabetes. With a higher percentage of people living to old age, the department feels it should devote more study to these problems.

Collecting of human blood in cooperation with Red Cross is still another project which receives continual attention.

Free distribution of vaccines it manufactures for Michigan people is a prime department service and there are many other important duties the department has assumed. Among them is a free diagnosis service for doctors, services in the fields of public health nursing, nutrition, maternal and child health, industrial health, dentistry, venereal disease control, and the maintaining of birth, death and other vital statistics. The list of service as performed is much, much longer.

The important Kahn test for syphilis was developed during the 1930's by Dr. R. L. Kahn who was

then associated with Michigan's Health department.

During the forties Dr. Pearl Kendrick produced an improved whooping cough vaccine widely praised in the medical profession.

Michigan's Department of Health is the nation's only source of anti-hemaphilic globulin, a blood derivative important in stopping hemorrhaging.

Outstanding results like these over the years have resulted in the top reputation now enjoyed by Michigan's department.

General purpose of the Department of Health is to encourage and develop health through local agencies at county levels. About 600 people make up the state staff. Their efforts are coordinated with 47 county and 11 city departments operating on full time basis. Only 13 counties do not have health departments.

Federal aid has been available until this year when the national economy program called for drastic reductions. State and local governments providing \$160,000 each and minor reductions in service are planned to make up for the \$327,000 that will not be forthcoming from Washington this year.

Dr. Albert E. Heustis, a young, personable looking man, has been health commissioner since 1948. His job calls for skilled administration. He must work with state officials, with members of organized medicine, with his department personnel and with local departments.

Much credit for the efficiency of the department is given by him and others to the absence of politics in its administration. Since its inception, the agency has usually had a free hand, unhampered by political expediency. This has permitted employment of career type people of high professional standards.

Appointed by the governor, confirmed by the legislature, the commissioner works with an advisory group, the state Council of Health. Members of this body are

also appointed by the governor.

Although the commissioner need consult the council only if he considers it necessary to public safety to cancel public meetings, to take over a local health department he considers functioning improperly or to set certain health regulations, Dr. Heustis says they have other important functions.

The present council consists of one health engineer, a Doctor of Osteopathy, a dentist and two MD's. In discussing general problems and policies with them, Dr. Heustis feels he has a valuable "I would like to meet more often sounding board of public reaction. With them than at present," he commented.

No discussion of Michigan's Department of Health would be complete without mention of Clifford C. Young, director from 1919 until his death in 1944. "Cy" was considered the top health administration official in the country. His organizational abilities and his warm personality welded the department into a sufficiently operating unit.

Safety Week Strives To Save Farm Lives

One out of every four farms in Tuscola County is likely to be the scene of a disabling accident during the next 12 months, says Alfred P. Ballweg, county agriculture agent.

Ballweg made this prediction in reminding rural people that Farm Safety Week is July 19-25.

Ballweg cautioned, however, safety must be a 365 day-a-year job in order to cut accidents down.

Not only are farm injuries bad in terms of pain and sometimes death, but they're costly, declares Ballweg.

David G. Steinicke, farm safety specialist at Michigan State College, points out that the average cost of a farm accident involving a fall is nearly \$50. The average fall costs the farmer 24 days lost from farm work. The average farm machine accident costs \$60 in medical expenses and 20 days lost from work.

One of the biggest sources of farm accidents, says the safety specialist, is the farm tractor. He cautions farmers to keep shields

in place—especially around the power take-off and the machine to which it is attached. Also, he advises, know the correct hookup to avoid turning over the tractor with a heavy load.

Above all, he cautions, don't let children ride on the tractor.

Easy street is never reached without sacrificing many loyal friends along the way.

FROM THE FILES OF THE CHRONICLE

Five Years Ago.

After the dinner Tuesday evening at the Home Restaurant, Gavel Club members hurried to the Recreation Park to work on their projects. Sand pits, tennis and shuffleboard courts are being installed, as well as locating spots for quoit pitching.

Rev. Howard C. Watkins is the newly appointed pastor of the Cass City Methodist Church.

The Novesta Baptist Church will celebrate its 50th anniversary Sunday, July 4. Former pastors of the church have been invited to participate in the day's program.

William E. Phetteplace, lifelong resident of Evergreen Township, died at his home Tuesday, June 29.

Ten Years Ago.

Raymond Toohy received word from Washington that he has been appointed as rural letter carrier on Route 2 out of Gageton. He will start carrying mail July 16.

Mr. and Mrs. Chas. Mudge of Evergreen Township celebrated their 25th wedding anniversary Saturday evening, June 26.

Three softball teams form the local league. They are: Farmers, Deford and Condensery.

Charles Spencer of Deford and Donna Boyd were married Saturday evening at the parsonage of the Church of Christ, by the pastor, Rev. Bruce Spittler.

Twenty-five Years Ago.

William Bentley opened a blacksmith and woodwork shop in the Foundry Building on West St., Monday.

An increased interest in the indoor baseball league at Cass City is reported by Mr. Willis Campbell. Most hits and singles were by Donald Schenck; most doubles by Lewis Pinney; most triples by John Morris; and most home runs by William Ruhl.

Five generations were present at the family reunion held Sunday at the home of Mrs. Walter McCool at Shabbona. Mrs. Margaret Burns, 85, of Marlette, Mrs. McCool's mother, was among the guests.

Mrs. Susan Phillips died Thursday evening at Pleasant Home Hospital after having undergone surgery earlier in the week.

Thirty-five Years Ago.

For July, Hires Condensed Milk Company of Cass City is paying \$2.10 for three per cent milk, an increase of 45 cents over June.

Mrs. Donnelly, her neighbors and the local Red Cross have arranged for a big ice cream social at the Charles Donnelly farm Friday evening, July 12. The proceeds are to be devoted to buying a knitting machine.

of Chicago, Ill., returned to their homes Thursday after visiting sisters and brothers in this vicinity. They were dinner guests of Mr. and Mrs. Steve Schwartz Tuesday. They all attended the recent wedding of their niece, Mary Molnar in Unionville.

Miss Christine Crawford after finishing her first year at the U of M spent a few days with her parents, Mr. and Mrs. Alex Crawford, and recently left for the summer to be employed as receptionist at the Carriage-Lantern at Mackinac Island.

2nd Lt. Richard Ziehm of the Intelligence Corps is now stationed in Korea. He is the son of Mr. and Mrs. Basil Ziehm.

Mrs. R. C. Bonchard of Detroit was a week-end guest of her sister, Mrs. Vina Wallace.

Mr. and Mrs. William C. Hunter and daughter, Frances, attended the wedding and reception Saturday of Mrs. Hunter's sister, Miss Theresa Laughlin, daughter of Mr. and Mrs. Charles Laughlin, and Alan Johnson. The ceremony was performed in St. Felix Church Hewleton by Rev. Fr. Navarre at noon.

Miss Frances Hunter is spending the week in Royal Oak with her aunt and uncle, Mr. and Mrs. Howard Johnson.

Miss Mary Wald and Miss Rosa-he Mall accompanied Miss Margaret Wald of Saginaw to Detroit Saturday where they visited Sr. Mary Louise at Visitation Convent.

Few persons do enough good turns to make them dizzy.

Ladies of Sanilac OES Elect New Officers

Seventy-five members of the Sanilac County Club of the Order of the Eastern Star were entertained Friday afternoon, June 19, by Minden City Chapter No. 400 in the Masonic rooms.

A potluck dinner was served. Mrs. Clara Miller of Minden City welcomed the guests. Response was given by Mrs. Myrtle Merri-man of Deckerville.

The program consisted of a play, "Ma's Daily Dozen," by members of the hostess chapter, a violin solo by Doris Shafley and a solo by Ted Schubel.

Newly elected officers are Marguerite Wiltzie of Marlette, president; Lavon Shadley of Brown City, vice-president, and Effie Sweet of Deckerville, secretary and treasurer.

The gavel was won by Marion Chapter No. 171 for having the most attending. The next meeting will be held at Port Sanilac Sept. 13.

have a little different fat requirement.

Archie McCallum, bacteriologist, has to keep his eye on the purity of the milk. He takes samples of each batch and incubates them at body temperature for varying periods and checks them for bacteria. Following his approval, the milk is boxed in four or fourteen ounce cans for shipment.

The plant ships milk under three brand names, Milkmaid, Nestle's and Lion.

Abroad it is used for baby food, coffee cream and for cooking. During the war years of sugar rationing, the condensed milk with its high sugar content was a favorite with local people for desserts, according to Mrs. Burt.

The Cass City plant is one of seven Nestle's Milk plants in the United States. They also have an evaporated milk plant in Uby.

Homemakers to Meet For Classes at MSC

Tuscola County women are hurrying to sign up for the Homemakers' Conference at Michigan State College, July 21-24, according to Miss Jean Gillies, county home demonstration agent. The conference is sponsored by the home demonstration staff of the Michigan Cooperative Extension Service and open to all women who wish to attend.

The four-day meeting includes a program of educational events. There will be classes in writing for fun and money, photography for beginners, how to shop wisely, ideas for landscape improvement, the Korean situation, getting the most out of your equipment and flower gardens.

Others will cover meeting the problems of illness, putting your money to work, changes in Michigan communities, parent-child relationships, recreation, parliamentary procedure, effective speaking, reading for the family, the Bible and music. The classes will be conducted by Michigan State College faculty members and other authorities in their fields.

Outstanding speakers will include Iris Davenport, Nashville, Tenn., women's editor for the Southern Agriculturist; Marion Martin, commissioner of labor and industry for Maine; Mrs. Edith Sampson, Chicago attorney; E. T. Barwick, Barwick Mills, Ga.; Mrs. Fern G. White, Kansas City, Mo., and Dr. Elaine Knowles Weaver of Ohio State University.

Miss Gillies says the women attending will reside at Shaw Hall. Most of the sessions will be in the college auditorium. Reservation cards for Homemakers' Conference can be obtained in the Cooperative Extension Office, courthouse, Caro.

What a fine place this would be if the time spent criticizing unsatisfactory conditions was spent in improving them.

Three Communities To Sponsor Festivals

Sebewaing, Chesaning and Bad Axe are busy cleaning the streets and putting finishing touches on organization for their annual summer festivities.

Sebewaing will celebrate its 100th birthday July 2-5 with a return to the days of 1853, according to F. G. Martini, general chairman, and Ford Beers, president of Sebewaing Centennial Corp.

The big event of Children's Day, the opening day, will be the crowning of a King and Queen, a couple married 50 years ago with a long record of public service. Friday has been dubbed Aquatic Day to commemorate the value of the Sebewaing River and Saginaw Bay in the development of the city.

A bronze plaque will be dedicated at the Old Mission in the morning and a water sports program will start at 1 p. m. The high point Friday evening will be a pageant depicting the history of Sebewaing.

Saturday will be Patriotic Day with 300 Dawn Patrol and Flying Farmers airplanes expected. Saturday evening there will be final awards for beards, grown to mark the Centennial.

The program will close Sunday with church services, followed by a baseball game at 2:30 and a softball game at 8.

The Chesaning Showboat will make its annual runs July 14 through July 19. The 80 foot replica of the Mississippi River showboat of years ago will be captained by Ollie Richards. Professional talent, such as Griswold, Sharkey the trained seal and Marjone Sisters and Moran will aid local amateurs with the shows.

Each of the six night shows will honor an area city. July 14 will be Neighborhood night; July 15 is named Bay City night; July 16 will be Midland, Lansing night; July 17 will be Saginaw night; July 18 will be Flint night and the final night is dedicated to the Rotary and Owosso.

The list of well-known guests to appear as guest captains includes: Gov. Williams; Joe Ritzenheim, state VFW commander; Marshall Wells of WJR, and Secretary of State Owen J. Cleary.

Huron County will hold its 85th annual County Fair at Bad Axe on August 11-15, according to fair manager, William E. Logan.

Three entirely different grandstand shows are planned for the five-day run.

The Happyland Shows will help entertain with rides and games during the Fair.

August 11 has been designated Junior Livestock Day with the judging and a grandstand show of Ward Beams Daredevils. August 12 will be Children's Day with a parade of youngsters and high school bands from the county. Also, the grandstand show in the afternoon will be free for all youngsters.

August 13, Farmer's Day, will feature lightweight horse pulling, the Million Dollar Livestock parade and the first day of harness racing.

The 4-H and FFA will take over August 14 and also included on the program is the annual steer show. The Fair will close August 14 with Finale Day.

town kept Cass Tavern from the win column with a 9-4 victory. It was the sixth straight defeat for Cass Tavern and the second win for Gagetown—both posted at the expense of the Tavern nine.

Final games of the week saw Decker smash Auten's, 9-1, in the first "crucial" game of the year. Auten's were handicapped by the absence of three regulars.

Cass Tavern almost pulled the upset of the season when they scared FFA Monday night before bowing, 8-4. Going into the sixth inning, the score was tied but a rally featured by bunts pulled the farmers out of trouble.

Ten Demonstration Club Members Meet

The Bethel Home Demonstration group met Thursday afternoon, June 25, at the home of Mrs. Wm. Profit.

There were ten members present and the lesson given by Mrs. Clair Carpenter was on "Basket Weaving" and each member completed a basket.

Refreshments were served by the hostess.

The August meeting will be a family picnic.

Alfred Russell Buried From Sister's Home

Alfred Russell, Gagetown farmer and lifelong Elkland Township resident, was buried Monday, June 29, in the Elmwood Cemetery in Gagetown.

Mr. Russell died Friday, June 26, in the Pleasant Home Hospital after a two weeks' illness. The funeral was held at the home of his sister, Mrs. John Evans. The Rev. Frank Holbrook conducted the ceremony.

Mr. Russell was born on a farm in Elkland Township March 4, 1887. He was 66 when he died.

He is survived by three brothers, John of St. Clair Shores; Archie and William of Gagetown, and two sisters, Mrs. Myrtle Deneen of Cass City and Mrs. Evans, with whom he made his home.

The cashier is known by the company that keeps him.

STORM DAMAGE

Concluded from page one.

Other damage in the county included the destruction of a barn owned by Rep. Allison Green and the razing of the Wells Township Hall.

Narrow Escape.

Twenty-eight Brownies and leaders from Cass City reported a harrowing experience as they narrowly averted serious injury while at Akron for the opening of the Brownie Day Camp Tuesday. An estimated 100 Brownies and camp workers ran to a shelter in the park and huddled there together as the wind whipped through the park, crashing trees close to their refuge.

The day camp is scheduled to be resumed next week but local Brownies and leaders have decided not to return.

Their decision does not affect the Girl Scouts who are slated to attend July 7-9.

games is surprisingly good. Members of the Gavel Club who watched games in Bay City said that they would not have believed that youths 11 years old and younger could play so well.

Many observers believe that the softball program here would die if the Little League was formed. We do not subscribe to this theory unless special permission is received for the Cass City League to play under the lights at the park.

Starting time of the games seems to be the biggest problem. National rules call for the games to begin at 6:30 p. m. Many believe that the early starting time would eliminate many youngsters who live on the farm.

STATE OF MICHIGAN DEPARTMENT OF AGRICULTURE DIVISION OF DRAINAGE BOARD NOTICE OF MEETING OF DRAINAGE BOARD TO WHOM IT MAY CONCERN: Notice is hereby given that on the 15th day of June, 1953, a petition was filed with Freeland Sogden County Drain Commissioner of the county of Tuscola asking for the cleaning, deepening and widening of the Huron Drain located in the Township of Elkland, County of Tuscola, Township of Grant, County of Huron.

And Whereas, a certified copy of said petition was served upon Bert Wattarworth County Drain Commissioner of the County of Huron, and the Director of Agriculture, by Freeland Sogden County Drain Commissioner of the County of Tuscola.

Now, Therefore, in accordance with Act No. 816, P. A. 1928, as amended, a meeting of the Drainage Board of said drain will be held at the corner of the Schwelger Road and the Bay City-Foreville Road being the common to Sections 2, 8, 10 and 11 in the township of Elkland, county of Tuscola, on the 17th day of July 1953, at 11:00 o'clock in the forenoon, to determine the practicability of said improvement.

Now, Therefore, all persons owning lands liable to an assessment for benefits or whose lands will be crossed by said drain, or any municipality affected, are requested to be present at said meeting, if they so desire.

Dated at Lansing, Michigan, this 24th day of June 1953.

CHARLES FIGY, Director of Agriculture By John Hudson, Deputy Director in charge of Drains.
