New, roomier bodies! New, rugged construction!

Cass City

Earl M. Crane, Pastor

New Chevrolet Trucks do more work per day...more work per dollar!

You save extra trips. That's because of the extra load space you get in the new Advance-Design bodies. New pick-up bodies are deeper, new stake and platform bodies are wider and longer. Also, they're set lower for easier loading. You save hours on the road. Thanks to new high-compression power, you can maintain faster schedules without driving at higher maximum speeds. Increased acceleration and hill-climbing ability let you save time where it counts.

You save time on deliveries. With new truck Hydra-Matic trans-

mission, you save time at every delivery stop. And you can forget about clutching and shifting for good! It's optional at extra cost on 1/2 -, 3/4 - and 1-ton Chevrolet trucks. You save on operating costs. New power saves you money every mile! The "Thriftmaster 235" engine, the "Loadmaster 235" and the "Jobmaster 261" (optional on 2-ton models at extra cost) deliver increased operating economy. You save with lower upkeep,

too. Extra chassis strength saves you money on maintenance. There are heavier axle shafts in two-ton

models . . . bigger clutches in lightand heavy-duty models . . . stronger frames in all models.

The Friendly Store

And your savings start the day you buy. In fact, they start with the low price you pay and con-tinue over the miles. Chevrolet is America's lowest-priced line of trucks. It's also the truck that has a traditionally higher trade-in value.

Come in and see all the wonderful new things you get in America's number one truck. We'll be glad to give you all the moneysaving facts.

You can't buy better! It's the stunning Customline Fordor Sedan. Ford's the only low-priced car

## with all these "Worth More" features

#### **Recognized leadership in styling**

You can pay more but you'll never find a car that's more "at home" wherever you may drive it. For the smart new '54 Ford is as modern as tomorrow with the crisp, commanding lines of today's style leader. And it's just as smart inside! The sparkling new decorator-designed interiors have colorful new upholstery fabrics and harmonizing trim that spell quality wherever you look.

#### Choice of most modern engines

Ford and Ford alone, in the low-price field, offers you a choice of V-8 or Six . . . the brilliant new 130-h.p. Y-block V-8 or the flashing new 115-h.p. I-block Six. Both Ford engines have rigid, extra-deep blocks for smoothest, quietest operation and extra-long life . . . plus the

savings and "GO" of modern, high-compression, short-stroke, low-friction design.

#### **Ball-Joint Front Suspension**

For the first time in any low-priced car, you get the smoother riding and easier handling of Ball-Joint Front Suspension - an advance you'd expect to find only in the costliest cars.

#### Choice of 5 power assists . . . including Fordomatic

Only Ford in the low-price field offers power on all four windows . . . a 4-way power seat which adjusts up and down as well as forward and back. Power steering, power brakes and . versatile Fordomatic Drive are also availableand they make your fine Ford even more fun to drive.

# What Makes Week-end A Special A Special?

It takes more than a price tag, to be sure; it takes quality too. That's why IGA maintains our own Beef Buyers right in the Corn Belt to personally select every steer for quality and fine flavor just to make sure every cut of beef is all we say it is.

Take the beef we advertise. Maybe there is cheaper beef in town; but we've said it before, and we underscore-WE'RE NOT INTERESTED IN SELLING YOU THE CHEAPEST. We believe in selling you the Best and, whenever possible, in bringing it to you at a savings.

Fine quality at the lowest possible price has been the principal ingredient in building IGA into one of America's largest food distributors.

Fine flavored Beef (tender every time) from your IGA store is your guarantee when we advertise a special.
