Lay Plans for **Marketing Outlet** Wednesday

At a meeting held Wednesday evening in Kingston, farmers from the Thumb area gathered to discuss the possibility of establishing a central marketing outlet and feeder service.

The plan is to have the organization owned by farmers so that they would have a voice in the marketing of their products.

In the near future, delegates from Huron, Tuscola, Sanilac, St. Clair and Lapeer counties will survey the area for a likely site for the yards to be erected.

Present plans call for a building to cost an estimated 50 to 60 thousand dollars. At the meeting, Kingston representatives offered 10 acres of land free for the site. according to Bill Jolly, who represented Cass City at the meet-

Second Half Rally Whips Elkton 32-6

Looking very inept in the first half and like the championship contender they were expected to be in the second, the Cass City Red Hawks rolled over Elkton 32-6 in the opening game for both clubs Friday at Elkton.

Fumbles, poorly timed plays and an offense that failed to jell Annual Meeting characterized the opening two and an offense that failed to jell quarters for the team.

Coach Mike Yedinak said that overconfidence by the veterans and first game jitters by the rookies may have been responsible for the poor first half. He said that the game showed that the club has plenty of work ahead of them if they expect to be serious contenders for the Thumb B crown.

Defensively, the club played good ball. Elkton chalked up only one first down in the game on a 15-yard clipping nenalty.

Elkton scored on a quarterback meak. He moved for 35 yards, cutting to the sidelines after bursting through the line to out distance the Hawk secondary.

Cass City tied the score on the opening kickoff of the second half. Hanby took the boot and handed off to Jack Clara on a play with good deception and Clara raced down the sidelines to model in the county because they score standing up.

Dick Hanby put the Hawks ahead when he wents over on a dive play for the extra point.

After the Hawks scored, they dominated the game. The next time they received the ball, they scored again. After a clipping Officers Re-elected penalty cost them 15 yards, Jim At Farm Produce Johnson took the ball from center and faded back and tossed to Bob Walpole who went down the center and cut to his left to take a perfect toss over his shoulder. I can't think of anything less connected, but that's what we're going to talk about today. Ice water, cars and dogs.

Perhaps in a moment it will begin to make sense. Especially if you have a pooch who comes tearing out after your car, or chases every car and truck that passes.

The dern dog makes a nuisance of himself, makes you jittery at the wheel and is liable to get himself run over any day.

Have someone sit in the back seat with the window rolled down on the side Fido usually chooses for his yapping. As the dog starts tagging your tailpipe, the friend planted in the back seat leans out of the window and douses Fido square in the jaw with a bucket fuli of ice water. The colder the better (but with no ice in it, of course.)

It may be an awful shock, but it's harmless enough, and is ecommended by a dog-loving friend of mine as a safe but sure cure for car-chasing pooches.

'Course, there's a time when putting on a little dog is just the right thing. There's nothing like the feel of good, sound, looks-likenew car to give you a feeling of safety, and sureness and satisfaction. With new and used cars turning over so rapidly these days, we have some of the most luxurious cars of the last few years on our lot right now. And, they've knocked them right out of the luxury price class. It's quite true that luxury, if you want it, is available for

If you want a really nice car, see Arthur Roach's 1954 Chevrolet Deluxe 4 Door Sedan. This car even has four brand new puncture proof tires, along with Air Flow Heater and Defroster, Undercoating. They're the most modern trucks on the road. If you don't get all

the advantages they offer, you stand to lose money on the job today . . . and again at trade-in-time!

Most modern power-V8 or 6

In most new Chevrolet truck models, you have your choice of V8* or 6. Chevrolet's new truck V8's have the shortest stroke of any V8 in any leading truck! That means less friction and wear per mile. The valvein-head sixes are new editions of the engines that have long been famous as the "work horses" of the truck world! And all Chevrolet truck engines have a modern 12-volt

electrical system for quicker starting, better ignition and a greater electrical reserve.

The truck driver's "dream cab"

That's the closest we can come to describing the new Flite-Ride De Luxe cab. What truck driver wouldn't go for features like these: panoramic windshield for wider, safer vision; concealed Safety Step that stays clear of snow, mud and ice; High-Level ventilation that provides a more constant supply of outside air in all kinds of weather.

Most modern truck styling

We call it Work Styling-and you get it only in new Chevrolet trucks! Two fresh, functional styling treatments are offeredone for light- and medium-duty models, another for heavy-duty models. Your Chevrolet truck will do your job better-and look better doing it!

Most modern features throughout

Advanced suspensions, more rigid, laddertype frames! Tubeless tires standard on 1/2ton models! Come in and see all the ways you're way ahead with new Chevrolet trucks!

●V3 standard in L.C.F. models, an extra-cost option ● in all others except Forward Control models.

Shabbona Farm Bureau Meets to Elect New Officers

The Shabbona Farm Bureau monthly meeting was held in the hall Tuesday, Sept. 13. The 1955 farm policy review was read by the chairman, Bruce Kritzman, and recommendations were made

by the group. A looking glass questionnaire on group policy was conducted by discussion leader Lynn Spencer. Under the direction of tem-

porary chairman Marian Spencer, officers were elected.

Named were: chairman, Bruce Kritzman; vice-chairman, Arthur Meredith; secretary, Irene Bader; discussion leader, Lynn Spencer; assistant discussion leader, Milford Robinson; Blue Cross secretary, Marie Meredith; women's chairman, Martha assistant women's Robinson: Theressa Biddle: chairman. minuteman, Arley Gray; recreation leader, Marian Gray; assistant recreation leader, Marian Spencer; news reporter, Mary Kritzman; song leader, Harold Biddle, and roll call captain, Arley Gray.

Mary Kritzman was chosen as delegate to the annual state meeting in Lansing Nov. 10-11. Alternate selected was Anna Mae Sharrard.

A humorous and interesting recreation period was held under show without the bother of rethe direction of Marian Spencer. A potluck lunch was served. The next meeting will be at the

Gordon Drouillard scored the final touchdown for the Hawks. He intercepted a pass on his own 45-yard line and ran for the score. He eluded at least two Elkton tacklers in the touchdown jaunt. Hanby dived over for the extra point to make the final

score 32-6. Coach Yedinak said that Drouillard was outstanding de-fensively, making many of the ackles and scoring a touchdown, Others who showed well on defense, Yedinak said, were Gene Wilson, Dick Hanb- and Clayton Veiman. Outstanding at ends were Mike Fritz and Ellis.

Offensively, Clara averaged live yards per carry and returned the second half kickoff for a touchdown and Ellis caught three passes good for 99 yards. These boys were singled out for praise by the coach. Complimented, too, by Yedinak were Johnson, for his sharp passing and Walpole, for his catch of the touchdown pass.

One of the most important games of the season will be olayed here Friday when the Hawks entertain Caro in the opening conference game. The game will renew the long series between the two who are about even in the won and lost column over the years.

Girl Scout Leaders Assigned for Year

Members of the local Girl Scout committee met Thursday afternoon in the Girl Scout rooms to assign leaders for the coming year and make plans for the start of the year, which will see regular meetings of the various troops starting soon.

According to the secretary, Mrs. Audley Horner, two leaders are needed -et for Brownie troops and any interested woman, who can give of her time to this very worthwhile organization, is asked to contact some member of the committee. Leaders who have already been

assigned to troops for the year are Mrs. Mike Yedinak, Mrs. Robert Cook, Mrs. Wayne Parker and the Misses Joan May and Caroline Garety.

The local Girl Scouts will co-Cross in putting out posters which will announce the visit of the mobile chest X-Ray unit which will visit this town Nov. 2.

The secretary asked that any girl, who has outgrown her uniform or who may no longer be in Girl Scouts and who wishes to either sell or -ive her uniform for the use of another Girl Scout. take the uniform to Mrs. Don McLachlan.
