Slate Poppy Sale in Cass City May 23-25

The annual Poppy sale in Cass City has been scheduled for Thursday, Friday and Saturday, May 23-25, authorities announced this week. The sale is conducted here by

members of the American Legion and the Legion Auxiliary.

Money received in the sale of the poppies is used to help vererans and their families. Included in the aid program that the sale sponsors are wheelchairs for veterans, baskets at Christmas for needy families of veterans and cigarettes for hospitalized veterans and others.

About 50 per cent of the money collected is used locally, authorities said, and the remainder is sent to the national organization for use where it is needed most.

memorating the yearly event has been placed at the Smith store. It included prize-winning posters by students at Cass City Schools in a recent contest and other posters created by Mrs. Frank Alward, chairman of the Poppy drive this year in the village.

From the **Editor's Corner**

With championships in track football and baseball and second place in basketball plus a district tournament title, Cass City's athletic department will conclude one of its most successful seasons in history.

Possibilities for next year are bright and the school will probably repeat in at least some of the sports as champions next year.

We've mentioned it before, but we think it's worth saying again after hearing the performance of

the vocal groups at the school

Tuesday.

We doff our hat to Roger Parrish for an outstanding job in the vocal department at the school. It is to his and the school's credit that he was able to generate enough interest in vocal music that students devoted their free time during noon hours and evenings to become the outstanding singing groups that are now performing for the entertainment of the student body and residents of the community.

Tornado Warning **System Operates**

A tornado alert was experienced in the Cass City area Tuesday from 3 p. m. to 7:10 p. m. and from 11 p. m. to 2 a. m. and members of the Elkland Township Fire Department operated on a stand-by basis during the danger period.

The warning system, as it operates in Cass City, calls for members of the fire department and the Cass City police depart-ment to stand-by during any alert. Last May a warning system

was established for the protection of residents during a disaster when an actual tornado is sighted and Cass City is expected to be in its path. Three blasts of the siren with

intervals of 10 seconds between Mr. McCormick said that he each blast is the signal that a would hold a formal opening in a tornado is on its way. The all clear signal will be a single blast three minutes long. If power fails, the warning

WANT TO EARN 25c MORE PER BU. FOR YOUR CORN?

Investigate hog raising and its profit making possibilities. Raising hogs on a RITE-WAY Program can bring as much as 25c more per bushel for corn. There's a RITE-WAY Program to fit your needs. See us now learn about our high profit hog raising program. Don't wait! Ask us now about the RITE-WAY hog raising program.

Everybody has heard that old saying that the safest way to drive is to imagine that everyone else on the road is a half-witted

It's a good enough rule, but I suspect that when highway traffic laws are prepared, the

lawmakers have the same thought in mind. Take speed limits for instance. Speed limits visiting Mr. and Mrs. Frank reveal in two ways that no one really trusts the Bundo.

man behind the wheel. First of all, there's the matter of over-all head of Gagetown were Sunday speed limits, the same limit applying to almost dinner guests of Mr. and Mrs. very highway. Every motorist has had the feeling that it would be perfectly safe to go 60 on a

clear, dry four lane highway where the limit is 50, but he would be scared silly to go 50 on a crooked, bumpy road where the law says the safe speed is also 50.

No one defends the crazy, irresponsible speeder, but we tend to think that giving any latitude in speed limits would send us all ka. throttling madly to our deaths. That's the second point, that drivers are going to set the speed limits themselves anyway, and laws should take some recognition of it.

There's a section of the Pennsylvania Turnpike that was engineered to be safe at 90—and the speed limit is 70 miles an hour. At Mr. and Mrs. Steve Decker.

Mr. and Mrs. Steve Decker. 13-year study showed recently that the average speed in this 70-mile Mr. and Mrs. William Whitfield, While in Detroit they attended an hour zone was only 59 miles an hour—people just didn't want to Mr. and Mrs. Roy Shearer of the Cinerama, "The Seven Wontravel that fast.

Listowell and Mr. and Mrs. Don ders of The World." They retravel that fast.

There were a few maniacs, sure. But it was also shown that cars end with Mr. and Mrs. Lynn going over the speed limit of 70 were involved in only 2 per cent of Fuester and attended the Fuesthe Joe Fulcher home were Mr. checked before canning season. If the accidents on that road.

Drivers aren't such bad people after all.

Owendale Racing To Start May 26

Hot Rod racing in the Thumb area will open Sunday, May 26 week with Mrs. Barnum's moth-Frank Alexander, owner of the Owendale Speedway, announced this week.

The track was originally scheduled to open Sunday, May 19, but dverse weather has forced a delay, Alexander said.

An estimated half dozen cars from the Cass City area are expected to compete at the track his vear.

Meanwhile, Alexander said work on track improvement is continuing. A new building has been completed with complete sanitary facilities and lights are now being installed at the track. Night racing is expected to

To Pick Bean King At Annual Festival

start sometime in July.

A new feature of the 11th annual Michigan Bean Festival at naming of a "Bean King" as well according to Peter Campbell,

The king will be a Michigan 4-H or FFA boy with a peck of beans judged as the best in competition. The winning beans will be sold at auction, another new

The Michigan bean queen will be named from a group of county bean queens.

A rodeo program will be staged by the Tuscola County 4-H Horsemen's Club and free bean soup will be served again. Church groups will not serve the soup this year. It will be the responsibility of village, volunteer groups and will be served at the Fairgrove fire hall.

have plenty of elbow room.

Motorists who get safely through the week end have a fairly good chance to last the rest of the week.

Telephones need to be planned, too!

Make your new home really modern by planning ahead for "built-in" telephone facilities.

Telephone wires can be concealed inside the walls. Outlets can be provided for present and future telephone extensions. Easy and inexpensive while you're building or remodeling.

Pre-planning will make your home more attractive, convenient, saleable. We'll be glad to talk it over with you, your architect, builder or contractor. No charge, of course. For further information, send for a free copy of the booklet "Telephones Need To Be Planned, Too". Or call our Business Office.

and the John Weiler homes.

This is one of a series of four stories on water rights in Michi gan written by Alfred P. Ballweg, Tuscola Agricultural Agent.

Michigan, the water wonderland of the midwest, is blessed with plenty of lakes and natural waters. But serious water problems may lie just ahead.

Industry, tourist attractions, agricultusse, urban developments and navigation depend on the state's water supply. And great quantities of water are needed or all these things.

The average person uses about 150 gallons of water per day directly, and a total of about 1,300 gallons per day for all his needs, Mr. and Mrs. Vincent Weiler points out Afred Ballweg, county agricultural agent.

For example, 65,000 gallons of water are needed to produce a Mr. and Mrs. Arthur Fischer ton of finished steel, and 15,000 spent Friday evening in Reese gallons of water to make an visiting Mr. and Mrs. Norman automobile.

A cow drinks 11 gallons of Zissler. Mr. Zissler is very ill. water for each quart of milk she Sunday dinner guests of Mr. produces, and 10,000 gallons of and Mrs. Emmet Phelan were Mr. and Mrs. Jack Thompson and water are needed for each bushel of corn. A ton of cured alfaifa and Mrs. James Phelan and fam- hay has used up 200,000 gallons ily of Anchorville and Richard of water.

We occasionally suffer from water shortages, even in Michiek is spending a 20-day furlough gan. Farm wells sometimes run dry, and the city of Flushing ran with his parents, Mr. and Mrs. out of water in 1955.

Michael Pisarek. He is stationed Whether this problem is one of in North Carolina and is with the insufficient water or of poor distribution of the water we Mr. and Mrs. Clarence David spent the week end in Ypsilanti have, the result is the same.

The interests of industry and with his son and wife, Mr. and fishermen may conflict, as may Rev. and Mrs. Wesley Dafoe, the interests of two or more Joan and Philip of Detroit were farms in the same watershed. Friday evening guests of Mr. and This problem of conflicting inter-Mrs. Edward Fischer. Monday ests poses some legal problems, which promise to become more significant in Michigan in the evening guests at the Fischer home were Mr. and Mrs. Gary

ELMWOOD

Saginaw, spent the week end Mr. and Mrs. Elton Willits with her parents, Mr. and Mrs. visited Monday with Mrs. Charles Mr. and Mrs. Edward Fischer Seekings and Mrs. Goldie visited Wilfred McGrath at Bay Burgess.

READ THIS STARTLING FACT

5 out of 10 smaller cars wear a Pontiac price tag -yet none give you any of **Pontiac's advantages**

PONTIAC GIVES YOU MORE SOLID CAR PER **DOLLAR THAN THE BIGGEST OF THE SMALLER JOBS!**

The so-called "low-price" numbers just aren't in it-Pontiac gives you up to 8.9% more solid car per dollar! And your Pontiac dealer can prove it—with official specifications. Check them yourself. Starting with Pontiac's rugged Xmember frame and continuing through every inch of the car, you'll discover engineering advances and advantages the smaller cars haven't even thought of. Then put the facts and figures to a testwith you behind the wheel. Right from the start you'll discover that this big heavyweight handles like a dream in traffic or on the open road, because only Pontiac offers you Precision-Touch Controls for almost effortless steering and braking. No doubt about it-here's driving that puts the smaller cars in the shade!

NO SMALLER CAR EVEN APPROACHES PONTIAC'S 122-INCH WHEELBASE!

You can't ride on overhang-but you can on wheelbase! Pontiac gives you from 4 to 7 inches more length between the wheels where it counts! From bumpsmoothing comfort to interior stretch-out room, this is real man-size bigness! Add to this extra length Pontiac's exclusive Level-Line Ride and you have a car that makes the smaller jobs seem like toys!

NOTHING ON WHEELS PERFORMS LIKE A PONTIAC...THE SMALLER CARS DON'T EVEN COME CLOSE!

Your Pontiac dealer can show you onthe-record proof that Pontiac is America's Number One Road Car. And he can give you a point-by-point comparison to show you why no smaller car can hope to imitate Pontiac's alert, effortless response to every driving demand from stop-and-go traffic to superhighway cruising . . . why Pontiac loafs while smaller cars strain . . . how Pontiac's all-around performance superiority has made it the talk of the automotive writers! But don't stop with facts and figures—prove it yourself behind the wheel-take this handsome husky out on the road and let it show you how far ahead it really is. You'll be spoiled for the smaller cars forever!

—AND PONTIAC HAS ALWAYS BEEN FAMOUS AS ONE OF AMERICA'S TOP TRADE-INS!

Pontiac's high trade-in value is a tradition in the industry! A quick check with your Pontiac dealer for his eye-opening offer will prove beyond a shadow of a doubt that you're getting not only a wonderful buy but a wonderful investment! So, before you spend your hard-earned dollars on a smaller car-check Pontiac and discover the easy way to break the small-car habit.

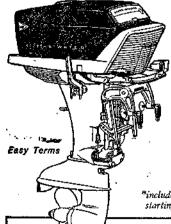

"Can You See, Steer, Stop Safely? . . . Check Your Car—Check Accidents."
