Cass City Wins Babe Ruth Loop Title at Bad Axe

For the second consecutive year, Cass City's entry in the Thumb Babe Ruth League walked off with the league championship as Coach Irv Claseman's charges posted a 6-0 victory at Bad Axe, Thursday, July

The Babe Ruth nine is undefeated in the two years they have been in the league. Both of Cass City's championship teams have featured excellent pitching. Last year Paul Burdon was the ace of the staff.

It was Newell Harris who pitched near perfect ball to lead Cass City to its easy victory. Newell has been a mainstay on the mound for Cass City all year. He allowed Bad Axe just three hits, fanned eight and allowed only two men to reach second base.

Cass City scored what proved to be the winning runs in the first inning. Les Severance beat out an infield hit and moved to second when the Bad Axe third sacker threw wildly to first on the play.

Harris then slammed out long bail over the left fielder's head and raced home behind However, the Severance. Hatchets appealed the play and Harris was called out for failing to touch second.

Phil Robinson and Tim Anthes then reached base on errors. Larry Robinson lined a single to left scoring his brother to end the scoring for the inning.

Although Cass City threatened in the second and third innings they did not score again until the fifth. Severance and Harris walked.

Phil Robinson sacrificed them along. Both runners scored as Tim Anthes and Larry Robinson hammered out singles.

In the seventh, Cass City scored its final runs. Phil Robinson and Anthes singled. Larry Robinson sacrificed and both runners scored on a hit by Gary Hutchinson.

Coach Claseman reported that the team played good ball all summer and that he was very satisfied with their efforts. Sebewaing. Against Bad Axe, Cass City collected 11 hits and committed

Children in Cass City grade school are not completely immunized against contagious diseases, Mrs. A. J. Stevens, public health nurse at the school, revealed this week in a discussion before the Cass City Rotary Club Tuesday noon at the New Gordon Hotel.

According to her records, only a quarter of the children have received smallpox vaccinations. Diphtheria and whooping cough protection have been received by about three-quarters of the stu-

dents and about half of the students have received booster shots and tetanus protection. Nearly 100 per cent of the students have received the first

polio shot and about 50 per cent nave had their second shot. There are no records of the numher of children who have received their final shot, as it is adminis ered by private physicians. Mrs. Stevens said that general

physical condition of the children is determined by examination early in the year. Special emphasis is placed on teeth, hair and hearing of the students. Mrs. Stevens told of a scalp

worm epidemic while she was at the school -and of the eye tests now sponsored by the Lions Club and the work done at the polio clinic held at the school when the Salk vaccine first became

availäble.

STUDY BIDS—The Cass City School Board studies the bids received Tuesday evening at Cass City School with Architect Glenn M. Beach of Saginaw. The bids were for an addition to the present high school. Mr. Beach, Secretary Dr. D. E. Rawson, Luke Tuckey and Treasurer Mrs. W. E. Walpole. Absent Tuesday was James Gross.

Contract Not Decided

Editor's Corner Open Bids for New From the High School Addition Council Meeting The retail price of milk is

jumping another penny a quart. Although the profit of dairies is regulated, we fail to see why the price should be increased at this time

When the Michigan Milk Producers Association demanded and received \$5.35 per hundredweight for milk last September, the price was raised to compensate for the increase in cost to dairies. evening and reached a decision The present demands of the

MMPA that have been met by the dairies call for milk at \$5 per hundredweight, 35c less than t was a year ago.

With this fact in mind we can't help but agree with the sentiments voiced by Charles Lockwood, president of the Detroit Consumers Greater

Council, who said, "the raise represents a merciless and shameful squeeze on consumers.

"A small increase to the farmers is being used as an excuse to Thursday, July 25, by Bad Axe boost retail prices a full cent a State Police for suspicion of quart. The dairy farmers of theft from three area farms Michigan will never receive a Wednesday, July 24. They were fair deal until the whole marmembers of the band that had keting setup is parked for two days at Elmwood changed."

County Tests Show Genesee Wheat **Tops Other Strains**

The County Extension office, in cooperation with Alvin Humpert of Reese in Denmark Township and the Farm Crops Department of Michigan State University, conducted comparative yield checks on Genesee, Yorkwin and Dawbul varieties of wheat. According to Alfred Ballweg, Tuscola County agricultural agent, two plots of each variety were planted on September 24, 1956-All plots were harvested July 24 with a combine. The total grains harvested from each plot was then weighed. The average weights converted to bushels for each variety are as follows: Genesee, 61.5 bushels per acre; Yorkwin, 56.4 bushels per acreand Dawbul, 54.5 bushels per

acre. The gross return per acre for each variety of wheat at the price of \$2.00 per bushel would be \$123.00 for Genesee, \$112.80 for Yorkwin and \$109.00 for Dawbul. Wheat growers are re-

minded, however, that these are results of one year's trial and on one farm. Yield differences correspond very closely with previ-ous tests conducted by the Farms Crops Department at MSU. They also correspond closely with the the

results of several years of testing at Ontario, Canada, where Dawbul originated.

Bob Martus and Bob #Walpole of Cass City were selected to as part of the Hearst National The boys are part of an all-

star team that played in a Port Huron tourney last week. The squad that plays in Port Huron will be eligible to be selected to play in the All State finals at Briggs Stadium in Detroit Aug.

BULEN TALKS/

WHAT'S THE COLOR OF YOUR TIE?

When quiz shows were the big rage on the radio, one of the best was Information Please. It set the pattern for a lot of the "panel" programs that came along later. I'm not sure whether it's still on the air or not, but when I used to listen to it they had four of the brainiest people in the States on the show every week to answer the most difficult questions people could send in.

> I remember there was an automobile accident once that was blamed on Information Please. It was a minor accident, a man went through

a red light and struck another car. When it got to court, he explained it this way:

"Your Honor, I was listening to Information Please on the car radio and after a lot of difficult questions they asked the four experts to suddenly close their eyes and tell what color of necktie they were wearing."

"Franklin P. Adams and John Kiernan and the others closed their eyes and they couldn't remember what tie they had on."

"I was playing along with them trying to answer the questions and I closed my eyes just as I got to the corner. And, you know, I didn't know what tie I was wearing either."

He lost the court case, too.

Radios, I guess, can be a distraction when you're driving; some people refuse to have them on. I like the radio on for long drives, I think it helps keep you alert. I'm not one to close my eyes as I reach an intersection, anyway.

When you're shopping for a used car, the fact that some cars are already equipped with radio can be a big consideration. When you're looking them over at our place, take the car of your choice out for a test drive first, and try the radio, too.

Steel prices have gone up again. As surely as night follows day, car and truck prices will go up again, when the new models come out in November. Your car will never be worth more than right now. Maybe it would be wiser to trade NOW?

Have a beautiful 1955 FORD 3/4 ton pickup with low mileage. Just the thing for harvest. And, we have new Pickups too.

Whatever you need, won't you let us figure with you?

SHORE STORY

"HI George! What's cooking?" The husky fellow on the motorbike skidded to a grinning halt.

Every day for months it had been the same question. Today he was startled by his friend's answer. "I'm going to get married, Dan. Anything new with you?"

"Married? You? You're kidding!" "Why shouldn't I get married?

I'm twenty now, and Grace is eighteen, and-" 'Grace? Not

Grace Healy?" George bristled. "And why not?

to have money? She's the woman I love.' "Oh nuts!" cried Dan, throwing

up his arms. "All I mean is that you're too young to get married-

"Yeah!" said George. He was thinking of Willie's mile-long clothesline.

both of you. Her old man will probably knock your heads together when he hears the 'wonderful' news. Remember when you hit the baseball through his picture-window?'

"I was just a boy when that hapened," protested George. "My, but didn't we grow up fast?

Phooey! That was only last year. And what about the fishing trip we'd planned for this summer? And the season pass for next fall's football games? You won't know your buddies by that time. I've

seen it happen before." "The voice of experience!" scoffed George.

"Right. Want some examples? Take my brother Bill. Do you know what he's doing this morning? Hanging up diapers, that's what. But he wouldn't have it any other way. He loves it. Y'know why? Because he's stupid too." "I already promised," sighed George. Then, brightening: "T'll

ask her about the season pass though. I'm sure she won't mind."

Glenn Meiser was ill and confined to his home two days this past week.

Mr. and Mrs. Loren Trathen called on Ira Robinson at Holbrook Sunday evening,

Mrs. Ella Agar of Pontiac spent Saturday night and Sunday with Mr. and Mrs. V. A. Spitler.

Kenneth Christmas and Carole Craven of Cleveland, Ohio, called on his grandparents, Mr. and Mrs. V. A. Spitler, Friday afternoon.

Mrs. R. L. Lofft and Mrs Pearl Martin of Hazel Park are visiting their brother and his wife, Mr. and Mrs. G. W. Lan-

lo'n. **9** - Minute Mr. and Mrs. David Joki returned to Bradenton, Fla., after J Fiction spending some time with her sis-

ter, Mrs. Arthur Moore, and relatives. Can I help it if her father kappens Nelson R. Linderman returned

to Decatur, Ill., Sunday after spending a week's vacation with his parents, Mr. and Mrs. Jacob

Linderman and family. Mrs. Lela Wright had as visiors Tuesday night her sister and husband. Mr. and Mrs. Nelson Miller of Fairgrove, and her niece and husband, Mr. and Mrs. Karl Kraft of Decatur, Ill.

This vacation map is based on business surveys which indicate that during the year, 85,000,000 persons will go on vacation with 70,000,000 traveling by car. The most popular vacation area appears to be the North Atlantic States from New Jersey upward. Other popular areas are around Lake Michigan, out on the Pacific Coast and along the South Atlantic Coast. However, there are many popular vacation states outside these areas. About \$20 billion is spent annually having fun and relaxing.

West Elkland 4-H Plans for Fair

The July meeting of the West | held at the home of Beverly and Elkland 4-H Club was held Thursday evening, July 25, at the home of Wayne Rexin. Fair exhibits were planned and fair entry sheets completed. The 12 members of the club will have 48 exhibits.

The food preparation group, Heather Milligan, Boverly Russell, Grace Donnelly and Elaine and Rosemary Lounsbury, attended the foods judging at Caro.

Elaine and Grace are among five 4-H members who will participate in judging eliminations at Michigan State University in August. It will be the third judging contest at MSU for Elaine and the fifth for/Grace. The August meeting will be the other fellow's problems.
