REVOLV-A-LITE 3-way switch ends fumbling... made by General Electric

high style, yes... but look at that low, low price!

This is an important lamp... 28-inches tall. High-glaze ceramic base contrasts flowing curves with the precise lines of the drum shade. Shade is fiberglass, gold banded, and accented with gleaming gold rosettes. Revolv-a-lite switch operates 3-way socket at a fingertip-touch. Hurry in while a limited quantity lasts if you want the brightest lamp bargain of the year.
