

Decker Man Fatally Injured in Accident

From the Editor's Corner

We note with pleasure that parking by businessmen and their employees on the side streets within a half block of Main Street has sharply decreased in recent weeks.

The Cass City Chamber of Commerce is now sending a letter pointing out that violators of the new two-hour limit parking in this area will be ticketed.

In most cases we believe that this reminder is unnecessary... more and more businessmen are beginning to understand the value of ample free parking for shoppers. We checked this morning on Oak Street and found not one car parked on an all-day basis in the restricted area.

The addition of the parking lot in the alley just off Oak that runs parallel to Main has also helped the parking situation.

In our opinion, it will be an asset to the entire community if others of a similar nature can be developed on any available sites in the two alleys that parallel the business section.

We've remarked before and we can't help but say it again... all-star teams are meaningless. Another case in point... Bob Klop of Vassar, who played full-back and center for the Vulcans, was named to an all Saginaw Valley team, picked by a neighboring daily, at end.

When the Thumb B League met in Cass City Monday to select an all-conference team, Klop was not named to either the first or second squads by persons who had seen him play all the year. Judging one player against the other by newspaper clippings or biased reports just doesn't make sense.

Patients Move to New Nursing Home Tuesday

Patients were moved from the old Tuscola County Infirmary to the new county hospital Tuesday as the staff of the Tuscola County Social Welfare Department worked overtime to establish the patients in their new quarters.

A total of 59 men and women are now in the new facility... including 92 bed patients. These patients will occupy only about a half of the available 124 beds but the patient load is expected to increase to about 100 shortly.

Mrs. Dora Miller, administrative assistant, said Tuesday.

"We will be admitting more patients and taking them from nursing homes when they require more care and the private institutions can no longer care for them profitably," she said.

The formal opening of the building was held Tuesday, Nov. 11, when residents of the county were invited to see the new quarters that cost taxpayers some \$390,000.

Steal 150 Gallons Gas From Virgil Peters

One hundred and fifty gallons of gasoline and three cans used to carry the gas away, were stolen from Virgil Peters of Cass City this week, Bad Axe State Police announced.

Mr. Peters said that thieves broke the lock on his tank to get at the gas.

Employees of Cass City Manufacturing Company voted to join the International Union of United Auto, Aircraft and Agricultural Implement Workers of America in a vote held Monday afternoon at the plant in Cass City.

Playlet Presented At WSWs Thursday

The annual Thank Offering meeting of the Woman's Society of World Service of the Evangelical United Brethren Church was held in the social rooms of the church Thursday afternoon. Mrs. Walter Anthes was program leader and Mrs. B. A. Schwegler, hostess.

"Thine Is The Kingdom" was the topic of the lesson presented by Mrs. Anthes and the highlight of the program which followed was a playlet, entitled, "Around the Dinner Table" given by nine members. The participants were seated at a table and Mrs. Wilma Fry, as hostess, interviewed missionary students from various countries. Mrs. John Esau presided at the piano.

Mrs. Stanley Kim, president, conducted the business meeting during which reports were submitted by department chairmen: Mrs. S. C. Striffler, Mrs. Schwegler and Mrs. Fred Jaus.

The long table at which a luncheon was served, was beautifully decorated with autumn flowers, fruits and small vegetables and lighted yellow candles in bronze holders added to the colorful display. The hostess was assisted in serving by Mrs. Jaus and Mrs. A. Seeger.

The December meeting will be held with Mrs. C. J. Striffler as hostess and Mrs. Fry leader. Members are asked to bring decorated Christmas cookies to be packaged for shut-ins.

Alice DesJardins Honored at CMC

Alice DesJardins, Cass City senior at Central Michigan College, has been selected to represent the College in "Who's Who Among Students in American Universities and Colleges." In all, 36 students were chosen from names submitted by campus organizations and department heads.

To be eligible for the nomination, the student had to be a senior with a point average of 2.50 or over. The final basis for determining the winners from the 63 names submitted was those who received the most votes.

Miss DesJardins' activities included: Panhellenic Council and Zeta Chi Zeta, social sorority.

15 Rehabilitated In Tuscola County

Fifteen Tuscola County persons were rehabilitated into paying jobs during the last fiscal year, Elmer Akers, "Rehab" counselor in Tuscola County for the Division of Vocational Rehabilitation, Department of Public Instruction, announced this week.

Mr. Akers reported that 92 disabled persons here received service aimed at preparing them to hold jobs. These services cost

GETTING READY—This scene is being repeated on many farms in the area as members of the Cass City Livestock Club prepare for the Junior Livestock Show at Detroit, Dec. 9-11. The club, which boasts more champions in both sheep and steers than any other club, has several fine prospects again this year. Dean Hutchinson is preparing his Shropshire wether, "Jake," for this year's competition. Dean is the son of Mrs. Fanny Hutchinson of Cass City.

Area Gives Generously

Late Returns Boost Chest Over Quota

Late returns have boosted the Elkland-Novesta Community Chest past its quota as the area retained its record of always meeting its goal each fall. Drive Chairman Willis Campbell announced this week. The chest fund now stands at \$6519.16, nearly \$20 more than the amount set.

Mr. Campbell and others connected with the drive said that they were very pleased with the work of the volunteer workers who were instrumental in making the drive a success.

"The successful drive this year was particularly gratifying," Mr. Campbell said, "because we were faced with the biggest quota in history." The \$6,500 quota represented an increase of \$1,500 from the \$5,000 needed in 1957.

Novesta Township, participating in the Chest drive for the first time this year, was responsible for collecting \$329.50 of the amount needed. Rev. Howard Woodward was in charge.

Alfred Goodall and Mrs. John Zinnecker were in charge of the workers in rural Elkland Township. Mr. Campbell handled the solicitors in Cass City.

All of the drive chairmen expressed their appreciation for the work accomplished by the some 70 workers who were responsible for the house-to-house canvass and to residents of the area who gave generously so that the drive quota was met.

Deer Deluge Earl Rayl Near Deford Thursday

Earl V. Rayl, 60, of Deford can personally attest to the fact that the deer herd in Tuscola County and in the Deford area is increasing.

Thursday afternoon Mr. Rayl was kept busy trying to dodge deer as they crossed the road while he was driving on Kingston Road, near Gilford Road.

A deer ran safely across in front of his car. At almost the same time, a second deer ran in to the road and was struck by his car but was unhurt.

At the same time, a third deer ran in the side of the car and was killed.

Plan to Complete Yule Decoration Work Sunday

B. A. Calka, president of the Cass City Chamber of Commerce, reminded residents this week that the annual workday to complete the erection of Christmas displays will be held Sunday.

The day starts with a breakfast at 7:30 a.m. at Cass City High School and members of the Chamber board are confident that all of the necessary work can be completed in a day.

After the breakfast, leaders for the various projects will be selected. Arrangements for tools, equipment and other time-consuming details will be completed in advance so that a maximum amount of work can be done in a minimum amount of time, authorities said.

Following the custom of previous years, a short worship service will be held immediately after the breakfast for persons who work through regular church services.

This year, the Rev. John Fish, pastor of the Presbyterian Church, will conduct the service. The breakfast will be served by members of the OES.

Papier-mache Class Now in Ninth Week

The papier-mache class, sponsored by the Zonta Club of Cass City and under the direction of Lloyd Vyse, is in its ninth week and students are progressing rapidly. It was announced this week. Many new ideas have been generated and several projects started.

In conjunction with its "Light Every Home for Christmas" drive, Zontians sponsored a meeting on home Christmas decorations at the Cass City Elementary School Monday, Nov. 17, under the direction of Miss Helen Higgins of Detroit Edison Co.

Miss Higgins explained and demonstrated the effects of various lighting arrangements to the estimated 50 persons attending. She was introduced by Mrs. W. E. Walpole, Zonta president.

Patricia Hall on Detroit TV Panel

Miss Patricia Hall, teacher of social studies at Cass City High School, appeared on an educational television panel at Wayne State University Tuesday.

Miss Hall was a member of a three-person panel that discussed advertising. The discussion was entitled "The Ad Man Cometh" and the panel included a Wayne University professor and a representative from Campbell-Ewald, one of the larger advertising agencies in the country.

Miss Hall took a negative stand concerning advertising in the United States and the remaining panel members pointed out its advantages.

Miss Hall worked as production manager for the John W. Shaw, Inc. advertising agency of Chicago before turning to teaching as a career.

Pigeon to Enter League

Five Hawks Named To All-Loop Team

Cass City, which dominated the play in the Thumb B Conference, also dominated the annual all-conference team named Monday evening at a league meeting at Cass City High School. Five Hawks were named to the first grid team by the selectors.

Honored were Roy Tuckey, at center; Bob Tuckey, at tackle; Dave Wilson, at end, and Forrest Walpole and Alex Lopez in the backfield.

Besides naming the all-conference team, league officials also made an important decision Monday when they voted to invite Pigeon into the conference.

Pigeon, which has consolidated with Elkton and Bay Port, is expected to begin play in 1960. The school will be the largest in the conference and is also expected to field one of the strongest athletic squads.

All area boys and girls are invited to write a letter to Santa and send it to the Chronicle. We'll make sure it's printed sometime between now and Christmas and sent to Santa in time for him to make Christmas delivery.

Walpole was the only back to be named unanimously to his position. He received every vote.

Letter to Council Reveals

Set Yearly Cost for Planner at \$2,500

A planner for the Cass City area is expected to cost an estimated \$2,500 a year for three years, according to a letter from the planning commission read to members of the Cass City village council Tuesday evening at the Municipal Building.

The letter asked for trustees' okay of \$7,500 in the three-year period so that the planning board would be able to make a concrete offer to the concern it felt would be most beneficial to the area.

Trustees discussed the request at length but postponed a definite decision until Dec. 16, just prior to the regular planning commission meeting.

Although generally favorable to the request, the council decided to postpone action for two reasons. At Tuesday's meeting, two trustees were absent. Andrew Bigelow was ill and C. R. Hunt was out of town. Trustees felt that any action involving \$7,500 should have the consideration of the complete council. At the special meeting Dec. 16 trustees also felt that they would be able to confer with the planning board if any question concerning the money needed arose.

Parking Question
B. A. Calka, president of the Cass City Chamber of Commerce, appeared before trustees with several requests.

He asked for a clarification of the council's stand on parking in the newly created two-hour parking on streets leading off Main Street.

He was informed that the parking will be enforced and that a proposed letter to businessmen should indicate that all cars should be kept back of the alleys that parallel Main Street.

Mr. Calka also asked if he could receive village help in erecting street decorations. Trustees okayed the request. The village crew will erect brackets and wire them so that the new displays can be easily installed on the utility poles on Main Street during Sunday's workday.

Police Hours
The police committee of the council, Warren Wood and Mrs. K. I. MacRae, reported a new police schedule. They said that Ed Anthes will be switched more often from maintenance work to patrol.

His added hours will give the village more police protection during the day as the council had decided was necessary at a previous meeting. Mr. Anthes will work staggered hours and staggered days.

Stop for Bus?
The state law that requires all cars to stop when a school bus stops is not applicable in villages or cities.

Since the Cass City School buses make several stops, the school board requested that an ordinance be passed that makes stops mandatory in Cass City.

Trustees did not pass the ordinance Tuesday, but will probably make it an addition to the uniform traffic code now under consideration to revise all police law in the community. Trustees will confer with school officials before taking any further definite steps.

Francis Smentek Loses Arm in Farm Accident

Francis Smentek, 43, of Novesta Township lost his right arm following an accident at his farm home when he caught his hand and arm in a corn picker Friday morning.

Mr. Smentek was attempting to remove a corn stalk caught in the machine. The engine was left running and his hand was pulled into the rolls.

He was able to remove his mangled hand from between the rollers and walked to his home and into the doctor's office.

When it became apparent that circulation was not going to return to the arm, Dr. H. T. Donahue was forced to amputate the arm four inches below the elbow.

His condition is described as good at Pleasant Home Hospital.

Buck Luck

E. J. Cooper of Deford bagged a spikehorn weighing 160 pounds hunting near Onaway opening day.

Ed Marshall Sr. took a four-pointer that weighed 100 pounds Saturday near Alpena.

Dorus Klinkman was successful on opening day as he took his buck near Red Oak.

Pat Binder, who has been successful in recent years hunting near home, brought down a six-pointer, 160-pound buck near Deford Monday.

Another deer taken near Deford was shot by Warren Kelley, who took an eight-point buck Wednesday evening.

Alex Greenleaf returned home Wednesday, Nov. 19, with his buck, shot Nov. 16, near Rudyard in the Upper Peninsula.

Father J. J. Mikulski picked up a four-pointer weighing 150 pounds, hunting near Hillman on opening morning.

Jerome Root Jr. took a three-pointer on opening day near Comins.

Patrick Kendall brought back a spikehorn shot opening day near Comins.

Louis Babich shot a 125-pound doe near Manton on opening day. Sunday, Nov. 16, Ronald Phillips shot a spikehorn near the Phillips cabin at Clear Lake.

Henry Rock Jr. bagged a six-pointer near Rose City.

Sunday, an eight-pointer was taken near Deford by Harry Hartwick and Duane Warner.

John Juhasz returned from his deer hunting trip with a five-point buck shot opening day near Glenrie.

One of the most successful hunts of the season was reported to the Chronicle by Mrs. John Valek of Reese. She reports that three of the Valek brothers bagged their bucks Monday in Houghton County in the Upper Peninsula. John of Reese downed an eight-pointer at 9 a.m.; Paul of Deford shot a six-pointer at 2 p.m., and Bill of Saginaw, a six-pointer at 4:30 p.m. The fourth man in the party, Robert Hock of Saginaw, bagged a spikehorn early the next morning.

William Eberline shot a 140-pound buck on opening day near Mio.

We will be open Thursday afternoons for the remainder of the year. Hulien's, Federated, H. J. Smith Store and Asher's Men's Wear. 11-20-3

Keep Records of Fall Lamb Sales

Producers who are marketing lambs this fall should obtain and save adequate records of their sales in order that they can make proper applications for payment under the wool incentive program, Charles E. Eckfeld, County Office Manager of the Tuscola County Agricultural Stabilization and Conservation Committee, said today.

Sales records of lamb producers selling lambs this fall must include the name of the buyer, his signature, and the number of live-weight lambs sold, with the description "unshorn" showing. Payments are made only on lambs that have never been shorn.

Mr. Eckfeld says, "Get these fall sales records together now and keep them at home in a safe place or file them with the county ASC office. The final date to apply for payments on 1958-59 marketings is April 30, 1959. Producers may submit payment applications to our county ASC office any time between now and then."

THIS IS THE ONE FOR WAGONS! 1959 CHEVY

Chevrolet's five stunning new station wagons for '59 are shaped to the new American taste with fresh, fine Slimline design. And they're beautifully practical—with roomier, quieter Bodies by Fisher, an even smoother ride, new ease of handling!

Wagons were never more beautiful or dutiful. From low-set headlights to wing-shaped tailgate, these '59 Chevrolets are as sweet looking as anything on wheels. They're just about the handiest things on wheels, too—from their overhead-curving windshield to their longer, wider load platform. Besides additional cargo space, you also get added seating room (4 inches more in front, over 3 inches in back). And you'll find such other practical advantages as new easy-ratio steering.

ing, Safety Plate Glass all around, bigger, safer brakes, smoother-than-ever Full-Coil suspension and a roll-down rear window (electrically operated as standard equipment on the 9-passenger Kingswood). Your dealer's waiting now with all the details on why this year—more than ever—Chevy's the one for wagons.

Kopko Serving In Germany

Joseph Kopko, son of Mr. and Mrs. Michael Kopko, Kingston, recently was promoted to Army private first class in Aschaffenburg, Germany, where he is a member of the 9th Engineer-Battalion.

Kopko, a radio operator in the battalion's Headquarters and Service Company, entered the Army in December 1957 and received basic training at Fort Knox, Ky. He arrived in Europe in July of this year.

The 23-year-old soldier is a 1953 graduate of Kingston High School and attended Central Michigan College. He was formerly employed by Guerdon Industries, Marlette.

People who borrow money to get themselves out of a rut usually end up in the hole.

There's plenty of room at the bottom for those who lack the ambition to climb.

People who have but little knowledge are always willing to spread it mighty thin.

Fear of being found out keeps a lot of people on the straight and narrow path.

PROCRASTINATION IN PROGRESS

I had the very great pleasure a couple of weeks ago to talk with one of the real old timers in the automobile business. We talked about makes of cars that you never hear about today . . . Pierce Arrow, La Salle, Auburn, Stutz . . . and dozens of others. All good cars in their day. All of them gone by the way in the name of progress and business competition.

Talking about progress, history shows that the delay in the adoption of the self starter on automobiles was because of the aversion of many men to the starter. They considered it a mark of manliness to be able to start their car with one pull of the crank. Most of us recall the pre-war attempt of one car manufacturer to introduce a streamlined car . . . people came to look but not to buy.

Design engineers say there is no telling how far or how fast cars would advance if motorists could be convinced to accept a radical change. Many advances have already been developed . . . but when these advances call for a radical change, makers are hesitant to introduce the improvement fearing buyer resistance.

All this adds up to one simple fact so far as most of us are concerned . . . the 'late model' used car you buy today will not be badly out of style if you drive it for two, three or even four years. There's a good selection of late model used cars on the lot . . . ready to go . . . and ready to give you miles and miles of economical trouble free motoring pleasure.

Good Example: Louis Bartz 1955. Dodge 4 Door Sedan. Very clean. Equipped with Automatic Transmission, Heater & Defroster, Radio. Painted Two Tone Green with excellent tires. Louis gave this car a good home and it shows it.

Come in and drive it, or another of our cars. You will be surprised how little it will cost you to change. Every car over \$300, backed by our Guarantee.

Farm Bureau Women Meet In Caro Friday

The Tuscola County Farm Bureau Women's committee met at the 4-H building in Caro Nov. 21. Nineteen groups of the county were represented by 27 ladies.

The Deford group, with Mrs. Stanley Lagos as chairman, served dessert and coffee before the meeting. Assisting Mrs. Lagos were Mrs. Hicks, Mrs. Holcomb and Mrs. Spencer.

Mr. John Miller, Caro State Hospital, spoke briefly on the hospital, stating that 20 buildings house 1725 patients. There are 700 employees now. He added that the population at the hospital will be 2000 and over when the new buildings are completed.

Mr. Miller said while some 400 names have been given to various organizations all over the U. S. he was pleased to see an interest shown by a group close to the hospital.

The Women's committee assisted by the individual groups of the county will sponsor eight boys at the Caro State Hospital with cards and gifts for Christmas. They plan to continue through the next year to remember the boys on special occasions. Many members of the committee plan to help at the hospital before Christmas — to sort, gift wrap and deliver packages to cottages.

The group decided to donate \$5.00 to the CROP program. The officers made plans to attend the training meeting in Sandusky Dec. 4.

Surviving, besides his widow, are: two daughters, Mrs. James (Florence) McCoy of Kinde and Mrs. Richard (Sally) Patnaude of Gagetown; a son, Thomas, of Cass City, and four grandchildren. His sister, Gladys Kinney, died in 1946.

Funeral services were held Monday at 2 p.m. at the Douglas Funeral Home. Rev. John Hall Fish, pastor of the Presbyterian Church, officiated and burial was in Elkland Cemetery.

Skaters to Compete With Imlay City

Cass City Arena registered amateur roller skaters will compete with Imlay City, it was announced this week.

Five contests will be held, one each month, alternating between Imlay City and Cass City. The first contest is slated at Imlay City Sunday afternoon, Dec. 14.

There will be competition in both speed and dance skating with awards for each month's winners and a challenge cup to be awarded to the skating club that wins the most points in the five contests.

All skaters will skate under the RSROA amateur roller skating rules.

The public is invited to watch the skaters in practice Sunday from 4 to 6 p.m. at the Cass City Arena.

13 New Books Now Available at Library

Thirteen new books were made available to patrons of Cass City and Elkland Township Public Library Nov. 20. Included in the group were two novels, "Doctor Zhivago" by Boris Pasternak and "The Darkest Bough" by Anne Chamberlain. For the youngsters are "Yertle, the Turtle" by Dr. Seuss and "The Man, the Boy and the Donkey" by Katherine Evans. Novels with a western flavor are "Profane Junction" by Leslie Turner White and "The Meskin Horned" by John Latham.

Included in the list are Walter Farley's newest book, "The Horse-Tamer"; Art Linkletter's book, "Kids Say the Darkest Things"; and two mysteries, "The Iron Tiger" by Manning Lee Stokes and "Lightning Strikes Twice" by Jean Potts.

The list is concluded with "The Hidden Persuaders" by Vance Packard, who tells what makes us buy, believe - and even vote - the way we do, and two pieces of light fiction.

Gagetown WSC to Sponsor Travelogue

The Gagetown Woman's Study Club is sponsoring "New World of Ideas," a home decorating travelogue presented by Celanese Corporation of America, Monday, Dec. 1, at 8 p.m. at Gagetown Public School cafeteria. The ladies of the community are invited to attend and refreshments will be served, club authorities said. There is no charge for admission.

There will be 40 room settings featured in the travelogue. Featured will be decorative fabrics, ranging from tracery printed gossamer sheers to home spun weaves, brilliantly printed antique satins and rich damasks sparked with metallic threads in gold and silver.

The film will feature South American cities and countries. Included are the capital cities of Ecuador, Peru, Bolivia, Argentina, Brazil and Venezuela.

An added feature of the program will be a dress length given as a door prize.

Bulen Receives Service Award

Bulen Motors was honored last week by Automobile Club of Michigan for its service to Cass City area motorists.

The station, affiliated with AAA for 12 years, was among 372 in Michigan receiving an award for five or more years' service to AAA members. There are 110 stations with 15 or more years' service among 683 AAA-franchised garages in Michigan.

Passenger cars in the U. S. travel an average of 9,359 miles per year. Passenger car advertisers invested over 13 per cent more in newspaper advertising in 1957 than in the previous year.

Michigan Mirror News In Brief

By Elmer E. White
Michigan Press Association
Michigan's week of organized chest-pounding and self-promotion next May 17-23 will have a new slogan to guide the way. "We're Proud of Michigan."

Behind the slogan will be thousands of workers, from giant industrialists to small businessmen and farmers—all dedicated to the principle that success

is a Michigan product. For six years, the Michigan Week organization has been using, "It's Great to Live in Michigan" as its slogan. The change broadens the scope of the program, officials said.

Political overtones are present again as the group of citizens and officials, prepares for the 1959 celebration.

For two years, Republicans have charged that Democratic tax-business policies have driven companies to other states and discouraged expansion in Michigan.

Democrats counter-charge that Michigan has been prospering and getting new business and industries and that Republican charges are hurting the state's national reputation.

With its new slogan, the Michigan Week organization feels some of the arguments of both sides can be neutralized.

Our State Government is broke. Top officials headed by Gov. Williams discovered after the Nov. 4 election that less than \$10,000,000 remained in the treasury and school aid payments were \$18,000,000 behind.

Schoolmen said that dozens of districts already had borrowed \$40,000,000 since July 1 to pay operating expenses for the year.

For a time, there was sentiment to call a special session of the 1958 legislature to straighten out financial matters before the new year arrives. Officials said it would not be necessary, though this could change anytime.

They are holding back more than \$12,000,000 in appropriated funds for Michigan State University, the University of Michigan and Wayne State University.

These schools can operate on an emergency basis by using student fees until the money can be paid from the state treasury.

Officials hope, by delaying payments, to hold out until the 1959 legislature meets and, possibly, comes up with additional tax revenue.

Pressure has developed anew

ORDER APPOINTING TIME FOR

HEARING CLAIMS

State of Michigan, The Probate Court for the County of Tuscola.

In the Matter of the Estate of Robert Warner, Deceased.

At a session of said Court, held on Oct. 21, 1958.

Present, Honorable Henderson Graham, Judge of Probate.

Notice is hereby given, That all creditors of said deceased are required to present their claims in writing and under oath, to said Court, and to serve a copy thereof upon Hilton B. Warner of 1529 Colorado, Marysville, Michigan, fiduciary of said estate, and that such claims will be heard by said Court at the Probate Office on January 19, 1959, at 10 a. m.

It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in the Cass City Chronicle, and that the fiduciary cause a copy of this notice to be served upon each known party in interest at his last known address by registered or certified mail, return receipt demanded, at least fourteen (14) days prior to such hearing, or by personal service at least five (5) days prior to such hearing.

Henderson Graham, Judge of Probate.

Observers depict the State Senate as the last bastion of the Republican party in state government. All major elective offices are held by Democrats and there is an even 55-55 division in the House.

Republicans have said they will attempt to organize the majority in the Senate as the "voice" of the party. The plan to hire a public relations man has been revived.

The whole idea depends largely on the direction that Paul D. Bagwell, a Michigan State University professor, takes in his role as titular head of the party in Michigan.

Traditionally, the candidate for governor holds the title, but few defeated Republican candidates in the last few years have tackled the job with enthusiasm.

Beyond the established problem of taxes and spending, school finances and government reform, here are some of the items to watch for in the 1959 legislative session:

1. Another attempt to place the 18-year-old vote on the ballot as a constitutional amendment, this time with the support of both parties.

2. A series of mental health reforms, both in commitment of patients and administration of hospitals. These will result from studies by three committees during the summer.

3. A number of proposals to merge similar functions of government, under the governor's new power to reorganize agencies with the legislature holding a veto power.

4. Some proposals designed to eliminate waste in government, a result of summer-long investigations by a Senate study committee.

THE BIG COUNTRY

Uncle Tim From Tyre Says:

Dear Mister Editor:

I got a heap of things to be thankful for this Thanksgiving. I'm mighty thankful I got good health, which I attribute to the fact I save my energy and don't work too hard. I figured a long time ago it's better to be healthy and delinquent than paid up and run down.

I'm thankful we ain't got but one world. Us Americans couldn't afford to finance more'n one. And I'm thankful we ain't got but one Chiang Kai-shek. He can get us in more trouble between changes of the moon than we can get out of between Haley's Comets.

I'm thankful the country is full of Republicans, Democrats, conservatives, radicals, politicians, statesmen, and Senate committees, because as long as we got everybody trying to get into the act there ain't no chance of any one of them stealing the show.

And I'm thankful for the finer things in life, like the count-down and up-and-atom milk-shake, the sanforized shirt and non-squeeze girdle, the fountain pen that writes under water and them TV singing commercials. But I'm also thankful that scientists still ain't found no better way to preserve the American home than fer the good woman of the house to dip her wedding ring in dishwasher three times a day.

I'm thankful I didn't make no big crops this year, because not holding much, I ain't losing no sleep over not selling when the price was right. I'm thankful a farmer's output ain't always figured by what he's got in his barn. What he was thinking during the year might be as important as what he is producing. So, far, Congress ain't put no income tax on what a feller is thinking. Many a time I've been

setting in front of the fire and my old lady accused me of doing when my thoughts had done rose above the level of the weeds in my fields and I was rassing with international problems right up alongside Secretary Dulles.

I'm mighty thankful I'm living in America, don't make no difference if it does cost four cents to mail a letter and there's some confusion over whether the unions is working for the companies or the companies for the unions. At least you don't hear about no diplomats running around over Europe passing the hat fer us.

And I'm always mighty thankful at this time of year that Congress ain't in session. The country is a heap safer when we got them fellers at home fer a spell where we can watch 'em.

Yours truly,
Uncle Tim

Bill Muller, County Extension agent in 4-H Club work, announces the annual 4-H club council dinner-business meeting to be held Saturday, Dec. 6, at the Wilbur 4-H Memorial Building. He states that all 4-H club leaders are urged to attend the annual meeting which is to start at 6 p.m.

On the agenda of business, five new council members will be appointed for a three-year term and election and installation of officers will follow.

New 4-H club leaders will find the council a very important segment of the county's 4-H club program, relates the agent. He further states the primary function of the council as being concerned with the overall organization and development of 4-H club work in Tuscola County's 56 4-H clubs.

FROM THE FILES OF THE CHRONICLE

Five Years Ago

Two Cass City men, Russell Foy and Clinton Esckelsen, are members of the Tri-Valley all-conference football team for 1958. Vernon Harrison and his son Albert bagged two cub bears while hunting near Iron Mountain last week.

Klaus Schulte, exchange student from Germany, addressed the Woman's Study Club Tuesday afternoon at the high school.

A financial report through Nov. 22 submitted by Treasurer Wilma Fry, shows that the village has spent only \$57,139.81 of \$76,021.68, leaving a balance of \$18,881.87 in the treasury. The village has retired \$10,000 worth of water bonds in advance of scheduled payments.

Judging from the informal discussion Tuesday evening by members of the Cass City Council, a new police car with a two-way radio can be regarded as a virtual certainty next year.

Ten Years Ago

A missionary workers' conference will be held in the local EUB church Friday, Dec. 3. Seventeen WWSW societies of this district are expected.

Dry Milk Can Cut Family's Milk Costs

Here's a tip for homemakers on how you can save from 40 to 70 per cent on your fluid milk spending by using dry milk in your favorite recipes.

Mrs. Frances T. Clark, county extension agent in home economics, says that you can make this saving yet still bring in those cheers of "Oh boy, it's good" from your husband and children. Using dry milk for all your cooking is simple and easy, and it has a number of advantages.

How to make the switchover from using whole milk to dry milk is thoroughly and invitingly explained in a booklet available free to homemakers, eating place proprietors and others. It is entitled "A New Milky Way" and was authored by two Michigan State University home economists, Pearl J. Aldrich and Grace A. Miller.

The booklet may be obtained from the county extension office at Caro. Just ask for the booklet by name or Circular Bulletin 225.

Some of the advantages you'll discover with dry milk cooking include the freeing up of space in your refrigerator formerly occupied by bulky milk cans. Dry milk needs only be stored in a cool place and it doesn't sour.

Using the suggestions in the booklet, cooks will find that the preparation of many food items will be made much easier. The authors provide the correct formulas and proportions needed for dry milk recipes.

The best alibi in the world is one you never have to make.

The caning and chair seat weaving are well under way. Now the workshops on re-upholstery are in the spotlight. The women from the Reese area who are interested in re-upholstery will meet at Mrs. Ray Schulte's home on November 28 at 1:30 to have their preliminary meeting. The women in the Gagetown and Cass City area who are interested in the above workshop will meet at the home of Mrs. William Ashmore in Gagetown at 8 p. m. for their preliminary meeting. These meetings will be open to interested extension or non-extension women.

There will be a caning workshop in the Unionville area on December 3 and 4 at the home of Mrs. Ernest Weinert in Unionville from 10 a. m. to 4 p. m. each day. This workshop is also open to any interested person.

Now that the man of the family has brought back his game from hunting, are you women worried about cooking wild game? It is all in the game—the fun of hunting and the flavor of good eating. Wild game is a treat if properly cared for and prepared. Just one reminder, wild game does not have the same texture and flavor as tame birds and animals. Wild game has a flavor all its own.

What is your husband's favorite game? Water-fowl, maybe? The care is easy. If you must keep the bird awhile before you take it home, be sure to clean the body cavity thoroughly. Leave the feathers on, because they will help keep the meat from drying out. Hang the bird where the air will "cool them out."

So you come home with your bag limit. Now what? First take off the feathers. Ducks and geese should be plucked without first scalding. If you do scald the bird, they must be cooked immediately. Coots may be skinned. Coot skin holds the taste that some people find objectionable.

The long feathers of ducks and geese come off easily. Then, you can rub off the down with the heel of your hand. Now for the pin feathers. This is easy too, if you have a pair of tweezers handy. If you don't think tweezers are too handy, you can go after the pin feathers by catching them between a knife blade and your thumb. Now, singe the bird over a blaze, but be careful and don't burn it. The oil gland just in front of the tail must be removed. The bird now is ready for washing and cooking. The wings of the birds are difficult to clean and they have such a small amount of meat, it is hardly worth the effort to clean them. So unless you want the wings for appearance's sake, remove the wing tip.

The necks of the wild birds do not have much meat either, so you may want to discard them also before cooking. Just slide the neck skin back, cut off the neck and fasten the skin with a string.

Roasting is probably the most popular method of cooking wild game. You can stuff the cavity with a favorite stuffing. Some cooks I know like to fill the cavity with lemon slices, parsley, onions or apples. These are discarded before you carve the bird. Most wild birds are small (3/4 of a pound to 3 pounds ready-to-cook) so do not over-do the cooking. In a 350 degrees F. oven, allow about 15 minutes per pound of bird. If the bird weighs 2 pounds when it is ready for the oven, it will roast in a half hour. If it is falling-off-the-bone "done", that will be too done. The meat will be dry and tough.

So your husband "got the birds"; it's all in the game—the fun of hunting and the flavor for good eating.

Little Profit in Holding '58 Beans

It looks like there will be little profit in holding beans except under price support loans this winter. Vernon Sorenson, farm economist at Michigan State University, says that prices probably will not rise enough to cover storage costs. Current cash prices at the farm on navy beans are about \$6.15 per hundred pounds. This is 12c below the support level.

Prices aren't expected to climb much for the simple reason that there are plenty of beans. Michigan's crop is about 5,000,000 bags. This is up from last year's output of 3,754,000 bags. Compared with last year, U.S. production is up nearly 3,000,000 bags to 18,695,000 bags.

The economist adds that this increased supply has pulled prices at the farm down from a July peak of \$10.40 per hundred pounds.

Inspect Land for Soil Bank Use

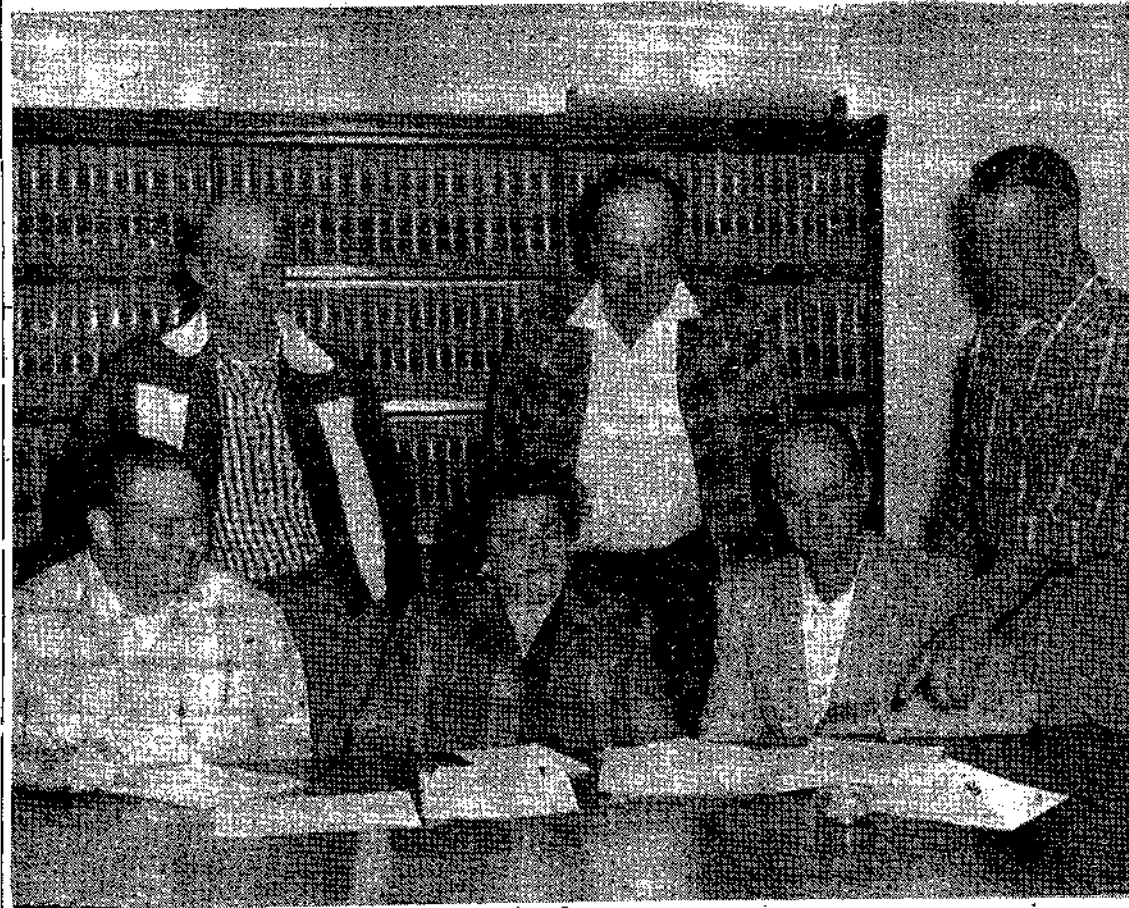

Inspection of land on which applications for new Conservation Reserve contracts have been filed is now being made, according to Charles B. Eckfeld, County Office Manager of the County Agricultural Stabilization and Conservation Committee. This inspection is one of the necessary steps before a contract to put land in the Conservation Reserve may be signed by an applicant.

All land offered for the Conservation Reserve must be checked to determine: (1) if it is eligible for the program; (2) if it is of average productivity for the farm, and (3) the exact acreage of land offered.

Since the number of acres offered for the program by applicants is greater than can be accepted for contracts in Tuscola County, the priority system is being

used to determine which farmers will have an opportunity to sign contracts. Under the priority system, contracts will first be offered to farmers who in 1958 had all their cropland in the Acreage Reserve and the Conservation Reserve together—and are now applying to put all the land in the Conservation Reserve. The next priority is to farmers who offer land at less than the maximum rate established for their farms. The remaining applications completed by farmers offering their land at the established maximum rates are then considered in order of the rate per acre, beginning with the farm with the lowest maximum payment rate.

Advertise it in the Chronicle.

DIRECT POLICY MEETINGS—These Tuscola County residents will help direct the series of public policy meetings scheduled to start in Caro Jan. 8 when taxation will be the topic. The members are: Seated, from left to right - Ron Opperman, Vassar; Mrs. William Tonkin, Fairgrove, and Gerald Hicks, Deford. Standing are: Clarence Wildner, Unionville; Fred Bach, Akron, and Lloyd Walz, Vassar. Absent was Robert Schantz, Caro.

Slate Workshop Meetings in Caro

A series of public policy workshops sponsored by the Tuscola County Cooperative Extension Service and a local steering committee will begin January 8. Represented by the committee are County Farm Bureau, Grange, Home Extension groups, business men and young farm leaders of Tuscola County. The series of meetings will be held at Caro High School. Each meeting will be held from 9:30 a.m. to 3:30 p.m. with a noon lunch available at the school.

This series of meetings will be open to women, businessmen and farmers. Although no age limits are set, persons between the ages of 25 to 45 are especially desired, according to Alfred Ballweg, County Extension director.

Specialists from Michigan State University will lead the discussion for each of the meetings. Meeting dates and topics are as follows: Thursday, January 8 - Taxation (township, county, state and federal); Thursday, January 15 - Leadership and Community Development; Thursday, January 22 - Foreign Policy; Thursday, January 29 - Water Rights and Zoning; (skip February 5); Thursday, February 12 - Vertical Integration; Thursday, February 19 - Current Farm Programs.

Persons interested in attending the meetings must enroll for any one or all of the meetings by January 1. Anyone may enroll through local Farm Bureau or Grange groups, any one of the committee members or at the County Extension office, Courthouse, Caro, said Ballweg.

Elmwood Group at Rocheleau Home

Mrs. Dennis Rocheleau was hostess Nov. 18 to the Elmwood Home Demonstration group. Chairman Mrs. William Anker presided over the business meeting and roll call was answered by telling "What I am Thankful For." A noon luncheon was served by the hostess, assisted by Mrs. James Milligan and Mrs. John Anker. The lesson, Mosaic Tile, was presented by Mrs. William Donnelly and Mrs. Otto Ruschle and each guest presented made a tea table with very satisfying results.

The next meeting will be an evening meeting Dec. 9 with Mrs. Lawrence Salgat as hostess. There will be a gift exchange and a collection will be taken to help furnish a room in the new county infirmary.

COUNCIL MEETING

Concluded from page one. Council and said that he could arrange to have a representative from the Michigan Department of Health appear in the village to explain the new type dump grounds that the state approves. No action was taken by trustees.

REHABILITATION

Concluded from page one. \$3,406 in Tuscola County during the year.

The Tuscola County area received benefits far greater than the amount of "Rehab" funds spent. Mr. Akers pointed out that the average weekly earnings of people rehabilitated in Michigan last year was \$52.72. Before rehabilitation they earned \$6.09. Applied to this county, it indicates an estimated annual increase of \$36,000 in wages earned by the 15 persons rehabilitated here. The cost of rehabilitation was \$8,406.

Dr. Bartlett stated, "Michigan is 44th among the states in the per capita amount appropriated for rehabilitation. The national average is 12.1c per person. Michigan spends 8.8c."

"The federal government is encouraging every state to rehabilitate more of their disabled citizens into employment," Dr. Bartlett added, "It offers federal money to the extent it is matched with state funds. This year, close to \$700,000 of the federal funds allotted to Michigan are not being claimed. If this had been matched, it would have been possible to provide 60 per cent more service in Tuscola County."

The Michigan Veterans of Foreign Wars is interested in forming a VFW post in Cass City if enough local veterans are interested. Cliff Bates, chief of staff from Sebawaing, announced this week.

Bates said that initial interest in a local VFW post has already been indicated and asked other veterans who may be interested to contact him at 625 North Center in Sebawaing.

The VFW has a six-point program of comradeship, service, hospital programs, national home, legislation and community service.

WOMAN'S WORLD

For Welcome Treat, Serve Light Pastries After Heavy Dinner

FLUFFY chifon type pies are welcome after the heavy meal, because they give such a nice finale to the meal. Their light-as-air fillings, made with gelatin and egg whites appeal to almost everyone.

Delicate fruit flavors are the most popular in these fillings, as seen in both these recipes:

Peach Coconut Pie
(Makes 1 9-inch pie)
1½ cups peach nectar
¾ cup sugar
¼ teaspoon salt
1 tablespoon unflavored gelatin
¼ cup lemon juice
¼ teaspoon grated lemon rind
2 egg whites
½ cup flaked coconut, toasted
1 baked 9-inch pie shell

Heat peach nectar with sugar and salt; soften gelatin in lemon juice then add to hot nectar and stir until dissolved. Stir in lemon rind. Cool until slightly thickened. Beat egg whites until stiff, then fold into thickened mixture. Fold in coconut. Pour into baked pie shell and chill until firm.

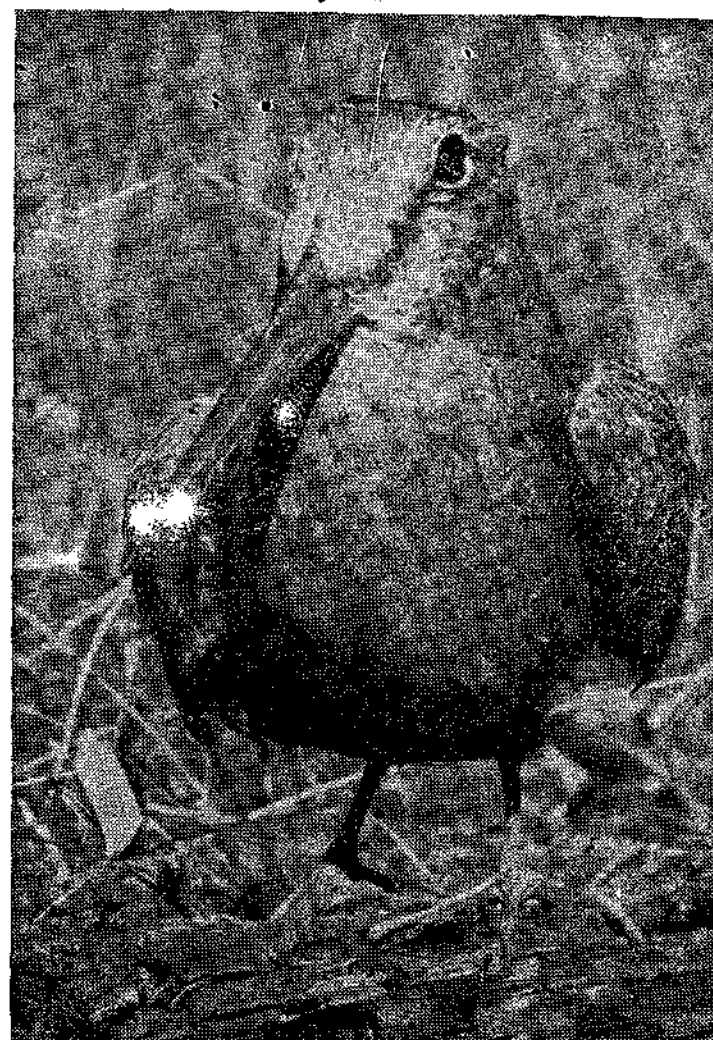

Lemon rind and juice with coconut that's been toasted make a wonderful filling when combined with fruit nectar and egg whites. It's as luscious as a whipped cream filling but has many less calories.
