

## Hawks Lose to Clio; Prep for Bad Axe

### From the Editor's Corner

Oh well, this weather is easy on the fuel bill.

You can hardly blame the village crew if work schedules were delayed or stopped Tuesday, Sept. 15. For less than two hours apart at noon the wives of two of the crew members presented them with bouncing baby girls. Both Mrs. Dean Toner and Mrs. Eldon Stoutenburg are doing well so we imagine that everything is back to normal and village maintenance is again cruising along on schedule after the dual blessed events.

Reports on last week's sidewalk sale were mixed. Generally, the stores with large outside displays and attention compelling specials reported very satisfactory business. Others whose goods were hard to place on the sidewalk or who could make only token displays saw no great increase in sales. Unanimous in praise for the second annual events were the kids who had a ball with the rides, cotton candy and carnival type atmosphere.

A miniature sidewalk sale will be held this week when Bruce Frantz and Harry Lenda of the local IGA stores sell hot dogs on the sidewalk for a nickle apiece . . . it's part of the stores' anniversary celebration.

## Hudson to Speak At First Meeting of Hospital Auxiliary

Oran Hudson, director of the Cass City Community Hospital, will be the guest speaker for the first fall meeting of the Auxiliary of the Cass City Community Hospital Monday, Sept. 23, in the home economics room of the high school.

Mr. Hudson is expected to tell members and guests interesting facts about the hospital and the various groups which help support it.

A social hour will open the meeting at 7:30 o'clock when coffee will be served. The business meeting starts at 8 p.m.

All women interested in the organization are invited and urged to attend, authorities said.

Saturday, Sept. 26—Roy Severance will sell farm machinery and household goods at the farm, four miles east, four miles south and a mile and a quarter east of Cass City on Severance Road.

Friday, Oct. 2—Norman Hoppe will sell cattle and dairy equipment at the farm, four miles south and a quarter mile west of Cass City.

Saturday, Oct. 3—Alvah Hillman will hold a Jersey dispersal sale four miles west and one and a half miles south of Cass City.

Saturday, Oct. 3—Paul Fuhrman will sell cattle, farm machinery, milking equipment, household goods and miscellaneous items at the farm two and a half miles west and a mile and a half south of Port Hope.

Friday, Oct. 9—Don Jickling will hold a dairy auction at the farm nine miles west, a mile south and three-quarters of a mile east of Sandusky on Miller Road.

Saturday, Oct. 10—Dean Ailore will sell household goods at the home at 1810 East Caro Road, Caro.

Saturday, Oct. 17—Mrs. Norman Holst will sell machinery and household goods at the farm, a half mile east of Marlette.

## New Officers Elected For Farm Bureau

The Cassland Farm Bureau met at the home of Mrs. Walter Scheil Wednesday, Sept. 16, and new officers were elected for the coming year.

The following officers will begin their duties in October: Ellwood Eastman, chairman; Clare Carpenter, vice-chairman; Mrs. Alfred Goodall, secretary and treasurer; Mrs. Clara Carpenter, county women's committee representative; Alfred Goodall, minuteman on legislation; Maynard McConkey, discussion leader; Harold Perry, assistant discussion leader; Mrs. Clinton Law, recreation, and Mrs. Roy Waggs Sr., song leader.

During the business meeting the county annual Farm Bureau meeting to be held in Caro Oct. 29 was discussed. Plans were also made to attend the state annual meeting in Lansing Nov. 9.

The discussion on the problems in compensatory payment plans was led by Mrs. Edward Golding. One of the questions discussed was, "Do farmers really want more or less government support and control in agriculture?" A potluck lunch was served.

## Beets Trickle To Caro Plant; Flood Expected

The Michigan Sugar Co. plant at Caro began accepting beets on a limited basis Monday in Caro and Gilbert Smith, manager, said that only some 300 loads a day will be accepted during the last week in September and the early part of October.

Scales will be open from 8 a.m. to 4 p.m. and a special delivery ticket will be needed to bring beets to the plant. Smith said that regulations have been placed into effect because it is impossible to store beets early in the season.

Although the yield per acre is expected to be substantially the same as last year, Smith reported, there are some 1,000 acres more planted now than last year. Last year's total yield and yield-per-acre were at an all-time high. This year a flood of beets, that is expected to be between 190,000 and 200,000 tons, will exceed the 1958 tonnage by some 25,000 tons.

Company officials also announced a change in the organization. The Cass City area, which has been handled by Lester Muntz since 1936, has been consolidated with the Gagetown-Colwood area and the entire district will be handled by Ed Dillon.

## Church Meetings to Explain Programs

Two informational dinners will be held at the Presbyterian Church, Sunday following the regular worship service and Monday at 6:30 p.m.

The purpose is to present and explain the church budget for 1960 and to present the Michigan Synod development program.

## Robert Zinnecker Treasurer-Manager Of Credit Union

Robert Zinnecker, son of Mr. and Mrs. Wallace Zinnecker of Cass City, has been named treasurer of the Central Credit Union. It was announced this week. On the board since January, Mr. Zinnecker will act as general manager for the credit union.

He is presently employed as a revenue accounting methods and procedures co-ordinator for General Telephone Co. of Michigan.

## 150 At Simmons' Anniversary Fete

An estimated 150 guests attended the open house Sunday in honor of the 50th wedding anniversary of Mr. and Mrs. William Simmons. The event was held at the Simmons' home and a beautiful wedding cake made by Mrs. Leslie Proudfoot centered the refreshment table.

Mrs. Hetty Livingston and Mrs. Alma Smith poured. The couple received many lovely gifts. Guests attended from Caro, Gagetown, Sebawaing, Clio, Davison, Pontiac, Trenton, Port Huron, Lake Odessa and Richland.

FAMILIAR POST—Mrs. Sadie Fordyce, front, has spent 22 years working for the telephone company in Cass City and has enjoyed almost every minute of it. In her long career she has experienced most of the situations that confront telephone operators everywhere.

## Operating's Fun Says Mrs. Fordyce

"I just love my work," is an exclamation that is not often heard, but it is the sentiment expressed by Mrs. Sadie Fordyce, an operator with the General Telephone Company in Cass City.

Mrs. Fordyce has been a telephone operator for more than 22 years and says that many humorous incidents have occurred in that time.

Mrs. Fordyce explained some of the differences between being an operator in the days when she started and in the world of today. The old telephone company was above the Mac Scotty Drug Store and consisted of approximately 200 phones, manned by two day operators and one night operator.

They had what was called a general alarm ring that was used to get everyone on the line to announce a fire or emergency. Also, each noon, the general alarm was given and everyone picked up the phone to listen to the weather report.

Speaking of fires, once, one of the girls asked for the number and a party said frantically, "Ring their number," and hung up. A few minutes later he called again and asked why the fireman wasn't there and the sirens going. It seemed "Their Number" was the firehouse.

Mrs. Fordyce said that the operators can usually class a person by the tone of their voice. Mr. Wolf, Mr. Gentleman, Miss Affected and Mrs. Lovely Lady are some of the examples.

"On the whole, people are very courteous. Of course, we get the other kind once in a while, but not very often. The reason most people get irritated with the operator is not being answered promptly," she said.

Most calls are placed from 9 a.m. to noon and from 4 p.m. to 7 p.m. Mrs. Fordyce, when asked if an accident in the area caused a noticeable increase of calls, said

## Jury Drawn for October Session Of Circuit Court

Three Cass City men and one Cass City woman were drawn for jury duty for the October session of circuit court in Caro.

They are Russell Deneen, Elmer Butler, Ernest Beardsley and Mrs. Lynn Nivison.

Others drawn were: Norman Gruber and Henry Stockmeyer, both of Reese; Elmer Weber, Oscar Wilder, John Hecht, Kenneth King, Fred Chapman and Helen Baker, all of Vassar; Bernadine Kramer, Leon Cousins and Charles Schlicht, all of Akron, and Merton Nutt and Elizabeth Cochran, both of Unionville.

Also drawn were: Gerald Summerville, W. Joe McLaughlin and Ward Frenzel, all of Mayville; Edward Petzold, Olive Muntin, Harold Jensen and Rosa Clendenan, all of Millington.

Completing the list were: Barbara Aldrich of Fairgrove; J. D. Harneck and Cecil Shaver of Kingston; Charles Rogers of Clifford, and Peter Romain, Audrey Kitchen, Harold Satchell, Allah Schrader, Richie Purdy, Volney Parsell and Richard Kenefic, all of Caro.

## Rural Carriers Name Officers Sept. 16

The semiannual meeting of the Sanilac-Tuscola Rural Letter Carriers Association was held Wednesday, Sept. 16, at Marlette when officers were elected.

Named were: president, Al Morgan. Crosswell; vice-president, Eugene Denton, Snover, and secretary-treasurer, Paul Phillips, Decker.

The Auxiliary of the association named a new president and secretary. Mrs. Lynn Spencer of Tyre resigned as president to replace Mrs. Norman Ruggles of Kingston who was forced to resign because of illness. Mrs. Ruggles was secretary of the group. The new president is Mrs. Tom Elliott of Marlette.

## WSC Meets at A. Woelfle Home

About 25 members were present when the Woman's Study Club met at the home of Mrs. A. Woelfle Tuesday afternoon.

Before the meeting, Mrs. Woelfle entertained the club's program committee and president, Mrs. W. Wetters, at a luncheon honoring Mrs. Evelyn Blackmoor of Vassar, guest speaker for the day.

In the business meeting it was decided that the canned and baked goods sale will be held Oct. 24.

An invitation from the Gagetown Woman's Club to attend a style show was accepted. Mrs. E. Schwaderer, Miss Muriel Addison and Mrs. R. Keating were appointed a committee to receive registrations and arrange transportation to the Gagetown meeting.

Mrs. K. McConkey then introduced Mrs. Blackmoor who spoke on china painting. To illustrate her talk she had arranged a display of many beautiful china pieces which she had painted.

Mrs. Blackmoor stated that almost anyone can paint china. She said there is no age limit in painting. The young enjoy it because they are gifted, the old as a profitable and enjoyable way to spend their leisure time. She also said that china painting has a therapeutic value as it tends to reduce nerve tension.

Mrs. Blackmoor said that a class of 8 or 10 is best as the students help and stimulate each other.

## Name Officers for Farm Bureau Group

Officers were elected at the first fall meeting of the Cass Valley Farm Bureau held at the Peter Decker home with 12 members and four visitors present.

Keith Little is the new discussion leader and will be assisted by Riner Knobel. Minuteman is Gail Parrott and serving as chairman will be Mrs. Mack Little. Vice-chairman is Mrs. John Koepf Sr. Mack Little will serve as package reporter and secretary-treasurer is Miss Martha Knoblet.

Other officers include: committee woman, Mrs. Gail Parrott; recreation leader, Mrs. Glenn Tuckey; news reporter, Mrs. Riner Knobel, and song leader, Mrs. Keith Little.

## Now Attending Owengage State Board Ruling Affects 33 Students

Details of the switch of some 33 students affected by the decision of the State Board of Education that some 79 parcels of land west of Cass City should be transferred from the Gagetown-Owendale district to the Cass City district will be worked out this week.

Currently the students are attending Owengage school. It is likely that students in the 10th grade and above will be allowed to continue their education at Owengage and students in the ninth grade and below will switch to Cass City, although no definite decision has been reached.

The land affected by the state board's decision has a county assessed valuation of \$278,000 and could well be a half million when the area is reappraised and a new state equalized valuation ascertained. Taxes are raised on the state equalized valuation of property.

The decision transferring the property was reached when the state board heard the appeal from a decision of the Sanilac, Tuscola and Huron counties school boards which denied the transfer.

School authorities hope to have the entire problem of where the affected students will study by Oct. 2 which is the official counting day to determine the number of students for the \$205 state aid money.

## Gavelites Sponsor Two Fund Projects

Two fund raising projects occupied the attention of the Cass City Gavel Club at its regular meeting Tuesday evening at Parrott's Dairy Bar.

Members voted to pick up items from area persons who donate them Tuesday, Sept. 29, starting at 7:15 p.m. Donors are asked to have the items ready at that time.

The second project the Dale Carnegie course, will be explained fully Monday evening at the Cass City elementary gym. The club is making a special canvass of the area to have as many persons as possible attend the meeting starting at 7 p.m.

Dr. James Ballard presented a brief discussion of "nerves" and their effect on individuals. Treatment and control by psychoanalysis and the use of tranquilizers were explained.

The meeting was concluded with a discussion led by Coach Mike Yedinak on the use and availability of nicotine and alcoholic beverages to teen-agers.

## Ruth Meredith One of Top State Poultry Judges

Ruth Meredith, 18, of Snover was one of four Michigan 4-H Club members in poultry judging competition at the State 4-H Show last week.

Other were Jim Chase of Climax, Norman Gruizenga of Kalamazoo and Hazel McCraig of New Boston.

The four will be a team in the national invitational poultry judging contest in Chicago this fall.

Ruth Meredith

Contestants judged eggs as well as live and dressed market birds. The competition was part of the activities during the four-day show at Michigan State University.

Ruth is a member of the Leslie Work and Dig 4-H Club of Evergreen Township. She placed second in the event, following a tradition established by her sister, Loraine, who won the same trip two years ago.

Ruth is a senior at Cass City High School.

## Morris Jones to Head Local Band Boosters' Club

Officers were elected for 1959-60 at the first fall meeting of the Band Boosters Monday evening in the band room. Heading the group will be Morris Jones, president. He will be assisted by Vice-president Mrs. Audley Horner. Mrs. Lawrence Bartle is the secretary and LeB Pomeroy the treasurer.

Also named at the meeting; were committee chairmen. They include: ways and means, Mrs. Ed Fritze; membership, Mrs. E. H. Starmann; chaperone, Mrs. Robert Frye; scholarship, Mrs. Leslie Profit, and publicity, Mrs. Al Avery.

A discussion period centered around ways of increasing active membership in the organization. All persons interested in promoting the growth and development of instrumental music at the school are invited to become members, authorities said. Parents of band members are automatically considered members.

The next meeting will be in November at a date to be announced.

## Tusco Workers Reject Union

With a 68 to 17 margin, the Tusco Products Co. employees voted not to join the United Rubber Workers union Thursday, Sept. 17.

This is not the first time the union has tried to organize the Tusco workers but last year the vote was very close. A majority vote is necessary to establish the union.

## Saginaw Fair Sheep Show Topped by Walter Goodall

Walter Goodall won five of six top awards in the sheep show at the Saginaw Fair last week.

In the Corriedale and Suffolk division he showed both the grand champion ram and ewe. In the Cheviot competition he had the grand champion ram.

Other winnings at the fair in the Corriedale competition included: first and second yearling ram, first and second ram lamb, first aged ram (grand champion), first and second aged ewe, yearling ewe and ewe lamb, first flock, first get of sire and first pen of lambs.

The results were equally good in the Suffolk competition. Winnings included: first ram lamb, first yearling ram (grand champion), first aged ewe, first yearling ewe, first and second ewe lamb, first flock, first get of sire and first pen of lambs.

Mr. Goodall also showed Corriedale sheep at the State Fair. In the open class he had the third and sixth yearling ram, fourth and seventh ram lamb, sixth aged ewe, fifth and eighth yearling ewe, fifth and ninth ewe lamb, fourth pen of lambs, fourth get of sire, third young flock and second flock.

In the Michigan class his yearling ram was second and fourth and the reserve champion. Other results in the Michigan class were: second and fifth ram lamb, third aged ewe, second and fifth yearling ewe, third and sixth ewe lamb, second pen of lambs, second get of sire, first young flock and first flock.

**NOW.. '60 CHEVROLET TRUCKS**

**WITH REVOLUTIONARY TORSION-SPRING SUSPENSION THAT GIVES ASTONISHING NEW SHOCKPROOF ACTION !!!!!**

**Chevy's done the next best thing to paving every road in America!**

First they threw out the front axle and put in torsion-spring independent suspension. Then they built wide-base coil rear springs into most light-duty models, variable-rate leaf springs into heavies. That made it a ride you have to feel to believe. A ride that lets you move faster to get more work done in a day's time.

**Brawnier bulldozer build!**

Frames are stronger, cabs 67% more rigid. Front wheels and tires are precision-balanced. And that new suspension cushions jars and road shock that used to spell slow death for the truck's body and sheet metal.

**More comfortable cabs!**

Easier to hop in and out of too. Many models are a whole 7 inches lower outside. Yet there's more head room inside, plus more width for shoulders and hips. More real comfort!

**Big in the power department!**

With the industry's most advanced gas-saving 6's. With high-torque Workmaster V8 performance in heavyweights. With new 6-cylinder or V8 power available in L.C.F.'s.

**More models than ever!**

New 4-wheel-drive models and tandems and high-styled Suburban Carryalls. It's the handsomest, hardest working Chevy fleet ever to report for duty. See your dealer soon for a ride!

## Shabbona Church Scene of Wedding

Miss Gayle Patricia Gregg, daughter of Mr. and Mrs. Howard Gregg of Snover, became the bride of Mr. Vernon D. Churchill, son of Mr. and Mrs. Kenneth Churchill of Deford, in a candle-light ceremony at the Reorganized Church of Jesus Christ of Latter Day Saints in Shabbona Sept. 12. The double-ring ceremony was performed by Elder Merle Guthrie amid decorations of yellow and white gladioli, palms and lighted candelabra.

Harley Dorman was the vocalist, and was accompanied by Mrs. Elaine Gregg, sister-in-law of the bride.

Given in marriage by her father, the bride wore a waltz-length gown of pure raw silk, featuring a scoop neckline accented with lace, fingertip sleeves and a pleated cummerbund. A Bavarian crown secured her fingertip veil and she carried a cascade bouquet of white roses and Fuji mums with green ivy.

Miss Patricia Campbell of London, Ont., friend of the bride, served as maid of honor. Her gown of mint green batiste with green organza overskirt featured a scoop neckline and a pleated cummerbund and was accented by a large bow. She carried a bouquet of white and bronze mums.

Bridesmaids were Mrs. Jacqueline Mathews, sister of the bride, and Miss Ann Churchill, sister of the groom. Their gowns were styled identically to the maid of honor's and they carried bouquets of bronze mums.

Jerry Gregg of Hancock, brother of the bride, served as best man and ushers were Maurice Kilbourn of Deford and Fritz Monson of West Branch.

Both mothers chose blue dresses with matching jackets and accessories. Each wore a corsage of white roses and mums.

All of the floral arrangements were made by Maurice Kilbourn of Deford.

Following the ceremony, a reception was held in the church annex, after which the couple left for a short trip in Ontario. Upon their return, the couple will make their home in Mt. Pleasant, where the groom is a senior at Central Michigan University.

Mr. and Mrs. Ronald R. Fleenor

The Cass City Methodist Church was the scene of the candlelight wedding of Miss Cherri Wiborn and Ronald Ray Fleenor Saturday, Sept. 19, at 7:30 p.m. The double-ring ceremony was performed by the Rev. Ernest Robinson and Dr. Wayne Fleenor, uncle of the groom.

The bride is the daughter of Mr. and Mrs. Forrest H. Kitchen of Lansing. Mr. and Mrs. Ray Fleenor of Cass City are the groom's parents.

The bride's gown, designed and made by her mother, was of embossed satin with long, buttoned-down sleeves, scalloped neckline and a chapel train secured by satin roses. Her veil was caught by a headpiece of seed pearls and sequins. She carried a bouquet of gardenias and pink roses. Her father gave her in marriage.

Miss Joy Ann Klug of Port Huron was maid of honor. Bridesmaids were Miss Sylvia Durling of Lansing, Miss Joan Hoover of Grosse Pointe and Miss Emily Nelson of Mt. Pleasant. Their gowns were of flamingo pink satin with matching accessories. Miss Klug carried a bouquet of white Fuji mums and pink roses and the bridesmaids carried white pompon mums and pink rosebuds.

The groom's attendants were Dale Iseler of Cass City, best man, Fred McConkey, Pat Herdell of Argyle, Ted DeGroot of Farmington and Don Lorenzen.

Connie Jo Carmoney, cousin of the bride, was flower girl. She wore a pink satin dress, made by the bride's mother, and pink accessories. Ricky Hill, also the bride's cousin, was ring bearer.

The bride's mother wore a dress of Ming blue satin with Ming blue and white accessories. The mother of the groom wore sapphire blue wool crepe with matching accessories.

A reception was held following the ceremony in the church parlors. The bride's mother made the wedding cake.

Mrs. Fleenor was wearing a black suit of wool crepe with black and white accessories and

### 4-H Council to Sponsor Three Trips

The 4-H Council has voted to sponsor three new trips for Sanilac County 4-H youth this year. The first, to the National Conference for All Rural Youth, took place Sept. 16-20 at Clear Lake Camp.

The second trip being sponsored by the 4-H Council is something new for all of Michigan. This is a Michigan City and Rural Youth conference to be held at the Clear Lake camp. There will be two boys and girls representing the Sanilac County 4-H Clubs at this convention.

The third trip is an educational trip to Chicago during 4-H Club Congress. Two boys and two girls will also be selected to attend this trip.

### Cass City Persons Hold County Offices

Two Cass City persons were elected to offices of the Sanilac County Health and Welfare Club, a part of the Michigan United Fund, at the annual meeting recently.

The officers are: Audley Rawson of Cass City, president; Sterling Harris of Caro, campaign chairman; David Ackerman of Cass City, co-chairman; Malibu Vance of Caro, secretary; Cecil White of Caro, treasurer, and Mrs. Frances T. Clark of Caro, publicity chairman.

The photo officers were scheduled to hold the admissions and budget meeting Sept. 23 at 8 p.m. in the supervisors' room at the courthouse in Caro.

## NEW safety and low costs for OLIVER One-Row Pull-Type Corn Pickers

Up go corn picking capacity and convenience... Down go repair costs and safety hazards... when you pick your crop with an OLIVER Model 6.

Snapping roll spacing adjustment lets you clear the gathering unit without getting off your tractor seat. Longer snapping rolls and "live" points handle your bumper crops... lift the down and leaning stalks... bring in more corn every year, in every field condition.

Roller-type gathering chains are an Oliver extra... are twice as strong... wear three times as long as ordinary kinds. Safety clutches protect all drive assemblies.

Be sure to see the Oliver Model 6 before you buy any single-row pull-type picker.

## BULEN TALKS CARS

WHY CAR-DESIGNERS TURN GRAY

One of the biggest plagues of the car designer-engineers is trying to second-guess just what the great motoring public really wants in a car. How about you? If you were going to buy a new or used car today just what are the three most important things you'd want?

Well, thousands of prospective car buyers were asked this question and the majority answered: economy first, comfort second and style third.

But here's the pay-off. These same people were asked this same question again after they had bought their cars. And their answers were exactly reversed! They were style, first, comfort second and economy third.

Is it any wonder car designers are driven nuts every year?

Well, maybe you don't really know what we want in a car... but one thing every prospective buyer does know is where to buy. Especially when it comes to buying a used car - surveys have proved that people deal mainly with new car dealers.

This makes sense, as a new car dealer has naturally earned the trust of the manufacturer he represents... he's earned his franchise which he could lose anytime if he didn't live up to it.

So, the new car dealer is no fly-by-nighter who doesn't give a hoot about a car after he sells it. Instead, he is interested in servicing your car - and having you so satisfied you'll want to buy your car from him, when you're in the market again.

This is the way we operate. We're proud of the dependable used cars on our lot and will be happy to demonstrate them to you anytime you care to drop in.

**USED CAR SALE!!!** Every car on our lot marked down, with the old price and new price clearly shown. And every car and Truck (over \$300.00) GUARANTEED in writing. Frankly we have too many with too much money tied up. The '59s will soon be out and we must make room for the trade-ins. Come In, Find the Car You Like, Let Us Figure Price. YOU'LL BE PLEASANTLY SURPRISED.

**DEMONSTRATORS!!!** 3 Chevrolet's, 1 Oldsmobile, as follows:

- '59 Chevrolet 4 Passenger Station Wagon
- V-8 Power Glider, 4800 actual miles. Mrs. Bulen drove this car. Gray & White
- '58 Chevrolet V-8 Convertible, Cream with Black Top.
- '59 Chevrolet V-8 Bel Air 4 Door Black with Whitewalls
- '59 Chevrolet V-8 Bel Air 4 Door Hardtop (2000 miles)
- '59 Oldsmobile 88 4 Door Sedan, Black with Whitewalls, Red Wheels

These cars will be worth just as much several years from now as if bought new, and you'll save hundreds of dollars NOW.

### Final Rites Held for Native of Poland

Requiem High Mass was sung Wednesday morning at St. Pancratius Church for Frank J. Rospierski, who died early Sunday morning at Pleasant Home Hospital. The Rev. J. J. Mikulski officiated.

Rosary devotions were held Tuesday evening at Little's Funeral home and prayer services at 8:30 a.m. Wednesday. Burial was in Novesta cemetery.

Mr. Rospierski was born April 23, 1891, in Poland. His parents were Frank and Eva Rospierski. He came to the United States as a young man.

He married Miss Mae Holda in Pittsfield, Mass., in 1911. They lived in Massachusetts three years before moving to Hamtramck. In 1956 they moved to Ellington township where he lived until his death.

Surviving are: his wife; four sons, Edmund of Clawson, Ernest of Detroit, Edwin of Hamtramck and Erving of St. Clair Shores; three brothers, Stanley, Theodore and Victor Rospierski, all of Poland; one sister, Mrs. Mary Wienckowski of Poland, and 15 grandchildren.

The University of Michigan Extension Service conducted nearly 750 classes throughout the state last year.

### Grant Center Home Demonstration Club

The Grant Center Home Demonstration Club met Sept. 15 at the home of Mrs. Harold Cummings for the first meeting of the year with six members present. The year books for 1959-60 were filled out and other business discussed. A dessert lunch was served by the hostess.

The October meeting, "Flower Arrangement", will be at the home of Mrs. Thomas Quinn Sr., Oct. 6.

### Walds Entertain Elmwood Group

The Elmwood Home Demonstration group met Wednesday afternoon, Sept. 16, with Mrs. Vincent Wald and Miss Mary Wald. Twelve women answered roll call by relating the "Outstanding Event of the Summer" for them. This was an organizational meeting to make plans for the coming year and plans were made for nine meetings.

Chairman Mrs. William Anker presided over the meeting. Mrs. Anker, Councilwoman Mrs. Lawrence Salgat and Secretary Miss Mary Wald reported on the county meeting held at Caro.

Lunch was served by the hostesses.

If you think this summer weather is too hot for you, you'd better see to it that you are headed in the right direction.

### WSC MEETS

Concluded from page one.

First essentials for a beginner to learn are mixing paints and loading the brush. When these are mastered he is well on his way in china painting.

The students must also study color, learning the importance of high lights and shadows. Each color complement must be learned so that proper blending can be achieved.

Since World War II the interest in china painting has been revived and now much china is imported from Japan and Germany where the best clays for china are found.

Mrs. Blackmore emphasized that only good china and paints should be used as poor qualities change color in firing.

The meeting closed with roll call to which each responded with a description of their favorite china.

The next meeting will be at the home of Mrs. Sadie Rolison and Mrs. Margaret Haire.

More than 7,000 students participated in a voluntary health insurance program at The University of Michigan last year.

Michael P. Church, University of Michigan Extension Service supervisor of special projects, gave 65 lectures on art topics throughout the state last year.

Advertise in the Chronicle.

### Future Nurses Club Announces Officers

The first meeting of the Future Nurses Club was held Tuesday noon, Sept. 15, at the Cass City Elementary library with 15 members present.

The officers for the year are: Geraldine Sbresny, president; Beverly Irer, vice-president; Ellen McCarthy, secretary; Beverly Hurd, treasurer, and Bonnie DeLong, Student Council representative.

Two members, Beverly Irer and Ellen McCarthy, were elected to attend the regional convention Sept. 26 at Flint.

The next meeting will be Sept. 30 at 8 p.m.

### Elect Linda Hulien Youth Group Prexy

Linda Hulien was elected president of the Methodist Youth Fellowship at a meeting held Sunday evening at the church. Other officers named included: David McGrath, vice-president; Jim Rawson, secretary, Jim Fritz, treasurer; Susan Barnes, publicity; Bill Dobbs, witness outreach; Ruth Karr, faith citizenship, and Ernest Teiler, fellowship.

Plans were completed to entertain Caseville chapter Sunday, Sept. 27, at the church. Local members will invite friends to attend.

### Classify Two Area Holstein Herds

Two area Holstein herds have been officially classified for type by Kent M. Ryan, Hampshire, Ill., official inspector for the Holstein-Friesian Association of America.

Bruce MacRae, Cass City, had 11 animals classified. Three were good plus and eight good.

Dolan Sweeney and Sons of Uby had 27 animals classified. Five were very good, 16 good plus and six good.

John Otto Wrege, 35, of Flint and Betty Lou Suranye, 25, of Caro.

Clara Eugene Beitz, 26, of Unionville and Delores Mae Baker, 19, of Caro.

### MMPA Milk Prices Increase in August

Strong Class I (drinking milk) sales and generally lower production gave dairy farmers throughout most of Michigan a higher average price for milk last month than they received a year ago.

In Muskegon and Holland-Zeeland markets, the increase in the average price amounted to 81c and 35c per hundredweight respectively as Class I sales exceeded 90 per cent of total milk delivery.

According to the monthly market report of Michigan Milk Producers' Association, 7 of the 10 major markets in the state had lower production in August than the same month a year ago. All markets reported higher average prices than last year, and five had better than 90 per cent Class I utilization.

In Detroit, production rose 3 1/2 million pounds from July to 164 million, and was up about 4 million from last August. The base price was \$4.29, and the average price paid for all milk \$4.18, based on a negotiated Class I price of \$4.88. Class I sales were off slightly from a month ago, accounting for 63.2 per cent of total deliveries but were up nearly 3 per cent from a year ago.

Average income for each of the 10,982 shippers on the market was \$601, or \$44 more than they got last August.

The best things in life may be free—but a little hard cash tends to point them in your direction.

### Licenses Revoked

The driving licenses of 169 Michigan drivers were recently suspended and those of 21 revoked. Five of this number are from Huron, Sanilac or Tuscola counties.

They are: Jimmy Lee Hartsell, Bad Axe, for unsatisfactory driving record (UDR); Mathias Lambert, Caseville, for driving under the influence of liquor (DUIL); Stanley Fulsher, Fort Sanilac, DUIL; Frederick Putz, Lexington, UDR, and Pedro Nuncio, Akron, DUIL.

**ORDER FOR PUBLICATION—**  
Sale of Mortgage of Real Estate State of Michigan, The Probate Court for the County of Tuscola.

In the Matter of the Estate of Henrietta C. Freeman, deceased.

At a session of said Court, held on September 21, 1959.

Present, Honorable Henderson Graham, Judge of Probate.

Notice is Herewith Given, That all persons interested in said estate are directed to appear before said Probate Court on October 7th, 1959, at ten a.m., to show cause why a license should not be granted to Frederick H. Finney, executor of said estate, to sell or mortgage the interest of said estate in certain real estate described in his petition, for the purpose of distribution.

It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively, previous to said day of hearing, in the Cass City Chronicle, and that the petitioner cause a copy of this notice to be served upon each known party in interest at his last known address by registered mail, return receipt demanded, at least fourteen (14) days prior to such hearing, or by personal service at least five (5) days prior to such hearing.

## Familiar Cry! Schools are Short of Money and Space

By Elmer E. White  
Michigan Press Association

A familiar alarm was sounded as classes opened this fall for 1,645,000 public school students.

The schools were short of money, teachers and classrooms. The situation was especially critical this year because there was a delay in adoption of a school aid bill. There was further delay when a flaw in the bill was discovered after the Legislature has passed it and recessed.

Even without the mixup in school aid there was enough to cause concern among school officials.

Dr. Lynn M. Bartlett, state superintendent of schools, said Michigan is short nearly 8,700 classrooms "in spite of tremendous financial efforts by Michigan citizens."

Bartlett said schools will have to spend about \$1,200,000,000 by the fall of 1964 to catch up on classroom construction needs.

Crowded classrooms and half-day sessions faced some students. Also facing students were 9,900 teachers who hold special certificates that allow them to teach on a temporary basis even though they do not meet desired standards.

Nearly 3,000 new teachers were on hand this year, bringing the professional school staffs throughout the state to about 65,000.

Student enrollment increased by about 70,000 from last year. But there were fewer school districts.

The number of school districts decreased the past year by 214, bringing to 2,296 the number of districts.

Smaller districts banded together to form large districts and other small districts annexed to larger ones.

The consolidation can't go fast enough for Bartlett. He backed a bill in the legislature that would have hastened school district consolidation. It failed to pass.

Back-to-school movements signaled the end of the summer tourist season.

The Michigan Tourist Council was hopeful the season would gross 650 million dollars, which would top the record 1955 season by 25 million dollars.

Weather clipped the season at the beginning just as schools did at the end.

But unseasonably hot weather late in the summer stimulated the tourist trade and helped offset the slow start.

The boating boom, longer vacations offered by industry and continued interest in the Mackinac Bridge all helped, although bridge traffic was down from last year.

Competition remains keen within the tourist industry.

Park attendance is up from last year. There were 16,428,888 park visitors through August, an increase of 8.32 per cent or about a million from the first eight months in 1958.

Thousands were turned away from park camp sites.

Reporting business is getting bigger! Areas that used to roll up the sidewalks at summer's end are preparing for autumn visitors. The fall color season is helping the tourist industry more and more every year, thanks to a large degree to increased advertising.

And then there's the winter sports season.

The Tourist Council is spending \$280,000 for advertising to emphasize the state's year around attractions.

A successful instrument in promoting Michigan -- the newspaper -- was honored during special ceremonies at the Michigan State Fair.

"This is a mighty force in Michigan," said Lt. Gov. John B. Swainson as he traced the role of the newspaper in the state's development.

Swainson spoke at a program featured by award of Centennial awards to 33 newspapers that have been telling Michigan's story for 100 years or more.

"You have helped make Michigan great and will help make it even greater," Swainson said in noting it was fitting there should be special recognition for newspapers.

"Like many of our blessings and advantages, too often they are taken for granted," he said.

Why we built two cars for 1960 . . . as different as night and day

On October 2—for the first time in Chevrolet's 49-year history—you will be able to walk into your dealer's showroom and see two totally different kinds of cars. ■ One is the conventional 1960 Chevrolet, brand new in appearance and more beautifully refined and luxurious than you can imagine. ■ The other is unlike any car we or anybody else ever built—the revolutionary Corvair, with the engine in the rear where it belongs in a compact car. ■ We'd like to tell you why we built two such different cars, how we built them—and for whom we built them.

Why two kinds of cars? Because America itself has been going through some big changes in the past few years. Our cities have been straining at their seams. Traffic is jam-packed. Parking space is at a premium.

And our suburbs have spread like wildfire. People are living farther from their work, driving more miles on crowded streets. There is new leisure time—but more things to do. There's a new standard of living—and more need for two cars in the family garage.

In short, America's automobile needs have become so complex that no one kind of car can satisfy them completely. That is why we at Chevrolet, keeping tab on these trends, have had a revolutionary compact car in the planning stages for more than nine years.

Thus, when we decided three years ago to prepare for production of such a car we were ready to build it the way it should be built. There was no need for a hasty "crash" program that would create only a sawed-off version of a conventional car.

That is why the two cars you will see in your dealer's showroom October 2 will be two entirely different kinds of cars. One is the conventional '60 Chevrolet—brand new in beauty, with new space inside, new spirit under the hood, a new feeling of sumptuousness and luxury never before attained by any car in its field. There is great V8 power linked with new thrift, plus Chevrolet's superb 6-cylinder engine. It is a traditional car that comes even closer to perfection—in silence, in room, in ease of control, in velvety ride—than any other car we have ever made.

The other is the Corvair, a compact car that is astonishingly different from anything ever built in this country. It has to be—because this is a six-passenger compact car, with a really remarkable performance . . . a car designed specifically to American standards of comfort, to American traffic needs.

The engine is in the rear. Among the basic advantages resulting from this engine location are better traction on a compact 108-inch wheelbase and a practically flat floor. But to be placed in the rear, the engine had to be ultra light and ultra short. So Corvair's engine is totally new—mostly aluminum and air cooled; it weighs about 40 per cent less than conventional engines. It is a "flat" horizontally opposed six—so it is only three cylinders long . . . and that leaves a lot more room for passengers.

Another weight saving: like modern airplanes, the Corvair has no frame; the body-shell supplies it great structural strength . . . it's a welded unit that is virtually rattle-free.

The ride is fantastic. But to get it we had to design independent suspension at every wheel; conventional springing would give a compact car a choppy ride. Right now we'll make one prediction: no other U.S. compact car will ride so comfortably, hold the road so firmly and handle so beautifully.

Now there are two kinds of cars from Chevrolet—because it takes two kinds of cars to serve America's needs today. If you love luxury—the utmost in luxury—and if you want generous interior space, breath-taking performance, automatic drives and power assists—then the conventional '60 Chevrolet may be your choice.

If easy parking, traffic agility and utmost economy are high on your list—then you should seriously consider the Corvair. But the best thing to do is to look these two new cars over at your Chevrolet dealer's . . . take them out for a drive. It may be that the only logical choice for your family between two cars like this is—both. They make a perfect pair.

Here are some of the answers to what to look for when you shop for a blouse: Top price and top quality do not always go together in ready-made blouses.

All blouse seams should have adequate seam allowances so they will not pull out, and they should have suitable seam finishes so they will not ravel.

Be sure to check the buttons. Look at the rim edge to see that buttons are of uniform thickness.

 All proceeds from a cupcake bake sale sponsored by Detroit Edison and Cass City Oil and Gas Co. will go to the Woman's Study Club of Cass City.  
 Pupils of Tuscola County schools will be given an opportunity to compete for one of the cash prizes, totaling \$90, which will be given in a contest sponsored by the Tuscola County Soil Conservation District.  
 Five persons from the Cass City area are among the 30 Tuscola County persons drawn for jury duty for the October term of circuit court at Caro.  
 Mrs. Esther McCullough, a former home economics teacher at Cass City High School, told FHA girls and their mothers of the methods of teaching home economics and the difficulties she encountered.  
 The first reunion of the class of 1934, which numbered 69 members, was held at the school Saturday evening. Thirty-nine members were in attendance and, including husbands and wives and Supt. and Mrs. Willis Campbell, 74 persons enjoyed a roast beef dinner which was served by the women of the Church of Christ.

**Ten Years Ago**  
 The Woman's Christian Temperance Union elected the following officers recently: President, Mrs. Avon Boag; vice-president, Mrs. May Schell; treasurer, Mrs. A. H. Steward; recording secretary, Mrs. Harry Young.  
 Tuscola's first fall District Scout Roundtable will be held at the Cass City High School on Monday night, October 3. The Cass City Scouts will be host to this meeting and all Cub Scouters in the county will be in attendance.  
 Dave Ackerman has been named chairman for the committee of solicitors for the drive for funds for the Elkland Community Chest next month.  
 At the regular village council meeting, the contract for an oil burner and steam heating plant for the fire hall was awarded to the Ideal Plumbing and Heating Co. for \$2,196.00.  
 The attendance contest between the Church of Christ and Deford Church Schools was brought to a close Friday evening, when Deford, the losing team, entertained the Church of Christ.  
 Tuscola County will be represented on the Michigan 4-H judging team at the International Dairy Exposition at Indianapolis, October 8-15, by Walter Jackson, 20, son of Mr. and Mrs. Roy Jackson, R2, Caro.

**Twenty-five Years Ago**  
 The enrollment of the Cass City Schools shows an increase of 24 pupils on the opening of school this week over a similar period last September.  
 For some time the extension division of the University of Michigan has been interested in holding a University Extension course in Cass City. During the coming semester arrangements have been made whereby Dr. Theodore Hornberger of the English faculty will offer a course in contemporary prose in Cass City.  
 At a recent meeting of the quarterly conference of the Cass City and Bethel churches of the Methodist Episcopal circuit, members voted unanimously for the return of the Rev. Charles Bayless as pastor of the two churches.  
 A gay atmosphere pervaded the home of the Rev. and Mrs. G. A. Spitzer on Tuesday evening when about twenty-five young people of the Evangelical church were entertained there.  
 Mrs. A. A. Ricker opened her home on West Main Street Tuesday afternoon for the first meeting of the autumn of the Woman's Study Club. The retiring president, Mrs. C. L. Graham, conducted the business session, after which she presented the gavel to the president elect, Mrs. R. A. McNamee.

**Thirty-five Years Ago**  
 Effective Sunday, Sept. 23, radical changes will be made in the time of running passenger trains over the PO&N and D&H divisions of the Grand Trunk Railway Western region.  
 Miss Phyllis Lenzner received a letter Monday from Mrs. A. H. Butzbach in which she states that because of the Rev. Butzbach's illness they will be obliged to give up their missionary labors in China and return to the states.  
 Members of the local Nazarene congregation have purchased the Jesse Bullock residence property at the corner of Oak and Third Streets and the pastor, the Rev. C. E. Ling, who serves the appointments at Cass City and Greenleaf, moved from Gageton to the new parsonage last week.  
 Denouncing the use of "methods of force or fear" by secret or public organizations "for the triumph of their prejudices," declaring for enforcement of the prohibition law, federal unification of divorce laws, safeguarding of the Sabbath, care in recreational matters, establishment of a world court, and warning against any method of military development that might produce international misunderstanding, the Detroit conference of the Methodist Episcopal church ended its sixty-ninth session at the Jefferson Avenue M. E. church at Saginaw Monday.  
 The executive committee of the Cass City Community club held a meeting Monday evening at the Finney State Bank to prepare for the coming year.  
 When you're thinking about new trees for landscaping, you'll want to mark the new trend to smaller varieties. They dwarf lower, ranch-type houses less, and fit into modern plans. Recommended by Michigan State University landscape architecture specialists are Littleleaf Linden, Amur Maple, Mountain Ash, Red Bud, and Goldenrain Tree.

### Uncle Tim From Tyre Says:

Dear Mister Editor:  
 When the weather is right for it, I spend a heap of my time just setting on the front porch and rocking. A feller can do some mighty sound thinking while he's setting and rocking.  
 I always rock with the grain on account of rocking agin the grain makes the planks squeak and the noise reminds my old lady of a few chores I ain't finished. I reckon most of you folks in town ain't saw a rocking chair in 10 years, and if you had one the chances is you ain't got no front porch to rock it on. When you town folks throwed your rocking chairs away and started building houses without no front porches is when you started down hill.  
 There ain't nothing in this world that gives a feller the feeling that he's at peace with hisself and the world like setting and rocking for a spell. If Khruschev and them Russian bandits would git a front porch and some rocking chairs, the world wouldn't need no summit meeting.  
 Last night my good neighbor Zeke Grubb come by and me and him rocked and talked for a couple hours. Zeke is a real good rocker and talker. He said he had writ his Congressman for some data last Spring and his letter was referred to the Agriculture Department and from there to several other Departments. Right now, says Zeke, he's hearing from the State Department. He figgers he'll git the data in time for the 1960 elections, along with a letter from his Congressman on how hard he's been working on the project.  
 Zeke is always good for a fan-

### New Officers for 4-H Service Club

Seven 4-H Service Club members began their terms of office at the September meeting, according to Larry Campbell, new club reporter.

They are: Noreen Jeffrey of Akron, president; Alice Gerou of Caro, vice-president; Catherine Hickey of Fairgrove, secretary; Richard Ross of Caro, treasurer; Judy Ruppert of Akron, recreation; Larry Campbell of Caro, reporter, and Janet Albrecht of Reese, parliamentarian.

Discussed at the meeting were the results of the club's fair stand operation, plans for the club's annual program of events and plans for the next meeting.

Following the meeting, home-made refreshments were served by Tammy Tonkin of Fairgrove and Ruth Ann McConnell of Akron.

The Fraser Ladies Aid met Wednesday at the church for dinner and quilting. During the business meeting the group decided to send money instead of a Christmas box for needy children. A silver collection will be taken at the next Aid meeting and members are asked to bring the amount usually spent for gifts. The next meeting will be Sept. 30.

Mr. and Mrs. Otto Goertsen entertained a cousin, Mrs. Lillian Prince from Hants, England, last week.

Mr. and Mrs. Charles Klinkman of Detroit, who are well known in this locality, have received word of the birth of a daughter to Mr. and Mrs. Gary Klinkman of St. Petersburg, Fla. Mr. and Mrs. Charles Klinkman are the grandparents.

Mrs. Eleanor Morris, Mrs. Doris Mudge and Mrs. Hazel Watkins went to Williams Lake, near Pontiac, Thursday. On the way back they had supper with Mr. and Mrs. Howard Hoadley and saw slides taken on the Hoadleys' trip through the Rocky Mountains.

Miss Evangeline MacRae of Midland was a week-end guest of her father, Kenneth MacRae, and brother, Bruce.

Mr. Gerry Gustin, who has been supplying Fraser and Uby churches as pastor during the summer, is leaving to return to school in Chicago. Mr. Frank Dodge of Bad Axe will conduct services at Fraser church Sunday, Sept. 27.

Thursday Mr. and Mrs. Merl Winter and Mrs. David Gingrich were visitors at the new home of Mr. and Mrs. Glen Wilson in Detroit. Week-end visitors at the Winter home were Mrs. Harold Lutz and a friend from Detroit. Friday Mrs. Winter was shopping in Bay City and Sunday evening Mr. and Mrs. Winter called on his parents, Mr. and Mrs. George Winter at Wisner, who have both been ill.

Mr. and Mrs. Marvin Winter visited in Detroit Sunday. Mr. and Mrs. Harold Ballagh and children called on her brother, Mr. and Mrs. Gerald Willis, Sunday evening.

Time may be money, but it has no exchange value unless it is accompanied with hard work.

### WHAT'S THE STORY ON THE NEW FORD FALCON?

## Come in and we'll tell you all we know!

### HOW BIG WILL THE ALL-NEW FORD FALCON BE? HOW MANY PEOPLE WILL IT CARRY? HOW ABOUT POWER?

To start with, in the all-new, New-Size Ford—the Ford Falcon—you save, but never "do without!" You get modern, fine-car styling... six-people-big room and comfort... a car that's born and bred for the American road! And you get it from Dearborn, Michigan, automotive capital of the world.

### LET'S TALK ABOUT STYLING FIRST!

You're going to be amazed by the Falcon's beauty. It has a low, sleek, European flair in new, beautifully proportioned style. It has safe, "wide open" visibility all around. Interior styling is fresh and new, with smart looking, durable upholstery. In a nutshell, the Falcon is Ford's way of proving that a true economy car doesn't need to look, ride or feel like one.

### LET'S TALK ABOUT THE ALL-NEW FALCON'S SIX-PASSENGER SIZE!

Available in both 2- and 4-door models, both models will have full-width seats accommodating six. There's room for all their luggage, too, with 265% more luggage space than the two most popular foreign cars. Pretty amazing, isn't it? The main reason is the way the Falcon is built.

### SO LET'S TALK ABOUT THAT!

The Falcon uses the latest type of single-unit construction (like the fabulous Ford Thunderbird). This adds extra inches everywhere inside—and it makes the car one solid, silent, integrated structure.

Along with its all-new size... there are lots of other things, like extra-big brakes and light-finger steering, that make the Falcon a delight to drive. And the Falcon is so maneuverable, it makes driving in city traffic a cinch!

### LET'S TALK ABOUT THE FALCON'S PERFORMANCE!

The all-new engine is up front, where exhaustive crash tests, skid tests and handling tests prove it should be, for safety and stability. It has six cylinders... is of the world's most modern design... yet it's built on full-proven principles. It will deliver up to 30 miles per gallon on regular gas, only needs oil changes every 4,000 miles. The engine is also water cooled, which permits use of a water-type heater that's safer and never robs you of gas mileage! Unlike many cars of its size, the Falcon's available with automatic drive, too.

### AND NOW WE'VE SIMPLY GOT TO TELL YOU ABOUT THE FALCON'S FABULOUS EXPERIENCE RUN!

It tops off a rugged 3-year, 3,000,000-mile test program. A fleet of Falcons is now traveling over every numbered U. S. highway in the country. It's from the drivers' logs on this run that we got the "30-miles-to-a-gallon" mileage figure. Some of the Falcons are driving around-the-clock—and new records are rolling in every day.

### BUT THE FALCON'S ECONOMY IS MEASURED IN MANY MORE WAYS THAN GAS AND OIL SAVINGS!

Take the price. Though we can't give you the figure just yet, we can tell you this: the low, low price of the Falcon will help prove to you that it's the savingest car, right from the start! What's more, the main body understructure is heavily zinc-coated to protect it against corrosion through the years. Front fenders are bolted on for easier, more economical servicing. Insurance will probably cost you less. And Falcon service will be available everywhere, using standard American tools.

We've just been able to scratch the surface of the Falcon news here. Come in. Bring all your questions. But make it soon. We have many orders already.
