Chamber Board Ups Prizes for Home Decorations

In an effort to stimulate the erection of home displays for the Christmas season the Cass City Chamber of Commerce is offering a record number and amount of prizes to winners of the annual contest.

The action was taken Monday night in the regular meeting of the board of directors at the Municipal Building when money for the contest was increased from \$200 to \$300.

Top prize this year will be \$75. Other prizes are: second, \$50; third, \$30; fourth, \$20; fifth, \$10, and 20 prizes of \$5 each. Judges will receive \$15.

Work Day
The annual work day to prepare Main Street for Christmas is scheduled for Sunday, Nov. 29. It will start with a breakfast at 7:30 a. m. at Bush's Restaurant. Plans will be completed at that time so that the entire work can be completed during the work day.

Hawks Place Five On Thumb B All-Star Team

Champion Cass City and runner-up Frankenmuth dominated the annual selections of the Thumb B All-Conference team this week with five members each on the mythical first team.

Honored for Cass City were Seniors Ken Mathews at tackle, Roy Tuckey at center and Alex Lopez in the backfield. Junior Cass City players to make the squad were Back Bob Wright and Guard Dick Albee.

Frankenmuth players honored were Bert Bleke at end; Tom Leach, a unanimous choice at tackle; Ken Bickel at guard, and Jack McConnell and Randy Heine, backs.

Completing the team was Bill Tageson of Bad Axe, a unanimous choice at end.

Cass City also placed three men on the second team. Both Hawk

Area's Third Quarter Highway Funds Received

Reflecting the increased prosperity of Michigan, net receipts for the third quarter of 1959 of the Motor Vehicle Fund increased over the corresponding period for 1958 by \$3,166,228.78.

The money is divided among the State Highway Department, cities, villages and counties. Cass City's share of the total of \$41,469,908.83 is \$3,422.10.

Other area communities received the following amounts: Caro, \$5,908.52; Gageton, \$1,160.19; Kingston, \$835.84; Uby, \$1,426.11, and Unionville, \$1,177.35.

Stray Bullet Hits Rutkowski's Cow

Enoch Rutkowski reported to state police that a yearling Hereford, valued at \$100, was severely wounded by a rifle bullet in the left hind quarter.

It was necessary to destroy the animal. Part of the meat was salvaged.

It was a busy week in Tuscola County Circuit Court in Caro as two criminal arraignments, several domestic cases and a damage suit were heard before Judge T. C. Quinn.

Wednesday, Nov. 4. Wayne Maurice Hawkins of Millington and Arnold Richard Sutphin of Vassar pleaded guilty to breaking and entering the bakery and coffee shop owned by Al Ewert of Vassar. The pair stole a cash register and \$20.

Judge Quinn ordered a presentence investigation and sentence will be passed Nov. 18.

Joseph W. Rose of Millington was granted a restricted drivers' license by the court. Suspended for reckless driving, his license was reinstated only for the period in which he is making his living driving a truck.

Awarded \$30,000
A damage suit brought by Frank Rolka against Samuel Moses and William Mavis resulted in a judgment against Moses for \$30,000, and no cause for action against Mr. Mavis.

The damages against Moses stemmed from an automobile accident in 1953 in which John S. Spencer was killed. Moses was the driver of the car and received a prison term for his part in the crash. It is unlikely that he will be able to pay any of the damages awarded against him.

Mr. Mavis, the owner of the car Moses was driving, told the court that Moses had taken his car without his knowledge. For this reason there was no cause for action against him.

Other Cases
Several other cases were heard Nov. 4. Samuel Trisch, 12, was turned over to the custody of the probate court from the circuit court.

Catherine Tedford, Vassar, was divorced from Ronald Tedford. Custody of a minor child was awarded to her and a property settlement approved. Alimony will be \$10 weekly.

Alfred Germain of Vassar was brought into court for failure to pay alimony. His case was continued on his promise to pay half of each of his unemployment checks.

Frances M. Shubel of Caro will receive temporary alimony of \$10 per month per child from Sidney Shubel.

Robert Liepprandt of Caro was granted a divorce from J. Ann Liepprandt. He was given custody of a minor child. A property settlement was approved.

Everett Earl Boyne of Vassar was granted a divorce from Alice Boyne. A dollar was granted in lieu of dower.

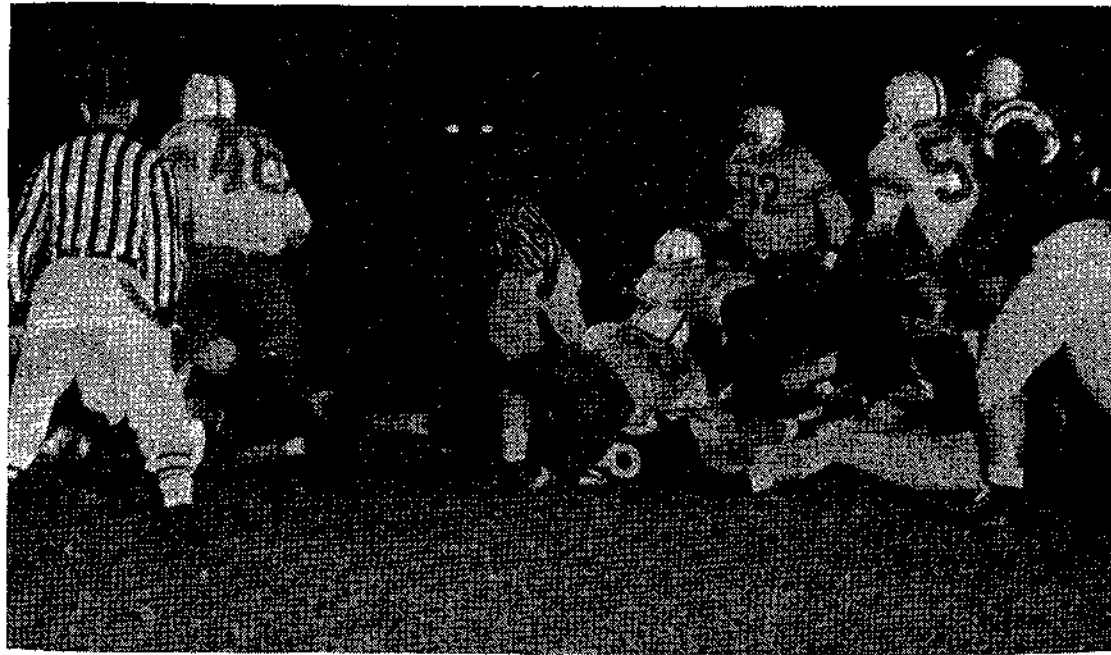

Jury Case
Thursday a Tuscola County jury took just 25 minutes to determine that there was no cause for action in a damage suit brought by State Farm Mutual

To Present Awards To Cubs Wednesday

Special awards will be presented at the Cub Scouts meeting Wednesday, Nov. 18, at 7 p. m. in the elementary gym. Of special interest at this meeting will be an induction ceremony for new Cub Scouts that have completed their Bobcat requirements. Other awards will also be given.

Any boy age eight to 10 interested in joining the Cub Scouts is invited to this meeting. Parents are to attend with their sons.

TOUCHDOWN—Obscured by Detlef Olsen of Frankenmuth and the referee is Bob Wright who scampered over the goal with the second touchdown of the game at the end of the third quarter. It proved to be enough to cinch the Hawks' fourth straight Thumb B Conference victory Friday night at Frankenmuth. (Chronicle photo)

Heroes Galore as Cass City Scores Big Win Over Eagles

The Cass City Red Hawks passed and ran their way to an unprecedented fourth straight Thumb B Conference championship Friday as they rallied in the second half to hand Frankenmuth its first defeat in history by a decisive 26-7 margin.

It was a gratifying and well deserved victory for the Hawks as they spotted their bulky opponents a huge weight advantage and then outcharged and outfought them to bring home the victory.

There were heroes galore in the Cass City victory. Coach Mike Yedinak refused to single out any one player, but he must have glowed with pride over the performances of Grant Hutchinson and Dick Albee who played their heavier opponents off their feet

Zontians Plan For Special Events

Mrs. Sadie Woodard of Owosso was the featured speaker at the regular meeting of the Zonta Club of Cass City Tuesday night at the New Gordon Hotel.

Mrs. Woodard showed pictures and described a trip to Norway and Sweden.

In the business meeting it was decided to hold a dinner with Rotarians and wives as guests Tuesday, Nov. 24. Guest speaker will be Mrs. G. Mennen Williams. Committee in charge of the event is Mrs. A. J. Stevens, Mrs. Andrew Barnes and Mrs. W. E. Walpole.

A Christmas potluck dinner is planned at the home of Mrs. Ed Baker. Mrs. Gilbert Albee and Mrs. Keith McConkey will be in charge.

Mrs. Almer Krueger and Mrs. R. Leeson will be in charge of erecting a Christmas display on the Krueger lawn.

The Eagles took the ball on their own 28-yard line. All-conference back Jack McConnell moved for 20 and had a clear field for a touchdown but was dragged down from behind on the first play from scrimmage in the payoff series of downs. After the big gain, the host club plugged away for short yardage to the Cass City 20. With third and nine, Randy Heine faded back and hit Bert Bleke in the end zone for the touchdown. Wright just missed deflecting the ball as the high arching pass fell into Bleke's arms for the marker. A run for the point was good and Cass City trailed at the half for the first time this year, 7-6.

After a drive had been stopped deep in Frankenmuth territory, Cass City started a drive that was capped by a touchdown on the last play of the third quarter. The march started on the Hawk 22-yard line. Anthes passed to Art Randall for 11 yards for a first down. Wright then carried the ball on five successive plays and picked up three first downs and 35 yards for a first on the Eagles' 19. Alex Lopez crashed for nine and Wright went the last 10 for the score. A pass for point was no good and Cass City was in front 12-7 at the end of the third period.

In the final period the Hawks put the game on ice with their third touchdown the next time they got the ball. Picture passes over the line to Les Severance, the elusive running of Wright, a 22-yard gallop by Lopez and the charges of Kloc featured the drive that covered 61 yards. Kloc went over from the one. A pass from Anthes to Wright picked up the extra point.

Ken Mathews intercepted a desperation pass by Frankenmuth on the Eagle 15 and returned it to the eight to set up the last touchdown.

After Paul Holmberg fumbled, Anthes faded back and tossed a perfect pass to Randall who made a circus catch, taking the ball from two Frankenmuth defenders. Dave Binder kicked the extra point to complete a wonderful evening for Cass City.

The statistics:

First downs	16	7
Yards rushing	208	98
Yards passing	111	55
Passes attempted	15	9
Passes completed	8	4

Protest Group To Be Heard by Zoning Board

A formal hearing before the zoning board of appeals will be held Dec. 10 in the council room of the Municipal Building at 1 p. m. to hear a protest over the erection of a barn owned by Joseph Bustamante.

The barn, now under construction to house show horses, is on a 20-acre site at 6766 Third Street. Mr. Bustamante has received a building permit from the village council.

The board of appeal had issued a ruling that the barn was legal under the present ordinance, but no hearing has been held.

A group of property owners in the area had signed a petition protesting the erection of the barn.

At Special Council Meeting Tuesday

No Action on Request Of Hospital Board

By a margin of four to two, the Cass City Village Council tabled a request by the Board of Trustees of the Cass City Community Hospital to turn the control of the hospital over to the board so that a new corporation could be formed in a special meeting Tuesday night at the Cass City Municipal Building.

Presenting the tabling motion was Mrs. K. I. MacRae. It was seconded by Lee Rabideau. Supporting were James King and Leo Ware. Opposing the delay were Warren Wood and Cliff Ryan. Although not specifically mentioned in the tabling motion, it was informally agreed that the subject would be brought before the council at its next regular meeting, Tuesday, Nov. 24.

Supervisors Meet

The tabling motion was presented after Mr. Wood had presented a motion to transfer "all rights and property to existing Cass City Hospital Board so they can form a new corporation." The motion was seconded by Mr. Ryan.

Goodall Tells Of Sheep Killed By Stray Dogs

The Tuscola County Board of Supervisors disposed of several items of business Monday in their regular November session held at the courthouse in Caro.

Walter Goodall of Cass City appeared before the board and said that he was going to submit a claim to the county for sheep killed by dogs.

He explained to the supervisors that he raised purebred sheep and had suffered substantial losses.

Members of the board voted to hold over the matter for further investigation.

Supervisor Shuford Kirk, chairman of the special hospital committee, reported that the Tuscola County Health Clinic was not receiving the proper amount of hot water. After discussion it was decided to turn the contract over to the county prosecuting attorney to see if legal action can be taken to relieve the problem.

The supervisors okayed a boost in the county's share of the cost of burial for indigent persons. The rate was increased from \$100 to \$150.

Because Tuscola County Justice Courts have to be audited by the State Auditor General, it was decided not to conduct a separate county audit at this time.

Chest Drive Near Half Way Mark In Collections

There has been some \$3,000 of the \$7,000 collected in this year's Community Chest drive, Chairman Willis Campbell reports, and some 50 per cent of the envelopes have been returned.

Mr. Campbell said that he would not hazard a guess as to whether the drive would meet its quota. It all depends, he said, on the number of larger donations that have yet to be turned in.

The area has never failed to meet its quota in past years.

Audrey Hower Posts Top Bowling Score

Audrey Hower, formerly of Cass City, rolled the high game for women in Saginaw recently when she rolled a 240 game in the Semi-Class League.

A 120 average bowler, Miss Hower started with a spare, threw six strikes and spared out for her record game. Her three-game series of 556 was third highest in the city during the week.

Eberline-Guernsey Complete Course

Two Cass City residents were among the 30 men who completed a one-week course Friday in Wittenberg University's Management Development Program.

William Eberline and Victor Guernsey of Walbro Corporation received certificates of graduation Friday at the completion of the one-week program.

Wittenberg's Management Development Program, in operation since 1951, provides an intensive 40 hours of coursework in the fields of business operations, economics, human relations and communications.

From the Editor's Corner

One of the reasons for the continued success of Cass City's team is the desire of the players to excel. As the season developed, one of the team's most effective weapons was the Tim Anthes to Art Randall pass combination.

Coach Mike Yedinak credits the extra effort of the two boys as the reason for the success. "They weren't very good together when the season started," the coach said, "but just about every night after the regular practice they would get together to run pass patterns and you could see the improvement with each game."

At the season's end they were among the league's best.

Clinton Grainger, editor of the Frankenmuth News, writes, as he pays \$35 to the Cass City Rotary Club for the hospital fund, the village's reaction to losing the game.

"There are a lot of long faces in Frankenmuth this week end, but I think it will do our boys good to lose a game; at least it will take the pressure off. You have a real sharp, well-coached team who are good sportsmen as well as the hundreds of Cass City fans. My best wishes to your team and to your hospital fund."

Win or lose, the Frankenmuth attitude makes them a valued addition to the Thumb B Conference.

As usual, the Chronicle will run its special "Buck Luck" column during deer season. It lists the successful area hunters and gives all of the information about the nimrod's deer.

A phone call is all it takes to give the information to the Chronicle.

School Board to Add Two Members

There will be two additional members on the Cass City School Board next year when act number 16, P. A., passed by the state legislature becomes law.

The law states that all fourth class school districts which operate a full 12-grade program will be required to have a seven-member board of education.

The new law means that there will be four open spots on the school board in 1960 as the terms of two regular members expire. Their positions will be filled for the normal three-year terms.

The two new members of the board will be elected for four years. Subsequent elections will be for the standard three years.

The four year term is required so members' terms will expire in orderly fashion and not all of the board members will leave office at the same time.

FIRST IN CASS CITY—Police Chief Bill Wood points to one of the first six yield right-of-way signs to be erected in Cass City. The signs have been placed on the approaches to Garfield Street, on Leach, Vulcan and West streets.

Mr. Wood said that Garfield had more minor accidents than any street in the community with the exception of Main Street . . . the property damage in the accidents may have exceeded those on Main Street, he added.

The new signs will help control but not impede the flow of traffic on Garfield which has become a major artery because of Walbro Corporation. (Chronicle Photo)

CARS NEED DRUNKOMETER TESTS TOO!

You may have read of the drunkometer tests they use in some cities for drivers suspected of having a few too many. The driver breathes into a balloon and the police test his breath for alcohol. A certain percentage of alcohol and... you've had it. And no chlorophyll gum can help you.

Most people know about a similar test you can try on a used car (not that our cars look drunk, mind you, but it's a similar idea). Almost everybody watches for smoke from the exhaust, but I find a lot of people really don't know what they're looking for, or why.
 When you're browsing around a used car, race the engine a few times and watch the exhaust fumes for blue smoke. It's the blue you want to look for, not gray or black.

What does it all mean? The car that billows blue smoke is burning oil. Eventually, it will require a ring job, as all cars do sooner or later.

...It's not a sign of anything fundamentally wrong (the driver in the breath test can be sobered up pretty quickly). If you like the car in other ways it will still be a good buy.

We didn't have any blue-smokers on the lot the last time I looked. When you're shopping around, though, I hope you'll ask to be shown everything you want to see, ask the things you want to know—poke around a little yourself to make sure.

Take a car out on the road and drive it the way you'll be driving your own. You do that much for a new pair of shoes, we want you to get the "feel" of your new-used car, too.

Speaking of driving, if you haven't driven the 1960 CHEVROLET Trucks, you're missing something. With Independently Sprung (Knee Action) Front End with Torsion Bar Springs (on even the Heavy Jobs) they ride better than you'd believe possible.

Please consider this your PERSONAL INVITATION to try the 1960 CHEVROLET Truck ride.

Sign Agreement To Promote Wool

A new three-year agreement between government and industry for a program to promote increased use of lamb and wool has been announced by the U. S. Department of Agriculture, according to word received at the Tuscola County Agricultural Stabilization and Conservation office in Caro.

The agreement is being continued on the basis of a referendum of sheep growers, in which 69 per cent of the growers voting, producing 81 per cent of the sheep represented, favored continuing the agreement.

The program will be financed by deductions from incentive payments earned by producers in the national wool program at the rate of one cent per pound of shorn wool marketed and five cents per hundred pounds of live weight of unshorn lambs marketed.

Too many people think luck is against them just because they have to work for what they get.

Mrs. Gary Cummings

Mr. and Mrs. Gary Cummings are living in Bay City following their Nov. 7 wedding in St. Agatha's church in Gagetown. The Rev. Fr. Francis MacLaughlin officiated at the double-ring ceremony.

The bride is the former Miss Ruth Ann Seuryneck, daughter of Mr. and Mrs. Leo Seuryneck of Gagetown. The groom's parents are Mr. and Mrs. Larry Cummings, also of Gagetown.

The bride chose a gown of pure silk organza, featuring wrist-point sleeves and a portrait neckline outlined with Alencon lace and seed pearls on a fitted Dior bodice. Alencon lace appliques on silk organza accented at the back with French rosettes and floating panels complemented her full, sweeping floor-length skirt which fell to a chapel train. Her matching sculptured headdress with seed pearl accents was secured to a silk illusion fingertip veil and she carried red and white roses and stephanotis with English ivy backing.

Miss Donna Jean Seuryneck was her sister's maid of honor. Bridesmaids were Miss Mary Lee Seuryneck, also a sister of the

bride, and Miss Garen Cummings, sister of the groom. They were identically gowned in ruby red brocade dresses featuring portrait necklines, fitted bodices and full circle skirts accented at the back with French bows. Matching bandeaus with circle veils and short white gloves completed their ensembles and they carried arrangements of white mums and red roses with English ivy.

Misses Kathy LaFave and Zita Goebel were flower girls. Master David Seuryneck, brother of the bride, was ring bearer.

Clare Comment served as best man. Groomsmen were Alvin Seuryneck and Clarke Cummings, brothers of the bride and groom, respectively.

Breakfast was served to the wedding party and immediate families following the ceremony. A buffet luncheon followed by an evening reception for 500 was held at the American Legion Hall in Unionville.

The bride is a graduate of St. Mary's School of Nursing in Saginaw. The groom is a graduate from Central Michigan University.

Corn Crops Increasing in Pacific Northwest

Corn production is increasing so rapidly in the Pacific Northwest that in 1959 Oregon, Washington, and Idaho farmers may raise as much corn as has been used each year in these states, believes Marvin D. Thomas, Oregon State College extension agricultural economist.

This might seem quite an about-face for Oregon, long considered a corn-importing state. Until recently, Oregon shipped in more than a million bushels of corn a year, mostly from the Midwest.

The state's total corn production at year topped the 3 million bushel mark for the first time, nearly triple the amount five years earlier. Early planting plans indicated a 30 per cent increase in acreage for 1959.

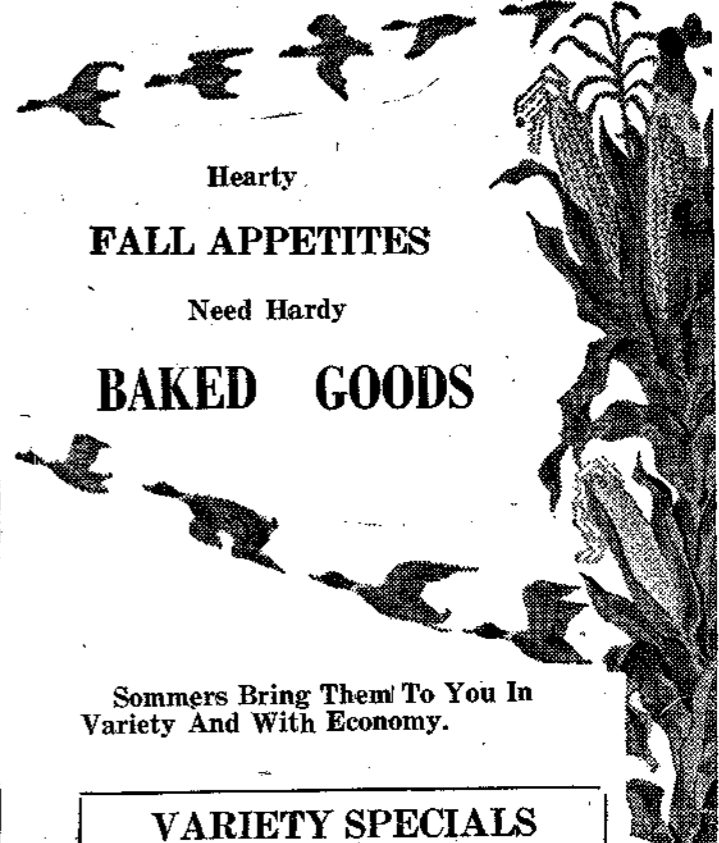

About two-thirds of last year's total production was for grain, the rest for silage and green feed. One of farmers are finding they can get 25 to 30 tons of corn silage per acre, reports Rex Warren, extension farm crops specialist at OSC. He added that corn silage is being used more and more as a feed for beef as well as dairy cattle.

In its early days, Oregon's prospects of becoming a corn-raising state appeared dim. As late as 1908, a survey found most farmers agreeing that corn could not be grown profitably in the state.

Man With Many Jobs

Preventing violations and enforcing Michigan's game laws are the primary duties of conservation officers such as Douglas Webb who is staked out for poachers who have hidden deer nearby. However, each officer maintains a busy pace performing other services. Through personal contacts and group meetings he works to keep citizens in his district abreast of the why and wherefores of these laws. A great deal of his time and effort is directed at teaching students the rules of safety, sportsmanship and conservation. He is often called upon to search for lost persons or to deliver emergency messages. A written test will be held November 21 for young men interested in this man-sized career. The Conservation Department hopes to fill 25-30 vacancies late next spring.

WOMAN'S WORLD

Use Special Method For Laundering Heavier Articles

CLEANING household fabrics! This is a place for the automatic washer especially if it features a special soak cycle which removes the heavy soil from such articles as slipcovers, draperies, mats and bedspreads.

Soaking has its place in cleaning these fabrics which get heavily soiled with deep-down dirt. Overnight soaking is still practiced by many homemakers throughout the country, but this method has serious drawbacks.

Long soaking, that is, keeping the clothes in water over 20 minutes, causes soil and dirt to re-deposit on the fibers. It takes real washing to get it off the material.

A true soaking cycle on the new washer agitates the water for a minute, long enough to dissolve soap or detergent and submerge the clothes. At the end of the soaking period comes an overflow period that floats off loosened soil when spin drying. Clothes are then ready to be put through a regular washing cycle.

Either end of this tilt-a-bed can be raised 5 1/2 inches with a lever for health or beauty's sake. With head end raised, victims of asthma, hay fever and other respiratory ailments find sleep more comfortable. With foot end raised, those with circulatory disturbances find rest easy.

Washing Pillows

There's no reason not to wash pillows if the ticking is sound and the seams are intact. This applies to synthetic as well as feather pillows.

Badly soiled ones can be pre-soaked and then washed. Two pillows make a balanced load if they're washed together. If the pillows float, push down at the beginning of the wash, then turn them over halfway during the wash.

Cleaning rags can be used over and over by washing them on a soak cycle.

Grade Holstein Leads DHIA

A grade Holstein cow, age five years, producing 1928 pounds milk and 104 pounds fat owned by Jensen and Weinzierl of Millington, led the list of cows producing 60 pounds of fat or more during the month of October, according to monthly dairy herd improvement association testers' reports, said Alfred Ballweg, county extension director.

Other dairymen having cows producing 85 pounds of fat or more are: Ben Loeffler, Reese; Ruben Rohloff, Reese; Werner List, Vassar; Jay Marr, Mayville; Leonard Thompson, Cass City; Howard Loomis and Son, Gagetown; Carl Bauer, Reese; V. J. and Clare Carpenter, Cass City; Dr. H. T. Donahue, Cass City; Dolan Sweeney, Uby, and Clayton Rohlfis and Sons, Fairgrove.

There was a total of 165 cows in this class for the month of October. Leading the list of 35 herds which produced over 80 pounds of fat is the herd owned by Quibro Farm, Caro, with 56 pounds. Other dairymen whose herds averaged 39 pounds fat or more were: Dan Lukasavitz, Cass City; Ronald Opperman, Vassar; Ruben Rohloff, Reese; John Graham, Caro; Tom Laurie, Gagetown; Alva Hillman, Cass City; Grover Laurie, Cass City; Dolan Sweeney and Son, Uby; Jay Marr, Mayville; Earl Koch, Millington; Norman Baur and Son, Unionville; Jackson Brothers, Caro, and Donald Stilson, Cass City.

In the 305-day records class, a registered Holstein cow, age five years, owned by Clayton Rohlfis

and Sons, Fairgrove, produced 747 pounds fat. Two herd owners had cows which produced over the 600-mark: Dr. H. T. Donahue, Cass City, with 648 pounds fat, and Charles Crittenden, Kingston, with 631 pounds fat. Other dairymen having cows which produced over 500 pounds are: Henry Hohman, Vassar; George Foster, Fostoria; Charles Seddon, Kingston; Mrs. Willard Burdon, Gagetown; Dolan Sweeney, Uby; Howard Loomis and Son, Gagetown; V. J. and Clare Carpenter, Cass City; Maynard McConkey, Cass City; H. G. Reinhardt and Sons, Reese; Charles Cook and Son, Deford.

County Benefits Increase Sharply

As of February 1959, old age, survivors and disability insurance monthly benefits were being paid in Tuscola County at the rate of \$2,770,068 a year, according to A. D. Boccia, manager of the Saginaw Social Security district office.

"This is an increase of about 32 per cent over last year," Boccia said. "Payments to a retired worker with no dependents receiving benefits averaged \$67.50 a month nationally in February and to a retired couple \$119.40 a month," Boccia said. The average for a widow with two young children was \$165. The maximum payment for a family is \$254.

Michigan Posed by Water Problems

Although it boasts the most plentiful supply of fresh water in the United States, Michigan is faced with water problems. Many of these problems are created by conflicting multiple uses and needs for domestic, industrial and agricultural supply, waste disposal, power generation, navigation and recreation. Increased water needs for irrigation and industry pose a major hurdle. Complex demands from an ever-expanding population will exert increased pressure on the Water Wonderland in the years ahead.

Offer Six-day Trip For County Women

A six-day bus trip to New York City is planned for county Extension women the week of Mar. 7, it was announced this week. The tour will include a night at Niagara Falls, three nights in New York City and a night in Bedford, Pa.

Total cost for transportation and lodging is \$67.50. All other cost, including meals, is extra, authorities said. The trip is open to any county woman. There are 41 reservations available. Reservations should be sent to Mrs. Iva Houthoofd, Akron, route two, by Jan. 1.

Present Key Awards To Area 4-H'ers

Key awards were presented to 4-H members during a meeting of the Fall Achievement Program held Tuesday, Nov. 3, for Tuscola County.

Among area members who received awards was: Key Award presented to Charlene Beckett, Gagetown, for her work in leadership, citizenship and community services.

County medals were presented for Home Grounds to Mary Lou Ehrlich, Gagetown; Clothing - Nancy Rossman, Kingston; Dairy - Robert Ashmore, Gagetown; Swine - Delbert Law, Cass City; Beef - Hugh Milligan, Cass City; Boys Agriculture - Hugh Milligan and Delbert Law.

Hugh Milligan will also receive an award educational trip for livestock winner.

Name Akron Youth State Winner

Richard Nellet, son of Mr. and Mrs. Alfred Nellet of R. No. 1, Akron, was named state winner in grain marketing, according to Ed Schrader, County Extension Agent in 4-H Club work.

Mr. Schrader stated that Richard was named state winner Nov. 1 by the State 4-H Club office, in East Lansing.

As winner in the program, Richard will receive an educational trip to Chicago to view the Chicago Board of Trade.

HIGHWAY FUNDS

Concluded from page one. Tuscola county's share was \$148,288.49. Sanilac county received \$143,453.03 and Huron county, \$129,324.57.

The highway money comes from state gasoline, weight and diesel fuel taxes and a small amount of miscellaneous fees and is divided with 47 per cent for the highway department for use on trunkline highways in both rural and urban areas; 35 per cent to the counties for expenditure on county roads, and 18 per cent to the incorporated cities and villages for expenditures on roads and streets.

Award Bruce Hurry Part in CMU Play

Bruce Hurry of Cass City, senior student at Central Michigan University, has been cast in the role of William Stoddard in "Love Is Eternal," a three-act play being produced Nov. 21-23 by the University Drama Department. The University Play Production Class is producing "Love Is Eternal" in the University Theatre. The play is under the direction of Professor Fred R. Bush, with technical work being done by students in the Play Production Class under the supervision of Dr. J. Alan Hammack.

CIRCUIT COURT

Concluded from page one. Life Insurance against Jack Dillon.

Mr. Dillon was operating a dragline in a ditch near the property of Ruben Buchinger. Mr. Buchinger drove out of the yard and his bucket hit the car before he could stop it. The insurance firm was seeking to recover money spent to repair the car.

Members of the jury were: Harold Satchell, Ernest Beardsley, Ward Frenzell, Gerald Sumerville, Richard Kenefic, Barbara Aldrich, W. Joe McLaughlin, Charles Rogers, Leon Cousens and Helen Baker.

In a single case heard Tuesday, Delores C. Chapelo of Caro was granted a divorce from Richard L. Chapelo. Custody of minor children was given Mrs. Chapelo and alimony set at \$20 weekly.

Junior Hawks Undefeated in Six Football Games

Cass City's junior high football team completed an undefeated season Tuesday, Nov. 10, with a convincing 27-0 victory over Bad Axe. It was the team's sixth victory.

Mary Irer scored two touchdowns and two extra points. Marty Yednak scored two markers and one extra point.

Bad Axe never threatened the little Hawks' goal line as the youngsters continued to show a fine defense.

For the season, the team yielded just two touchdowns and an extra point, while scoring 154 points.

HOSPITAL REQUEST

Concluded from page one. who contributed \$1 or more to the corporation 30 days prior to the annual meeting. All would have equal voting privileges.

The board feels that such an arrangement would give the entire area served by the hospital equal representation.

Members of the hospital board attending the meeting were: Mr. Auten, Mr. Bauer, Mr. Haire, Mrs. Champion, Archie McLachlan, George Jacoby, Alex Ross and Mrs. Sherwood Rice Jr. Mrs. Edwin Fritz was absent. Also attending were A. J. Stevens, village attorney, and Oran Hudson, hospital administrator.

Short Forms, Short Plates for 1960

The job of filling in 1960 passenger car license applications this year will take one-third less time due to the fact that both tags and application forms have been reduced in size this year.

According to James M. Hare, Secretary of State, this is part of the economy made possible by the "plate plus tab" system. Michigan car owners will get tabs marked "60" which will be placed

over the upper right corner of the green and gold 1959 license plates. "The short form will save time for everybody," Hare said, "and should give us a neater job of hand lettering. If the lettering is clearer and crisper our time-saving automated machinery will do a better and faster job. The smaller application will also save a considerable amount of paper and ink as well."

ALL STAR TEAM

Continued from page one. ends, Art Randall and Les Severance, were honored as was Quarterback Tim Anthes.

Others named to the second team were: Bob Smithers of Bad Axe and Roy Mastic of Caro, tackle; Ron Gerstenberger of Sandusky and Robert Robin of Vassar, guards; Jim Baker of Frankenthum at center, and Larry Schmitzer of Vassar, Jack Gaister of Marlette and Fred Barchholtz of Bad Axe, backs.

Grant Hutchinson of Cass City won honorable mention at guard and Bill Finkbeiner of Cass City, at tackle. Others honored were: at end, Wayne Lassiter, Caro; at tackle, Ken Worley of Frankenthum, Bill Johnson of Vassar and Bill Kinde of Caro; at guard, John Kuhnle, Vassar, and Barry Edin, Bad Axe; at center, Bob Holz, Bad Axe, and Doug Finkbeiner, Sandusky; in the backfield, Bill Lackie and Steve Wolzak of Bad Axe, Ron Mastic of Caro, Gordon Duprey, Dick Laur and Jerry Schommer of Sandusky and Mike Nuechterlein and Walter Reinhold of Frankenthum.

This economy was one of many made possible through the system of making license plates serve for more than one year. Much more than the expense of metal and the work of stamping out new plates is spared the State. In the case of the smaller license applications the extra copy which had to be made out in the past was used in printing the so-called "Police Book" which is a registry of all cars licensed in Michigan.

These are listed in alphabetical and numerical sequence, such as, WU 1868, WU 1869, WU 1870, and so on and are used to trace the ownership of abandoned vehicles, cars involved in hit-run accidents, and so on.

Since all car owners will retain their 1959 plates with the same letters and digits, there is no need for a new police book. This saves the Department of State and the persons who buy these compilations a considerable amount of money.

Define Duties of State Instruction Dept.

By Elmer E. White
Michigan Press Association

What is the real role of the Michigan Department of Public Instruction in education in Michigan?

A lot of controversy has marked discussion of this topic in the past decade. Many citizens, especially those in small or comparatively poor districts, often express the feeling that the Department has the obligation to "force" districts to adhere to some kind of standard of instruction for all students.

Other citizens are equally insistent that the Department avoid "meddling" in the affairs of the local districts.

In response to the conflicting pressures, the Department has recently developed what it calls its "Basic Instructional Policy for Education in Michigan." The booklet has been given a preliminary printing and is available to any groups for study and comment.

The people who favor strong centralized control of education by the state will be disappointed.

The booklet sets up a list of "10 Commandments" for the Department itself, based upon the idea that Michigan is a vast state with many different kinds of communities, which have many diversified needs in the education of their children.

First commandment: "We accept the scientific fact that everyone is unique and in the same sense similar." Each person has his own peculiar needs and abilities, and his own special contribution to the good of all.

No. 2: "We believe that every person is important, has worth, and is endowed with human dignity." This is true because he is unique, there is no other quite like him, and his special value cannot be replaced. This is why democracy is the natural way of life.

No. 3: "We accept the fact that children are citizens." The constitution gives citizenship, with all its rights, privileges and responsibilities, to all who are born in our country, or who are naturalized. Conditions in school should be in keeping with the individual.

Apricots may be appearing in Michigan orchards in the next few years. Fruit breeding scientists at Michigan State University have been seeking varieties that are adapted to Michigan. If the breeding program is successful, Michigan will be the only state east of the Rocky Mountains to grow apricots successfully.

The fellow with a pull is sure to get ahead—unless he pulls in the wrong direction.

People who are always finding fault with others aim to drag them down to their level.

to carry out its administrative duties as effectively as possible. Second, strong leadership must be given to involving as many people as possible in a cooperative attempt to keep the curriculum up to date and to improving the quality of instruction.

Uncle Tim From Tyre Says:

Dear Mister Editor:
We had a pritty good session at the country store Saturday night. All the fellers was in fine fettle and we covered the world situation in full. As soon as them Russians set up housekeeping on the moon, we aim to include it in our discussions.

We talked about all our neighbors that wasn't present, including their wives, and give a word or two to such subjects as horses, Formosa, fat wimmen and free-loading Congressmen. One old timer even tried to explain the difference between the country always being at the "cross-roads" in his youth and at the "brink of disaster" in his old age. It

sounded about the same to me, but on account of my respect fer his age I didn't say nothing. He was pritty old, Mister Editor, said he could remember when you could buy a wagon load of stove wood instead of a truck load of blocks and slabs. Personally, I can't recollect that far back.

Ed Doolittle got the session going good by claiming Josh Clodfelter's horse has got more sense than Josh. Ed says the horse will take a few steps, stop, then go again. Josh thinks the horse is gitting lame, but Ed says the horse is a little deaf and plum lazy. He's so daddurned scared Josh will say whoa and he won't hear it, he stops ever onct in a while to listen. Josh wasn't there to defend himself. Naturally.

Zeke Grubb said when he wants to git his mind off'n his troubles he goes over to visit his neighbor. Zeke says his neighbor's wife has got a long, lank, loose-jawed voice that travels faster than sound. He allows as how he can set fer a hour and listen to her and never know a thing she's saying. That, claims Zeke, is what he calls perfect relaxation.

And one feller was telling about a painting he saw in a old Life magazine while he was setting in the barber shop the other day. The thing was called "Farm View" and he said the best he could make it out, the picture had three hog ears, the back of a Chic Sale, two front porches and a tree in it, all tossed together. He allowed as how he had a Rhode Island rooster that could scratch a better farm picture in the dirt. Naturally, we got some ignorant fellers like him that comes to our sessions, fellers that don't keep up with the "modernistic" trend in art.

But this will give you a idea, Mister Editor, of the things we put on the barrel head at our meetings. Congress puts these things on what they call the "agenda" and we put 'em on the barrel head. Outside of that, there ain't much difference between us and Congress in session.

Yours truly,
Uncle Tim

Everyone in the family can keep the house in order by putting things in their planned storage place, say home management specialists at Michigan State University. Clothes thrown on chairs or on the floor and books left on tables result in a cluttered house and a frustrated homemaker.

Michigan families are eating more store-bought pies now than five years ago, according to a study made by farm economists at Michigan State University. About two of every three families in the state purchase commercially-prepared pies each year, indicating the portion of market for fruits and other products that may be used for pie fillings.

If you like blueberries, you're lucky to be living in Michigan. Michigan's 600 blueberry growers market some 17 million pints of berries worth more than \$4.5 million.

THESE SENIORS HELPED SPARK THE TEAM

These seniors played their last high school football game Friday. Helping the Hawks to another championship were:
Top row from left to right: J. Starmann, R. Parrott, G. Zinnecker, R. Tuckey, J. O'Dell, W. Ball, K. Matthews.
Middle row: M. Hnatuk, B. Ross, G. Hutchinson, A. Lopez, B. Gage.
Bottom row: L. Horner, L. Severance, J. Gage, D. Law, D. Kloc.

THUMB CONFERENCE CHAMPS

HERE'S WHAT CASS CITY'S SENIORS

- Alex Lopez -

Captain. A terrific competitor. Alex has everything - desire, strength, agility, spirit, and "guts". He averaged 5.4 yds. per carry for 3 years on the Varsity Football Squad and was always one of its best defensive linebackers and tacklers.

- Roy Tuckey -

The last of the famous line of Tuckeys and one of the best. Led team in number of tackles for year and best center in the conference.

- Dick Kloc -

"The tank". This name pinned on him by his team mates explains the ball player. A very good ball carrier on offense. A tremendous defensive lineman.

- Ken Matthews -

Converted from end to tackle. Made the switch ungrudgingly and thus enabled our offense to go. A tough, hard tackling, competitor both on defense and offense.

- Grant Hutchinson -

The most improved ball player this year. Grant is the type of boy a coach is glad comes along. Mediocre a year ago his spirit and desire plugged up a gaping hole at left guard. Defensively, too, he was pound for pound one of the best.

— Les Severance —

A sometimes overlooked good ball player. Steady, dependable and coachable. You could always depend on Les to do his job.

— Bill Gage —

Good quick ball carrier with a lot of desire. But determination made him first string. He simply refused to be anything else.

— Ron Parrott —

Despite a handicap with knowledge of an injury that may recur at any time, this boy came out and plugged a defensive weakness that carried us to a championship.

— Jack O'Dell —

For a first year of football and despite a bad knee did a remarkable job at tackle. No telling how great he could have been with 4 years of experience and no injury.

— Mike Hnatiuk —

Did a good job in replacement at either end. Would love to have him back. A good ball player.

DOWN MEMORY LANE

FROM THE FILES OF THE CHRONICLE

Five Years Ago
A fire of undetermined origin completely destroyed the home of Otis Weihi Wednesday night.

Mr. and Mrs. Elton Willis and family escaped serious injury when their car was struck by another car about a mile west of Deckerville Sunday.

Cass City voters responded to a plea by the village council and civic organizations by passing the \$165,000 bond issue for an addition to the village sewage plant by a 115-4 margin.

Underdog Cass City refused to be beaten Friday night and registered a spine tingling 20-13 victory over Caro in a game that was not decided until the final whistle blew.

The Cass City Lions Club bowling team defeated Berdan's Bakery Saturday night at the Cass City Bowling Alley 2582 to 2340. Al Galvanek led bowlers from both teams with a three-game total of 560.

Maynard McConkey of Elkland township was named to the Tuscola County Welfare Board to replace Fred Purdy of Caro, who died last week.

Ten Years Ago
Approximately 425 Cub Scouts, Boy Scouts, Brownies and Girl Scouts and their parents attended the Scout dinner and program at the school Wednesday evening.

Gl Schwaderer was elected captain of the 1949 football team Monday by the varsity football letter winners. Jack Bird was named most valuable player.

The Port Huron District meeting was held at the Cass City Methodist church Monday with the district superintendent, Dr. E. Ray Willson, presiding.

Mr. and Mrs. Victor Hyatt of Snover were honored at a surprise family dinner Sunday by Mr. Hyatt's brothers and sisters. The occasion was their 25th anniversary.

Dave Ackerman, chairman of the Elkland Township Community Chest drive, announced that \$4,187 has been turned in by the solicitors. He said the committee is confident that the \$5,000 goal will be reached.

Twenty-five Years Ago
Michigan's return to the Republican fold and repudiation of the New Deal, the most notable exception in the nationwide election Tuesday, was measured by a majority approaching 80,000 for Frank D. Fitzgerald for governor and nearly 60,000 for Senator Arthur Vandenberg.
Dean Robinson, grandson of Mr. and Mrs. Charles Robinson, is in Pleasant Home hospital with a fractured leg sustained when he was hit by an automobile at the corner of Main and Seeger Thursday.
Armistice Day will be observed by local churches at a union service Sunday evening at the Evangelical church. The program will include a one-act play, "The Great Choice," with the following cast: Catherine McTavish, Eva

May Sovey, Shirley Anne Lenzner, Edward Buehry, Laura Jaus, Clark Helwig, G. A. Spitzer and Delvin Striffler.

Charles D. Striffler has a rutabaga on display at the Chronicle that weighed 18 pounds when taken from his farm.

A public reception will be held for the teaching staff at Cass City school Monday night. It is being planned by a committee representing the Community Club, churches and the Woman's Study Club.

Thirty-five Years Ago
D. C. Elliott received a cracked collar bone and severe bruises when he was struck by an automobile Saturday while attempting to head off some cattle that had turned down a lane near his home.

The barn on the farm of Dan McIntyre was completely destroyed by fire Friday night. Loss is estimated at \$3,000.

The Study Club library is again open after having been moved to the Sheridan House block.

Relief from the shortage of trained dairymen to handle the work of Michigan's rapidly increasing list of cow testing associations will be furnished by a special dairy production short course which is to open at MAC Jan. 5.

ORDER FOR PUBLICATION—
Notice of Hearing—Appointment of Administrator and Determination of Heirs.

State of Michigan, The Probate Court for the County of Tuscola.
In the Matter of the Estate of Clara S. Beckett, Deceased.

At a session of said Court, held on the 28th day of October A. D. 1959.
Present, Honorable Henderson Graham, Judge of Probate.

Notice is Hereby Given, That the petition of Charles Beckett praying that the administration of said estate be granted to Charles Beckett or to some other suitable person; and that the heirs of said deceased be determined, will be heard at the Probate Court on December 8th, 1959, at ten a.m.
It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks, consecutively previous to said day of hearing, in the Cass City Chronicle, and that the petitioner cause a copy of this notice to be served upon each known party in interest at his last known address by registered or certified mail, or by personal service at least fourteen (14) days prior to such hearing.

The felt hat construction workshop will be held November 13, Friday, at 1026 West Road, Caro. This will be an all-day workshop. This is a good time to see what foods will be plentiful for the early winter months. Over the summer and into the winter go food supplies that please the heartiest appetite.

Very important meats in November are turkey, pork and broiler-fryer chickens. Some members of the cabbage family, cabbage, Brussel sprouts and broccoli, are among the tastiest vegetables in large supply are peas, beans and beets. Apples and cranberries head the list of November fresh fruit winners.

Are you planning to have turkey on Thanksgiving Day? Will a small turkey suit you? This year's crop of light breed turkeys is about 26 per cent larger than it was last year.

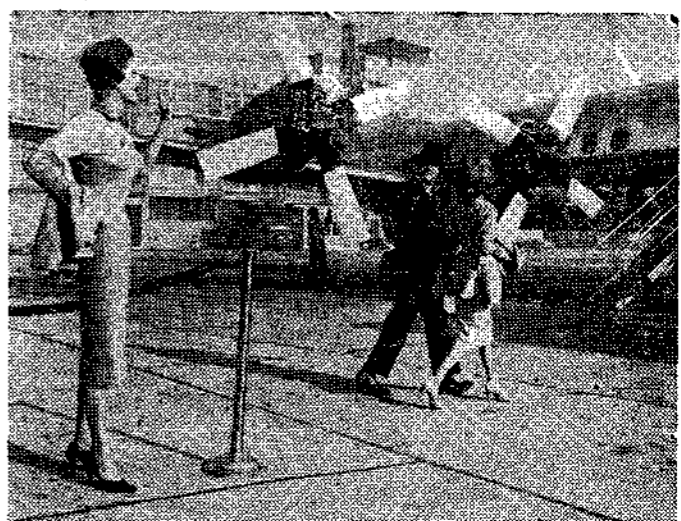

Pork supplies will continue to be large through November. Lean and well-trimmed is the fashion in pork this season. Just think how good a pork roast will taste, with apple stuffing, cranberry glaze or spicy apple sauce! There will be plenty of pork from now on through the rest of the winter.

Broiler chicken in winter tastes just as good as it does in summer. Broiler-fryer supplies are not as large as they were this past summer, but folks do not seem to eat broiler chicken often when the weather is cold. That is the reason why broiler-fryer chicken prices are low in many stores.

"Most wanted" fresh fruits in November will probably be apples and cranberries. Both fruits are colorful, tasty and economical. Serve the fruits as sauce or mix them together with oranges and nuts for garnish or salad.

November is a month for heavy citrus supplies too. Juice oranges this year are really juicy. A dozen medium size juice oranges make 1 1/2 quarts of juice. That will make 12 servings, if you serve it in the usual 4-ounce juice glasses. The cost will be between 5c and 6c a serving. Orange juice from frozen orange juice concentrate costs 3c or 4c a serving if you serve 12 servings from a 12-ounce can.

The Tuscola county extension women welcome a new extension group which was organized this week. The women are from the Vassar area and they will be known as the Cork Pine Extension Group. Their officers are: Mrs. Harold Jordan, chairman; Mrs. Glenn Seney, vice-chairman; Mrs. Estes Webb, secretary-treasurer, and Mrs. Georg Stanley, council member.
