Mrs. Williams Tells Of WHO Problems

Band Members Receive Special Instruction

Members of the Cass City High School Band participated in two activities during the week, Director Ron Phillips announced. Friday, eight members of the high school band attended a concert by the Detroit Cass Tech High School Band, considered one of the finest high school bands in the country. Saturday members attended a woodwind clinic and concert at Owengage High School.

At the Detroit concert Professor Leonard Falcone, director of bands at Michigan State University, was guest soloist. He is considered the finest baritone horn artist in the country.

Attending from Cass City were: Nancy Spencer, Jim Freye, Karen Nemeth, Joyce DeLong, Tom Jones, Jim Fritz, Bill Dobbs and Dave Stine.

Woodwind Clinic

Featured at the woodwind clinic and concert was a woodwind quintet from Michigan State University. The afternoon session presented students the opportunity of receiving instruction from outstanding artists and the evening session was devoted to the concert.

Eleven Thumb area bands participated. They were: Bad Axe, Caro, Caseville, Elkton, Harbor Beach, North Huron, Owengage, Pigeon, Unionville, Cass City and Vassar.

Students attending from Cass City were: flute, Jane MacLachlan, Dee Ellen Albee, Mary Ann Barringer and Betsy Jones; Clarinet, Betty Lou Bond, Joyce DeLong, Beverly Hurd, Janice Shreeley, Carolyn Phelps, Karen Powell, Lynn Taylor, Sharon Profit and Ann Starmann; French horn, Bonnie Copeland and Sheryl Law.

Slate Adult Farmer Classes At High School

An evening class for adult and young farmers in the Cass City area is scheduled to open at Cass City High School Thursday, Dec. 10, at 7:30 p.m. providing enough persons are interested in attending. The meetings will be held weekly for 10 weeks and will include five weeks of arc welding instruction. The remainder of the course will be decided by the group.

A nominal fee will be charged for the arc welding portion of the course.

Lyle Clarke, vocational agriculture instructor, will teach the course, with assistance by other qualified persons.

Area persons can enroll by contacting Mr. Clarke or Cass City High School.

Football Banquet Open to All Fans

The annual banquet honoring the Cass City High School football team will be held at Cass City High School Thursday, Dec. 10.

Sponsored by the dads of the players, the event, for the first time, will be open to all fans who want to attend. Tickets may be purchased through Dec. 3 at Albee Hardware or the Cass City State Bank, authorities said.

One of the highlights of the meeting will be the presentation of awards to team members.

Draw Jury Panel For December Court Term

Fred Mathews, Tuscola county clerk, announced this week that names have been drawn to select a jury panel for the December term of Circuit Court at Caro.

Included in the 35 names are four from the Cass City area. Selected from Cass City were Roy Wagg Sr., Morton Orr and Mrs. Ruth Schemmer and from Gagetown, Dennis Rocheleau.

Others selected to serve were: William Merrill and Theodore Heidt, Unionville; Carl Mantey, Fairgrove; William Ashbeck, Caro; Esther Murphy, Millington; Miss Dolly M. Rose, Unionville; Elroy Gilmore, Mayville; Lee Cramer, Pease; Carl Hoerlein, Richville; Hazel Wilson, Caro; Carmen Hunter, Fairgrove; Mildred Scott, Akron; Lloyd White and Mildred Hall, Mayville; Francis Shannon, Fairgrove; Mrs. Walter Mawdesley, Hazel MacDonald, James Deneen and Harley Dean, all of Caro, and Jake Krummner, Vassar.

Completing the list are: Walter Zajac and William Vanderpole, Kingston; Rose Marie McPherson and Annetta Cutler, Millington; Albert Gugel, Louis Smith, Lillian Mead and Carolyn Wellesmeyer, all of Vassar; Mary Day, Fostoria; Joe Hildinger, Caro, and Bernard McLaren, Akron.

Gavelites Hear of School Problems

Lester Ross, program chairman, introduced Willis Campbell, superintendent of Cass City Schools, and he explained the population growth as it affects the school to members of the Cass City Gavel Club Tuesday night at Parrott's Dairy Bar.

He said that the growth will require new rooms and facilities in the future.

Discussion leader was Glen "Scotty" McCullough, who talked about and demonstrated his rug making hobby.

In the business meeting, a request was made for members to notify Bill Ruhl when unable to attend meetings so that dinner arrangements could be made.

Irv Claxman, athletic director at Cass City High School, was a guest.

Gagetown Firemen Form New Club

The Gagetown Volunteer Firemen's Club was organized Wednesday, Nov. 18, following a meeting of the Gagetown Fire Department under the direction of Chief Adam Deering in the village council room.

The new club was formed for better understanding between the village council and the fire department. Attending from the village council were President Joe Mosack, Doug Comment and Angus McEachin.

Officers elected for the first year are: president, Richard Downing; vice-president, Bill Burrows; secretary, Bill Lenhard, and treasurer, Jack Downing.

Chief Deering is expected to appear before the village council next month to present a list of equipment needed by the department.

ONCE IN A LIFETIME do hunters meet with the success that Dick Hunt, left, and Douglas Avery experienced Sunday while hunting near Curran.

The boys bagged the two bears after a two-hour hunt. Sitting near each other, Dick shot the mother and Doug bagged the cub. Both bears were downed with the first shot and finished with a second. The buck was bagged by C. R. Hunt, Dick's father.

It was the first big game trophy for both of the boys.

Parking Committee Appointed

Plans Complete for Sunday Work Day

The annual work day of the Cass City Chamber of Commerce is slated for Sunday at Bush's Restaurant starting with a breakfast at 7:30 a.m.

Chamber authorities are hoping for the usual good representation from the village and said that most of the work should be completed by noon.

Many of the advance details for Sunday's work were completed by the board of directors in a special work meeting Monday evening.

Appoint Committee

In other action by the board, President Alden Asher announced that a committee has been appointed to represent the Chamber of Commerce for action on parking.

It is expected that three men from the Chamber, three from the village council and three from the planning commission will be on the committee for off-street parking.

The members of the committee from the Chamber of Commerce are: Mr. Asher, Tom Jackson and James Gross.

Few Attend Home, School Meeting

An estimated 50 persons attended the second meeting of the Home and School Council Monday evening to hear Mrs. Mike Yedinak tell of her work with hearing and seeing tests with school children.

Besides the featured speaker, guests were entertained by a girls' trio under the direction of Roger Parrish and solo selections by Douglas Avery.

Refreshments were served.

Bridges Glad to Be Back in Thumb Area

Announcement was made this week of the purchase of the Cass City Bowling Alley by Harry (Bill) Bridges from Louis Bartz.

The new owner and his wife are natives of Tuscola County. Mr. Bridges graduated from Caro High School in 1941 and his wife, Marge, from Akron High School in 1942.

Mr. Bridges attended business school in Bay City and in 1950 became an accountant for a construction firm in Detroit.

After he had purchased the alley, Mr. Bridges said that it fulfilled two of his ambitions... one to own a bowling alley and the other to return to the Thumb area.

The Bridges have four children, Barbara, 13, Dennis, 11, Robert, 8, and Richard, 5.

The new owner said that he hoped to be of service to the bowlers in the area.

Cagers Wanted

Mike Yedinak announced this week that there will be an organizational meeting for area youths not in high school who wish to play basketball.

The meeting is slated Friday evening at Cass City High School. If enough players indicate they wish to play, a local league will be formed. The games will be played at the high school gym.

Gives Up Hospital Control

Council Okays New Corporation

After several months of delay and discussion the Cass City Village Council Tuesday night turned the operation of the new Cass City Community Hospital over to the board of trustees and rescinded their control over the hospital.

The action was taken at the regular meeting of the council at the Municipal Building and was adopted by a four to two margin.

A motion to rescind the ordinance that created the hospital board so that the board could establish a nonprofit corporation had been made at a special meeting Tuesday, Nov. 10, and then tabled for further study.

The motion became the first order of business of Tuesday's regular meeting. Lee Rabideau said that he would like to have an opinion about the legality of relinquishing control of the hospital.

His request was overruled by President C. R. Hunt. A general discussion of the money collected, the hospital site and other matters followed and a roll call vote was taken.

Voting for relinquishing control were Trustees Jim King, Cliff Ryan, Warren Wood and Leo Ware. Opposing the measure were Mr. Rabideau and Mrs. K. I. MacRae.

It is expected that the board of trustees will adopt a set of by-laws and form a nonprofit corporation at their next meeting.

The new corporation will give a vote to all members who have contributed \$1 or more to the hospital at least 30 days before it opens.

The new corporation is expected to give representation to the entire area that is served by the hospital and from which the money to build it was received.

The change also relieves the village of any responsibility for the operation or for any deficits the hospital may incur.

No Pump

In the only other action, President Hunt said that plans for a lift pump to make sanitary sewers available throughout southwest Cass City had been abandoned when it was learned that the health department demands an installation costing \$12,000 to \$15,000.

Sewer to serve the new plant of Anrod Screen Cylinder Co. was extended, he explained, and a discussion with the health department will be arranged to see if something can be worked out for less money.

Mary Shaw in Top Role at U of M

Mary Shaw has been cast as Phoebe, one of the lead roles in the Gilbert and Sullivan opera, "The Yeomen of the Guard," presented by students at the University of Michigan.

The program gives Miss Shaw's background in productions. It credits her with parts in "Brigadoon," "Victoria Regina" and "Damn Yankees."

The opera has been presented at Ann Arbor. It is scheduled at Flint's Bower Theatre Nov. 27 at 8:30 p.m. Other performances will be in Detroit Nov. 28 and Toledo, Dec. 5.

Band Boosters to Meet at School

The Cass City Orchestra and Band Boosters Club will hold its regular meeting Monday at 8 p.m. at the Cass City High School Auditorium.

The high school band will stage a demonstration rehearsal. The meeting is open to the public and authorities said that every interested person is urged to attend.

Reluctant Payers Hauled into Court

A crackdown on husbands who moved to other communities and failed to make alimony payments was made Wednesday, Nov. 18, in Tuscola County Circuit Court as three men were hauled before Judge T. C. Quinn on contempt charges.

Marion Hall was given a year in the county jail after repeated warnings of the court to make payments were ignored. He was brought back from Farwell, Mich., and can be released if he pays back alimony.

George Bohy was returned from Warren and received a suspended sentence on his promise to pay \$25 weekly to his former wife, Gail, and costs of \$20.

Clifford Bissomette came from Flint to show why he was not guilty of contempt for failure to keep alimony payments up to date. Judge Quinn continued his case until Dec. 2.

Big Judgment

Commercial Credit Corporation was awarded a default judgment of \$9,204.39 and costs of \$652.07 against Reese, Auto Sales. The money was owed for cars mortgaged by the credit company and backed by the auto company. The corporation's cars failed to bring enough at auction to pay the mortgage.

Cass City Group in Regular Meeting

A meeting of the Cass City Home Demonstration Group will be held Tuesday, Dec. 1, at 7 p.m. at the home of Mrs. William Ruhl, it was disclosed at the regular meeting of the group Tuesday evening, Nov. 17, at the Cass City High School gym.

The lesson at the Ruhl home will be the construction of feather hats.

In the business meeting, plans were completed to remember the patients at the County Infirmary Hospital at Caro.

The lesson, "Herbs for Flavor," was presented by Mrs. Fred Maier and Mrs. Edward Rusch. A discussion period followed.

Mrs. Robert Hervey was accepted as a new member.

Dinner chairman for the evening was Mrs. Otto Goertsen. She was assisted by Mrs. Grant Ball, Mrs. Ella Croft, Mrs. Leslie Townsend and Miss Laura Maier.

Extra Heavy Rodent Invasion

It's official! The mouse invasion is BIG this year.

Each fall housewives complain about the number of mice that are forced into homes by the cold weather and this year it was rumored that an unusual number have been pestering home owners in the Cass City area.

In an effort to check the size of this year's invasion and to make sure the report was not a case of rodent hysteria, the Chronicle checked local merchants to see how the sale of mouse traps compared this fall with a normal year. It turns out that people have been seeking not a better mouse trap—but any mouse trap at all.

All stores report that sales jumped sharply as merchants said that sales were up 25 to 100 per cent.

From the Editor's Corner

Mrs. G. Mennen Williams proved to be nearly as much of a charmer Tuesday night at the New Gordon Hotel as the Governor, who is well-known as one of the most persuasive and entertaining speakers in Michigan.

The genial First Lady took a subject, The World Health Organization... that could be exceedingly dry and described it in terms that put her message across, yet held the interest of her audience throughout her address.

***** We were happy to hear someone with ties close to the political scene discuss something besides Michigan's tax muddle and we suspect the audience was, too. *****

Just about every year when the annual workday is scheduled the mercury dips and it's cold. Judging by Wednesday morning's temperature, this year is going to be the same.

Regardless of the weather, area workers have always turned out en masse to help with the decorations... we're sure they will this year, too. *****

It doesn't take many signatures to nominate a qualified elector for village office under the new primary system. One per cent of the qualified registered voters is the minimum and four per cent the maximum.

With the present registration in the village, four signatures could put a candidate on the primary ballot. The deadline for filing is Dec. 25 at 4 p.m. at the village clerk's office at the Municipal Building. The primary election is Feb. 16.

Allot Federal Road Funds to County

Tuscola county will receive \$57,605 from the United States Bureau of Public Roads for road construction for the fiscal year ending June 30, 1961, it was announced this week by John C. Mackie, Michigan State Highway Commissioner.

The money must be matched on a 50-50 basis by the state and county and is allotted on the basis of the county's land area, population and road mileage.

On this basis, Sanilac county will receive \$62,867 and Huron county, \$56,681.

The money to be received from the federal government is about two per cent less than was received for the 1959-60 fiscal year, Mackie said.

Chest Drive Fails To Reach Quota For First Time

For the first time since the Community Chest drive started in this area, funds collected will fall short of the quota set, although money collected will be as great as last year, Chairman Willis Campbell said this week.

Some \$6,229.90 has been collected and it is expected that last minute donations will swell this figure somewhat over the \$6,500 mark. This year's quota was jumped from \$6,500 to \$7,000 for the Elkland and Novesta townships' Chest.

Postmaster Pleads For Early Delivery

Postmaster Lewis Bishop announced his annual "Mail Early for Christmas" campaign this week as he presented mailing tips and asked for early mailing of gifts and cards to insure Christmas delivery and eliminate last minute tie-ups.

He predicted that this year's mail will set a new all-time record, eclipsing last year's record amount. He reminded patrons that his office provides free labels which read, "all for local delivery" and "all for out-of-town delivery" and that if the mail is sorted this way it will hasten delivery.

Four cent stamps or seven cent air mail postage on Christmas cards enables you to include handwritten messages on the cards and they will be forwarded or returned if necessary.

The third class, three cent rate, allows only a handwritten signature and cannot be forwarded or returned.

The postmaster said that it is not only socially correct, but extremely helpful to both the post office and those on mailing lists to include your return name and address on every Christmas card envelope.

It is important, Mr. Bishop said, to mail cards and gifts destined for distant points first. All out-of-town packages and cards mailed by Dec. 10 will assure delivery.

Make sure packages are wrapped securely, the postmaster cautioned. Sturdy corrugated mailing cartons, plenty of heavy brown wrapping paper and strong cord should be used.

Cartons with several packages should be stuffed with tissue or old papers to cushion contents.

As an extra precaution against loss, place your return address and the recipient's address on an extra label inside the carton or package before it is wrapped. Place all Christmas stickers or seals on the back of envelopes.

The single most important fact to remember for the best mail. Continued on page ten.

BUCK LUCK

Eud Gruber shot a five-point buck on the first day of the season.

Hazen Guinther shot a three-pointer Monday in the Tawas area.

Bill Eberline brought home a spikehorn hunting near Mio.

Eldon Field bagged a spikehorn near Luxerne last week.

Alex Greenleaf shot a spikehorn near Rudyard on the opening day of the season.

Mr. and Mrs. Donald Kasz each brought down a doe near Curran.

Norman Cooper, a member of the party, also bagged a doe.

William O'Dell shot a five-point, 140-pound buck Wednesday, Nov. 18, hunting west of Cummins with Frank Parsell, Jimmy Parsell and Lionel Perry, all of Caro. The group shot three deer. Mr. O'Dell reports seeing several wounded does in the area.

Mrs. Thomas Schwannicke of Saginaw, the former Janet Calster, shot a 175-pound doe near Traverse City about 8 a.m. on opening day.

Grant "Whitey" Strickland returned home Saturday after eight days of hunting in the Upper Peninsula without a deer and then bagged a trophy-sized 12-point buck Saturday southwest of Cass City. The granddaddy buck weighed 180 pounds dressed and already had lost its top teeth due to age.

John Juhasz shot a spikehorn Wednesday, Nov. 18, near Glenrie.

LITTLE DENTS MAKE BIG HOLES

It is supposed to have happened. A woman was wandering around a motor vehicles department holding her operator's license in her hand. A man on duty trying to be helpful told her, "Stand in that line, please."

And she replied, "I can't. I'm married," pointing to a sign that read "Single line only."

I'm just repeating the story for a laugh (well, at least a grin) because I've never believed that the fair sex make either dumb or poor drivers.

Another old saw is that women drivers can't negotiate through the garage doors without denting a fender. Well, minor bumps happen to the best of us! But when they do happen the important thing is to have them attended to at once.

So the next time you bump into a garage door be sure to check for paint damage right away. If you don't, a break in the paint can run into a big repair bill when you finally get around to having it fixed.

Even minor scratches should be repainted. Otherwise, rust and corrosion will set in that will eat a hole right through the metal. If you take care of these minor mishaps when they occur you'll be surprised at how much better your car will look... and when trade-in time comes it will sure make a difference to your pocketbook.

Our expert body men are fully equipped to take care of both major and minor repairs. So if your car is sporting any scratches or dents why not drive in and have them taken care of today.

CHOICE — 1956 Cadillac Coupe De Ville. A perfect car. One Owner, equipped with Power Steering, Power Brakes, Radio, Hydra-Matic, Upholstery like new. Only forty odd thousand actual miles which only breaks in a Cadillac. If you've had a yen for a Caddy, see this one at a very reasonable price.

Letter to Editor

Gagetown, Michigan
November 23, 1959
Mr. John Haire, Publisher
The Cass City Chronicle
Cass City, Michigan

Dear Mr. Haire,
It is with pleasure that I extend my compliments to you for abstaining from editorializing against railroad labor, especially since I understand the Association of American Railroads has suggested you support their ads in your editorials. I was very disappointed to find the AAR "smear" ad in your fine newspaper a few weeks ago and because you went for a few dollars in accepting their advertising I naturally expected you would follow through with editorial support of their ad. It is a most reassuring experience to see that our fine, local newspaper's editorials are not for sale.
As you will undoubtedly agree, there are always two sides to any disagreement. Your paper, as well as most others printed for general distribution, won't be given the opportunity to receive advertising sponsored by the railroad workers simply because the railroad workers don't have the kind of money necessary for that large undertaking. Industry sources advise that \$400 thousand were spent nationwide on the ad published in your newspaper recently.

I respectfully suggest that we the people should take the position that since the railroads have that much money available for the purpose of "brain washing" the people of this country, it would be much better spent in the promotion of the railroad industry. Or why not give it back to us in the form of reduced rates? Villifying their own loyal workers seems hardly the way to promote the best interest of ANY industry!

With sincere best wishes,
Yours very truly,
Angus D. McEachin

Plenty of Money for State's Highway Expansion Program

By Elmer E. White
Michigan Press Association
Michigan's dollar pinch has curtailed functions of many state agencies. But the Highway Department is a major exception. The very thing that has been the curse of the state cash crisis has been the blessing of road building: earmarking of funds.

A constant flow of tax money has been available for highway construction.

Gasoline taxes and weight tax money from the sale of license plates have poured into construction coffers.

The same constitutional earmarking provisions that have hampered administrators in rationing of funds have helped create a reservoir of money for the Highway Department.

Earmarked funds alone are not enough.

A half-billion dollars from the federal government, either on hand or promised, has helped

along Highway Commissioner John C. Mackie's five-year building program.

More millions come from bond programs — backed up by money anticipated from future gas and weight taxes.

Michigan's success in carrying out its ambitious road program is bringing some jealous glances from neighboring states; states that hoop and holler over the "flight" of Michigan industry to their cities.

Newsmen from Indiana and Ohio were along when the Highway Department and the state's road building industry took reporters on a flying tour of Michigan highways.

The South Bend (Ind.) Tribune, raving about Michigan roads, noted Michigan will have opened to traffic more than 350 miles of super highway by Jan. 1.

Indiana, the paper reported, completed only 6.6 miles of interstate highway by Aug. 31.

All is not rosy for the Highway Department, despite its accelerated building program.

An accelerated pay program for right-of-way appraisers drew the fire of an investigating committee headed by Sen. John H. Stahlin (R-Belding), who said the department has been luring workers with promises of pay raises every payday until they reach top salary brackets.

The department said the accelerated pay plan, approved by the Civil Service Commission, was necessary to get qualified personnel.

Biggest worry facing the Highway Department is the 700-million-dollar cutback in the federal highway program. It has meant a 29-million-dollar cut in federal funds for Michigan this fiscal year.

But Mackie hopes to fill the gap with bonding programs: build now, pay later. It's the obvious but not easy way to keep the Michigan plans on schedule.

A new figure moved onto the political scene in Lansing.

George E. Hill, 39, Marquette, was named chairman of the Public Service Commission by Gov. G. Mennen Williams. He succeeds Otis M. Smith, who became Auditor General.

His position on the commission will not be one to foster political activity. But Democrat Hill, who was Marquette County Prosecutor since 1954, will be handy if Democrats need state ticket candidates in the years ahead.

A big decision looms for Hill; big to the tune of 25 million dollars.

That's about how much Michigan Bell Telephone Co. would like in new rate increases.

The rate case, started early this year, is expected to bring a

decision in December.

A powerful foe of constitutional conventions and senate reapportionment has played its hand. Resolutions opposing both were adopted at a Michigan Farm Bureau meeting.

The Republican drive, backed by liberals in party, for a constitutional convention and the Democratic drive for reapportionment can expect a fight from the farmers.

Citizens for Michigan, the "grassroots" effort sparked by George Romney to find an effective solution to the state's tax crisis, is likely to be in and out of the news for a long period.

The committee has already held several meetings and recruited some active civic leaders. The next step is to organize local chapters and study committees whose members can collect ideas, information and recommendations.

These groups will cover these areas: the need for state services, the efficiency and quality of those now in existence; a method of paying for these services; a review of governmental organization, including the state constitution; the impact of recommendations on state operation, economic climate, and economic growth.

Romney expects to have a report dealing with these problems by fall of 1960, early enough to supply issues for the election in November.

Charles Leeson Dies At Caro Hospital

Funeral services were held Saturday at Little's Funeral Home for Charles R. Leeson, who died at Caro Hospital Wednesday evening, November 18, where he had been a patient six weeks. He had been in ill health the past two months.

Mr. Leeson was born in Alpena April 3, 1874, the son of the late Mr. and Mrs. William Leeson. In 1929 he married Mrs. Margaret McClure in Alma, where they made their home following their marriage, later moving to Utica. Mr. Leeson was employed with Underwood Sand and Gravel Company of Utica before he became ill.

He leaves: his wife of Utica; one son, Russell Leeson of Cass City; one stepson, James McClure, and two stepdaughters, Mrs. George Schurr and Mrs. Clara Schurr, all of Detroit; eight grandchildren, and 16 great-grandchildren. Two daughters and one sister died previously.

Burial was in Elkland Cemetery.

Michigan has nearly 110,000 miles of state highways, county roads and city streets.

GAGETOWN

Altar Society Meeting—
Fifty members of St. Agatha's Altar Society attended the meeting in the parish hall last Thursday evening. President Mrs. John Lagina called the meeting to order and appointed a nominating committee, Mrs. Harry Hool, Mrs. Frank Lenhard, Mrs. Leonard Adams and Mrs. Muri LaFave, to select officers for 1960.

It was decided to hold the next meeting Wednesday, Dec. 17. It will be a Christmas party with exchange of gifts. Plans for the bazaar were discussed.

Slides were shown of pictures taken when Mr. and Mrs. Norman Pine and Mr. and Mrs. John Lagina took a trip through the southwestern states and of pictures taken by Mr. and Mrs. Peter Langlois on their trip through the northwestern states and Yellowstone Park.

Division No. 5, co-hostesses Mrs. Norman Pine and Mrs. Harlan Stock, served refreshments. The ladies presented the Rev. Fr. McLaughlin with a shower of canned fruits and vegetables at this meeting.

A 1c Richard Wald, stationed at Loring Air Force Base in Maine, arrived home Tuesday evening to spend a 25-day furlough with his parents, Mr. and Mrs. Vincent Wald. He will return to the same base.

Mr. and Mrs. Michael Mackay of Walled Lake and Mr. and Mrs. John Mackay Jr. and family of Detroit were Sunday dinner guests of Mr. and Mrs. John Mackay Sr.

Carl Robinson of Davison was a dinner guest Sunday at the home of Mrs. Edward Schwaderer.

Mr. and Mrs. Gary Krohn and family of Elkton were Sunday dinner guests of Mr. and Mrs. Edward Fischer. The Rev. Wesley Dufee and son Philip of Flint were Tuesday supper guests at the Fischer home.

Miss Janice Fischer of Saginaw spent the week end and until Monday with her parents, Mr. and Mrs. Arthur Fischer.

Mr. and Mrs. Michael Pisarek spent Wednesday in Detroit where they visited her mother, Mrs. Anna Darmofal. In Dearborn they visited his brother and family, Mr. and Mrs. John Pisarek.

Thanksgiving Day dinner guests at the home of Mr. and Mrs. Wallace Laurie were Mr. and Mrs. Grover Laurie and Jack.

Mr. and Mrs. Thomas Laurie, Linda and Jane and, from Caro, Mrs. Janet McCreedy and Marilyn.

Mr. and Mrs. Grover Laurie spent Sunday in Detroit with Mr. and Mrs. George Schack.

Mr. and Mrs. Charles Grady were Sunday dinner guests of their daughter and family, Mr. and Mrs. Clifford Ross of Cass City.

Why, from
YOUR FORD DEALER!

All his **A-1** Used Cars are inspected, reconditioned if necessary, road-tested **AND** warranted in writing!

Where can I get a good deal on a **USED CAR** I can trust?

YOUR HOME FIRMS ARE THE HIGHEST BIDDERS

FOR YOUR SHOPPING DOLLARS

HERE ARE THE FACTS TO PROVE IT . . .

Actually . . . no matter where you live . . . nobody . . . and that means NOBODY . . . can give you more for your dollar than your own home business firms. Let's look at the reason for this advantageous . . . to you . . . situation:

ANY MERCHANT . . . anywhere . . . is ordinarily going to sell goods for some more than he pays for them.

ON THE AVERAGE . . . when you spend a dollar in any retail store . . . here or anywhere else . . . about 70 cents of it pay for GOODS, and about 30 cents goes for rent, taxes, donations, hired help, etc., and a few cents (the national average is about 5 cents) pays the proprietor for his work, and for his investment in goods and equipment, credit losses, etc.

NOW . . . when you spend your dollar at home, you get the same 70 cents worth of merchandise that you would get for it anywhere else.

AND THE OTHER 30 CENTS — stays here too, to help you pay for schools, churches, roads and streets; to vitalize the community so your property . . . or your job . . . is worth more; to keep more people here to share civic work and expense, and to serve YOU when you sometimes direly need their knowledge and their skills.

ONLY when you buy in YOUR OWN HOME community do you get back most of this 30-cent retail handling charge . . . and often a great deal more, as your job or your business prospers and your social life broadens with the growth of the entire community.

Uncle Tim From Tyre Says:

Dear Mister Editor:

The ladies at our church held their annual social Friday night and my old lady reports it was a humdinger. I pity the pore souls that wasn't able to attend. A bunch of wimmen at a church social can tarnish a absentee's reputation faster'n a hungry hog can eat a ear of corn.

They've been holding these socials onct a year since way back in 1940. Of course the wimmen out here ain't what they were in 1940. Some of 'em are two or three years older. But them added years has made 'em much better talkers, according to the rumors I git, and at these socials they hardly stop to git a breath of fresh air—one of the few things most of em' ain't agin. They can't be telling the truth more'n half the time because as much as they talk there just ain't that much truth.

My old lady said they voted unanimous to write to the Federal Communications Commission

and demand a special television channel fer housewives on Saturday afternoon. They claim right now, fer instant, that they can't git nothing but football. It seems to me this is a mighty bad attitude fer church wimmen to take, being agin such character building enterprises.

My old lady went to the affair wearing a hat, so I reckon all of 'em did likewise. It must have been a sight in this world. The one my old lady had on when she left—well, just between me and you, Mister Editor, I've saw better looking lids on a pressure cooker.

I see by the papers where a delegation of Indians is pestering Ike again to take that scalping picture off the wall in Congress. If I was like I'd solve the problem by having the picture touched up so's the Indian would look like a feller from the Revenue Department and the victim like a taxpayer. This would make it so popular they'd have to move it over to the National Museum of Art.

The papers was quoting Congressman Celler of New York as saying the other day that "if our government is to remain solvent, it must raise taxes, spend less, or do both." The thing that puzzles me about this quotation is how a feller that knows that much about arithmetic ever got elected to Congress. If we can elect a few more in 1960 that seems to know how to add and subtract, it might go down in our history as the year Congress discovered the barrel had a bottom to it.

Another interesting item from Washington this week was the one about a group of government clerks starting a social organization and calling it the "Coffee And Confusion Club." They might run out of coffee onct in a while, but they'll always have enough confusion to operate 100 per cent.

Yours truly,
Uncle Tim

Grant Center Group At Glann Home

The Grant Center Demonstration Group met Wednesday, Nov. 18, at the home of Mrs. Don Glann with nine members and two guests present.

Several of the dishes described in the lesson, "Adding Zest to Vegetables," were served. The lesson was presented by Mrs. Glann and Mrs. Hazel Vallance.

The next regular meeting of the club will be in January.

Hugh Milligan One Of Eight to Earn Educational Trip

The Tuscola County 4-H Club Council will honor eight outstanding 4-H club members with an educational award trip to Chicago this week. The 4-H members chosen for this trip have a very outstanding, well-rounded 4-H club program. The members receiving the trip this year are:

Hugh Milligan, 18, of Cass City, Hugh was chosen to receive the trip because of his outstanding accomplishments in the 4-H Livestock program. Hugh has served as president of his local club. He was a member of the Michigan Livestock judging team in 1958. He has been on the County judging team for three years previous. He has given three demonstrations on his beef project. Hugh has also exhibited both Grand and Reserve Champion steers at the County 4-H and F. F. A. Fat Stock Show. Hugh stated that "that 4-H Club work has meant many different things to me. It has given me a chance to grow in experience, by completing the projects. I have enjoyed the friendship of fellow club members and I feel that we all learn from each other." Hugh is the son of Mr. and Mrs. Jim Milligan. His local leader is Alfred Goodall, leader of the Cass City Livestock Club.

Shirley Stevens, 20, of Mayville was chosen on her overall achievement. Shirley has completed 10 years of club work and is a member and previous officer of the Service Club. Shirley has several outstanding projects: Food Prep and Home Improvement has been one of Shirley's favorites. She is a member of the West Mayville 4-H Club. She has given three different demonstrations and has served as a Junior Leader for four years. Shirley said, "Through 4-H I have learned how to develop talent for useful work and joined with friends for work, fun and fellowship; how to live in a changing world, choose a way to earn a living, to create a better home for better living." Shirley is the daughter of Mr. and Mrs. Charles Stevens. Her local leaders are Mr. and Mrs. Clarence McMullen.

Donald Kowbel, 19, of Unionville was chosen for his overall accomplishments in club work. Donald gave a State winning demonstration on dairying one year and has given several demonstrations in the county. Donald has served in several offices in his local club and is a member of the County Service Club. He has carried a dairy project for several years. He has exhibited his animal at the County Fair and at State Show. He has also attended Club Week at Michigan State University. Donald has also served as a junior leader of his club for several years.

Don says, "Through 4-H Club work I have learned to accept responsibility and to work with others and to show my skills in my project and my demonstrations." Don is the son of Mr. and Mrs. Stephen Kowbel of Unionville. His local leader is Mrs. G. Spannagel, Unionville.

Richard Ross Jr., 16, son of Mr. and Mrs. Richard Ross of Caro, has a very outstanding club record. He has served on several committees for County Achievement. He has attended Junior Leadership School, Conservation Camp and is a member of the County Service Club, and is now treasurer of the Service Club.

Dick says, "4-H has helped me to get along with others, as well as gaining many new friends. Also 4-H has given me an interest in Agriculture and Soil and Water Conservation." Dick has completed six years of club work. He has given three different demonstrations, also displayed his 4-H experience through the 4-H Achievement Booth. Dick's local leader is Mrs. Ross.

Janet Albrecht, 17, daughter of Mr. and Mrs. Arnold Albrecht of Reese, has completed 8 years of club work. She is a member of the Service Club, and has served as president of that organization. Janet has a very outstanding record in Foods and Clothing.

Janet says, "Through the 4-H Club program I feel I have gained many new experiences. By working with other club members, and sharing many of the same experiences I have learned to work with other people for a common cause. Because of 4-H Club work I have found new goals in life to strive for."

Catherine Hickey, 19, daughter of Mr. and Mrs. Roy Hickey of Fairgrove, also has a very outstanding record in 4-H Club work. She is well known throughout the state for her exhibits of beans, wheat, oats and barley. She has exhibited at the Tuscola County Fair, the 4-H State Show, East Lansing, State Fair and the Tuscola County Fall Crop Show. Catherine has been a constant winner with her exhibits.

Catherine has completed six years of club work. She is a member of the County 4-H Service Club, and past secretary. She has attended 4-H Club Week at Michigan State University. She has been president, secretary, treasurer and recreation leader of her local 4-H club. She has given a demonstration in the selection of a bean exhibit, and was on the County Crops judging team in 1956. She has been a Junior Leader for the past two years.

Catherine says, "4-H Club work

has helped me to become a better leader and all-round person. I have met many new people and have made many new friends." Catherine is a member of the Graham 4-H Club. Mrs. Harold Pike is the local leader. Catherine is now a student of the Saginaw School of Business.

Mike Zwerk, 16, son of Mr. and Mrs. Arnold Zwerk of Richville, has completed seven years of club work. He is well known for his exhibits of corn, wheat, oats and barley, and has been a constant winner with them. He has exhibited crops at the Tuscola County Fair, the 4-H State Show at East Lansing, and the Tuscola County Fall Crop Show. Mike is also very active in the 4-H Swine program. He has exhibited at the Caro 4-H and F. F. A. Stock show and the Detroit Junior Livestock Show.

Mike has given demonstrations in tractor project and dairying. He has also judged in the livestock program.

Slate Farm Classes Again This Winter

The Tuscola County Cooperative Extension Office will be joining a series of adult farmers' classes again this winter. According to Don R. Kebler, county extension agent in agriculture, the classes will meet in the school at Fostoria on Wednesday evenings from Jan. 6 through Feb. 17.

Similar highly successful programs have been conducted in Akron, Deford and Tuscola in the past two winters.

One of the big contributing factors making these sessions so successful is the program and topic selection of local farmers, remarks Kebler. The program planning committee members for the Fostoria sessions are: chairman, Bill Fowler; George Kinney, township supervisor; Jim Terbush, Wilfred Leix, August Langferman, Leon Grzyb, and Ray Howard, Mayville, vocational agriculture instructor.

The program topics this committee has selected and dates are: Herd Health and Dairy Farm Sanitation, January 6; Forage Production, January 13; Weed Control and Sprayer Selection, January 20; Labor Saving Methods for Dairying, and Starting a Livestock Program, January 27; Fertilization and Soil Management, and Tiling, Draining, Ditching and Ditch Bank Seedings, February 10; Inheritance, Wills and Estates, Partnership and Rental Agreements, February 17. Presenting these topics will be specialists from Michigan State University.

Local businesses sponsoring refreshments, according to refreshment chairman, Leon Grzyb, are: Floyd Ducker, Surge dealer, Mayville; Frutchey Bean Elevator, Fostoria, and George Foster Jr., Wirthmore Feeds, Fostoria.

The public is invited to attend these classes and there is no cost. All meetings will begin promptly at 8:15 p.m. and end at exactly 10:15 p.m. with refreshments served afterwards.
