

## Record Light Vote In Village Primary

### Goslin Upsets Mosack in Gagetown Caucus

The usual spirited caucus in Gagetown was held Monday when electors nominated Julius Goslin for village president over incumbent President Anthony J. Mosack by a 69-53 margin.

In the race for trustees, William Downing defeated Ervin Walrod and William Lenhard topped Lawrence Cummings. Also nominated was Richard Downing.

Named without opposition were: Hugh Cornor, for clerk; Mrs. Agnes Cornor, for treasurer, and Harry LaFave, for assessor.

### To Honor 4-H Leaders Tonight At Banquet

The Eighth Annual 4-H Leaders' Recognition banquet is scheduled tonight (Thursday) when Bruce Dunn, superintendent of Reese Community School, will speak on the "Qualities of Leadership." The banquet is expected to attract over 250 persons to Caro High School.

Highlight of the evening will be the honoring of the leaders in 4-H in the county and the presentation of a meritorious service award to a county businesswoman to be announced.

Among the leaders to be honored are many from the Cass City area. Mrs. W. J. Donnelly of West Elkhart has been a leader for 13 years. From Carolan-Gagetown Mrs. William Ashmore will be recognized for 12 years' service along with Mrs. Floyd Werderman of St. Agatha. Alfred Goodall has been a leader for 11 years and Dr. Harry Crandell will receive a gold clover award for 10 years as a leader in 4-H. Both men are leaders of the Cass City Livestock Club, as are Clarence Merchant and Jim Milligan, who will be recognized for nine years' service. Mrs. Everett Field of Novesta Community has been a leader for nine years as has Preston Karr.

Mrs. Ray Toohy has completed eight years with St. Martha's and Carolan-Gagetown. Honored for seven years will be Mrs. Clark Zinnecker of Novesta Community and for six years, Bridget Phelan of St. Agatha.

Others from the area and the number of years service for each are: four years, Mrs. Dennis Rocheleau, Carolan-Gagetown, Mrs. Marge Rice and Mrs. Lucille Ehrlich, both of St. Agatha; third year, Norman Crawford, Novesta Community, Arthur Battel, Cass City Livestock, and Mrs. Leslie Hurd, Gagetown 4-H; second year, Mrs. Alfred Goodall, West Elkhart, Mrs. George Marshall, Novesta Community; first year, Mrs. Emily Meiser and Mrs. Ferol Meiser, both of Cass City Clothing, Mrs. Ralph Shresney, Gagetown 4-H, Mrs. Gerald Hicks, Novesta Community, Mrs. Joe Lorenz Jr., St. Agatha, Mrs. Jake Ehrlich Carolan-Gagetown, and Mrs. Jim Tuckey, West Elkhart.

Honored as beginners in 1960 are Mr. and Mrs. Lee Smith both of Cass City Horse Club, and Mrs. Albert Engelhart, Novesta Community.

Expectations for a record vote failed to materialize Monday when Cass City held its first primary election in history. Despite competition for the three posts of trustee, only 214 of the 527 registered voters in the community went to the polls. It is estimated that another 500 persons who would have been eligible to vote were not registered.

Leading the ticket among the seven candidates for trustee was A. N. Bigelow with 129 votes. Second was B. A. "Curley" Calka with 121 votes and winning the third spot was incumbent Jim King with 114 votes.

Unsuccessful candidates were: Harry Little, 86 votes; Richard Eria, 57 votes; Almer Krueger, 49 votes, and Kenneth Eisinger, 36 votes.

Other incumbent officers were nominated without opposition on the ballot.

The results were: president, C. R. Hunt, 178; clerk, Wilma S. Fry, 187; treasurer, Mrs. Fry, 185, and assessor, Calvin Striffler, 184.

Six of the 214 ballots were spoiled.

### Reese Takes Top Honors in FFA Judging Contest

Reese High School swept top honors in all four divisions of an FFA contest held in Caro Monday while Cass City was runner-up in two of the events won by the champions.

The public speaking of Robert Harbec was awarded a gold award and second place. The demonstration team of Larry Goodall, huck Nemeth and Hugh Milligan was given third place and a silver award.

Also awarded a silver medal and finishing second was the farm forum team. Ronald Patera was the chairman. Others were Jerry Cleland, Larry Merchant, Harland Tuckey, Wesley Ball, Carl McIntosh and George Sangster.

The parliamentary procedure team was given a bronze medal. Members were: Chairman Don Orban, Kenneth Rosinstangel, Bill Miller, Russell Barriger, Jim Merchant, Charles Seeley and John Shagena.

## Hawks Continue Last Half Surge

Bulletin: Cass City continued its last half surge Tuesday night with an uphill victory at Marquette, 71-67, to remain tied with Vassar for second place and keep alive its hopes for a share of the league title.

Trailing by a single point, 51-50, going into the final quarter, the Hawks won despite the loss of Roy Tuckey after about a minute of the quarter via the foul route.

Pacing the victory Tuesday were Gary Hutchinson with 18 points, Tim Anthes 16 and Tuckey 14. Jack Calster led both teams with 22 points.

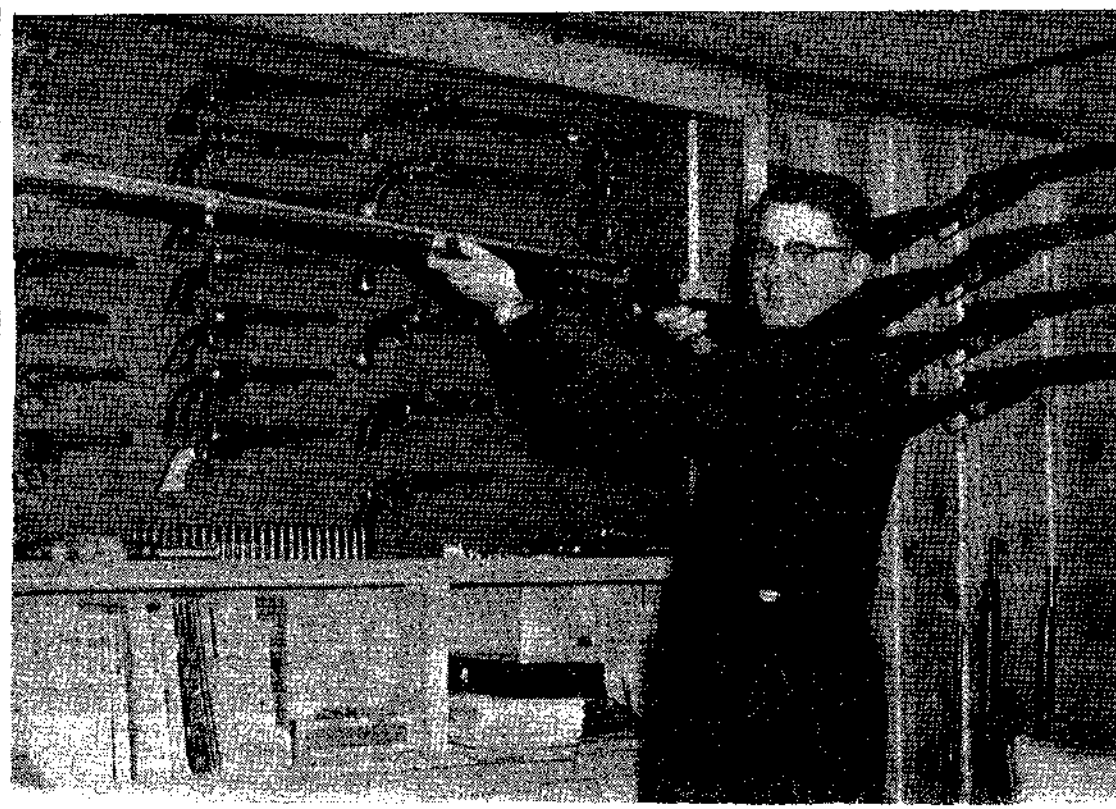

Cass City moved into undisputed possession of second place in the Thumb Conference and retained its hopes of winning at least a share of the title by outlasting league leading Bad Axe, 58-56, Friday at Cass City High School.

For the better part of three quarters, Cass City played its finest game of the season and then did an about face in the final quarter and a half to almost blow a 20-point lead and the victory.

With Tim Anthes keeping the Hatchet defense honest with buckets from outside the free throw circle and a pair of time-limited baskets by Roy Tuckey, the team battled Bad Axe on nearly even terms in the opening canto.

Bill Tageson helped the Hatchets score 15 points as he whipped in four field goals in the quarter and the Huron County five led 15-14 at the end of the period.

It was the last time the Hatchets led in the game. With Gary Hutchinson, Tuckey and Anthes scoring all but two of the points, the Hawks scored

GUNS-GUNS-GUNS—Jim Champion sights down the barrel of one of the guns in his collection. The guns form one of the Saginaw area's largest collection of \$15,000 worth of antique guns. Occupying a special room in the basement of his home, the 140

### From the Editor's Corner

Regardless of the results of the final two games of the season, you should doff your hat to Coach Irv Clasenman and his basketball team for an outstanding performance.

Off to the worst start in years when they lost four of their first five games including three in conference competition, the team has bounced back and is now in second place. More important, they have whipped all three of the teams that conquered them earlier in the season . . . Marquette, Frankenmuth and Bad Axe.

The record is a tribute to the coaching of Mr. Clasenman and the traditional desire of Cass City teams to win . . . a tradition that has been enhanced by the boys playing this year.

It is Girl Scout cookie sale time again and it's no longer surprising to us that the girls sell so many boxes each year. Our elder daughter is one of the salesgirls and has already reached all of the relatives within a hundred miles and has her eyes on "prospects" as far away as Connecticut.

However, the cookies are good and the cause is better. It's the best deal you'll find for 35 cents a pound.

## Jim Champion A Champion Collector

Some 15 years ago Jim Champion visited the Saginaw Gun Club and stopped at the home of one of the members who was a collector of antique guns and . . . after seeing this first modest gun collection became one of the largest mid-Michigan collectors.

Today his array of some 60 pistols and 80 rifles is valued at about \$15,000, although Jim hastens to explain that the guns did not cost him that much money.

Through the years, antique guns have increased greatly in value because more and more collectors start each year, increasing the demand. Like most collecting hobbies, values are determined by scarcity and condition of the gun.

A gun that has never been fired is worth several times more than a gun of the same year and make that has been used.

All of the guns in the Champion collection are in operating condition although none are fired because of the devaluation likely with use.

The oldest gun in the collection is a 1776 Italian flintlock and is of the same make and could have been carried by guards of Napoleon. Because it has been fired it is worth about \$100.

One of the prized pieces among the 140 guns is an 1834 Johnson flintlock. The gun is in "mint" condition and has never been fired. Mr. Champion estimates that it's worth \$250.

According to the standards of the Saginaw Gun Collectors Club of which he is a charter member, the Champion collection is a large one, compared with the larger Detroit collectors it is only moderate.

And compared with the largest collection in the world, it is insignificant. A western gun fancier with money to burn "limited" himself to \$3,000 a week for the purchase of antique guns and has over 50,000 pieces with an investment of over a million dollars.

Most persons interested in the hobby can't afford a fraction of the money spent by collectors of this type so they become specialists . . . a trend that Mr. Champion is leaning to now. He reports that he is attempting to buy only Winchester when he adds to his collection.

Other collectors carry specialization even further. They buy only one make and one caliber of gun and try to get as many of the different models as possible in their special line.

Mr. Champion bought his first gun, a 45 caliber single action Colt, in Saginaw, but says now it is almost impossible to find a wanted antique in Michigan and that the majority of the guns are purchased from dealers in the east.

### Coming Auctions

Saturday, Feb. 20—Eldred Copeland will hold a general farm auction, four miles east, two miles south and one and three-quarters miles east of Cass City.

Saturday, Feb. 20—Young Brothers will sell cattle and machinery at the farm, three and a half miles west and three and a half miles south of North Branch on Fish Lake Road.

Saturday, Feb. 27—Lyle Thompson will hold a machinery auction at the farm, seven miles west of the Green Mill.

### WSC Hears Mrs. Keith McConkey At Turner Home

Mrs. Keith McConkey told members of the Woman's Study Club facts about watches and explained how cultured pearls are made.

Speaking Tuesday afternoon at the home of Mrs. J. D. Turner she said the first pocket watch dates back to 1657 and the first wristwatch did not appear until 1910. Youngster among watches is the self wind which first was introduced in 1932.

It takes five years to make a cultured pearl, Mrs. McConkey continued. A baby oyster is cultured from its mother and nursed for three years and then the pearl nucleus is inserted.

The oyster is then carefully and continually tended for two more years by young Japanese girls before the pearl is ready for the market.

Speaking of diamonds, Mrs. McConkey told the group that it takes some 35 tons of blue ground rock to make a half carat of good gem quality. Every diamond has 58 facets and it takes a highly skilled person to cut them properly.

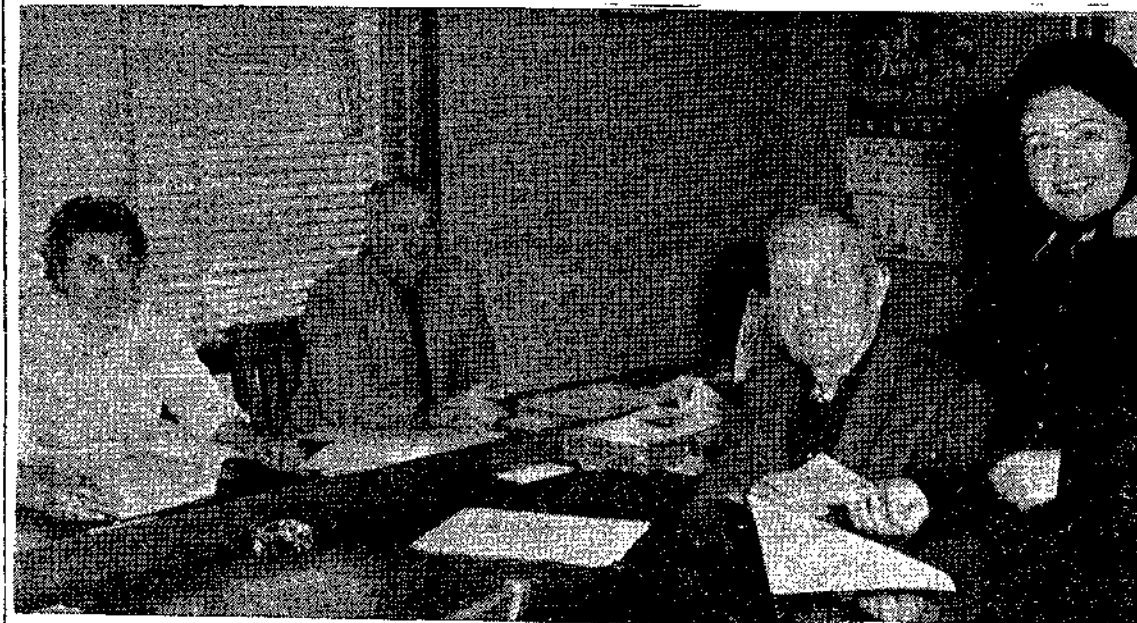

Mrs. Merle Young spoke to the group of pornography, saying that it is a million dollar business. She said that progress is being made in enforcing the penalty against publishing the obscene literature.

In the business meeting it was learned that the package to CARE had been received and details of a cancer workshop in Unionville announced. Mrs. Herbert Ludlow will represent the Cass City Club.

### Snover Girl to Attend 4-H School

Ruth Meredith of Snover is among the 4-H junior leaders in Sanilac County to attend the annual 4-H Junior Leadership Training School at the Lake Huron Methodist Camp, Feb. 23-25.

Besides enjoying a varied recreation program, persons attending will learn how to teach, plan programs and carry out junior leadership projects.

### Planners Meet Tuesday

## Request Hearing for Zoning Ordinance

It is likely that the proposed new zoning ordinance will be presented without change for a public hearing the third Tuesday in March if recommendations of the planning commission are followed by the Cass City Village Council when it meets Tuesday.

Meeting with George Vilcan, planning expert, Tuesday night at the Cass City Municipal Building, the planners voted to ask the council to set the hearing date to discuss the zoning ordinance originally proposed by the commission and not accepted by the council.

It was pointed out that the

### 300 at Annual Boy Scout Banquet

Some 300 parents and scouts attended the annual Blue and Gold dinner, one of the highlights of the year in scouting, Wednesday night, Feb. 10, at Cass City High School.

Committeeman Horace Bulew was the master of ceremonies at the banquet which was held to coincide with the 50th anniversary celebration of Scouting.

Ray Fleenor spoke of the coming Scout Jamboree and the presentation of awards to Scouts highlighted the program for the evening. Honored with membership into the Order of the Arrow were Bill Eberline and Bruce Avery.

Awards to Scouts were made by Scoutmaster Keith McConkey. Highest award given was to Tom Craig who has completed the requirements for a Life Scout.

Three Star Scouts were given badges by Mr. McConkey. They were Tom Craig, Bill Eberline and Bruce Avery.

Merit badges were earned by Bruce Avery, Dennis Steel, Tom Craig, Bill Eberline, Dean Frakes, and Martin Yedinak.

First class awards were presented to Bruce Avery, Bill Eberline, Bib Profit and Martin Yedinak.

Second class scouts are John Herhalt, David Asher, Jim Champion and David Barnes.

Tenderfoot scouts are Jim Ballard, Wayne Copeland and John Hudson.

Eight scouts were recognized for Polar Bear awards earned for camping out at Camp Rotary. They were Martin Yedinak, John Shagena, Dennis Steel, Al Hawkins, Bob Profit, Leslie Schram, Dean Frakes and David Barnes.

Jim King and Harold Gunther were presented with badges of office as certified assistant scout leaders. It was announced that the troop again received a banner for 100 per cent subscription to the scout magazine, "Boys Life".

### Cub Scouts Awards to Cub Scouts were presented by Harry Miller.

Webelos scouts recognized were David MacRae, David King, Mike Root, Bob Doerr, Gary Holik and Ray Peasley. Bob Donahue was awarded a Lion badge and Bear Cubs honored were Miles Profit, Randy Doerr and Harold Douglas. Awarded Bear Arrow points were Ken Hayes, one gold and one silver; Ricky Lorentzen, one silver; Randy Doerr, one gold, and Harold Douglas, one gold and two silver.

Wolf scouts honored were Richard Ross, John Shagena, Neil MacCallum and Gary Chambers.

Wolf Arrow points were distributed as follows: Mike Murphy, one silver; Dennis Merchant, one silver; Eric Esau, one silver, and Tom Gunther, one gold.

council would not be asked to accept the new zoning ordinance before the public hearing but simply accept the date. Action by the council would be deferred until after the hearing.

Mr. Vilcan said when asked about the zone plan after it was not accepted by the council, "After study I have recommended what I think is best for Cass City. Do not think that more space means more business. A business district the length of Main Street simply means that the community is inviting a six or 12-store shopping center to build here. If it does," Mr. Vilcan added, "it means that there will be empty stores in the present business district."

He illustrated his point by telling of a survey he completed in Port Huron. The business district there is 92 acres and had \$121 million in sales and serves 100,000 persons. There are many vacancies in the district.

If the entire length of Main Street is business it would involve 85 acres . . . more than Cass City will need in the next 200 years, Mr. Vilcan claims. The planner will be at the hearing in March to explain his zoning regulations.

### Subdivision Regulations

The planners also approved new regulations for building of new subdivisions. Besides setting down in much greater detail the necessary procedure for the builder, a change was recommended in the cost of construction.

In previous years the cost of sewer was paid by the subdivider and then when 50 per cent or more of the subdivision was occupied, the builder was rebated 30 per cent of the cost of construction.

Under the new law, if adopted, the subdivider will be required to pay all of the costs of developing the property. Mr. Vilcan said that the procedure was standard in most communities and that the utility cost should be added to the price of the property.

Cost of water will continue to be paid by the village.

### Annual Meet for Development Corp.

The annual meeting of the Cass City Development Corporation will be held Wednesday, Feb. 24, at the village council room in the Cass City Municipal Building.

Principal business before the members will be the election of two members of the board. The terms of Clifford Croft and Herbert Ludlow are expiring.

Other members of the board are Harry Little, Jim Gross, Luke Tuckey and Joe Riley.

### Mar. 1 Deadline For Beet Quotas

Michigan has been allocated 83,265 acres for the 1960 Sugar Beet Allocation as its share of the 985,000 National acreage established for the 1960 crop of sugar beets.

Any farmers desiring to plant sugar beets in 1960 and receive a Government payment under the sugar beet program must request and have a proportionate allotment for his farm, states Charles B. Eckfeld, Office Manager of the Tuscola County ASC Committee.

Farmers may secure forms for this purpose from their sugar beet company fieldman and from the local county ASC office. This request should be filed on or before March 1.

### Donkey Basketball Slated by Gavel Club Feb. 27

The Cass City Gavel Club completed plans for donkey basketball games to be played at Cass City High School Saturday night, Feb. 27, at the regular meeting of the club Tuesday at Parrott's Dairy Bar.

Two games are scheduled. The first, starting at 7:30 p. m. will be between students and teachers and the feature will pit the Gavel Club against the Lions Club.

### "400 Club" Lists Three Dairymen From Cass City

Three dairymen from Cass City were among farmers in Tuscola County to qualify for membership in Michigan's "400 Club" . . . the club includes farmers whose herds averaged over 400 pounds of butterfat per cow for each of the last five consecutive testing years.

The dairymen under DHIA tests are: Clarence Merchant, 18.9 Holsteins, average milk production 13,014 pounds, average fat production 453 pounds; Ed G. Golding, 13.4 Red Danes, average milk production 11,627 pounds, average fat production 446 pounds; and Maynard McConkey, 30.8 Holsteins, average milk production 11,814 pounds, average fat production 431 pounds.

The 1959 testing year started in Oct. 1958 and ended with the Sept. 1959 test, Alfred Ballweg, county extension director, said.

The average production for 50,405 cows in 1,738 Michigan herds was 11,231 pounds of milk and 426 pounds of fat for 1959, Ballweg added.

Other dairymen in the county to qualify for the club were: Ruben Rohloff, Reese, 12.7 Holsteins, average milk production

### Pair Share Lead In Merchants' Cage League

Mac and Leo turned the tables on Farm Produce Thursday night to move into a tie for first place in the Merchants' Basketball League. In the first meeting between the two teams, Farm Produce won by one point. Thursday Mac and Leo won by the same margin. The score was 41-40. Both teams now have a 5-1 record.

Clare Comment was a one man gang for the gas five. He poured in 24 points and helped control rebounds. Don Root led the divided scoring for Farm Produce with 10 points.

Walbro-Eria was the year when they surprised the league, 32-27. Big John Meininger controlled the boards and poured in 20 points for Walbro. Gunther kept the losers in the game with a 15-point performance.

Walbro moved into a five-point lead at halftime and played Eria's on even terms throughout the last two periods to record the victory.

Sherman's-Tuckey's Tuckey's slipped into a tie for last place with Walbro when they dropped a heart breaker to Sherman's, 38-37.

Tuckey's were in front 10-6 at the end of the first quarter, but faded in the second period as Sherman's posted a 15-10 advantage and a 21-20 halftime margin.

They increased their margin by a point in the third quarter and made the slim two-point lead stand up in the last quarter. Cummings was high for Sherman's with 16 points and Dean Hoag accounted for 11 points for Tuckey's.

The standings:		
Team	W	L
Farm Produce	5	1
Mac & Leo	5	1
Sherman's	4	2
Eria's	2	4
Tuckey	1	5
Walbro	1	5

## 'Spring Fryer' May Be Just A Memory Today

### Chicken Year-Round Homemaker's Delight

The old eating favorite, the "spring fryer" may be only a memory, but today broilers are better. The spring fryer type of chicken is still around, but nowadays it's just as apt to be summer, fall, or winter fryer. And more often than not, it's sold under the name of broiler or broiler-fryer.

Today's homemaker doesn't have to wring its neck, clean, dress or draw it either. She can buy it cut up by the piece, or by the bird, cleaned and ready for the pan.

The broiler industry has made its product so easy for the homemaker the only convenience left would be to cook it for her, remarks Charles M. Fischer, extension poultry marketing specialist at Oregon State College. And some pre-cooked frozen broilers have appeared on the market. It's now possible to buy a cooked chicken hot off the electric roto-broil as well as a complete cooked chicken dinner in many retail stores. Fischer pointed out.

Producers and processors do everything but cook the chicken; some are doing that.

Broiler fryers are sold so young (8 to 10 weeks old) and tender that they can be cooked in about 45 minutes. This short time from the package to the table is so popular with homemakers that the volume of sales has increased tremendously since a few years back when homemakers could buy only whole unseasoned birds.

Oregon's broiler-fryer industry began in the mid-1930's.

### Poultry, Livestock Numbers To Increase

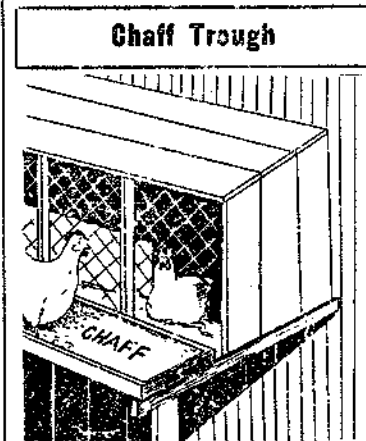

Livestock and poultry numbers as well as feeding rates will continue to increase during the next 12 months. The rate of expansion, however, has slowed down.

There will be more than enough grain and high protein feedstuffs, but prices for some major livestock products have declined.

So stated the Feed Survey Committee of the American Feed Manufacturers Assn., which met in Chicago, Ill. The committee is composed of 24 college professors.

The committee reported that: Beef cattle numbers will increase 8 per cent and reach a new record level. The number of hogs to be fed in the coming 12 months will be up 4 per cent, turkey numbers will increase 5 per cent and sheep and lambs will be up 2 per cent. Declines of 4 per cent for layers, 3 per cent for horses and mules, and 1 per cent for milk cows are expected. Broiler numbers will remain unchanged.

At estimated rates of feeding nearly 137 million tons of grains, oilseed meals and other concentrates will be consumed during 1959-60. This compares with estimated supplies available for feed of 189 million tons... an excess of 38 per cent. Grain supplies exceed feed requirements by nearly 40 per cent while high protein are in excess about 8 per cent.

A chaff trough in front of hen's nest will help keep feet clean and cut down on the number of "dirty" eggs. Chaff, or sawdust, helps clean the hen's feet, or clings to the mud on the feet to prevent marking the eggs.

Mrs. Young received many presents and a shower of birthday cards.

The Carolan-Gagetown 4-H club met Friday evening, February 12, at the home of Freddie Ondraja. A business meeting was held. Sandra O'Connell led the pledge of allegiance to the United States flag and Freddie Ondraja the pledge to the 4-H flag. The handicraft project articles made by the club were checked by

their leader, Robert Ashmore. The March meeting will be held at the home of Robert Ashmore. Edward Schroeder, 4-H county agent, is expected to be present at this meeting. For recreation games were played and ice cream and cake were served.

## a message of interest to every Chevrolet owner in Cass City

(and to all other car owners, too)

Chevrolet's Owner Relations Program makes  
your satisfaction our first consideration

Here's an important message for people who own a Chevrolet... or are thinking of buying a new one. Chevrolet Motor Division operates a Department of Owner Relations—as far as we know the only one in the industry. Its policy is to see that Chevrolet owners are completely satisfied with Chevrolet products and Chevrolet service. Buleen Motors has this policy in action—seeing to it that you're well taken care of when you do business with us. Here are the extra benefits you'll get as a Chevrolet owner:

WHEN YOU BUY CHEVY—enjoy the confidence of knowing that Chevrolet is built with the quality you expect. That's because of the excellence of Chevrolet's engineering and rigorous inspection of details at the factory. Buleen Motors pledges itself to delivering your new Chevrolet in a condition of complete quality.

WHILE YOU DRIVE CHEVY—Buleen Motors is prepared to take better care of you with better service after you buy this fine product. It's our way of assuring you of the continued pleasure and satisfaction originally built into your Chevrolet.

WHEN YOU TRADE CHEVY—Buleen Motors salesmen are ready to serve you again! Chevrolet traditionally brings you more at trading time... and if you're about to become a member of the Chevrolet family, you, too, can count on us for a top appraisal.

Your satisfaction is our business.

## GREENLEAF

The youth-fellowship of Fraser Presbyterian church had a sledding party Monday evening on the hill in the field west of Angus MacCallum's house.

Mr. and Mrs. Rodney Karr had as Sunday dinner guests, his parents, Mr. and Mrs. Anson Karr, and Mrs. Eleanor Morris and Mrs. Doris Mudge. Afternoon visitors were Mr. and Mrs. Lester Tappen and infant daughter, and sons, David and Billy Sowden.

Among the ill is Leeson Moffatt who had surgery on a knee in Saginaw General last week, and Mrs. Ethel Bird who is a patient in Bay City Mercy Hospital.

John Monk passed away in Florida. Mrs. Monk was formerly Miss Mary McLellan, R.N., a resident here for many years.

Judy Ballagh was ill with a sore throat on Friday.

Mrs. David Gingrich visited Mr. and Mrs. Max Taylor Sunday afternoon near Mayville.

Mrs. Elgin Greenlee and daughters of Argyle visited her parents, Mr. and Mrs. Earl Hartwick, on Saturday.

Mrs. Pete Rienstra, Mrs. Melbourne Rienstra and Mrs. Loren Trathen were guests at a pink and blue shower Wednesday evening in Caro honoring Mrs. Duwayne Campbell. Friday was Mrs. Rienstra's birthday and the two Rienstra families and Mr. and Mrs. Paul O'Harris were entertained at supper at the home of Mr. and Mrs. Loren Trathen.

Mr. and Mrs. James McIntosh were Sunday supper guests of Mr. and Mrs. Don Seeger.

Mr. and Mrs. Merl Winter called on her uncle, Ed Schenk, at Vassar Sunday afternoon.

Patty Hoadley came Friday night to spend the week end at her home here. On Sunday her parents took her back to school in Lansing.

Well-balanced people are those who aren't easily upset.

A fellow may be a good loser, but he seldom admits that the best man won.

## BULEN TALKS Cars

WANT TO MAKE YOUR CAR LOOK LONGER?

Almost everyone can remember the days when the standard color for automobiles was black. You expected a car to be black just as refrigerators today are white. Twenty years ago black was the color of 75 per cent of the cars made; today only 10 per cent of our cars are black.

Livelier shades on automobile bodies only became practical in 1939 when the development of titanium and cadmium increased the durability of auto paint by 400 per cent.

Now that almost any shade of exterior finish is possible, psychologists are starting to develop theories about automobile colors and I'll pass them along for what they're worth. You can try them out on your own car, or on the cars at our lot.

First of all two-tone color jobs are supposed to make a car look longer and lower.

Colors at the red end of the spectrum make a car look bigger, the psychologists say, while colors at the blue end make it look smaller. At the same time they say that dark colors make a car look larger and lighter.

Where this leaves a car that's dark red or light blue I haven't the foggiest idea, since according to these theories they would be both heavier and lighter at the same time.

The durability of car paints that came with the application of titanium and cadmium has been a great boon to the used car buyer, as anyone can see by looking at the colorful display on our lot. That showroom shine lasts a lot longer these days, and especially on cars that have been given reasonable care. That's the kind we buy, and the kind we sell.

**State Boasts 71 Trillion Tons of Salt**

Michigan is blessed with a fabulous supply of salt... estimated by one geologist at 71 trillion tons!

We are of course, the No. 1 producer of salt in the United States, and geologists say we have at least 29 percent of the nation's total salt deposits.

One of our salt companies digs rock salt from an underground bed. Four others recover salt by evaporation from natural and artificial brines pumped from subterranean wells.

We produce table salt and rock salt and a variety of 100 chemical salts which place us among the nation's top producers of

pharmaceutical products... and the country's foremost source of aspirin.

Our only underground salt mine is 1,187 feet below the southwestern section of Detroit. Owned and operated by the International Salt Company, its 60 miles of tunnels could hold the entire population of Detroit.

Evaporated salt for table and other uses is produced from brine wells at St. Clair, Marysville, St. Louis and Manistee. Chemical companies also produce salt and natural brine for their plant operations at Midland, Ludington, Montague, Detroit, Filer City, East Lake, Manistee, Stron-

Do you have a teen-ager in your home that has a talent for eating? Particularly between meals? Some youngsters do have huge appetites; some are finicky about their food and all of them are changeable. All of them are "too busy" with other things to do to eat at mealtimes. This means that they "snack on" is extra important to their health, growth and complexion.

Wise parents have "refrigerator pickings" that will "feed" not just "fill". What about the cost-per-serving for some of the hearty easy-to-fix snacks youngsters can enjoy as they gather casually around the record player?

Some of their choices, "burger" and malt or barbecue and shake have high nutritional value. To keep the cost-per-serving low, nutrition up, and the food budget in balance, you may want to introduce non-fat dry milk into snack-time. When non-fat dry milk is mixed "ahead of the invasion" and cooled, the youngsters will enjoy the 7 cents a quart for shakes and malts. Fresh whole milk, too, is an important nutritional-nugget, full of calcium, Vitamin D and other nutrients. When a banana is added to a milk shake, the sighs of appreciation may outweigh the added 3-4 cents cost.

Hamburgers, sloppy-joes and barbecues can be made from ground beef or ground steak. Count on four servings to a pound of ground meat.

If you are introducing the "refrigerator raiders" to the new world of all-beef frankfurters, they will be 59 to 63 cents for ten, which makes a pound.

For the "after the game" snack, fruit punch, celery-by-the-inch, chili, rye wafers, or herbed cereal bites may be your choice. If you plan on mixing a quart of grape juice with pineapple juice for that punch, here is a "rule of thumb" to use in comparing costs. "To compare cost of the 1 1/2 pint can of juice and the 6-ounce can of concentrate, and you do not dilute the canned, or bottle juice, it is equally as good a buy as the frozen concentrate when the price of each is the same.

For the wooden bowl filled with "raw nibbles", celery will be 15c to 29c a bunch. Carrots, for sticks, will be 8c to 10c a pound.

The "apple of their eye" this week is the McIntosh. Or, maybe they would like to be "raisinable"! The best value is the two-pound unit. To make them easy-to-pick-up a little vegetable oil will reduce the stickiness.

For the bed-time snacker a suggestion from your home agent is "keep it light". So, the popular cracker-and-cheese with a warm drink is good.

For that "warm drink" a cup of hot bouillon, won't give teen-agers nightmares and won't tip those infernal scales. A cup of chicken, or beef bouillon costs about 1 1/2c.

Researchers at the University of Illinois tell us that those who ate heavy snacks before bed-time were more restless in sleep than the light snackers.

Surveys from all the states show that teen-agers are the poorest fed members of American families. What foods are most often lacking? Green and yellow vegetables, Vitamin C carriers (citrus fruit, tomatoes, cabbage, potatoes) proteins, milk and cheese.

Parents are doing something about it when there's a supply of finger foods and refrigerator picking that "feed" as well as "fill" the teen-ager.

Other people's mistakes won't help much if you insist on making the same kind.

OCTOBER 13, 1959  
October Session of the Tuscola Co.  
Board of Supervisors continued and  
held in the Court House, October  
13, 1959. Meeting called to order by  
Chairman Archie Hicks. Clerk called  
the roll with all supervisors present.  
Sup. Reavey and Sup. Jones. Min-  
utes of yesterday's session read by  
clerk and approved as read.  
Chairman Hicks presented the follow-  
ing order of business. As the  
three members of the Road Commission  
were present and Chairman Hicks  
called upon Mr. Howard Slater, Chair-  
man of the Commission, Mr. Slater  
after a few minutes of discussion  
Orville Kitzinger clerk of the com-  
mission who discussed the agreement with  
the township and the progress that  
had been made in construction of  
roads under this agreement and also  
discussed the agreement with the  
agreement might be of advantage to  
some of the townships.  
Moved by Sup. Jones supported by  
Sup. Hunsler that a change in the  
agreement in the matching of funds  
between the county and township and  
several townships be referred to the  
committee on roads and bridges for  
recommendations at this session. Mo-  
tion carried.  
Moved by Sup. Howell supported by  
Sup. Jones that we adjourn until 1:30  
this afternoon. Motion carried.  
AFTERNOON SESSION  
Meeting called to order by Chairman  
Hicks with quorum present.  
Mr. Rudolph Todd representing the  
Lions Clubs of Tuscola County came be-  
fore the Board in regard to a screen-  
ing program in the schools of this  
county for faulty vision among the  
pupils. Requiring the Board of Su-  
pervisors to make an appropriation or  
assume part of the cost of this pro-  
gram. Mrs. Lucy Miller, County Nurse  
also discussed and recommended this  
program as a very worthwhile project.  
Sup. Jones moved that the Board  
Scott also spoke in favor of the pro-  
gram.  
Judge Henderson Graham ap-  
peared before the Board and intro-  
duced Miss Frances Kitzinger, a repre-  
sentative of the County Welfare De-  
partment who discussed the children's  
foster care program. Stating that  
the Board under this agreement take  
Resolution from the Board of Super-  
visors. Moved by Sup. Draper support-  
ed by Sup. Jones that the Board  
conservation program be referred to the

## Woodlot Mills Boost Timber Output

The recent emergence of time-saving portable mills like the one pictured, together with better management practices, stand to boost timber production on farm woodlots and small woodland tracts in Michigan, both now and for the future. An efficient portable mill, complete with trucking facilities, can deliver quality products directly from these smaller timberlands to wood-using industries. In the past, most of these small tracts have been virtually untapped from the standpoint of optimum production. State foresters consider them vital to meet increased needs for wood products.

Is A Farm Census Worth The Trouble?

Held Aid To Farmer And His Suppliers

Census taking requires money and time, but turns up facts about the fast-changing business of farming that makes it worthwhile, maintains Marion D. Thomas, Oregon State College agricultural economist.

The census provides a factual foundation for wise management of farms, business and government, he noted. It's our main source of county and local data. Census answers such questions as: Where are yields highest? Where increasing most? Where is production located? How big? How many are farmers spending for supplies.

Each farmer benefits by knowing how he stacks up with farmers all over the nation. The farm count tells him how his farm is like the average farm; how it is different. It helps him make decisions in light of what has happened in other parts of the country.

WANT YOUR HIGHEST YIELDS?

The farm census is of benefit to the farmer and the people he does business with.

The census gives farmers the same kind of information used by businesses and governmental agencies in making decisions.

Public and private agencies serving farmers with information, materials, transportation, credit, storage and the like all use census figures to guide their plans, the economist points out. Advertising staffs of publications and firms that make or sell farm goods use census information to determine equipment wanted in different parts of the country.

Hog Cholera Program Working In Florida

Federal-State hog cholera control experiments of pilot-test dimensions have shown in Florida that 82.2 per cent of the pigs and 39 per cent of the vaccinated herds in the test area are adequately protected against the disease.

About 60,000 swine on 1,500 individual farms are being used in the experiment. The farms are located within a test area centered around the Department's Hog Cholera Research Station at Live Oak, Fla.

About 60 per cent of the pigs are being vaccinated with modified live virus vaccines and anti-hog-cholera serum. Representative samples of 11 vaccinated animals used in the experiment are tested for cholera immunity at the station.

From April, 1957, when the experiment started, until October, 1958, there were 18 suspected cases reported. Thirty-seven of these were tested by inoculation, which resulted in 12 positive and 25 negative tests for hog cholera virus.

A study of the suspected cases disclosed that, in the most instances, the affected hogs came from public markets in the test area. The Florida Livestock Board now requires that all hogs passing through public markets in the test area, and not destined for immediate slaughter, be vaccinated before being transported to a farm.

Good Tamper

Discarded drive shaft from an old auto, equipped with pinion gear, makes excellent tamping stick when setting new fence posts. The shaft provides a handle that is just the right length and weight is sufficient to pack the soil firmly around the posts.

Two people can play any game, but one has to be the loser.

Keeping out of trouble is as big a problem as getting into it after you get into it.

The man who deserves praise usually doesn't want it, and the man who wants it generally doesn't deserve it.

Marriage Licenses

Marriage licenses issued or applied for in Tuscola County this week were:

George Steve Frank, 26, of Caro and Beverly Ann McClorey, 21, of Cass City.

Floyd Leon Allen, 27, of Fairgrove and Ann Frances Hoverson, 29, of Fairgrove.

Norman Lee Rhodes, 21, of Saginaw and Ruth Ann Marker, 18, of Unionville.

15 from Cass City At Church Meeting

Fifteen persons from Cass City attended an open meeting of Presbytery at Sandusky Thursday, Feb. 14, to hear a proposal to change the boundaries of Presbyteries in the synod. The plan calls for a reduction in numbers from seven to five.

Under the new plan Cass City would be in a Presbytery that would include Bay City and Saginaw, in addition to Flint.

A panel discussion concerning national missions was also held. Attending from the Cass City church were Mr. and Mrs. Orion Cardew, Mr. and Mrs. Robert Hunter, Mr. and Mrs. Almer Krueger, Mr. and Mrs. Donald MacLachlan, Mr. and Mrs. Donald Reid, Mrs. A. J. Knapp, Mr. and Mrs. Melvin Vender and Mr. and Mrs. John Fish.

Attend Conference

Another meeting involving members of the Cass City Presbyterian Church will be the Presbyterian Young Adult conference at Kellogg Center at Michigan State University Feb. 19-21.

The theme is "So You Think You Are A Christian." Mr. and Mrs. Robert Schuckert, Mr. and Mrs. Gerald Stroupe and the Rev. and Mrs. John Fish plan to attend.

To avoid disappointment learn to expect the unexpected.

Pair United in Ferndale Recently

The Rev. John W. Parrish of First Methodist Church of Ferndale officiated at the recent wedding of Sharon Louis Malcolm and Robert Beecher McKillop.

Maxine Winn of Ferndale sang "Wedding Prayer" and the "Wedding Benediction."

Parents of the couple are Mr. and Mrs. Bruce Malcolm, 831 Allen, Ferndale, and Mr. and Mrs. Beecher McKillop, 62 Tyler, Highland Park.

The bride chose a gown of rose point Chantilly lace over skinner satin with Sabrina neckline softly scalloped, long, tapered sleeves, fitted bodice and a floor length, softly scalloped bouffant skirt.

Her fingertip veil of illusion fell from a cap of chantilly lace over satin outlined with seed pearls. She carried a cascade of carnations and feathered carnations with ivy and a removable orchid corsage.

Kathryn Malcolm attended her sister as maid of honor. Bridesmaids were Judy Cochrane of Ferndale and Cecilia McMullin of Berkeley.

The girls were dressed in blue lace over taffeta, the maid of honor in Contellion blue and bridesmaids in powder blue. Large satin bows in back highlighted the full circle ballerina length skirts.

Crowns of matching satin and seed pearls secured the circular veils.

Attendants carried cascades of white and pale yellow carnations with ivy.

Flower girl, Debbie Malcolm, sister of the bride, wore a light blue taffeta dress with a large bow in back styled like the bride styled like the other attendants. She carried a basket of flowers, pale yellow carnations and roses.

Ring bearer was Howard Malcolm, brother of the bride.

Douglas Snyder of Highland Park was best man. Seating guests were George McKillop, brother of the groom, and Richard Austin of Highland Park.

Following the ceremony there was a reception in the Social Hall of the church after which the bride donned a blue wool plaid two-piece sheath with gold accessories.

They took a trip in northern Michigan.

The bride, a June graduate of 1959 of Ferndale High School, is employed with Ver Haven Chevrolet, Detroit.

Her husband, a 1958 graduate of Highland Park High School, is employed with Ver Haven Chevrolet, Detroit.

Out of town guests were Mrs. Edna Malcolm, Mrs. Martha Bruce, Mr. and Mrs. Norman Kritzman, all of Deford, Mr. and Mrs. Charles Gedro and Stacy Dalton of Caro; Mrs. Howard Kelley of Cass City; Mr. and Mrs. Robert Bills and Sherry of Owosso; Mr. and Mrs. Duane Dean of Dayton, Ohio; and Mrs. Peter Harris and Janet of Grand Rapids, Minnesota.

The bride chose her aunts, Mrs. Norman Kritzman of Deford and Mrs. John Hastri of Royal Oak, to cut the wedding cake. To pour punch she asked Mrs. Peter Harris of Grand Rapids, Minn., sister of the groom. Mrs. Warren of Detroit and Mrs. Russell Warren of Dearborn, aunts of the bride, poured tea and coffee.

The bride was feted with two showers; a linen and personal shower was given by the attendants, Judy Cochrane and Cecilia McMullin, and a miscellaneous shower by two aunts, Mrs. Earl Warren and Mrs. Russell Warren.

A pessimist is just a sentimental optimist who expected too much.

After a man starts going bad he doesn't have to be shown the way.

**OUR POLICY**  
IT HAS always been our honest opinion that placing a "FOR Sale" or a "SOLD" sign on property or homes cheapens the property and the town. Our sincere belief was further augmented by one of our prominent citizens, when he cited one of the attractions to our village was the lack of "FOR SALE" signs on property. That is our reason for not placing signs on property we have listed or sold. We are grateful to those who complimented us on "Our Policy" in regards to placing signs on property we have for sale or have sold. "Thanks".

## Less \$\$\$s Mean Lost Conservation

The financial plight of Michigan's Game and Fish Protection Fund has wedged a wide gap in the ranks of the Conservation Department's working force, as graphically shown above. Equally alarming are additional cutbacks and deferrals which loom ahead for the state's conservation program unless fishing license fees are increased. Hunting and fishing license sales are the only sources of revenue for a large share of this program. As they go, so goes conservation in Michigan.

## News from Deford Area

Forty-five friends and relatives gathered at the home of Mr. and Mrs. Arthur Hartwick Saturday evening to surprise them on their silver wedding anniversary. There were two wedding cakes and the guests enjoyed refreshments of ice cream and cake. Mr. and Mrs. Hartwick received many lovely gifts. The party was planned by Alan and Hazel Ann Hartwick who came home from Saginaw for the occasion.

The Rev. and Mrs. Alan Weeks and family of Kingston, and Mr. and Mrs. John Chapin and daughter Debbie were Sunday dinner guests of Mr. and Mrs. Louis Babich, Miss Sue Kelley of Cass City was an afternoon caller at the Babich home.

Mr. and Mrs. Andy Tallman and daughter, Patty, were weekend visitors at the home of her parents, Mr. and Mrs. Loyd Battefield of Fyfe Lake.

Mr. and Mrs. John Henderson and son, Billy, of Uby were Sunday dinner guests of Mrs. Edna Malcolm and afternoon callers at

the Burton Allen home.

Mr. and Mrs. Gordon Holcomb and family entertained at dinner Sunday, Dr. and Mrs. Don Dosh and son of Genesee and Eldon Wilson and daughter Christine of Caro.

Mrs. Henry Rock was a guest of the Rev. and Mrs. Horace Murry of Pinetown from Wednesday until Friday of last week.

Bernard Babich was a weekend visitor at the homes of Mr. and Mrs. Joe Babich Jr. and family of Manton, and the Rev. and Mrs. Lyle Reynolds of Frankfort.

The Parent Teacher Club will meet Thursday evening, February 18, at 8 o'clock at the school house.

Mr. and Mrs. Albert Griffin of Cass City called Saturday evening on Mr. and Mrs. Grant Pringle and family.

Mr. and Mrs. Kenneth Churchill and children were Sunday dinner guests of the Rev. and Mrs. Donald Caister and family of Marlette.

Mr. and Mrs. A. D. Frederick

entertained at dinner Sunday, Mr. and Mrs. Ben Snyder of Caro and Mr. and Mrs. Armand Curtis and family.

Mr. and Mrs. William Zemke visited friends in Pontiac and Rochester Saturday evening and Sunday.

August Witkosky, Mrs. Walter Witkosky and son, Jack, and Mr. and Mrs. Lewis Surine, all of Caro, were Friday visitors at the home of Mr. and Mrs. Melvin Surine.

Sheryl Johnson, four-month-old daughter of Mr. and Mrs. Vern Johnson, was released from Bay City Mercy Hospital Sunday after six weeks' medical treatment for pneumonia.

Mr. and Mrs. Lyle Roach and Mr. and Mrs. Jr. Reavy and daughter, Karen, were Sunday afternoon callers at the Lloyd Short and John LaPeer homes in Cass City.

True character is measured by living the kind of life your admirers think you do.

### WOMAN'S WORLD

## Keep Family Cozy In Colorful Pajamas That Fit Well

THERE'S nothing as cozy or as inexpensive for nightwear as pajamas. With the new styles available, pajamas can be donned right after dinner, if desired, and then worn for lounging as well as bedtime.

The big news in pajamas is the matching varieties for the whole family. There are at least three manufacturers featuring these family sets, if the family all wants to be attired in matching pajamas. They feature gay conversational prints against red or blue backgrounds and are made to double as lounge wear.

If you're going in for these family sets, choose one that fits the family mood or tradition. Colorful Scotch toppers are combined with solid colored pants for nightwear. They're in the "highland fling" mood.

There are storybook variations of the Bear and warmer themes as well as the red candy striped types. All can be paired with matching hipper socks and long-lasselet nightgowns.

Fashion endorses white for pajama fashions and these have a bold touch of scarlet in the cross-stitched snowflake detail on yoke and borders. This features the new length in pajamas as well as the loose popover which is so comfortable for lounging as well as sleeping.

For Individuals

Of course there are always families which like to be individuals about nightwear as with anything else. There may be a boy who has just discovered bowling and there are pajamas for him.

There are novelties for the younger members who like to pretend: a bunny, a clown, an angel or a "zany" hero.

Embroidery details on the strict, pretty fashions this season are numerous. There are cross-stitched borders, satin-stitched floral motifs and other such elegant touches on the flannellette fashions of the season.

Eyelid laces, appliques, smocking and rick rack trim are other touches that add glamor to the garments.

## Try Lamb Stew In Variations

There's nothing quite so comforting as a pot of stew bubbling merrily on the range on a winter night when snow flurries fly high and the wind blows cold.

If you haven't tried lamb in stew, then there's a nice surprise coming your way with either of these variations to suit any palate:

**Tangy Lamb Stew**  
(Serves 5)

2 pounds boneless lamb stew meat  
2 teaspoons salt  
1 1/2 cups water  
1/2 cup lemon juice  
1/4 cup soy sauce  
2 tablespoons wine vinegar  
1 tablespoon instant onion  
1/2 cup chili sauce  
Hot cooked rice

Trim excess fat from meat and cut into 1-inch cubes. Heat skillet with fat removed from meat. Brown meat slowly on all sides. Add salt, water, lemon juice, soy sauce, vinegar and onion. Cover and simmer until meat is tender. Add chili sauce and heat. Serve over hot cooked rice.

The Irish have a way with lamb which you might like. Turnips and carrots add a nice flavor to this stew:

**Irish Stew**  
(Serves 5-6)

2 pounds lamb or mutton  
stew meat  
4 cups water  
3 carrots, sliced  
1 small turnip, diced  
1 onion, sliced  
2 teaspoons salt  
1/4 teaspoon pepper  
1 bay leaf  
3 tablespoons chopped parsley  
2 tablespoons flour

Cut meat in 2-inch pieces. Place in kettle with water. Simmer 2 hours. Add all remaining ingredients except flour and cook until vegetables are tender, about 1/2 hour. Thicken the broth with flour mixed with 1/4 cup cold water. If desired, dumplings may be cooked on top of thickened stew.

The chronic kicker kicks himself out of many good jobs.

**WELL ADJUSTED**

The ability to take things as they come in life is just another form of success.

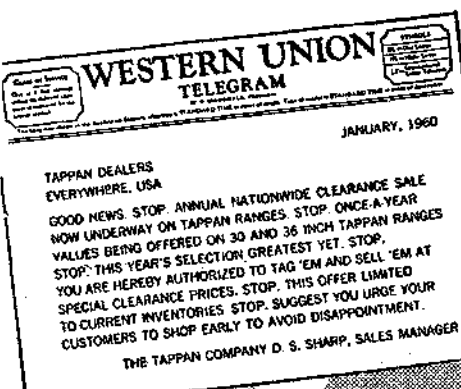

**ACTUAL PROOF**

Adversity has a way of showing up the weak spots in the character of some people.

## DOWN MEMORY LANE FROM THE FILES OF THE CHRONICLE

**Five Years Ago**  
Members of the Cass City Development Corporation re-elected Luke Tuckey to the board of directors of the organization at the annual meeting held Tuesday.

Newly elected officers of the Presbyterian Church are Orion Cardew as an active elder, Clinton Law as a trustee and Robert Hunter, Sr. as a deacon.

Members of the Craft and Study Club enjoyed an informative talk on the United Nations by Mrs. Earl Douglas Monday evening.

Six hundred and four students from schools in the Thumb area will gather at Cass City High School Saturday for the District Three Solo and Ensemble Festival.

Highlight of the scout award banquet Wednesday was the presentation of service awards to two veteran scout leaders, Watson Spaven of Mayville and Edward Baker of Cass City.

Cass City received \$2,638.90 as their share of the receipts of the state Motor Vehicle Highway Fund for the fourth quarter of the calendar year 1954.

**Ten Years Ago**  
The grand opening of Mr. and Mrs. Floyd O'Rourke's new restaurant at the intersection of M-53 and Gagetown Road is set for Saturday and Sunday, Feb. 18 and 19.

Twenty-seven citizens attended the village caucus Wednesday night and nominated the following candidates: president, Clifford Croft; clerk, Wilma Fry; trustees for two years, James Gross, Benjamin F. Benkelman Jr. and Curtis R. Hunt; assessor, Harold Jackson; members of library board, Doris Fritz and Dorothy Hunt.

Mrs. Walter Schell gave a history of the Woman's Study Club since its organization in 1908 at the meeting held Feb. 14 at the home of Mrs. Robert McNamee.

Mrs. Marie Sullivan was re-elected president of the Craft and Study Club and Mrs. Don McLachlan secretary-treasurer at the meeting Monday evening.

The need for better facilities for caring for the increasing number of students in the local schools was presented by Superintendent of Schools, Willis Campbell and Frederick Pinney, a member of the school board, to the Rotary Club Tuesday noon.

**Twenty-five Years Ago**  
The village caucus, in late years attracting about a dozen citizens, created more interest this winter when 58 gathered to nominate village officers. Nominated were George W. West as president, Cameron Wallace as clerk, Harry L. Hunt as assessor,

Andrew Bigelow as treasurer and Ernest Croft as trustee. Also nominated as trustees were E. L. Schwaderer and Mr. L. Wood. The nomination of Mr. West is the 17th time he has been named a member of the village council here.

Dr. P. A. Schenck of Cass City offers \$3 a hundred for Michigan beans in exchange for all classes of dental work or old accounts.

Henry Zemke has purchased the milk route of George Palmer and will continue to haul milk to the Nestle Food Company at Cass City.

Tuesday night's father and son banquet was attended by 231 fathers and sons and was one of the largest gatherings held under Community Club auspices in a long time. The program was sponsored by the mill, elevator and condensation groups with Roy M. Taylor as chairman and W. L. Mann as master of ceremonies.

J. A. Caldwell as village president, P. S. Rice as treasurer, H. L. Hunt as assessor, Mary M. Moore as clerk and M. E. Auten, G. A. Tindale and Roy Bricker as trustees were nominated at the village caucus Friday evening.

The Adams-Seeger Post of the American Legion attended the M. E. Church service in a body Sunday morning and in a brief ceremony were presented a flag, the gift of Mrs. Hiram Baxter, widow of a Civil War veteran.

The village council, by unanimous vote at a meeting that body Monday evening, offered to sell the electric lighting system of the village to the Michigan Electric Power Co. for \$9,000. The proposal was accepted by N. J. Frost, president of the company.

# Prune Costs Say Politicians

By Elmer E. White  
Michigan Press Association  
Economy is the watchword of the 1960 legislative session. Both sides say it is needed. The question is where and how much.

Two senators showed where \$43,800,000 could be saved by a "drastic pruning program." Governor Williams said the program—advanced, but not advocated, by Republicans Clyde Geertlings of Holland and Lynn O. Francis of Midland—was too drastic.

The senators themselves said it might be too drastic.

Less dramatic was the economy program outlined by Williams in his budget message.

Under Williams' economy program, the state would have to spend money to save money. The governor asked for \$75,000 for a study on an electronic data processing system which he said would ultimately produce savings of at least \$250,000 annually; \$364,311 to convert a soap factory at the Ionia Reformatory into a central laundry for other institutions at an annual saving of \$50,000; and \$600,000 for mental health research which would reduce the necessary hospital beds and patient population.

Just as Williams says Republicans go too far in economy plans, Republicans say Williams doesn't go far enough.

Streamlining of government through a series of agency mergers is one way Williams would economize.

Insurance Commissioner Frank Blackford, who headed the advisory committee that made the reorganization recommendations, said the Insurance Department, Banking Department, and Corporation and Securities Commission should be consolidated into one department.

Blackford could be in line to head the new department. Banking Commissioner Alonzo L. Wilson plans to resign early this year.

**STATE OF MICHIGAN  
COUNTY OF TUSCOLA  
CIRCUIT COURT COMMISSIONER'S**

Malcolm C. McLellan, Etta McLellan, Henry P. McLellan and Winifred McLellan, Plaintiffs, vs. Ralph M. Dorney and Lena Dorney, Defendants.  
At a session of said Court held at the State Savings Bank Building, in the Village of Cass, in said County on the 3rd day of February, A.D., 1960.

Before, Honorable Charles Bates, Circuit Court Commissioner.  
Order for appearance and service by publication.  
Suit pending before Charles Bates, Circuit Court Commissioner, for the County of Tuscola, on the 3rd day of February, 1960.

Malcolm C. McLellan, Etta McLellan, Henry P. McLellan and Winifred McLellan, having on the 23rd day of December, 1955, filed a complaint with the Honorable Charles Bates, Circuit Court Commissioner, against Ralph M. Dorney and Lena Dorney, whose last known address was 33 S. West Street, Hillsdale, Michigan, to foreclose a certain land contract dated the 28th day of June, 1957, in which Malcolm C. McLellan and Etta McLellan, his wife, and Henry P. McLellan and Winifred McLellan, his wife, appear as Sellers, and Ralph M. Dorney and Lena Dorney, his wife, appear as Purchasers, for the sale of land situated in the Village of Cass, City, County of Tuscola and State of Michigan, described as follows, to-wit:

Beginning at point two (2) rod east and ten (10) rods south of the northeast corner of the northwest quarter (NW 1/4) of Section thirty-three (33) of the Township of Elkland, Tuscola County, Michigan, thence east twelve (12) rods; thence south four (4) rods; thence west twelve (12) rods; thence north four (4) rods to the place of beginning; also two (2) rod east and fourteen (14) rods south of the northwest corner of the northeast quarter of Section thirty-three (33) of the Township of Elkland, Tuscola County, Michigan, thence east twelve (12) rods; thence south three (3) rods; thence west twelve (12) rods; thence north three (3) rods to place of beginning. Beginning ten (10) rods east and two (2) rods south of the southeast corner of east half (E 1/2) of Section 33, Town 14 North, Range 11 (eleven) East, thence south eight (8) rods; thence east (4) rods; north eight (8) rods; west four (4) rods to place of beginning; also a piece of land two (2) rods east on the southeast corner of the northwest quarter (NW 1/4) of Section 33, thence east twelve (12) rods; thence north three (3) rods; thence east four (4) rods; thence south seven (7) rods; thence west sixteen (16) rods; thence north four (4) rods to place of beginning.

The complaints and plaintiffs herein, allege that the Purchasers, defendants herein, now hold the said premises contrary to the conditions and covenants of said executory contract and seek possession of said lands.

In the above entitled cause it appearing that the defendants, Ralph M. Dorney and Lena Dorney, are residents of this State, and that process for their appearance has been duly issued, that the same could not be served by reason of their absence from or concealment within the State, and by reason of their continued absence from their place of residence.

Therefore on motion of Donald E. McAleer, Attorney and Agent for said complainants, it is ordered, that the defendants, Ralph M. Dorney and Lena Dorney, enter their appearance in said cause on or before thirty-five (35) days from the date of this order, that said appearance shall be filed with the Honorable Charles Bates, Circuit Court Commissioner, at State Savings Bank Building, Cass City, Michigan.

It is further ordered, that the complaint of Malcolm C. McLellan, Etta McLellan, Henry P. McLellan and Winifred McLellan, against Ralph M. Dorney and Lena Dorney, shall be set for hearing on the 9th day of March, 1960, in the office of the Honorable Charles Bates, Circuit Court Commissioner, at State Savings Bank Building, Cass City, Michigan, at 10:00 a.m., E.S.T.

It is further ordered, that complainants and plaintiffs herein, cause a copy of this order, to be mailed to said defendants at their last known post office address, by certified mail, return receipt demanded, at least ten (10) days prior to the time set for defendants to enter their appearance in this cause, that proof by affidavit shall be filed with the Court of such mailing.

It is further ordered, that a copy of this order shall be published within (12) days from the date of said order, in the Cass City Chronicle, a newspaper printed and circulating in Tuscola County, once each week for three (3) successive weeks.

boat registration law. When the boat law goes into effect March 1, state, county and local police will have power of arrest on the Great Lakes.

All power boats must be registered with the state. A \$2 fee will be charged.

Motorists-boaters making late purchases of auto license plates would be wise to ask for a boat registration form when they get to the head of the line at their secretary of state branch office.

Confusion has marked the debate over a petition drive to put the constitutional convention issue on the Nov. 8 ballot.

The farm bloc and some labor groups have urged their members not to sign the petitions being circulated by the League of Women Voters and the Junior Chamber of Commerce.

Democratic Governor Williams and the Republican State Central Committee have endorsed the petition drive, but have suggested the Legislature could place the proposal on the ballot by a two-thirds vote, thus eliminating need of the drive.

The lineup of supporters and opponents is pretty well known; the actual provisions involved have been hard to get across.

Four major changes would be made if the League-Jaycee proposal gets on the ballot and is approved by a simple majority voting on the question.

Many think the vote will be on whether a constitutional convention should be called. It's not as simple as that.

The Nov. 8 vote would be on a constitutional amendment which would be but one step in a long process.

Paramount importance in the League-Jaycee proposal has been attached to the provision which would change the vote required to call a con-con. At present a majority of those voting at an election is needed. The requirement would be changed to a majority of those voting on the question.

But key to the proposal is a change in the method of selecting convention delegates.

One delegate would be selected for each Senate seat and one for each House seat. Under the present provision, three convention delegates are selected from each senatorial district.

The actual vote on whether to hold a constitution convention would come at the April, 1961 spring election. As it stands now, the question would not be submitted to the electorate until 1974.

Election of convention delegates, under the League-Jaycee plan, would be at a special election to be held not later than 120 days after the proposal is certified as having been approved. The existing provision calls for

delegate selection at the biennial spring election following the general election.

The convention would be held in October of 1961.

By 1962 a new constitution would be ready for ratification by voters.

## Heart Attack Fatal For Saginaw Lady

Funeral services for Miss Geraldine May Hoffman were held Friday at 2 p.m. in the Elktion Methodist Church. She suffered a fatal heart attack Monday, Feb. 8, in Saginaw.

Born in Elktion Dec. 5, 1909, she was the daughter of Mr. and Mrs. John L. Hoffman of Elktion. For 23½ years Miss Hoffman was a fifth grade teacher in Suerbringer public school in Saginaw. She graduated from Elktion High School and received a B S degree from Western Michigan University at Kalamazoo.

Miss Hoffman was a member of the Ames Methodist Church in Saginaw.

She was a niece of the late Milton Hoffman.

Mrs. M. Hoffman and Mr. and Mrs. Arlington Hoffman and family attended the funeral in Elktion Friday.

## Last Rites For Mrs. Anna Guilds

Funeral services for Mrs. Anna B. Guilds, 70, wife of Ernest Guilds, were held Tuesday at 2 p.m. in the Douglas Funeral Home. Rev. Lloyd Wilson officiated and burial was in Elmwood cemetery. Mrs. Guilds, ill for some time, died Saturday in a Port Huron Nursing Home.

Daughter of the late John and Flora Chapel, she was born in Elmwood Township April 20, 1889. She and Mr. Guilds were married in Elmwood Township Sept. 21, 1911.

Surviving are her husband; four sons, Harlan of Pontiac, Harold of Melvindale, Franklin of Warren and Lawrence of Port Huron; one daughter, Mrs. Ray Lapp (Marie) of Cass City; 13 grandchildren; a great-grandchild and two sisters, Mrs. Lilian Moon of Cass City and Mrs. Hazel Giroux of Fort Lauderdale, Fla. A daughter, Edith Kelly, died five years ago.

## CYM to Meet In Caro Saturday

Dave Hueaby, director of Grand Rapids Youth for Christ, will be the speaker at the CYM rally at the old Caro High School gym Saturday, Feb. 20, at 8 p.m. There will be special music by the CYM Chorus and a Bible Club attendance award will be presented.

## Cassland Group at Marshall Home

The Cassland Farm Bureau met at the home of Mr. and Mrs. John W. Marshall Tuesday evening, Feb. 9.

Twenty-three were present to discuss the present day issues in school reorganization. With Maynard McConkey as moderator, the question of what is the fundamental job of the schools

today was discussed. The group felt strongly that teachers should continue to concentrate on the "3 Rs" with the addition of more health and spelling.

Alfred Goodall reported on legislative issues.

Mrs. Clara Carpenter urged participation in the TB x-ray mobile unit at their disposal on Feb. 16. Mrs. Ed Golding, Mrs. Mack Little and Mrs. Carpenter sponsored the publicity for Tuscola prior to the unit's visit to the county.

Mr. and Mrs. Noble Jump were guests and for the enjoyment of the group, showed films of their fishing trip in the western states.

A cooperative lunch was served by the hostess.

## WOMAN'S WORLD

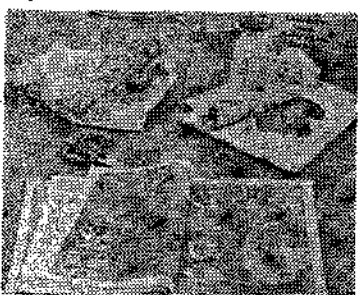

### Baby's First Book Can Be Washed If It's Made of Cloth

BABY'S FIRST book, like baby's first toy, should be indestructible, washable and perfectly safe. Books that meet all these requirements are the delightful long-lasting cloth books now generally available throughout the country. Their pages can be turned a thousand times. They can be rumpled, crushed, pulled and tugged. When they get dirty, and of course they always get dirty, you can wash them clean again.

In buying such a book, always spend a few extra pennies to get one that's labeled washable. It can actually go right into the washing machine. To play safe, however, or if there's any doubt about the washability, wash by hand in warm water, using a mild soap or a detergent.

### Starch the Pages

These books are attractive as are other books only when their pages are crisp but still pliable. After washing, it's a good idea to apply starch to the freshly laundered pages.

Baby's first book can join the list of hand-me-downs if it's made of cloth. You can wash, starch and iron it, then trim the pages neatly and pass it on to the next in line or give it back to baby for another hearing.

Here are some suggestions in handling the procedure: work quickly, laundering only one or two books at a time so you don't take chances with colors running together.

If there are badly soiled spots on any of the pages, scrub these with a small brush dipped in liquid detergent. This is best done before washing the book as a whole. Avoid rubbing harshly, wringing or twisting in any way.

To starch the books apply a heavy solution of crystalline type hot starch.

### May Be Ironed

It's best to dry the book on a line, either by hanging the opened book over the line at the stitching or pin it onto the line at the corner of the stitching. Do not pin the outside corners as these may stretch the pages out of shape.

When the book is completely dry, sprinkle the pages lightly with water, roll in a Turkish towel and iron in 15 to 20 minutes.

## Dates for Dessert Are Natural Sweet

Naturally sweet and truly delicious, dates make a wonderful dessert just for nibbling from a dish. If you like, fashion them into puddings, steamed or chilled for a real treat.

Here's an interesting steamed pudding which uses grated carrots and potatoes in addition to the dates:

### Steamed Date Pudding

(Serves 10)

- 1 cup fresh dates
- 1/2 cup shortening
- 1 cup sugar
- 1 teaspoon vanilla
- 1 cup finely grated raw carrot
- 1 cup finely grated raw potato
- 1 1/4 cups sifted flour
- 1 teaspoon soda
- 1/2 teaspoon salt
- 1/2 cup chopped almonds

Pit and slice dates. Cream shortening, sugar and vanilla until light and fluffy. Blend in carrot and potato. Sift flour with soda and salt and blend into first mixture. Stir in dates and nuts. Turn into greased 2-quart mold and cover closely. Place in a large kettle of boiling water, cover kettle tightly and steam continuously in boiling water for 2 hours. Remove from kettle, let stand 5 to 10 minutes, then invert on serving plate to remove molded pudding. Serve hot, with whipped cream, vanilla or hard sauce.

### Date Marshmallow Cream

(Serves 5)

- 1/2 pound marshmallows
- 1/2 cup milk
- 1 cup fresh dates
- 2 slices pineapple
- 1/2 cup heavy cream, whipped
- Few grains salt
- Lady fingers or macaroons

Cut marshmallows in quarters, combine with milk and let stand for an hour. Pit and cut dates in thin slices. Cut pineapple into small cubes. Combine all ingredients, except lady fingers with whipped cream. Let stand in refrigerator for several hours to "mellow", then spoon into small serving dishes, surround with lady fingers or macaroons and serve.

Use religion for a cloak in this world and you're apt to have use for a smoking jacket in the next.

You can depend on it, the average man is a little above the average—ask him.

Fame is fleeting for the man who has a little success and tries to camp on it the rest of his life.

## Girl Scouts Prep For Annual Tea

Cass City Girl Scout Neighborhood met Thursday night, Feb. 11, at the Girl Scout rooms when members decided again to sell cookies as a fund raising project. Mrs. Bill Wood is cookie chairman.

Leaders and their troops are now preparing for the annual program and tea presented in March each year.

## Greenwood Club At Endersbe Home

The Greenwood 4-H Club held its Valentine party Feb. 11 at the home of Phyllis Endersbe.

A potluck lunch was served by Mrs. Gertrude Endersbe and games were played. Visitors at the meeting were Mrs. Mary Putman, Jeanette Putman and Mrs. Clifton Endersbe.

The next meeting will be at the home of Leader Mrs. Helen Ellicott, Feb. 25.

Stick to the facts always—act on principle, not on opinion.

Part of our population complains that they have no work, and all the rest say they have too much.

## Elmwood Group At Rice Home

The North Elmwood Demonstration Group met Tuesday, Feb. 9, for an all-day meeting with Mrs. Sherwood Rice Jr. of Gagetown.

Roll call was answered by each member presenting a hint pertaining to the lesson. Mrs. Jerome Rocheleau presided at the business meeting.

An interesting lesson, "Building a Healthy Personality," was presented to the eight members and two visitors present by Mrs. Leo Patnaude and Mrs. William Ashmore.

The next meeting will be Mar. 9 at the home of Mrs. Ervin Walrod. The lesson will be about property rights.

A cooperative luncheon was served at noon.

## Cancer Workshop Slated in Caro

A Tuscola County Cancer workshop will be held Wednesday, Feb. 24, from 9:30 a.m. to 3 p.m. in the Methodist Church at Caro.

The program will include state and local medical men who speak briefly about cancer and two new cancer films will be shown. There will be discussion groups presenting information on organization, education and films, service and dressings and crusade.

Authorities hope to have every township and community represented.

A little pull may help some, but good workmanship wins out in the long run.

Narrow-minded people inherit a few prejudices and use them as guideposts in their journey through life.

The miracle man of today sprinkles the salt of economy on the tail of his earnings just to keep them from flying away.

## ORDER FOR PUBLICATION

General  
State of Michigan, The Probate Court for the County of Tuscola.
