Annual Ram Day Slated by Thumb **Sheep Breeders**

The annual Ram Day sponsored by the Thumb Sheep Breeders' Association will be held Wednes- Schultz. day, Sept. 28, at the Sandusky stockyards.

Sponsors emphasized that Ram Day is not an auction. Purebred breeders in the Thumb area bring in rams and place a price tag on them. Buyers can get the ram they wish at the price set by the seller. Graydon Blank of the animal

husbandry department at Michigan State University will be present to discuss sheep management and visit with sheep raisers. Using a good ram is still the

best way to improve the sheep flock and keep it profitable, say experts. Ram Day makes it possible to

take a one-stop visit of all the purebred flocks in the area, say members of the Sanilac County Extension Office.

ELECTRIC CLOTHES DRYER

DRYER IS BETTER FOR YOUR WASHABLES.

Whites stay white, colors stay bright. There's never any sun fading or fume yellowing. Since it's electric, there are no products of combustion. Freshly washed clothes stay clean all the way through. There are models which have a temperature for every fabric, from delicate synthetics and woolens to the heaviest work clothes. Dewrinkling cycles make ironing unnecessary for much of today's laundry.

TRULY A WORK-SAVING TEAM-AN ELECTRIC DRYER AND AN AUTOMATIC WASHER.

Pre-selected washing cycles and drying temperatures take all of the guesswork out of laundering. Gentle agitating and tumbling help fabrics to last longer.

TAKE THE WORK OUT OF LAUN-DERING AND THE LAUNDRY OUT OF HIDING.

Electric laundry appliances are so good looking, clean and easy to operate that you don't need to hide them any more. Many homemakers want them handy in the kitchen.

IN LOVING memory of our dear father, William I. Moore, who passed away twelve years ago Sept. 21, 1948. Just a token of love and remembrance, of one we shall never forget. Sadly missed by his children and granddaughter, Mr. and Mrs. Carl Harsh-

WE WISH to express our sincere thanks to friends, neighbors and all who helped in any way, to Dr. Donahue, Hills and Dales Hospital staff and Little's Funeral Home for the kindness and sympathy extended us at the illness and death of our

DEAR FRIENDS: David and I wish to thank everyone for the layette of baby clothes that was given to us. Everything was so nice. We will always remember how nice everyone was during our stay in your new hospital. The people of Cass City should be very proud of it. It is a very beautiful and modern place, and also very friendly. The best of luck to it in the future. Sincere-

WOULD like to thank Dr. Donahue, Mrs. Freeman and her staff of nurses at Pleasant Home Hospital; also Mrs. Pringle and nurses and the employees at Hills and Dales Hospital who helped to make my stay in the hospital more pleasant. To Rev. Fish, Rev. Vender and Mr. Gustin for their many calls and to all who offered prayers. To the Cass City Floral for their rose bowl; to my many friends and relatives for calls, flowers and cards. May God bless you all.

WE WISH to thank our friends, neighbors and relatives for their many acts of kindness at the death of our husband and father, Robert James Phillips. Especially we wish to thank Rev. and Mrs. Alan Weeks for their calls and prayers, for the gift of money and floral offerings, the dinner served to us after the funeral by the Deford Methodist Church and neighbors, the singers and organist for the beautiful message in song. Frances T. Clark County Home Demonstration Agent -

On October 4, there will be a fashion show at the Gagetown public school auditorium. Dessert will be served from 7:00 to 8:00 p.m. by the women of the Gagetown Community Park Association. This is the third year the women of this area have held a style show to help raise money for the Gagetown Park Associaain't been bowed down with tion. Tabor's of Bay City will put on the style show. Anyone want-

ing to know about tickets can contact Mrs. Grover Laurie of Cass City or my office here in Caro. Have you mothers checked your children's breakfast lately?

September is designated as 'Better Breakfast Month', so this is an excellent time for you to think about breakfast in your home. Do you serve the same breakfast menu day after day? Or is your breakfast a piece of toast and a cup of coffee? Studies have proved that the person with a well-rounded breakfast is the person who gets things done in the morning. It is the breakfast skipper or skimper who suffers from that mid-morning lag. If you are weight conscious, breakfast is highly important to you, too. If you skip breakfast then around 10:30 a.m. you feel so listless that you think you just have to have a bite to eat. The chances are, you will pick a high caloric snack to "tide you over."

What does a good breakfast include? Here is a good model to follow: (1) Citrus fruit or juice, (2) Meat or egg, (3) Cereal and or toast, (4) Milk.

Why don't you surprise your family this coming week by serving them a different breakfast every morning? It really is easy to do because there is such a great variety of foods now available for breakfast. Here are some fruit suggestions: apples, melon. prunes, pears, plums, grapefruit, oranges, apricots, bananas, peaches or berries. Let's all have bananas, etter breakfast not only during Better Breakfast Month but all 12 months of the year.
