

## Board Okays Coaches' Pay

Cass City High School Board of Education members loosened the purse strings long enough Monday night to agree to purchase a band instrument, a power hacksaw and to pay the school's two coaches for the fall junior high football program.

Board members agreed to pay half of the purchase of either two baritone horns or one concert bass. The move centered around a request from the Band Boosters Club for the horns.

The club proposed to pay \$500 on the purchase of the horns if the school would pay the rest. The two baritones would cost approximately \$460 and the concert bass sells for about \$684, for a total of \$1,144.

Superintendent Willis Campbell, in presenting the request, pointed out that most of the instruments in the past have been purchased by the club and that few of the instruments have been bought by the school.

### Coaches

Cass City's two head coaches were each paid \$50 for handling

the junior high coaching schedule following a motion by Horace Buien, board member.

During the football season, the coaches spent four evenings a week and Saturday mornings instructing junior high boys in flag football.

The \$400-a-year junior high coaching post was left vacant when school started and the coaches took over the duties because they felt the program was needed.

Some board members felt the men shouldn't be paid because the board was not contacted before the program started. Others felt that payment might set a precedent.

It was finally pointed out by Buien that the money had already been allocated for the junior high program and paying the coaches would be the proper procedure.

### Shop Request

The board agreed to purchase a \$75 power hacksaw for the shop department but tabled action on the purchase of a \$287 jointer pending further investigation.

The present jointer, while still in working condition, is outdated and parts are not available. Board member Elwyn Helwig was appointed to investigate the purchase of a new jointer.

Another request by the Athletic Department, for the purchase of a new movie camera, was tabled. The camera, costing approximately \$340, featured slow motion, still shots and can be reversed.

It would be used primarily during football season to show players what mistakes they are making in the games. The school already has two projectors.

In other business, board members were handed mimeographed copies of a proposed 10-team league study compiled by Decker High School. The proposal, in brief, seeks the admission of Decker and Millington to the Thumb B league. Both are now in C league.

Campbell reported that a delegation of teachers was to attend Monday's session and it was speculated they planned a preliminary discussion of contracts.

The teachers did not appear, however. Contract discussions are usually held in January.

**NEW GROUP** - These four Cass City High School students comprise "The Esquires," one of several ensemble groups to be featured in the choral section of the annual Christmas concert, "That Holiday Spirit," slated for Wednesday, Dec. 19, in the high school auditorium at 8:00 p. m. They are: Charles Iseler, Linda Severance, Bill Dobbs and Sandy Copeland. (Chronicle photo.)

## Students to Present Annual Concert

Rehearsals are under way for "That Holiday Spirit," this year's annual Christmas concert slated for Wednesday, Dec. 19, at 8:00 p. m. in the High School auditorium.

Religious and nonreligious Christmas music will be presented under the direction of Roger Parrish, choral music director, and Richard Case, band director.

Featured will be the 80-member Cass City High School Choir and the Concert Band. Several vocal soloists and ensembles will also be featured. A freewill offering will be taken during the performance.

### Choir Selections

Soloists include Sandra Copeland, Rosemary Deering, William Dobbs and Charles Iseler.

Four ensembles will be featured. They include: "The Tonettes," a girls' trio comprised of Linda Severance, Sandra Copeland and Susan Van Vliet; "The Rietstra Twins," Dean and Dennis, and "The Undergrads," Tom Craig, William Dobbs, Tom Ellis and John Herhalt.

Also to be heard for the first time will be a new mixed quartet, "The Esquires," Miss Copeland, Miss Severance, Dobbs and Iseler.

Selections by the choir include "Raise Now Your Song on High" by C. Saint-Saens, "While Shepherds Watched," a 17th Century echo hymn, "O Holy Night" and "Silver Bells."

Combined music by the band, choir and audience will complete

the program.

### Band Numbers

Junior High Band selections include "Hansel and Gretel Overture" by Humperdinck, "The Christmas Suite" by Harold Walters and "Yuletide Sketches" by James Ployhar.

The Senior High Band portion of the program will feature "Heat Lightning" (march) by Richard Bowles, two themes from the "Nutcracker Suite" by Tchaikovsky, "Yuletide Festival" by John Warrington and "A Christmas Fantasy," a group of four carols by the band and choir. The audience will be invited to stand and join the singing of the last two carols.

## Hawks Face Hatchets

Cass City will open its home season Friday against the Hatchets from Bad Axe and Coach Wayne "Speed" Wilson will present a juggled line-up in an effort to get the Hawks their first win of the season.

Ronald Randall has moved into a starting role at guard in place of Roger Parker and Wilson rated the starting nod between Marvin Iyer and Ed Retherford a tossup.

The other three spots will remain the same with Walter Hempton at center and Mike Karr and Jim Champion at guard.

The Hatchets were expected to be one of the league powerhouses in preseason estimates, but were soundly beaten by Sandusky in their opener and must now be rated an unknown quantity.

In fact, results of the first two weeks of play in the league indicate that no club is overly powerful. The Lakers were defeated by North Branch in a non-league encounter. Only Vassar has lived up to preseason billing in the opening round of play.

Last week's scheduled game against Vassar was postponed because of weather and will be played sometime after the holidays.

If the Hawks are to be a factor in the Thumb B Conference race they will have to start winning soon. It is unlikely that the eventual champion will have more than two or three defeats and the Hawks have already bowed to Marlette in the opening game for both clubs two weeks ago.

### For Village Water Department

## Little Hope for Federal Funds

The village of Cass City will continue to process an application for money under the Federal Redevelopment program but chances of receiving money are now considered remote.

At the last regular meeting of the council, trustees voted to try for \$100,000 from the government while the village furnished an equal amount to give the community an ideal water system.

Since that meeting, councilmen learned these discouraging facts: 1. There are 200 applications in Chicago now waiting for processing and the government is work-

ing on number 37.

2. Since the Cuban war scare all funds in the project have been frozen.

In the special meeting Wednesday, Dec. 5, trustees also voted to lower their sights and ask for less money, reducing funds requested from \$100,000 to \$75,000. Another change was the method of financing the village's share of the cost. Originally, revenue bonds had been given the green light, but at the special meeting the council switched to general obligation bonds.

There are several differences between revenue bonds and general obligation bonds. Revenue, as the name suggests, pledges the money earned (in this case by the sewer and water department) to pay the borrowed money. General obligation bonds pledge the entire resources of the taxpayers. Revenue bonds can be issued on resolution by the council while general bonds require a vote of the people.

Revenue bonds always cost more because they carry a higher interest rate.

### Water Rates

Trustees are still debating a change in water rates. They held a special meeting Friday, Dec. 7, and failed to come to a satisfactory conclusion. When the new rates are established it is regarded as a certainty that the water and sewer charge will be increased.

### Raise Salary

In the only other business in the special meetings, the salary of Chief Carl Palmateer was raised \$5.20 weekly retroactive to the date six months after he began his duties for the village.

## Cass City Hospital Board Re-elected

The 11-member board of Cass City Hospital, Inc., was re-elected Monday night at a brief first annual meeting in the Elementary school auditorium. Poor attendance of the meeting was blamed on the bad weather.

Re-elected were Dr. K. I. MacRae, Dr. J. H. Ballard, Dr. R. T. Oliver, Almer Krueger, Cliff Croft, Leonard Damm, Dolan Sweeney, Edward Rusch, James Ellis, Mrs. Stanley Kim and Morris Jones.

During a board meeting following the session, the following officers were named: Krueger, president; Sweeney, vice-president, and Jones, secretary-treasurer.

Business for the meeting consisted of building, campaign and finance reports.

Members were also told that bids for the new hospital addition are soon to be let. Some preliminary excavation has been done and actual building is expected to begin early next spring.

## Slate Open House In Grade School

Cass City Elementary School will hold open house Monday evening, Dec. 17, from 7 to 8:30 o'clock when parents and children will visit schoolrooms.

Authorities said that refreshments will be served in the cafeteria and a program will be presented.

## To Give 2 Free Bikes Friday

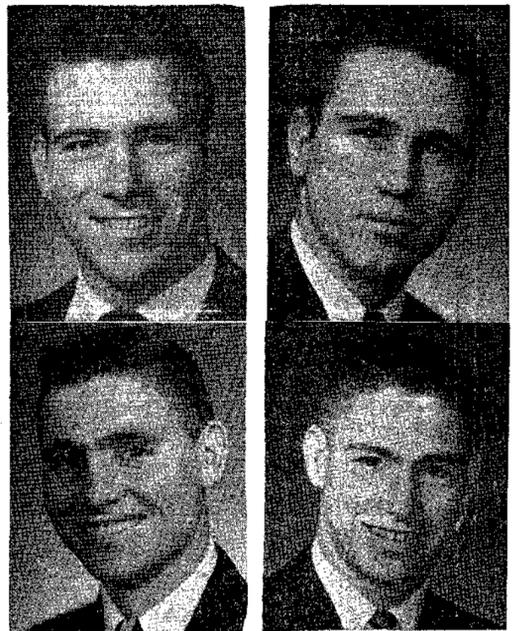

Weather forced the cancellation of the free bike giveaway in Cass City and Chamber of Commerce President Dick Erla announced that two bikes would be given this Friday at 9:30 p. m.

The drawing will be held at the corner of Seeger and Main streets.

Santa made his first appearance in the village Saturday afternoon and will continue to make regular week-end appearances until Christmas.

The schedule calls for visits Fridays and Saturdays, Dec. 14-15 and 21-22, from 3 to 5:30 p. m. and from 7 to 9 p. m.

Starting Friday most Cass City stores will be open evenings until Christmas eve when they close at 6 p. m.

**FLYING FOXES** - Raymond Fox, upper left, son of Mr. and Mrs. Ronald Fox, Cass City, became the fourth member of his family to be commissioned in Air Force through the Michigan State University ROTC when he received his second lieutenant bars Friday, Dec. 7. Other Foxes commissioned through the program include: James, 1955, upper right, Robert, 1957, lower left, and Edward, 1959, lower right.

## Another Flying Fox Wins Commission

A Cass City man was awarded his Air Force commission Friday, Dec. 7, in ceremonies at Michigan State University and became the fourth member of the "Flying Foxes" to be commissioned.

Awarded his second lieutenant bars was Raymond Fox, son of Mr. and Mrs. Ronald Fox, Cass City. Fox's three older brothers all received Air Force commissions through the ROTC program at MSU.

First to receive his commission, in 1955, was Capt. James Fox, now a navigator on a B52 at Elgin Air Force Base, Fla. Capt. Fox is married to the former Virginia Terhush of Cass City and has two children.

Next to be commissioned, in 1957, was Lt. Robert Fox, a navigation instructor at James Connally Air Force Base, Texas. Lt. Fox is currently in transit to Iran as a member of a crew delivering a plane.

In 1959, another brother, Edward, now Lt. Fox, was commissioned. He is an F100 pilot based at Homestead Air Force Base, Fla., but currently on duty in Okinawa.

The brothers, termed MSU's answer to the "Flying Tigers," are all graduates of Cass City High School. Their parents live on a 168-acre farm northeast of Cass City.

Raymond is scheduled for navigator training. "Being the youngest in a family of four has its drawbacks," he says, "but I feel I can do anything my brothers can, including flying."

Lt. Col. George A. Davies, professor of air science, stated, "Both MSU and the Air Force can feel fortunate to have had a succession of brothers as the Foxes in their programs. I extend my sincere congratulations to all four of the flying Foxes and to their parents."

### For Townships and Village

## Primary Petition Deadline Nears

Voters in Cass City and in townships using the primary system to elect officials were reminded this week that the deadline for filing petitions for candidates is Dec. 31.

In the Cass City area, Novesta and Elkland townships use the primary system. Other area townships nominate by caucus. Township petitions are available at the homes of the clerks and village voters can secure petitions from the village clerk at the Municipal building.

**Village Primary**  
In Cass City the offices of president, clerk, treasurer, assessor and three trustees are up for grabs.

Two of the three trustees whose terms expire have indicated that they will not run for re-election this year. They are Lee Rabideau and Leo Ware. The other incumbent is Jerome Root Jr.

**Township Primaries**  
In Novesta and Elkland townships, electors will nominate a

### From the Editor's Corner

Despite the fact that a representative from the Tuscola County Sheriff's Department has been coming to the Municipal Building for over a year, drivers forget unless reminded. In his two-hour stint here, the deputy has been issuing about four licenses. Last week the Chronicle ran a reminder article at the request of the department.

Over 20 persons applied for licenses... so many more than expected that the department was forced to send for more application blanks from Caro.

The weather stopped just about everything Thursday and Friday and curtailed activity for the week end. Stores reported little business during the blizzard but merchants were not discouraged by the weather. Most felt that the business that didn't materialize Friday was not lost, only delayed.

The Chronicle felt the weather in its news columns. News from correspondents was down a third and social and club news was sharply curtailed as meetings were postponed and residents stuck close to home unless forced out.

Today the Michigan Sugar Company first beet payment goes to farmers. It totals \$1,871,430 based on \$9.25 per ton, up \$1.50 per ton over last year.

Average beet yield was about the same as last year (16.58 tons per acre) but sugar content jumped from 13.87 per cent to 15.50 per cent.

The payment is the first of three from the company. Smaller payments are scheduled in the spring and the final payment will be made Oct. 15.

In January a government subsidy payment of \$2.21 per ton will be distributed, the same amount as was paid last year.

## Investigate Local Auto Accidents

A Deford driver was ticketed for driving without his license Saturday in a two-car accident just south of Cass City shortly after noon.

Ticketed was Daniel Gyomory Sr. after his car struck the rear of a car driven by Regina H. Salcido, 23, Gageton.

According to the report filed by Chief Carl Palmateer and Patrolman William McKinley, the Salcido car had signaled for a turn and Gyomory was unable to stop.

Earlier in the week, Palmateer investigated a minor accident at the Sunoco Service Station involving cars owned by Charles L. McConnell, 21, Cass City, and Elizabeth Skripy, Deford.

The accident reportedly occurred as McConnell turned into the station. The Skripy vehicle was damaged.

McConnell's car was damaged on the hood and the Skripy car was damaged on the front end. Concluded on page two.

## Hrabec Seeks Lawyer

A Bay City attorney is slated to meet with Steve Hrabec sometime today (Thursday) to determine whether he will defend the 76-year-old Cass City man charged with assault with intent to murder.

The appointment of E. J. Tally, Bay City, was made after a plea of not guilty was entered for Hrabec Wednesday, Dec. 5, in a Circuit Court session in Caro.

Hrabec was arrested Nov. 5, in connection with the hammer attack on his wife as she lay asleep in their home.

Still in jail, Hrabec has been without legal counsel since his arrest. Judge Timothy Quinn, Circuit Court Judge, advised Hrabec to seek legal advice following the not guilty plea.

## Judith Gremel Graduated from MSU with Honors

Miss Judith Gremel, daughter of Mr. and Mrs. Nelson Gremel, Cass City, was graduated with honor (Cum Laude) and received her Bachelor of Arts degree during fall-term commencement exercises at Michigan State University Friday, Dec. 7.

Dr. Samuel M. Brownell, Detroit Superintendent of Public

**450 at Annual Christmas Tea**  
An estimated 450 persons attended the annual Home Economics Extension Christmas Tea recently in the Reese High School gym. The theme was "Christmas Around the World." Following the theme, each home extension group was assigned a country for its educational exhibit. Cass City's display was Christmas in Czechoslovakia. Other displays featured Yugoslavia, Japan, France, Switzerland, Ireland and Scandinavian countries. Individual themes centered around religious, food, art or craft customs.

**FALSE ALARMS**  
Continued from page one. There is also the possibility that several of the callers have been trying to reach the library or the police department. Under the old system, the same number reached the fire hall, the police department and the library.

Avery stressed the point that now the fire department and the police department have separate numbers and the library has no phone. The wrong numbers have presented a lighter side to the problem. One fireman answered the ring and a woman's voice on the other end asked, "Is Cass City going to have a pageant this year?"

**ITS RELIABILITY COMES FROM ITS QUALITY**

A nutshell description of Chevrolet trucks could be "Trucks That Work". It's not exactly earthshaking but it says a mouthful. It's what Chevrolet trucks are best known for—their reliability. Ready to work, day after day, whenever you are. You can't build trucks that perform like this if you don't put quality into engine, chassis and body. Chevrolet does: double-wall construction, insulated cab, select-wood body floor, chain-supported tailgate, ladder-type frame, the careful attention to upholstery and finish. It's this kind of quality that makes any Chevrolet truck—from pickup to heavyweight tandem—worth more on the average at trade-in!

**Walsh-Weippert Vows Exchanged**

An altar decorated with red poinsettias provided a holiday setting for the Saturday afternoon wedding of Miss Donna Marie Weippert and Douglas Walsh in Cass City Good Shepherd Lutheran Church. The ceremony was performed by the Rev. Paul Heitmann.

The bride is the daughter of Mr. and Mrs. Albert Weippert and the groom is the son of Mr. and Mrs. George Walsh of Elkton.

The bride selected a ballerina-length gown of lace and peau de soie. Appliques of lace and a self bow at the back accented the wing-styled skirt featuring a draped back. A lace headpiece enhanced with pearls and sequins held her silk bridal illusion veil and she carried a cascade arrangement of Yuletide roses with white streamers on a Bible.

The bride's sister, Mrs. Richard LaPeer, as matron of honor, wore a red velvet frock with matching accessories. She carried a cascade arrangement of Yuletide roses and red streamers.

Richard LaPeer was best man. Guests were seated by Fred Yonke of Caro and Michael Schark of Saginaw.

A dinner was served the immediate families and bridal party at Blue Water Inn, Caseville, followed by a reception at the home of the bridegroom's parents.

The new Mr. and Mrs. Walsh are traveling through Michigan and eastern states. They will live in Lexington Park, Md., where he is stationed with the United States Navy Air Force.

**ENGAGED**

Janice Pine

Mr. and Mrs. Violis Pine of Unionville announce the engagement of their daughter, Janice Marie, of Flint to Thomas Wall Jr., son of Mr. and Mrs. Thomas Wall of Davison.

The bride-elect is a graduate of St. Mary's Nursing School, Saginaw.

Her fiancé graduated from Western Michigan University and is on the teaching staff at St. Michael's High School in Flint.

A February wedding is planned.

**Zontians Slate Annual Party for Senior Citizens**

The Cass City Zonta Club will hold its annual Christmas party for Cass City's Senior Citizens Sunday, Dec. 16, at the New Gordon Hotel from 3:00 to 5:00 p.m.

This year, according to Mrs. Helen Baker and Mrs. Lucile Bauer, chairmen, Santa Claus has promised to bring along Mrs. Santa Claus to greet all their old friends.

The program is designed for old friends to meet and talk over the year's happenings and make new acquaintances. Last year, a record crowd attended the session and Zontians are hoping for a bigger attendance this year.

All senior citizens will be notified and if they wish to attend, will be picked up by members of the club. The club will also provide transportation home.

**Big Turnout at Auxiliary Party**

The American Legion hall was decorated for Christmas, including a beautiful Christmas tree, for the December regular meeting and Christmas party for the Auxiliary. Sixty attended the meeting.

In the absence of President Mrs. Vern McConnell, who is convalescing, Mrs. Arthur Kelley, vice-president, presided over a routine business meeting.

Mrs. Philip McComb, membership chairman, reports the Unit now has 82 adult members and 20 junior members. Membership pins were presented to a group of new members, including the newest member, Mrs. Vern Watson.

At the close of the business session, a short program was presented under the direction of Mrs. Philip McComb. The program included a presentation of the Nativity scene by junior members, the singing of Christmas carols and a candlelighting finale.

Secret pal gifts were exchanged and names drawn for the coming year.

Door prize went to Mrs. Basil Wotton and the junior prize to Karen Holm.

Mrs. McComb and her committee served jello, fruitcake and Christmas cookies.

The January meeting will be held at the Legion hall.

Mrs. Philip McComb and Mrs. Richard Erla were appointed to distribute baskets of food which were contributed by members at the meeting.

Mrs. Frank Klee Jr.

Miss Ruth Margaret Meredith and Frank Joseph Klee Jr. spoke their sacred nuptial vows at Sts. Peter and Paul Catholic Church, Ruth, Saturday, Dec. 1, at 10 o'clock. The altar was decorated with bouquets of white chrysanthemums and the Mass was by Msgr. Frank Kaufman.

The bride is the daughter of Mr. and Mrs. Grant Meredith of Snover. The groom is the son of Mr. and Mrs. Frank J. Klee Sr. of Minden City.

The bride, given in marriage by her brother, Alvin Meredith, was attired in a white sheath lace over satin gown styled with a wedding ring neckline and elbow-length sleeves. The short veil of silk illusion was held in place by a dainty crown of lace and sequins. Her only jewelry was a single strand of pearls, a gift from the groom.

The maid of honor, Miss Beverly Klee, sister of the groom, wore a green silk sheath dress, matching shoes and headpiece and her flowers were an arrangement of white mums.

The bridesmaid, Miss Ann Meredith, sister of the bride,

wore a similar costume. The groom was attended by his brother Harold and the bride's brothers served as ushers.

Lorie Wrubel of Ypsilanti, niece of the groom, was flower girl. She carried a basket arrangement of white mums.

A wedding breakfast was served at the home of the groom's parents for the immediate families. The reception was also at his parental home from 2 to 6 p.m. The bride's table was covered with an imported white linen cloth and centered with a wedding cake, lighted tapers and flanked by bouquets of white chrysanthemums.

The bride graduated from Cass City High School in 1960 and also from Detroit Beauty School. She was employed by J. L. Hudson Co. She will open her own beauty shop in Minden City.

The groom graduated from Sts. Peter and Paul Catholic School, Ruth, in 1959 and is employed at Ruth Farmer's Elevator.

They are living in Minden City.

**THE SEASONAL USED CAR MARKET**

Any time is a good time to buy a used car if you buy it sensibly. Being used, it is subject to possible service problems that a new car is not. But this gamble can be eliminated if it is bought from a reputable dealer who has reconditioned it and who stakes his reputation on his customer's satisfaction.

But best of all, the buyer of a quality used car is realizing more value for his dollar than virtually any other purchase in all commerce.

Bearing in mind these facts, however, there is a seasonal adjustment in the depreciation factor that makes the next six months the best period of the year for a used car purchase. Here's why: Annual depreciation, which chaps away constantly at the value of all used cars, knocks prices down in a series of declines starting in July, when the spring rush has subsided; again in September, after vacation buyers have made their purchases; prices drop a third time in October when the new models come on the market.

The fourth annual price decline is caused by slackened demand due largely to November snow and cold. Then prices firm until spring when the July cycle starts again.

The used car you buy now will lose little, if anything, in depreciation in the six months between now and March - the season when you need reliable transportation most! Buy it wisely from a dealer you can put your confidence in.

**J. M. Tindale Dies At Traverse City**

Funeral services were held Tuesday at Little's Funeral Home for J. Morley Tindale, 86, following his death Saturday at Traverse City. Mr. Tindale had been in ill health the past two years.

The son of the late Mr. and Mrs. James Tindale, he was born Oct. 2, 1876, in Greenleaf township. A former Cass City resident, he spent the last 15 years at Traverse City. He was a retired farmer and carpenter.

Surviving are a sister, Mrs. Irene Johnson of Traverse City, and several nieces and nephews.

Rev. John Hall Fish, First Presbyterian Church pastor, officiated and interment was in Elkland Cemetery.

Poultry losses from all causes cost producers about \$240 million annually, say Michigan State University poultry specialists.

# Work Stalls in Cass City in Worst Pre-Christmas Storm

The worst pre-Christmas storm in recent years paralyzed activity in the Cass City area and the state Thursday and Friday as workers were unable to get to jobs and farmers were forced to heroic measures to get milk to market.

Although Cass City plants did not close, they operated with absenteeism as high as 80 per cent. One official said, "There were not many there and we wondered why the ones that were bothered to come in."

John Marshall, who works at Cliff Ryan's, said that it was the first time in the seven years that

he has been employed in the village that he was unable to get to work.

Hospitals were also affected. Mrs. Gertrude Falkenhagen, a patient at Hills and Dales General Hospital, reported that a vote of thanks to the nurses on duty is in order. She said that some of the nurses pulled extra shifts to help out in the emergency created when others were unable to get to work.

Stories of snowbound farmers taking several tractors and traveling many miles to get milk to market were commonplace.

Village crews worked long

hours, late into the night and early in the morning at snow removal and by Saturday morning had cleaned Main Street and started working on other critical areas.

### Snow Welcomed

The snow was welcomed by the small fry. Accompanied by fairly mild weather, the snow was ideal for snowballs, snowmen and snow houses and the kids took full advantage of their opportunity.

Oxygen is used to oxidize food within the cells of animals.

70 YEARS YOUNG - One of the oldest civic organizations in Cass City is the Woman's Study Club. Many elder citizens help the club remain an active force in the community. About half of the members are 70 years old or older. Ten of the 16 members who have reached three score and 10 were present for the club's regular meeting Tuesday. From left, seated: Mrs. Audley Kinnaird, Mrs. Alfred J.

Knapp, Mrs. John Sandham and Mrs. Chester Graham. Standing: Mrs. William D'Arcy, Mrs. R. D. Keating, Mrs. J. D. Turner, Mrs. Melvin Vender, Mrs. Sadie Rolison and Mrs. Margaret Haire. Absent when the picture was taken were these members who are at least 70: Mrs. William Wetters, Mrs. H. F. Lenzner, Mrs. Walter Schell, Mrs. Harry Young, Mrs. Guy Landon and Mrs. Sam Blades.

## Holstein Breeders To Meet Dec. 18

Tuscola county registered Holstein breeders will have their annual meeting Tuesday, Dec. 18, at 1:30 p.m. in the Wilber Memorial 4-H Building, Caro.

President Earl Koch, Millington, announced that the program will be of interest to all members.

Russell Miller, national Holstein-Friesian Association fieldman, will talk on the Holstein-Friesian national extension program. Program plans are to be discussed in preparation for the county's 1963 Black and White Show and two new directors will be elected to replace retirees Clarence Merchant, Cass City, and Alton Reavey, Akron. Non-retiring directors are Earl Koch, Foster Hickey of Fairgrove; Allen Rohlf, Fairgrove, and Ronald Hampshire, Deford. Refreshments will follow the meeting.

Five per cent of the dairy farms in Tuscola county have registered Holstein cattle. This small group represents a real important contribution toward perpetuating and improving the Holstein breed. The results of such breeds as found in Tuscola county can be seen in Holstein herds in every county, state and many countries.

Had it not been for registered Holstein breeders and their association, the quality and production of this breed would not be of the high standards seen today. Everyone has benefited.

**BOOK REVIEW**

**Harry Golden is A Delightful Author**

By the Rev. Robert J. Searls

Ever since the writing of the book **ONLY IN AMERICA**, by Harry Golden (whose son writes for the **DETROIT FREE PRESS**), we have looked forward to more of those short and pithy paragraphs that hit us between the eyes. Editor of **THE CAROLINA ISRAELITE**, this Jewish author is what reviewers like to call "delightful." He is an advisor to various branches of the federal government and is as widely traveled as he is read. The best way to review this book, **YOU'RE ENTITLED** (as well as many of his other books), is by giving samples.

Mr. Golden is known in the South as an "integrationist," which means he is against racial discrimination. So when he gave a talk at Converse College, Spartanburg, S. C., a college for young ladies, there was great interest as to just what he would say.

"I told them that some of their political leaders are leading them up a blind alley, that instead of fighting Khrushchev, they are fighting such great Southerners as Frank P. Graham. When I finished my lecture to these six hundred and fifty Southern girls I had the greatest experience of my entire career as a lecturer. The girls cheered and applauded."

Equally delightful are the following two essays: **HOW TO BEAT THE JAPANESE** (in world trade; a plan necessitating a Japanese Jewish rabbi) and **THE GOLDEN PLAN FOR WALL STREET**.

Did you ever think of the Holy Land as having parking meters? They were not easily accepted. You will enjoy the explanation of their begrudged acceptance. For an accurate commentary of

### Elmwood Club Plans Christmas Party

Twelve members of the Elmwood Extension Club met Tuesday afternoon, Dec. 4, at the home of Mrs. Gladys Laurie.

The lesson, "Believe It or Not," was given by Leaders Mrs. Dorothy Rocheleau and Irma Anker.

Business meeting was opened with roll call, "Camouflage, or It Isn't What It Seems."

Chairman Frankie Anker reported on cookies for the Veterans' Hospital and the Christmas ten at Reese was discussed.

Plans were completed for the Christmas party to be held Dec. 19 at 8 p.m. at the Gagetown public school.

psychiatry around the world, read the three short paragraphs found on page 70, in which Golden makes the point that we are the only nation with enough leisure to develop psychiatry - a problem for Jewish psychiatrists who go to live in Israel.

In an earlier book he offered the "Vertical Negro Plan" to end segregation, pointing out that tensions between races came only when the people were horizontal or seated (in bed or eating). Never were they occasioned by standing people. Now he proposes a "Potemkin Toilet Plan" for needs of both (or should I say ALL?) races. He noted at a recent concert in the South that there was a long waiting line at the door for "White Ladies" and no line at the door marked "Negro Women." The cure? A dummy door marked "White" to which attach a sign, "Temporarily out of order, use Negro Women door."

The climax of all this foolishness about two races in conflict is witnessed in the report called **THE INVISIBLE NEGRO**, which tells the story of a small Texas town that transports Negro students to other communities - on paper. The bus could not be used for less than seven passengers. On advice of attorney, they unilaterally determined that a certain boy was not a Negro after all, and they kept him in the same school as the white children of the community, where he went all the way through high school and graduated with the "other" whites!

If you read editorials, add to them brevity and directness with a strong dose of happy wit and you have this book. A collection of serious articles, they are nonetheless laugh-provoking. They cover a wide range (the illustrations I gave are mostly on racial problems, which is MY choosing, not the book's). You will insist on sharing these as you read them, so make sure the family is comfortably watching television from which you may interrupt them.

By all means, read this book this winter!

**YOU'RE ENTITLED**, by Harry Golden. World Publishing Company. Available at the Elkland Township Library.

Poultry feed efficiency has improved greatly between 1950 and 1960. It now requires 24 per cent less feed to produce a dozen eggs, 31 per cent less to produce one pound of chicken and 20 per cent less to produce one pound of turkey than it did in 1950.

### Swedish Customs Told at WSC Meet

Twenty persons attended the Woman's Study Club meeting at the home of Mrs. E. L. Schwaderer Tuesday. The meeting began with a dessert served by the program committee.

Guest speaker was Amelie Claus, Swedish exchange student, who spoke on Swedish customs. A question period followed.

During the business meeting, the group voted to send money to the Michigan Indian program. They also voted to change the club's rules of order.

The next meeting will be at the home of Mrs. Chester Graham.

### Rotary Fetes New Arrivals In Cass City

New arrivals to the village during the year were feted Tuesday night at the Cass City Elementary School when the Cass City Rotary Club held its annual Christmas party.

Rotarians, special guests and their families were served a buffet style dinner and enjoyed a varied program highlighted by the visit of Mr. and Mrs. Santa Claus with gifts for the small fry.

James Bauer was the master of ceremonies and the party was planned by Willis Campbell and Dick Erla.

After a community sing, a musical program was presented by Cass City students and Mrs. Virginia Stoupe under the direction of Roger Parrish, vocal music instructor at the high school.

All of the songs were solos. Students participating were Charles Iseler, Rosemary Deering, William Dobbs and Sandra Copeland.

An estimated 100 persons attended.

**ORDER APPOINTING TIME**  
For Hearing Claims  
State of Michigan, The Probate Court for the County of Cass.  
In the Matter of the Estate of William Zinnecker, Deceased.  
At a session of said Court, held on December 10th, 1962.  
Present, Honorable Timothy C. Quinn, Acting Judge of Probate.  
Notice is hereby given that all creditors of said deceased are required to present their claims in writing and under oath, to said Court, and to serve a copy thereof upon John H. Zinnecker of Cass City, Michigan, Inductary of said estate, and that such claims will be heard by said Court at the Probate Office on February 21st, 1963, at ten a.m. It is ordered, that notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing in the Cass City Chronicle and that the fiduciary cause a copy of this notice to be served upon each known party in interest at his last known address by registered, certified, or ordinary mail (with proof of mailing), or by personal service, at least fourteen (14) days prior to such hearing.

Two area sisters switched places this year in vying for honors in the Shropshire sheep division of the 33rd annual Detroit Junior Livestock Show last week at the State Fairgrounds.

Linda Severance, daughter of Mr. and Mrs. Lloyd Severance, showed the champion pen of three lambs and the champion individual lamb.

Her sister, Ruth Ann, had the Reserve Champion lamb and fourth pen. Last year their roles were reversed with Ruth Ann copying most of the honors in the Shropshire division.

Linda, a Cass City High School student, was awarded a trophy for her individual winner by the Michigan Shropshire Breeders Association. Her lambs sold for 23 cents a pound.

Other Cass City Livestock Club members took top places in the Shropshire and other divisions.

Mary Sue Burns, Decker, placed fifth with both her pen and individual in the Shropshire class.

Wilbert Goodall, Cass City, showing in the All Other Breeds division, won the Reserve Championship with his Cheviot lamb while his pen of three lambs placed fifth.

The Cass City Club also received the first place award for the best county exhibit of six lambs and the \$10 4-H Herdsmanship Special Award for the best kept county exhibit.

**Swine**  
In the swine division, will all breeds showing together, Kathy Jekling, Kingston, showed the ninth place individual and the 11th pen of three medium weight pigs while her sister, Janet, placed 10th with her individual and sixth with her pen of light weights.

Both girls showed Yorkshire pigs as did Roger Root, Cass City, who placed fifth with his individual and eighth with his pen.

Terry Boyne, Marlette, showing light weight Landrace pigs, placed 10th with his pen and 12th with his individual exhibit.

In showmanship, Kathy was sixth and Janet was seventh. Root was close behind in ninth place. As a club, the members placed sixth in the county exhibit of six pigs.

**Beef**  
Alan Milligan, Cass City, the only exhibitor from the club in the beef division, took fourth place with his light and heavy weight Shorthorn steers.

**Prices**  
Auctioning of the animals took place on Thursday, Dec. 6. Milligan's steers sold for 31-31½ cents per pound.

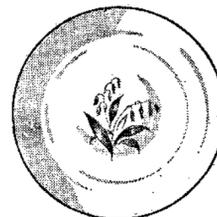

Janet Jekling's pigs brought 19½ cents and her sister's, Boyne's and Root's pigs sold for 19 cents.

Wilbert Goodall's lambs brought the next highest price in the Cass City club, selling for 22 cents. Ruth Ann Severance and Mary Sue Burns' lambs brought 21½ cents.

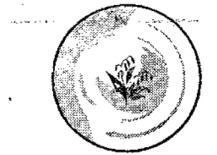

Buyers included Hamady Brothers, Wayne Packing, Kennett, Murray and Colina, Michigan Livestock Exchange, Standard Beef, Inc. and Hoehner and Forsyth.

## Mrs. Wortley, 89, Dies in Pontiac

Funeral services were held Monday at Little's Funeral Home for Mrs. Edith Wortley, 89, following her death at Pine Cone Nursing Home, Pontiac, Friday, Dec. 7. She had been in ill health for the past five years.

Mrs. Wortley, born in Decker-ville, March 8, 1873, was the daughter of the late Mr. and Mrs. Joshua Spencer. She married Benjamin Wortley in October of 1903 in Sandusky. The couple settled on a farm in Decker-ville and later moved to Tyre. In 1948, they moved to Pontiac where she has lived until her death. Mr. Wortley passed away June 1, 1949.

Surviving are: three daughters, Mrs. Ina Brabbs of Lexington Heights, Mrs. Myrtle Lunau of Dunta Gorda, Fla., and Mrs. Leota Gothard of Pontiac, and one son, Floyd Demaw of Portsmouth, Ohio. Also surviving are nine grandchildren, three great-grandchildren and one great-grand-grandchild.

The Rev. Richard Canfield, Cass City Baptist Church, officiated at the services and interment was in Dowington Cemetery.

## Ideas, Like Money, Hard to Come By

By Dave Kraft

I'm afraid this isn't going to be much of a column this week. I'm in a state of shock.

I gave my wife my check at the end of the week. She took it gladly and greedily, waved it over her head twice, muttered a few incantations and "poof" it was gone.

Ideas, like money, are hard to come by during the Christmas season. I spend much of my time trying to decide what to give who and invariably end up sending the same thing I gave them last year.

I've sent my dad so many pairs of gloves that he has his own mitten tree.

My side of the family are great ones for palming off unwanted, unusable presents received from someone else last year.

I sent an uncle on the West Coast a floating clam knife one year. I got it back five years later from an aunt in Nevada.

She called it an authentic Old English muffin batter spatula. I'm going to send it back to

my uncle on the West Coast. I'll tell him it's been five years since I sent him the last one and I'm sure that it's worn out by now.

It'll be interesting to see who I get it back from this time.

We moved the other day. You know what moving is don't you? That's where three or four guys hold a heavy, unwieldy piece of furniture in the air for 15 minutes while one small, antagonistic woman makes up her mind where it should go.

How about all that snow? If you remember, I spent a good share of last winter draped in various positions over snowbanks and sidewalks.

I was stone cold sober, too. It was just that I couldn't keep my feet under me.

I was going to be real smart this year. I bought a new pair of boots. Lots of traction.

The first day I had them, I was really moving out. I was the Paul Holmberg of the Main Street quarter mile.

I went too far, however. I was crossing the street in front of the taverns and as I got to the curb, I tried to do an impression of a gazelle as I jumped the piled-up snow.

It turned out to be an impression of a wounded bull moose and I finished up flat on my clipboard. As I lay there, trying to regain my senses, a little old lady came around the corner.

She stared down at me for a brief moment, muttered, "Disgusting!" and moved on.

There is within our midst a neurotic nut who goes around tying ribbons on everything in sight. I don't know who he is, but I'm pretty sure I know how he does it.

He does it with stealth and downright perversity.

I first noticed his work early this fall on Koeppgen Road. I was driving along when I noticed a short red plastic ribbon on a clump of weeds.

A little farther on was one on a tree branch and still farther along was a ribbon on another clump of weeds. I became mildly interested.

As I drove along, I noticed more of the little tags. They were on fence posts, railroad crossings, mailboxes, bushes, branches -- anything that stood upright.

There was even one on a terrified old man standing by the side of the road. I tried to find out who had done it to him, but he was too scared to talk.

Whoever the culprit was, he had struck without warning and was gone in a flash.

I decided to find out who was doing it, so I spent the next few nights standing on a country road that hadn't been visited by the ribbon tie-er.

On the third night, just as I was going to call it a day, I heard this strange whirring noise and I was suddenly engulfed in a cloud of dust.

When the dust cleared, I tried to move but I couldn't. Sure enough. I was trussed up with red plastic ribbon.

There was a note attached. "Don't open until Dec. 25."

As I struggled to get free, I heard an eerie voice call out in the dark. "The Phantom Ribbon Tie-er Strikes Again."

Drive safely—don't let an accident spoil your plans for 1963.

## Four Area Persons At Farm Bureau Institute

Schillac County Farm Bureau was represented at the 14th annual Michigan Farm Bureau Institute, December 6-7, at Kellogg Center, East Lansing.

In spite of high winds and a heavy snow storm, almost 200 farm leaders from all parts of the state, including the Upper Peninsula, met for sessions designed to stimulate growth in County Farm Bureau programs through quality leadership, aims and programs.

Attending the Institute from this area were Edsel Clemons, Mrs. Glenn Terpenning and Milford Robinson, all of Decker, and Miss Marie Meredith, Snover. Special workshop training meetings were held for members of Legislative, Executive, Resolutions and Public Relations Committees.

Thomas K. Cowden, Dean of Agriculture of Michigan State University, speaking to the group on "A Free Agriculture," stressed the importance of dignity in agriculture. "You can have freedom without dignity, but you cannot have dignity without freedom," he said. Dean Cowden stated that Farm Bureau has given farm people the opportunity of raising their occupation to the high level it has attained.

An address by C. William Swank, Director of Field Services for the Ohio Farm Bureau Federation, outlined three areas in which farmers need to promote growth: membership, leadership and effectiveness.

Highlight of the evening program was the appearance of Miss Michigan Farm Bureau, Sheryl Green of Ithaca. She will represent Michigan at the American Farm Bureau annual meeting in progress in Atlanta, Georgia.

Self-discipline is the main ingredient in character building.

So true—the biggest kicker is invariably the biggest loafer.

When some people pay compliments they expect a receipt.

## Down Memory Lane

FROM THE FILES OF THE CHRONICLE

**Five Years Ago**  
With a cast of nearly 180 persons and the cooperation of hundreds more in the village, the Cass City Nativity Pageant group held its final rehearsal Wednesday.

### VILLAGE COUNCIL

A regular meeting of the council of the village of Cass City was held on November 27, 1962, at 8:00 o'clock p.m.

All members were present except Mr. F. B. Auten. Minutes of the October regular meeting were read and approved as read.

Richard Erla was present and asked the council to reverse its decision of disapproving his previous request for an SDD license. An informal poll of the council members indicated that they were not in favor of reversing their previous decision. Therefore no action was taken and the matter was considered closed.

The matching fund program for improvements to the Cass City water supply and distribution system was discussed at length.

Motion by Seals, seconded by Rabideau, that C. R. Hunt be authorized to sign all necessary forms and to act in behalf of the village. Yea-5. Nay-0. Motion carried.

Motion by Ware, seconded by Root, that we employ Hubbel, Roth and Clark as engineers and architects in connection with this project. Yea-5. Nay-0. Motion carried.

Motion by Guinther, seconded by Ware, that the village council authorize sale of revenue bonds in the amount of one hundred thousand dollars for this project. Yea-5. Nay-0. Motion carried.

Due to the fact that Christmas falls on the next regular council meeting date, the next regular meeting was moved up to Tuesday, December 18, 1962.

It was agreed that the Chief of Police should handle the job of dog warden for the village and the clerk was instructed to write a letter to Mr. Wallace Czekal advising him of the decision. The Chief is to receive the fee of \$2.00 per dog.

Motion by Seals, seconded by Guinther, that bills OK'd by the finance committee be paid. Yea-5. Nay-0. Motion carried.

The meeting was declared adjourned by President Hunt. H. L. Bridges Village Clerk

A special meeting of the Council of the Village of Cass City was held on December 7, 1962, at 4:00 o'clock p.m. All members were present except Mr. Root.

Water and sewer rates were discussed and it was agreed that further study was necessary. Some of the members agreed to informal meetings over the week end and when a satisfactory rate structure is ready, then a special meeting is to be called for the purpose of adopting a revised rate structure.

The meeting was declared adjourned by the president. H. L. Bridges Village Clerk

A special meeting of the council of the village of Cass City was held on December 5, 1962, at 4:00 o'clock p.m. All members were present.

Mr. Hamil of a Detroit Bonding Company was present. He explained in detail the difference between revenue bonds and general obligation bonds along with the requirements for issuance of each and the approximate cost.

Motion by Ware, seconded by Rabideau, that the motion authorizing the sale of revenue bonds in the amount of one hundred thousand dollars for the extension and improvement of the water supply and distribution system be rescinded. Yea-6. Nay-0. Motion carried.

Motion by Rabideau, seconded by Auten, that general obligation bonds in the amount of seventy five thousand dollars be sold to finance the village share for the extension and improvement of the water supply and distribution system. Yea-6. Nay-0. Motion carried.

Motion by Rabideau, seconded by Ware, that the salary of Chief Palmateer be increased from \$92.30 to \$97.50 per week effective six months from date of hire. Yea-6. Nay-0. Motion carried.

A special meeting was set for Friday, December 7, at 4:00 o'clock p.m.

Motion by Root that meeting be adjourned.

## Best all-around compact

## anybody has come up with yet!

Some compact cars claim great economy. Some compacts are big in performance. Others call themselves luxury compacts. In every case you sacrifice one thing for another. So what do you do if you want all these things in one compact car? You buy a Valiant! For Valiant is the compact that does everything well. And, to top it off, Valiant has been completely restyled for 1963. We say it's the best all-around compact anybody has come up with yet. Once you see it and drive it, you'll heartily agree. And when you discover that Valiant prices start lower than last year, that'll cinch it. So come down to our showroom this week... get behind the wheel of this peppy, stylish compact. We'll be looking for you.

**What's happened to the cost of food?**

Food? Let's look inside those three bags of "groceries." Here's a new type of can opener, furniture polish, cleansing tissues, toothpaste. All things we need, of course, but not food. Here's a box of cake mix, frozen vegetables, a frozen pie. They save a lot of time and trouble, but the additional cost is for the packaging not the food. Fact is, food itself takes less of our income than ever before—only 20%. Forty years ago it took 42%. In Western Europe today food still takes 30 to 50% of the family income . . . in Russia, 60%. What's happened to the cost of our food? It's now the biggest bargain in the world. Thanks to the achievement of American farmers.

## Expect Vote Slated on New Constitution To Delay Any Important Legislation

By Elmer E. White  
Michigan Press Association  
1963 Legislature convening next month very likely will be a long session.

Traditionally in the odd year, very little important legislation is passed before the April election. Next year, this is expected to be particularly true because of the very important April vote on the Constitution proposed by the Constitutional Convention.

Republicans can be expected to keep the session moving along slowly so they will have time to

help the new governor get oriented and promote the proposed document.

Democrats, without the usual important help from the executive office, will want a great deal of time to campaign to see that the document is not approved.

By the same token, approval of the document would pave the way for a number of pieces of legislation to implement the provisions of the new Constitution.

#### More Jobs Needed

Estimates of job needs for Michigan are going up. It wasn't too many years ago that the economists warned the state would need 10,000 jobs a year to keep the population working.

Now George Moffett Jr., a member of the Michigan Industrial Ambassadors, says "Michigan must have 30,000 new industrial jobs a year for the next 10 years if it is to keep up with its population growth."

One of Moffett's primary concerns is drawing industry to the state by helping finance industrial development. Southern states have had the spotlight for the last several years for their activities in helping industry locate by providing financing plans favorable to the industrial management.

A number of plans to help Michigan compete with the Southern states for new industry have been proposed.

As a member of a Michigan Week planning committee, Moffett proposes to boost the efforts locally with a series of regional seminars next May.

Legislative proponents of industrial development financing plans for the state also are expected to reiterate their previous proposals during the 1963 session.

#### Facts Win Debates

Unbelievable amounts of data are available in two dull sounding but very enlightening books just published by the Bureau of Business and Economic Research at MSU. Population figures, bank deposits, business activities, crop reports can all be studied quickly in charts which show the picture from as long ago as 1840 to the present. "Michigan Economic Charts" covers 104 activities.

An even sterner, and perhaps more interesting book called "Michigan Statistical Abstract," provides all kinds of information

about the state, cities and counties. Subjects covered include employment, manufacturing, agriculture, mining, trade and finance.

Both books can be secured by contacting the MSU office. They are guaranteed to let the man who checks in them win the argument from the man who guesses.

#### Seeing Red

Pleas for installation of traffic lights at intersections reach state officials, or local authorities, very frequently just after accidents occur at the crossings.

People who appeal to officials for the lights believe the accident rate will automatically go down when the signals are installed. Traffic studies by the State Highway Department indicate this is not necessarily true, however.

At least during the first year or so after a light is installed, it frequently has the opposite effect and more accidents occur, according to the study.

A year-long study of 52 locations in the state where new stop lights were installed showed accidents increased 33 per cent during the period, as compared

to the year before the signals were placed.

Rear-end collisions at the location increased nearly 100 per cent, and there was a 65 per cent increase in accidents involving left-turn movements, the department reported.

"It can be clearly seen from the study that a traffic signal isn't the answer to accident prevention," said Highway Commissioner John C. Mackie. "It merely does what it is intended to do, and that is to stop one flow of traffic while another goes through an intersection."

#### Brazilian Missionary To Show Slides at Holbrook Church

Rev. Richard Sterkenburg, Brazilian missionary, will be the featured speaker Thursday evening, Dec. 13, at the Holbrook Baptist Church at 7:30 p.m.

Rev. Sterkenburg and his family spent one term in the mission fields in Brazil. He will show colored slides.

The regular Wednesday evening Bible class will be omitted in order to have the special service on Thursday. The public is cordially invited.

# Greenleaf News Personal News and Notes from Shabbona

**Extension Meeting—**  
The Greenleaf Extension Club met Thursday, Dec. 6, with Mrs. Henry McLellan. Fourteen ladies were present.  
After a short business meeting with Mrs. Rayford Thorpe presiding, the group went to the game room, where the articles brought for the bazaar were sold by Mrs. McLellan, who acted as auctioneer.  
Tea and various cookies were served at the close of the meeting.  
The next meeting will be Jan. 10 at the home of Mrs. Lucy Seeger.

Mike and Timmy Karr called on their aunt, Mrs. Doris Mudge, Sunday afternoon.  
Sunday dinner guests at the George Fisher Sr. home were Mr. and Mrs. Arthur Fisher and sons, Larry and Scott. Afternoon callers were Mrs. Arlen Hendrick,

Mrs. George Fisher Jr. and Mrs. Arnold Brown.  
Mr. and Mrs. Harold Ballagh entertained the Happy Dozen card club Saturday evening. High score went to Mrs. Brice Hagen and Tony Cielinski, low to Mrs. Dave Sweeney and Grant McKee. A potluck lunch was served.  
Mr. and Mrs. Don Seeger, had as Sunday supper guests, Mr. and Mrs. Henry Klinkmap and Mrs. Lucy Seeger.  
Sunday evening visitors at the home of Mr. and Mrs. George Fisher Sr. were her brother, Mr. and Mrs. Matthew Reitter and children, Cathy, Bernice and Matt Jr., and a friend of Mr. Reitter, Tom Beeky.  
Mrs. Lucy McEachern of Cass City had supper Thursday evening with Mrs. Lucy Seeger.  
Men with axes to grind seldom make the chips fly.

The Evergreen Unit school Christmas program will be held in the school auditorium Thursday evening, Dec. 20, starting at 8 p.m.  
The Hay Creek aid met Thursday at the Community hall. Nine members and two guests were present. Guests were Mrs. Edward Phetteplace and Mrs. Hazen Kritzman. There was a potluck dinner at noon and a gift exchange.  
Clair Auslander returned from Bay City General Hospital, where he had been a patient for 15 days, Thursday instead of Tuesday as previously reported. Due to inclement weather and poor road conditions Mr. and Mrs. Auslander and Dale remained at the home of Mr. and Mrs. Clark Auslander until Saturday.  
Mr. and Mrs. Clare McQueen were Sunday supper guests of Mr. and Mrs. Clark Dunlap of Minden City.

Mrs. Herbert Pallas and children spent from Thursday through Saturday with Mr. and Mrs. Wilford Caister. Mrs. Pallas was unable to reach her home due to heavy snowfall.

I find that many of us have neglected to get Christmas fruitcakes baked and now are wondering what to do about it. We can buy a ready-made one or maybe I have a suggestion you could use. This is especially for the lady who is too late to bake a Christmas fruitcake. She might make fruitcake bars, because the bars can be used without a three-week mellowing period required by a regular fruitcake.  
Any medium-rich fruitcake recipe may be used, but there should be enough butter in relation to fruit so that the mixture can be spread easily in a shallow pan. I would like to suggest using a golden fruitcake recipe, then adding an additional one to two cups of dates, sliced in match-like strips.  
For baking, you will probably need two shallow "brownie" pans, about 7 1/2 by 10 inches. Prepare the pans by lining them with two thicknesses of greased brown paper or white unglazed paper, such as good typewriting bond. Fit the paper up the sides of the pan and extend it above the edges. This keeps the fruit from caramelizing and the cake from getting too dry. Do not use wax paper. Bake until the cake tests done. Remove the cake from the oven and place it on a wire cake rack to cool in the pan.  
The cake can be topped with a glaze when it is cool. A simple glaze can be made with 1/4 cup white corn syrup, two tablespoons water and one tablespoon orange juice. Boil mixture in a very small pan about one minute. Brush the glaze on lightly and let it dry before cutting the cakes into bars.  
Wrap the cool bars or cakes in moisture-proof, air-proof material for storing. For convenience, bars can be left in the baking pan and the pan wrapped tightly. The bars can be kept at room temperature for a short time. If they are to be kept more than a month, the refrigerator is a better storage place.

Mr. and Mrs. Arthur Caister, Danny and Durrell of Cass City and Allen Caister of Sandusky were Sunday guests of Mr. and Mrs. Wilford Caister. Evening callers were Mr. and Mrs. Elmer Fueter.  
Mr. and Mrs. Arthur Severance and children, Robert Burns and Mary Sue were Saturday evening visitors of Mr. and Mrs. Clair Auslander and Dale.  
Cheryl Sheffer spent the week end at the Maurice Taylor home near Cass City.  
Mr. and Mrs. Kitchener Innes of Decker were Sunday evening guests of Mr. and Mrs. Norman Heronemus.

Mr. and Mrs. Arthur Severance, Bob McComb and JoAnn Burns attended the Junior Livestock Judging Wednesday at Michigan State Fairgrounds.  
Mrs. Clark Auslander, Mrs. Clarence Bullock, Mrs. Dan Masten, Grace Wheeler, Marie Meredith, Mrs. Alvin Burk and Mrs. Bruce Kritzman from the Shabbona Extension group attended the Sanilac County Home Economics Christmas Tea Monday afternoon in the Farm Bureau building in Sandusky.  
Mr. and Mrs. Hazen Kritzman, Mr. and Mrs. Arlington Gray and Mr. and Mrs. Clark Auslander were among those from this area who attended the Dairy Banquet in Sandusky Monday evening, Dec. 3.  
Mr. and Mrs. Ernest Goodall of Lachine, formerly of Cass City, were Saturday overnight guests of Mr. and Mrs. Arlington Gray. The Goodalls are leaving for Florida.  
Shabbona Extension group will meet Monday evening, Dec. 17, at the community hall. There will be a homemade gift exchange and recreation. Visitors are welcome.

### Uncle Tim From Tyre Sez:

Dear Mister Editor: I see by the papers where the U. S. Department of Labor is taking a few tips from them Pentagon boys on how to unloose the taxpayers from some of their money. They come up with a rule here awhile back that Mexicans working on American farms was "prohibited" from driving tractors.

Well, this piece in the papers reports that a few Mexicans has been sneaking behind the steering wheel and the Labor folks has set up \$247,000 to hire 25 more inspectors to catch 'em.

This brings up another problem. Who was going to drive the tractors? They was a big shortage, for instance, of tractor drivers in the Yazoo delta in Mississippi and crops for storage was wasting away in the fields. The Department of Labor, working on the theory that it was better for the crops to rot in storage than in the fields, appropriated \$482,056 for training tractor drivers in the Yazoo delta area.

Just why workers that knows

Some people change their minds real often—they think they will work better that way.

A probe is an official investigation that is aired just before the whitewash is applied.

Don't trust everything to luck unless your emergency brake is in good working order.

National patriotism is actually the lengthened shadow cast by community spirit.

how to drive tractors can't drive 'em, and why the taxpayers has got to spend \$729,956 on this situation is somepun I can't explain for you, Mister Editor. I reckon it's like Franklin Roosevelt, father of the New Deal and Godfather of the New Frontier, explained these matters on to the voters, "We planned it that way."

And while we're trying to nab Mexican tractor drivers here at home, we're having a little problem with television sets over in the Congo. The Congress appropriated \$250,000 to distribute TV sets in parts of the Congo that ain't got no electricity.

Congressman John Dowdy of Texas was complaining about this matter to the State Department and them boys in the striped pants explained to Congressman Dowdy that the TV sets was going to be operated by bat-

teries and that the batteries was going to be recharged with a generator run by a treadmill contraption sorter like a kid's merry-go-round. They said small animals, maybe squirrels, could be used to turn the treadmill.

I don't know, Mister Editor, how the supply of squirrels is holding out in the Congo, but it looks like we're getting a over-supply of squirrels in Washington.

I was reading the other day where ole Khrushchev said the United States was a "nation of nuts." As usual, ole Khrushy ain't 100 per cent correct, but he ain't 100 per cent wrong neither. And farthermore, he fergot to state that we got enough squirrels along the Potomac to take care of any nut surplus that might come up.

Yours truly,  
Uncle Tim
