

New Sidewalks Brighten Village

Work on Cass City's new sidewalks was completed ahead of schedule, Friday, amid a flurry of damage claims, injuries and accidents. The job cost the village the previously announced \$12,800 plus \$550 in additional charges.

Village president Lee Rabideau reported that the extra money was for new copper piping from the water mains into the stores and for extra fill dirt.

The major portion of the additional money, about \$450, was for the pipe work and the remaining \$100 was for 100 yards of fill dirt. Rabideau stated that the money for the piping job was an anticipated expenditure.

Approximately \$3,000 of the total figure spent on the project will be reimbursed by the State for the curb work. Property owners will also be billed for their portion of the

work and for additional work such as filling windows and building steps.

Damage claims were paid to two businesses by the contracting company. A \$33.00 claim was reportedly paid to the Tvo Barbershop for damage to a barberpole which allegedly toppled during the work. A \$160 claim has also been filed by the Cass Theatre for damages to the marquee.

Minor damage was also reportedly done at Federated and Hunter's stores and at Konrad's Bakery.

At least one Cass City resident was injured by the work. A village man, coming from one of the stores twisted his ankle in the soft sand and sprained it.

The project also had its lighter side. A woman Walbro employee on her way to eat at the New Gordon Hotel didn't pay any attention to the barricades and ended up ankle deep in new concrete.

From the Editor's Corner

Winter's last (?) blast Tuesday was so severe that the lights on Main Street automatically turned on at 3:30 in the afternoon. The high winds that accompanied the January-type weather blew two trees down in the village.

Tom Proctor, who sang a solo in the recent "Womanless Wedding" at Cass City High School, said that his part resulted in an offer to sing in the church choir.

Cliff Ryan, who played the part of a policeman, says that the Cass City force has not yet contacted him.

Edged on by an ocean of publicity, complete with a parade last fall, the town got behind the clean-up campaign in the village and the results were pleasantly noticeable.

Next week the spring campaign begins. Even though the parade is missing, the importance of doing the job remains.

After a year and a half at the Chronicle, Dave Kraft accepts a new post in Caro this week. We've enjoyed having Dave with us and feel that he has made an important contribution to the community.

We won't be saying goodbye completely. Dave will continue to write his popular column, "Comments by Kraft," as a contributing editor and will live in Cass City.

Lions Donate \$75 to Leader Dog School

Cass City Lions Paul O'Harris and Alger Freiburger attended a District 11-D Sight Conservation meeting Sunday at the Saginaw YMCA where they handed over a \$75.00 donation for the Rochester Leader Dog School.

An estimated 200 persons, representing approximately 40 district clubs, attended the meeting and turned in a total of \$5,042 in donations for the school, a Lions sponsored project.

O'Harris, newly elected Cass City Lions president, reported that the donations left the fund still about \$3,000 short of last year's \$13,000-plus figure.

A dinner followed the business meeting. Featured at the meet were several Lions officials from throughout the state and nation.

Bids Too High for Cass City Hospital

After a month-long hassle with electrical, mechanical and general contractors over bids submitted for the proposed Cass City Hospital addition, board members voted Thursday night, Apr. 25, to toss out the bids and start from scratch.

Chief reason for the move, according to Morris Jones, board member, was that the bids were "way out of reach . . . they were just too high."

The move will affect six general contractors and a similar number of electrical and mechanical contractors. The bids were submitted the middle of March.

The board will now seek bids from a general contractor who will handle all phases of the work. Jones stated that the board will definitely have some results by

the May 23 deadline.

Over \$91,000 was raised last fall in pledges and cash during a drive by the hospital for money to raise the addition.

Evergreen Beginners To Register May 10

Kindergarten registration for Evergreen Township School area children will be held Friday, May 10, from 1:00 p.m. to 3:00 p.m., at the school.

Parents are reminded to bring birth certificates and immunization records to the session. Only children who will be five by December 1, 1963, are eligible to be registered.

Parents, only, are to attend the registration.

Village Clamps Down on Misuse Of Scout Room

The Cass City Village Council took steps to establish more rigid control of the rooms over the fire hall in the village, Tuesday night in their regular session at the Municipal Building.

President Lee Rabideau told trustees that the building was not properly cleaned after meetings and that holes had been poked in the walls.

We have no way of knowing what meetings are slated in the building and no track of the number of keys "floating around" for entrance into the building, Rabideau said.

For this reason, the lock will be changed on the door and a schedule of authorized meetings and their times posted at the Municipal Building.

One key will be at the Municipal Building and the other two given to local police officers. Organizations using the rooms will be required to ask for a key before using the rooms.

An inspection will be made by the local police after the meetings.

Park Program

Jerome Root Jr. and Harold Guinther said that they are working on a revised park program which will give the person in charge of the pool additional duties.

Details of a new plan will be worked out in about a week, they reported.

50-Mile Memorial Day Hike Slated By Akron Group

Area sportsmen who don't get enough exercise tramping the field and stream and area residents interested in showing their stuff may have the opportunity to do both, if plans for a proposed Memorial Day 50-mile hike are completed.

The hike, sponsored by the Circle S, Inc. of Akron, is tentatively slated to start on the lake shore drive and Shabbona Road, three miles south and 47 miles east of Akron on May 30 at 8:00 a.m.

The event will be open to men and boys 15 years old or over. If sufficient interest is shown, a hike for ladies will be held some time in June.

The Memorial Day walk will be laid out in three-mile stages with a departure time at the beginning of each stage. A referee will sign walkers' cards if the three-mile course has been walked in the scheduled time.

Walkers completing the course will receive a certificate.

Vehicles will accompany the hikers for those who don't complete the walk. No charge will be made for transportation but riders must accept their own liability.

They Said It Couldn't Be Sold

Mrs. William Patch of Cass City this week reports the fast action she received from a Chronicle liner. Mrs. Patch placed the liner late Tuesday for an apartment for rent. By Thursday noon she had rented it. "They came from a distance and we wondered how they could have known of it so soon."

Mrs. George Hartman of Gagetown also recently placed an ad for a one-story house to be moved for a period of two weeks. She cancelled the ad for the second time and said, "They said it couldn't be sold but it was gone on Thursday."

Cemetery Road Project Slated

Bids on badly needed improvement of 2.8 miles of highway south of Cass City will be opened Wednesday, May 8, according to a report from John C. Mackie, state highway commissioner.

The work will include 2.8 miles of grading and culverts on Cemetery Road, south of Cass City. Estimated cost of the project has been set at \$70,000. Completion deadline has been set for December 1.

The work is one of 57 projects slated for bids. Total cost of all the projects will be an estimated \$8,000,000.

The local project is the only one announced for the county.

BABY SNOOKS, with hair awry and smile so shy, gets the once over from members of a hat revue featured at the Deford School talent show Saturday at the school. These children were among an estimated 100 who took part in the hour and a half program sponsored by the Deford Good Neighbor Club to raise money for a school landscaping project. The children, left to right, are: Regie Vargo, Linda Karr, George Turner, Sandra Pugh and Kathy Kloc. (Chronicle photo.)

SHOW A SUCCESS--Mrs. Frank Spencer and Mrs. Harold Deering, Deford Good Neighbor Club program cochairmen, happily examine a check for \$69.35. The check is for proceeds received at a talent show sponsored by the club Saturday and featuring Deford Elementary School children. The money, along with previous funds will be used to landscape the school. (Chronicle photo.)

Several Escape Injuries in Crashes

Eight area persons escaped injury in three separate accidents during the past week, according to reports from area police.

Sunday night, Jerry T. Creason, 17, rural Cass City, escaped injury when his car struck a bridge railing on Cass City Road a quarter mile east of Patterson Road.

State Police officers said the car ran off the road and rolled onto its side, striking a creek bridge. Creason told officers that he had fallen asleep.

A Cass City woman and a Decker woman were ticketed in a collision Saturday morning on West Main Street near the intersection of Downing Street.

Ticketed were Mrs. Alton Mark, Cass City, for making a U-turn, and Mrs. Lillian Hicks, Decker, driving on an expired operator's license.

Mrs. Mark reportedly made an improper turn and struck Mrs. Hicks' vehicle in the left rear door and fender. Mrs. Mark's car suffered a damaged right front headlight and fender.

Band Boosters Slate Election

Cass City Band Boosters are slated to elect a new slate of officers tonight (Thursday) at a meeting in the Band Room at 7:30.

Current officers are Cecil Barringer, president; Jerald Stroupe, vice-president; Mrs. Donald Loventzen, treasurer, and Mrs. Hazen Guinther, secretary.

It is also expected the group will discuss summer music clinic scholarships.

School Seeks 3 Mills for Classrooms

Evergreen Seeks to Expand

Plans under discussion for more than a year by members of the Evergreen Township School District will be brought into focus at a special meeting at the school Monday, May 6, at 8 p. m., according to Otis Dorland, a member of the school board.

Election of the district will have two building plans to examine. The first, Dorland said, will be to add two classrooms to the present school at Shabbona.

The second is to convert the school's gym into two classrooms and build a new gym.

The school is currently operating for just eight mills, among the lowest of any district in the Thumb.

By June 1 the district will be cut of debt, Dorland said. There is enough money to retire the outstanding bonds now . . . the district has not had to pay a debt tax for two years.

If either of the two plans is accepted, it is anticipated that a three-mill tax for debt will be necessary. The three mills is the same tax that district electors authorized to build the present facility at Shabbona.

Fantastic Fashions Swell Coffers Of Deford Club

Fantastic fashions and funny skits featured in an hour and a half long program sponsored by the Deford Good Neighbor Club and starring over 100 Deford school youngsters, put an additional \$69.35 into a school landscaping fund Saturday.

The money, received in donations from the audience, was added to an existing landscaping fund of \$50.00, pushing the fund nearly to the \$120 mark.

Just when the project, which will include reseeding and shrubbery planting, will begin has not been decided by the teachers or the club, according to Mrs. Harold Deering, program chairman. Assisting as cochairman was Mrs. Frank Spencer.

Mrs. Deering reported that the school, built in 1955, has had little or no landscaping done since it went into operation.

Originally only 50 students were slated to take part in the show but, according to Mrs. Deering, student enthusiasm for the project soon boosted it to 100 students.

Probably the most outstanding feature of the show was the hat revue by the first graders. Among the hats were a TV snack tray, a bird, lamp shades, cakes, fruit cocktail, telephone, and coffee-break and tea-time creations.

Also included in the program were a dress revue, eight vocal numbers, eight skits, a puppet show, a band number and two instrumental soloists. Songs and poems were presented by the kindergarten classes.

Mrs. Deering termed the show a success and reported complete satisfaction on the project and the manner in which the children carried off their parts.

Carnival to End Special Week

Extravaganza week at Cass City High School will be culminated with the annual carnival slated at Cass City High School Friday night, sponsored by the Student Council.

The week-long event has seen a succession of special "days" and has included the balloting for the week's king and queen. The honored couple will preside at the carnival.

After the carnival, a D-J dance will be held. Student Council spokesmen said.

95 Second Graders To Take Part in Spring Operetta

An estimated 95 second graders are slated to take part in the annual Spring Operetta Thursday, May 9, at the Elementary School, according to Roger Parrish, vocal director.

Two morning assemblies, at 9:00 and 9:45, will be given for students and an afternoon session for adults will be presented at 2:00.

"America's Story," a song story for primary grades, is the title of the operetta. Written by Genevieve Arnold and Satis Coleman, the program features scenes, music and narration depicting America's historical growing phases.

Assisting Parrish will be Miss Martha Knoblet, Mrs. Harold McGrath and Mrs. Barney Freiburger, all second grade teachers.

Parents will also be notified by note of the specifics of the program.

In other choral news, the joint band-choral spring concert is slated for May 16. Rehearsals are already under way for the event which will feature instrumental and vocal solos and ensembles.

Boost Village Wage Scale

A complete wage-benefit program for village employees was adopted by Cass City after some eight months of study Tuesday night at the Municipal Building.

Besides listing fringe benefits, the new pact calls for a three per cent wage increase, effective immediately, and for annual boosts of three per cent in 1964 and 1965. Prior to the increase, village employees were paid \$1.68 per hour.

Salaried employees were given raises effective immediately for the remainder of the year and in the next two years will also be given three per cent wage boosts.

Superintendent Bill Schram was upped from \$110 to \$117.50 weekly. Nelson Willy, disposal plant operator, went from \$105 to \$108 and Bill Bridges, secretary, was granted a \$5 raise to \$55.

Fred Auten, member of the finance committee who spearheaded the wage proposals, said that the program is experimental and that there is no guarantee that a similar program will be followed when the wage program is reviewed prior to Jan. 1, 1966.

Trustees said that it should be understood that the wage program is now settled until the end of the current program.

The program also provides for a week's paid vacation after one year and two weeks after five years of continuous employment. Standard holidays are allowed with pay and the insurance program now in force was made a part of the employment record.

Because of the advance work and previous discussion, the wage plan passed with little debate. However, the wage for Alvah Hillman, a part-time worker, was not as easily settled.

Hillman, who works at the park and is highly recommended by Village Engineer Schram and the park committee, last year received \$1.25 per hour. He asked for \$1.35 per hour.

It was the feeling of Auten that he should be paid the boost with the understanding that the job might terminate when the summer park program started and his work is done in conjunction with the program. Jerome Root Jr. was in favor of "giving the man what he asked for."

Check Writers To Be Sentenced In Circuit Court

Three men charged with forging checks totaling \$88.00 on a Vassar concern pleaded guilty this past week in Circuit Court sessions held in Caro.

The men, Ken Orton, Caro, Wellington Chrysler, Vassar, and Thomas Putman, Bay City, pleaded guilty before Circuit Court Judge Timothy Quinn and were ordered for presentencing investigation.

Chrysler was arraigned Wednesday, April 24, and will be sentenced May 8. Orton and Putman were arraigned Thursday, April 25, and their sentencing was set for May 29.

The trio made out checks payable to Putman on an account belonging to EarMar Wood Products, Vassar. One check was cashed in Vassar and another was cashed in Akron on April 4.

A Caro man pleaded guilty Friday, Apr. 26, to similar charges and was ordered to appear for sentencing on May 29.

James Smith pleaded guilty to writing three checks on an account with insufficient funds between December 31, 1962, and January 4, 1963. The checks, cashed in Caro, totaled \$100.

Smith originally appeared in court on Wednesday, April 24, but his case was delayed until the court could appoint an attorney.

"Wedding" May Net Clubs \$2,000

Over 700 area persons attended the laugh-filled, two-night run of the Lions-Rotary sponsored "Womanless Wedding," Thursday and Friday, April 25-26.

Ticket sales for the two nights totaled \$725. Coupled with \$1,540 taken in the advertising campaign for the show booklet, the two clubs . . . will split approximately \$2,000 after expenses.

Outstanding performances by the cast and superb costuming by Mrs. James Bauer highlighted the show.

One of the best performances was turned in by Jack Esau as President Kennedy. Friday night, the 460-member audience gave Esau an ovation after he finished his part.

Laugh provoking routines were also turned in by Cliff Ryan and Wayne Wilson as Toody and Muldoon; Roger Parrish as Libe-race; Tom Proctor as Kissame Zelts; Dave Kraft as Mrs. Kennedy and John Scandalios as Castro.

Other members of the cast were Don Childs, Dick Erla, Keith McConkey, Paul Alfano, Ken Eisinger, Dale Damm, Jim Bauer, Dick Palm, Dennis Rienstra, Dean Rienstra, Al Krueger, Lloyd Bryant, Duke Turner, Curt Hunt, Gib Aibee, James Seals and Vic Guernsey.

Also in the cast were: Alger Freiburger, Cliff Ferguson, Freddy Ryan, Larry Hughes, Robert Profit, Doc Decker, Dean Hallen, Jim Champion, Tom Craig, Don Hunter, David Bolen, Jim Fritz, Robert Fischer, Bill Kritzman, Horace Bolen, Timmy Barnes, Tom Jackson, Howard Bacon and Russ Leeson.

Open House to Honor Area Couple's Golden Anniversary

An open house honoring the golden wedding anniversary of Mr. and Mrs. Edward Bulgrien, Snover, will be held from 3-5 p.m. and 7-9 p.m. Saturday, May 4, in the Moore Evangelical United Brethren Church. The church is a mile south and a mile east of Snover.

Mr. and Mrs. Bulgrien were married May 7, 1913, in the home of the late William Vanderveer in Snover. Their attendants were Mrs. Orpha Brown, maid of honor; Erwin Kipp, best man; Mrs. Ida Pearson, the bride's sister, and the late Frank Bulgrien.

The honored couple have three sons, Lester and Alvin, both of Snover, and Kenneth of Oxford; three daughters, Mrs. Luella Kady of Davison, Mrs. Erva Schlicht of Farmington and Mrs. Arlene Marx, Snover. They also have 22 grandchildren and four great-grandchildren.

Methodist Family Week Program to Feature Children

Cass City Methodists will kick-off their annual Family Week, May 5-12, Sunday with the regular Children's Day program during church services.

Sunday School classes, under the direction of Mrs. Keith Murphy, and with the aid of the respective teachers, will sing and give recitals. The theme of the program is "O Praise Him, Hallelujah."

The second major event of Family Week will be a family-style smorgasbord Monday night, May 6, at 6:30 at the Church. Sponsored by the WSCS, the dinner will feature as special guests, Rev. and Mrs. Alan Weeks and family, Kingston, who will present a skit and special numbers for the program.

The regular prayer group meeting will be held at 6:15 p.m.

In other church news, the oldest mother attending the Mother's Day Services Sunday, May 12, will be given an orchid corsage, according to Rev. James Braid, pastor. The Sacrament of Baptism will also be offered that day.

Ashmore-Mellendorf Vows Exchanged

Linda Ann Mellendorf of Owendale and James Leroy Ashmore of Norfolk, Va., were married Saturday, April 27, at 7:30 p.m. in the Owendale Methodist Church. The Rev. Fred Werth performed the double-ring ceremony in the presence of 150 guests.

The bride is the daughter of Mr. and Mrs. Edward Mellendorf of Owendale and his parents are Samuel Ashmore and Mrs. Bertha Ashmore, both of Detroit.

Vases of white gladioli decorated the church and Mrs. Leo Russell was organist. Mrs. Russell and her daughter Cheryl sang "Whither Thou Goest" and "The Lord's Prayer." Mrs. James Wilson accompanied them.

Given in marriage by her father, the bride chose a white street length dress of nylon over taffeta with a lace jacket and white accessories. Her corsage was red roses.

Miss Carolyn Mellendorf of Richmond, sister of the bride, was maid of honor. She wore a blue nylon over taffeta dress with white accessories. Fronda Mellendorf, junior bridesmaid, wore a pink nylon over taffeta gown with white accessories. Both their corsages were white carnations.

The groom's attendants were his brother, Samuel Ashmore of Detroit, and a friend, Don Roy Kelcher of Caseville. Ushers were Lee Mellendorf of Wyoming, brother of the bride, and Theodore Ashmore of Gagetown.

Mrs. Mellendorf chose a floral print on tan background dress and white accessories for her daughter's wedding. The groom's mother had a beige dress with white accessories.

A reception followed the ceremony in the church dining room. Guests attended from Cass City, Bad Axe, Detroit, Pontiac, Unionville, Sebawaing, Pigeon, Gagetown, Owendale and Richmond.

The couple returned to Norfolk Tuesday where he is stationed with the Navy.

Linda graduated from Owen-Gage High School in 1962 and James graduated from Owen-Gage in 1959 and enlisted in the Navy.

Mrs. Russell, Mrs. Milton Fritz and daughter Beverly were hostesses at a shower at Mrs. Russell's home Sunday, April 21.

Peddle Home Scene Of Walters Wedding

The Wayne Peddle home was the scene of the wedding of Nancy Ariene Hynes and Robert Allen Walters, Saturday afternoon, April 20. The Rev. John Hall Fish, pastor of the Presbyterian church, performed the double-ring ceremony before the immediate families of the couple.

The bride is the daughter of Russell Hynes of Detroit and Mrs. Carolyn Reid of Crawford, Colo. Mr. and Mrs. Stanley Walters of Cass City are the groom's parents.

The bride wore a blue suit with white accessories.

Mrs. Wayne Peddle was matron of honor and Norris Walters was best man for his brother.

Corvair Monza Club Coupe

Who needs muscles?

Do you know how easy it is to take a corner with a Corvair or park one? Turn this newspaper sideways and it will give you a pretty good idea. The wheel handles just about that easily.

The Corvair's engine is in the rear, for not only greater traction, but more balanced weight distribution. And that's what makes the steering so completely effortless.

The engine is air cooled, too. No radiator. No water or antifreeze. No boiling over or freezing up to worry about. It takes the weather and the terrain as it comes.

So think about those trips to the beach this summer, those bright sunny days and balmy moonlit nights.

And besides, looking at it from a very practical point of view, it's Trade 'N' Travel time right now at your Chevrolet dealer's. He's got some beautiful buys.

But you had better hurry before somebody muscles in ahead of you. Spring's here, Summer's coming fast. And with these sporty good-looking Corvairs selling the way they are, he who hesitates will want to kick himself.

WALTER HEMPTON shares the Cass City track record in the high jump at 6 feet, but couldn't match his best effort in the annual Gavel Club Invitational Saturday and settled for second place with a jump of 5 feet, 11 inches. The leap equalled the top jump, but Hempton needed more tries to reach the height. (Chronicle photo.)

Kearsley Wins Again

Flint schools walked off with the first three places in the Annual Gavel Club Invitational Saturday, led by Kearsley which notched its third championship in five years in the annual event.

Cass City finished seventh with 16.2 points. The Hawks were paced by Walter Hempton who finished second in the high jump. Hempton actually jumped as high as the winning leap of five feet, 11 inches but took more attempts than the winner, Ron Henson of Flint Ainsworth.

Also garnering points for Cass City were Harmon, fourth in the mile; Bryant, a second in a heat of the 880-yard run; Roger Parker, third in the 180-yard low hurdles, and a fourth in the mile relay.

Kearsley's winning total was 48. Other schools in the order of their finish were: Flint Ainsworth, 38; Flint Beecher, 35.2; Davison, 34.2; Vassar, 24.5; Mt. Morris, 18; Cass City, 16.2; Clio, 14; Merrill, 12; Bad Axe, 10; Caro 9; Akron-Fairgrove, 6.2; Flint Bendle and Flint Atherton, 6 each; Tawas Area, 4.5; St. Louis, 4; Uby and Ovid, 3 each; Pinconning and Hemlock, 2 each.

Several competing schools failed to win any points.

Five meet records were set. Ron Henson of Flint ran the 120-yard high hurdles in 14.95 to eclipse the 15 mark set by Sherman of Durand in 1960.

Ed Cummings of Kearsley ran a mile in 4:38.8 topping the 4:38.2 mark of Bowen of Alma. Flint Ainsworth ran the distance medley relay in 11:21.5 to top Clio's mark of 11:28.9. Bob Sorenson's pole vault of 11 feet, 10 1/2 inches was a half inch higher than the previous mark set by Krause in 1959.

Jim Colosky of Vassar set a meet, field and Thumb record in the shot put with a 53 feet, 4 1/2 inch toss to better the mark of 52 feet, seven inches set last year by Flint Beecher.

THE PARKING PROBLEM

AUTOMOBILE: a machine with four wheels, a motor, and not quite enough seats, which enables people to get about with great rapidity and ease to places they never bothered going to before and where they'd just as soon not be now, because now that they're there, there's no place to park.

When comedians start making a living out of the parking problem it just shows how wealthy we're all getting to be. Things are so bad that in the last ten years the number of cars on the road has increased by better than 50 per cent.

By 1967 (that's only another short 13 years to go) the car population is expected to go up 50 per cent more based on today's figures.

It is difficult to resist mentioning here how Communism has overcome this problem except to state simply that the United States ALONE has more cars than ALL of the Iron Curtain countries combined and 2.5 million miles of paved roads, which is more than ALL THE REST OF THE WORLD combined.

Downtown traffic of large cities of the future will be restricted to 10 per cent of all auto trips and freeways will increase. It may not even help to own a small car. One of those lush big city apartment houses recently posted a notice that "baby carriages and foreign cars must not be left in the lobby."

Auto dealers, so economists say, will still be necessary in the foreseeable future. So if in 1976 your car still needs tune-ups and oil changes and other services, we plan to be still in the same old stand doing business as usual with worthwhile guarantees and reliable service.

LIFE TIME GUARANTEE. We will guarantee a new Oldsmobile or Chevrolet Car as long as you own it. NO CHARGE.

All you must do is have your oil changed here at regular price every 60 days, with Quaker State Oil.

This is the most liberal Guarantee of which we've heard.

Lakers Easy For Cass City Thinclads, 90-19

Walter Hempton's school record breaking effort in the high jump Wednesday, April 24, was the high point in a drab, one-sided dual track meet with the Lakers at Cass City Recreational Park.

The Hawk junior jumped six feet to set the school record in the high jump. His effort also tied the track record set by Krause in the Gavel Club Invitational. With a little improvement, Hempton could vie for the Saginaw Valley (6 feet, 1 3/4 inches) and state (6 feet, 2 1/2 inches) records.

Outside of Hempton's jump, there wasn't much to get excited about in the meet. Cass City won every first but one in both track and field events. The final score was 90-19.

The complete results:

120-yard high hurdles-won by Parker, CC; Hacker, Lakers; McIntosh, CC. 16.5.

100-yard dash-won by Dennis Rienstra, CC; Erer, Lakers; Ross, CC. 11.3.

880-yard run-won by Bryant, CC; Bohnsack, CC; Bullock, CC. 2:13.

440-yard run-won by McIntosh, CC; Dean Rienstra, CC; Retherford, CC. 56.4.

180-yard low hurdles-won by Hempton, CC; Parker, CC; Ross, CC. 21.9.

220-yard dash-won by Dennis Rienstra, CC; Erer, Lakers; Nowaczky, Lakers. 24.5.

Mile-won by Harmon, CC; Holik, CC; Lakers. 4:59.6.

Mile relay-won by Cass City. Bryant, Rienstra, Bullock, McIntosh. 3:50.6.

880-yard relay-won by Cass City. Hempton, Rienstra, Kloc, Parker. 1:40.5.

Solons Debate Delta College

By Elmer E. White
Michigan Press Association
More Colleges Coming
Controversy over creation of a junior-senior year college in the Saginaw Valley rages on despite previous studies and legislative recommendations.

Now the interests seeking some method of providing the senior college facilities for students at Delta College are hoping that a blue ribbon committee appointed by Gov. George Romney will solve the problem.

A legislative committee which undertook an extensive study of the needs of the Saginaw Valley population last summer thought its conclusion was a valid one. It sponsored and gained House approval of a measure to create a two-year state-supported institution in the area.

The college would have been established in the same way Grand Valley College was created two years ago, with an initial \$1 million coming from individual and group contributions.

At Romney's urging, however, the Senate refused to approve the House-initiated bill. Romney said he wanted his committee on higher education to come up with a comprehensive plan for the entire state rather than to continue patchwork development of college units in single areas as the need arose.

The governor's committee could well come forth with a plan to satisfy everyone. If so, it is assured residents in the Saginaw Valley would feel the wait was well worth while.

They, as well as residents throughout the state who might one day seek a similar service, were well aware of the need cited so aptly by Rep. William A. Boos-Saginaw, to end the "massive power struggle" between the existing institutions of higher education.

Gain Against TB

TB is not licked although great strides in detecting and curing the disease have been made in recent years, says State Health Commissioner Albert E. Heustis.

"We still have a lot to be concerned about," Heustis said. "There were 2,314 new active and probably active cases of tuberculosis reported in Michigan last year."

Swindle schemes designed to rob senior citizens of their life savings are many, warns Gary D. Hansen, director of the Michigan Commission on Aging.

Hansen urges retirees "to be on

Since the introduction of new drugs in the early 1950's, however, the death rate from tuberculosis has been dramatically reduced. As a result, the length of hospitalization has also been reduced. This permits most patients to return home after a relatively short period of isolation and treatment in sanatoriums.

New advances in treatment are continuing, Heustis noted, with the probable result that the number of beds needed for tuberculosis care will continue to decrease, but this is no indication that the disease is on the way out.

"We need a new yardstick to measure the importance and extent of the problem since both the death rate and the number of beds occupied by tuberculosis patients are no longer meaningful measures," he said.

"We are beginning to measure the extent of infection through a combination of things, including large scale tuberculin testing and selective x-raying." The number of new cases of TB discovered is now being affected, Heustis noted, by where and how hard health authorities look for the disease.

New Map

Individual interest in touring Michigan is great if the requests for 1963 road maps is any indication.

The State Highway Department noted that approximately 50,000 individuals requested a copy of the new map by letter or postcard even before the copies were printed.

Another 121,000 maps were shipped directly to local chambers of commerce, regional tourist associations, county and city offices, newspapers and other organizations. State agencies in the Lansing area received 140,000 for their distribution and use.

Eventually all 600,000 copies of the map printed this year will find their way into the glove compartments of cars throughout the nation and many of these will return to Michigan as the heavy tourist season approaches.

Many Schemes

Swindle schemes designed to rob senior citizens of their life savings are many, warns Gary D. Hansen, director of the Michigan Commission on Aging.

Hansen urges retirees "to be on

the alert against promoters and salesmen who offer "get-rich-quick" investments and "cures" for various diseases, such as arthritis.

Among the major frauds being perpetrated on senior citizens are land "deals" on undeveloped property in distant places; and sales of quack medicines, sold on the basis that as people grow older they need an increase in some nutrient or food not supplied by the ordinary diet.

Dance studio offers in which many widows reportedly have been induced to deplete their savings by buying "lifetime" dancing lessons also should be avoided, Hansen warned.

Income tax time proves to most people that they can't take their money with them—it goes before they do.

Back Injuries

Thousands of working men know what Chiropractic can do for back injuries. They know that when other methods fail to give them relief, Chiropractic was successful.

It is important for employees, compensation insurance carriers and the public in general to recognize this fact. Actual studies have been made of injured workers cared for by different systems of therapy. Chiropractic brings the worker through with less chance of the charge of malingering, less cost to the insurance company, less cost for insurance coverage to the employer, as well as less interruption in the production line.

Several large industrial firms are now employing chiropractors on a full time basis to care for their injured workers.

To the chiropractor, the spine represents the keyboard, as it were that locks up and unlocks the inherent curative powers of nature.

(One of a series of articles published in the public interest to explain and illustrate the practice of scientific Chiropractic, written by Dr. E. P. Lockwood whose office is located at Cass City. Tel. 872-2765). Adv.

Two Cass City Seniors Win CMU Scholarships

Two Cass City High School seniors have been awarded teaching scholarships at Central Michigan University, Principal Arthur Holmberg announced this week.

Awarded State Board of Educational Grants were Sherry Lay, daughter of Mr. and Mrs. Clinton Law, Cass City, and Sandra Retherford, daughter of Mr. and Mrs. Arleon Retherford, Deford.

Miss Lay's high school majors have been English, social studies, science and commerce. She has been active in student council and has been a varsity cheerleader. Tentative plans call for an elementary teaching career.

Miss Retherford also plans to enter the elementary teaching field along with some guidance work. Her majors in high school have been math, English, science and foreign languages. She is a four-year member of the choir.

The scholarships pay school tuition and are renewable throughout the four years if a required point average is maintained. They are available to students preparing for the teaching profession.

The following persons applied for marriage licenses at the county clerk's office, Caro, during the past week.

Terry R. Keating, 21, Caro, and Sandra Kay Kern, 20, Reese.

Russell J. Formento, 21, Milington, and Kathryn A. Haubens-tricker, 21, Birch Run.

Glenn L. Albee, 31, Mayville, and Dorothy M. Lockert, 19, Vassar.

Eugene K. Kady, 21, Gagetown, and Melanee Payok, 20, Gagetown.

Carlton J. Jacques, 20, Caro, and Carol L. Thayer, 17, Gilford.

David L. Miller, 22, Unionville, and Laurel C. McCallum, 18, Unionville.

Michigan Farmers Have Voice in Wheat Vote

Michigan farmers can have an important voice in the May 21 wheat referendum. For the first time, growers with less than a 15-acre allotment can become eligible to vote.

Across the country, there are far more small wheat growers than those with large acreages. Two-thirds of the nation's wheat farmers grow less than 15 acres. But these farmers grow only about 15 per cent of the U. S. wheat crop.

In Michigan, 85 per cent of the wheat farms have allotments of 15 acres or less. While the state grows over a million acres of wheat each year, this represents less than two per cent of the national crop.

There are relatively few large U. S. wheat growers. Only three per cent of all wheat farms in the country have current wheat allotments of 100 acres or more. These large-scale farms grow a third of the nation's wheat.

The question is often raised, "Isn't the wheat grown in Michigan a special type?" True, Michigan grows primarily soft white wheat. This type makes up about 10-15 per cent of the total U. S. wheat crop. White wheat is particularly suited for the manufacture of bakery products and ready-to-eat cereals.

White wheat, like all other classes of wheat, would be in surplus supply except for government exports. While there is a good export market, the nation grows 3 to 4 times more of this type than can move through normal domestic market channels. This means a carryover from year to year—although less than for other classes of wheat.

Seniors Promised "Roman Holiday" At Annual Prom

All the pageantry and gracious living that was Rome is being promised Cass City High School seniors for the Junior-Senior Banquet and Prom Saturday evening, May 11, at the high school.

Theme of the annual event is "A Roman Holiday," according to Orion Cardew, junior class sponsor.

Settings for the banquet and prom will be a Roman garden and the meal, supposedly gathered from the gardens of the world, will be served by slaves.

The banquet, to be prepared by junior class mothers, will be served at 6:15 and will also have as guests the faculty and the board of education. Freshmen and sophomore girls will serve. The invocation will be given by Charles Iseler.

An after-dinner program will feature music and speakers. Toasts will be given by Joanne Miljure and Bob Hutchinson, senior and junior class presidents, respectively. Eli Holes, assistant principal, will be the faculty speaker.

Entertainment will be provided by Sandra Copeland, vocal soloist, and "The Undergraders," featuring Tom Ellis, Tom Craig, John Her-halt and Bill Dobbs. An instrumental group, "The Blue-Jays," comprised of Micky Pomeroy, Bill McCarthy and Rich Bukowski, will play some of the "grandeur that was Rome."

The prom will start at 9:00 p.m. and will last until midnight. Music will be by "Bud Converse and his Merri-men" of Saginaw.

Cass City Women Honored for 25 Years in Extension

Four Cass City women were honored with pins for 25 years of membership in home extension work Thursday, Apr. 25, at the County Achievement Day exercises in Unionville. The event celebrated the 40th anniversary of home extension.

The four women, all members of Cass City Home Economics Extension group, were: Mrs. Albert Whitfield, Mrs. Ben Kirtom, Mrs. Harry Young and Mrs. R. O. Avery.

Mrs. Ed Rusch, Cass City, was honored as the Cass City group's Woman of the Year.

Speakers at the meeting were Mrs. Robert Hershey, Michigan State University extension specialist on food and nutrition, and Myrtle Labbitt, woman editor of CKLW radio and television, Saginaw.

Next on the local group's agenda is a tour of a furniture store in Saginaw Thursday, May 9. The tour, which will include dinner at the Bancroft Hotel, will finish the group's activities until next fall.

State's Birth Rate Bound to Go Up

More Babies

Michigan's birth rate is bound to go up soon, according to State Health Commissioner Dr. Albert E. Heustis.

The 1962 birth rate was 182.475, the lowest since 1952, and the fifth consecutive year to show a drop from the previous 12-month period. The births last year were nearly 10,000 fewer than in 1961, Heustis said.

"Whether births continue to go down or remain on a plateau for the next few years is anybody's guess. One thing is certain, however, they are bound to go up later," Heustis said.

The Health Commissioner's prediction comes from a look at past statistics.

The majority of parents of babies born during the last few years were born during the 1930's and early 1940's, when births averaged around 90,000.

Within the coming five years most of the "War Babies," born from 1945-49 when births averaged around 150,000 per year, will be getting married and having babies of their own.

You Need It
The newspaper you are reading now is an essential part of our free society although you might at first think of it as just a frill.

J. Montgomery Curtis, director of the American Press Institute at Columbia University, recently described the newspaper as "the most intimate, personal and effective form of communication."

Pointing to the New York newspaper strikes earlier this year, Curtis said, "the loss of a newspaper to a community leaves a vacuum that cannot be filled by any other means of communication."

Radio and television also contribute to the public's right to know. But both of these are immediate and not long lasting, said Curtis.

"When it comes to news in depth, television and radio just aren't in the same league with the newspaper," he said. "The (New York) strike proved this point. The loss of newspapers resulted in a decrease in department store sales, as well as in food store sales, auto sales, and general stock market activity," he said.

In addition to these advertising benefits, Curtis pointed out the loss of newspapers caused drops in attendance at many of the cultural and entertainment events; people had difficulty locating available housing, and employers and potential employees couldn't get together.

Neil McKinnon Dies After Long Illness

Funeral services were held Saturday morning at St. Agatha Catholic Church for Neil McKinnon, 90, Gagetown, following his death Tuesday, April 23, at Saginaw County Hospital after a lengthy illness.

Born in Teeswater, Ont., November 17, 1872, he moved to Gagetown 64 years ago. He married the former Leah McDonald in Teeswater on Oct. 17, 1894. She preceded him in death.

Mr. McKinnon was a retired farmer and a member of the St. Agatha Church.

Surviving are: four daughters, Mrs. Norma Hill, Lockhaven, Penn., Mrs. Leah Horn, Mason, Mrs. Anna Kehoe, Gagetown, and

Curtis predicts that the newspaper will continue to provide the most complete coverage of any media.

Few Harm Many
Most businessmen are honest and the exceptions hurt the majority as much as they harm the consumer.

This is one of the primary observations of the Consumer Protection Division of the Attorney General's office, which has been hearing complaints about these exceptions for nearly two years.

In this short time, the Division has processed more than 600 complaints involving frauds or cheats. The Division accepts only cases where facts show a violation of state law and a continuous pattern of operation sufficient to imperil the public interest.

The Division does not handle cases which can be handled exclusively by private counsel, but only those which involve a state question.

Deceptive or "bait" advertising, misrepresentations, referral sales and other deceptive buying, selling and lending practices are the primary areas brought to the attention of the Attorney General's staff.

Hopes are that both the continued existence of the Division's probing into complaints, and likely legislation to tighten laws governing possible areas of fraud will discourage such practices and cut the minority in the business world which falls short of honest dealings.

Blue Ribbon Roads
Michigan's highway system, which has been pulling down one after the other of the "first" in road progress in the nation, has received another honor.

The 330-mile Ohio-to-Mackinac freeway has been cited as one of the nation's most scenic new highways. This marks the second year in a row that portions of the freeway have received such a citation from the Better Highways Information Foundation.

Both sections cited for their scenic attractiveness are in the northern half of the route, between Clare and the Mackinac Bridge. A 22-mile section of the freeway between Indian River and the bridge was chosen as one of the most scenic new routes in 1961, and last year the section from Clare to Gaylord was selected. This stretch is 85 miles long.

State highway officials fully expect the section between Gaylord and Indian River, considered the most scenic portion of the entire freeway, stands a good chance for honors from the Foundation this year.

Former Resident's Daughter National Scholarship Winner

The daughter of a former Cass City woman now living in Florida has been awarded a National Merit Scholarship, one of education's highest national awards.

Lettie Ann Doughty, daughter of Mrs. Emma B. Doughty, rural Plant City, Fla., won the award and will major either in English or business at the University of South Florida.

Mrs. Doughty is the former Emma Bearss, a former resident of Cass City and a graduate of Cass City High School.

The scholarship is sponsored by Federal-Mogul-Bower Bearings, a Detroit company Miss Doughty's father was employed by for over 25 years.

Lettie Ann ranked fifth in her graduating class of 196. Her major studies this year were Spanish, trigonometry, solid geometry, accelerated English and American history.

She is treasurer of Plant City High School Kiwanettes, president of the National Honor Society, and a member of the school chorus.

Mrs. Doughty left Cass City in 1929 to live in Detroit. She and her husband and two daughters moved to Florida in 1945. She and her two daughters, Margaret Emma and Lettie Ann, returned to the village in 1950 where they spent a year and a half with Mrs. Doughty's parents, Mr. and Mrs. John Bearss.

COUNCIL MEETING

April 29, 1963
A special meeting of the Council of the Village of Cass City was held at 7:00 o'clock p. m. on Tuesday, April 23, 1963. All members were present except Mr. Root.

The financial condition of the Village was discussed and it was agreed that a short term loan is necessary to cover operating expenses until the property tax collections are under way.

Motion by Althaver seconded by Seals that the following resolution be adopted:

"Be It Resolved, That the Village of Cass City, under the signature of its clerk and mayor or be and hereby is authorized to borrow from the Cass City State Bank and/or The Finney State Bank the total sum of nineteen thousand dollars (\$19,000.00) binding the full faith and credit of the Village therefor by promissory note in appropriate form."

Yea-5. Nay-0. Motion carried. Employee wages and fringe benefits were discussed, and the finance committee was instructed by the president to submit a proposal at the next regular meeting of the council.

Motion by Guinther seconded by Seals that the meeting be adjourned.

Village Delegates To Attend County Federation Meet

Cass City's two women's clubs are slated to send delegates to the 40th annual Tuscola County Federation of Women's Clubs meeting Thursday, May 9, at the Hotel Montague, Caro, according to Mrs. Calvin MacRae, county president.

Representing the Cass City Women's Study Club will be Mrs. Walter Schell. Junior Woman's Club delegates are Mrs. Fred Belanger and Mrs. Ed Profit.

Also attending will be Mrs. Robert Ryland, Mrs. Russ Ayres and Mrs. Carl Palmateer of the Junior Woman's Club and Mrs. Margaret Haire and Mrs. Alfred J. Knapp, Woman's Study Club.

Fran Harris, women's editor for WWJ radio and TV, Detroit, will be the main speaker. Her topic will be "Let's Communicate." Mrs. Harris has been in radio since 1930 and has been associated with television since 1945. She was Michigan's first woman TV announcer.

She has received a number of state and national awards and has served with a number of high ranking clubs, committees and organizations. Her husband, Hugh, is a customs broker. She has a daughter and two sons.

Registration for the all-day session will be at 9:30 a.m. Hosting the meet will be the Caro Van Winkle Club, Mrs. Arthur Willis, president.

Lead your children to righteousness by going that way yourselves.

Truth may be the best policy, but many are of the opinion that it's not as convincing.

Services Held for Mrs. Earl Fike, 79

Funeral services were held Wednesday at the Decker Methodist Church for Mrs. Nettie Jane Fike, 79, Deford, following her death Sunday morning in Pontiac General Hospital after a short illness.

Born in Elmer township January 25, 1884, she was the daughter of the late Mr. and Mrs. David Dunlop. She was a lifelong resident of the Decker area.

She married Earl Fike November 7, 1911, and the couple lived on a farm near Deford. In 1982, they moved to their present farm a half mile east of Deford.

Mrs. Fike was a member of the Decker Methodist Church, Decker OES and the Snover Rebekah Lodge.

Surviving, besides her husband, are: a daughter, Mrs. Rooney Keith and a son, Stanley, both of Waterford; three grandchildren, and two sisters.

Rev. Joseph Shaw, Decker Methodist Church, officiated at the services and interment was in Mosher Cemetery, near Hemans. Graveside services were under the auspices of the Decker OES.

Beginners to be Enrolled Tuesday

Parents of kindergarten-age children are reminded by Mrs. Paul Murray, elementary principal, that kindergarten enrollment for next fall will be held Tuesday evening, May 7. Enrollment will be at 7:00 p.m. in the Cass City elementary school gym.

It is necessary that parents bring the child's birth certificate and immunization records. The session is for parents only.

Truth and liberty are inseparable—neither can long endure apart from the other.

Turners' Grandson Wins Photo Awards

Ed Noble, grandson of Mr. and Mrs. J. D. Turner, Cass City, and a Pontiac Press staff photographer, won top honors in one category and awards in four others in the annual Michigan Press Photo Contest.

His first place award was for a picture-story layout entitled "Going-Going-Gone," featuring the highlights of an outdoor antique auction sale.

The 27-year-old lensman has been active in photography for the past five years. He joined the Pontiac Press in 1961.

Noble attended kindergarten at Cass City. He graduated from Ferndale High School and is currently living in Pontiac. He is married and has a six-year-old daughter.

WSC to End Year With Luncheon

Cass City Woman's Study Club voted to end their club year with a luncheon at Martin's restaurant Tuesday, May 21. The decision was reached Tuesday afternoon after members decided at their regular meeting to omit the meeting slated for May 7.

Mrs. Ben Benkelman and Mrs. Melvin Vender presented the program. Mrs. Benkelman reported on the State Convention at Saginaw last week. She noted that Loch Rio, the girlstown supported by the State Federation, has paid 80 per cent of its debt. She also reported that 36 girls have been helped by the school.

Mrs. Benkelman announced that the East Central District, to which Cass City belongs, has the second largest membership in the state. She continued with a list of statistics about the district.

Mrs. Vender, in a paper on present day conditions, spoke on the moral corruption in schools, government, sports and other factions. She urged members to write state and congressional officials expressing their views on current and proposed legislation.

An invitation to attend an open house at the County School for Retarded Children May 4-5, was read. Plans for the county meeting May 9 in Caro were also discussed.

Hosting the meeting were Mrs. Harry Young and Miss Muriel Addison. Light refreshments were served and a social period ended the afternoon program.

The fellow who lacks determination is easily knocked out.

New Books Available Soon at Library

A short meeting of the board of Cass City and Elkland township public library was held Monday at 1:30 p.m. at the library with the librarian and all board members present except Mrs. John Zinnecker.

Borrowing a collection of children's books for summer reading from the state library was discussed. Announcement was made of the District 5 meeting for librarians and trustees to be held May 11 at Delta college.

During the week of April 21 to 28, library board members had a display in the building formerly the Helmlinger market and expressed gratitude to Mrs. Alma Seeger for use of the windows.

A new collection of books will be available soon, including "Seven Days in May," "Forever Free" by Joy Adamson, one new western, one new book for the children and seven other novels for adults.

OES Past Matrons Meet Wednesday

Eleven members and two guests of the Nellie M. Young past matrons' club of Echo chapter OES attended a meeting of the club April 24 at the home of Mrs. Grant Hutchinson. Assistant hostesses were Mrs. Alex Greenleaf, Mrs. Erwin Binder, Mrs. A. R. Kettwell and Mrs. Arlington Hoffman.

Mrs. Hutchinson presided over a short business meeting. Earl Harris showed pictures taken on trips to Hawaii and to the World's Fair.

Dessert refreshments were served at the close of the meeting.

Happiness is acquired, not by what the world gives, but by what it cannot take away.

The Want Ads Are Newsy Too.

We Got Results That Weren't Expected

By Dave Kraft

Man, I'm glad that Womanless Wedding thing is over and I can take this tomfool girdle off. And those shoes... those high heels are murder!

All in all, the show went well. There were spots that didn't get the expected results and results that weren't expected.

Some of the guys got bored stiff with things as they were and indulged in a little pro-play punch. After awhile they were just stiff.

A couple of them got so stiff that we stood them in the corner and used them for floor lamps. We screwed light bulbs in their mouths and you know... they lit up.

My most harrowing moment came when I went to put my dress on. Before leaving home, I put my girdle and my nylons on so I wouldn't have to go through that in front of all those men.

Anyhow, I went into this room where all the men were supposed to be dressing away from the prying eyes of the make-up artists. I entered the room and my chin dropped visibly.

For a second I thought I was in the dressing room of the Folies Brassiere. I never saw so many women in a state of partial and total undress in my life.

I slapped my hand to my eyes, smearing my make-up and knocking one of my false eyelashes askew. I'd probably still be standing there if some six-foot beauty with a gravel voice hadn't shoved me out of the way.

The most tragic moment came when I was informed that I'd have to shave some of the hair off my chest because I was wearing a low-cut dress.

I can tell you one thing... it took me 26 years to grow what I had and it'll be another 26 years before anybody can talk me into shaving it off again.

One of the guys, and I won't mention his name just in case he is hurt easily, was having trouble

getting his seams straight until someone pointed out that the seams were straight and his legs were crooked.

Speaking of legs, in general, I've seen a better collection of legs in a furniture factory. And less hairy legs at a dog show.

I think all the men did a most commendable job as did Mrs. James Bauer. As soon as she recovers I'll tell her so.

I am really in favor of spring. Spring is prime time. I hate winter. Summer and fall are fine in their seasons but spring is like a weight off my chest.

Spring is the time for young boys to forget their baseball gloves at the diamond when they come home for supper and it's the time for little girls to haul out their doll buggies and to start paying attention to the little boys as they come home from the diamond.

And as someone once said, it's time for the young men to begin thinking about what the young girls have been thinking about all year long.

Spring is also the time for women who shouldn't start wearing snug stretch pants and for women who should begin wearing shorts. It's time for pretty girls too with attractive figures to begin wearing spring-time dresses.

It's also a time for me to spend more time gazing out the window watching the shorts, tight pants and pretty dresses going by and recall the time when I could do it without having a guilty conscience.

I guess I don't really like spring at all...

Mrs. John Marshall gave me this poem. Mrs. Marshall will soon be a very young 90 years old and while I'm sure it doesn't apply to her, she assures me that it is very true.

Many of you may have read or heard it before but to refresh your memories it goes like this:

How do I know my youth is all spent?
Well my get-up-and-go has got up and went.
But in spite of it all, I'm able to grin.
When I recall where my get up has been.
Old age is golden, so I've heard it said,
But sometimes I wonder when I get into bed,
With my ears in a drawer and my teeth in a cup,
My eyes on the table until I get up.
Ere sleep dims my eyes I say to myself,
Is there anything else I should put on the shelf?
And, I'm happy to say as I close my door,
My friends are the same, perhaps even more.
When I was young my slippers were red,
I could kick up my heels right over my head.
When I grew older my slippers were blue,
But I still could dance the whole night through.
Now I'm old and my slippers are black,
I walk to the stove and puff my way back.
The way I know my youth is all spent—
My get-up-and-go has got up and went.
But I really don't mind when I think with a grin
Of all the grand places my get-up has been.
Since I have retired from life's competition,
I busy myself with complete repetition.
I get up each morning, dust off my wits,
Pick up the paper and read the "obits."
If my name is missing I know I'm not dead,
So I eat a good breakfast and go back to bed.

Vassar Woman Selected Tuscola Woman of Year

Mrs. Joseph Wells of the North Vassar Extension group was chosen Tuscola County Home Economics Extension Woman of the Year.

Mrs. Wells has been an active extension member for 37½ years. During these years, at one time or another, she has held every office in her group and some of the offices, several times. She also was on the executive committee of the County Extension Council as community chairman.

This is how her group members describe how Mrs. Wells has furthered home economics extension work: "Grace Wells is a person who finds it difficult to say 'no' when confronted with a problem having to do with the enriching of her own or her family's, or anyone else's home or home environment. She is an active member with an alert mind, open to new and better ideas and ways of doing things. There is never such a thing as Grace being too tired or too busy to find time to do those things which will help someone to be a better homemaker. If the regular project leader or hostess cannot fill her obligations, Grace is always willing to substitute for them."

Mr. and Mrs. Wells live on a 140-acre farm in Denmark township. They have one son, Charles, who lives nearby. Mr. and Mrs. Charles Wells have three children.

Christian Science Speaker to Address Caro Congregation

"Christian Science Disperses Fear and Expands Horizon" is the title of an address to be delivered by Frank T. Hord, Washington, D. C. Monday, May 6, at the First Church of Christ, Scientist, Caro.

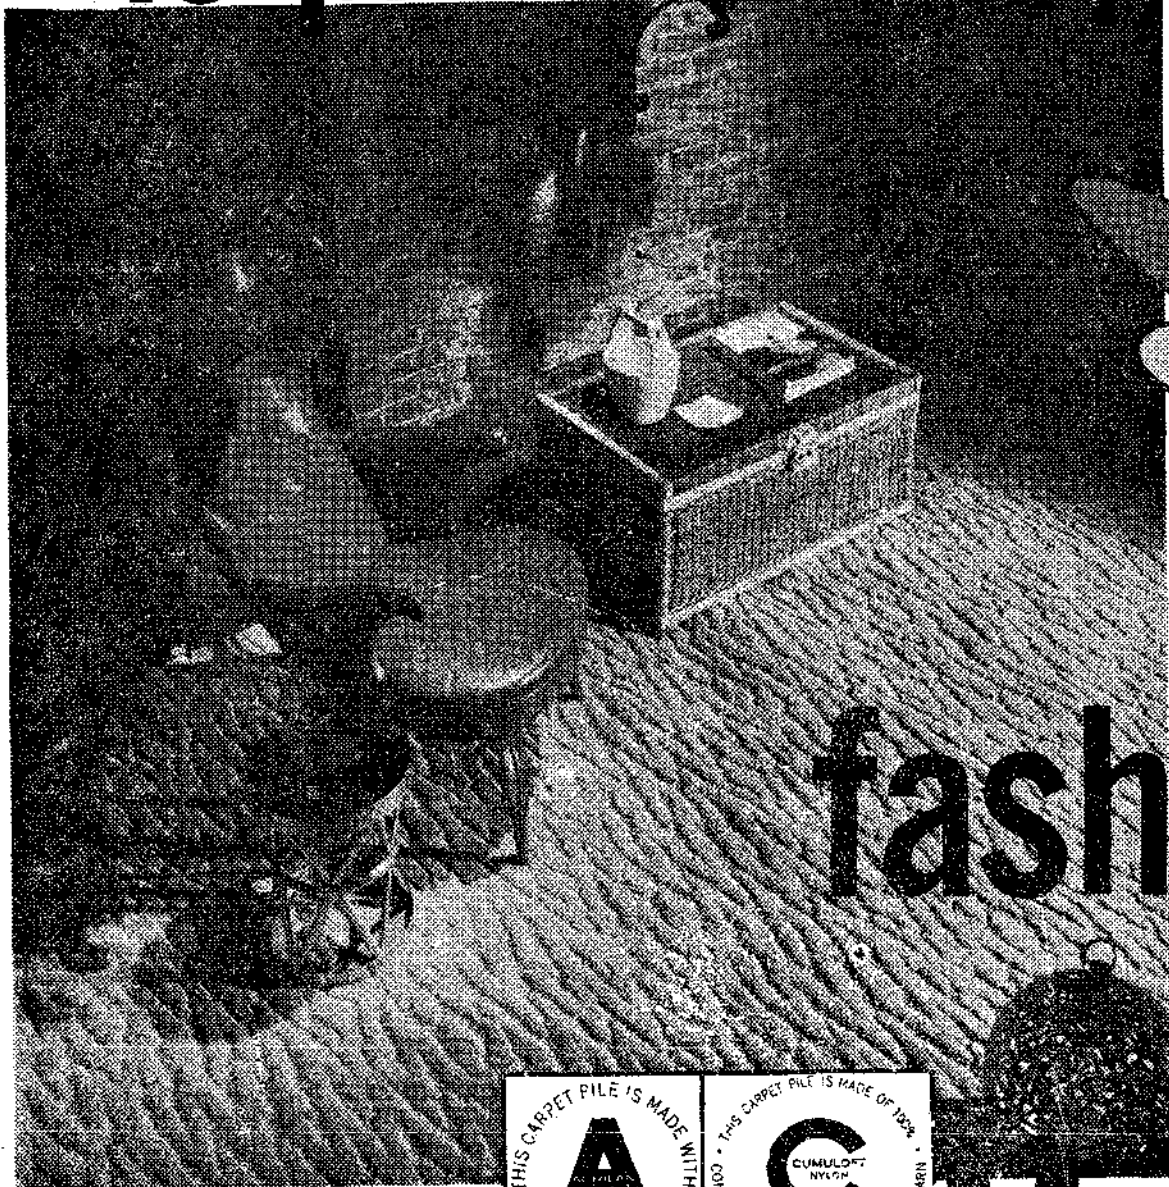

Program time is 8:00 p.m. The church is located at the corner of Lincoln and Pearl streets.

FRANK T. HORD, C.S.
Hord is a member of the Christian Science Board of Lectureship of the Mother Church, Boston, Massachusetts. A former Army chaplain, he served for 46 months in the European Theater during World War II.
He was serving as Christian Science Committee on Publication for Kentucky when he was first named to the Board of Lectureship in 1951.

Keep cool in your arguments by sticking to the cold facts.

Uncle Tim From Tyre Sez:

Dear Mister Editor:

I see by the papers where a feller in North Carolina sent the State tax office a check for \$3. said he didn't owe no tax but just "wanted to help out."

They had to send the check back on account of they ain't got no legal machinery for the State accepting cash gifts.

The Federal Government long ago pulled the stopper out of that jug and ever onct in a while I see where some feller has left his insurance money to Uncle Sam. Anybody that wants to "help out" in these matters ought to be encouraged, and I think ever State should have some sort of law to accommodate such a generous soul. Maybe they ought to have two laws, one fer accepting his money and another fer having his head examined.

And I see where a professor of chemistry in one of them big colleges is claiming that the worm in the apple is a "better source of vitamins" than the apple. Maybe it's the worm a day in the apple that has been keeping the doctor away all these years. I tell you, Mister Editor, life is getting complicated. Personal, I may come down to the end of my days, a little short on vitamins but I aim to keep on eating the apple and dodging the worm.

Well, I note where the post offices all over the nation has final had to destroy around 580,000,000 of them old 3-cent post cards.

The post office folks knowed a year ago the post cards was going up to 4 cent, and the law was passed back in September, 4 months afore it went into effect in January. But they still had hundreds of millions of them 3-centers on hand. I reckon this is what you would call our usual careful Government planning.

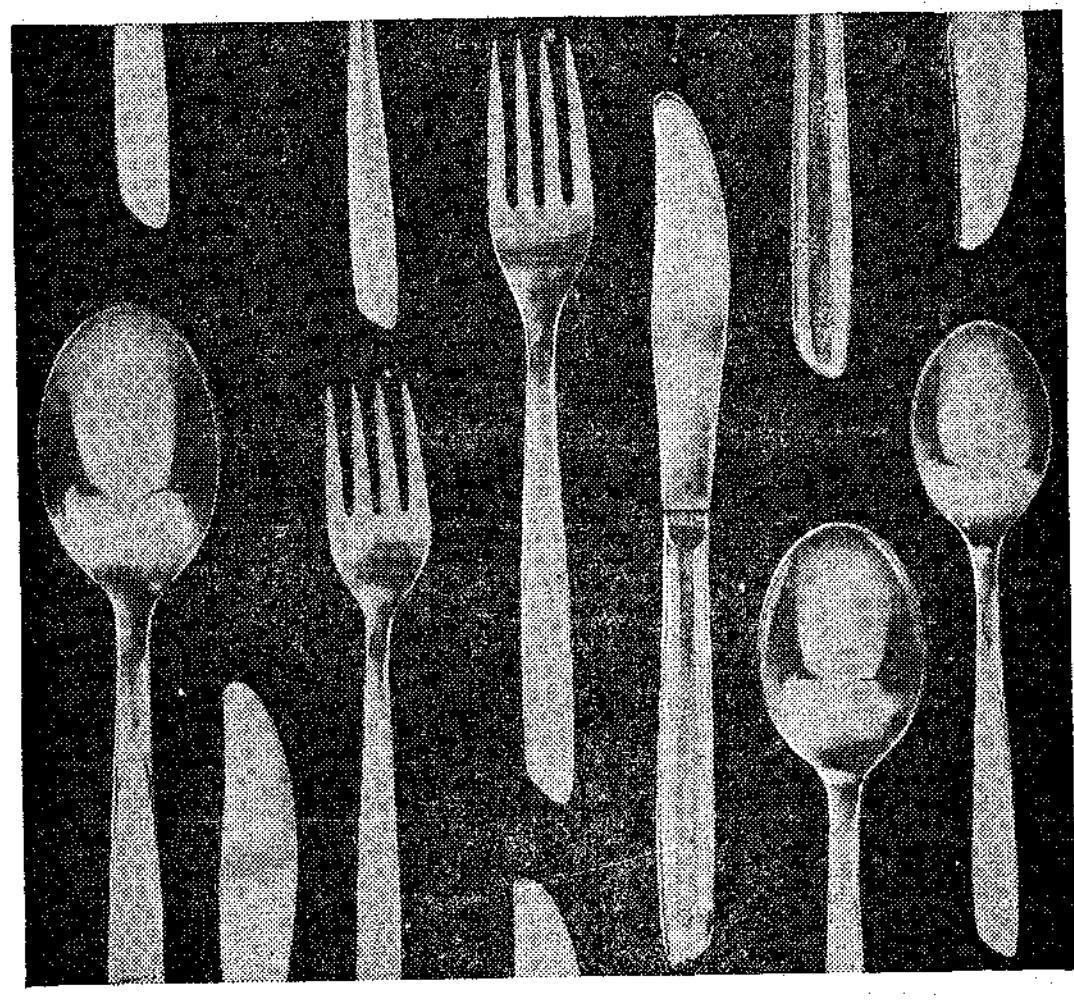

I brung this item up at the country store Saturday night and Zeke Grubb said fer me not to git alarmed over the matter, that this was due to our standard stockpiling procedure. Zeke allowed as how the Social Security folks, fer instant, has probable got enough printed cards already in storage to take care of our population till 10 year beyond eternity. He figgers if they would change the form real sudden, it would take 16 battleships from now till next January hauling 'em out to sea and dumping 'em.

Ed Doolittle took sides with Zeke, claimed we couldn't git no place without good, standard stockpiling procedures. Farthermore, Ed pointed out, big firms like General Motors is careless that way, don't stockpile except fer the next year, but our Government stockpiles fer the next generation. On account of the next generation is going to have to pay the bill, Ed claims the Government is following a sound phiscal policy in these matters.

Your truly,
Uncle Tim

MICHIGAN'S FOURTH LARGEST INDUSTRY IS TRUCKING

Trucking employs 1 out of 8 Michigan workers ... pays 12% of our state's total wages and salaries ... paid various highway user, license and weight taxes. The truck portion of all tax monies distributed and expended on Michigan highways in fiscal year 1961 amounted to \$121,714,698; in effect, for 1 out of every 3 miles of Michigan's new highways. Trucking is transportation ... is a taxpayer ... and proud of its part in the growth of Michigan.

REPUTATION is an important factor in the memorial business, and the fact that CUMINGS MEMORIALS, INC., Caro, has been at the same location with the same ownership for the past 51 years bears this out.

Most of the firm's business comes through people they've thoughtfully served. The reason—understanding, sincere guidance and dependability in helping you select a fine monument of select Barre Granite.

Another outstanding feature of Cumings Memorials, Inc., is the fact that the firm is the only memorial business in the county that does its own lettering and cutting, insuring specified results.

Limited Supply to Up Lamb Prices

Michigan farmers can expect higher market prices this summer as a result of a smaller lamb supply this year.

Lambs grazed early for the June and July markets should bring premium prices, says Graydon Blank, animal husbandry specialist at Michigan State University.

Lambs eating two-thirds of a pound of grain from a creep feeder daily can be weaned when the ewes are turned to pasture. "Generally, it is safe to wean lambs weighing 35 to 40 pounds," says Blank. Lambs should be separated several days before the ewes are turned into spring pasture.

Cracked corn and soybean oil meal - besides being high in energy - are the two most palatable feeds to include in a creep ration.

Gage Completes Caribbean Cruise

William C. Gage, fireman, USN, son of Mr. and Mrs. Floyd Gage of Deford, is serving aboard the destroyer tender USS Tidewater, an Atlantic Fleet unit which returned, April 6, after six weeks training operations in the Caribbean.

During the cruise, the Tidewater spent three weeks at San Juan, Puerto Rico, giving the crew the opportunity to see many attractions of the 400-year-old city.

The Tidewater is homeported at Norfolk, Va.

Spitler Dies in Cass City Hospital

Funeral services were held Monday at Little's Funeral Home for Virgil Spitler, 77, retired Cass City photographer, following his death Friday night in Cass City Hospital after a short illness. He had been in ill health for the past six months.

Born Jan. 19, 1886, at Gagetown, he married Ethel McGregory Oct. 24, 1956, at Cass City.

Surviving, besides his widow, are two stepdaughters, Mrs. Sidney Christmas of Cleveland, Ohio, and Mrs. Donald Withey of Coldwater.

The Rev. Lloyd Wilson, Church of the Nazarene pastor, officiated and interment was in Hillside Cemetery, Gagetown.

Send Epics to the State Library

By the Rev. Robert J. Searls

Last year when I received a letter asking the use of records of The Methodist Church for the creation of the volume, HISTORY OF CASS CITY, I had just finished a history of the Methodist Church for records of my denomination. (I'm just biding my time to mail in the history of the EUB Church). The Pinney family is to be congratulated on both the idea and the realization of this project while the area is yet young.

More authentic records will undoubtedly come in as a result of this volume. . . . It is hoped that another history reflecting Cass City and Elkland Township will be issued when these further items do come in and their importance weighed. I thought that I knew the family ties that were important to the history of Cass City but I doubt if there is a resident of our village who knew all those ties.

The entire community is to be congratulated for the interest that made available all of the photographs that highlight the book. The book is written with historic sensitivity, yet is up to date. Each person who reads this will have sections he feels could well have been allowed more room; mine, of course, is the chapter dealing with the churches. Some of each history tells much I didn't know about the history of each church.

Eight local persons made up the board of editors for this volume - three men and five women. They did a fine job of putting this history together. (I didn't find anything in the book, however, to warrant "Wandering with Warren" to feel that her wandering off was essential to the community.)

I have only one objection: I wish that instead of a paper cover (which probably made a wide distribution possible) our area is important enough to have had this published and bound with a hard cloth binding. I suggest that copies be sent to the State Library in Lansing, to our two great university libraries and that enough be kept in Cass City for persons moving here as teachers, preachers and others. One other suggestion I would like to make - that someone be appointed (by the Pinneys or the village government) to keep this history up-to-date. It would be an invaluable record for future residents of our fair village.

If you have not yet obtained a copy, get one today! It will interest you. I read it all in one evening's time.

HISTORY OF CASS CITY (and Elkland Township), Board of Editors, The Pinney State Bank, 1963.

Rites Held Saturday For Hurley Baby

Funeral services for Joel Evan Hurley, three-day-old son of Mr. and Mrs. Ross Hurley of Carsonville, the former Marian Wise of Cass City, were held Saturday at 2 p.m. in Little's Funeral Home. Rev. Forest Hampton of Decker-ville officiated and burial was in Elkland cemetery.

The child was born Apr. 23 in Cass City hospital and died Apr. 26 in Bay City General Hospital.

Besides the parents, he leaves three brothers, Steven, John and Barry, and grandparents, Mr. and Mrs. Jake Wise of Cass City and Mr. and Mrs. Lionel Hurley of Brown City.

Be careful what you say—it's always easier to float a rumor than to sink it.

I am getting calls asking me if one should wash enriched rice before using. To get all the nutrients from rice, do not wash it before or after cooking. If you do, you will lose valuable vitamins and minerals.

Modern processing methods make rice clean and ready to cook. By using correct amounts of water and rice in cooking you won't have to drain it. The rice will absorb the water.

Also, most rice on the market today is enriched with thiamine, niacin and iron, the nutrients that are lost in the milling process. Vitamin D and calcium are sometimes also added. One way this may be done is by adding vitamins and minerals in a powdered form. If you wash or drain rice, these added nutrients may go down the drain.

In preparing enriched rice for family size servings, use one cup of enriched white rice and two cups of boiling salted water. Cover and cook slowly about 20 minutes. After removing from heat, let rice stand covered 10 to 15 minutes. Or, place the boiling salted water and rice in a baking pan, cover tightly and bake in a 350 degree F. oven for 30 - 35 minutes.

When cooking enriched parboiled rice use ½ cup more water and cook five minutes longer than for enriched white rice.

Twenty-four Home Economics Extension groups have nominated a woman from their groups for Tuscola County Home Economics Extension's "Woman of the Year." The following are the women and group: Mrs. Ralph Hoard, Arbela; Mrs. Harold Jordan, Cork Pine; Mrs. Edward Rusch, Cass City; Mrs. Vernald Stokes, Dayton Center; Mrs. James McBae, Fairgrove-Akron; Mrs. Clifford Miller, Gilford; Mrs. Chet Stone, Hinson; Mrs. Gerald Stout, Mayville; Mrs. Leonard Russell, Moreland; and Mrs. Clarence Keimath, North Almer.

Others named are: Mrs. Ervin Walrod, North Elmwood; Mrs. Milan Mahnke, Northwest Fairgrove; Mrs. Joseph Wells, North Vassar; Mrs. Allan Houghtaling, Northwest Gilford; Mrs. Ray Schulte, Reese; Mrs. Howard Auernhammer, Richville; Mrs. Albert Keller Jr., South Almer; Mrs. Loren Ewald, South Unionville; Mrs. Lyle Sylvester, VanBuren; Mrs. Roland Roth, VanPetten; Mrs. Reynold Johnson, Watertown-Duncan; Mrs. Walter Jackson, Watrousville; Mrs. Charles Rogers, Wells; and Mrs. Sam Wright, West Caro.

The Council's executive committee chose Mrs. Joseph Wells of the North Vassar group to represent Tuscola County as the Home Economics Extension "Woman of the Year."

TOTAL PERFORMANCE:

FORD GALAXIE 500XL SPORTS HARDTOP

IF YOU KNEW WHAT HE KNOWS...YOU'D BE DRIVING THE 1963 TOTAL PERFORMANCE FORD

Ford is traditionally the nation's Number One police car. The reason: Total Performance!

When it comes to cars the police don't take chances. Put yourself in a State Trooper's shoes. Every day you must patrol hundreds of miles in your cruiser. Mileage and time grind into a man and his machine; but when the bell rings you've got to be ready. Chase. Turn. Corner. Quick stop. You've got to be able to do it all if you're going to do your job.

Listen to a trooper list the reasons why he prefers a Ford and you realize how difficult it is for any car to measure up to his standards. The car must be strong... it has to stand up to big mileage. It must be silent... when you practically live in a car a rattle can sound like a kettle drum. It must be swift... powerful enough to catch any car on the road. It must be sure... dependable even in the face of the unexpected. Strong. Silent. Swift. Sure. A four-word outline of total performance. The police demand it. That is why they choose the total performance Ford. Why should you settle for anything less?

Whatever your special demands and needs, the total performance Ford is the car most likely to satisfy you all the way down the line. You can prove this for yourself.

First, look at Ford's astounding record in open competition this year in the grueling Daytona, Riverside and Atlanta 500's, and in the demanding Pure Oil Performance Trials. Only a car with total performance could roll up so many impressive wins.

Second, before you buy any new car, test-drive the solid, silent Super Torque Ford. If you haven't driven one lately, you can't really know what a new Ford is like. Make this important discovery—if it's built by Ford, it's built for performance... total performance.
