

Workers Ratify Union Pact at General Cable

A strike threat at General Cable Co. in Cass City was ended Monday night when workers ratified a new agreement between the company and United Steel Workers of America Local 6222.

Union members approved the new contract by 250 to 50.

Neither union nor company officials would disclose the terms of the contract. William Leverich, plant manager, however, did state that the contract will "stabilize labor relations for the next three years."

The union had been working on a day-by-day basis while negotiations were in progress on the new contract.

Friday had been set as the deadline for agreement, but negotiations continued to work over the week end.

Youth In Near Tragedy

A summer game almost turned into stark tragedy at the Keith Little home last week when their young son suffered an accident requiring 11 stitches and came within a hair's breath of an accidental strangling.

The accident occurred as young Dennis was playing in the yard of the family farm. Climbing, as boys do everywhere, he started up the rack on the back of a wagon.

Near the top he slipped and his head caught between the slats. Before he regained his balance, he had bitten through his lip, where the stitches were required, and suffered a bruise on the back of his head from the top slat on the wagon.

His mother reports that he is recovering nicely. But even milder mishaps taken through a straw get tiresome for him after awhile, she reported with a relief-filled sigh.

Gen-Tel Cable Job to Improve Rural Service

Construction on a \$26,500 buried cable project running north of Cass City on Cemetery Road has been started, according to Richard Drews, General Telephone Company district manager.

The work will involve replacement of open wire facilities with aerial and buried cable on the four-mile stretch from the village to Bay City-Forestville Road.

Drews announced the new cable, to be in service by August, will provide complete services and will reduce all rural lines within the immediate area to no more than four parties. Lines previously carried up to 10 parties.

The cable will also provide services to persons not serviced before and offer facilities for one party service to those who pay the rural mileage charge.

Drews explained the work, part of an order which will extend urban service to Milligan Road in 1966, is a continuation of a \$2 million service improvement program scheduled in the Cass City district between now and 1970.

Unbeatables to Test Walbrush In Tug-of-War

Not only will the losers of the Walbrush and Unbeatables tug-of-war contest Friday night at 7:30 be soaking wet, they'll have to paint the Kangaroo Court jail.

The losers will be soaking wet because a fire hose will be trained down the center of Seeger Street in front of the fire hall and unless they let go of the rope, they'll be dragged through the stream.

They'll have to paint the jail because that's one of the conditions of the challenge originally issued by the Walbrush Chapter of the Brothers of the Brush.

The tug-of-war is a stunt to stir up interest in Friday night shoppers and will highlight a promenade which will form at the Cultural Center at 7:00 p. m.

Men wishing to join: Brothers of the Brush chapters may obtain further information at the Cultural Center or by phoning 872-3500.

Study Project Starts

Plan Surveys For College

There is apt to be a man knocking at your door in the very near future, when plans formulated at the first meeting of a citizens' committee swing into action.

Meeting at Cass City High School Thursday evening, the group heard plans for two different surveys to be initiated as part of a study for a community college for the tri-county area.

In each of the counties, 50 businesses will be interviewed in one of the surveys. The reason for the study, according to Dr. Max S. Smith of Michigan State University, director of the study, is to determine just what type of vocational training is needed in the area served by the proposed school.

Vocational training is one of the key functions of a community college. It allows adequate equipment for training at a central location that would not be available, because of cost, at individual high schools.

Remedial training—today's technological advances will require the average high school graduate to be trained in new skills, an average of four to five times, Smith explained, and the community college is designed to do this.

Adult education—community colleges are ideal for courses for adults desiring more credit towards degrees or for the simple convenience of adults who want to learn, Smith said.

Vocational guidance—a community college has the caliber of teachers that are trained and can give students valuable guide lines in this specialized field, the experts concluded.

Second Survey

Besides the business survey, Smith said, plans are now complete for a study in the three counties to survey the incomes and progress of 1963 high school drop outs and of those who completed high school.

It is our task to get the information for you and then for you to evaluate it in the light of the need for this area, Smith said.

Not New

A community college is far from a new idea in Michigan. Smith called it the "most dynamic moving institution in higher education."

We have six in Michigan now and six more have been voted. You will see at least 10 more in the next five years, he predicted confidently. In fact, he concluded, not only is the community college not unique, in Michigan every area either has a community college or is thinking about it.

Nominating Committee

A nominating committee to appoint officers to a steering committee was authorized at the meeting. It will include one person from each county. Representing Tuscola county is Fred Pinney.

Another meeting of the group was authorized within about a month, at a definite date to be decided.

Vote Set for School Merger Districts Monday

Voters in the Unionville school district and the Owendale-Gagetown school district will decide the fate of a proposed merger Monday, June 28, when two propositions will be decided at polls established at the town halls in Unionville and Gagetown.

Proposition I will decide whether the two districts will be combined. Proposition II authorizes the new district to take over and pay for the current indebtedness of the Unionville district.

Presently Owendale has no debt tax, but school authorities say that required remodeling of existing buildings and additional classrooms will be required at Gagetown and Owendale and that all of the proposed merged district will share in its cost.

School authorities say that the proposed district would have a valuation of some \$24 million.

Another Vote

If both of the propositions pass Monday, another vote will be necessary as soon as possible, according to information released by the boards of education.

A new junior-senior high school will be necessary on the Goslin property at the corner of Bay City-Forestville and Colwood roads at an estimated cost of \$1.5 or \$1.6 million.

Remodeling at Gagetown is estimated at \$100,000 and at Owendale at \$140,000.

Fire Demolishes Barn at Ubyly

Fire demolished a barn and part of its contents at the farm of Fred Hagen two miles east of Ubyly on Atwater road, Sunday.

Hagen, who suffered burns on his arm, was able to save cattle from the burning building, but lost a mature spreader in the blaze.

Hagen said that the fire appeared to start at the south end of the barn where electrical wires enter the building.

schools. It, of course, will also be used for training following high school education, experts explained.

One of the finest things about the program is that to share costs at a community college, Federal funds will be available, while programs in high school are all borne locally, Smith said.

In addition to vocational training, the community college will serve four other areas of educational needs. They are:

A college parallel program—designed for the first two years of post high school training. It prepares the student for the final two years at the university of his choice.

Remedial training—today's technological advances will require the average high school graduate to be trained in new skills, an average of four to five times, Smith explained, and the community college is designed to do this.

Adult education—community colleges are ideal for courses for adults desiring more credit towards degrees or for the simple convenience of adults who want to learn, Smith said.

CENTENNIAL TEAM—Mel Eckerstrom, John B. Rogers Co. centennial coordinator, gives dictation to Mrs. Lee Hartel, centennial secretary, shortly after arriving Monday to begin work on the centennial

pageant and promotion. Looking on is Eckerstrom's wife and assistant, Judith. The couple will be in the village until the pageant is finished and may be found at the Cultural Center from 9:00 to 5:00. (Chronicle photo)

Centennial Plans Swing into High Gear as Expert Arrives

Gears began to mesh this week as Cass City Centennial Belles chapters climbed aboard the centennial express and announced a series of events slated for area women from now through the centennial.

First in the flurry of activities will be a reception for the more than 100 queen candidates previously reported and those interested in seeking the crown.

Slated for Thursday at 8:00 p.m. in the Cultural Center, the reception is under the direction of the Cass City Zonta Club.

Several speakers will be on hand to brief the girls on the contest rules and the prizes the winner will receive.

Any area woman over the age of 15 may enter the race if she lives, works, shops or goes to school in Cass City.

Promenade Friday

Village streets will take on an antique look Friday night as village men, women and children take part in a promenade from 7:00 to 7:30 p.m.

All interested persons are asked

to be in costume at the Cultural Center from where they will walk to the fire hall to view a tug of war between the Walbrush and Unbeatables Brothers of the Brush Chapters at 7:30.

After the tug of war, the group will return to the Cultural Center where they will see the formidable Kangaroo Court in its first session.

In conjunction with the promenade, Cass City merchants and their employees will be dressed in costume each Friday and Saturday night through the centennial, starting this week end.

Order Dresses Now

Mrs. Thomas Jackson, women's participation chairman, issued an urgent plea to local women to order their centennial wear as soon as possible to be sure to have them on hand for special events.

Orders are being taken at the Cultural Center each day from 9:00 a.m. to 5:00 p.m.

Souvenirs on Sale

Centennial souvenir items, such as ties, wooden nickels, plates and other paraphernalia will go on sale

at the Cultural Center today (Thursday).

Other Belles activities include a shopping and dinner trip to Saginaw by the EUB Belles on Monday, June 28, and promenades on July 2 and July 19.

Also on July 9, the Star Belles will hold a cake walk in the Recreation Park and the Lazy Daisies will sponsor an ice cream social.

The Frontier Busy Belles will hold a square dance that same evening from 9:00 p.m. to midnight.

Rooms Needed

Persons having rooms to let or offer free to visitors to the centennial are asked to contact Mrs. Victor Guernsey, hospitality committee chairman.

Officials felt that a back log of rooms would be necessary in case the hotel, motel and local rooming houses were filled up for the six-day extravaganza.

Centennial Phone

Further information on any centennial activity may be obtained by phoning 872-3500, the new Cultural Center phone.

2 Killed in Crash

Men Hurt in Tragic Chase

Four area men were listed as doing "much better" in Lapeer General Hospital Wednesday morning after being involved in an accident Monday night in which two youths, trying to elude police, were killed.

Injured were Louis Sabo and Henry Sherman, both of Deford, and Eugene Markle and John Waiter, both of Clifford. Killed were Richard Dell, 19, Flint, and Burkart Kinzli, 21, Ann Arbor.

According to police, the two youths, wearing crash helmets, were trying to outrun police in a high performance foreign sports car when it sideswiped a car carrying the injured men and turned over.

All four of the injured men were on their way to work at a Flint factory.

The dead youths were driving a Porsche at a high rate of speed through the city when police gave chase at speeds up to 100 miles per hour. The crash took place on M-24 about six miles north of Lapeer.

One Injured

A car driven by Marie Lepek, 27, of Pontiac, sideswiped a second car, driven by Junior R. W. Limburger, 28, Pigeon, Monday at Bartnik's Service Station, four miles east of Cass City, and set off a chain reaction of crashes.

The accident occurred when Limburger attempted to turn into the service station and was struck on the left side by the Lepek vehicle.

After hitting the Limburger car, the Lepek auto continued on into the station driveway where it knocked down a no parking sign and tore up a guard rail post.

After the guard rail post, the car hit a tractor which rolled ahead, striking a milk van trailer which in turn rolled into the back of the station wrecker.

Exploding Tire

Rim Breaks

Ben Hobart's Leg

A tire rim that split under pressure put a Gagetown man in Hills and Dales Hospital Monday with a broken leg.

Ben Hobart of rural Gagetown suffered a broken right leg, just below the knee, when an old fashioned tire rim split while he was putting pressure in the tire.

The accident occurred Monday at Winter's service station northeast of Cass City on M-53.

Hobart suffered a broken left leg a year ago when kicked by a cow.

Post Office Is

First Class

At Last!

Cass City will become a first class post office July 1, Acting Postmaster Grant Glaspie announced this week. But the change will have little significance for most of the local postal patrons, Glaspie said.

There will be changes in the regulations for parcel post shipments and this information is available at the office, Glaspie said.

It will be the first change in Cass City's postal designation since 1916 when the local office was changed to second class. The class of each office is based on revenue units.

Glaspie reminded patrons that Cass City and all of Michigan would be under zip code for transportation and delivery of mail after July 1.

Include your zip code number when you mail, he concluded.

Cybulski Field

Fire Scene Twice

Cass City firemen were called twice Monday to the Steve Cybulski farm, four and a half miles west of the village, to put out fires in a hay field where Cybulski was working.

That fire and other fires throughout the county prompted Conservation officials to warn residents to be particularly careful until the current dry spell is over.

Two Arraigned

In Circuit Court

Criminal arraignments were heard Friday in Tuscola County Circuit Court before Judge James P. Churchill in Caro.

Douglas Johnson, 17, of Hurds Corners was arraigned for break-

Damage to the tractor, trailer and wrecker appeared minor. Mrs. Lepek was treated for shock.

Riding in the Limburger car were Jerry Limburger, 10, and Larry Limburger, 22. In the Lepek car were Linda, Steven, Karen and Denise Lepek, Charles Stacer and Doris Schroder.

Two Injured

Samuel J. Wells, 18, Cass City, and James Leitch, 18, of Ubyly were injured Sunday when a car driven by Wells left Caseville Road, near Richmond Road, after crossing the Pigeon River bridge, two and a half miles north of Pigeon.

Wells and Leitch suffered cuts and bruises and were treated at Scheurer Hospital, Pigeon.

State Police reported that Wells said he swerved to avoid an approaching automobile on the bridge.

Ticket High in Crash

Joseph High, 24, of Cass City was issued a summons for reckless driving by Tuscola County Sheriff's deputies Wednesday, June 16, after the car he was driving rammed a car driven by Mrs. Joan Emmons, 40, of Caro.

High was severely injured in the crash, requiring treatment at Caro Community Hospital and Saginaw General Hospital.

The investigating deputy said that High suffered severe facial lacerations and a possible fractured jaw.

Mrs. Emmons suffered facial lacerations and a leg injury.

According to the report of the police department, the car driven by High went over the center line on M-81, about 50 feet from Colwood road, and struck the vehicle driven by Mrs. Emmons. Police report the Emmons' car was nearly on the right shoulder of the road at the point of impact.

According to the police report, High had been drinking prior to the accident.

It was High's second brush with the law in recent weeks. Previously, he had threatened Cass City Police Chief Carl Palmateer with a gun before he was subdued by Palmateer with assistance from police from many Thumb communities.

Both cars were demolished. The High car was using the same license plates that were on the vehicle involved in the double fatality accident of Gene and Jack Corkins. The license was registered to Corkins' Garage.

Hit and Run

Sheriff's officers are looking for a hit-and-run driver who slammed into a car driven by Frederick Laverne Frost, 35, of Caro Saturday night. The accident occurred on M-24, near Ellington road.

Police theorized from paint found on a bumper that a dark colored car was involved. No trace of the vehicle has been found.

No one was injured in the accident.

From the Editor's Corner

Mrs. Wilma Fry, former village clerk and treasurer, is back home after a lengthy bout with illness and already the Chronicle has put her to work. She's compiling some of the early history of the Cass City Police Department for the Chronicle's Centennial edition.

If you'd like one of those Centennial stickers to place on your car, you can get them at local gas stations and they are free. All other centennial items that were formerly sold at various stores have been taken to Centennial headquarters at the Cultural Center and will be sold there.

Myron David Orr, who was born on a farm near Cass City and is a frequent visitor to the community, was featured in a recent story by the Bay City Times.

The story ran Sunday and gives Orr's complete history and tells how he became a "big time" writer when "The Citadel of the Lakes" was published and sold a million copies.

Not only is Orr a native, his wife also comes from the area and is the former Thelma Warner.

Mrs. Charles E. Dowling

Shirley Ann Pietruck of Bad Axe and Charles E. Dowling of Akron exchanged nuptial vows Saturday, June 12, in St. Edward's Catholic Church, Kinde.

Rev. Fr. Ignatius O'Brien, uncle of the bridegroom, read the double-rite for the daughter of Mr. and Mrs. Nick Pietruck of Bad Axe and the son of Mr. and Mrs. Charles Dowling Sr. of Akron.

Given in marriage by her father, the bride chose a gown of imported organza styled with a fitted bodice, scalloped sabrina neckline, long wrist-point sleeves and a full bouffant floor-length skirt adorned with a scalloped hemline. The back of the gown was a cascade of tiers edged in Chantilly lace which extended into a chapel train.

Her three-tier crown of crystal teardrops and pearls held a finger-tip illusion veil and she carried a contemporary cascade arrangement of Frenched white carnations and exotic foliage.

Miss Marge Maurer of Saginaw attended as maid of honor and bridesmaids were Miss Margaret McPhail of Mt. Pleasant and Miss Linda McArdle of Bad Axe. All three are friends of the bride. Junior bridesmaids were Connie Pietruck, sister of the bride, and Ann Dowling, sister of the groom.

The maid of honor, bridesmaids and junior bridesmaids wore identically styled mint gowns of organza over taffeta, designed with fitted imported lace bodices, basque necklines, cap sleeves and A-line floor-length skirts. A bow at the waistline complimented their ensembles. Their floral motif headpieces of pearls and orange blossoms secured illusion veils and they carried cascade arrangements of tangerine carnations.

Kathy Schmidt, niece of the bridegroom, attended as flower girl. She wore a floor-length gown of white dotted Swiss with an ice mint cummerbund and she carried a basket arrangement of tangerine carnations with satin streamers.

William Dowling, brother of the groom, of Lansing, was best man. He was assisted by Thomas Dowling, brother of the groom, of Akron, and Richard Jamroy, cousin of the bride, of Saginaw.

Dale Pietruck, brother of the bride, attended as ringbearer. Mrs. Pietruck, mother of the

bride, wore a two-piece olive green lace suit with beige accessories. Her corsage of yellow carnations completed her ensemble.

Mrs. Dowling, mother of the bridegroom, wore a powder blue silk dress with white accessories and her corsage of pink and white carnations completed her outfit.

A dinner was held in honor of the newlyweds after the ceremony, followed by an evening reception at the VFW Hall, Kinde. Five hundred guests were present. Out-of-town guests included those from Saginaw, Bay City, Reese, Pontiac, Detroit, Midland, Caro, Lansing, Wisconsin, Wyoming and the surrounding area.

The bride chose as her going-away dress, a two-piece black, yellow and white linen A-line dress with white accessories. She wore a yellow and white carnation corsage.

After they return from a trip to Canada the couple will reside at 602 East Larkin, Midland.

The bridegroom is a graduate student at Michigan State University and she is a graduate of Nu-Art Beauty School, Bay City, and is presently an instructor at Delta Beauty College in Midland.

You can wait for a train of thought, but don't depend on it getting there in time.

Audience Needed For Centennial Television Show

Mrs. Dan Erla has been named chairman of a committee to line up persons who will attend the "Dialing for Dollars" television show on Thursday, July 1, at a Flint TV station.

From 15 to 75 persons may attend and will act as an audience for the show. At various intervals, the centennial officials will be asked questions about the centennial and the audience will scan the audience, picking out the more outstanding costumes.

Mrs. Erla was named to the committee at a meeting of Centennial Belles chapter chairman Thursday night, June 17, at the Cultural Center.

The meeting revealed that there are 22 chapters organized so far with a membership of 352 women. Activities before and after the centennial were discussed.

Persons wishing to attend the television show are asked to contact Mrs. Erla.

Letter to Editor

June 21, 1965

Dear Mr. Haire: Mr. William Castle, producer of movies, sends his "best wishes" and "Moral Support" for a highly successful "Centennial."

Could you kindly print in your paper all of the names of "prominent" people who send their "best" for our centennial? Maybe we could get some "ideas" from Bay City's "Centennial" July 11-17th? Thanks.

Betty Kennedy Awarded Hospital Nursing Grant

Betty Kennedy, daughter of Mr. and Mrs. Floyd Kennedy of Shabbona, has been awarded the second annual Hills and Dales General Hospital Nursing Scholarship, according to Richard Palm, hospital administrator.

Miss Kennedy, who finished fourth in her 1965 class of 106 students, has been accepted at Hurley Hospital in Flint and will study for a registered nurse degree. While at Cass City High School she maintained a scholastic average of 3.67.

The scholarship, for three years, pays room, board and tuition and is granted each year to some deserving Cass City area student.

According to Palm, the grant is to stimulate an interest in nursing and to keep the student in the community.

Students accepting the scholarship are required to spend one year, at full wages, working at Hills and Dales. After the year, the hospital will consider the grant repaid in full. If the student does not return, the grant must be repaid.

Last year's recipient was Joan Weiderhold of Elkhart who is currently carrying an A-average at Saginaw St. Mary's Hospital.

Commend 29 for Self-Improvement

W. E. Walpole, Walbro Corporation president, paid special tribute this week to 29 company employees who have taken advantage of the company-sponsored Education Plan which recently completed its first year.

"The company wishes to pay tribute to these employees in devoting their time to bettering themselves and to again express our continuing interest in the educational program offered here in Cass City and in the area," Walpole stated.

"The times in which we live require that we all constantly improve our knowledge to better understand the problems of our world," he concluded.

Employees taking advantage of the program included: Dan Aleksink, Richard Dillman, Jack Esau, Dale Groth, Lee Hartel, Rodney Karr, Pat Kendall, Norman Lupton, Ferris Ware, Clyde Wells, Nancy Hunter and Joanne Miljore.

Also competing instruction under the plan were: William Ewald, James Ware, Dale Brown, Ralph Chapman, Jerold Little, Wilbert Neiman, Lawrence Summers and Gordon Ware.

Others included: Elaine Crane, Phyllis King, Alice Moffat, Edna Riemstra, Florence Searis, Theda Seeger, Margaret Weippert and

Mabel Wright.

Courses in different fields were offered at Delta College, Northeastern school of Commerce, General Motors Institute, Wittenberg University and Cass City High School.

The plan was originated on Mar. 15, 1964, and is open to all employees.

Horseshoe Players Wanted in Uby

Anyone in the area who feels that they are tops at pitching horseshoes will want to enter the Uby Homecoming horseshoe contest, officials said this week.

It costs \$1.00 to enter and eliminations are slated for Saturday, July 10, where every contestant will pitch 50 shoes.

The top qualifiers will return Sunday, July 11, and compete against each other in a round robin championship. Trophies will be given to the top six finishers.

The entry fee should be sent to: Horseshoe pitching, Box 100, Uby. Notification will be sent when to report for eliminations, authorities said.

Elect Officers for Area 4-H Club

Officers were elected at a recent meeting of the Carolan-Gagetown 4-H Club held at the home of Mrs. James Rabideau. President is Joan Orzel. Others are: vice-president, Michael Rabideau; secretary, Patricia Parker, and treasurer, Marie Rabideau.

The president appointed the food prep girls in charge of refreshments. David Rabideau is recreation chairman; Patrick Toohy, reporter; William and Raymond Rabideau, transportation, and Eileen Parker, clean-up committee.

Projects and enrollments were discussed and all food and electrical project enrollees are urged to attend the picnic sponsored by Detroit Edison Tuesday.

MIRAGE

Many a man looks at the world through rose-colored glasses, but with blood-shot eyes.

Mrs. Eldred Lee Kelley

An international flavor was added to the Friday evening, June 11, marriage to Luanne Vanderkarr and Eldred Lee Kelley when they were joined in their wedding party by a number of foreign students.

Married in the First Methodist Church before the Rev. Rex Dixon, the bride and bridegroom repeated their vows before an altar decorated with blue and white flowers and illuminated by candlelight in the presence of assembled guests and their parents, Mr. and Mrs. Wayne Vanderkarr of Corunna and Mr. and Mrs. Warren Kelley of Cass City.

Given in marriage by her father, the bride wore a gown of peach de sole fashioned in simple lines. Her fitted bodice was highlighted by a modified scoop neckline, and long tapered sleeves. The long skirt of the gown was accented by

a straight panel front with soft deep pleats at the sides and back, extending into a chapel train. A tailored bow at the front waist was the only adornment on her gown.

Her fingertip veil of imported silk illusion was attached to a pillbox sprinkled with lace and seed pearls. She carried a cascade bouquet of phalaenopsis orchids and stephanotis.

Elaine Vanderkarr attended her sister as maid of honor, wearing a blue silk taffeta gown fashioned with an Empire waistline above the A-line floor-length skirt and elbow-length sleeves and a scoop neckline. A short veil of silk illusion was attached to a petal and pearl headpiece. Her flowers were a cascade arrangement of miniature white carnations and blue delphinium flowerlets.

Also attending the bride, wearing identical gowns and flowers as that of the maid of honor, were the bridesmaids, Jill Layne of Youngstown, Ohio, Sue Kelley, sister of the groom, and Carol Lobdell and Ann Brown, both of Corunna.

Tunji Saba, son of Mr. and Mrs. Abe Saba, a former foreign student at Mt. Pleasant and now minister of Social Welfare in Zaria, Nigeria, was ringbearer.

Debra Turkey, daughter of Mr. and Mrs. James Turkey of Cass City, was flower girl and wore a white peau de sole dress which also featured the Empire waistline, sashed with blue satin ribbon. Her basket was filled with pink rosebuds. She wore a white veil attached to a pillbox, matching the bride's.

Gary Kelley was his brother's best man. Serving as groomsmen were Leland Vanderkarr of Corunna, brother of the bride, Larry Retherford of Deford, student at Wilmore, Ky., Jacob Al Doud of Kuwait, student at Mt. Pleasant, David Kalawole of Jebba, Nigeria, student at Michigan State University.

Escorting the guests were Arthur Henke of Flint and Bernard Babich of Cass City.

Mrs. Earl Reimer of Flint was organist for the wedding and accompanied vocalists Bonnie Dixon and Larry Retherford.

For her daughter's wedding, Mrs. Vanderkarr chose a blue silk two piece dress and Mrs. Kelley, a blue lace jacket ensemble. The mothers wore corsages of phalaenopsis orchids and blue miniature carnations.

Special guests were her grandparents, Mr. and Mrs. Earl Vanderkarr and Mr. and Mrs. D. C. Middleton, both of Corunna, and his grandparents, Mr. and Mrs. Walter Kelley and Mr. and Mrs. Clair Turkey of Cass City.

The newlyweds took a trip through Virginia and Washington, D.C.

They are both students at Spring Arbor College where they will make their home.

Install Bryant As Lions Prexy

Lloyd Bryant, local businessman, was installed Monday night as 1965-66 president of the Cass City Lions Club in ceremonies conducted by Dist. Gov. Roy Lawrence of Pigeon at Martin's Restaurant.

Bryant received his president's pin and gavel from retiring president Alger Freiburger, and then presented Freiburger with his past president's pin.

A \$50.00 donation to the Tuscola County Retarded Children's Association, Inc., was approved as one of the club's civic projects.

Members were reminded that the annual summer Ladies Night program will be held Saturday, June 26, at Sherwood Forest Country Club in Gagetown.

Each member is to bring at least one guest couple and may invite as many persons as they wish.

Holbrook Baptists To Hold Crusade

The Rev. Milton R. Gelatt, pastor of the Holbrook Baptist Church, announced that starting June 27 through June 30 the church will feature an evangelistic crusade. The Rev. Fred M. Barlow, Sunday School consultant for the Regular Baptist Press of Des Plaines, Ill., will be the evangelist. He preaches the old-time gospel with the characteristics of a Southern evange-

list. His pastoral experiences and evangelistic meetings in churches have taken him to over 30 states, Washington, D.C., and Canada.

Mr. Gelatt announced that there will be special nights during the evangelistic campaign. Some are: Sunday School Night, Delegations Night, Church Loyalty Night and Capacity House Night. Special musical numbers will be featured each evening.

The public is cordially invited to attend these services which begin at 7:30 p.m.

52nd Holiness Camp at Caro

The 52nd annual Tuscola County Holiness Camp will be held in Caro June 24 through July 4, it was announced this week by camp authorities.

Meetings will be held nightly at 7:45 p.m. Sundays an additional service will be held at 2:30 p.m. Camp evangelist is the Rev. Charles Wireman, a converted Kentucky outlaw.

Special music will be furnished by the Rev. and Mrs. Alvin Richards. Richards is a former president of the Tuscola camp and his wife is an accomplished organist.

Hyde Rites Slated Friday at Decker

Funeral services for Lloyd Joseph Hyde, 57, of Cass City, will be held Friday at 2:00 p.m. at the Decker Methodist Church following his death early Tuesday morning at Marlette Hospital.

Mr. Hyde may be seen at Marsh Funeral Home in Marlette. Interment will be in Elkland Cemetery. Full obituary will be reported next week.

Friday Session to End Bible School

The Cass City Council of Churches' annual vacation Bible school has reached a new peak in popularity this year, according to figures released this week by authorities in charge.

The Rev. R. E. Betts reports that 175 students are enrolled in the program that concludes its two-week course Friday, as compared to 143 in the program last year.

Making the course a success are 23 teachers and helpers from the various churches of the council.

Heading the kindergarten course is Mrs. Frank Meiser.

Pre-kindergartners are under the direction of Mrs. Harold McAlpine, Ellen Morgan and Carol Seeley. A post-kindergarten class includes Mrs. James Seals, Judy Quick and Carol Benkeiman as teachers.

31 Piano Students In Recital Sunday

Mrs. Willard Dobbs of Cass City presented her piano pupils in a recital Sunday afternoon at the Cass City Methodist Church. Thirty-one students participated in the program which included a wide variety of music. Each one played a memorized solo and also took part in a duet or trio.

Pam Dobbs announced the selections and children performing were:

Jeanne Alexander, Mardi Auten, Anne Bulen, Debby Boylan, Carol Clarke, Margie Clarke, Sharon Clarke, Julie Elliott, Beckie German, Vickie German, Sheryl Gue, Graig Guernsey and Lynn Haire.

Others were: Sharon Hartel, Libby Hillaker, Robbin Hoffman, Betsy Hosteler, Karen Kerbyson, Nancy Koepgen, Susan Koepgen, Greg Mark, Joe Mark, Kathy Mark and Chris Murphy.

Completing the list are: Becky Parrott, Janet Parrott, Luan Repshinska, Cindy Strickland, Carol Thane, Patty Thane and Sheril Thane.

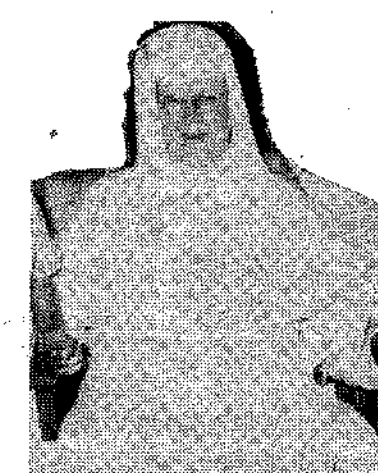

Approximately 90 parents and friends attended and refreshments were served.

Sister Mary Rosena Final Rites Held

Final rites for Sister Mary Rosena, 69, were held Wednesday, June 9, following her death Sunday, June 6, as she was leaving the chapel of the Dominican Mother House following evening prayers.

The daughter of Mr. and Mrs. Michael McHale, formerly of Gagetown, Florence McHale entered the Adrian convent when she was 13 years old. Most of her teaching life was spent at St. Philip Neri School, Evanston, Ill.

She also filled several teaching assignments for her order in the Detroit area. Since her retirement

she had been living in the new Maria Hall at the Adrian Mother House.

She celebrated her 50th anniversary as a Dominican nun in June, 1960. Surviving are a brother, Michael McHale and a nephew, John Delargy, both of Detroit. Interment was in the Adrian Dominican Cemetery.

The primary department students are led by Mrs. James Braid.

Other teachers include: first graders, Mrs. Jon Fahrner and Gail Hoffman; second graders, Mrs. Ed Doerr and Linda Wright; third graders, Mrs. Dave Kraft and Lexie Tetreau; junior department, Mrs. Robert Betts, superintendent; fourth graders, Mrs. Lloyd Bryant and Mrs. Richard Hendricks; fifth graders, Mrs. Robert Tuckey and Mrs. Elwyn McNaughton, and sixth graders, Mrs. Grant Brown and Shirley Brown.

Daily Schedule

The daily schedule includes Bible story time, workbook period, singing, mission study and handwork projects. An offering is collected twice during the two weeks and the money is used to help pay expenses for the migrant mission that the Council of Churches sponsors at a camp south of Owendale.

Airman K. E. Hurd In the Philippines

A3C Kenneth E. Hurd left Saturday, June 19, for 18 months overseas duty in the Philippines after spending a 30-day furlough with his parents, Mr. and Mrs. Dave Hurd. His address is: A3C Kenneth E. Hurd, AF 16825123, APO 405 Fighter Wg., San Francisco, California, 96274.

Mrs. Wallace CMU Honor Grad

Mrs. Robert Wallace, the former Beatrice Leslie, was among 785 students graduating recently from Central Michigan University. Mrs. Wallace is the daughter of Mrs. Albert Leslie and the late Mr. Leslie of Shabbona.

Mrs. Wallace graduated magna cum laude from CMU and will teach English and handle the library in Hemlock where her husband has been head coach for three years.

The Wallaces have a daughter, Julie Ann.

She is a 1953 graduate of Cass City High School.

Weiler Completes Hospital Course

Joseph Weiler, Cass City Hospital administrator, has completed a correspondence and classroom course in Basic Hospital Administration at Columbia University, New York, N. Y.

Weiler spent from June 1 to June 12 in New York winding up the course that began with a two-week session last summer and included correspondence during the winter. All expenses were paid by Cass City Hospital.

The course offers instruction in personnel, public relations, hospital accounting, business administration and other related subjects.

2-Team Race in Little League

The Standings:

Team	W	L	GB
Giants	6	0	-
Pirates	5	1	1
Tigers	2	4	4
Yankees	1	5	5
Cubs	1	5	5

The Giants and the Pirates continued to dominate the Cass City Little League as they posted victories in games played last week.

Although no team in the loop has failed to win a game, the league leading Giants are already five games ahead of the tail end Yankees and Cubs.

Giants-Tigers
The Giants won an easy victory Monday over the Tigers, 15-5, as the Giant sluggers made it easy for their pitchers.

Dennis Francis slammed out three hits in four tries to lead the pack. Others with two hits for the Giants were Duncan Wallace, Carl Zawilinski, Craig Guernsey and Mike Wood. Fred Harbec started and received credit for the win with relief help from Wallace in

the fourth.

Pirates-Cubs

The Pirates slugged out a 14-4 decision over the Cubs Tuesday, June 15. Kim Hopper and Wayne McNeil lashed circuit clouts and Wayne McNeil and Tim Knoblet each collected two hits.

Giants-Cubs

Although the Giants' hitters were fairly well stifled, the pitchers came through in fine shape with a no-hit game that produced a 5-0 victory.

Wallace pitched the first three innings and Robbie Alexander the last three innings. Both boys also collected two hits to pace their team's attack.

Pirates-Yankees

The final game of the week pitted the Pirates against the Yankees and the Bucs won an easy 13-0 victory. Wayne McNeil started on the mound and was effective . . . allowing just two hits. Clinton Warner relieved him on

Action Brisk In Little Minor Loop's Games

The Indians remained undefeated, the Dodgers shoved the White Sox deep into the league basement and the Braves scalped the Angels in games played last week in the Little Minor League.

White Sox-Dodgers

It was a slugfest from start to finish as the Dodgers edged the White Sox 18-17 Monday. Errors accounted for many of the runs for both teams.

Jerry Hunt rapped out three singles and a home run to lead all hitters. Craig Helwig was the winning pitcher and Dave Hillaker was charged with the loss.

Ed Stoutenburg slammed out four hits for the Dodgers. Saturday the Indians powered their way to a 12-6 decision over the Dodgers. Jerry Toner was the winning pitcher.

Good defensive plays were turned in by David Zawilinski, Mike Rutkowski and Bradley Gohsman. Toner, Rutkowski and Zawilinski picked up hits.

Braves-Angels

The Braves had an easy time with the Angels, Wednesday, June 16. They racked up a 15-3 decision and moved into second place by virtue of the win.

The standings:

Team	W	L	GB
Indians	4	0	-
Braves	2	1	1 1/2
Angels	2	2	2
White Sox	0	3	3 1/2

Former Deford Man Dies in Marlette

Anson Ray Wiltse, 76, lifelong resident of the Clifford area, died Sunday in Marlette Community Hospital after a long illness.

He was born July 30, 1888, in Clifford, son of the late Norman and Evie McCartney. He married Ethel Spencer in October, 1908, in Caro.

The couple lived in Deford until 1912 when they moved to Clifford.

Mr. Wiltse was a bridge builder for the Grand Trunk Western Railroad for 45 years and he was a life member of the North Branch Masonic Lodge.

Surviving are two daughters, Mrs. Harry Chard of Marlette and Mrs. Maxine Van Conant of Clifford; four sons, Kenneth and Douglas Wiltse, both of Marlette, Raymond Wiltse of Owosso and Ronald Wiltse of Brown City; 16 grandchildren, 19 great-grandchildren; five sisters, Mrs. Lulu Amersdorfer of Dowagiac, Mrs. Etta Roberts of Pontiac, Mrs. Lorena Greenfield of Caro, Mrs. Eva Masters of Clarkston and Mrs. Millie Smith of Garden City, and a brother, Dorr Wiltse of Caro.

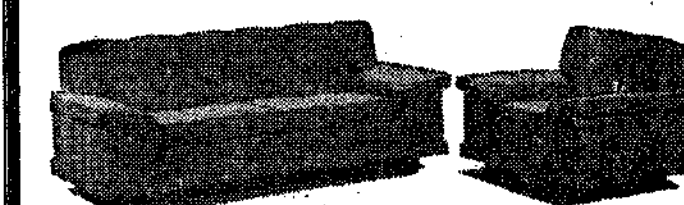

The North Branch Masonic Lodge conducted services at 8 p.m. Tuesday at the funeral home in Marlette. Funeral services were held at the Clifford Methodist Church Wednesday. Rev. William B. Lutz, pastor, officiated.

Burial was in Marlette Cemetery.

30 Cars in First Centennial Caravan

Cass City Centennial promoters, 30 cars strong, serpentine their way into two county towns Friday night, June 18, laid siege to the villages with song and dance and gifts.

The event was the first of three car caravans to Thumb villages to promote out-of-town interest in Cass City's upcoming centennial. A second caravan is slated for Saturday, June 26.

Caravan officials considered their first run an unqualified success with approximately 100 persons turning out in the 30 car caravan.

First stop was at Caro where Mayor Bill Janks was presented a gift and centennial square dancers danced before a small crowd of persons. By the time the dance was over, several more persons had gathered.

While the dance was going on other caravanners passed out handbills while others put in appearances in various stores.

CIRCUIT COURT

Concluded from page one.

ing and entering Mayville High School. An original plea of guilty was not accepted in the morning session of the court and a plea of not guilty was entered.

At a second arraignment Friday afternoon the court accepted a revised plea of guilty and sentencing was set for July 28. A presentence investigation was ordered.

In the second criminal arraignment Friday, Ramon Ramirez, Gageton, pleaded guilty to unlawfully driving away an automobile.

The vehicle was owned by Tim Sellus and the crime was committed May 15 in Akron township. Bond was continued and a presentence investigation ordered. Sentence will be passed July 28.

After the dance was over, the caravanners piled back into their cars and would their way to Vassar where similar festivities were held, this time to a larger crowd.

Saturday's caravan will leave Cass City at 6:30 p.m., hopefully arriving in Elkton at 7:15. At 7:45, the motorcade will leave Elkton for Pigeon, arriving at 8:00 p.m. Leaving Pigeon at 8:30, the caravan will wend its way to Caseville, arriving at 9:00 p.m.

Programs and presentations will be staged in each village.

Persons wishing to attend but who do not have transportation may find rides at the Recreation Park when the caravan forms. Although costumes are preferred, participants need not dress up.

A third and final caravan will be held Saturday, July 10, to Bad Axe, Uby, Argyle, Snover and Decker.

SCHOOL MERGER

Concluded from page one.

It is estimated that 4.8 mills on the state equalized valuation would be necessary to raise the necessary funds.

If the various issues are approved by the voters, grades kindergarten through six will be in each of the three communities and grades 7-12 in the Central Junior-Senior High School.

Better instruction
School authorities say that better supervision, instruction, testing and guidance will be given in the elementary school and a broader curriculum offered to the students in the junior and senior high schools.

Teachers would be able to be assigned to their fields of specialization, under the combined program, and more use could be made of laboratory equipment and other expensive instructional aids, authorities concluded.

THE CASS CITY POOL opened Monday and the Chronicle was on hand for a traditional picture of the opening day. Despite a day with a slight chill in the air, the pool was well populated in both the afternoon and evening.

4-H Service Club in Work Session

A work session was planned at the regular meeting of members of the Tuscola County 4-H Service Club June 17.

Twenty-seven members met at the 4-H building in Caro and chose July 1 for their annual clean-up, paint-up session at their concession stand on the fairgrounds. The group will meet at 2:00, taking a picnic supper.

It was announced that three

members of the club had been awarded recognition in county events recently. Jeanne Iverson of Fostoria and Jon Garner of Vassar won first place in public speaking. Nancy Englehart of Millington was chosen as the candidate for the National 4-H Conference, which will again be held in June 1966.

Attending from Cass City were Mark Battel, Francis DeLong, Duane DeLong, Bob Carpenter and Connie DeLong.

At present, Director Roger Parrish said, there are no quotas for using the pool. If we become overcrowded in hot weather we'll revert to a schedule restricting use by age groups, as we did last season, he explained.

Announce Rules For Red Cross Swim Lessons

Red Cross swimming lessons at Cass City Recreation Park have been scheduled for all classes of swimmers this summer. David Binder announced this week.

The swim classes will start Wednesday, June 30, and will be conducted every Monday, Wednesday and Friday morning. A fee of \$2.00 per person, to cover costs, will be charged.

Children from kindergarten age (five years old) will be taught, Binder said.

The six-week session will offer the following classes:

Lifesaving 9:00 to 9:30 a.m.
Advanced swimmers 9:30 to 10:00 a.m.

Swimmers 10:00 to 10:30 a.m.
Intermediate 10:30 to 11:00 a.m.

Beginners 11:00 to 11:30 a.m.

Further information can be obtained by contacting Binder at the park or at his home.

SMOKING AND MOUTH CANCER

Q. Can cancer occur in the same location twice? My question concerns my father, a heavy smoker, who has apparently been cured of cancer of the mouth.

A. Yes, a second cancer can develop in the mouth. It's always a bit hazardous to refer to cancer "cures." However, assuming that a cure has taken place, the chances of recurrence of cancer of the mouth is considerably greater if smoking is continued than if the subject quits smoking. The increased risk of cancer recurrence was clearly shown in a group of cancer patients studied by University of Louisville doctors.

20/20 VISION

Q. What do doctors mean when they say you have 20/20 vision?

A. This is a way of saying that you have normal vision. Visual acuity, or the ability to see clearly, is expressed as a fraction. The top number is the distance the person is placed from the test chart. The bottom number is the lowest line on the test chart that can be read by a person with normal vision. A person whose vision is 20/40 sees at 20 feet what a normal person sees at 40 feet. This doesn't mean that such a person is half blind. Half sight occurs when vision drops to 20/100.

Mr. and Mrs. J. D. Turner

Celebrating their 50th wedding anniversary Sunday, June 27, will be Mr. and Mrs. J. D. Turner of Cass City. A family dinner will be held at the summer home of their daughter and son-in-law, Mr. and Mrs. William Noble, at Sand Beach near Caseville.

Mr. Turner was born in Elmwood township February 22, 1892, the oldest son of Mr. and Mrs. Dwight Turner. Louise M. Corlis was born in Dayton township October 4, 1890, the daughter of Mr. and Mrs. John Corlis.

They were married June 29, 1915, in Lansing by the Rev. F. W. Stephenson at the home of Mrs. Turner's sister, Mr. and Mrs. Charles Steele. They lived on farms, both in Kingston and Ellington, after which they moved to Cass City where they have resided for 42 years.

Mr. Turner is a retired employee of the Nestles Milk Company and a member of their Quarter of a Century Club. Mrs. Turner is a retired school teacher, having taught in Sanilac and Tuscola counties.

They have three daughters, Mrs. William (Elaine) Noble of Ferndale, Mrs. Louis (Esther) Elias of Franklin and Mrs. William (Donna) Lowe of Bay City, three grandsons and two great-granddaughters.

They have been lifelong members of the Methodist Church.

D. K. Was Almost A Caravan Casualty

By Dave Kraft

Hey, how about that caravan? If you missed it, you missed a most enjoyable time. Frankly, I can't wait until the next time.

Lots of real enthusiasm. Lots of excitement and one or two thrills. Carl Crow and I almost got run over in Caro while we were standing in the middle of the road handling cut hand bills. One thing I'll say for Carl... he sure knows how to stop traffic... cause an accident.

When we got to Vassar, the kids got out and ranged up and down the street. One youngster, in costume, wandered into one of the bars and either looked so wistful or stirred a long dead emotion in one of the patrons because he gave the wait a dollar bill.

So you know where I'm going to spend my time on the next caravan.

One thing the centennial is doing is turning our service stations into oases in a blacktop desert.

First it was L&S Standard with their corner plot of petunias or something. Now Chuck's Mobil is sporting a pair of flower boxes full of tubercular begotas or was it nasty cismas?

I certainly hope the other stations follow suit. Some lace curtains in the powder rooms would also seem in order.

Here are a couple of choice bloopers that were stopped at the front desk by our proof reader before anyone else saw them.

From a Ladies Aid meeting report: "One guilt was finished during the afternoon." Suspensions confirmed. I always wondered what went on at those ladies aid meetings.

"Protect your feet on the jib." And watch your knees on the poop deck.

"The bride wore a gown of white peau de sole with a scoop neckline and shirt sleeves." Not much I can say about that except that she must have expected to spend her honeymoon with her sleeves rolled up.

From a real estate ad: "With a small steam through property." It's not really a small steam. It's actually a hot creek.

About the lady who asked whether the beards went under the covers at night or on top. Mrs. Stan Guinther showed me a picture of her husband asleep and his beard was on top of the covers.

If anyone else would care to volunteer some information, I'd be glad to pass it on.

Nothing new on the race. I understand from a very reliable source that Helwig cut his finger the other day.

Probably figured that since he broke his toe, I'd make him run the race on his hands... so he cut his finger. How devious can you get?

I was looking over a list of the names of the various Centennial Belles chapters and some of them really show some imagination.

Take for instance the E U Belles, or the Jeza-Belles, or the Klassy Lassies, a high school group. Another high school group is the Kiss-less Kutties which is probably a misnomer.

Other good ones are the Bonnie Baptist Belles and the Tea Time Tillies.

Progress depends on team-work for its greatest gains—not on individual action.

Michigan Setting New Record In Spending Every Year

By Elmer E. White
Michigan Press Association
Growth Expense

Record budgets no longer are a rarity in Michigan government, and probably in most other states, because a new record in state spending is set each year.

The basic reason for this phenomenon is easily grasped by most people. It goes without saying that more services cost money, and even a given set of operations can rise in expense from one year to the next.

Extent of Michigan government's growth is a little more difficult to fathom unless all data are available for comparison. Such a full study of state government growth was made recently by the Citizens Research Council.

To the layman, the Council's study spells out clearly where the so-called record budget expenditures have gone in the past 10 years.

This year, for example, Michigan budgeted \$191 million for 84 agencies and services which were not in existence in 1955. The budget for the new fiscal year may add 14 more new programs at an estimated \$7.6 million annual cost.

For the fiscal year starting July 1, the Council estimated the 84 units new in the past decade and the proposed 14 others would require about \$264 million. So it can be seen the cost of operating the relatively new programs is going up considerably more than the amount required for the totally new ones.

Expansion of departments and agencies which existed before 1955 are not included in the Council study, but would add many more thousands through new functions and duties given to divisions of long standing.

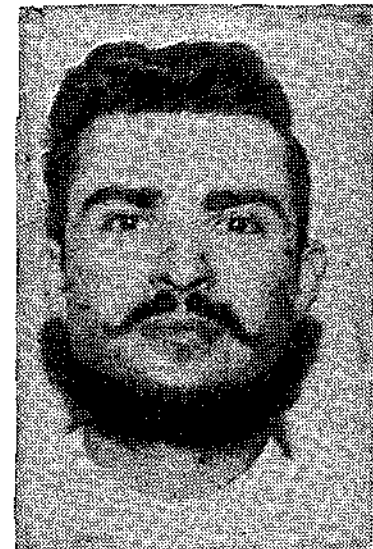

"New programs and services appear regularly in annual general fund appropriations," the analytical council notes. Even in the cash crisis years new programs were added. After a peak of 20 new services started in 1956, state expansion has ranged from 2 to 17 programs a year.

Areas of activity have varied as greatly as their numbers. Most recently the new programs have been in the areas of education, mental or public health, welfare,

Jack's Generous Beard Guessed By Gordie Bigham

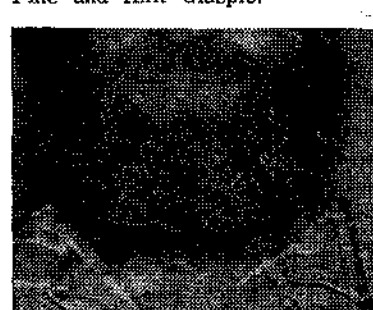

Jack Generous must have a beard that's easy to recognize or else everyone just happens to notice the beard that he has sprouted for the centennial.

For many, many area readers called to tell the Chronicle who he was.

First in the parade of correct guesses was Gordie Bigham. He was followed by Eric Esau.

Others among the first to call were: Mildred Frakes, Mrs. M. Generous (Jack's mother), Tom Lounsbury, Gary Deering, Kally Pine and Kim Glaspie.

This week the Chronicle has moved off Main Street again to photograph a bit of brush. We'll hazard that you'll find it a little more difficult.

safety, economic expansion and licensing of professional or vocational groups.

The Council notes that some programs are self-supporting; others get contributions from the federal government. Still a third category depends totally on state funds for operating. All have one feature in common: they contribute to a rapidly rising state budget and payroll.

Care For More

Special education offerings by Michigan schools are one of the reasons Michigan school systems are way ahead of other states.

There are presently very few districts in Michigan which do not have some kind of special education service operating or planned for the near future. Despite the size of the state, few students who need these services are very far from well-established programs.

Special education facilities range from those for the physically handicapped, the mentally retarded and the emotionally disturbed, to the visiting teacher and school diagnostician programs.

Children requiring special attention in the classroom vary considerably. Some are slow readers because of vision or hearing deficiencies, while others have much more serious problems.

The physically handicapped programs, covering the widest range of individual problems, served more than 75,000 students in the school year. Just ended. Crippled, cardiac, epileptic, deaf, blind, homebound and hospitalized students benefited from these programs.

Another 27,000 students were enrolled in various programs for the mentally retarded. The program for emotionally disturbed youngsters just completed its third year statewide but an estimated 700 students were involved, about 300 more than last year.

Visiting teacher and school diagnostician services were extended to about 24,500 this past year. The biggest portion of this number, probably all but about

225, was part of the visiting teacher program.

Lights On Safety

A standard plea comes forth from the governor's office periodically for a "light the way to safety" campaign.

The occasions for the plea are the various holidays when the bulk of Michigan motorists take to the roads for long trips. Memorial Day, Independence Day and Labor Day, Thanksgiving, Christmas and New Year's are the primary occasions.

Over the period that Gov. George Romney has been in office, the number of cars on the road in daylight with lights on has steadily increased throughout the year rather than just on these special occasions.

Purpose of the plea originally was to use the lights to remind motorists of the need for constant safety consciousness. Whether it has served its purpose is difficult to measure.

Most motorists are conscious of approaching lights in daytime driving. Only the cynics have seen the campaign as great for the auto battery business, if nothing else.

Greenleaf News

The Fraser Presbyterian Youth Fellowship entertained guests at a hay ride Monday evening from the home of Mr. and Mrs. Calvia MacRae. Twenty-eight young persons and their sponsors, Rev. John Osborn and Mrs. MacRae, were present. A wiener and marshmallow roast was held. Others helping with the event were Mrs. Henry McLellan, Mrs. Ted Powell and Bruce MacRae.

The real problem in life is not so much where we stand, but what we stand for.

The type of people who can keep secrets are playing a kind of confidence game.

Get out and hustle — opportunity won't come to you with a letter of introduction.

Stroke Fatal for Mark Flannery, 63

Mark Flannery, 63, of Shabbona, retired school teacher and former employee of Briggs and Chrysler Corporation in Detroit, died Wednesday, June 16, at Hills and Dales General Hospital after suffering a stroke.

Born Sept. 19, 1901, in Sanilac County, he was a foreman for the auto plants and was a school teacher in Detroit, Cumber, Minden township and Bay City until he retired in March because of illness.

He had lived in Detroit and Ubly until he moved to Shabbona in 1962.

He and Miss Glenna Meredith were married Aug. 5, 1922, at Baltimore, Md. He was a member of the Gallagher Club of Detroit.

Surviving are: his widow; a daughter, Miss Donna Flannery, three sons, Thomas, Leo and David, all of Decker, and a brother, Michael Flannery of Ubly.

Funeral services were conducted Saturday in St. Ignatius Catholic Church in Freiburg by the Rev. Joseph D. Ryan.

Burial was in the church cemetery.

The rosary was recited at the funeral home in Ubly Friday.

That's right... YOU ARE SEEING MORE PLYMOUTH'S

One reason is the 5-year/50,000-mile warranty** on the parts that keep you going.

**Here's how Plymouth's 5-year/50,000-mile engine and drive train warranty protects you: Chrysler Corporation confidently warrants all of the following vital parts of its 1965 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque converter, drive shaft, universal joints, rear axle and differential and rear wheel bearings. Required maintenance: The following maintenance services are required under the warranty: change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

FROM THE FILES OF THE CHRONICLE

Five Years Ago
Miss Perry Lynn Walpole was among 74 students graduating from Principia College, Elmhurst, Ill. She received a BA degree.

The Gagetown Firemen sponsored their first Fireman's Field Day. Events included pony rides, dancing, a water battle and raffle.

Croft-Clara Lumber Yard moved into their spacious new building at 6141 West Main Street.

Plans were being made for the

11th home-coming.
Some 55 persons attended the Old Settlers reunion at Deford.

The Rev. Robert Seals began his pastorate at the Methodist church.

The vacation Bible school dedicated toys for the migrant children for their project.

Ten Years Ago
Wheat price support was set at \$1.81.

"On Wheels" parade was the first recreation department event for the summer program. Ten prizes were awarded for the best decorated bicycles.

The livestock judging team from the Cass City FFA won a silver medal in the state judging contest. Team members were Keith Mitchell, Ed Fox and Russell Severance.

Stuart Atwell and Newell Manke were new Rotary members.

Mrs. Lloyd Finkbeiner received her BS degree in elementary education from Central Michigan University.

Mr. and Mrs. Clinton Mitchell were surprised by their friends on their 25th wedding anniversary.

Twenty-three Shabbona women went to Port Huron and Sarnia on their fourth annual mystery trip. They are members of the Home Demonstration Group.

Twenty-five Years Ago
Mr. and Mrs. James J. Spence quietly observed their golden wedding anniversary Tuesday.

The first 10 to pay their 1940 taxes were: Neil McLarty, Donald Scheil, John McGilvray, Fred Jaus, Mrs. Cora Strickland, Mrs. Rosa VanHorn, Whitley McLean, Andrew Muntz, Samuel Jaus and George W. West.

Dr. K. I. MacRae of Cass City was elected president of the newly formed Tuscola County Osteopaths Association.

The Rev. John V. Starr, state superintendent of the Nazarene church in Michigan, will dedicate the newly remodeled church June 30.

Starting July 1, the post office at Cass City will be a second class post office. The postal receipts for the preceding year having been in excess of \$8,000 put the post office out of the third class level.

Rev. H. G. Bushong is retained as Methodist minister.

The Rev. George G. Bugbee is the new pastor of the Nazarene church.

In an automobile ad we found that the 1940 Chevrolet master business coupe was selling for \$659.

The Misses Leola Smith, Winnifred Orr, Betty Jo Agar and Alexia Bayley attended camp at Alma for the Presbyterian young people.

Mr. and Mrs. Frederick Pinney traveled in Wisconsin last week and attended the Bankers Convention in Grand Rapids.

Cass City market prices for eggs was 12 cents a dozen and hogs were nine cents a pound.

Thirty-five Years Ago
Cass City raised over \$325 for its YMCA quota thus going over its assigned amount.

Winning the third annual Upper Thumb Track meet Cass City beat out Caro 53 1/2 to 53 1/3. The boys showed a lot of depth as a team.

J. A. Sandham, the Lincoln National Life Insurance agent, and his wife won a 10 day vacation trip to Old Quebec.

The farming season was two weeks ahead of schedule due to the warm and excellent growing weather.

A Chevrolet coach belonging to Carl Robinson burned Saturday night. The coach collided with another car at the four-mile corner south of Cass City and turned over, catching fire.

Officers reported finding 14 pints of moonshine whiskey and 20 quarts of beer when they raided a home in Indianfields township, south of Wabjamega.

Margaret M. Kelly, Cass City, was among more than 300 prospective teachers who received certificates at commencement exercises at Central State Teachers College at Mt. Pleasant Monday morning.

The fond mothers and fathers who gathered at the B. A. Elliott home Monday morning to observe the departure of the seniors on their long-looked-for trip into Northern Michigan probably noticed that the members of the class of 1930 had lost their usual dignity and solemnity and were more like a bunch of excited youngsters.

John May, president of the Cass City Fair, has called a fair meeting for Monday, June 30, at the council rooms.

Miss Helen Steinmann of Peck and Donald Lorenzen of Imlay City spent Saturday night and Sunday with Mr. Lorenzen's parents, Mr. and Mrs. John Lorenzen.

Mr. and Mrs. C. D. Striffler, Stanley A. Striffler and Clark Helwig attended the commencement exercises of the Detroit Institute of Technology from which Kenneth Striffler received a BCS degree.

Trying to make both ends meet is the battle of a lifetime.

It's a waste of time telling a man something for his own good.

Resolutions to reform come from those who've been detected.

Letters to Editor

The Chronicle welcomes letters to the editor. In most instances letters will be printed in full. However, the paper reserves the right to edit letters to fit space requirements. All letters must be signed.

Dear Editor:

We wish that we could individually say "Thank You" to every person who helped make the proposed high school a reality. Needless to say, that is not possible.

We do hope that this open letter to the community will let the people know the deep gratitude we feel that they have so decisively voted to meet the educational needs of the children in our school district.

It is a privilege and an honor to be a representative on the School Board in our community.

Sincerely,

The Cass City Board of Education

Green Acres Group Plans July Picnic

The Green Acres Farm Bureau met Tuesday, June 15, at the Gerald Bock home with 11 members and three guests present. Mr. and Mrs. Keith Mitchell became new members.

The business meeting was opened by chairman Ron Fox and Mrs. Olin Bouck read the minutes. Mrs. Fox gave the women's committee report. The minute man's report was given by Gerald Bock and the package report by August Lindquist.

The discussion topic was on "Local Governments and Their Future."

Cards were played with Bruce MacRae winning the traveling prize. Lunch was served by the hostesses.

The group will hold a picnic at McGraw's Park Sunday, July 18. If the weather is inclement the picnic will be held at the Olin Bouck home.

Uncle Tim From Tyre Sez:

Dear Mister Editor:

All my life I been a strong supporter fer high wages. I ain't never tasted none of 'em myself but I'm like the factory worker I was reading about. He said he didn't see his pay check but twice a week, once when the foreman handed it to him and once when he handed it to his old lady. But, he allowed, as long as somebody was gitting it he was happy.

But they was such a thing as wages gitting too high fer the good of the Great Society. What brung this to mind was a piece I was reading in the papers this week about a group of them electric workers in New York City. They was gitting \$4.30 a hour fer a 35-hour week or \$168 a week plus fringe benefits that covered them and their families from "womb to tomb," as the welfare folks say. Now they was aiming to go on strike to git the same deal fer a 30-hour week. Like I say, Mister Editor, I ain't agin the working

man, but if this trend keeps up this country will be full of working folks that is hardly working. Them New York electric workers need to do a hitch in Vietnam to git their gunshots lowered.

And speaking of Vietnam, we're liable any day now to see one of them brush wars break out in Portland, Oregon. I see by the papers where a Colonel Brannon that is commanding the Air Base there has got the wimmen folks mad at him. And when wimmin git mad they can be as stubborn as a 14-year-old mule. This could be jungle warfare at its worst. I've has ordered that no woman wearing hair curlers can come to the post exchange and commissary. Furthermore, he has ordered they got to wear skirts or dresses, no slacks, shorts and pants and such things allowed.

First off, he barred hair curlers and "tight" slacks and shorts. A argument started immediate between him and the wimmen. The slacks he claimed was "skintight" the wimmen was claiming was so loose they was flapping in the breeze. He give the wimmen a piece of his mind, told 'em he was fighting the Battle of the Bulge, that the fatter the woman the tighter she wore her slacks. This newspaper piece said Colonel Brannon had two battle stars and was a brave man. He has to be to git in this kind of war.

I was discussing this matter with my old lady and was surprised to hear her taking sides with the Colonel. She allowed as how hair curlers belonged in the bootways (she picks up them fancy words from television) and that fat wimmen and skinny wimmen was a sight in slacks and the in-betweens had more pulling power in dresses and skirts. But confidential, Mister Editor, my old lady not to the contrary, I'm betting on the wimmen agin the Colonel in this one.

Yours truly,

Uncle Tim

New Production Figures Released

New, officially recognized milk and butterfat production levels by Registered Holstein cows in this area are listed in a special report from Holstein-Friesian Association of America.

Vicinity cows included in the report are: Betheldale Elsie Leader Bess, a three-year-old, produced 16,320 pounds of milk and 665 pounds of butterfat in 305 days.

Betheldale Leader Hope, a seven-year-old, had 17,360 pounds of milk and 649 pounds of butterfat in 305 days. Betheldale Leader Robel Ruth, a six-year-old, had 18,190 pounds of milk and 635 pounds of butterfat in 331 days. Betheldale

Leader Regal Lu, a six-year-old, had 17,030 pounds of milk and 624 pounds of butterfat in 311 days. All are owned by Vernon J., Clare J., Richard J., and Robert J. Carpenter, Cass City.

These new production figures may be compared to the estimated annual output of 7,800 pounds of milk and 290 pounds of butterfat by the average U.S. dairy cow, notes the national Holstein Association.

GEHL Chop-All Mower Bar mows off tall or short; chops fine

No crop too tall. None too short — for the new Gehl Chop-All Mower Bar. With one-two precision you mow forage clean; then chop fine for better packing in silos.

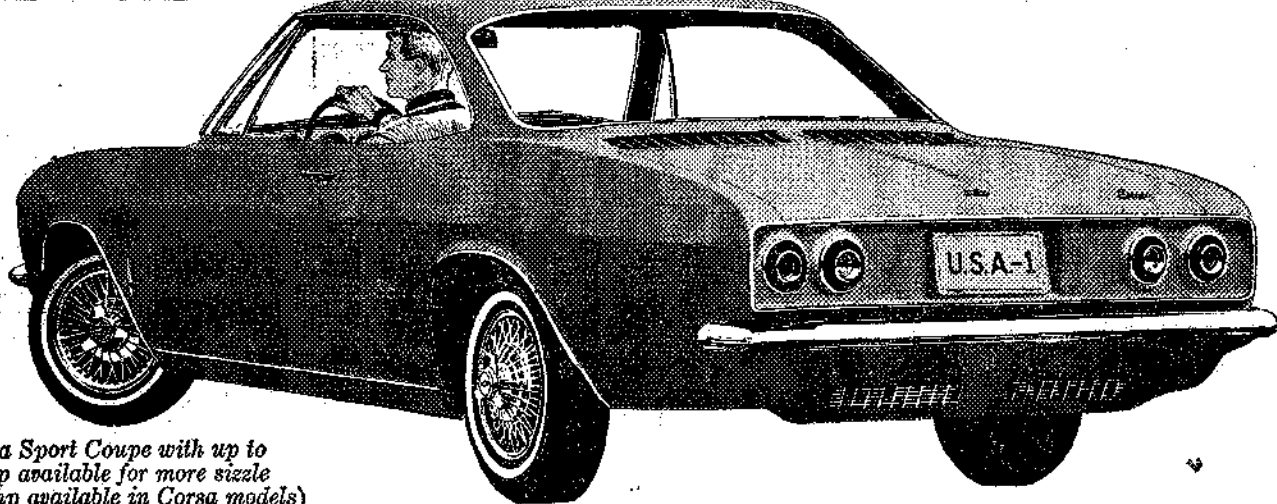

The powered feed roller keeps the crop "on the move" from auger to chopper throat. Eliminates crop bunching and slow-downs. Three power-driven compression rollers then flatten the crop . . . hold it tight. The payoff: Six chrome-edged knives and long-lasting tungsten-carbide cutter bar turn out famous Gehl fine chopping.

Gehl's new Select-A-Cut transmission lets you vary forage length—short, medium or long—with the push of a lever. New Easy-Swing drawbar adjusts right from the tractor seat. A rigid tripod (optional) holds the forage deflector more firmly in place.

IT SEEMS TO ME

More White People Are Accepting Negroes

By the Rev. R. J. Searls

A recent Gallup Poll reveals that racial tolerance has gained during the last two years. "More white people today than two years ago are willing to accept Negroes as next door neighbors," the report began. My brother-in-law purchased a home about 20 years ago, and has maintained it beautifully. What was then an all-white neighborhood has since changed, and several families of Negroes now live there. I might guess that they would not have bought their home right where it is if there had been Negro families living there then. There have been no racial tensions in the neighborhood, so he and his family have remained and have made new acquaintances - although the original plan was to move out, buying a new home. So far, they have not felt the need to

move out of the neighborhood, and are making new friends in their own area. This is growing to be the answer of Christians all-over. Or, so "It Seems to Me."

Meeting in April, the 105th General Assembly of the Presbyterian Church in the US (southern) approved the spirit of a merger proposal with the General Synod of the Reformed Church in America. This merger, when accomplished, will unite two churches which have similar histories. It will be a stronger church because it has been forced to re-think and re-state the spiritual background from which it emerged.

Racial discrimination has been practiced in the very courts whose rulings have been consistently for the Negro's rights. None of the 12 circuit judges and none of the 65 district court judges in 11 southern states in a Negro. The Southern Regional Council observes in its report, "A Negro involved in federal court action in the south could go from the beginning of the case to the end without seeing any black faces unless they are in the court audience, or he happens to notice the man sweeping the floor." This condition does not encourage Negro confidence in the federal judicial system. Or, so it seems to me.

Madison Avenue in New York is to advertising men what Wall Street is to bankers and stock dealers. "Christianity Today," late in April, carried this item headed, "Our Madison Avenue Church." I thought you might enjoy its gentle sarcasm.

Our Racial Policy: "Neat, Clean, Quarter-Mile Away."

Advertising Circular: "You Expect More from First Church, and You Get It."

Usher's Advice: "It's What's Up Front that Counts."

Our Preacher's Sermon Delivery: "Richly Rewarding, Yet Uncommonly Smooth."

Hymn Before the Sermon: "The Pause that Refreshes."

Promise on Offering Envelopes: "Only Your Treasurer Knows for Sure."

Our Opinion of Ourselves: "Just a Little Bit Better."

—by The Rev. LeRoy Koopman, Berwyn, Illinois

POME DEPARTMENT:

And this slogan was reportedly seen on a church bulletin board:

"It's So Nice to Have Amen Around the House!"
