

To Start Church Building

The Cass City Lutheran Church of the Good Shepherd will hold a ground breaking ceremony at 10:30 a. m. Sunday at the site of their proposed new \$125,000 church building on Main street, at the east village limits.

The ceremony will cap an intense fund raising drive among the 77-family membership of the church.

The church will be erected on a six-acre site and is the result of several years of planning and six months of intensive work by the building committee and other church officials.

Present plans call for construction to be completed in about 16 weeks after the ground breaking.

Linderman Pleads Innocent Of Drunk Charge

William John Linderman of Cass City, arrested Sunday by the Tuscola County Sheriff's Department for being drunk on a public highway, pleaded innocent when arraigned before Justice Frank Rolka in Caro.

Linderman was found lying on the seat of his car on Green Road in Elmwood township. The back wheels of his vehicle were in the ditch and the car was blocking the road.

Several empty beer cans were lying about the car, the sheriff's report indicated.

Pair of Fires Quickly Quelled By Firemen

The Elkland Township Fire Department answered two alarms Saturday as blazes were reported in two rural areas.

A furnace corner burned up at the Ken Uhl farm, 2 3/4 miles east of Cass City, and caused minor smoke damage, Chief Nelson Willy reported. It was extinguished when the firemen arrived.

At about noon Saturday, a fire was discovered in a granary that was struck by lightning.

It was located at the corner of Green and Elmwood roads and was owned by Jim Turner.

The amount of the loss was not estimated.

Marlette Firm Wins Product Of Year Award

Region 14 that includes five area counties has produced Michigan's product of the year, it was disclosed Friday when the portable classroom constructed by the Divco-Wayne Industries at Marlette was tapped for the honor by Michigan week officials.

The classroom, known as "Add-A-Classroom" is transported on wheels to previously prepared sites and more than 400 are in use in Michigan School Systems.

The novel product has produced employment for some 150 persons with an estimated annual payroll of \$1 million annually.

Products chairman for District 14 was Richard Erla, of Cass City. Michigan Week chairman for the district was Willis Campbell, also of Cass City.

Permits Needed For Construction Affecting Roads

Robert J. Wellington, county highway engineer, reminded property owners this week that permits are needed to construct, operate, use or maintain anything within the right-of-way of public roads in Tuscola county.

This includes building new access roads to private property, he said. Permit forms for work involving state and county roads are available from the Tuscola County Road Com-

Continued on page four

THIS IS A CHARACTERISTIC pose for Mrs. Edna Beebe who spends many enjoyable hours pursuing a hobby she took up as a senior citizen.

Art Adds More Glow to Mrs. Beebe's Golden Years

When she was on the eve of her retirement years with her husband, Mrs. Edna Beebe, 79, pounced on an opportunity to gratify a life-long secret wish when she entered an adult painting class at her home in Green River, Utah.

That was 15 years ago when Mrs. Beebe was a youngster of 64 and she enjoyed every minute of the instruction and has received many long hours of enjoyment from the hobby that grew from the class.

After her husband retired the couple moved to Yucaipa, Calif., where Mr. Beebe died some two years ago. Mrs. Beebe currently is visiting with her daughter and husband, Dr. and Mrs. Marion Hostetter.

At Yucaipa, Mrs. Beebe spends much of her leisure time with the brush and easel. She sticks conclusively to oil painting and concentrates on landscapes, mostly pastoral scenes that include animals.

Mrs. Beebe copies other pictures, but when she is able to get out much prefers to paint from nature.

One of her favorites adorns a wall at the Hostetter home.

Legion Poppy Sale Grosses Over \$400

A successful poppy sale is reported by Mrs. Philip McComb, treasurer of the American Legion Auxiliary. Gross receipts from the sale of 1800 poppies amounted to \$411.71.

Top salespeople of the project were Vern McConnell, Garrison Stine and Mrs. Chris Krug, chairman of this year's sales.

Other workers included Mr. and Mrs. Dorus Klinkman, Mrs. Henry Cherry, Mrs. Philip McComb, Mrs. Edward Schwartz, Mr. and Mrs. Leo Tracy, Mrs. Cora Klinkman, Arthur Eskilsson and two Junior Auxiliary members, Theresa Tracy and Jane White.

Other contributions were made by Hills and Dales General Hospital and at Bartnik's and Erla's and at two business places in Gagetown.

Pecks Leave for Missionary Post

Mr. and Mrs. Sheldon Peck of Cass City left Friday for Seattle on the first leg of their journey to Japan where they will serve as Baptist missionaries.

They plan to fly to their ultimate destination from Seattle.

The Pecks earned money for their passage by a series of visitations to Baptist churches, where money collected is being used to pay trip expenses.

After Shooting Spree Spooner Held For Assault

Cleveland V. Spooner, 22, of Bad Axe is being held in the Huron County Jail on a charge of assault with a deadly weapon following a shooting fracas Thursday afternoon in Grant township, at the intersection of Harsell and Bach roads, eight miles southwest of Owendale.

Spoooner waived examination before Justice Blake Soule of Bad Axe and was bound over to circuit court. Bail, set at \$3,000, has not been furnished.

Spoooner had been befriended by M. R. McBride, Huron county sheriff, for some 10 years and McBride was acting in his capacity as probation officer when the episode occurred.

Spoooner had been working in a Bad Axe plant and had been absent for several days. McBride was notified by plant officials that Spoooner was in danger of losing his job for staying away from work.

The sheriff located Spoooner in Cass City and when they saw each other, Spoooner drove away. After a chase of seven miles, at high speed the sheriff caught Spoooner when his car left the road.

Spoooner left the car holding a .22 caliber rifle with a scope. McBride ordered him to drop the gun and reached inside his car for the radio mike.

Spoooner ran for the woods and turned and fired a shot in the sheriff's direction as he went.

McBride called for help and 13 police cars converged on the scene including members of the Cass City Police Department.

Peter Torres, Huron county deputy, finally talked Spoooner into surrendering.

He had refused an earlier request by Torres and demanded to see his girl friend.

She was secured and pleaded with the fugitive to give himself up. While Torres and the girl were approaching Spoooner's hiding place a shot was fired at the car.

Spoooner had repeatedly said that he would not be taken alive, but Torres continued to talk to him and finally Spoooner shot five times into the air and wrapped the rifle around a tree and came out with his hands over his head.

Spoooner is expected to be arraigned Thursday before Judge Arthur M. Bach in Bad Axe.

Girls Invade Boys' Domain At Local Church

Something new for the local Presbyterian Church was the use of usherettes in May, in place of the men and boys who customarily serve as ushers. Lynn Atwell, Jill Auten, Janet Koepgen, and Lynnea Rabideau were the pioneers, and they reportedly handled the assignment with graciousness and dignity.

It all began in a communicants' class taught last winter by the pastor, Dr. Marion Hostetter. When he asked what services young people could render in the church and community, the girls in the class wondered why they couldn't be ushers as well as men could.

The pastor had to agree that in an age when it is illegal to discriminate against anyone in the business world on account of race or sex, the church should not lag behind.

Basil Quick, the church's head usher, met with the girls to explain the procedures for turning on the lights, ringing the bell, seating the worshippers, and receiving the offering. Once when the temperature needed adjustment during the service, the girls had to do a little hunting before they could find the thermostat, and once they pulled the bell rope so vigorously that the bell flipped over and stopped ringing, but aside from such minor problems, the young women had no difficulties.

Dr. Hostetter could not report any great increase in attendance during the month the usherettes served, but he said, "I can't remember when we've had any better looking ushers."

Just two Minor Holiday Mishaps

It was a quiet Memorial Day holiday in Cass City and Tuscola county with just two minor area accidents reported through Tuesday noon by the Tuscola County Sheriff's Department and Cass City Police Department.

A car driven by Douglas Lloyd Swan of Roseville smashed into the rear of a vehicle driven by Elgin Greenlee of Argyle Monday morning at about 8 a. m.

The accident occurred on Main street at the corner of Oak.

Greenlee had stopped to turn left from Main onto Oak Street with his turn signals on when he was hit by the Swan vehicle. Swan reported to Chief Carl Palmateer, who investigated, that he was looking at a store and was unable to stop to avoid the crash when he saw the Greenlee car stopped prior to making the turn.

Trouble Comes In Threes for Prieskorns

According to an old adage, trouble comes in threes and if it does the Gerald Prieskorn family of Cass City should be able to relax for awhile.

Last week was an eventful one.

The youngest member of the family, two-year-old Matthew, fell from a kitchen stool and cracked his collarbone and is wearing a harness.

Six-year-old Jeff fell while climbing and broke his wrist. It's in a cast.

Thursday Mrs. Prieskorn entered Ford Hospital in Detroit for observation. She will be a patient for two weeks.

Escaping the unlikely series of mishaps have been three other members of the family, two daughters, Cara Jo and Susan, and dad.

From the Editor's Corner

Elwyn Helwig is the incurable optimist where the Detroit Tigers are concerned. Each year he feels that this is the year for the Tigers to win the American League pennant. 1967 may be the year that he will be able to say to one and all, "I told you so".

Speaking of baseball, interest in the Tigers seems to continue unabated. . . but interest in baseball is on the wane in many areas.

Dr. Harry Crandell said that he was at a high school game in Caro recently and he was the only spectator present just before the game was slated to begin.

It would appear that the hopes for the sport lies in the Little League programs that seem to be gaining, not losing, in popularity.

The section that appears in this issue of the Chronicle concerning the community college is one prepared for all papers that circulate in the three-county area.

The papers that publish it will be doing so as a public service to readers. It should answer most of the questions concerning the proposed school and is presented well in advance of the June 12 vote so that electors will have ample time to study the proposal before going to the polls.

Fete 40-Year Teaching Veterans at Retirement

Two veteran teachers in the Cass City system were honored on the eve of their retirement at a banquet held in Frankenthum Wednesday evening, May 24.

Feted were Frank Weatherhead and Mrs. Marie Murray.

Both teachers have over 40 years in the teaching profession and are eligible for retirement benefits. Orion Cardew, president of the Cass City Chapter of the Michigan Education Association, recalled the years that Mrs. Murray and Mr. Weatherhead spent in the system and presented them with gifts from the chapter.

Mrs. Grace Quick awarded a 40-year membership pin to Mrs. Murray in recognition of her years of service to the MEA. A similar pin had been presented to Mr. Weatherhead in the spring.

Also paying tribute to the teachers were Supt. Donald Crouse and Arthur Holmberg. Dave Ackerman was the master

of ceremonies. The committee in charge included Ackerman, Erna Cardew, Dorothea Quick, Malvina Howarth, Edward Doerr, Katie Jackson and Virginia Crawford.

FUTURE PLANS

Mrs. Murray has spent a full quarter of a century teaching in Cass City. Before she came here she spent 10 years in the Jackson school system and five years teaching in Sallac county.

She earned a BS degree from Central Michigan and a Master of Arts from the University of Michigan. She intends to spend time traveling and looks forward to leisure time just to enjoy things.

Mr. Weatherhead has been a teacher for 41 years. He has a life certificate and a bachelor's degree from Western Michigan.

He began his career in Huron county where he taught for nine

IN KEEPING WITH the spirit of Memorial Day there were plenty of flags flying as the parade worked its way down Main Street to the cemetery.

Among the flag carriers were: Cindy McClorey, daughter of Larry McClorey, (top photo) Boy Scouts Kim Glaspie and Drew Guernsey (center photo) and Girl Scout Peggy Schwartz.

Deford News

Mrs. Fern Zemke

Phone 872-2613

Mr. and Mrs. Leo Ashcroft of Grand Rapids and Mr. and Mrs. William Phillips of Flint called on Mr. and Mrs. George Ashcroft Sunday.

Mr. and Mrs. Norman Hurd and family were Saturday evening callers at the Keith Watson home in Kingston.

Mr. and Mrs. Roy Edwards report the birth of a grand-daughter, born Friday, May 20, to their son, Jesse Dominguez, and his wife of Chicago in St. Mary's Hospital in that city.

Mr. and Mrs. Ronald Parrott of Wayne, Mr. and Mrs. Paul Moore of Royal Oak, Mr. and Mrs. Robert Parrott and daughter Debbie of Decker and Miss Debbie Wentworth of Shabbona were Sunday guests of Mr. and Mrs. Call Parrott and Rick.

Mr. and Mrs. Lawrence Martin and children spent Sunday with Mr. and Mrs. John Henderson and boys of Ubyly.

Mark Kelley of Kalamazoo was a visitor at the home of his grandparents, Mr. and Mrs. Walter Kelley, Saturday.

Mr. and Mrs. Elsel Wilcox, Mrs. Florence Shaver and Mr. and Mrs. Darold Terbush and Shelly spent the Memorial Day week end in South Branch.

Mr. and Mrs. Harold Gillan and eight Cub Scouts of Den 93 attended the Washington-Tiger game at Tiger Stadium in Detroit Saturday.

Mrs. Amanda McArthur had for Wednesday afternoon visitors, her cousins, Mrs. Arthur Loomis of Caseville and Mrs. Belle Lash of Troy.

Mr. and Mrs. Bernard Babich had for dinner guests Sunday, her parents, Mr. and Mrs. Maurice Taylor of Cass City.

Mr. and Mrs. Arthur Hartwick entertained at dinner Sunday, their children, Mr. and Mrs. James Boisssonneault and David of Saginaw and Mr. and Mrs. Allan Hartwick, Cort and Lynn. Mrs. Olive Hartwick was also a guest.

Mrs. Harriet Rayl spent the past week with her son Arnold and his family of Almont.

Mr. and Mrs. Walter Kelley attended a reunion of the sons and daughters of the late Mr. and Mrs. William Kelley at the home of Mrs. Olive Kelley in Caro Sunday.

Miss Eileen Hicks and Chuck Churchill of MSU, East Lansing, were week-end visitors at their homes here.

Week-end visitors at the David Palmer home were her niece and husband, Mr. and Mrs. Maurice Lewis, and Clarence Brandon from Drayton Plains.

Mrs. Fern Zemke had for luncheon guests Tuesday, her mother, Mrs. Frank Roberts, and Mrs. Gerald Ray, both of Pontiac.

Mr. and Mrs. Walter Prosser of Wayne and Mrs. Verneta Roberts and Mrs. Leo Reemer of Caro were Friday afternoon callers at the George Ashcroft home.

Mr. and Mrs. Bert Commins of Pontiac and Mr. and Mrs. Charles Haines and daughter Marcia of Drayton Plains were Sunday visitors at the Norman Hurd home.

Mrs. Catherine Lazarus and

Ben Schweng, both of Detroit, and Mr. and Mrs. Sam Dunbar of Roseville visited Mr. and Mrs. John Kapala Thursday evening.

Mr. and Mrs. Lewis Babich were dinner guests Sunday of Mr. and Mrs. Alex Paladi.

Mrs. Ray McCaslin and Mrs. Ward McCaslin, both of Rochester, visited their mother, Mrs. Amanda McArthur, over the week end and Mr. and Mrs. A. D. Gillies of Port Huron were Sunday callers.

Mr. and Mrs. Grant Hartwick and daughter of Flint visited his mother, Mrs. Olive Hartwick, Saturday.

Mr. and Mrs. Clare Root had for dinner guests Sunday, Mr. and Mrs. Russel May of Drayton Plains.

Gerald Cooper of Merrill and sister Wilma of Lansing called on Mrs. Howard Retherford Saturday. Mrs. Beulah France of Pontiac was a Sunday caller at the Retherford home.

Mrs. Edna Harris and daughter Donna, Mrs. Walter Svoboda, of Marlette called on Mrs. Edna Malcolm Thursday afternoon.

Mr. and Mrs. Ed Turner of Mayville and Mrs. Rena Hoelt of Livonia were Sunday guests of Mr. and Mrs. Barney Turner.

Mr. and Mrs. Herbert Wall of Shaunavon, Sask., were visitors at the Glen Toustey home part of last week.

Gene Babich was a visitor at the homes of the Rev. and Mrs. Lyle Reynolds and daughters of Battle Creek, the Rev. and Mrs. Herman Rock of Holton and Mr. and Mrs. Joseph Babich of Manton over the Memorial Day week end.

Mr. and Mrs. Louis Locke of Royal Oak visited his aunt, Mrs. Albert Williams, Sunday afternoon.

Mr. and Mrs. John Kapala were Sunday evening dinner guests of her son and family, Mr. and Mrs. LeRoy Sefton and children of Decker.

Brownie Troop 88 and Jr. Troop 149 held their fly up ceremony Tuesday in the Town Hall. Eight girls went from Brownies to Girl Scouts. They were Christine VanVleet, Christine Vincent, Manette Crawford, Cindy Frederick, Tammy Whitaker, Penny Freeman, Vicki German and Carolyn Field. Two movies were shown on outdoor cooking. The girls are planning a cook-out Friday.

Mr. and Mrs. Willard Girvin of Pontiac were week-end visitors at the William Zemke home.

Mr. and Mrs. Douglas Hunter, Ruth Ann and Bobby attended open house Sunday at the home of Mr. and Mrs. Robert Kelley at Kingston. The occasion was in honor of the Kelleys' twin daughters, Susan and Susan, who are graduating from Kingston High School.

Mr. and Mrs. Paul Wheatley and son Harland of Flint were Sunday visitors at the home of Mr. and Mrs. Grant Pringle and family.

THIS IS AN architect's drawing of how the new Lutheran Church in Cass City will look when construction is completed this fall.

College Meet Set In Bad Axe

Area persons who missed the candidates for the tri-county community college meeting in Cass City last week, can still hear their views at a meeting slated Tuesday, June 6, at 8 p. m. at Bad Axe High School.

A question and answer period will be conducted.

Thumb B Cops Track Meet

The Thumb B Conference was the winner in an invitational track meet at Unionville Wednesday, May 10, featuring stars from three conferences. The conference netted 72 points. Second was the Western Thumb Association with 48 points and third, the South Central League with 28 points.

Cass City had two athletes contributing to the victory. Phil Nichols won the long jump with a leap of 20 feet, one inch and finished second to Laker Marty McArdie in the high jump. Dave Asher finished fourth in the mile.

Trouble is the only thing that lies ahead for the fellow who plans to reform tomorrow.

Fine Five in Cass City Justice Court

Five persons paid fines for a variety of traffic offenses during the week before Justice Hugh Connolly in Cass City.

Largest fine was for \$25, plus costs of \$5 for speeding. James Richard Greene, 20, of Mayville was radar clocked going 52 miles per hour in a 35-mile zone by Chief Carl Palmateer.

Dean K. Frakes, 20, of Cass City was ticketed by State Police for driving with a defective exhaust system. He paid a fine and costs of \$15.

Exceeding the speed limit by 10 miles per hour in the daytime cost Gerald Douglas Fitch, 24, of Oak Park a fine of \$10 and costs of \$5. The ticket was issued by State Police.

James Arthur Haley, 36, of rural Caro, was ticketed by State Police for driving with defective brakes. He paid a fine of \$15 and costs of \$5.

State Police issued a summons to Thomas Michael Emmons, 18, of rural Caro for excessive noise with mufflers and he paid a fine of \$15 and costs of \$5.

Bass Join '67 Catch List

Michigan's 1967 fishing season will pack more rod-bending action when black bass join the legal catch list June 1 in inland waters, the Great Lakes, and St. Marys River and June 17 in Lake St. Clair, the St. Clair and Detroit rivers. Scrapy largemouth bass, like the one staring at you here, are mostly found in shallow lake-edge water, in lily pad or bullrush areas, around stumps, and submerged logs. At this early stage of the bass fishing season, they roam in three to ten feet of water. Most any artificial lure works well on them at this time, and both casting and spinning gear are in order. Look for smallmouth bass in rock, stone, or gravel areas. Best fishing for them is just after the season opens when they are still in shallow water of lakes, near mouths of rivers, and in bays of the Great Lakes. They will strike early in the season on small to medium-sized plugs, spoons, poppers, bugs and streams cast - not trolled - into the shallows. --Mich. Dept. of Conservation

Letter to Editor

To The Editor:

I too am the wife of a Patrolman. I believe every body knows it even tho' I have stayed in the background and let him do his own work, giving only my moral support.

My Bible tells me "There is a time to keep silence and a time to speak. Ecclesiastes chapter 3, verse 7. I now feel it is my time to speak. I do not aim to write a masterpiece, I speak only for ourselves.

I'm proud to say I've had many compliments for Bill. On his looks in uniform, his actions as a man, and his work as a Police Officer.

I do not believe he has ever been very irked at the questions people have asked him. If you work for the people you have to learn to tolerate people.

I can understand some of the questions they ask. Perhaps this one. "How could they manage to take money from the Bowling Alley during daylight hours on Sunday?" Or "How could so many of our new parking meters be broken without the one on duty knowing it?" The men too would like some of the answers.

Since the ones who ask these questions are the ones who pay for our bread and butter I suggest if the question pertains to you - you are still free to ask Bill. If he is too busy at the time to answer you - you will know it because he will move fast enough you won't catch him. If he does have time he will be glad to talk with you. If he feels he can give you the answer, he will. If not he will say something to you and I'll bet 9 to 1 as you turn to part you will each be wearing a smile.

Thank you for the faith and tolerance you have placed in Bill.

I too believe in precaution against crime. I have some pretty good equipment handy. Besides that my Stamese cat

Labor Trouble At Bad Axe School

Teacher labor trouble has hit the Thumb according to an announcement by the Michigan Education Association teachers' union this week.

The Bad Axe chapter of the union has filed unfair labor practice charges against the Bad Axe School Board of Education.

The union alleges that teachers had been coerced into signing contracts and had been threatened with dismissal for refusing to sign contracts in the absence of a collective bargaining agreement for the year.

The union is asking that all individual contracts obtained under the alleged coercion and duress be returned to the teachers involved.

The charges were filed with the State Labor Mediation Board at Detroit. No date for the hearing has been set.

Basic Training For Pvt. Graham

Army Private David D. Graham is assigned to the United States Army Training Center, Armor (USATCA) at Fort Knox, Ky.

He will spend the next two months learning the fundamental skills of the soldier.

Following the completion of his basic training, Pvt. Graham, who is the son of Mr. and Mrs. Robert Graham, of Huron Line Road, Cass City, will receive at least an additional eight weeks of either advanced instruction or on-the-job training to qualify him in a specialized military skill.

Former Resident Speaking to OES

Mary MacDonald of Ann Arbor, a former resident of Cass City, is speaking to many chapters of the Order of Eastern Star. The MacDonalds were in Germany from 1961 to 1965 and then moved to Cass City.

She is speaking to the OES chapters in Germany.

Mr. MacDonald is the nephew of Mr. and Mrs. W. J. MacDonald of Cass City.

Pirates Show Strength in Little League

Cass City's Little League is in full swing and on the basis of two early season games, the Pirates have stamped themselves as the team to beat.

Wednesday, May 24, the Pirates rolled over the Cubs, 20-1. Mark McClorey went the distance for the Pirates. He helped his cause by banging out two home runs. Other sticklers for the winners were: Kip Hopper, five hits in six tries, and M. Fredricks, two for four.

David Brooks slammed out two hits in two trips and Johnny Hacker went two for three for the Cubs.

The Pirates also posted a lopsided victory over the Giants. They banged out 13 hits while running up a 17-3 victory margin.

Kip Hopper and Paul Bliss each cracked out three hits in five tries while McClorey smashed his third home run of the season.

CASS CITY CHRONICLE

VOLUME 61, NUMBER 7

CASS CITY, MICHIGAN THURSDAY, JUNE 1, 1967

SENIORS PARADED in the annual swing out Thursday... swinging down Main St. behind the Cass City High School marching band.

Hostetter's Hodgepodge

Kids Fail to See State's Best Crop

By Marion Hostetter

Within a week I began to receive inquiries from ministers in other states: "My postmaster says he never heard of this ruling. Tell me more about it." Then my postmistress got a letter from her inspector, wondering why she was letting me get away with this infringement of the law, and requesting that I report who had misinformed me.

Quite perturbed by that time, I told her that the rumor had originated in Pigeon. I suppose the postal inspector must have landed on the Pigeon postmaster with all four feet. So that is probably why Pigeon postoffice patrons have to live up to the letter of the law today.

I wrote to the magazine and apologized abjectly, and they published the retraction soon as they could. But by this time the money-saving hint had been copied by other religious journals; a year later I was still getting inquiries like this: "I read in the Texas Methodist Recorder that you knew about a special postal rate for churches..."

Which all goes to show that once a rumor is started, it's hard to get it stopped.

A local golf club member arrived somewhat later than usual one Sunday morning. Asked why, he said it was really a toss up whether he should play golf or go to church. "And I had to toss up fifteen times," he added, "before I got the matter settled."

Last Thursday Mrs. Freiberger's kindergarten and Miss Warner's first grade at the DeFord school celebrated Michigan Week in a big way. They rode to Cass City in a school bus and saw a Parade - the marching band and the senior swing-out.

Then to Carrie Carpenter's farm, where Carrie's father showed them his 150 pigs of all ages and sizes, right down to the little babies. It's hard to say whether the kids or the pigs did more squealing. Then round and round the pony track on the two ponies that belong to Carrie and her younger sister Julie. Finally they were allowed to pet the baby kittens, who hardly had their eyes open yet.

The teachers agreed that it would be just too much to take that lively gang into the house to see "Michigan's Best Crop" - Carrie's brand new baby brother, Michael.

And to top it all off, they visited Parrott's ice cream factory, where they watched the manufacture of that heavenly confection, and each one enjoyed the All-American Dessert... an ice cream cone!

Seniors Help In Presbyterian Services Sunday

Six graduating seniors participated in the service at the Presbyterian Church, Cass City, Sunday morning. Dean Stine led the invocation; Randy Doerr led the responsive reading; Ed Ackerman offered a prayer; Grant Goodall gave the offering prayer; Becky Champion told a children's story, and James Brown read the Scripture.

George Cole, Sunday School superintendent, presented promotion certificates to pupils who will be in a new department next fall. Those entering the senior high class are Lynn Atwell, Jill Auten, James Golding, Bruce King, Janet Koepfgen, David Milligan and Lynnea Rabideau.

Entering the junior high class are Barbara Auten, Marlene Chapman, Lora Crawford, Mary Golding and Linda Koepfgen. Those entering the junior class are Manette Crawford, Kimberly Hartwick, Darrell Lapeer, Susan Prieskorn and Maxine Smith, each of whom was presented a Bible. New members of the primary class are Carrie Carpenter, Sheree Lapeer, Jeffrey Prieskorn and Becky Jo Whittaker.

Members of the Masonic Lodge attended the service in a body.

At the close of the service the seniors were honored at a reception in the memorial room of the church. The Women's Association sponsored this event and Mrs. Lorn Hillaker was chairman.

Beginning next Sunday, the service at the church will begin at 10 a. m.

People who ignore traffic safety rules are always on the verge of a serious smashup.

GIRL SCOUTS

Junior Girl Scout Troop 171 took a tour through radio Station WKYO in Caro Wednesday, May 17. Accompanying the girls were Mrs. William Burrows, Mrs. Harold Koch and Mrs. Richard Ziehm.

May 24, the troop met at the home of Mrs. Burrows with 16 girls present. Dorothy Bugbee and Cathy Grady brought cakes for treats. Games were played.

The next meeting will be June 28.

ALTAR SOCIETY

Thirty ladies of St. Agatha's Altar Society attended a meeting held in the hall Monday, May 22.

Mrs. Ray Toohy, who will soon move to Caro, was honored guest at the meeting. Mrs. Toohy has been very active in church affairs and other clubs and has been organist for a number of years.

Fr. Joseph Friske showed slides on other denomination church services and gave a talk.

Bake sales will be held during the summer months and the next meeting will be in September.

Mrs. Toohy was presented with a gift.

Mrs. Arto Carmichel of Elkton, Mrs. Basel Curtiss and Mrs. Anna Ross of Owendale and Mrs. Fred Strauss attended the WSCS Conference Tuesday, May 23, at the Methodist church in Flint. The principal speaker was Mrs. Lasky of Louisiana. This was an all-day session.

Mr. and Mrs. Fred Strauss spent the week end in Royal Oak with Mrs. Martin Hoover, who is recovering from a recent operation.

Mr. and Mrs. Phillip Boots, Debra, Dan, Dennis, Jeffery and Laura of Bear Lake and Mrs. Ralph Henderson and Rachael of Bay City were recent visitors at the home of Mrs. Archie Ackerman and Junior.

Fred Hemerick and Mrs. Jennie Slack arrived home Tuesday, May 23. They spent the winter in Clearwater, Fla.

Mr. and Mrs. Richard Ziehm and family went to Owosso Saturday and were overnight guests of Mr. and Mrs. E. D. Duvercaux.

Mr. and Mrs. Lynn Devour of Charleston, Ill., spent from Saturday until Wednesday with her parents, Mr. and Mrs. William C. Hunter, and John Hunter of Ferris State College, Big Rapids, spent Saturday and Sunday at his home.

Mr. and Mrs. John Mackay spent from Wednesday until Saturday in Midland with their son, Mr. and Mrs. James E. Mackay.

Mr. and Mrs. Harold Clague and Mrs. Frank Agar of Ann Arbor and Mrs. Mabel Jickling of Cass City were week-end guests of Mrs. Mose Karr.

Saturday dinner guests of Mr. and Mrs. William Goodell were Mr. and Mrs. Harold Kolb of Pontiac.

Mr. and Mrs. Patrick Sullivan, Jimmie and Eddy of Royal Oak were Sunday dinner guests of Miss Rosella Stapleton.

Mrs. Eva Brustnaker of Bradleyville visited her sister, Mr. and Mrs. Harry Denmore, a few days last week. They took her home Saturday. Sunday the Denmores went to Bradleyville to visit Mr. and Mrs. Lewis Stine and Mrs. Brustnaker.

Mr. and Mrs. Sam Wiscombe of Pontiac were Sunday dinner guests of her brother, Mr. and Mrs. Leslie Beach.

Chaplain Stanley Beach is a patient in the naval hospital at Great Lakes, Ill. He is slowly recovering from injuries received in Vietnam.

Clayton Burrows of Detroit spent Sunday with Mrs. Ray Burrows.

Mrs. Dan McCarthy, Mrs. Edward Williams, Mrs. Edward Cavanaugh and Mrs. Henry Walters and daughter Elaine called Sunday at the home of Mrs. C. P. Hunter and other friends and relatives.

Mr. and Mrs. James England spent from Tuesday until Saturday in Ann Arbor with Dr. and Mrs. Albert Logan.

Mr. and Mrs. Vincent Hayes of Detroit were week-end guests of her sister, Mr. and Mrs. Martin Walsh. Sunday visitors were Mrs. Norman Carpenter and Brian.

Michigan Mirror

Urge Expansion of Medical Schools to Halt Shortage

An acute shortage of doctors may face Michigan and the nation within the next decade unless steps are taken to reverse the declining doctor-to-population ratio.

The national average of 124 doctors per 100,000 population has remained fairly constant since 1930.

Michigan's immediate needs are 300 additional doctors per year, says John A. Doherty, executive director of the Michigan Health Council.

To fulfill this minimal need, Doherty suggests the University of Michigan medical school increase number of graduates from the present 200 per year to 300.

These MSU graduates should be primarily "family physicians" or general practitioners, Doherty maintains, to fill a growing need in the state for a "family doctor."

The doctor shortage stems from many causes. While Michigan's two medical schools are currently operating at capacity, population is still expanding.

Even calls not covered by insurance are increasing. Dr. William N. Hubbard Jr., Dean of the U-M medical school, recently told a group of reporters, "People are making more money than ever before, and they're choosing to spend a larger part of it on more medical service. We have no choice but to provide the service they demand."

Hubbard pointed out that the average doctor works a minimum of 60 hours per week and carries three times the case load of 1930.

The doctor shortage is already felt in many Michigan communities. The Michigan Health Council lists 150 communities which seek at least one medical doctor.

This shortage is not unique to the state. The American Medical Association estimates 55,000 additional doctors will be needed by 1975.

Foreign doctors presently take up some of the slack. About 6,000 arrive annually and 1,500 become licensed and stay in the U. S.

Consumers can feel the "pinch" of doctor shortage in the pocketbook. Per-capita private expenditures for medical care increased 121 percent between 1948 and 1961.

shortages will worsen the situation.

The medical profession has done little to remedy the growing continuing scarcity of doctors. In some instances medical people seemed to thwart efforts to improve conditions.

Hubbard tends to overlook the profession's past record and fixes responsibility solely on Congress and state legislators. He blames these bodies for not appropriating more public funds to deal with the problem.

The shortage could be eased as more young medical men complete their training and move into private practice. Before this takes place, the state must appropriate more money to operate additional training facilities.

At best, the outlook is not encouraging. The need for doctors is still increasing faster than supply. Demands of the military service have added to the problem.

The number of people in age groups which require the most medical attention is also growing.

The solution lies with the public. If the state is to build additional medical facilities, public monies must be spent. Legislators must be convinced by constituents that the need is worthy of appropriation.

Michigan has the talent, need and basic facilities to completely eliminate the shortage of doctors. The question is: there a willingness to pay the price?

Greenleaf Area News

Mrs. Ida Gordon Phone 872-2923

Ernest Bouck of Central Michigan University spent the week end with his parents, Mr. and Mrs. Olin Bouck, and Roger.

Mrs. Lynn Hurford and Scott spent Thursday at the Charles Bond home.

Mr. and Mrs. Elmer Carlson of Pontiac visited Mr. and Mrs. Don Hanby and family and Mrs. Ida Gordon Sunday.

Mr. and Mrs. Olin Bouck attended a card party at the home of Mr. and Mrs. Charles Thiel at Elkton Saturday night.

Mrs. Henry Klinkman and Mary Monk visited Mrs. Charles Bond Tuesday afternoon.

Sunday dinner guests of Mr. and Mrs. Leonard Copeland and Don were Mr. and Mrs. James Zells of Memphis.

Mr. and Mrs. Malcolm Cole of Warren spent from Sunday until Tuesday at the Clayton Root home.

Mr. and Mrs. Anson Karr and Mr. and Mrs. Keith Karr spent Sunday in Muskegon visiting Mr. and Mrs. Jeffrey Karr.

Mr. and Mrs. Charles Bond and Susie were Saturday evening supper guests of Mr. and Mrs. Robert Damm and Teri of Pigeon.

new "stay-in-place" section prevents riding up!

- sit or bend... only the special back section moves.
• straighten up... it returns to shape without tell-tale bumps.

• nylon and Blue C® spandex... slimming and comfortable.

• panty stays put... can't creep up or ride down.

PLAYBACK by BESTFORM®

Don't fuss with your girdle! "Playback" panty won't move no matter how much bending, stooping or sitting you do. That's because the "stay-in-place" panel in back stretches open or closes as you bend, walk, run, straighten up. The rest of the panty girdle stays right where it should to hold and control you beautifully in a light nylon and Blue C spandex power net. Try it! You'll never want to wear any other kind of panty. White. Sizes S-M-L-XL. \$5.95

IT SEEMS TO ME

Respect Police...and Start in Cass City

By Rev. R. J. Searls

Summer (in case you hadn't noticed) is here, at least it is according to the people of the Weather Bureau. I know that our lawn has been manicured once a week by our power mower; sometimes it has had to dance through the rain drops, the cold rain drops, to accomplish its purpose. Have you really convinced yourself that what happened in May was truly snow? And just outside our dining room window a robin became a mother, having sat uncomfortably on her eggs the prescribed number of days attended by the proud father.

And talking of lawn mowers, I am still going to establish a college scholarship in memory of the fellow with the brains to color concrete to match the grass. Just think of it! Cover all your lawn with concrete: no more grass to mow, no more weeds to pull, no more flower beds to nourish and water. On second thought, life just wouldn't be the same without the grass to mow and flower beds to plant and maintain. Or so 'It Seems To Me.'

Attorney General Frank J. Kelley, of our own state, has been talking much these days of juvenile delinquency. And talking with lots of sense, it seems to me. Police officers must be restored to their 'rightful place of respect and power', he recently told a Flint audience, continuing 'and juvenile courts must establish a firm authority figure if Michigan is to combat the rising tide of juvenile crimes.'

One thing that our Cass City Police have a right to expect is the support of citizens of the police force. This means supporting our police when they ticket cars for parking offenses, as well as when they are searching for thieves. This is accomplished only when our citizens expect no special treatment from our police. This includes respect for our policemen, instead of boasting that the 'cops in town will never give me a ticket.' Where do juvenile delinquents come from? Cass City among other places. While admitting that our homes sometimes are missing the things that make juvenile offenders possible, we

Mr. and Mrs. David Earl Graves

White gladiol adorned the altar of St. Pancratius Church, Cass City, Saturday, May 20, when Linda Ann Gruber and David Earl Graves exchanged vows at a 12:00 noon ceremony. The Rev. Fr. Arnold Messing performed the double-nuptial mass.

The bride, daughter of Mr. and Mrs. Joseph Gruber of Church St., Cass City, was given in marriage by her father. She chose a white peau de soie floor-length gown designed with scoop neckline, Empire waist, long sleeves and detachable train. Lace adorned the gown's front and train. She carried an arrangement of white roses with lily of the valley.

Barbara Gruber was her sister's maid of honor. Diane Graves of Saginaw, the groom's sister, was bridesmaid. They wore yellow peau de soie floor-length gowns featuring short sleeves, Empire waist, scoop neckline and a back bow. White lace accented the gowns. Veils of yellow tulle and a bow were their headpieces. White daisies with yellow centers and light green streamers formed their bouquets.

The groom, son of Mr. and Mrs. Earl Graves of Saginaw, was attended by Larry Graves of Gurnee, Ill., his brother, as best man. Bob Leidlein of Saginaw, the groom's cousin, was groomsman. Ushers were Robert and John Goetzeluck, cousins of the bride.

Mrs. Gruber wore a light blue crepe suit with which she chose white accessories. Mrs. Graves chose a blue and white print dress with jacket. Blue accessories complemented her ensemble. The couple's mothers had corsages of white carnations and pink baby roses.

The bride fashioned all the bridal gowns, including her mother's suit.

Following the ceremony, a reception was held at the church social hall where a buffet style dinner was served. The reception was attended by 100 guests.

The newlyweds' wedding trip included Niagara Falls and some Eastern States. They will make their home at 1645 Birney Street, Saginaw.

Eighth Grade Feted At Evergreen

Thirty-seven persons attended the 7th and 8th grade banquet at the Evergreen School Tuesday evening, May 23. The banquet was given by the 7th grade in honor of the 16 8th graders.

Teachers and teachers' aides were guests.

Main speaker was Henry Volschow, exchange student at Cass City High School. The teachers present addressed the group briefly.

Cheyenne Turner presented the class will and Carolyn Jones, the class prophecy. The class history was given by Raymond Hendrick and Robert Mika, and Sherry Turner and Penny Copeland handled the giftatory.

Cass Cityans in Spring Musical

A spring musicale will be presented Tuesday, June 6, at the Wahjamega Country Church, Caro, starting at 7 p. m. One is also slated Thursday, June 8, at the Mayville Methodist Church. Mrs. Judy Titus is director. She was substitute band director at Cass City Schools this year.

Vocalists on the program include Rosemary Fritz of Cass City, Charlotte Hough of Mayville and LuAnn Fader of Caro. Pianists are Marilee Turner of Cass City and Nancy Russell of Akron.

7:00 A. M. To
8:00 P. M.**

Community College

Most community colleges are two-year institutions established under Michigan law and operated under the jurisdiction of the Michigan State Board of Education. They vary widely in the courses they offer, the size of their student body, and the numbers and kinds of buildings on their campus. They are designed to meet the SPECIFIC needs of their own community, and directed by members of the community.

These colleges fill the employment needs of the area they serve by supplying skilled technicians to staff area industry and offer such liberal arts courses as English, mathematics, literature, science, history and social studies.

The need for such facilities became evident after a survey of the tri-county area.

With over 2,100 high school graduates from the 26 high schools in the three counties this year, a survey of the graduates conducted by the study committee in 1966 shows that 40% go on to higher education. Results of a questionnaire reveal that at least 700 students would make use of the community college facilities immediately if they were available. A projection of these figures shows that more than 1,700 students would be enrolled by mid-term 1973.

Details of this study are available in a 97-page book, which can be obtained from the office of any of the Intermediate School Superintendents in the three counties or high school offices.

Students who wish to continue their education beyond high school, but because of financial or academic reasons cannot go directly to a four-year college, may be able to transfer after two years at a Community College. Four-year colleges meet the special needs of students in the liberal arts or professional curriculums and serve the state or region rather than any one community.

Vocational School?

The Vocational Education Facilities proposed for the Tri-County Area of Huron, Tuscola and Sanilac Counties are intended to complement, not duplicate, existing high school and college facilities. It will fill a serious educational gap in this area.

The Vocational Education facilities will be geared to the needs of this area. Young people will be taught the skills which are in great demand and short supply by local industries.

- * Machine Operation
- * Welding
- * Accounting
- * Automotive Technology
- * Chemical Technology
- * Dental Technology
- * Practical Nursing
- * Drafting and Design Technology
- * Electrical-Electronic Technology
- * Electronic Data Processing
- * Agricultural Technology
- * Food Processing
- * General Clerical
- * Hotel-Motel Service
- * Law Enforcement
- * Mechanical Technology
- * Refrigeration and Air-Conditioning
- * Retail and Wholesale Distribution

Students who seek stronger programs than are currently offered in present high schools will be able to attend the Vocational-Technical Schools. These programs would be limited to eleventh and twelfth grades on half days. Basic program would still be provided by local high schools.

A Community College Vocational Education Program Provides These Advantages

1) It provides those who do not want a four-year academic degree with the opportunity to develop their technical and vocational skills so they may enjoy a more satisfying and rewarding career.

2) It is geared to supplement technical facilities and technical instruction to students who want, and are not able to get, this kind of instruction at their high school. These facilities will be open to any area high school seeking them. They will complement, not duplicate, the technical facilities in our area high schools.

3) It provides an opportunity to do preliminary work toward college degrees near home and at a low cost.

4) It helps young people whose grades are not good enough to meet the entrance requirements of four-year colleges to upgrade their academic record so they will become acceptable to these institutions. Many Community College courses will offer transferable college credits.

People who live in the Thumb and who have graduated from high school may wish to acquire new skills to increase their earning power or to improve their competency in their present occupation.

5) The Community College will offer subjects to permit employees of local business, industry, and government to prepare for promotion to better jobs.

On-the-job training programs will be offered to meet the needs of area employers and labor organizations. General studies courses will be available for students who have deficiencies and require remedial instruction. There will also be a comprehensive group of subjects offered for adults who desire to continue their education by taking courses not available at area high schools.

6) A Community College is designed to fill the needs of the approximately 50% of high school graduates who do not desire four years of college training, and the needs of college students who leave college before they graduate.

7) It is estimated by the survey that 250 part-time college students and 1,000 students in the vocational education centers (of high school age) would use these facilities. This will not only be an advantage to the students benefited but would relieve the overcrowding in the area high schools.

Today's students are beginning to train for occupations that had no part in school planning a few years ago. Courses for dental technicians, for example, would be available within commuting distance where presently students have to travel many miles and in some instances out of the state.

IT IS AN INVESTMENT IN TOTAL EDUCATION

Agriculture and Industrial Growth of the Area Require Technical Skills

Industry and agriculture in the Thumb area are enthusiastic in their support of a vocational education program.

The present high school curriculums in the three-county area do not provide adequate training for those students who desire and need basic skills for entry into occupations available within the area or in other areas to which students may likely migrate.

The opportunities for post-high school vocational and technical education for youth and adults are practically non-existent in the area.

The existing facilities and equipment in the schools are inadequate for an in-depth vocational-technical program in the areas of Agriculture, Home Economics, Business, and Industrial Education.

Industry benefits from a skilled labor force and a local institution for training workers as new skills are required. New industry may well be attracted by such advantages.

Courses in salesmanship, in industrial management, in marketing and similar lines would be offered in the community college and vocational schools as proposed. New careers for older persons would be made available as well as courses to the youth of today.

Congratulations

Class of '67

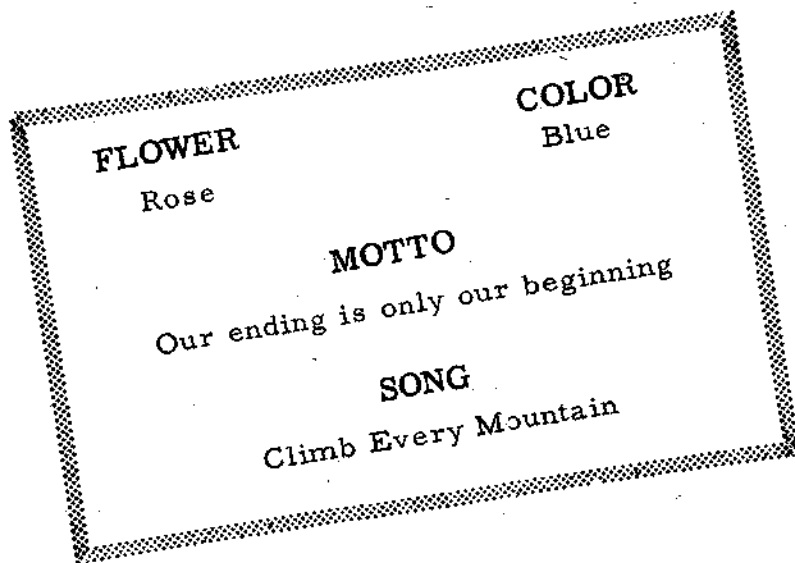

The 81st class at Cass City High School

BACCALAUREATE SERVICE

Sunday, May Twenty-eighth

- Processional Band
 "Pomp and Circumstance" - Elgar
- Invocation The Rev. George Harmon
 Novesta Baptist Church
- Selection A Cappella Choir
 "My God and I" - Austris A. Wintol
- Scripture Reading The Rev. Richard Spencer
 Nazarene Church
 Psalm I
- Prayer for the Graduates The Rev. Ira Wood
 E. U. B. Church
- Address The Rev. Fred H. Johnson
 United Missionary Church
 "You shall know the truth, and the truth
 shall make you free." John 8:32
- Selection A Cappella Choir
 "Now the Day is Over" - Joseph Barnby
- Benediction The Rev. George Harmon
- Postlude Band

The graduates are deeply grateful to the clergy of our community for their participation in the Baccalaureate service.

They would also like to express their appreciation to the A Cappella Choir and the Band, as well as their directors, Roger Parrish and Ruth Anna Miller, who have made possible the music for the commencement programs.

GRADUATION EXERCISES

Thursday, June First

- Chairman and Salutatorian Tim Knight
- Singing of the Alma Mater Class of 1967
- Presentation of Honors and Awards Robert Stickle
 Assistant Principal
- Address Dr. Robert D. Swanson
 President, Alma College
 "Some Transcendent Aim"
- Organ Solo Tim Knight
- Valedictorian Ed Ackerman
- Presentation of the Graduates Arthur Holmberg
 Principal
- Awarding of Diplomas Donald G. Crouse
 Superintendent
- Solo Sue Kelley
 "The Lord's Prayer" - Malotte

The members of the graduating class wish to thank the juniors who have served as escorts and ushers at commencement.

CLASS HISTORY

As we, the graduates of the space age, year 1967, take leave of good old C.C.H.S. we take with us many precious memories of our experiences here. In September, 1964, 94 freshmen entered the impressive halls of Cass City High School to start the best 4 years of our lives, a career as students.

Among the most exciting events was building our float and the election of freshmen officers.

President ----- Grant Goodall
 Vice-president ----- Linda Calka
 Secretary ----- Diane Freiburger
 Treasurer ----- Phil Gray
 Sponsor ----- Miss Mandalin

Somehow we make it through those days of red F's on our faces and the feeling of being green horns. How we looked up to the seniors! It seemed like such a long distance up the ladder of study to become a senior. Now, most of us probably wish we were freshmen again, eager to learn and impatient to grow up.

We eventually settled down to work as sophomores and with the objective of raising money for the senior trip firmly in mind. Our leaders that year were:

President ----- Ed Ackerman
 Vice-president ----- Jim Brown
 Secretary ----- Diane Freiburger
 Treasurer ----- Sue Kelley
 Sponsor ----- Mr. Hirn

Our most climaxing moment of the year was when our long-awaited class rings arrived. Other activities were our float, the Carnival and a bake sale. Our junior year was packed with many exciting moments. Some of the students felt that the best part about a junior was the fact it would be the

last year of required English. Our junior class officers were:

President ----- Joyce Smentek
 Vice-president ----- Gail Hoffman
 Secretary ----- Phil Gray
 Treasurer ----- Linda Hicks
 Sponsors ----- Mr. Cardew and Miss Isbister

We were kept busy with our magazine sale, and bake sales. Then came a highlight, putting on the prom "In the Misty Moonlight."

Then in September 1967 suddenly, unbelievably! we were "mighty seniors," and enrolled for the last time. Our senior year has now drawn to a close and we have completed an important phase of our education. Our officers this year were:

President ----- Tim Knight
 Vice-president ----- Bob MacDonald
 Secretary ----- Sue Kelley
 Treasurer ----- Rona Rayl
 Sponsors ----- Mr. Bass and Mrs. Wallace

Our senior year has been crammed full of activities. There were candy sales, stationery sales and dances to raise money for the long awaited senior trip that every one had looked forward to for the past 4 years. We boarded the SS South American for a cruise; those next three days were the busiest of our lives, and it is doubtful if we will ever forget them. Our last event was the prom and banquet. All too quickly Baccafaureate has come and soon our biggest moment - graduation! After having reached this pinnacle we have made many jokes about how we are glad it's our last year, the halls are silent as the seniors leave. A little regrettfully, it will be hard to say good-bye to all our friends but we will always look back on our days at C.C.H.S. as the happiest moments in our lives.

CLASS WILL

- I, Lin Calka, will my glasses to any girl who'll take them.
- I, Ray Peasley, will to the future students of Cass City all the fortunate times at Cass City.
- I, Cheryl Whittaker, will the fun in the Guidance Office 5th hour to Dave Sherrard.
- I, Lexie Tetreau, will to Richard Barriger my new Government book in hopes that he'll get more use out of it than I did, and to my brother Gary, my ability in Mr. Ackerman's identifications.
- I, Rona Rayl, will the office of class treasurer to anyone who is dumb enough to take it.
- I, Sue Kelley, will my first floor Hall Guide post to Terry Brinkman.
- I, Lucy Polselli, will to Phyllis Ann and Roseanna a locked bedroom.
- I, Bernard Freiburger, will my nickname "Butch" to any junior boy who thinks he's worthy of it.
- I, Brad Chippel, will my ability to blow up engines to Roger Bukowski so that he won't ruin his dad's car.
- I, Joanne Hoppe, will my quietness to Mary Spear so she won't be talking all the time.
- I, Martha Reagh, will to my sister Lois my squeaky chair in government class.
- I, Dean Stine, will my right to be late every morning for school to my cousin Dennis.
- I, Kathy Wright, will to Linda Whittaker my pet peeve, Mr. McLain.
- I, Carolyn Bigham, leave to my sister, the ability to make my stomach growl in English class.
- I, Fran Goss, will to Tom Dewey my ability to come to school once a week.
- I, Dorothy Tracy, will to any junior who is worthy of it my seat in government class.
- I, Charlene Corl, will to Danny Nicholas my ability to get kicked out of class.
- I, Connie Allen, will to any jolly junior my locker on 3rd floor that doesn't really work.
- I, Chris Mark, will my mischievous brain to the Senior Class of "68". Best of luck (You'll need it.)
- I, Rose Fritz, will to Mrs. Jackson a package of alka-seltzer and a very "appropriate" plaid jacket.
- I, Diane Vollmar, will to my brother my ability to get along with teachers.
- I, Rick VanVliet, will my ability to skip school so often to Harv Francis so he won't get caught.
- I, Fred Horne, will my position as shop clerk to Ed Gruber so he can have time to goof off like I did.
- I, Margaret Heilig, will to anyone who needs it, my ability to go with one guy and mean it.
- I, Josephine Webb, will to any junior who wants it, my government book. (I hope you get more use out of it than I did.)
- I, John Fox, will my ability to stay out of trouble to Leo Flannery so that he won't get into so much of it.
- I, Ron Cybulski, will my fast Ford to Dean Stine and Tom Lounsbury so they can get to school on time.
- I, Becky Champion, will to Rick Kaufman my halo so he will endeavor to improve his conduct.
- I, Kathy Herhalt, will to Dan Rabideau and Chris Craig my interior decorated locker as well as my ability to smile no matter how low my marks are.
- I, Sharada Hurd, will my ability to drive band directors out of their trees to Chuck Hughes and Janet Weippert because they're already doing such a good job of it. I also will my ability to have three new cars to any junior who can be just as careful with them as I was?
- I, Don Joos, will to any future senior, especially Kally Pine and Dave Sherrard, my ability to talk constantly and still get half way decent citizenship marks.
- I, Karl Weippert, will the whole school to the underclassmen.
- I, Steve Skripy, will my ability to drive home drunk to Larry Wood, so he won't wreck his dad's car.
- I, Jerry Meredith, will my car to Grant Goodall so that when I die Grant can put it in the fence.
- I, Linda Parrott, will my information about Sienna Heights to Paulette McCartney.

- I, Gail Hoffman, will to Kally Pine my ability to get along with teachers.
- I, Diane Whittaker, will my ability to be good to Jeri Mallory.
- I, Kathy LaJole, will to my sister Louise all my books and locker.
- I, Phil Rockwell, will my ability to have fun on the senior trip to Jack Hillaker.
- I, Sue Bryant, will my "mouth" to any deserving junior.
- I, Chris Guinther, will my ability to cope with 70 girls to Debbie Boylan.
- I, Susan Luana, will to Don Kaufman a permanent seat in Mr. Stickle's office.
- I, Linda Hicks, will my birthdate to my brother, Fred, so he won't have to wait until he's a junior to get his driver's license.
- I, Judy Ballagh, will to any junior girl the ability to get along with the Guidance Counselor.
- I, Jean Austin, will to Elaine Powell the ability to buy 18¢ worth of gas at the Shell gas station in Bad Axe.
- I, Diane Freiburger, will my great ability in Chemistry to Mr. Johnson.
- I, Bonnie Perlaki, will my inability to open my locker to my brother.
- I, Ruth Ann Johnson, will all the fun we didn't use up to any junior who wishes to have a great senior year.
- I, Carolyn Beecher, will to Nancy Zawilinski my ability to get along and not argue. (Know what I mean Nance?)
- I, Joanne Greenlee, will my ability to get 2's in citizenship in chemistry to Terry Brinkman (as if he needs it).
- I, Tom Lounsbury, will to the underclassmen the great fortune of not sustaining any serious injuries from flying objects (UFO's) IN Shop 4.
- I, Tim Knight, will a box of No-Doz to Dan Rabideau.
- I, Jim Brown, will to Tom Kolb one unused, broken up hall guide chair for which I will have no further use.
- I, Sherry Matlack, will to Kally Pine all the cigars she can smoke on one date.
- I, Rick Parrott, will this school and its faculty to a "friend" Deb Wentworth.
- I, Stan Hoppe, will my love to Mary Sweedey.
- I, Ed Gordon, will to my sister the right to go to this school for two more years.
- I, Janene Bohnsack, will my ability to get out of school to anyone who needs it.
- I, Nancy Creason, will my place in government class to any junior who wants it.
- I, Denise Michels, will to anyone the ability to come to school with the excuse of being sick as many times as I have, and yet be in good health.
- I, Rosemary Papp, will to Mr. Carroll the hope that all future loaves of bread will taste as good as mine did.
- I, Judy Wright, will to Joe Kloc my ability to get in trouble and then talk my way out of it.
- I, Dave Osentoski, will Karen Gaffney and my "63" Chevy to any underclassman who thinks they could handle both of them together.
- I, Joanne Lubaczewski, will my true story magazines to Linda Sugden and Debby Harbec.
- I, Larry Guilds, will my "55" Pontiac to Eugene Nicholas.
- I, Larry Puterbaugh, will my chair in government class to any junior who doesn't mind suffering.
- I, Diane Bock, will my seat in government class to anyone in the junior class who wants it.
- I, Kathy Anker, will to anyone my ability to skip school and get away with it.
- I, Joyce Smentek, will all my books to any junior.
- I, Bob MacDonald, will to Tim McComb my ability to have fun in school and not get caught.
- I, Jim Tuckey, will this warning to underclassmen "Don't do anything I'd do."
- I, Randy Doerr, will all my worldly possessions to Jean Russell.
- I, Bonnie Lapp, will my freckles to any interested party.
- I, Rod Wentworth, will to Eugene Nicholas my ability to forge passes.
- I, Ken Hayes, will my nice looks to Tom Guinther.
- I, Jim Copeland, will to my sister Paula my ability to fall asleep in class.
- I, Linda Russell, will my ability to stick with one guy to Mary Lou Wirchester.
- I, Linda Weippert, will to Miles Profit 20 inches of my hair to cover up his bald spots.

Tomorrow's Problems Will Be Answered By the Educational Facilities We Provide Today

With the need for nurses greater than ever before, courses in practical nursing to be offered at the community college will be an advantage for many young women of the tri-county area and could also offer new careers to widows and married women.

Technician jobs in electronics, civil, mechanical, and other fields can be filled by Tri-County students once they have acquired skills that will be made available at the community college. Industry in the Thumb is presently faced with a shortage of trained personnel in these fields. The training proposed would be of mutual advantage to both students and industry in the area.

Education For Our Growing Electronic Space Age

Computer operation with data processing procedure will be part of the classroom instruction at the community college. Students will be offered these courses with modern machines and latest techniques being employed. This type

of instruction in the electronics field, available within commuting distance, is enthusiastically endorsed by business and industry as filling an educational void for citizens of the Tri-County Area.

Counselor helps high school graduates assess credits, plans and recommends courses for the maximum benefit of the student involved. The programs available will provide challenging opportunities for youths of all ability levels ranging from those who will go to work immediately upon leaving high school to those who will seek post-high school training leading to employment. Only through proper counselling as to the courses offered and their relationship to the student will this training and education be effective.

THE FINANCIAL PICTURE

Michigan Community Colleges are supported financially by state and local tax monies, grants, and student tuition and fees. Student resident tuition as of 1965-66, varies from \$165 to \$255 and averages \$184. (Students in this report are defined as full-time equated students on the basis of 12 credit hours per student.)

The operating cost per student does not depend upon total enrollment and in 1964-65 varied from \$440 to \$778.60, with an average of \$545. The state contribution, which has risen gradually from \$101 in 1948-49, is presently \$275/student.

Using the expected first year enrollment of about 700 students and an average tuition of \$200/student (which implies that a non-resident student would pay a slightly higher tuition while the resident would be expected to pay about the state average), the following calculations may be made to determine the local cost, (based on \$600 per capita cost):

Total operating cost - number of students x operating cost/student, 700 students x \$600/student -	\$420,000
Less state aid and tuition	
700 students x \$275/student -	\$192,500
700 students x \$200/student -	\$140,000
	\$332,500
Balance to be raised from local taxes	\$ 87,500

The 1965 equalized valuation tax base for the Three County School District is \$388,458,600. A levy of 0.25 mills on this valuation would produce over \$97,000.

By 1972, an enrollment of about 1600 students would increase the operating expenses.

Total operating cost	
1600 students x \$600/student -	\$960,000
Less state aid and tuition	
1600 students x \$275/student -	\$440,000
1600 students x \$200/student -	\$320,000
	\$760,000
Balance to be raised from local taxes	\$200,000

A levy of 0.52 mills would produce over \$200,000

However assuming that the average operating cost will increase to \$700/student while the state aid tuition, and equalized valuation remain constant, an examination of the figures show a maximum cost as follows, based on \$700 per capita cost and tuition at \$250:

Total operating cost	
1600 students x \$700/student -	\$1,120,000
Less state aid and tuition	
1600 students x \$275/student -	\$440,000
1600 students x \$250/student -	\$400,000
	\$840,000
Balance to be raised from local taxes	\$280,000

A levy of 0.72 mills would produce over \$290,000

The Board of Trustees may borrow funds (subject to Act No. 202, Public Acts of 1943, as amended) for site, buildings and equipment and for improvements, by sale of bonds and other reasonable means, for any sum which, together with the total outstanding indebtedness of the District, including bonds voted but not issued, shall not exceed the total of 1½% of the first \$250 million plus 1% of the excess over \$250 million of the last confirmed state equalized valuation of all taxable property within the District.

Notwithstanding the provision outlined above, the Board of Trustees may make loans or issue bonds in any year for any sum up to an amount which will be serviced to their maximum principle and interest requirement by an amount equal to one-half of a sum determined by the application of the tax rate authorized by the qualified electors to the last confirmed State Equalized Valuation of all property of the District.

The Board of Trustees need not limit the tax rate levied for this purpose to that which has been authorized by the electors.

This permissive legislation would allow a levy for bonding purposes. The Board of Trustees of the Community College District could borrow funds to finance a \$6,450,000 - 30 year Bond issue. This could be accomplished by levying a tax of .56 mills for 30 years. .56 mills on State Equalized Valuation would produce over \$217,280 per year - \$6,518,400 in 30 years.

Variables exist in these estimates of cost. These variables are changes in the equalized valuation, and the amount of income available. However, the estimated costs are based on present amounts, and indicate that a voted levy of 2. mills would make the proposed plan feasible.

Certain assumptions have been made in figuring the operation costs of these programs in the Community College district. It is assumed that since the legal definition of a Community College indicates that the Community College may offer programs to persons enrolled in high school (1965 Amendment to P.A. 188 of 1955), it also may levy and receive State Aid to support these programs.

It is beyond the scope of this Citizens Study to determine the detailed legal arrangements that would have to be made. The to-be-elected Board of Trustees would be responsible for this determination.

Figuring Costs for Operating Vocational Centers

Actual cost figures for high school vocational programs on a per capita cost basis in Michigan High Schools are not available. This is primarily due to the fact that these costs are paid from the general funds of the K-12 District, and with some exceptions, the per pupil cost is figured from an overall cost for the operation of the entire program. However, from cost experience records of high school operations, it can be estimated that if between \$600 and \$700 per capita is available, this amount will provide adequate base for high school vocational programs. These per capita costs are used in estimating the costs of operating vocational programs in the Three County Area, as recommended.

This study shows that there are approximately 4,000 eleventh and twelfth grade students in the proposed Community College District. The Michigan State Department of Vocational Education suggests that in planning costs of vocational education programs, that one-half of these students will be enrolled on a one-half day basis. This, then, means that provisions should be made for vocational programs in the Huron, Sanilac and Tuscola County Area for 1,000 full-time equated students. The following illustrates one way of figuring the cost of operating up to four high school vocational centers assuming a per capita cost of \$600 per student per year.

Operating Costs of Vocational High School Centers:	
1,000 students x \$600/student -	\$600,000
Less Income: (25% Vocational Aid) -	\$150,000
Balance to be raised from local taxes -	\$450,000

Figuring Building Costs for the Community College and the High School Vocational Centers

Space requirements of between 125 and 150 square feet per student are recommended, consequently, the Three County Community College would require a maximum of:

150 sq. ft. / student x 1600 students - 240,000 sq. ft. The cost of such building is estimated at \$20 / sq. ft.

Flint Community Junior College — with the deletion of the planetarium, theatre, public library, and college of the University of Michigan — cost \$20 / sq. ft. When Kellogg Community College reaches its expected 1,000 student enrollment, its cost will be \$2,707 / student.

(See Financial Picture - Page Eight)

Registered Voters of the Tri-County Area Will Make the Decision On Monday, June 12, 1967

THE FINANCIAL PICTURE

(Continued From Page Seven)

The figures of 150 sq. ft. per student at \$20 per sq. ft. are used to determine the maximum cost.

On this basis, the necessary facilities for the Community College would cost:

1600 students x 150 sq. ft. ----- 240,000 sq. ft.
240,000 sq. ft. x \$20 per sq. ft. ----- \$4,800,000

For the Vocational High School Centers:

1,000 students x 150 sq. ft. ----- 150,000 sq. ft.
150,000 sq. ft. x \$20 per sq. ft. ----- \$3,000,000
Community College ----- \$4,800,000
Vocational High School Centers -- 3,000,000
\$7,800,000

Assuming a matching grant will be available, the amount to be financed by local funds would be: ----- \$3,900,000
Interest would amount to approximately ----- 1,950,000
To be financed through a 30 year Bond Issue ---- \$5,950,000

Approximately \$198,500 would have to be raised annually to pay off the principal and interest on a 30 year Bond Issue.

It is the intent of these figures to be used as guidelines in determining the feasibility, from a cost standpoint, of high school and post-high school vocational-technical programs for the proposed Community College District, as presented in this study.

Recapitulation - Cost to Local District and Method of Financing

Maximum Cost of Operation of Total Program Community College

1600 students x \$700/student ----- \$1,120,000
State Aid and Tuition ----- 840,000
(a) Cost to District ----- \$ 280,000

High School Centers

1,000 students x \$600/student ----- \$ 600,000
Less Vocational Aid ----- 150,000
(b) Cost to District ----- \$ 450,000

Maximum Cost for Facilities and Equipment

Facilities 30 year Bonds ----- \$5,950,000
Est. Equipment 30 year Bonds ----- 500,000
(c) Cost to District ----- \$6,450,000

The total maximum operating cost (a) plus (b) would be \$730,000 per year after the programs reach their potential maximum enrollment.

Assuming the present State Equalized Valuation remains at \$388,458,600 (a conservative figure) a levy of 2. mills would produce over \$776,000 per year.

The total maximum cost for all facilities and equipment (c) would be \$6,450,000.

I. Shall a community college district comprised of Tuscola, Huron and Sanilac Intermediate School Districts, excepting therefrom the school districts of Millington Community School District No. 2, and Croswell-Lexington Community Schools, and excepting therefrom territory situated in Saginaw and Bay Counties, be established in accordance with Act No. 331 of Public Acts of 1966?

YES

NO

II. Shall the Board of Trustees of the proposed community college district comprised of Tuscola, Huron and Sanilac Intermediate School Districts, excepting therefrom the school districts of Millington Community School District No. 2, and Croswell-Lexington Community Schools, and excepting therefrom territory situated in Saginaw and Bay Counties, be authorized to levy a tax on the real and tangible personal property within the district not to exceed the annual rate of two (2) mills on each dollar (\$2.00 on each \$1,000) of the assessed valuation, as equalized, of the property within the district in the manner and for the purposes provided by Act 331 of 1966?

YES

NO

In addition to the above questions, there will be a vote on candidates for office of community college district trustees for the proposed community college district. The statute provides for seven (7) trustees to be elected at large from the territory included in the community college district. At the June 12, 1967 organizational election there shall be elected three (3) members for six-year terms, two (2) members for four-year terms and two (2) members for two-year terms.

TRUSTEE CANDIDATES ARE:

SIX YEAR TERM

Thomas B. Poole	B. E. Ryneanson
George R. Frye	Robert L. Simich
Donald L. Stamats	Alvin J. DeGrow
Harold I. Pawlowski	Richard R. Drews

FOUR YEAR TERM

Donald G. Chamberlain	Burton L. Castle
Maynard Q. Kent	Robert Wencil Neumann
Arnold K. Suedmeyer	William R. Leverich
William J. Snodden	Bernard Rock
Gayle Bryce Laeder	Frank E. Dodge

TWO YEAR TERM

Walter E. Walpole	Edward P. Daugherty
James R. Johnson	Richard Hodge
Lloyd Schumacher	Rachel O. Liberacki
Edward C. Scollon	H. Dale Cubitt
