## Nina Davis to head bike-a-thon

Nina Davis has agreed to the chairmanship of the St. Jude Children's Research Hospital Bike-A-Thon in Cass City this spring to raise funds to support the hospital, according to William J. Kirwen, director of development at the hospital.

St. Jude's was founded by entertainer Danny Thomas. The institution opened its doors to the public in 1962 to combat catastrophic diseases which affect children.

The hospital is non-sectarian, non-discriminatory and free of charge to all patients.

At St. Jude's, scientists and physicians are working on treatment, cause, cure, and prevention of leukemia, Hodgkins disease, sickle cell anemia, and other child killing diseases.

Funds raised in bike-athons this spring will assure the continuation of work at the hospital.
