

Sandusky to host road race

The first annual Sandusky Road Race will be held Sunday.

Check-in time will be from 3:30 to 4:30 p.m. on the courthouse lawn, where the races will begin. There will be a regular 5 kilometer race and a two mile fun race.

The 5 kilometer race will start at 5 p.m. and the fun race will begin at 6. Trophies will be awarded for the first five positions in each division as well as ribbons for all of the runners.

An entry fee of \$2.50 will be charged for the 5 kilometer race. The two-mile fun race is free. There will be divisions for all age groups for both male and female contestants.

Edward F. O'Dowd has applied to the state Liquor Control Commission for a license allowing the Cass City Meat Market to sell beer and wine.

Council members expressed some concern over there being an additional place in the village authorized to sell beer and wine (there are four now plus two just outside the village) but noted the only authority it has is to tell the LCC whether the applicant is in violation of any zoning law or ordinances. O'Dowd isn't.

Following action taken at last month's council meeting, the village has now switched workers' compensation fund insurance from Auto Owners to a policy through the Michigan Municipal League. Savings the first 10 months in the premium should be \$2,643, which is about 20 percent less than it would have paid previously.

Installation of curb and gutter on the Doerr Road-Garfield Street project started Monday. Erection of wood forms for pouring of concrete at the wastewater treatment plant project was to have started Tuesday.

Village attorney Clinton House is drafting an ordinance to allow new apartments in downtown store buildings.

One result of hiring a fifth policeman and more foot patrols has been an increase in writing of parking meter tickets, from 40 in May of last year to 141 in May this year.

An average of 142 swimmers per day have been using the pool. Average daily attendance for the first 10 days of the arts and crafts program has been 38. An average of 34 persons per day (first 15 days) have been using the recreation equipment.

Osentoski wins 2 in league

Osentoski Realty won two games last week and finished the first half of the season with a 7-2 record in the Cass City-Sandusky men's fast pitch league.

Osentoski's defeated the Caro Merchants Wednesday, June 11, by a score of 6-2.

Then Monday they shut out Sanilac Dairy Farms 9-0.

In last Wednesday's game, highlights included a home run by Ron Ouvry and doubles by John Smentek and Dean Severance. Brian Helwig was credited with the win and struck out 13 batters.

Helwig was the winning pitcher once again Monday against Sanilac Dairy Farms. Dean Severance knocked out three hits with Craig Helwig and Ron Ouvry getting two hits each.

WINNERS OF THE Michigan Scramble, best ball tourney Sunday at Rolling Hills Golf Course were, from left: Scott Krueger, Kurt Proctor, Tim Johnson and Scott Murphy. They finished in a tie with a team of Russ Richards, Jerry Toner, Mike Murphy and Maynard Helwig. The winners took the trophy on the fourth extra hole. Both teams qualified for regional competition at Swan Valley. There were 13 teams entered.

3 attend summer cage camp

Pete Martin, Jon Meiningner and Todd Nurnberger, all from the Cass City area, are in attendance at the Grand Valley State College basketball camp.

The camp is designed to help players between the 6th and 12th grades improve their ball handling as well as strategy, team play and fundamentals.

Directing the camp is Grand Valley's head basketball coach, Tom Villemure. In his nine years as coach the Lakers have compiled a 172-62 record.

Assisting Villemure and his staff are high school coaches from the Grand Rapids area.

Anthes wins race at Flint

Aaron Anthes of Dodge Road, Gagetown, won the feature race Saturday evening at Auto City Speedway, Flint.

In doing so, he won a \$100 bonus for defeating Ed Howe, the nationally known super stock car builder and driver, as well as the regular prize money.

It was Anthes' second feature win this season. His other placings have been seconds and he is the track's present point leader in the season standings.

Anthes was presented with a driver of the year trophy earlier this year for having been the track's 1979 season champion.

Quell \$700 truck fire

A fire of undetermined origin Tuesday caused approximately \$600-\$700 in damage to a pickup truck owned by Ben Kitchen of 4300 Green Road, Cass City.

The truck was westbound on M-81 west of Cass City Road when smoke started coming from under the hood of the truck, according to the driver, Lois Kitchen.

After pulling to the side of the road, Mrs. Kitchen was helped in extinguishing the fire by men working nearby.

The blaze was out when Cass City firemen arrived at approximately 11:15 a.m.

Firemen inspected the damage but were unable to determine a cause of the fire.

Several injured in crashes

Accident report

NON-INJURY ACCIDENTS

Joseph R. Smith, 18, of Dutcher Road, Cass City, was cited by Caro state police on a charge of failure to yield at an intersection following a 6:15 p.m. accident Friday.

Troopers reported he was eastbound on Dutcher Road, stopped at Colwood Road, didn't see the approaching northbound vehicle, then pulled into its path.

The other vehicle, driven by Kim Earl Hutchinson, 24, of E. Elmwood Road, Caro, collided with the rear of the Smith vehicle.

The car of Charmont owner Clare Comment was damaged by a hit-run driver last Thursday while it was parked at the bowling lanes-restaurant.

According to Cass City police, the unknown driver apparently spun his car around while spinning its

tires, and in doing so, struck the Comment auto. The hit-run vehicle left 72 feet of tire marks. The incident was reported at 6:15 p.m.

Sandra C. Blair, 28, of Deckerville, was eastbound on Deckerville Road, west of Hurds Corner Road, at 12:30 a.m. last Wednesday, according to deputies, when her car collided with a deer.

Wilson reported Albert Ellinger, 59, of 6820 Herron Drive, was westbound on Garfield Street, stopped at Seeger, then pulled into the path of and collided with Ashcroft's southbound motorcycle.

The rider was thrown onto the hood of Ellinger's car and into the windshield.

Michael Barrios, 7, of North Branch, was taken to his family doctor for treatment after a 2:50 p.m. accident last Wednesday.

He was riding in a car driven by Miholina M. Adamczyk, 58, of 2275 Adamczyk Road, Kingston. The driver told deputies she was northbound on Kingston Road, south of Centerline Road, when a dog or cat ran in front of her car.

In avoiding the animal, her car went out of control and hit two mailboxes on the east side of the road.

Robert Jones, 22, of 1332 Main Street, Snover, was fined \$50 and assessed \$100 court costs Monday by Tuscola County District Judge Richard F. Kern for possession of marijuana.

Jones pleaded guilty to the charge last Oct. 22, having been arrested in Caro Oct. 10.

He had been on special probation status, which was withdrawn as of Monday.
