

Hot grease starts fire

Elkland township firemen were called to the David Smith home, 4789 Cedar Run Road, shortly after 3 p.m. Friday when grease cooking on a stove caught fire.

They said Mrs. (Karen) Smith left the pan temporarily unattended when she went down to the basement and it got too hot. She used baking soda to extinguish

the flames and had the fire out by the time firemen arrived.

They reported there was only minor smoke damage.

COMPROMISE

Contentment is merely a matter of squaring up what you have with what you want.
