We do not see why our village must forego all modern improvements when the other villages can have them. There are several mills in the village that could be utilized for water or electric power. A slight elevation to the south-west of town would make a good elevation for the reservoir. Our town is hustling otherwise and along with our railroad next summer we ought to have electric lights and waterworks.

Spring politics are beginning to buzz a little. In Watertown there are a number of candidates for supervisor on the republican ticket among whom are D. P. Morse the present supervisor, F. E.
