Many Caro people remember Frank Tucker's theatrical troupe which has often played in Caro. The last time they were here, Frank was minus a leg, having broken one by a fall at Howard City, and afterwards amputation was necessary, followed by nearly a year's confinement in a hospital. Now comes the announcement that last week Mrs. Tucker was stricken with paralysis while giving a performance at Albion.—Tuscola County Advertiser.

Prof. Ivison of Lonaconing, Md., suffered terribly from neuralgia of the stomach and indigestion for thirteen years and after the doctors failed to cure him they fed him on morphine. A friend advised the use of Kodol Dyspepsia Cure and after taking a few bottles of it he says, "It has cured me entirely. I can't say too much for Kodol Dyspepsia Cure." It digests what you eat. Amos Bond.
