"Straws Show Which Way the Wind Blows"

This is evidenced by the large policies taken out in the  
MUTUAL LIFE INSURANCE CO. in the past week by Julius  
Stroh and Sidney A. Witherbee, of Detroit, Mich., for \$150,000 and  
\$300,000 respectively. These men want the best money can buy,  
and as a result have taken out their insurance in the Mutual Life  
of New York. If you wish only \$1000 of insurance we have a policy  
that will please you. Ask to see the 4 per cent and 5 per cent  
"Gold Bond Contracts" we are now offering. Don't take out a policy  
in any company till we have submitted a plan. Inquire at once of

Say Dear!

Cousin Amy writes that all those  
beautiful presents she received at her  
wedding came from Hendrick, the  
Cass City Jeweler. She says he han-  
dles the most complete line of Jewelry  
to be found in the Thumb. Also gold  
and Silverware, Ebony Goods, Terra  
Cotta Busts and Statuary. When in  
town, I'll call and see them.

Children will be admitted to the  
entertainment at the opera house  
Saturday evening for 15 cents.

A great many people have been at-  
tracted by the silent salesman illumi-  
nated show case at Geo. Matzen's dry  
goods store. It's the finest case in  
town without a doubt. Its dimen-  
sions are 24x10 and 42 inches high.  
The top is made of solid plate glass, as  
is also the shelving, which is held by  
nickle braces. The wood work is of  
highly polished oak, and the fact that  
it is lighted by electricity makes it ex-  
ceptionally attractive to the custo-  
mer.

Wesley Forin was taken to the re-  
form school at Lansing by County  
Agent Lyon last Saturday. The boy  
has been causing his mother lots of  
trouble. Only recently he was ar-  
rested for stealing school books, and  
was set at liberty by promising to do bet-  
ter. It did not last long. Within  
the past three weeks he forged several  
orders, and Justice McArthur who  
had the case in hand, was finally com-  
pelled to send the boy to the above  
named school.

Boney Daugherty, of Novesta was  
arrested on Saturday upon the com-  
plaint of Deputy Game Warden  
Fisher of Detroit and taken before  
Justice A. J. Randall of Caro, where  
he plead not guilty. He was repre-  
sented by Attorney J. D. Brooker of  
Cass City. Mr. Daugherty claims that  
the game warden is out of place in  
this matter, as he was arrested last  
fall for the same cause and arraigned  
before Justice Randall, and was made  
to pay \$25 and cost; as it is against the  
law to convict a man the second time  
for the same offence, therefore, he says  
the present proceedings are instituted  
for the purpose of making fees for cer-  
tain officers who are connected with  
the case. J. D. Brooker, the attorney,  
says he will commence proceedings  
against Game Warden Fisher for ex-  
ceeding his official duty, as it is thought  
by many citizens that the present pro-  
ceedings against Mr. Daugherty are  
malicious.

You will waste time if you try to  
cure indigestion or dyspepsia by starv-  
ing yourself. That only makes it  
worse when you do eat heartily. You  
always need plenty of good food prop-  
erly digested. Kodol Dyspepsia Cure  
is the result of years of scientific re-  
search for something that would dig-  
est not only some elements of food  
but all kinds. And it is the one rem-  
edy that will do it.—Amos Bond.
