The "Sozonian."

Together with all other Funeral Supplies, we handle "The Sozonian," the up to date Metal Casket Case. The Sozonian is absolutely impregnable and indestructible. It defies decay and destruction. It positively arrests the action of the elements. It is emphatically air-tight and water-proof. It will resist and withstand any weight. It weighs little more than a wooden box, positively insures the dry decay of the corpse. It preserves the casket and corpse for an indefinite period. It will last not for years, but for centuries. It is unanimously pronounced the most sanitary case ever made. All goods are sold at reasonable prices and work guaranteed to give perfect satisfaction.
