BAND'S FIRST CONCERT

At J. L. H. Opera House Was a Pleasant Affair and Largely Attended.

The majority of Cass City's inhabitants have been anxious to hear and see the much-talked-of Cass City Cornet Band and at last were allowed the privilege Friday evening. For some time past the boys have been diligently practicing in preparation for "the" event of the season. A large audience greeted them when the curtain rose. The boys were neatly attired in black coats and white duck pants and presented a handsome appearance. The applause at the close of the overture was enthusiastic. Every number on the program was well received by the audience, especially the whistling by Prof. Henry. Frank Kile did some very clever dancing and Walter Bender's cornet solo was a treat. The entertainment closed with the "Field Day March," a fine selection by the band. Much credit is due F. Lenzner, who in just four weeks' time has so thoroughly drilled the members of the band, that they made an exceedingly creditable appearance. The band is composed of the following gentlemen, and we give the name of the instrument played: Leader, Walter Bender, solo cornet; Theo. H. Ahr, solo cornet, W. A. Fairweather, solo cornet; Herb F. Lenzner, 1st cornet; H. A. Pierce, solo alto; Glenn Moore, 2nd alto; Bert Smithson, 3rd alto; Lou W. Usher, slide trombone; Neuman Frost, 1st tenor; Hersey Young, 2nd tenor; G. Ashton Tindale, baritone; J. C. Seely, tuba; Frank Kile, snare drum; Pearl Parker, bass drum.

Mr. Lenzner is so modest and unassuming that he made no appearance on the stage during the entertainment, but the broad smiles of satisfaction which beamed on his countenance proved to the Chronicle "folks" that he knew that the boys were outdoing themselves in their first attempt as public entertainers. The receipts of the evening were \$83.20 and when expenses were paid the boys had the neat little sum of \$40 for their hard work. We predict a brilliant future for the Cass City Band and their able instructor, and believe that our little village is loyal enough to stand by them in this noble effort. Good luck to you, boys.

LINKVILLE NOT THE LEAST.

Shows Indications of Growth and is Looking for Greater Things.

Among the many small places along the P. O. & N. road, the little town of Linkville is one of the best. It cannot lay any claim to any great business enterprises, and possibly it may never be a large town; but one thing it can boast of and that is nature's own make, namely, an excellent farming country. There is none better in the Thumb. The country is still new to a large extent, but it has the good fortune of being inhabited by a class of people who have the patience, skill and endurance to make the best farms out of the wildest of land. When once the land is thoroughly drained and cultivated it will become a paradise in due time. Linkville was named after Christian Link, one of the early settlers in that community. Formerly Mr. Link was engaged in the mercantile business, but of late years he lives on his farm, which is located near the depot. At present there is one general store, now owned and managed by Aaron Bushlen, who is also the postmaster of the place. His most excellent wife ably assists in the manifold duties of the business. Linkville is not given to boastfulness but it does pride itself of having the strongest, most genial and accomplished blacksmith in the entire Thumb country, Amos Schwitzer. That's the blacksmith's name. Must be a jack of all trades; for the people say that there isn't anything but what he can do by way of making repairs. Then there is a saw mill, managed by Philip Propper, and a new grist mill is being erected at present, which will be in running order by the first of August. This property is owned by Messrs. Heck, Brenner & Kohl. The Chronicle has reasons to believe that they are hustlers and there is no doubt but what their enterprise will be a great thing for the town. In a social and religious way the place is up-to-date. There are two churches, namely, the Evangelical and Lutheran societies which are looking after the spiritual welfare of the community. Rev. A. M. Deichtman is pastor of the Lutheran Church and Rev. Jac. Staebler is shepherding the Evangelical flock. The Macca-bees have a flourishing society and are making themselves felt in a social way. Last but not least we must mention the accommodating agent of the P. O. & N. R. R., George Stengel. He is a live young man and forms an integral part of the Linkville community. Thus we notice that the little town is still alive and will be heard from at no distant day.

FINE PROGRAMS.

(Continued from first page.)

three years as a common soldier in the ranks, was in every campaign, skirmish and battle with his regiment from the time of its organization to May, 1864, when he was wounded at the battle of Resaca, Ga. Mr. Gardner represented his annual conference in the General Conference of the M. E. Church of which conference he had the distinguished honor of being the youngest member. He has twice been the president of the State S. S. Association and once a delegate to the World's S. S. convention. He has been regent of the Grand Council of the Royal Arcanum, and for several years chaplain of the supreme body; and served the Department of Michigan G. A. R. as its commander. From 1889 to 1895 he was professor in and public lecturer for Albion College. From 1895 to '97 he was Secretary of State, which office he filled with distinguished ability. In 1898 he was elected congressman from the 3rd district of Michigan, comprising the counties of Kalamazoo, Calhoun, Branch and Hillsdale, over A. M. Todd who held the office at that time by 1,500 majority. In 1900 he was elected to succeed himself by about 4,800 majority. His ability, reputation and enthusiasm as an educator has been officially recognized at Washington inasmuch as he is a member of the House Committee on Education. The subject of his address here is "Does It Pay to Educate?" Because of the expense connected with getting Mr. Gardner here together with other necessary expenses, tickets will be sold for 15 and 20c. For 20c the best seats will be reserved.

ATHLETIC BANQUET.

This, perhaps the most exciting of all the events which have recently transpired, was called by the announcer, Prof. Kyes, at the Sheridan House on Tuesday evening. It was strictly an elite affair. The press was debarred and all hoboes were kicked out bodily.

In drawing lots Stanley H. Schenck, the High school champion of the Thumb, won the pole with Bobby Gale next, with Arch Johnson and Louis Usher on the outside. Ready! Set! They are off, but before the picket Landon, puts them all back and the contestants soon learn that he cannot be bluff, that they cannot steal everything in sight on the start.

Again they are off and it is evident that the race is between the Marrs and the Morrisons. The Marrs are perhaps the better trained, but where did those Morrisons learn to eat? At the end of the third course they are ahead with Saigeon and Fritz to finish. The Morrisons are speedy, can the Marrs overcome the handicap? Steadily they push on and at the finish, Schenck of the Marrs has won. The Johnsons, we are sorry to add, at the close of the event, are about five courses behind.

METHODISM VS. LATTER DAY SAINTS.

Editor Chronicle:

I feel it my duty to correct the rash and untruthful statements made by Mr. Davis in your last issue. It is evident that he was speaking at random judging from the assertions he made. He says that they preach the bible first, last and all the time. Now, Mr. Editor and readers, if you have an opportunity to hear the Latter Day Saints preach you will come to this conclusion, that in proselyting they preach the bible first, a wolf in sheep's clothing, in teaching and doctrine; second to the Book of Mormons or last; and instead of "all the time" it would be more appropriate to say, they preach at the bible in every conceivable manner. Mr. Davis told me in the presence of witnesses that he held the Book of Mormons in preference to the Bible and also made the abominable statement that the latter contains about twenty-two hundred mistakes, and the former not one.

Now a word in regard to the church. (I want to say first that Mr. Davis is not the only Mormon around Shabbona.) While H. S. Wait was canvassing the community in order to raise funds for the erection of the M. E. church of this place the question was invariably asked by the Mormons if the church would be open for the Latter Day Saints to preach; the answer was emphatically "no, except on funeral occasions."

As to Mr. Davis railing orthodox denominations it is the characteristic of that sect. It was the aim of their founder from the beginning of their history to gain control, by any means whatever, first of the state, then of the United States, and then of the world. (Brit. Ency.) It is evident that those deluded people are led away by that false hope even at present. Their faith in Joseph Smith reminds us of the Caucasian doctor:

To raise a dead dog he was able, Though he lay quartered on the table, And to lead him yelping round the town.

With two legs up and two legs down. It is needless to say anything concerning Smith's life as the histories and encyclopedias give a complete biography.

A WORTHY SUCCESSOR.

"Something Now Under The Sun."

All Doctors have tried to cure CATARRH by the use of powders, acid gasses, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entireties eaten away the same membranes, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of CATARRH, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES THE GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar each package containing internal and external medicine sufficient for a full month's treatment and every thing necessary to its perfect use. "SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD IN THE HEAD. CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete month's treatment is positively guaranteed to cure CATARRH in and form or stage. According to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."

Send prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. 1, EDWIN B. GILES & COMPANY, 2340 and 2332 Market Street, Philadelphia, Pa. 19103.

Miraculous CURES

BY THE

DETROIT CLINIC

The Eminent Specialist who performs such marvelous cures that patients from the east and west visit the Clinic, will make the following regular monthly visits. At Cass City, Friday and Saturday, June 21 and 22. Eyes tested and glasses fitted by latest scientific methods free. The best the world has to offer in the way of scientific treatment. There is no change for comparison. No comparisons are possible.

CONSULTATION FREE!

and Strictly Private in Every Case.

It makes no difference how difficult, or what your case may be, nor how many have failed to cure you, there is always hope for you, until you have consulted the Detroit Clinic, and been told that your case is incurable. The reputation of this Clinic has been made by curing cases that were supposed to be incurable. After examination, if your case is not curable, you will be so informed, and it costs you nothing.

FACTS FOR SICK PEOPLE.

MAY 11, 1901.

I was suffering from general paralysis as a result of diphtheria. I had treated with the best physicians of Tuscola Co., with no benefit; in fact I grew weaker under their treatment. I was entirely incapacitated for work, when I consulted the Detroit Clinic at Vassar, on March 13th; two months' treatment has completely cured me, and I am able to do my work. I advise any one suffering from chronic diseases to consult this clinic. (Signed) JOHN F. ALLEN, Vassar, Mich.

Mrs. Grant McConnell, of Cass City, Mich., had a large growth of a cancerous nature growing on the inside of the month. It had been removed several times, but always returned. She had it removed by the surgeon of the Detroit Clinic, and without the use of a knife and with no pain, it was permanently removed in less than 30 days.

I have been growing deaf in both ears for the past six years as a result of La Grippe. I consulted the Detroit Clinic during their monthly visit to Cass City in January, and one month's treatment restored my hearing so that I could hear a watch tick five inches from my ear. (Signed) JOHN HORNBER, Novesta, Mich.

For 10 years I was a terrible sufferer from chronic rheumatism. I did everything possible, but found no relief, until I commenced treatment with the Detroit Clinic. Three months of their treatment cured me. (Signed) C. C. JONES, Rochester, Mich.

Mrs. C. M., of Birmingham, Mich., was cured of Bronchitis and Catarrh after she had been given up by several physicians, who said she had consumption.

Mrs. L. C. Smith, of Detroit, was cured of Epilepsy (or fits) after having had this terrible disease for seven years.

The great success with which the Clinic treats all kinds of diseases is the wonder and admiration of all scientific men. The specialist in charge is noted for his skill, and the care with which every case is treated. No case that is not curable will be treated, but curable cases are treated with the latest scientific methods, and in no case does it interfere with the work of the patient.

Remember, it costs you nothing to consult this specialist, such an opportunity does not offer itself very often to people outside of large cities, and our citizens will certainly do well to take advantage of this one. It is best to consult the specialist personally, but question blanks will be sent on application, and all communications will receive prompt attention, if they are addressed to
