State of Michigan, County of Tuscola, ss.

At a session of the Probate Court for the said County of Tuscola held at the Probate Office in the Village of Caro, on Tuesday the 21st day of May, A. D. 1901. Present, Hon. John M. Smith, Judge of Probate. In the matter of the application of the County Drain Commissioner of the County of Tuscola in said State, for the appointment of three disinterested Special Commissioners to determine the necessity for a drain known as the "Deer Lick Drain," and for the taking of private property for the use and benefit of the public for the purpose thereof, and the just compensation to be made therefor.

Whereas, On the 3rd day of May, A. D. 1901, an application in writing was made to this Court by the said County Drain Commissioner, for the appointment of three disinterested Special Commissioners to determine the necessity for said Drain, and for the taking of private property for the use and benefit of the public for the purpose thereof, and the just compensation to be made therefor;

And Whereas, This Court did on the 10th day of May A. D. 1901, upon a due examination of such application and of all the proceedings theretofore taken in the premises, find and declare the same to be in accordance with the statute in such case made and provided, and did thereupon by an order entered therein, appoint Thursday the 20th day of June A. D. 1901, at 10 o'clock in the forenoon of that day, as the time, and the office of the Judge of Probate in the Village of Caro in said County, as the place when and where a hearing upon such application would be had, and did then and there order that all persons whose lands were to be traversed by such proposed Drain, and who had not released right of way and all damages on account thereof, to appear at the time and place designated and to be heard with respect to such application, if they so desire, and to show cause, if any there be, why said application should not be granted:

And Whereas, There is now on file with this Court a description and survey of such proposed Drain, from which said description and survey it appears that the land to be traversed by such Drain, and that the commencement, general course and terminus of such Drain are as follows, to wit:

**Too Much Latitude.**

With a bright smile the beautiful Eskimo girl left us to join the merry throng in the ballroom.

"Your daughter is a gay butterfly!" I exclaimed, desiring to be very complimentary.

"For my part, I don't think much of this social life," replied the mother, with sudden vehemence. "The idea of dancing every night till away along in March and then lying in bed next day until Aug. 1 or such a matter!"

It was on my tongue to say that these young people had too much latitude, but I checked myself.—Detroit Journal.

**A Shifting Location.**

"Midgely is a poetical fellow. I asked him how tall his new sweetheart is. He answered, 'Just as tall as my heart.'"

"There is no sense in that—anyway not in Midgely's case. He told me that the first time the girl's gruff old father came into the parlor his heart was in his boots."—Cleveland Plain Dealer.
