## No "Breaking In"

ONE characteristic of the "Queen Quality" Custom Grade Oxfords is their flexible fit. Too many shoes are like the wooden lasts over which they are made—stiff and unyielding. They have to be "broken in." When a shoe is broken to conform to the foot, the original lines must be changed. The shoe thus becomes loose and shapeless. "Queen Quality" Shoes "keep their shape" because they fit perfectly with a flexible fit. The shoe yields to the foot as does a glove to the hand. We have over fifty styles of these superb shoes to show you.

## FAREWELL RECEPTION MONDAY

Given by the Foresters for A. A. P. McDowell.

On Monday evening the members of Court Elkland and Companion Court Davenport, I. O. F. tendered a farewell reception at Forester Hall in honor of A. A. P. McDowell, the retiring recording secretary, who is about to remove to the Canadian Northwest. There were about one hundred and fifty persons present and an elaborate banquet was served, Dr. M. M. Wickware acting as toastmaster. Several of the members responded to toasts. The ladies favored the company with a short drama entitled, "A Cup of Coffee," and their entertainment was one of the star attractions of the evening, being well rendered. At the last regular meeting of the court, as was mentioned last week, Mr. McDowell was presented with a nice watch chain and emblematic charm and the reception was given as a further tribute of the respect and esteem in which he is held.

Mr. McDowell has been a resident of Cass City for the past fourteen years, and has always been a staunch supporter of everything that in any way tended for the best interests of the community, and the residents feel that they are losing a loyal citizen. As publisher of the Cass City Enterprise he placed before the readers a clean, newsy paper which was appreciated by all. In church and social affairs he has always been at the front and was a leader in the former work, having held several prominent positions in the M. E. church at this place. He intends to leave very soon for Edmonton, N. W. T., first spending a few days with relatives at Tilsonburg, and other eastern points. May the future hold in store for him health, happiness and prosperity. Mr. and Mrs. Jos. Williamson, Mrs. McDowell's parents, who have been residing with them for the past ten months will leave at once for Edmonton via Toronto.

## Death's Harvest

Mrs. A. A. P. McDowell departed this life Wednesday afternoon, May 16, at six o'clock after an illness of about a year's duration. Her death came as a severe shock to the family who were making preparations to leave for Edmonton, Alberta, next week to make their future home in hopes that the change of climate would prove a benefit to Mrs. McDowell's health.

Euphemia J., eldest daughter of Mr. and Mrs. Joseph Williamson, was born December 11, 1862, at Oakwood, near Lindsay, Ont. She was a member of the first class of graduates in 1893 from the Training School for Nurses connected with Nichol's hospital at Peterboro, Ont., and enjoyed the honor of winning the special medal offered for bandaging. She engaged in private nursing in that locality until in November, 1896, when she was united in marriage to A. A. P. McDowell of this place, at the home of her parents in Lindsay, Ont. They came directly to Mr. McDowell's home at Cass City where they have since resided.

Prior to coming to Michigan she was a member of the Canada Presbyterian church, but after coming here she united with the local M. E. church. She was also an endowment member of Hazel Hive, L. O. T. M. M.

In November, 1901, she lost her sight, yet retained very good health until about a year ago, when serious illness proved the existence of an intercranial tumor. She partially regained her health, but the physician's best efforts were unable to stay the progress of the malady. She suffered intensely at times but towards the last fell into a stupor from which she did not rally.

Mrs. McDowell was a most affectionate and loving wife and mother. Her affliction prevented her from enjoying many socialities, but many have learned to love her for her cheerful and winning ways. She was well educated and a brilliant conversationalist, attractive in manner and above all a true christian woman. She never gave up the hope that some day she would regain her sight.

Three little children, two sons, Joseph and William; and a daughter, Janet, are left motherless. Her husband and parents, of this place; four brothers, who reside at Edmonton, Alberta; and one sister, who resides in Toronto, Ont., are also living.

The funeral services will be held in the M. E. church this (Friday) afternoon at two o'clock, Rev. R. N. Mul-

holland officiating and her remains laid to rest in Elkland cemetery.

The bereaved family have the sympathy of all in their affliction:

On Sunday morning, May 13, occurred the death of Mrs. John G. Stirton of Grant township, her residence being seven miles north and three miles east of Cass City.

She was born in Argyleshire, Scotland, fifty-eight years ago and at the age of twelve removed to Ontario. About thirty-five years ago she was united in marriage to John G. Stirton at Strathroy, Ont., and they resided in Lambton county, Ont., until seventeen years ago when they came to Grant township where they have since resided.

She has been in poor health for the past four years and on Thursday last she was taken worse and from that time until her death she was unconscious. She was a member of the Beasley M. E. church and was a regular attendant of the services at that church.

Eight children came to bless their home, one daughter having preceded the mother in death. The remaining seven are: Rev. Alex M. Stirton, of Plain City, Ohio; Jas. W. Stirton, of Port Huron; John and Archie, at home; Mrs. Nelson McCullough, of Grant; Mrs. Alex Clark, of Sheridan; and Miss Margaret S., at home; all of whom were in attendance at the funeral.

The funeral services took place Wednesday in Beasley M. E. church and the remains were laid to rest in Sheridan cemetery.

Mrs. Stirton was a highly respected lady and leaves many friends who extend their sympathy to the bereaved family.

Charles Montague died at the home of his son, Cyrenus Montague on west Pine street Tuesday afternoon about one o'clock after a protracted illness. He was born in London, Ont., Jan. 13, 1827, and forty-two years ago he came with his family to Michigan and located on a farm three miles west of Caro in Almer township where he resided with his son, Cyrenus. Mrs. Montague died in 1899. The sons and daughters, of whom there are eight, are all living. They are Mrs. Maria

Imerson, of Caro; Samuel Montague, of Sand Point, Idaho; Mrs. John O'Brien, of Buffalo, N. Y.; Wm. H. Montague, of Almer; Chas. E. Montague, of Onaway; Mrs. Chas. Lewis, of Almer; Ola Montague, of Novesta; and Cyrenus Montague of Cass City. One brother, Colonel Montague of Almer, also survives him; also thirty grandchildren and two great grandchildren.

Mr. Montague has been a great sufferer from rheumatism for the past six years and during a greater part of that period has been unable to walk. On Monday morning he was taken with a sinking spell from which he never rallied and gradually failed until Tuesday noon when death released him from his sufferings. For many years he has been a christian and a member of the U. B. church.

The funeral services were held Thursday forenoon at the residence at ten o'clock, Rev. R. N. Mulholland officiating, and the interment was made in Almer cemetery. The relatives present at the funeral from out of town were: Mrs. John O'Brien, of Buffalo, N. Y.; C. E. Montague of Onaway; Mrs. Chas. Lewis, of Almer; Mrs. M. Imerson, of Caro.

## PECULIAR DEATH AT KINGSTON

Marjorie Wright, Age 10, Comes to an Untimely End.

Marjorie Wright, aged ten years, died under peculiar circumstances at Kingston Tuesday morning, and reports from that village say that indications point to suicide.

The girl has been making her home with her grandparents, Mr. and Mrs. C. Aljoe, and has been attending school at Kingston. On Monday evening she was taken slightly ill and the following morning she did not arise for breakfast. Her father went to her room and afterwards left her for a short time. On his return he found the child in convulsions and she died in a short time. Developments indicate that carbolic acid had been taken, a bottle containing that poison having been found in the room.

Marjorie's father, Mark Wright, lives in Detroit, and has been visiting her for several days. Her mother is dead.

### PIERE MENTION.

In a recent letter to friends here Mrs. Carrie Edwards of San Francisco, says that dry goods and provision stores are being opened up in the stricken city and those who are fortunate enough to have money can now purchase what they want. It is thought that the banks will be in operation in two weeks. The U. S. mint was one of the buildings which escaped the fire. The banks are taking up quarters there. Carpenters are the only persons who can find employment. Everything is unsettled. The newspapers are optimistic and believe in the re-habitation of San Francisco.

### Building Notice.

Sealed bids will be received by the Board of Trustees of School District No. 5, frl., of the Township of Elkland, Tuscola county, Michigan, for furnishing all materials and erecting a school building in said district, according to plans and specifications on file with O. K. Janes, at Laing & Janes' store, said building to be completed on or before August 15, 1906; said bids to be in the hands of the Board May 23, at 8 p. m. The Board reserves the right to reject any or all bids. 4-1 W. J. CAMPBELL, Sec'y.

## SCHOOL NOTES.

Teachers' examination June 21 and 22, at City. You would-be pedagogues take notice.

Our German teacher says that mother always appears on the scene at the wrong time.

A party including the Misses Henry, Cochrape and Perkins went to Deford on a wintergreening tour Monday afternoon.

Mrs. J. L. Purdy of Gagetown visited the first and second grades Wednesday morning.

Manager of team: You don't seem to be able to hit that country pitcher? Batter: No, he's got one of those rural free deliveries.

Among the visitors in the high room this week are: Mrs. Bradford, Mrs. Sinclair, Minta Wallace, Vera Schell, Clbra Linck and Roy Thompson.

A local field meet will be held Friday which will give the manager a chance to see whose names will be entered for the annual field meet to be held at this place Friday, June 1.

Michigan to the front in oratory! The little Jap, Mr. Imri, won the honors of the Northern Oratorical League over Northwestern, Wisconsin, Oberlin, Chicago, Minnesota and Iowa.

The rhetorical on Friday proved a decided success. The debating question "Resolved that the government should own and operate the railroads" was very well discussed and although the negative strongly argued their points, the affirmative had more than enough to counterbalance them. The judges decided in favor of the affirmative.

Vol. I of Public Health, published by the Michigan State Board of Health, has been received. The prevalence, indication and cure of the white plague, and the infectious character of pneumonia are its leading features of interest to the high school and community.

The boys of the High School Base Ball Team went to Marlette Saturday to meet the High School team of that place. The game was a very close one and our boys held them to a shut out until the last half of the ninth inning when, by reason of a few errors,

the Marlette team scored two runs, winning the game by a score of two to one. As this was the first game of the season, and there being several new players, they will be excused this time, but we expect they will do better next time.

## NEW DOCTOR AN NOVESTA.

The following item is clipped from the Pontiac Daily Press. We understand Dr. Carey will locate at Novesta Corners.

"The home of Mrs. E. O. Broughton, of Southfield, was the scene of a very pretty home wedding Saturday, when her granddaughter, Lulu Hall, was united in marriage to Dr. Louis M. Carey. Both are from Detroit but are well known to a number of Pontiac people. The house was prettily decorated with carnations, roses, apple blossoms and ferns, and the prevailing colors were in pink and white. The bride was prettily gowned in white silk mull and carried a bouquet of pink roses, while the bridesmaid was gowned in pink mull and carried white roses.

"Miss Grace Hamlin, of Jackson St., was bridesmaid and Roy Carey, a younger brother of the groom, acted as best man. The ceremony, which was performed by Rev. L. S. Clark, of Southfield, took place at high noon and was followed by an elaborate wedding dinner. About sixty guests were present, thirty from Detroit and eight from Port Huron. Guests were also present from Pontiac and Southfield. "Directly after dinner the couple were accompanied by Pontiac by their enthusiastic friends and old shoes and various signs were much in evidence. Dr. and Mrs. Carey left Saturday afternoon for Cass City, near which place he will go into practice. Dr. Carey graduated from the Michigan College of Medicine, Friday evening."
