## MILE OF STATE ROAD NEARLY COMPLETED

GRAVEL LAYING WILL BE FINISHED NEXT WEEK.

Scarcity of Help Has Delayed Work Somewhat. Another Mile to Be Built.

A. T. Overman, the contractor, expects to complete the mile of state road between the East river bridge and the county line early next week. All the work has been done on the job except the laying of the gravel and five-eighths of that was completed Tuesday.

Mr. Overman has been hampered somewhat by the scarcity of help, owing to the busy season on the farms. This week the force was larger than when the gravelling was first started, 11 and 12 teams being on the job, and the work progressed more rapidly and satisfactorily.

After this mile is completed, the building of the mile of state road running one mile south from the Bethel church will commence. This, Mr. Overman anticipates will be completed in less time because help will be more easily procured. It will probably be finished in six weeks. The second mile will contain more culverts than the first, but they will be small ones. The largest one built east of town had a 10-foot span.

### GOES TO OREGON TO TEACH.

Fred A. Tiedgen, Formerly Superintendent at Cass City Schools.

Fred A. Tiedgen, formerly superintendent of the Cass City Schools, has accepted a position as superintendent of the schools at Marshfield, Oregon, a place of about 5,000 inhabitants. For the past two years he has been in charge of the public schools at Mason. The school board at that place expected him to remain another year and have not as yet found a man to fill his place.

Mr. Tiedgen graduated at Olivet

Fred A. Tiedgen.

college in 1900 and in the intervals of his teaching since then has been working at the U. of M. for a degree. He was at the head of the Vermontville schools four years and taught for a year in the Detroit University school.

### AN ANNOUNCEMENT.

Mrs. Caroline Fenn-Bigelow will continue her residence in Cass City indefinitely and also her work in Music Study, Piano and Voice, (after a vacation during the latter part of September and first week in October), beginning the new year the second week in October.

Mrs. Bigelow has prosecuted a course of nearly three years at Albion College in both Voice and Piano at the same time making a study of Harmony, Musical History, Public School Music, and making a specialty of Chorus Conducting, later taking work in the Thomas Training School, Detroit, and subsequently studying a year in Leavenworth, Kansas, under the tutelage of one of New York City's most successful present day instructors. Mrs. Bigelow adds to this ten years of teaching experience in private lessons besides having occupied the position of teacher of Public School Music, Williamston, Mich., and Instructor in Voice at the Orion Assembly Summer School.

For further information regarding these facts or particulars concerning the methods, courses of study, etc., in use by Mrs. Bigelow, call or write. Phone 30. Announcements later.

Boarders wanted, ladies. Mrs. Lucy Brown, Houghton Street west. 7-22-3p

## ELLINGTON FARMER FOR SHERIFF

D. KNOX HANNA FOR SHERIFF.

"Will Do Duty to Best of My Ability and Give Everybody Square Deal."

I desire to announce to the Republican voters of Tuscola county my candidacy for nomination as sheriff at the Primary election to be held September next.

The township of Ellington in which I reside, has never had representation on the republican ticket in

D. Knox Hanna.

this county and my friends at home have urged me to become a candidate, hoping that at this time we may have the favor of voters on election day.

Having served three years as supervisor of my home township; the first Republican supervisor to be elected there in a great many years, I am encouraged to believe that I will be treated fairly in this matter.

If I am honored by the nomination and election to this office I shall have but one pledge to redeem: To do my duty to the best of my ability and to give everybody a square deal. (Adv)

D. KNOX HANNA.

## SMALL APPLE CROP EXPECTED

FROSTS, INSECTS AND DRY WEATHER THE CAUSE.

Peaches Also Below Average—Wheat Yield Good But Some Other Crops Short.

According to the monthly crop report issued from the office of the secretary of state, the severe frosts in the budding season, ravages of insects and the extremely dry and hot weather during the month of July have so injured the apple crop that this year's yield will be the lightest in the past ten years. The winter varieties that promise best are in their order: Baldwin, Northern Spy, Ben Davis, Russet, Greening, Wealthy, Wagner and Talman Sweet. Of the early sorts the most promising are Dutchess, Yellow Transparent, Red Astrachan, Fameuse, Maiden Blush and Pippin.

The poor prospect for an average crop of peaches in the Michigan fruit belt is 39 per cent, and in the state 49 per cent. One year ago the prospect was 50 per cent.

## Y. P. A. CONVENTION AT CASS CITY

WILL BE HELD AUGUST 24, 25 AND 26.

Re-Opening Services of Evangelical Church Will Be Conducted on August 28.

The brick work on the Evangelical church will be completed this week, the carpenters are busy in putting up the inside wood-work and placing the new windows, and the outside painting is well under way. The building committee expect to have the building in readiness for the re-opening services which have been arranged to take place on Sunday, August 28. Rev. George Johnson of Cleveland, Ohio, will assist the pastor, Rev. J. A. Schweitzer, in the services on that occasion.

Previous to the re-opening services, a Young Peoples' Alliance convention of the Flint District will be held in the new church, commencing on August 27.

## BRING EXHIBITS TO THE FAIR

PREPARATIONS SHOULD BEGIN NOW FOR THE EVENT.

Good Displays of Products and Stock Are Leading Factors for Its Success.

It is timely to suggest to farmers and village folks alike to plan their exhibits for the annual fair which will be held at Cass City Sept. 27, 28, 29 and 30.

One of the chief things which has made the fair useful is the display of products in various departments. An attractive exhibit is always interesting to visitors, and the greater the exhibit of high class articles the more satisfactory is the fair.

Everybody should think of "taking something to the fair." It is this class of exhibits which creates the greatest interest in the fair and a much better and more representative list of products is thus secured. If you have some corn, wheat, fruit, live stock, home made household articles, etc., which you consider a little better than the average, put them in the most attractive condition and take them to the fair.

## SOLDIERS' REUNION IS AT MAYVILLE

VETERAN'S ASSOCIATION OF FIVE COUNTIES.

Will Meet on Aug. 17, 18 and 19. Camp Fires, Prominent Speakers, Etc.

At the last meeting of the Five County Veterans' Association held last year at Sandusky, the place of meeting this year was not decided upon and it was left with the executive committee to select the place. Mayville recently extended an invitation to the old soldiers to come there once more, which invitation has been accepted and the reunion will accordingly be held there on Wednesday, Thursday and Friday of next week, August 17, 18 and 19.

## PASTOR SUPERINTENDS THE REMODELLING OF HIS CHURCH

Rev. J. A. Schweitzer Has Been "On the Job" Since He Made Plans.

Rev. J. A. Schweitzer is a practical man as well as a good preacher and the members of his church know his worth and appreciate him greatly.

When the members of the local Evangelical society decided to undertake the remodelling of their church, it was the pastor who made the plans. When the first work of digging the basement was done, it was the pastor who handled one of the shovels. When the trenches for the foundation were dug, the "elder" was ready to assist in placing the cement which furnished the base of the superstructure. And the same man has been on the job ever since.

No matter how hard the work, or how tedious the task, Rev. Schweitzer was ready to assume more than his share of the burden and did it in

The meetings of the association as well as the camp fires to be held on Thursday and Friday evenings will take place in a large tent in the village park which will be lighted with electric lights.

The Mayville Band will give an open air concert Wednesday evening, and will furnish music Thursday and Friday, day and evening.

There will be a long list of prominent speakers on the camp fire programs. The three candidates for governor, the two candidates for United States Senator, Congressman Fordney and his opponent, Hon. Emory Townsend, of Saginaw, Congressman McMorran, of Port Huron, and Hon. L. C. Crampton, of Lapeer, and others, have been invited to be present and speak or to send some one to represent them.

There will be ball games on Thursday and Friday, also horse races one day at least.

A feature of Friday's program will be a foot race between the four Tuscola county candidates for sheriff.

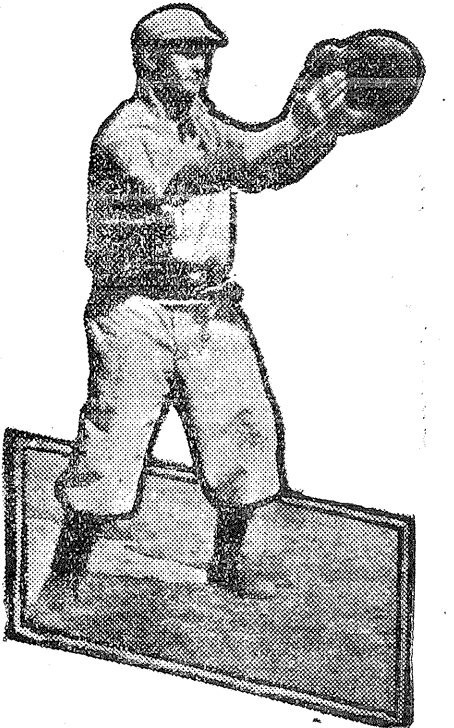

## STANLEY GRAHAM SOLD TO ROCHESTER

BALL PLAYER ADVANCED TO HIGHER LEAGUE.

Has Been Kazoo's Mainstay Behind the Bat and Did Excellent Work.

Stanley Graham, the star catcher on the Kalamazoo base ball team, has been advanced to a higher league, having been sold by the Kazoo management to Rochester, N. Y. The sale was formally completed recently and he is to report at Rochester August 19. The price paid was \$1,000.

Stanley is the son of Mr. and Mrs.

Stanley Graham.

D. R. Graham of Cass City. He is known as "Pat" Graham by Kazoo fans.

The Kalamazoo Evening Telegraph gave his season record Friday as follows:

Pat Graham has been Kalamazoo's mainstay behind the bat this season and has done excellent work, though since an injury received about 30 days ago he hasn't been at his best. In 58 games he has batted .251, having scored 28 runs and made 51 safe hits. Of the latter 13 were doubles and three triples. He has 12 sacrifice hits and six stolen bases to his credit. His fielding average is .979.

## PASTOR SUPERINTENDS THE REMODELLING OF HIS CHURCH

mighty good grace. Not only did he himself, work but he assumed the most of the responsibility in superintending the moving, construction and finishing of the building. He has excellent ideas in building matters and knows what to expect of workmen, and not asking what is impossible or out of reason, he has made himself "solid" with the artisans employed.
