Preaching next Sunday at three. One of our young men sports a new buggy. Wedding bells will soon ring. Mrs. Geo. Crifland is on the sick list. Dunk Towles has rented Mrs. McPhail's farm and thinks of moving there this week.

Miss Carrie Johnson visited the school and called on some of her schoolmates. Homer Johnson visited his parents near Cass City Sunday.

One of the saddest events we were called upon to chronicle happened on the 15th when Peter Murray, the 17 year old son of Mr. and Mrs. Anthony Murray, met his death in a runaway accident. Peter had gone to Ubyly to meet his sister, Tillie, who had been spending a few days with her sister in Sandusky and was to come home on the noon train. Disappointed in his sister's failure to arrive, the boy started homeward about five o'clock. The team which he drove was traveling at a lively rate when they left town but no one seems to have noticed them again until they were stopped two miles west of town by Mr. Douglas, who took the boy in his house and summoned a doctor immediately but he just lived 3 minutes after being found. The remains were left there until they were brought home. When Mr. Douglas found them they were dragging the body of their driver by the reins. It is evident by the marks on the ground that the horses had run a distance with the pole of the buggy on the ground when the pole broke freeing the horses from the buggy and giving them an opportunity to jerk their driver, who had the reins about him, to the ground. It was probable that the boy did this while eating his lunch. Mr. Douglas, not knowing who the boy was phoned to Ubyly where he had bought some bolts from the hardware and then to Cumber and it was decided by some of the people of Cumber that it must be the body of Peter Murray. To Stanley Brown and Will Mardlin was given the task of breaking the sad news to the father and mother. Peter Murray was born June 13, 1894, near Sandusky in Watertown where he lived until about 8 years ago when his parents moved on to a farm one and a half miles east of Wickware where they still reside. Peter was a dutiful son, a kind and affectionate brother and was so congenial and open-hearted that he was a general favorite with all with whom he came in contact. The funeral was held Saturday at the R. C. church at Argyle. The casket was laden with flowers, presented by his friends. Among them was a bouquet by the A. O. G. and another beautiful wreath by the school and young people of the vicinity. The remains were interred in the R. C. cemetery one mile south of Frieburg. The deceased leaves a sorrowing father and mother, six sisters, Mrs. Wm. Quinn of Pontiac; Mrs. Temple of Sandusky; Mrs. Shoven of Lansing and the Misses Tillie, Annie and Agnes Murray and five brothers, Joseph of Manitoba and Paul, George, Leo and Levi besides a host of friends who will mourn the loss and who sympathize deeply with the bereaved family in their grief. May the creator who in his infinite wisdom thought it best to remove from our midst this young life in its bloom give the sorrowing family help and strength in their grief while we are reminded in the midst of health we are in death. All but Joseph were present at the funeral. Mrs. Murray's brother and wife, Mr. and Mrs. Iowt, of Sebawaing also attended the funeral.

Miss Alice Brown visited at the home of Mrs. M. J. Ferguson last Saturday. Miss Esther Coulter was the guest of Miss Mary McKim Saturday and Sunday. U. will meet at the home of Mrs. Albert Kitchen Wednesday, Mar. 29. Mrs. T. Colwell visited at the home of Mrs. R. Brown Sunday.

LOCAL ITEMS.

Millinery openings next week.
Willie McBurney, who has been ill, is improving.

Joseph McBurney has gone to Ontario where he is visiting friends.

Mr. and Mrs. George Parrish visited with friends in Novesta on Tuesday.

The services at the Evangelical church Sunday morning will be German, the subject being "Bitter." In the evening, the sermon subject is "Bible Closets."

Rev. Fr. Dolan conducted a funeral service at Sheridan Tuesday and was unable to be present to hold the regular service at the local church that evening. It will be held tonight.

Mrs. J. H. Wood left Thursday morning for Windsor and Chatham, Ontario, to spend three weeks with friends and relatives. She will visit her son, Herbert, who is attending college in Chatham.

J. H. Wood recently purchased a 40-acre farm from A. E. Goodall. Consideration \$2050. The property is situated across the road from the farm which he already owned, one and one-half miles northwest of town.

Miss Della Martin left Monday for Niles where she will do private nursing. Miss Martin proved herself a competent and successful nurse during her short stay here, but as Niles offered a larger field for her profession, she chose to locate in that place.

Guy Woolman, who holds a position as mail clerk on the G. T. run from Port Huron to Chicago, was injured while in the latter city getting ready to make his night run to Pt. Huron recently. A switch engine struck the mail car in which he was working and he was thrown across the car and his back and arm were injured. He is "enjoying" a 30-day lay off and is now at his home in Pt. Huron.

The funeral services of John Campbell were held at the Presbyterian church, of which he was a member, Friday afternoon, Revs. W. B. Weaver and A. O. Knapp officiating. The relatives from a distance in attendance were: Archie Gillies of Millington; Mr. and Mrs. C. Law of Cumberland; Mr. and Mrs. M. Karr of Gagetown. None of the relatives of the family living in Canada were able to be present because of the death of Mrs. Campbell's father which occurred Thursday, making her affliction unusually pathetic. Mr. Campbell was a member of the Modern Woodmen which we neglected to mention last week.

Mr. and Mrs. Chas. Bixby entertained the members of the Elkland Farmers' club at their home northeast of town, Tuesday evening. In progressive pedro, which furnished amusement for the guests, George Hall was successful in winning the first prize and Ed Gallagher claimed the consolation prize.

Mrs. Iva Fritz has just received word that her son, Grant L. Fritz, has been appointed auditor of the light and power department of the North Carolina Public Service Co. at Greenboro, N. C. Mr. Fritz went to that city recently as auditor of the engineering department of W. N. Coler & Co. He still retains his position with the latter company, besides performing his new duties with the Public Service Co.

Mr. and Mrs. E. H. Pinney have returned from their trip to Florida and other southern states. While in Chattanooga, Tenn., they called upon Mr. and Mrs. Amos Bond, former residents of Cass City, whom they found quite well and happy. Mrs. Phelps, Mrs. Bond's mother, is living with them and they have their own home on Orchard Knob. Mr. Bond pointed out to his visitors a locomotive at the depot, loaded with wood as when captured over 46 year ago. This engine had been captured by 15 Union soldiers while the Confederate soldiers were at dinner, who, on seeing it go, procured another engine and started in pursuit. They captured it with the 15 soldiers and took them back where they were tried as spies. Eight were executed, the remaining seven exchanged. The Union forces captured the engine a second time and it stands in Chattanooga depot as a war relic. Mr. Pinney may say something of the southern states and his observations, through the Chronicle columns in the near future.

From President's Message On Canadian Reciprocity

In my annual message of Dec. 6, 1910, I stated that the policy of broader and closer trade relations with the Dominion of Canada which was initiated in the adjustment of the maximum and minimum provisions of the tariff act of Aug. 5, 1909, had proved mutually beneficial and that it justified further efforts for the readjustment of the commercial relations of the two countries.
On the 7th of the present month two cabinet ministers came to Washington as representatives of the Dominion government, and the conferences were continued between them and the secretary of state. The result of the negotiations was that on the 21st inst. a reciprocal trade agreement was reached.
One by one the controversies resulting from the uncertainties which attended the partition of British territory on the American continent at the close of the Revolution and which were inevitable under the then conditions have been eliminated, some by arbitration and some by direct negotiation.
The path having been thus opened for the improvement of commercial relations, a reciprocal trade agreement is the logical sequence of a policy that has been accomplished in disposing of matters of a diplomatic and controversial character. The identity of interest of two peoples linked together by race, language, political institutions and geographical proximity offers the foundation.

A FREE Prescription ADVICE

From a physician of 52 years' experience in colleges, sanatoriums and general practice. Weak, nervous men, regain your strength and vigor.
So great was my sympathy for weak men in the early years of my experience that I have made it a special study, and formulated two prescriptions, one for men under 50 and one for men over 50 years of age. In my declining years, I want every man to have the benefit of my long years' careful study, research and long experience. I am now 52 years old and as strong and vigorous as at 40 and the rest of my life will be spent in aiding suffering mankind. I realize that my time is short, but will do all in my power to aid men and women who are helpless and seeking relief. I know there has been a great many disappointed when they thought relief in their grasp, but let me send you my free prescription and booklet of private lectures to men which is the result of study since I began lecturing to student classes, way back in '71. Since that time I have cured many cases that are now pleased to recommend me.
YOU NEED AID. Let me help you to regain your former standing among men. In short, let me assist you to be yourself once more.
If you are suffering from falling memory, lame back or weakened manhood or nervous difficulties, LET ME SEND YOU A RECIPE in a plain sealed envelope that you can use in your own home. I am confident that you will thank me every day in your life after you have tested it for yourself.
Take advantage of this offer NOW before it is too late. Address me personally.

A Special Medicine for Kidney Ailments.

Many elderly people have found in Foley's Kidney Remedy a quick relief and permanent benefit from kidney and bladder ailments. Isaac N. Regan, Farmer, Mo., says: "Foley's Kidney Remedy effected a complete cure in my case and I want others to know of it." For sale by L. I. Wood & Co.

A Wild Poet.

It is believed that the best poetry is written by the untamed child of nature--the wild poet, so to speak. In fact, an eminent critic has maintained that only barbarians can write good poetry. This may explain why an editor becomes savage when a poet enters his office. He probably wishes to meet his wild eyed visitor on his own jungle plane.
If you wish to see a really and truly wild poet, seek out the bard who has written--
A red, red rose informs the world the spring we love is here
and finds, when printed, it reads:
A red, red rose informs the world the thing we love is here.
--Judge's Library.

A Newly Married Couple

Is very happy, so is every person who has good health and is free from rheumatic pains; for those who are not, and for those who have neuralgia, sprains or contracted muscles, we discovered in Renne's Pain-Killing Oil the greatest help. A remedy that has been a favorite in thousands of homes for over seventy years. Once tried--always used. Price 25c, 50c and \$1.00. Sold by Wood's Drug Store.

A Bloodsucking Earthworm.

South Africa is the home of a species of earthworm, a creature closely related to our common angworm, which is not only a giant among the denizens of the soil, but which is reputed to have a taste for human blood. There are two species of this uncleanly wiggler--one of a dark red color and the other almost black. They are larger than one's finger and from three to four inches in length.

TAKE IT IN TIME

Just as Scores of Cass City People Have.

Waiting doesn't pay. If you neglect the aching back, Urinary troubles, diabetes, surely follow.
Doan's Kidney Pills relieve back-ache. Cure every kidney ill. Many people in this locality recommend Doan's Kidney Pills. Here's one case: Mrs. Sam'l Hamilton, 146 W. Gamble St., Caro, Mich., says: "I am constantly recommending Doan's Kidney Pills to my friends, as I was cured through their use of a severe attack of kidney complaint. The money I spent for doctor's treatment and remedies might just as well have been thrown in the street, for I never received any benefit to speak of. My back troubled me greatly and at night the pain was almost unendurable. I tired easily, lost strength and energy and felt miserable in every way. I heard Doan's Kidney Pills so highly recommended for complaints similar to mine that I knew it would do me no harm to give them a trial. I am now glad that I did so."
For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name--Doan's--and take no other.

"Foley's Honey and Tar is the best cough remedy I ever used as it quickly stopped a severe cough that had long troubled me," says J. W. Kuhn, Princeton, Neb. Just so quickly and surely it acts in all cases of coughs, colds, lagrippe and lung troubles. Refuse substitutes. For sale by L. I. Wood & Co.
