KILLED WHILE RIDING LAND ROLLER

HARVEY TRACY VICTIM OF ACCIDENT FRIDAY.

Met Death on Chris England Farm North of Caro. Had Been There 10 Days.

Harvey Tracy, 17 years of age, was killed shortly before noon on Friday while engaged in riding a land roller on the farm of Chris England, six miles north of Caro.

The exact manner in which he met his death will probably never be known. It is thought by those who found his body that he stooped over to make some adjustment, when he fell from the roller, back of the horses. This frightened the horses and they started to run from the field. The young man was carried a distance of 20 rods before he was released from between the whiffletrees and roller. The horses, a span of three and four year old colts ran to the barn, and when they were found, a search was instituted for the young man. His body was found on the road from the field to the barn.

The remains were brought to the home of the young man's brother, James Tracy, in Novesta, with whom Harvey frequently made his home. The funeral service was held at the Church of Christ Sunday afternoon and interment was made in Elkland cemetery.

Frank Tracy of Lewiston, a brother, and Mr. and Mrs. Oscar Millard and Miss Mabel Tracy, all of Detroit and the two latter sisters of the deceased, were relatives from a distance who attended the funeral. Besides these, Alfred Tracy of Iowa, another brother, and Jas. N. Tracy of White Cloud, Mich., the father, survive.

GEORGE PEDDIE

Old Resident of Elmwood Laid to Rest Sunday.

George Peddie died Friday, June 21, at his home in Elmwood township at the age of 78 years. He was born in Pirith, Scotland, in 1835, and came to Canada when he was 17 years of age. In 1866 he was married to Margaret Fisher at Stratford, Ont., and in 1887 they moved to Michigan. They lived in Grant township, Huron county, for 5 years and then moved to Elmwood where they have since resided, a period of 20 years.

The funeral was held at the family residence Sunday afternoon and burial was in the Williamson cemetery. A widow, three sons, Geo. Peddie, Jr., James Peddie and John Peddie, all of Elmwood, and four daughters, Miss Jessie Peddie of Stratford, Ont., Mrs. Millard Filmore of Hope, Mich., Mrs. Edgar Comfort of Saginaw and Mrs. James Walters of Elmwood township, are left to mourn his departure.

CASS CITY WINS GAME.

One, two, three was the way Owendale batters were retired in four innings when they came to the plate Tuesday afternoon and it looked easy for the locals up to the eighth inning. In that session, the visitors commenced hitting the sphere in better form. Bernicker and J. Case smashed out two baggers and Moden secured a three base hit. Three scores were added to their list in this period. Cass City found Moden easy the first time up and with eight men at bat secured four runs. Moden tightened up considerably after that rally and held them scoreless for four innings. In three others, the locals secured one run in each inning.

The game closed with a score of 7-5 in favor of the local team.

BAY SHORE PARK ASSEMBLY AT SEBEWAING

Buy Sebewaing Fair Grounds and Will Make Many Improvements.

At a meeting of the stockholders of the Sebewaing Driving Park & Fair Ground association Monday afternoon it was decided to sell the grounds to the Bay Shore Park Assembly, the price paid being \$1600.

The Bay Shore assembly was organized last year and is a church organization. Its chief organizer was Rev. F. Klump of Cass City, at that time presiding elder over the Flint district of the Evangelical church. The assembly was given the use of a piece of ground at Bay Port, owned by the Wallace & Orr Co., and held their last summer's meeting there. They were to have a long lease of the property and the same was to have been unconditional, but when the lease was offered, there were a number of stipulations which the assembly people did not like and they decided to buy a piece of property and turned their attention to the Sebewaing fair ground.

The assembly people will begin at once to build a large tabernacle, or auditorium, in which the meetings during the summer will be held. This is to be done for this summer's meeting, which will soon be held. They will also spend a large amount of money in the improvement of the grounds, such as planting shade trees, erecting other buildings and the like.—Blade.

MEET IN SCHOOL BUILDING

Annual Meeting of School District Held on Evening of July 8.

The taxpayers of school district No. 5 are much interested in the local schools and well they may be. Nearly one-half of the taxes paid in December go to the support of the schools on the hill.

This year the Board of Education has decided that the school meeting on July 8 will be held in the high school rooms so that those interested may of necessity have a chance to see the interior of the school building. Many important questions will be discussed at that time.

MANY BAPTISTS ATTEND SESSION

35TH ANNUAL CONVENTION CLOSED WEDNESDAY.

E. McFarlane Elected Moderator of Huron Asso. and R. Surine Clerk.

Rev. R. M. Traver of Pontiac was just 30 seconds late in attempting to catch the train for Cass City and for that reason it was necessary to secure another speaker for the closing meeting of the Huron Baptist association Wednesday evening. Miss Tenhaven, a graduate of the Baptist Women's Training School of Chicago, gave an address at that time and it proved to be of unusual interest. Miss Tenhaven is engaged in city missionary work in Detroit among the Hungarians and kindred people. In her talk, she gave vivid descriptions of the work in the night schools and the system of teaching foreigners.

There were 82 delegates besides several visitors in attendance at the 35th annual session of the association which convened here Monday evening. The various meetings were well attended and all pronounced the session a profitable one.

The annual sermon by Rev. H. H. Andrews on Monday evening proved to be a masterly effort and effective discourse. Rev. Joshua Roberts gave an interesting talk on state missionary work in the Tuesday afternoon meeting and Rev. T. L. Ketman, D. D., gave two stirring and enthusiastic addresses during the convention.

A. C. Graham, sheriff of Sanilac county, presided at the Bible school session, and this and the B. Y. P. U. session proved especially interesting to the younger element in church work. Rev. E. McFarlane gave a stirring review of the B. Y. P. U. state convention, Rev. W. E. Crouter told his observations of the young people's work in Texas and Rev. E. J. Cross spoke on "The B. Y. P. U. and the Local Church."

The officers elected are: Moderator, E. McFarlane, Brown City; clerk, R. Surine, Unionville; treasurer, J. S. Moran, Harbor Beach; associational S. S. supt., A. C. Graham, Sandusky.

The following resolution was adopted:

"Resolved, that we express and record our grateful appreciation of the splendid, bountiful and generous hospitality of the church and people of Cass City; also thank the choir and quartette for their help during our associational gathering and that a copy of this resolution be published in the local paper, the Cass City Chronicle."

CANNOT HOLD BOTH

Members of Township Board Cannot Be School Officers.

Members of the township board cannot legally serve on school boards, according to an opinion of the Attorney-General who holds that the two offices are incompatible. This ruling affects quite a number of districts in this county and throughout the state. It is a rule of law that when a person accepts an office which is incompatible with the one he already holds, he automatically vacates his first office by the acceptance of the second. If a person, for example, should be elected as a member of a school board and later should be elected to an office that would place him on the township board, his office on the school board is vacant and the members of the school board should immediately fill the vacancy.

The township board is composed of the supervisor, clerk and two justices of peace, whose terms of office expire first. None of these men can legally serve on a school board nor can the township treasurer serve as school treasurer as those two offices are likewise incompatible.

ENLARGING DEFORD CONDENSING PLANT

PLAN TO BE READY FOR BUSINESS SEPT. 1.

Two Additions, 72 by 26 Feet and 35 by 48 Feet Are Being Erected.

The plant of the Standard Condensed Milk Co. at Deford is being enlarged by a two-story addition on the south 72 by 26 feet in size, and an addition, 35 by 48 feet, on the west side. The original building is 45 by 56 feet. W. M. Neeper, the manager, says that the company expects to complete the building, install the machinery and be ready for business September 1. He says that the factory's product for the winter has all been contracted by a Philadelphia wholesale house.

The factory is being arranged for receiving and inspecting the milk on the first floor. From that point it is elevated to the second floor, where it is passed by gravity system to the condensing pans, then over the coolers to the sterilizing department. From that place it goes through four machines which automatically fill and seal the cans, paste on labels and place the cans in boxes ready for shipment.

Besides the machines just mentioned, the following equipment will be added: Two 100 h. p. steam boilers, 14-ton refrigerating machine, 18 ft. copper vacuum pan with capacity of 40,000 pounds of milk in 8 hours, two 24-can coolers, 2 sterilizers with a capacity of 1,800 pounds each of condensed milk in one sterilization, 1 shaker, 2 galvanized wash tanks, 24-can milling machine, two 48-inch upright tanks, with capacity of 1,653 gallons per hour, 2 copper ring tanks with capacities of 399 and 764 gallons per hour, vacuum pump, boiler feed pump and 2 copper hot wells.

Forty outside subscribers and 110 farmer subscribers compose the company's membership. The people of Deford and farmers in surrounding townships have subscribed \$10,000 in stock towards the condensing plant and business.

MRS. J. W. HEFFELBOWER

Died at Home in Flint After Illness With Scarlet Fever.

Mrs. J. W. Heffelbower died at her home in Flint Sunday evening, following an illness of four days with scarlet fever. The remains were brought to Cass City Tuesday and the funeral service held at the M. E. church in the afternoon, Rev. W. B. Weaver officiating. Interment was made in Elkland cemetery.

Lillian Viola-Withey was born in Elkland township on Sept. 1, 1865, and spent her girlhood days near Cass City. She married J. W. Heffelbower and for many years the family lived in and near Cass City. A few years ago they moved to Flint where they have since resided.

Besides the husband and parents, Mr. and Mrs. J. D. Withey of this city, she leaves several brothers and four children, Dora, Ada, Nina and Melvin.

It was while caring for one of the daughters and nursing her to recovery, that the mother contracted the disease which ended in her death. Two of the children are now very ill with scarlet fever.

WELL ATTENDED.

One of the largest assemblies that the Evangelical church ever contained at one time listened to an interesting program Sunday evening given by the Woman's Christian Temperance Union. The services were in charge of Mrs. Wm. McKenzie, president of the local society. Mrs. J. H. Hays, delegate to the W. C. T. U. state convention at Manistee, gave an excellent report of that meeting and Miss Jessie Wuncanson gave the reading which won her the diamond medal. Mrs. F. Klump also gave a short address and Miss Laverne Hays, a recitation. A vocal solo by Miss Aileen Edgumbe and a selection by the Hub Glee Club were the musical numbers on the program.

LUCKY CANDIDATE WINS TWO OFFICES

M. C. Wickware, Nominee for County Treasurer, Elected for Life to Better Post.

From Bison (S. D.) Courier.

Mr. Morley C. Wickware and Miss Margaret Miller were married Saturday, June 15th, by Rev. A. F. Ploetz, the ceremony taking place at the home of the officiating minister south west of Bison, in presence of only a few of the most intimate friends of the bride and groom. A six o'clock dinner was served at the bride's home on her homestead seven miles northwest of Bison to a small company of relatives and very close friends.

The groom is the republican nominee for county treasurer, whose splendid vote at the primaries on June 4th is the best evidence of his standing and popularity, not only in Bison but throughout Perkins. He now enters upon the duties of an office more important and doubtless more agreeable to him than that to which he expects to be elected in November. It is an office to which he nominated himself in secret caucus some time ago and received unanimous election at the hands of the one other person taking part in the caucus. His term of office is for life, which is another reason why it is a better job than county treasurer. He can hold both offices simultaneously, however, and we are sure that he will prove faithful and efficient both as county official and as husband.

Miss Miller, the bride, has been employed in the office of the Perkins County Abstract Company during her residence here, and her services have been highly valued by her employers. She is a lady of character and ability who will make a worthy help meet to the husband of her choice. Their home will be on the groom's claim southeast of Bison, as soon as the house can be fitted up for their occupancy, until Mr. Wickware assumes his duties in the court house, when they will of necessity live in Bison.

SANE AND SAFE 4TH OF JULY

Effects of Countrywide Movement Shown by Figures for Two Years.

A card from State Fire Marshall Palmer calls attention to the good effects of the sane and safe Fourth of July movement which seized this country a few years ago. In 1909 there were only 20 cities where the sane and safe movement was adopted and in that year 5307 persons were killed and injured by explosives. A year later 91 cities took up the idea and there were only 2923 killed and injured in the country. In 1911, with 161 cities joining hands in the endeavor to conserve the lives of our boys and girls, there were only 1603 killed and injured. Let our children buy only "sane and safe" fireworks and help to make the record for this year a possible nothing as far as deaths are concerned.

OWENDALE HOPES FOR NEW G. T. DEPOT.

James Dufty, Caseville's Oldest Office Holder, Died at Age of 99 Years.

Elkton will have electric lights. At a special election held recently to vote on the proposition, 158 of the 168 votes cast favored the improvement.

A new Roman Catholic church will be built in Kinde, soon at a cost of \$7,000. Work will be started shortly. Frank W. Hubbard of Detroit and John Ryan of Bad Axe have donated two lots for the location and two more will no doubt be purchased.

Myron H. Fox, who has been a resident near Watrousville for nearly fifty years, died at his home Sunday morning of stomach trouble. Mr. Fox came from New York state where he was born in 1844, and settled in Watrousville. For 40 years he has lived upon the same farm west of that village.

John C. Liken of Sebewaing, who has reached the golden age of 80, will take a trip to Germany where he will visit his brother and friends whom he has not seen since a similar trip 25 years ago. As he is just recovering from a recent illness, he will take a nurse along with him.

Two officials of the Grand Trunk, O. F. Clark of Pontiac, train-master, and C. S. Cunningham, superintendent, were in Owendale the fore part of the week, looking up matters regarding a new depot. Some remarks have been heard on the subject, and it has been rumored that \$6,000 would be put into the project.—Owendale Herald.

Sunday morning about 6:30 o'clock Richard Mason, living east of Applegate, went to the field to catch a span of colts to go to church. He got the halter on one and in some manner got the halter shank fastened around his wrist. It is not known whether the horse knocked him down by kicking him in the head, whether he fell while running, and had his head bruised by being dragged around the field or whether the horse struck his head at every jump, but he was found dead about three quarters of an hour later, the horse standing by him wet with perspiration and apparently tired out.

The brick work on the new chicory factory at Bad Axe is nearly completed to the 2nd story and 20 carpenters and masons are rushing the work every day, under the direction of Jay Lishness, in an effort to have the building ready for business by October first. This will be the tallest building in Huron county, six stories averaging nearly 15 feet each, exclusive of the basement. It is being built of white sand lime brick over a steel and concrete frame. It will be the biggest and most modern chicory plant in Michigan, with the very last word in all that is new in machinery and outfit. The capacity will be 60 tons of chicory per day.—Tribune.

There died in Bay City Sunday of old age the oldest office holder in Michigan. The deceased was James Dufty of Caseville, his death occurring at the home of his son, James B. Dufty. Mr. Dufty would have been 99 years of age December 27 next. For the last 54 years he has been a justice of the peace or other officer in Huron county. He was justice at the time of his death. Mr. Dufty lived at Caseville for two generations. He was the father of thirteen children, all whom are dead excepting two sons, James B. of Bay City and William of Caseville. He was born in Birmingham, England, and came to America when a young man. The remains were taken to Caseville Tuesday.

TAFT AGAIN TO MAKE THE RACE FOR PRESIDENT

President is Renominated on First Ballot, receiving 561 Delegates.

ROOSEVELT MEN TAKE NO PART

On Advice of Colonel 344 Delegates Refuse to Vote—Sherman Wins on First Ballot—Much Disorder Prevails During Closing Session.

For President, WILLIAM HOWARD TAFT.

For Vice-President, JAMES S. SHERMAN.

Chicago, June 24.—Taft and Sherman is the ticket selected by the Republican national convention, which concluded its labors early Sunday morning.

It was a convention memorable in the annals of American political history. William Howard Taft was renominated for president on the first ballot, receiving the votes of 561 out of a total of 1,078.

Refrain from Voting.

Theodore Roosevelt, whose name was not presented and who requested his supporters to refrain from taking any part in the proceedings of a body which he declared was organized by fraud and corruption, received 107 votes.

Roosevelt followers to the number of 344 were present in the convention when the roll was called and refused to vote.

Vice-President James Schoolcraft Sherman was renominated on the first ballot immediately after the result of the ballot on the presidency had been announced to the convention.

The vote on vice-president was as follows:

Sherman	597
Senator Borah	21
Gov. Hadley	14
C. E. Merriam	2
A. J. Beveridge	2
Howard Gillette	1
Not Voting	52
Absent	61

La Follette Gets 41.

Senator Robert Marion La Follette of Wisconsin received 41 votes for President. His Wisconsin and North Dakota strength of 36 was added to by the splitting of the South Dakota Delegation, he receiving five of the ten votes, while Roosevelt received the other five.

The name of Senator Albert B. Cummins of Iowa was not presented to the convention. Senator Cummins, however, received 17 votes—ten from his own state and seven of the eight Idaho votes.

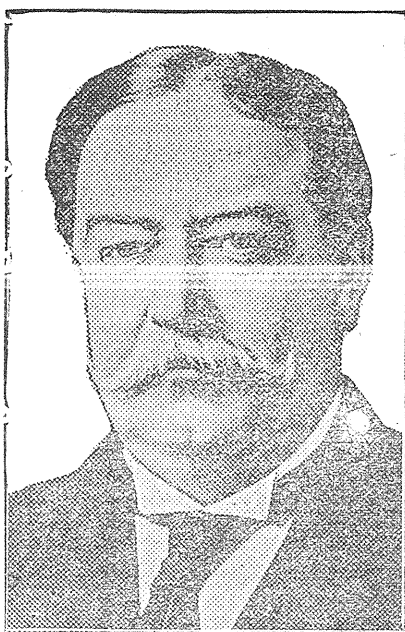

VOTE ON PRESIDENCY.

*Two votes for Hughes.

TICKET NAMED AT CHICAGO

William H. Taft.

James S. Sherman.

votes which were lined up for Roosevelt until he pulled his hat out of the ring.

Associate Justice Charles E. Hughes of New York received the votes of two Pennsylvania delegates.

Senator La Follette and Senator Cummins and their friends in the convention have maintained their regularity. Senator La Follette, however, informed the convention through a telegram to his campaign manager just before the ballot was taken that he could not support a nominee of the convention, whoever he might be, if he ran on a platform that did not embrace the principles announced in his own declaration of party policies previously submitted for the consideration of the delegates.

Statement From Roosevelt.

The determination of Colonel Roosevelt not to participate in the convention was made by Henry J. Allen of Kansas.

He read a statement from the colonel, in which he set forth that the convention had no claim to represent the voters of the Republican party, that the convention represented nothing but successful fraud in overriding the will of the rank and file of the party. Mr. Roosevelt urged the men elected as delegates for him to decline to vote on any matter before the convention.

Much disorder prevailed throughout the calling of the roll of states on the presidential nomination. It was interrupted continually by squabbles among the delegates, storms of cheers, tidal waves of groans, catcalls, and toots of hundreds of tin whistles.

The temper exhibited throughout the final day of the convention and especially during the hours when the presidential nomination itself was under formal consideration clearly showed that the nonparticipating Roosevelt delegates will not under any circumstances recognize the ticket named.

Went With a Rush.

When the convention met Saturday morning permanent organization was still several hours distant and was not perfected until about the middle of the afternoon. Then the forces in control rushed in with a vengeance. They sidetracked the anticipated warm fight over matters pertaining to changes in the national convention rules by laying on the table, without ceremony, the entire report of the rules committee. Thus the question of southern representation will remain a vexatious problem for four years hence. Questions affecting primaries in connection with the national convention call for four years hence also remain unsettled.

With the rules fight avoided, the majority and minority reports of the platform committee were taken up and disposed of in a hurry. The only minority report came from the La Follette members of the committee on resolutions. Some of the Roosevelt delegates, notably a large majority of the Illinois delegation, voted for the majority report framed by the Taft forces, but most of them refrained from voting at all on the platform, the same as they did on the presidential nomination. The platform was adopted by a vote of 666 to 53, 343 delegates being present and not voting. Of the 53 votes cast against the majority report 36 represented the original La Follette strength and 10 were the Cummins votes in Iowa.

Intense Bitterness.

Bitterness was intense at some stages of the strange fight in which the main portion of the forces of the successful presidential candidate's principal rival made their protest negatively instead of affirmatively. Two fistic encounters occurred on the floor, one between the members of the Illinois delegation and the other between a Taft man and a Roosevelt man in another part of the hall, the former having taken umbrage at the latter's application of an epithet to the president.

Much of the time, however, the Roosevelt men were positively hilarious. When rolls were called or when motions were put that brought to attention the power of the contested votes against which protest had been entered, there were shrill "toot, toots." The Roosevelt delegates laughed and shouted and jeered and mooded orators and whole state delegations whose presence on the roll they regarded as fraudulent.

In the closing minutes of the convention a resolution was adopted giving the Republican committee power to remove any member who refuses to support the party's nominees.

Root Retains Place.

The temporary organization of the

convention was made permanent at 2:45 o'clock Saturday afternoon. The organization was effected with the utmost ease, in marked contrast to the fight over the temporary organization.

The committee on permanent organization, of which Senator Clarence D. Clark of Wyoming was chairman, presented its report recommending that all temporary officers be made permanent. There was no minority report.

The report was adopted by a viva voce vote. This action was taken immediately after the credentials committee reports were disposed of finally.

Root Named Chairman.

The first day's work of the convention resulted in the selection of Elihu Root of New York as temporary chairman amid scenes of great disorder, thus scoring an important victory for the Taft forces.

The Roosevelt men voted for Gov. Francis E. McGovern of Wisconsin and the final vote stood: Root, 558; McGovern, 502.

When Senator Root took the chair he was given an ovation in which the Roosevelt delegates took no part. In his speech he eulogized President Taft for the wise legislation he credited him with; defended the tariff legislation of the party; plead for a continuance of constitutional government and the policies of the Republican party, and attacked the initiative and referendum and the recall of judges.

Ovation for Hadley.

The two overshadowing features of the session of the convention Wednesday were the big ovation for Governor Hadley of Missouri, the Roosevelt floor leader, and a second test vote which showed that the Taft forces were holding their own.

The demonstration for Governor Hadley came unexpectedly and carried the convention off its feet. Delegates snatched up state banners and began marching about the hall shouting: "Hadley, Hadley, we want Hadley." If the convention had been organized for business it is not unlikely that he would have carried off the nomination for president hands down.

A beautiful girl in the gallery waved a picture of Roosevelt, waving her handkerchief and throwing kisses to the crowd, led the cheering and turned it partly for the ex-president.

Thursday and Friday little business was transacted while the fight on the contested delegates was being made before the credentials committee. A partial report was submitted Friday afternoon when the delegates took up the work of passing on the reports submitted.

But the proceedings of Saturday overshadowed all that had gone before and when adjournment was taken at 10:30 o'clock a fight that will go down as the hardest ever fought in a Republican convention passed into history.

Canned Goods

There is a difference between fresh canned goods and old stock. Only the newest is best—having that delicate natural flavor of the fruit or vegetables. Knowing this, we buy only from factories which can their goods immediately after they are picked or grown—factories which are known to work under conditions of perfect cleanliness.

You may rely absolutely on our goods. We keep a large variety rather than an extensive stock—constant renewal being our policy. Next time you use our canned goods note the fresh, natural taste—the character of them all.

DEMOCRATIC CONVENTION

Judge Alton B. Parker, of New York, is Named Temporary Chairman.

Baltimore, June 24.—By a vote of 31 to 22, the democratic national committee decided to recommend that Judge Alton B. Parker, of New York, be named as the temporary chairman of the democratic convention. The action followed a day of conferences in which every effort to compromise the differences between the Bryan men and the anti-Bryan men failed. The opponents of Mr. Bryan were in the majority and they ran rough-shod over Mr. Bryan in his efforts to persuade the sub-committee to reject the report of the sub-committee that Judge Parker be elected temporary chairman of the convention.

In a final attempt to win tonight the Bryan men nominated Senator James A. O'Gorman, of New York, and Senator-elect Ollie James, of Kentucky, as substitutes for Judge Parker. Twenty votes of protest were cast for Mr. James and two for Senator O'Gorman.

Mr. Bryan made a stubborn fight on Judge Parker. Arising early this morning he summoned his lieutenants and bade them get busy in pursuit of the enemy. It looked for a time early in the day as if he were about to win. It was made apparent at the morning session that the anti-Bryan men were in control of the situation, but yielding to suggestions made by friends of Bryan they postponed the hour of action.

On motion of National Committeeman P. L. Hall, of Nebraska, a sub-committee composed of Mr. Hall and Norman E. Mack was appointed to look over the field and report if there was any way by which a unanimous agreement could be reached on Judge Parker, or the problem solved by the selection of another man. The "compromisers" sought Bryan, and Mr. Bryan and Judge Parker's other leaders talked things over at length. Judge Parker gave notice that he would stand pat, and he was supported by others present opposed to Mr. Bryan.

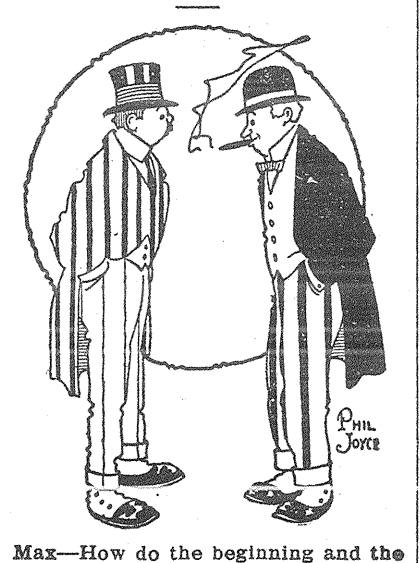

Baltimore, June 24.—William Jennings Bryan's first attempt to dominate the democratic national convention was repulsed by the national committee tonight.

Tonight the democratic campaign is seething with excitement over the contest that the Commoner has precipitated upon what promised to be a notably harmonious gathering. The lines are forming sharply between the radicals and conservatives in the party, and there is certain to be strife and bitter fighting which will knock into a cocked hat all the plans that had been carefully laid for pointing to the country the spectacle of a sane and united democracy.

The anti-Bryan forces, led by Charles F. Murphy, have made a careful canvass of the delegates and tonight they declared that they would elect Judge Parker by a majority of at least 150. The Bryan men at a late hour have not perfected their plans of campaign, but the probability was that the Commoner himself would stand before the convention in opposition to Judge Parker.

MARRIED AND SINGLE MEN PLAY AT DEFORD

Grandfathers, Fathers and Sons Took Active Part in National Game Saturday Afternoon.

Those who attended the ball game between the married and single men at Deford Saturday afternoon noticed that the gentler sex was well represented in the number that gathered to witness the contest. Nearly all of the fair ones cheered the single men too, and that probably put more vim into their actions and helped them gain the victory over their elder brethren.

In the first inning, the married

rooters led by "Bony" Daugherty, a player in earlier days than this, cheered with lusty lungs, when Curtis, their left fielder and first man up to bat, made a score. Verily, it looked good for a few minutes. But the next three men either were put out or died on bases.

Roberts was the first man to bat for the singles. He made a hit, and determined to make the round of the bases in short time, but was caught by the catcher coming down home stretch. Phillips, Elley, Bruce, Asher Valentine and Pratt all made scores, while Bettis struck out and Eoff was caught on first.

In the second period, the Marrieds failed to make any headway. Vader fanned and Pete Daugherty, a grandfather for ten years, followed his example. McCaughna failed to reach the first sack on time. The Singles made one score in this inning.

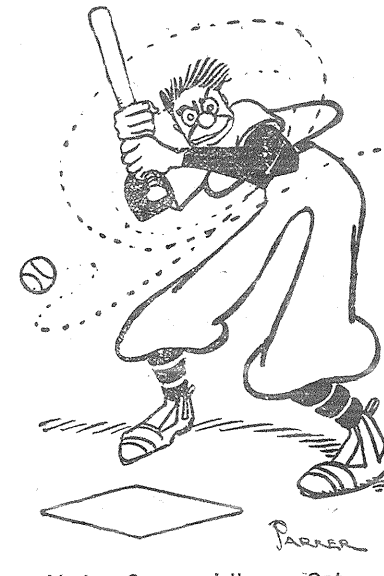

In the third period, Myers was

slow in reaching first, Curtis fanned, Gage was put out at the second sack and Lewis died on base. No score for the Marrieds. Eoff made a three base hit for the Singles and Roberts was successful in a like attempt and

also lost the ball for the Marrieds and thus was able to reach home plate before it was recovered. The

Singles batted all the way around and brought in five scores.

In the next inning, Crittenden scored a run for the Marrieds and Scott reached third safely, when a dispute arose between the players. As it was past the supper hour, the game was suspended. The score at that time was 12-2, the Singles having the big end.

Geo. Livingston, a single man, and Geo. Roberts, married, officiated as umpires and A. L. Bruce official scorer. Battery for the Marrieds, Myers, Curtis and Crittenden; for the Singles, Roberts and Phillips.

Ends Hunt for Rich Girl.

Often the hunt for a rich wife ends when the man meets a woman that uses Electric Bitters. Her strong nerves tell in a bright and even temper. Her peach-bloom complexion and ruby lips result from her pure blood; her bright eyes from restful sleep; her elastic step from firm, free muscles, all telling of the health and strength Electric Bitters give a woman, and the freedom from indigestion, backache, headache, fainting and dizzy spells they promote. Everywhere they are woman's favorite remedy. If weak or ailing try them. 50c at L. I. Wood & Co.

Rev. Weaver of Cass City preached a very interesting sermon to a large congregation Sunday at the Greenbank M. E. church in Evergreen.

In the presence of a large congregation of relatives and friends in the First M. E. church at 6 o'clock Wednesday evening, Miss Bertha L. Cramer was united in marriage with Percy C. Mark of North Yakima, Wash., Rev. Hugh Kennedy officiating. At the appointed hour while Miss Marguerite Stillwell played Mendelssohn's wedding march on the pipe organ, assisted by Edward Shinnick of Kewaunee, Wis., on the violin, the bridal party marched up the aisle to the altar. First came the little flower girls, Katherine Truax and Louise Binney, followed by little Dorothy Kennedy, who carried the ring imbedded in the heart of a white rose. They were followed by the ribbon bearers, who were the Misses Louise Anderson, Helen Sverad, Gladys Berger and Carla Kennedy. Then came the groomsmen, Ralph Waldron, cousin of the bride, and Arthur Craig as best man and the groom. The bride was preceded by the bridesmaid Miss Allie Bishop of Conklin and Miss Amelia Koehler of Hersey, as maid of honor. The bride wore a gown of white messaline, with ever dress of marquisette draped with white roses, also a bridal veil and carried a bouquet of bride's roses. The bridesmaids wore dresses of blue veil and carried pink roses. The altar was prettily decorated with palms and potted palms. Following the ceremony a reception was given at the home of the bride's mother, Mrs. John Cramer. Light refreshments were served by Miss Myrtle and Emma Brower, Helen Furniss Florence Oiner, Alice Bennett and Marie Pinney. The wedding gifts were very numerous, both useful and ornamental. Mr. and Mrs. Mark left on the midnight train for a wedding tour to Toronto and other places, after which they will make their home in the city. The bride has lived in Big Rapids all her life, having been born and raised there. She has been employed for the past year in W. A. Stillwell's book store. The groom was a former F. I. student, having been a member of the Commercial Department.

Our forefathers valiantly fought against the tyranny of a king—the rule of a monarch.

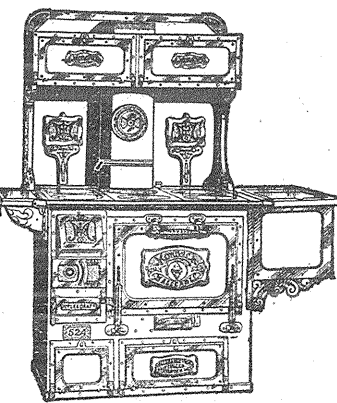

Our mothers, wives and sisters find that a Monarch gives them freedom from the drudgery of the kitchen.

It will be a Glorious Fourth for the housewife who installs a

Monarch Malleable Range

In Her Home.

The Monarch is the best range for summer use as it lightens your work. It consumes much less fuel than other stoves or ranges. There is less coal to carry—less wood to split—fewer ashes to handle. The malleable top of the Monarch heats through quickly, doing away with the necessity of starting a fire long before you wish to use it. This reduces the heat in the kitchen. The polished top of the Monarch never needs blacking. The disagreeably hot, mussy task of blacking a stove is done away with. The old kit of stove blacking is forever banished from the kitchen. There are no more smutty bottomed pots and pans—no more soiled aprons and dresses.

We are loyal to the Monarch. We ought to be. It has pleased our customers and brought more trade to our store. We are confident that it will please you just as it has thousands of others.

Won't you call and see it? Won't you allow us to go with you into every detail? Won't you let us tell you just how the Monarch is made—just what it will accomplish—just how it will save you money, time and labor? We want to explain the reasons why it will do all this and more. We want to show you its many improvements, conveniences and advantages. You will be happily surprised and greatly interested in this ideal range—the Monarch.
