## SCHOLARSHIP FOR H. S. GRADUATE

WOMAN'S STUDY CLUB WILL  
PROVIDE FOR IT.

Members Decided Monday After-  
noon to Add \$100 Worth of  
Books to Library.

At their meeting Monday afternoon, members of the Woman's Study Club decided to offer a scholarship of one year's tuition to any college in Michigan including normal schools and university, to the student in the graduating class having the highest standing for the four years' work in the Cass City high school. In the event that the one having the highest standing does not care to take advantage of the offer, the student standing next highest will be given the opportunity. How many may be offered the advantage in this manner has not been decided as yet.

The students entitled to participate in the scholarship contest will be members of the Class of 1914. The club thought that the time was too late to ask members of this year's graduating class to participate.

Another evidence of the progressiveness of the club's members was the decision Monday to add another \$100 worth of books to the club library. The ladies have done praiseworthy work in establishing so fine a library as at present adorns the shelves and the addition of the new books will make it still more complete. The library membership is not limited to the club, but any person in the community may participate in the advantages by the payment of the nominal fee of \$1.

In addition to offering scholarships and establishing a library, the Woman's Study Club has been successful in conducting the lecture course for the past three years. Each year the ladies have improved the course by providing better talent and the one now in progress promises to be the most satisfactory ever given here.

### New Officers.

The Woman's Study Club held their annual election Monday afternoon. The newly elected officers are: President, Mrs. Chas. Wiley; 1st vice pres., Mrs. A. D. Gillies; 2nd vice pres., Mrs. Elias McKim; sec., Mrs. G. A. Tindale; treas., Mrs. F. J. Nash, jr.; librarian, Mrs. Etta Rowley; critic, Mrs. J. H. Hays; instructor, Mrs. John Schwaderer.

## TUCKER-MOTT

Marriage of Instructor in Cass  
City Public Schools.

The following account of the marriage of Miss Reva Tucker, until the Christmas vacation a teacher in the Cass City Public Schools, is taken from the Imlay City Times:

"Yesterday, the home of Mr. and Mrs. Chas. Tucker, of Goodland, was the scene of the marriage of their daughter, Miss Reva, to Mr. Chester Mott. At one o'clock, as Miss Esther Bade played the wedding march, Mr. Mott, supported by Arlington Tucker, and Miss Tucker, supported by Miss Mildred Mott, approached the evergreen arch where Rev. T. C. Williams read the marriage service. After congratulations the wedding party and guests enjoyed a bountiful dinner. The residence was prettily decorated with red, evergreen and smilax. Among the guests were Mr. and Mrs. Truman Mott, Miss Mildred and Master Mott, of Lapeer, Mr. and Mrs. Albert Tucker, of Detroit, Misses Esther and Mabel Bade, Miss Effie Ennis and Mrs. Wm. Flansburg."

"After spending a few days at Lapeer, Flint, Detroit and Chicago, Mr. and Mrs. Mott will go to their home in Spokane, Wash., where Mr. Mott is the representative of eastern manufacturers of mining machinery—the same company for which Allison Walker of this place is Colorado representative."

### For Sale.

## MEDAL CONTESTS.

The young people of Cedar Run will repeat their silver medal contest at Ellington, Friday night, Jan. 24.

The contest which was so successful at Brookfield on Jan 3 was given at the West Grant school house Monday night, Jan. 13, with as much enthusiasm. Very nearly the same program will be given at the Canboro church Friday night, Jan. 17, and at Linkville Jan. 31. That's stretching the work of Cass City's efficient Woman's Christian Temperance Union quite a distance.

## GAIN TO COUNTY NEAR \$500

County Treasurer Will Receive Interest on Daily Balances.

The action of H. S. Wickware, the new treasurer of Tuscola county, in writing each member of the board of supervisors suggesting the advisability of purchasing a bond from a surety company at the expense of the county and depositing the county funds in banks paying the highest rate of interest, resulted in a gain for the county tax payers of approximately \$400 to \$500.

While the board did not follow Mr. Wickware's suggestions, it accepted a proposition which the members considered as advantageous to the county. The proposition came from the State Savings Bank of Caro. It agreed to furnish adequate bonds for the county treasurer, acceptable to the supervisors, and to pay interest on deposits at the rate of two per cent on average daily balances and to loan any sums the county may require at five per cent per annum.

Heretofore the county has not received any interest on daily balances and has paid six per cent on loans. The saving to the county is estimated from \$400 to \$500 annually.

## CHILD LABOR AGE CERTIFICATES

LETTER ON SUBJECT FROM COM.  
POWERS.

Illegal for Child Under 18 to Work  
Without Permit from  
School Supt.

J. E. Kennedy, superintendent of the Cass City schools, has received a letter from Perry F. Powers, commissioner of labor in Michigan, relating to the child labor problem. For the benefit of those interested, the letter is here given:

"Your letter of recent date is at hand. The only thing you can do with reference to the children who wish to work at bean picking or school hours is to provide them with age certificates. These age certificates would show that they are over fourteen years of age and under eighteen.

"Children fourteen years old and beyond are permitted to work from school time until six o'clock if they care to. After six o'clock children under eighteen years of age are not permitted to be employed. The limit of the employment of your school children therefore could only be from the hour of school dismissal until six o'clock.

"You know, of course, that it would be illegal for any employer of labor to permit a child to work for them for wages unless they were provided with a permit issued by yourself, in cases where the children attend school and wish to work after school hours you can issue a permit showing their age. If they are over fourteen years of age they can legally be employed from four to six o'clock but not thereafter."

## MRS. WM. GAUGHERTY

Former Resident Passed Away at  
Rochester, N. Y., Hospital.

The following paragraphs are from the Caledonia, N. Y., Advertiser:

"Mrs. William Gougherty died at the Homeopathic hospital in Rochester on Friday at noon, Dec. 27, 1912. Mrs. Gougherty had been a sufferer from bowel trouble for some time past and under the care of a doctor most of the time. Her trouble, however, did not yield to medicine and it was finally decided that she must submit to an operation. She was taken to the hospital three or four days before the operation, which was performed by Dr. Becker on Thursday. She rallied from the effects of the anæsthetic, all right, but blood poisoning set in at once and her death followed.

"Mrs. Gougherty's maiden name was Dorothy Warner. She was born at Marlette, Mich., 35 years ago and was married to Mr. Gougherty in April, 1903. Her father was Wm. F. Warner, who is dead, but she is survived by eight sisters and five brothers, there having been 16 children in the family, three of whom are dead. Besides her brothers and sisters, she is survived by her mother, her husband and two step sons, Edward and Thomas. These lads were taken down with scarlet fever about the time their mother went to the hospital and are still quarantined in an upper room of the hotel in Mumford under the care of a professional nurse.

"The deceased woman was a good wife and mother and her loss combined with the illness of her two sons certainly fills Mr. Gougherty's cup of sorrow full to the brim. Mrs. Gougherty was a comparative stranger in this vicinity, having come here only last summer with her husband and those who had met her speak in high terms of her kindness of heart and open handed generosity.

"The funeral was held from St. Columbia church on Monday morning, Father Eisler officiating, and the remains were laid away in the St. Columbia cemetery."

## HUNT-RICHARDSON NUPTIALS

Quiet Wedding at Home of A. G. Buchanan Wednesday Evening.

A quiet wedding ceremony was performed at the home of A. G. Buchanan Wednesday evening when George W. Richardson of Bad Axe and Miss Dora Hunt of Ubly, sister of Mrs. Buchanan, were united in marriage by Rev. G. A. Fee. At eight o'clock the bride and groom accompanied by Miss Cora Hunt of Ubly and Maxwell Hunt of Tyre took their places among the guests and took upon themselves the wedding vows. The bride wore a pretty dress of dark blue silk.

A wedding supper was served to about twelve guests. Guests from out of town were Miss Cora Hunt of Ubly and Miss Flossie Soles and Maxwell Hunt of Tyre.

Mr. and Mrs. Richardson left Thursday for Bad Axe where they will make their future home.

News Matters Pertaining to Our  
Neighbors in the Near-by  
Towns and Villages.

Marlette will have a poultry show Jan. 30, 31 and Feb. 1.

Rev. Joseph Fox, pastor of the Baptist church at Vassar for four years, has tendered his resignation to accept a call to a church at Ukiah, California.

The Tuscola County Farmers' Mutual Fire Insurance Co. has re-elected its old officers. R. S. Weaver heads the society as president and H. S. Myers is secretary.

Mrs. Eurista Purdy will leave Caro, January 15, to join a party of friends in a visit to Florida where she expects to remain two or three months. Her son, J. L. Purdy of Gageton will go with his family, making their main stop in St. Augustine, but in company with John Monroe, Mr. Purdy has arranged to visit Cuba and Panama before returning home.—Advertiser.

Sheriff Dunphy announced to the Farmer Thursday that he had appointed Peter Walsh as under-sheriff. The news of this appointment comes as a mild surprise to the friends of Mr. Walsh, his being a Democrat making the appointment more surprising, although he has been prominently mentioned for the place repeatedly. The action of Sheriff Dunphy will hardly find criticism where Mr. Walsh is known.—Sandusky Farmer.

## Mac INNES NEILSON, JAN. 23

Third Number of Lecture Course at  
Opera House Next Thursday.

Come and spend an evening with Mac Innes Neilson at the opera house next Thursday, Jan. 23, to enjoy one of the best numbers of this season's lecture course.

Mr. Neilson comes very highly recommended. All who have ever heard him are enthusiastic in his praises. Favorable press notices from all parts of the United States and Canada have been received and Cass City is fortunate in securing such a high class orator and lecturer.

Mr. Neilson is a Scotchman, and with the Britons of the North he lived till the completion of a successful educational course in Glasgow University. He is a scholar, and familiar with history, and the best fiction and poetry, his lectures are characterized by a gracefulness of diction, a clearness of expression, and great directness of appeal. Classical and forceful, his word-pictures, full of nature, are yet never above his hearers. His thought is clear, real, human; and clothed in vestment of scholarly simplicity, is admired by cultured and uncultured.

Mr. Neilson's Scotch accent is a delight, and there is a peculiar plaintiveness in the voice that makes his appeals irresistible. While there is a constant inter-play of pathos, wit and humor, yet Mr. Neilson treats no subject trivially. He is distinctly a man with a message, and a message that, in fearless and impassioned speech, burns itself in on the minds and hearts of his auditors.

## WILL DIG DEEP INTO TREASURY

FINANCIAL NEEDS OF STATE  
KEEP PILING UP.

Governor's Pruning Knife Doubt-  
less will Have to Be  
Used Vigorously.

Lansing, Mich., January 14.—From the manner in which appropriations have already been asked for and in view of the amounts yet to be requested from the Michigan legislature, it is apparent that the aggregate will exceed the expectations of the most sanguine devotee of economy. In spite of the avowed purpose of the administration it will be mighty hard for the governor and his most ardent supporters to keep the state's appropriations down to what the most liberal would deem reasonable. It is believed that the total requested will break all records, and it is assured that there is to be some lively work in the house and senate before the bills presented are either passed or thrown into the discard. That there will be some painful pruning is conceded, but it is likewise conceded that the state's institutions are badly in need of generous assistance.

Absolute Necessity Arises.

This does not necessarily mean that there is a purpose toward extravagance. The last legislature failed to satisfy many claimants for what was then deemed absolute need. Governor Osborn kept his finger upon the pulse of the institutions in whose charge are the wards of the state and in many cases refused to allow appropriations to be made. The consequence is that these are now asking what might appear upon the surface to be unreasonable. But it is true that the demands have increased in spite of efficient management in most cases. Superintendents declare that not only are liberal appropriations needed, but for the pride of the state as well as the proper care of those for whose well being the state is responsible, adequate needs must be met. The pruning knife was used unsparingly during Governor Osborn's administration and it is the purpose of the present administration to see to it that no appropriation shall be made that is not absolutely warranted by existing requirements. And that the paring knife will be put in action is a sure thing. Just what the outcome may be is problematical, but certain it is that should the demands be met in a fairly liberal manner the figures will aggregate a sum that will make the taxpayers sit up and take notice.

Measures Presented.

In the house there has been an avalanche of bills, 20 in one day, among them the following requiring appropriations:

Home for the Feeble Minded at Lapeer, new buildings, \$187,000; state normal school at Alpena, \$100,000; addition to state normal at Marquette, \$150,000; convict farm, Ionia reformatory, \$16,500; machinery, convict road building, \$14,500; monument Shilo National Park, \$2,500. To replace burned buildings at Traverse City state hospital, \$102,000; besides a sum for a side track a considerable distance. In addition to the requests in bills already presented, the Ypsilanti state normal school will ask for \$300,000. The buildings destroyed by fire at the school for the deaf will have to be replaced and approximately \$300,000 will be asked of the legislature.

There will be several hundred thousands of dollars asked for special purposes. Then when the actual operation of the state is provided for,

Topic of the Sunday morning sermon: "Studies in Old Testament Biography, Abraham." The evening service will be in charge of the Epworth League and will meet at 7:30 p. m.

The Junior League will meet on Thursday, p. m., instead of Monday. Two classes in Catechism work have been formed in Bethel and are doing good work.

Good attendance and interest characterize the special meetings at Bethel. They will continue next week.

## WANT COUNTY OFFICERS PLACED ON SALARY

Supervisor Dowling Says All Fees  
Should Be Turned into the  
County Treasury.

Supervisor Dowling of Fairgrove township has been making a comparison of the cost of the administration of affairs in Tuscola, Huron and Sanilac counties. He reported his findings to the Tuscola board of supervisors last week.

The report reads as follows: "The treasurer of Huron county has a salary of \$1,200 a year with fees which make it about \$1,450 a year.

"The clerk of Huron county has received a salary of \$800 which has lately been raised to \$1,000.

"The school commissioner of Huron county has a salary of \$1,500 and postage and clerk hire averages \$5 a month for ten months or \$50. The school commissioner of Tuscola county has a salary of \$1,500; postage and clerk hire \$40 a month or \$400 for ten months. The salary of school commissioner is fixed by the number of school rooms in the county, so there must be the same amount of work for the school commissioner in both counties, yet Mr. Bush pays his wife \$350 more to do this work than it costs in Huron county.

"The sheriff's bill for Huron county was \$3,197.22 and of his deputies \$231.10, total \$3,428.32. This is the amount that it cost to run the sheriff's office in Huron county without the board of prisoners added. I believe there is only about 200 difference in the population of the two

## STANDARD CONDENSED MILK CO. OF DEFORD, MICH.

Advertisement.

We are informed that the wheels in this institution will commence to turn in February. It takes much longer to complete a large condenser of this kind than a small creamery.

This condensed milk company is a credit to Deford and a credit to every stock holder, as they will pay a good price for the milk. They would like to see the farmer keep his two and three year old heifers as a good milkier will pay for itself in one season. This should be burned into the brain of every dairyman—that milk is made from pure blood. The more blood that flows through the udder, the more milk. Alfalfa, corn meal, cotton seed meal and crushed oats are an excellent winter feed. A good fine bone Holstein cow will produce from 24,000 to 25,000 pounds of milk per year with ordinary care. Nearly all the farmers we have interviewed say they will increase their present number of cows and go into the dairy business more extensively. 1-17-2

**AID THE KIDNEYS**

Do Not Endanger Life When a Cass City Citizen Shows You the Way to Avoid It.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Kidney Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one, of the symptoms of kidney diseases, act now. Dropsy or Bright's disease may set in and make neglect dangerous. Read this Cass City testimony:

Mrs. William Willson, West St., Cass City, Mich., says: "Knowing of the value of Doan's Kidney Pills through personal use and the experience of members of my family, I feel justified in recommending them. Some years ago a member of my family had an attack of kidney complaint and suffered severely. Doan's Kidney Pills, procured at Wood & Co's. Drug Store effected a cure and the trouble has not returned since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other. 43.—Advertisement.

counties, yet the bill of the sheriff and deputies of Tuscola county amounts to \$7,209.94, a difference of \$3,791.62 or enough to run the sheriff's office in Huron county two years and have \$363.30 left. Add the board bill for prisoners, \$1,428 and you have \$3,637.94, the amount it cost to run the office and jail in Tuscola county.

"The records in the clerk's office in Sanilac county shows sheriff's bill from October 10, 1911 to October 10, 1912, \$1,316.78; bill of deputies, \$378.25, total, \$1,695.03.

"In a letter from sheriff he states he has deputies in the principal towns in the county; their bills he thinks will foot up not to exceed \$500; add to this \$1,695.03 and you have a total of \$2,195.03 or a difference of \$5,014.91, or enough to run the sheriff's office in Sanilac county three years and have a balance of \$624.85.

"The figures are taken from the records of Huron county as given me by the clerk; from the records of Tuscola county filed in the clerk's office, and from printed statement from the clerk of Sanilac county and letter from sheriff of Sanilac county.

"I believe there should be an effort made to put the county officers on a salary; that salary should be sufficient to pay them for their time, and all fees, as far as the law would allow, to be turned into the treasury of the county."

**How He Learned English.**

Carl Schurz once told a friend something of his early struggles with the English language. He knew it about as American college boys know their German—that is to say, barely at all. One day, "deciding such nonsense must end," he entered a bookstore and asked for the classic of the English language. A wise clerk gave him "The Vicar of Wakefield." He carefully translated it into German and put his work away for six weeks. At the end of that time he translated his translation back into English and then made a searching comparison between his version and that of Goldsmith's original. "After that," he said, "I knew English."

The Detroit Journal of Jan. 9 says the Rev. Fred Bouch read the Bible through in 67 hours and six minutes. Now we have to believe that ever since we read it because we hate to dispute a preacher.

'Tis strange how we are offended at small things and then take an insult quietly. Now when a man offers to sell us something for \$1.98 or \$2.98 etc., that is the meanest kind of an insult to our intelligence and yet we let it pass when we would swat the "critter" if he were called weak minded in any other way.

'Tis a joke when a supervisor is out at the "Hub" and is called on jury in justice court reducing his pay one-half. It would not be so bad if a supervisor could catch onto law a little. They were both observers. One was telling how he saw where a rabbit ran along on the snow crust, stopped and dug a hole in the snow that went directly down to its burrow in the ground. Then Tim said "Yes, instinct is wonderful among animals. I once saw a fox sporting near a stream and watched his work. He gathered a mouthful of grass and let himself into the drink, stern first, emerged to the nose then let go of the grass which floated down the stream. On examination of the grass it was literally covered with fleas. Then I understood all of Raynard's maneuvers."

The Detroit Journal editorily makes mistakes when it treats the question of "Mixed Marriages" by saying that the children of two races bring forward no great men. Fred Douglass and Booker T. Washington are race mixtures and the greatest man among the Indians back in the '70's was Captain Jack, a half breed. When the Journal says that all the smart black men in the southern states are full blooded negroes it is evident the editor has never been south of Detroit. Travellers, who have been in Africa and saw "full bloods" fail to see "full blood" among the blacks of the south.

Are We Going Back to Paganism? A neighbor hands us the following and asks its publication: Christmas is observed all over the

Christianized world nowadays, but in many places it is not observed properly. At one schoolhouse not far from the town line between Novesta and Kingston, it was observed by an entertainment which was the work of the school. At that place Sunday school and church are held every Sunday, and many visitors thought that was the work of the Sunday school. One part of the program was vulgar. A small part was sensible, but most of it was very foolish. Children ten and twelve years old had recitations suitable for children five and six years old. One visitor said that one might expect to see such a program in a theater, but nowhere on Christmas eve. Christmas should be a time of rejoicing, "But while ye celebrate His birth, forget not how He died." A CHRONICLE READER.

# WILL DIP DEEP INTO TREASURY

Continued from first page.

even with the utmost economy, the outlook presents a staggering possibility—should even a majority of the bills pass. Meanwhile the house shows a disposition to exercise care and that many of the amounts asked will be placed under the axe is certain. Only those of undisputed merit will squeeze through.

### Other Measures.

Important measures, aside from appropriations, were thrown into the mill providing for the recall of all state elective officers; prohibiting intermarriage of whites and negroes; abolishing state salt and oil inspectors; requiring standard test of gasoline; permitting sale of rabbits; authorizing \$750,000 for addition to state capitol building; reciprocal demurrage; adopting Torrens system of land transfers; placing automobile fees in state highway fund; firemen's pension fund; permitting students away from home at school to vote; better hotel inspection and sanitation; requiring saloons to remove all screens; providing hospital for inebriates; amendments to state game and fish law, and banking law amendments.

These are merely suggestions of what is to happen within the next few weeks.

### A Million for State Highways.

State Highway Commissioner Ely will ask that \$1,000,000 be appropriated to improve the highways of the state. The fact that Mr. Ferris in his campaign strongly endorsed the good roads movement suggests that he will not stand in the way of a liberal provision. The whole state has taken the good roads fever and the development during the past year in this regard has been surprising.

At the present time there are 925 miles of road applied for, the state award being \$591,591. For the fiscal year beginning July 1, 1912, the legislature allowed \$235,000 for state awards. The entire sum was exhausted before the end of six months, and the demand is still increasing throughout the townships and counties.

The good roads movement is one of the healthy indications of progress and development and there is a universal desire from all sections to promote the good work. However, Commissioner Ely believes that if the automobile taxes are placed in the highway fund, and that the fee be

increased, the legislature will not need to appropriate so large a sum as would otherwise be the case. There is every reason to believe that the legislature will give kindly consideration to the highway commissioner's proposition.

The commissioner estimates that there are 70,000 miles of highways in the state, not including streets of incorporated cities and villages. They serve a land area of 57,480 square miles and a population of nearly 3,000,000 people. The people of Michigan are paying annually \$1,000,000 to maintain these public roads. In the area covered, farm products represent a total of 3,000,000 tons.

### Recount Action Overturned.

The action of the house in turning down all recount propositions where seats in the legislature were contested stirred up a hornet's nest and inaugurated the first bad blood episode of the session. After a bitter arraignment against the resolution, the house backed water. It was a masterly arraignment by Representative R. F. Skeals of Hart, that turned the tide and resulted in six contests being given consideration, which were referred to a special committee, thus breaking down the "Chinese Wall" erected at the beginning of the session. The six contests are:

Reuben Farnum vs. Thaddeus B. Taylor, Second Kent district.  
Alex. J. Polk vs. Francis X. Burke, Fourth Wayne district.  
John W. Lamon vs. Alonzo A. Sherman, Tuscola.

A. B. Robertson vs. Louis Heller, First Ingham.  
Fred P. Smith vs. Robert H. Rayburn, Alpena.

Fred L. Simpson vs. C. A. Weidenfeller, Van Buren.

### Sanitary State Survey.

Secretary Dixon of the state board of health has presented to Governor Ferris recommendations agreed upon by the board to present to the legislature. One of them will be a request for \$50,000 to hire 10 sanitary experts to make a complete sanitary survey of the state. Improved legislation is asked in this line.

The state board of health is in accord with the bill introduced by Representative Glasner, requiring medical examination before marriage licenses are issued. Mr. Glasner suggests a fee of \$1 for physicians, but the board believes the fee should be \$5.

### After Loan Sharks.

If the cases pending in Detroit against loan sharks are decided before the close of the present legislative session and the law is found to be valid, it will cease to become a local act for cities and be a statewide measure. Representative Copely, author of the act, is being besieged for information as to the status of the act, the general sentiment being that

the measure should be statewide in its operation. Complaints against extortion from all over the state are being made, in many cases from farmers.

Michigan live stock men are opposed to the recommendations of Gov. Ferris that the live stock sanitary commission be abolished and that its duties be placed under the jurisdiction of the Agricultural college. It is claimed that the work of the college would be too expensive.

### WICKWARE.

Preaching next Sunday morning at 11:30.

Mr. and Mrs. Lounsbey of Bay City are visiting the latter's brother, Wm. Harrison.

Mr. and Mrs. Wm. Gracy are visiting relatives in Caro this week.

Rev. and Mrs. Yeoman and family are visiting around Wickware this week.

Frank Bond is improving slowly. The gripe is making its calls around this place.

W. M. Hunter and daughter are visiting Jas. Jackson.

Mrs. Andrew Kaen of Detroit is visiting her mother, Mrs. Henry Biglow.

Miss Adah Foe, who has been caring for her grandmother at Oxford who is very ill, has returned home and her mother took her place.

A number from here were called to Sandusky to attend the trial of Jim Edwards.

Earl and Jos. Fulcher are visiting in Carsonville and Applegate.

Miss Hattie Brown and her father are visiting a few weeks in Canada.

Art Hitchcock is moving his house on his farm.

### Not Bare.

Hubby—That's a bare attempt at a salad. Wife—Oh, no, dear: I dressed it myself.—Houston Post.

### A Girl's Wild Midnight Ride.

To warn people of a fearful forest fire in the Catskills a young girl rode horseback at midnight and saved many lives. Her deed was glorious but lives are often saved by Dr. King's New Discovery in curing lung trouble, coughs and colds, which might have ended in consumption or pneumonia. "It cured me of a dreadful cough and lung disease," writes W. R. Patterson, Wellington, Tex., "after four in our family had died with consumption, and I gained 87 pounds." Nothing so sure and safe for all throat and lung troubles. Price 50c and \$1.00. Trial bottle free. Guaranteed by L. I. Wood & Co.—Advertisement.

### UBLY.

Mrs. Geo. Hager is in Pt. Huron this week.

Mrs. Jackson McDonald of Detroit was called to Uby last week on account of the illness of her mother, Mrs. H. J. Wilkinson.

The F. & A. M. lodge had a school of instruction on Monday evening, degree work was exemplified and a banquet was served to all present.

Mrs. H. J. Wilkinson is confined to her bed with pneumonia at present.

Ronald Gibson departed for Detroit on Monday. He expects to find employment there.

J. A. Zulauf was called to Detroit on Tuesday owing to the death of a relative.

Miss Viola Reid was in Detroit part of this week.

Mr. and Mrs. David Crorey visited Carsonville friends part of this week.

We hear that the large Roman Catholic church at Paris, about eight miles from here, was burned to the ground on Sunday night. It is stated there were no services there Sunday and it is a mystery how the fire started.

### KELLEY'S MINSTRELS ARE O. K.

Booking Agent, Sam. Champion, has billed Kelley's Minstrels for a performance in The Opera House on Tuesday, January 21. Before engaging the troupe Mr. Champion wrote to several towns where the show had been to find out if they were all right. Below are a few of the replies received:

Kelley's minstrels last night best show ever in Crosswell. Audience delighted. J. T. Miduski, Crosswell.

Played this attraction to large house and same gave good satisfaction. Chas. M. Root, Union City.

Kelley's Minstrels played here and everyone seemed well pleased. If they would return here I believe we would do a capacity business. T. C. Whitehead, Mgr., Albion Opera House.

I have played Mr. Kelley's 3 times within 2 years to good average business. Manager, Three Rivers.

Wish to say I play Mr. Kelley every season and he has never failed to get us the money and give us the best of satisfaction. Dunham & Dobbins, Marshall.—Advertisement.
