Your confidence is what Studebaker seeks to keep

Possessing this confidence, we have never tried to produce a cheap wagon. We could, but we don't dare try the experiment. Our constant aim has been to produce the best wagon.

And in living up to this highest standard, we have won and hold—the confidence and good-will of hundreds of thousands of farmers all over the world.

Studebaker wagons are built to last, to do a day's work every day, to stand up under stress and strain and to make the name Studebaker stand for all that is best in vehicles.

Don't accept any other wagon represented to be just as good as a Studebaker. The substitute may be cheaper, but it isn't up to Studebaker standards, and you can't afford to buy it.

For business or pleasure, there is a Studebaker vehicle suited to your requirements. Farm wagons, trucks, business wagons, surreys, buggies, runabouts, pony carriages—each the best of its kind. Harness also—of the same high Studebaker standard.

A BIT OF ADVICE

First — Don't Delay. Second—Don't Experiment.

If you suffer from headache; headaches or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble. They are recommended by thousands. Can Cass City residents desire more convincing proof of their effectiveness than the statement of a Cass City citizen who has used them and willingly testifies to their worth?

Mrs. Agnes Wickware, Main St., Cass City, Mich., says: "I am glad to recommend Doan's Kidney Pills as they have been used in my family with good results. A member of the household suffered from disordered kidneys and Doan's Kidney Pills, procured at Wood & Co.'s Drug Store disposed of the trouble. This preparation has cured me of backache and difficulty with the kidney secretions."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other. 49.—Adv.

The hard working father or mother, boy or girl, buying shoes, should remember that it's not the "earnings" that make one rich but the "savings," and that

The place to buy Shoes is where you can save the most—where you can get the most wear for each dollar you invest. That's Crosby & Son's

FROM the time we introduced shoes into this store we have had one "hobby"—a positive, determination to handle only shoes we could guarantee—shoes that were made in an honest way of honest materials, that would give lasting service and satisfaction. We were satisfied that a reputation for selling such footwear would be worth more to us, and to all other departments of our business, than any other move we could make. That's why our shoe sales have shown a steady increase from the start. That's why it will pay YOU to buy Crosby & Son's Shoes. Men's, \$3 up; Boys', \$2 up; Girls', \$2 up; Children's, 75c up.

Price-Per-Thousand On Building Lumber

is not infrequently used by manufacturers of substitutes to confuse prospective home builders, but to the man who knows quality, the characteristics of the different favored building woods and their proper application, this bug-bear causes little apprehension. We've helped many builders right here at home beat the building game to a frazzle and can help you too if you'll bring your plans in or tell us just what you contemplate doing. Selling lumber is only a part of our business—the personal service we render our customers being of equal importance—but we're willing to donate this service for the sake of the community and the indorsement of our customers. Before making your final decision on your new house come in and get at first hand the real facts about this lumber business and just what "price-per-thousand" means to you.
