P. O. FORCE BUSY DURING XMAS RUSH

ONE-THIRD MORE PACKAGES
HANDLED.

Parcel Post Limit Raised to 50
Pounds in First and Second
Zones.

Business at the post office was rushing during the Christmas season and patrons were many times required to line up and wait their turn at the windows on account of the unending line of Christmas packages which were constantly being received for transportation. All records were smashed according to Postmaster Corkins and the popularity of the parcels post was assured.

The total amount of money received from stamp sales upon account of the parcels post did not exceed the December business of the year before much more than \$40, however, owing to the much cheaper rates that are at present in force, but in bulk the matter handled was at least one-third more.

Postmaster Corkins has received from the postmaster general an order stating that on and after Jan. 1, 1914, the limit of weight of parcels of fourth-class mail for delivery within the first and second zones shall be increased from 20 to 50 pounds and in the third, fourth, fifth, sixth, seventh and eighth zones from 11 to 20 pounds.

The rate of postage on parcels exceeding 4 ounces in weight in the third, fourth, fifth and sixth zones shall be as follows: Third zone, six cents for the first pound and two cents for each additional pound of fraction thereof; fourth zone, seven cents for the first pound and four cents for each additional pound or fraction thereof; fifth zone, eight cents for the first pound and six cents for each additional pound or fraction thereof; sixth zone, nine cents for the first pound and eight cents for each additional pound or fraction thereof.

LOUNSBURY-WALTERS

Christmas Day Wedding at Home of
Mr. and Mrs. T. Lounsbury.

A quiet wedding took place at the home of Mr. and Mrs. T. Lounsbury in Elmwood township when their daughter, Eleanor, was united in marriage with Wesley Walters, son of Mr. and Mrs. James Walters, living 4 miles west of Cass City, at high noon of Christmas Day. Rev. H. C. Hayward performed the ceremony in the presence of 25 near relatives, and after the service, a wedding dinner was served in the dining room, especially decorated for the occasion. The bride wore a stylish gown of cream silk mull trimmed with lace and bead insertion and was unattended.

The young couple will make their home with the groom's people and on Monday evening a number of the neighbors and friends gave them a miscellaneous shower at their home. A number of presents were received and after a pleasant evening, refreshments were served.

MRS. FRANK WELDON

Funeral of Kingston Lady Held in
That Village Monday.

(By our Kingston correspondent.)
Many hearts were saddened Saturday morning, Dec. 27, by the announcement of the death of Mrs. Frank Weldon. She had been ill in bed for several weeks with tubercular peritonitis. Addie Evalina Soper was born in Tilsonburg, Ontario, Jan. 22, 1878, and came to Kingston, Mich., with her parents two years later where she has since resided. She was united in marriage with Frank Weldon, Dec. 22, 1897. She leaves to mourn her loss, husband, father, mother, six brothers, besides many friends. The funeral was held from the home Monday afternoon, Dec. 29, Rev. Shoemaker officiating. Interment was made in Kingston cemetery.

THUMB ITEMS.

A. R. Martin has been nominated for postmaster at Crosswell by President Wilson.

In less than two weeks after the explosion which wrecked Deckerville's municipal light and power plant, the wreckage has been cleared away and in its place a more stately and substantial building has arisen through the supreme energy of the enterprising citizens of the town.

Fire and water damaged the greater part of a \$7,000 stock in Black department store at Vassar. It was thought that the fire started from the furnace, but one of the firemen says the location of the blaze, when discovered, precludes the possibility of the furnace being the cause.

SUDDEN DEATH OF MRS. M. SEEGER

SHORT ILLNESS WAS NOT CON-
SIDERED SERIOUS.

Funeral Arrangements Have Been
Delayed Until Children Arrive
From the West.

Mrs. Michael Seeger died quite suddenly Friday evening after an illness of but two days. Her death was a shock to all her friends for during the early part of the week she had been able to perform her household duties. About a week before her death, Mrs. Seeger was ill with tonsillitis, but had fully recovered from this illness and was preparing for a Christmas dinner. Her daughters, Mrs. George Muentner of Pigeon and Mrs. Harry Annis of Lansing came Thursday to spend Christmas and found their mother quite ill. Doctors pronounced the disease peritonitis and in spite of all medical aid, she passed away.

Margaret Marie Steinhauser was born in Stuttgart, Germany, Mar. 18, 1866, and a year later she came to New York City with her parents, Mr. and Mrs. M. Steinhauser where she lived until 1881, when she was married to Michael Seeger and they moved to Tuscola county where they have since lived, part of the time on a farm and for a number of years in Cass City. Six children were born to this union; one, an infant, preceded the mother in death, and the others are William Seeger of Edmonton, Alberta, Mrs. George Muentner of Pigeon, Mrs. Harry Annis of Lansing, Miss Mabel Seeger of Seattle, Wash., and Miss Hazel, who is a senior in the Cass City schools.

The deceased was a member of the M. E. church and was a Gleaner, a Rebekah and a Maccabee. One brother also survives the deceased, M. Steinhauser, of Seattle, Wash.

William Seeger of Edmonton came Tuesday and Miss Mabel of Seattle came Wednesday to attend the funeral which will be held Thursday morning at ten o'clock at the Methodist church, Rev. G. A. Fee conducting it and interment will be made in Elkland cemetery.

A. J. SPITTLER MARRIES

Claims Mrs. Gertrude E. Durey of
Huron, S. D., as Bride.

(From Daily Huronite, Huron, S. D.)
At the home of the bride, 653 Fifth street, Sunday afternoon at 4 o'clock, in the presence of a few friends only, Mrs. Gertrude E. Durey, of Huron and A. J. Spittler, of Cass City, Mich., were married by the Rev. H. Kettle of the Presbyterian church.

After the ceremony the company went to the home of Mr. and Mrs. Guy W. Wilcox, where a wedding dinner was served.

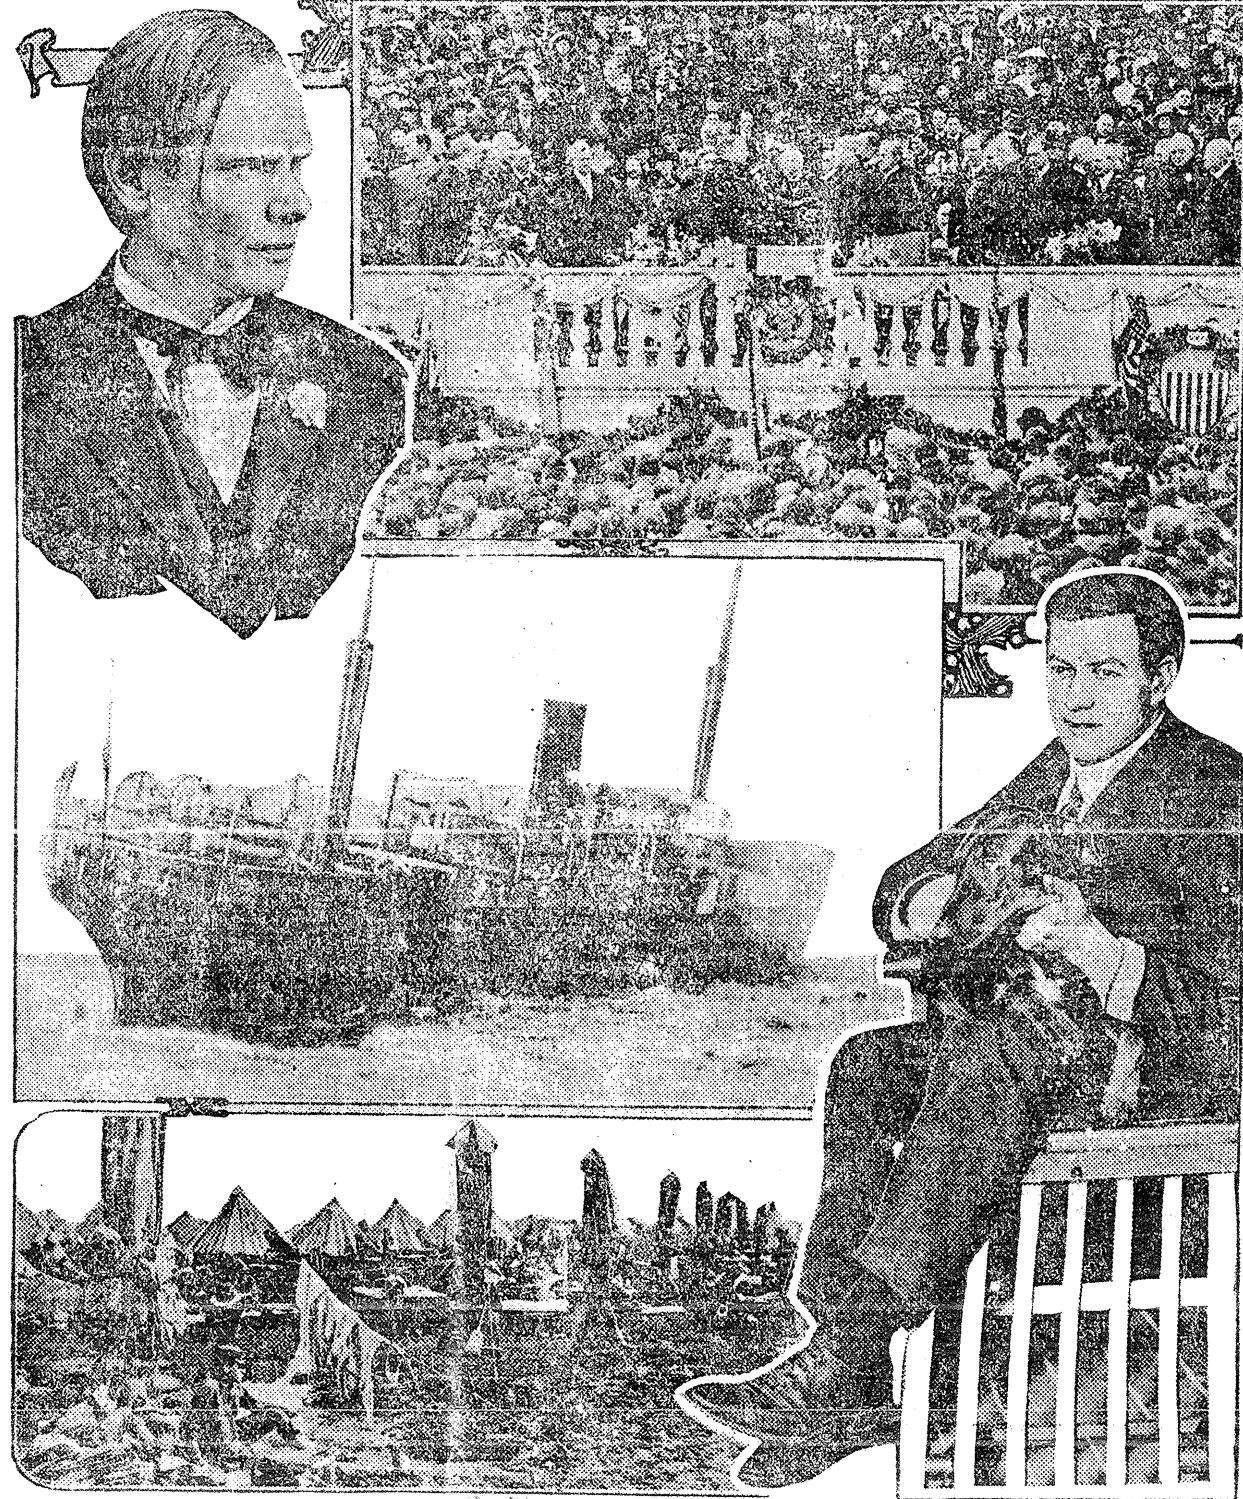

Mr. and Mrs. Spittler will be at home after January first at 653 Fifth street, Huron. To them the many friends of the family here extend heartiest congratulations on this occasion, with best wishes for the future.

ANTI-SALOON FIELD DAY

Four Services Will be Held at Cass
City Next Sunday.

The Annual Field Day of The Michigan Anti-Saloon League will be held in the various churches on Sunday, Jan. 4.

The morning service at the M. E. church will be addressed by Grant M. Hudson of Detroit, one of the leading men in the state and a member of the Committee of One Thousand which in December made such a thrilling advance upon Washington where they were presented to Congress in an effort to place National Prohibition squarely before the people in the form of an amendment to the Federal Constitution. The Hobson-Underwood episode occurred during the visit of the great committee and there were some other interesting developments which Mr. Hudson will give first hand to his audience on Sunday.

Mr. H. H. Rood, editor of the American Issue will speak at the Baptist church in the morning service and is a thrilling speaker of wide observation in his line of work.

There will be no services in the evening at either the Methodist or Baptist churches and two union services will be held, one at the Presbyterian church where Mr. Hudson will speak and one at the Evangelical church addressed by Mr. Rood.

Mr. Hudson will be at the Bethel church at the afternoon service.

BEEBEHYSER-LINTZ.

Miss Elizabeth Beebhyser and Lester S. Lintz of Fostoria were quietly married at the Baptist parsonage Christmas eve by Rev. H. C. Hayward. The couple were unattended and the affair was very quiet because of the ill health of the bride's father. The young couple left Thursday morning for a short visit in Flint, Detroit and Pontiac.

The bride is teacher of the Wright school, northeast of Cass City. Mr. Lintz has a farm near Fostoria and here they will later make their home.

The total sales from the McCarty herd of Herefords since the Cass City fair have been \$3,000.00.—Bad Axe Tribune.

LOCAL OPTION PETITIONS

Being Circulated in Lapeer Co.
for Vote This Spring.

Rev. E. H. Bradfield, secretary of the Lapeer County Anti-Saloon league, has announced that the local option issue will again be placed before the voters at the April election. The petitions are now being circulated and about 750 names, one-fourth of the number of votes cast for secretary of state at the last election, are needed. The petition will be presented at the January session of the supervisors.

Lapeer county has been in the wet column for the last two years.

BIG HAPPENINGS IN YEAR OF 1913

WAR WITH MEXICO THREATENED
SULZER REMOVED.

Middle West Devastated by Floods
Which Caused Great
Loss.

By JOHN J. BREEN.

WINGING like an aeroplane through the atmosphere of time, another year is gone. Each day brought its quota of happenings, some great and others small. There were fast and strenuous doings in the world of politics, the grim reaper exacted its usual toll, playing no favorites: the menace of war between the United States and Mexico loomed large, and the Athletics again showed the Giants how to play the great national game.

President Wilson from the date of his inauguration started out to make good on his promises of tariff and currency reform. After months of jockeying by both branches of congress and after many amendments had been written into the original draft of the document the Underwood-Simmons tariff bill became a law. It is too soon as yet to say just what effect it will have on the prosperity of the country. It has long been held by some statesmen that a new tariff bill will be a panacea for all ills, real or imaginary. Others have held that any tinkering with this important subject would result in a national disaster. It is too early as yet to say who are the false prophets.

Having succeeded in passing a new tariff bill, President Wilson at once set about getting a new currency measure. Toward the end of the year his supporters declared that he would also win this fight. Just what kind of a bill would finally meet the favor of congress none would say. Some bankers maintained that any radical interference with the monetary system of the country would work disaster, while bankers of the south and west insisted that money reform would greatly help the crops and would make for unprecedented prosperity.

Sulzer Helps Mitchell.

It is agreed that the removal of Governor Sulzer was a big factor in the New York city election. Many who thought Sulzer guilty wanted to rebuke the forces that sought his impeachment. Sulzer announced himself as a candidate for the assembly in a lower east side district in Manhattan. He ran on the Progressive ticket and was elected. There was a union of the forces against the Tammany Hall candidate, Edward E. McCall, and

Sampling Mother's Doughnuts

HUNGRY kids are sampling them today just as they did in your doughnut days.

Our artist has taken the old familiar story and brought it up to date. He has given Mother a modern up to date Acetylene cooking range.

It may surprise you to learn that such ranges are actually being used by the women folks in over two hundred thousand country homes.

As you will note from the picture, they are duplicates of city gas ranges used throughout the world. They furnish heat on tap—and have the high ovens with glass doors and all other modern features.

If you feel that your folks would appreciate the convenience of gas for lighting and cooking—if you feel that they have battled long enough with kindling, oil, coal, ashes and soot, you should without delay look into my home made Acetylene proposition.

I am the representative for this district, of the largest manufacturers of country home Acetylene plants in the world—namely, the Oxweld Acetylene Co.—manufacturers of the famous Pilot Acetylene Light Plants.

Pilot plants are different from any of the other hundreds of American Acetylene machines. They work on a different principle. They are not storage systems—they are automatic—they make gas—a little at a time, while the stove or the lights are in use. At other times the plant stands idle.

Pilot lighting plants are built upon honor to last a lifetime. They are permanent features of the homes in which they are installed.

In fifteen years only two accidents have been charged to the misuse and abuse of Pilot plants. While during the same period over one hundred thousand fires and accidents have been charged to other illuminants.

For these reasons you should not judge Acetylene until you have seen it made by a Pilot plant. The Pilot is the one plant that is mechanically perfect. This is proven by the fact that there are over sixty thousand of them in actual use today.

At your convenience I can call at your home with a portable demonstrating plant and show you how the Pilot works—how it generates home made Acetylene—how it automatically mixes the Union Carbide and water to make this gas.

I can show you also how this home made Acetylene is used to produce the most brilliant and beautiful light known—how it is used in cooking ranges which do away with the work and bother of handling fuel and ashes.

If you wish, I can send you also the Oxweld Acetylene Company's advertising books. These books tell how Acetylene is used for over a hundred different purposes—how the government uses Acetylene machines, on account of their reliability, to light the coast of Alaska and the whole Panama canal.

With these books I will gladly furnish you free estimate of the cost of a Pilot lighting plant with capacity to fit your requirements. Just write me how many rooms you have and also how many barns and outbuildings you would light. Just address—

The Good of Glasses

A change for the better—from panted and other lenses with ugly seams to the clear Kryptok lenses.

A. H. HIGGINS, Jeweler and Optometrist.

Is noticed within five minutes after first putting them on.

They produce a feeling of comfort in the eyes immediately.

They cool them, rest them and strengthen them.

Then all there is to be done to have this comfort permanent is to wear the glasses regularly.

We would be glad to have you visit our optical department.

We can promise you skilful treatment of all eye defects—can supply you with glasses that will bring you relief so quickly that you will be surprised.

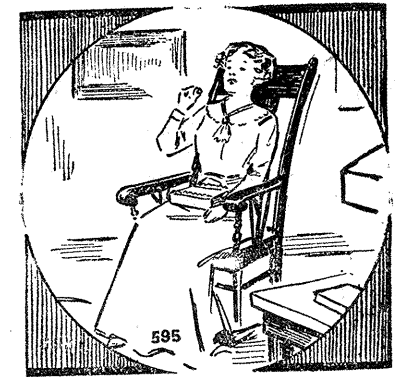

Her Soliloquy

"Oh, Chocolate Drop! Oh, Chocolate Drop! 'Tis you I most adore; The highest grade, The best that's made, Fresh from the candy store."

and then with half-closed lids and—but everybody knows what happened to that Chocolate drop. You'd do the same if you had one.

A NOTE TO YOU

January 2, 1913.

One hundred cents make a dollar, but our choice perfumes are not sold at a dollar a scent—that wouldn't be sensible.

They are quite moderate in cost, and for a few trivial cents, you may secure many rare and delightful scents. One need not be without the most delicate odors, at the prices which prevail here.

Yours truly,

TREADGOLD'S DRUG STORE

We Thank You

For the business accorded us during the past season. Every day the coming year resolve to have a little

Heller's White Lily

in the house. You "knead" it in your baking. We wish you all a prosperous year in 1914.
