## P. O. CLERK 16 YEARS

Miss Jennie Nelson Died at Gagetown  
Sunday Morning.

(From Gagetown correspondent.)

Miss Jennie Nelson, assistant postmaster at Gagetown for 16 years, died Sunday morning at the home of her sister, Mrs. Helen Gage, in that village, at the age of 63 years.

Miss Nelson was born in Napanee, Canada, in 1852. She came to Michigan at the age of 17 years when this part of the state was a wilderness. Miss Nelson was well educated and taught school in the county for a number of years and was very successful in that profession. Later she assisted in the Gifford store at Gagetown and soon after took up the post office work and was assistant postmaster for 16 years in which position she served most faithfully. Because of ill health, she was forced to give up the position last August. In September she went to Flint where she underwent an operation but came back home in a short time very much worse and from that time on she has been failing.

The funeral took place on Wednesday at two o'clock at Mrs. Gage's home where a host of friends came to pay their last respects, as Miss Nelson was so very widely known. The numerous flowers which were given showed the high esteem in which she was held. Rev. Gallagher officiated and the remains were laid to rest in Hillside cemetery. She leaves to mourn her loss three sisters, Mrs. H. Gage, Mrs. H. Gifford and Mrs. M. Miles, of East Jordan, who is very ill at this writing; also nieces, nephews and many friends.

## AUTUMN WEDDING

Walter Milligan and Miss Elsie Krapf  
Married Thanksgiving Day.

No autumnal day could have been more delightful for wedding festivities than was Thanksgiving day of this year and the pleasant farm home of Mr. and Mrs. John Krapf was the scene of a very impressive and beautiful marriage ceremony that united their youngest daughter, Miss Elsie, and Walter Milligan on Thursday at high noon. To the strains of Mendelssohn's Wedding March, played by Mrs. A. J. Knapp, the bridal party took their places in the parlor beneath an artistic arch of smilax and baby chrysanthemums. The impressive wedding service was pronounced by Rev. G. A. Fee of Detroit, former pastor here and intimate friend of the Krapf family; the ring service was used. Miss Cecil Krapf, sister of the bride, was maid of honor and Fred Milligan, brother of the groom, assisted as best man. The bride wore a beautiful gown of white charmeuse daintily trimmed with pink satin rosebuds to form a bodice and double skirt, while the bridesmaid was charmingly gowned in a fine lace dress over yellow satin.

Immediately after the ceremony an elaborate dinner was served to the fifty guests at tables, in the dining rooms, arranged very tastefully. An interesting feature of the bridal table was the huge wedding cake which occupied the center of the table; the ornament used to decorate the top of this cake was also used on the wedding cake of Mr. and Mrs. Robert Milligan, brother and sister-in-law of the groom, when they were married five years ago in Scotland. Tiny pink baskets were favors of the bride to the guests.

Mr. and Mrs. Milligan are spending a week in Detroit and Sterling. They will make their home with Mr. and Mrs. Krapf for the winter and in the spring they will move to their own farm home just recently purchased from Joseph Martus. Mr. and Mrs. Milligan are popular young people of high repute and the beautiful gifts they received are tokens of the esteem which their friends have for them.

The guests from out of town in attendance at the wedding were Miss Dora Krapf of Detroit, Miss Cecil Krapf of Davison, Miss Lura DeWitt of Ann Arbor and Miss Adah Caldwell of Bay City.

A shaving set, traveling case, safety razor, collar box, leather purse or case, pipe makes a good gift. See Treadgold's line for good assortment.

## PASSING OF THE EARLY PIONEERS

EUGENE M. PATCH, FIRST POSTMASTER AT NOVESTA  
DIED NOV. 25.

Grant Township Loses Early Settler  
in the Death of Mrs. James  
Young on Nov. 29.

#### Mrs. James Young.

Grant township loses one of her early pioneers in the death of Mrs. James Young which occurred at the home of her daughter, Mrs. H. F. Martin, at Beaufort Monday evening. She was 90 years of age.

Eliza Moore was born in Colburn county, Ontario, and at the age of 19 was united in marriage with James Young. The union was blessed with ten children. Mr. and Mrs. Young moved from Ontario to Michigan, settling in Grant township 32 years ago when the pioneer settlers were making their first efforts in clearing great tracts of forests and converting them into the well cultivated farms which now greet the traveller in that portion of the Thumb. Mr. Young died 21 years ago.

Mrs. Young early in life became very devoted to the advancement of the church and she was one of the charter members of both the M. E. church at Beaufort and the ladies' aid society of that charge. In the many years in which she labored in both these societies, she was an enthusiastic worker. Mrs. Young was for nine years a resident of Seattle, Wash., returning to Beaufort from that city last January. She enjoyed good health in spite of her advanced years and was ill but a few days. On Thanksgiving morning she suffered a paralytic stroke and passed to her reward Monday.

Funeral services were held at the Beaufort church Thursday morning. Deceased is survived by three daughters, Mrs. A. Wilson of Owendale and Mrs. D. McDonald and Mrs. H. F. Martin, both of Owendale, and five sons, A. A. Young of Ocean Grove, Cal., Geo. Young of Rathdrum, Idaho, and J. W. W. J. and Milton Young, all of Seattle, Wash.

#### Eugene M. Patch.

Eugene M. Patch, first postmaster at Novesta Corners, died at the home of his daughter, Mrs. Chas. Severance, in Evergreen township, on Thanksgiving Day, following an illness with Bright's disease. He was 65 years old.

Eugene Merritt Patch was born in Detroit Dec. 18, 1849. He married Miss Anna Schug and to this union two children were born, Louis Patch now a resident of California and Mrs. Chas. Severance of Evergreen township. Mrs. Patch preceded her husband in death.

Mr. Patch came to Novesta township in the early days and in the spring of 1880 purchased a hewed log house erected two years previous at Novesta Corners by Nehemiah Hoag and used as a trading center. In company with other members of his family, Mr. Patch opened up a store of considerable size for a back wood's corner and the same year Mr. Patch was appointed postmaster and the name Novesta given to the office. Until this time the settlers' mail had come by the way of Marlette to Lamotte, when the people took turns in bringing it in to the home of Geo. Boughton, which was made a general delivery point for the settlers.

The funeral of Mr. Patch was held at the McHugh M. E. church Saturday, Nov. 27. Rev. Diben, the pastor, officiating. The remains were taken to Birmingham, Mich., for burial. Besides the two children, Mr. Patch is survived by two brothers, Arthur of Pontiac and William of Novesta township.

#### LYCEUM ORGANIZED.

Recognizing the need of the high school for a live social organization a meeting was called Tuesday evening for the purpose of pledging members for a Lyceum. About 42 responded, in addition to the teachers. Mr. Leavens explained the purpose of the organization and some of the rules which will govern it and then asked for signers of a pledge to do the things required to make the Lyceum a success. Twenty have already signed and any pupil or teacher is cordially invited to join. The teachers served chocolates and sandwiches and the meeting was generally a foretaste of good times to come.

## CARO LOSES THE THANKSGIVING GAME

EASILY DEFEATED BY CASS  
CITY HIGH SCHOOL BY  
64-0 SCORE.

Locals Defeated Twice in Season  
Scores Totalled 350 Against  
Opponents' 46.

The Cass City high school completed a most successful season in football Thanksgiving Day, when it played Caro on the home grounds. The Caro team who this time had all their men in the game went down to defeat with a score of 64 to 0. Not once during the entire game was the Cass City goal in danger and at all times the locals had their opponents at their mercy.

During the entire season, though the team has been defeated twice, none of these were bad and the scores rolled up by Cass City totalled 350 points as against the opponents' 46.

Early in the season the locals took an interest in things and had it not been for stage fright, would have taken the surprised Saginaw team into camp. As it was, they were considerably scared.

The scores for the season follow:  
Cass City 27, Caro 0.  
Cass City 64, Caro 0.  
Cass City 52, Bad Axe 0.  
Cass City 66, Bad Axe 0.  
Cass City 0, Marlette 6.  
Cass City 0, Marlette 27.  
Cass City 13, Saginaw 18.  
Cass City 32, Sandusky 0.  
Cass City 72, Pigeon 0.

The basket ball season begins at once and the first game is to be played to-day (Friday) between the town team and the high school. The admission will be ten cents and the object of the game is to draw the athletic association out of the hole into which foot ball always puts them.

In foot ball the only men lost are Captain and Everett Higgins, and although they are a big loss, the prospects for the best team ever for the next fall are exceedingly bright and arrangements are being made for games with Saginaw, Bay City and others in the class of Cass City.

## COMPLETE EXHIBITION TRIP

Wm. Hurley and Jacob Anthes Back  
from Waco, Texas, Saturday.

Jacob Anthes and Wm. Hurley returned Saturday from their trip to southern states where they were in charge of H. T. Crandell's exhibition swine and sheep at several state fairs. The animals were shown at Columbus, Ohio, Indianapolis, Ind., Topeka and Hutchinson, Kan., St. Louis and Sadalia, Mo., and Dallas and Waco, Texas. Among the prizes won were 66 champions and grand champions, over 200 first prizes, 140 seconds, 47 thirds, 10 fourths, and 5 fifths. The cash proceeds from prizes were \$3,100.

The trip was disappointing in that the foot and mouth disease epidemic in Michigan barred Mr. Crandell from showing his stock at a few of the larger exhibitions as was originally planned. This enabled him to take in some smaller fairs after he was on the road, and altogether the venture was successful especially from an advertising standpoint. The animals came in competition with "world's fair herds" at some of the western shows and Mr. Crandell's success at these places would lead him to believe that his showing at San Francisco, had he been allowed to exhibit there, would have been very flattering. In his flock, one Cotswold lamb, two Lincoln lambs and two ewes were never beaten and others were unsuccessful in winning first position but once.

The white pig and the long wool sheep were new in the south and the exhibitors were often amused when they had to explain to fair visitors what they were. Messrs. Hurley and Anthes travelled 4,500 miles in the trip and enjoyed the new scenes and surroundings immensely. They brought home with them 18 of the exhibition swine. The remainder of the two carloads of exhibition stock was sold.

## TWO VISITING NURSES FOR TUSCOLA COUNTY

ANTI-T. B. C. SOCIETY FORMED  
IN COUNTY TO SELL  
CHRISTMAS SEALS.

Mrs. J. D. Brooker, Second Vice Pres.,  
Represents County Society  
at Cass City.

### Red Cross Christmas Seals Save Lives.

Every seal you buy is a bullet in the fight against tuberculosis. It helps protect your country, your neighbor, your family and yourself from the disease and its cost.

Tuberculosis is our most destructive disease. One person out of every four in America who die between the ages of 15 and 50 die from tuberculosis. It is a great cause of poverty.

But it is preventable and conquerable. This war, man against disease, is a winning war—not a wasting war, man against man. It is The War That Pays—It Brings Prosperity.

Will you not enlist in this campaign by purchasing Christmas Seals?

A county organization has been formed to promote the sale of Red Cross Christmas Seals and from the proceeds of these sales two visiting nurses will be employed to visit all schools in the county and instruct the children how to avoid contracting tuberculosis, and if contracted, how to cure themselves.

The officers of the Tuscola Co. organization are Mrs. L. M. Ryan, Caro, president; Mrs. C. E. Mudge, Caro, 1st vice president; Mrs. J. D. Brooker, Cass City, 2nd vice president; Mrs. D. McLachlin, Vassar, 3rd vice president; Mrs. W. S. Wixson, Caro, secretary; Mrs. F. E. Schall, Caro, treasurer. Executive committee—Dr. F. P. Bender, Miss Gilbert, Mrs. C. E. Hawley.

The county work will be under the supervision of the State Society having headquarters in Ann Arbor, and as every dollar invested in stamps will be expended for the direct benefit of the people in Tuscola county, it is expected that every person who may be directly or even remotely interested in the great work of stamping out the dread disease, will purchase as freely as his circumstances permit. If all who give Christmas gifts within the county would place one Christmas stamp on each gift, the recipient would recognize the giver as one willing to help his fellow man and hold the giver in just a little higher regard than ever before.

One penny added to each Christmas gift or card of greeting! None of us give so great a number of presents as to seriously feel the addition of a penny to each.

It is the hope of the members of the society, and of those who have been kind enough to undertake the sale of stamps, that everybody will take kindly to the idea, decide to help the good work by purchasing a quantity of the stamps, and do so as promptly and generously as possible, making the work of the solicitors light.

Red Cross Christmas Seals will be placed on sale in Cass City at the stores of L. I. Wood & Co., A. H. Higgins, B. L. Middleton, Treadgold's Drug Store, T. L. Tibbals, Heller & Son, and the Chronicle, and at the school the sale will be handled by Supt. Leavens. Extra seals will be supplied by Mrs. Brooker, who represents the county organization at Cass City.

Treadgold's line of French Ivory, Combs, Mirrors, Brushes and Manicure articles are the best ever shown in town. See them first.

## He Could Hardly

Wear His Clothes

Alvis Sowers, Ade, Ind., endured terrible pains in his back and through his kidneys for eight years before he finally used Foley Kidney Pills. He says: "I would boast up at times so that I could hardly wear my clothes. Secretions were scant and very red. Foley Kidney Pills were recommended to me, and the first box removed the pain and after taking only three boxes the bloating was all gone and has never bothered me since."

Just about everybody who has used Foley Kidney Pills is anxious to recommend them. From every state in the Union come letters praising Foley Kidney Pills, because they so tone up and strengthen the kidneys that by their vigorous, healthy action all the ill results of sore, weak, ailing kidneys and irregular bladder action are lost in a return of health and vigor. Swollen, aching joints and rheumatic pains quickly yield to their healing, curative qualities.

## Have you a "little furnace" in your stove?

YES!—if it's an Estate Hot Storm. Otherwise—no! For the wonderful little furnace is an exclusive and patented feature of the Estate Hot Storm's construction.

While the stove is working overtime, radiating its heat upward, and downward, and every which way, the little furnace inside is shooting an enormous volume of pure hot air into the room.

Hardly seems possible for a stove to do so much work as the

does—and to do it so nicely, without any smoke or gas getting into the room, without any puffing or exploding, without requiring any attention whatever except to put in some coal every day or two.

Make up your mind to "Own an Estate" this season, and make it an Estate Hot Storm—"the stove with a little furnace in it."

The Art Club met with Mrs. Agnes Yakes on Thursday afternoon. The ladies brought their sewing as usual and spent the few hours very pleasantly. A most bountiful supper was served. The Club presented Mrs. John Fanning with a silver cheese knife engraved, "Art Club, 1915", to remind her of her Club friends when away from Cass City.

The funeral of Mrs. C. H. Travis was held at the Baptist church Friday morning and was attended by many friends of the family. Among those from a distance in attendance were Henry and John Gordon, brothers, Mr. and Mrs. John Hyle, the latter a sister, and Mrs. Robt. Gordon, a sister-in-law, all of Detroit, and Mrs. Archie McKeichan of Argyle, a sister of the deceased.

The Ladies' Aid Society of the Baptist church were entertained at the home of Mrs. Frank Hall Tuesday, in honor of Mrs. John Fanning. The ladies met at four o'clock and Mrs. Fanning was invited to come at five o'clock, when she was greeted by the entire company at the door. Needle work occupied some of the time and after a pot luck supper, each lady contributed one event towards a most delightful evening's entertainment. The society presented Mrs. Fanning with a gravy ladle and cream spoon.

The young ladies Bible class of the Baptist Sunday school surprised Mrs. John Fanning on Friday afternoon. Mrs. Fanning formerly taught this class and the young ladies wished to give her cause to remember them in her new home. The guests had prepared for supper and after this was served they spent a very pleasant evening. Mrs. Fanning was presented with a printing.

Dr. F. L. Morris should be easy prey to a salesman of county maps. Saturday he drove to Wilmet to meet Mrs. Morris and the children who came by rail from Bay City. After driving his machine on the return trip for 16 miles, he thought he should be near his home town and stopped at a farm house to enquire his whereabouts. He learned he was within four miles of Caro. He reached Cass City after a drive of 32 miles.

The household goods of Mr. and Mrs. John Fanning have been moved to Holly and the family expect to go next week. Mr. Fanning, who is traveling salesman for the Perry Manufacturing Co., which has headquarters at Holly, is moving there that he may spend each week end with his family instead of a few days once a month as was the case when the family lived here.

### SCOUT NOTES.

By Scout Scribe.

The Thanksgiving game was a good one proving that what our team lacked previously was experience. We secured a 36-8 victory over the Owendale bunch, the game with Gagetown having been postponed.

The hike was a thorough success excepting the fact we came home at 2:00 p. m. rather than 4:00 on account of threatening weather. Fifteen of us started from corner of Seeger and Main street at 9:00 a. m. Going east about a mile we turned south until we came to fording place on the river. Here Mr. Hamblin had thought to cross, but the depth of the water caused a change of course and he directed us to follow the river to Pinney's resort. The hike, as originally planned, would have been about 14 miles round trip and somewhat west of there, but on account of river windings we covered nearly 16 miles in all. One boy, Frederick Pinney, although too young for Scout membership, availed himself of privilege extended to all boys in community in going with us and proved himself to be sound fiber for future membership. The route abounded in more natural

features of interest than any previous one. We noted rock strata, meandering streams, oxbows, waterfalls, talus slopes, etc., in miniature. The waterfalls deserve further mention as they are perfect examples of their larger kindred. Eber Gale snapped one and also the noon camp fires which abounded in the usual good humor and appetite but less mistakes than usual. "Larry" McConnell passed the fire making, cooking, woodcraft and scout pace while besides these James Brooker passed the test on boxing the compass for Second Class honors. Besides practice in signalling for periods of half an hour apiece bunches used a boat, kindly loaned by one of the riverside residents, until 2:00 p. m. It then began to rain and we hurriedly and regretfully packed our kits for the return, all wishing for another as soon as possible.

Alvin Ward took the Scout oath in the presence of 24 members of the Troop Monday night. The dues are rapidly coming in and our registration lacks but two names for a full paid in Troop. Paper was transferred to the Basket Ball organization for disposal. Our records are at last being straightened out in the blanks printed for that purpose over one year ago. This saves the Secretary much hard work.

Mr. Caldwell has stated that we may have the show in the near future so watch for further announcements.

Visitors are frequently seen at meetings nowadays and the prospects for new members seem bright.

All the various tests are being striven for more eagerly than for some time past. We can truly be thankful to the great Scout pattern, Jesus Christ, who has made possible this spirit.

Parents and Scouts are requested to consider carefully two things which affect our local troop. First: The Chief Scout Librarian prevailed upon the American Library Association and American Booksellers' Association to set aside the week of Nov. 28—Dec. 4 as Safety First Boys' Book Week. Much harm has been done by the sale of books in which boys are said to be impossible feats and without preparation by hard previous training. As our local book stores and the Woman's Study Club Library carry the class of books approved by Headquarters, there is no reason why both Scouts and non-Scouts should not have the reading that invigorates rather than nickel thrillers.

### DECEMBER.

December is that month of the year when some invisible agency gets busy and fills our erstwhile dwarfed spirits with a feeling of friendliness and good cheer. We write letters to

relatives and friends whom we have not thought of since last December; incorrigible children become cherubims and seraphims; catty wives become kittens—and dad, as usual, remains the goat.

December means giving for everyone living, when all of us try without too much deceit to make shopping rambles not wholly mere gambles, yet keeping in mind our expected receipts. A dollar for brother, two more for dear mother—My gracious! that's three I have already spent. But still, Auntie Mable, who's certainly able, will surely remember me to that extent. And now—Mr. Blicken: I reckon a stick pin will answer and still not cost any great sum. Then too, if he's meaning to keep me a dreaming it's time he was using a part of his mon. It really is trying, this annual gift buying, for you will agree as I firmly believe, that while it's a pleasure to give, in a measure it's fully as pleasurable, too, to receive.

Speaking of receipts reminds us that we have quite a number of them on hand that should be distributed among our readers before January 1st. These cost but \$1.00 postpaid to anyone, anywhere in the good old U. S. A. While small in size, they have proved wonderfully valuable to every family that owns one. They are guaranteed for an entire year and bring more enjoyment into your home than anything you can buy for a similar sum. Order yours immediately.

### CHURCH NOTES.

#### Shabbona M. E. Church—

On Wednesday evening, Nov. 17, we served a chicken pie supper at the parsonage in connection with the church. The supper was well patronized by the town people and the people from the outlying districts. After a most enjoyable supper we repaired to the

church to listen to a lecture on "The City of the Saints" by a former pastor, Rev. Wilmot L. Moore. Mr. Moore gave a very unbiased and interesting account of the rise and growth of Mormonism, and a very vivid description of the magnificent buildings in their beautiful city on Salt Lake. The proceeds were about \$28.00, after deducting expenses. We are very grateful to the ladies who by their gifts of provisions, and their untiring efforts helped to make the affair such a success.

J. Dibden, Pastor.

#### M. E. Church—

W. A. Gregory, Pastor.

### LET THE ADS. HELP YOU SELECT YOUR PRESENTS

Thanksgiving has come and gone again—and now for Christmas!

You realize what this means, of course: That you will have to keep both your eyes and ears open every day, now to pick up possible suggestions for gifts. One often hears in

ordinary conversation a word or two that suggests something ideal for a present, but much more often are such suggestions found in reading—especially the advertisements. The advertising columns of The Chronicle from now until December 25th will contain scores of such suggestions. To neglect reading them every week may mean to overlook the very thing that will not come to your mind otherwise.

### HOSPITAL NOTES.

Harold Murphy, son of Thomas Murphy underwent an operation at the hospital Sunday.

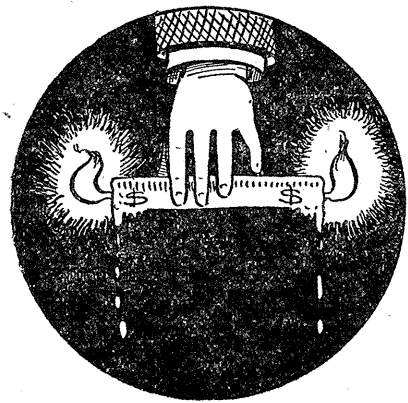

Mrs. John McKichan of Shabbona was brought to the hospital Thursday and will undergo an operation today (Friday).

### Burning the Candle at Both Ends

means extravagance. People who burn the candle at both ends always end the same way. If you are one of them, stop it by opening a savings account with us and deposit a little from your income regularly. No matter how small your income may be, save something from it and you will thank us later on for suggesting it to you. We have started a lot of people in the right direction. Let us start you now.

The Harbor Beach Times has solved the boy-stay-on-the-farm question. It says all you have to do is give the boy when he is 22 years old, a farm valued at \$3,500 as Richard Pleaster did to his son, Charles. Now farmers you have the cure.

Says a rural carrier: "It is nearly time to call the attention of the public to the practice of putting pennies in the mail boxes. And jog 'em up on putting the sender's name and address on parcels post packages as the law requires. Lots of them forget it."

Guy Landon, carrier on Route No. 5, was presented with three chickens by as many appreciative patrons on his route for his Thanksgiving dinner. None of the other four carriers were as fortunate for Thanksgiving, but there's Christmas coming and who knows but what there's a big surprise waiting for all five of Uncle Sam's representatives on that day of rest for many, but a strenuous one for the mail man.

"Pay up Week" bids fair to become an established annual observance on the part of many Michigan towns that have given the experiment a trial this fall. The plan is to devote a week to the settlement of book accounts. It is not directed to farmers alone but to all classes, and it is found to serve admirably not only as a means of "clearing the slate" for a new beginning but the adjustments of possible misunderstandings are made and friendships and business relations are retained that are often everlastingly severed through negligences chargeable alike to debtors and creditors.

## A GOLD WATCH FOR XMAS

What is more appropriate for a Christmas present than a gold watch and chain? Every person needs a reliable time piece—only a few can get along without them. The world moves by them.

Our display of watches for both sexes is complete and embraces all makes and prices. We sell them on guarantees from \$1.00 to \$25.00.

Watches are but a single item of our appropriate articles for Christmas. Look over the list to the left, where some of the most popular ones are noted. There are many others, and all at popular prices.

May your Christmas be a merry one, and the coming year a prosperous and happy one.
