OAKLAND DEPUTY SHOT BY PRISONER, DYING

The following account of the shooting of Albert Anderson, a former Sanilac county citizen and known to several Cass City people, is taken from Monday's Detroit Journal:

"Albert Anderson, 50, Oakland county deputy sheriff is dying in Harper hospital as the result of a shooting affray at the nine-mile road and Woodward avenue Saturday night. "Anderson and Charles Taylor, former deputy sheriff, were searching the vicinity for a prowler, when a man leaped from a dark spot and attacked Anderson. The latter subdued him and ordered Taylor to get his automobile while he held the prowler. As Taylor left, the unidentified man knocked Anderson to the ground, took a revolver from the deputy's pocket and shot him through the stomach. He then fled.

"Anderson is married and has eight children. Sheriff O. H. P. Green of Oakland county is in Detroit investigating a number of clues. The shooting took place only a few blocks away from the scene of the recent Hope Irene Alexander murder."

BROKE TWO NOSES.

Wm. Hosp. Caro's aviator, fell about 1,000 feet while making a flight in the aeroplane of the Great Lakes Aviation Co. Friday. He was fortunate in escaping with no more serious injury than a broken nose. The plane landed near Caro on its nose which not only damaged that member but shattered the entire framework of the machine. The motor, it is said, is still in good condition.

The aviator was caught in a current of air known to the profession as a "tail twister." This started the plane on its downward course.

Town Topics

Date Changed—
Gagetown's picnic and home-coming has been postponed to Tuesday, Sept. 4.

Early Buyers—
P. A. Schenck, Lester Bailey and James Profit were the earliest purchasers of tickets for the Greatest Cass City Fair which is held next week. These gentlemen bought a sufficient number last April to admit all the members of their families.

Back After 34 Years—
Alonzo H. Culvert of Bay City and Dr. C. M. Culvert of Chesaning motored to Cass City Monday to look over the scenes of their early manhood in and near Cass City and Gagetown. They formerly resided on the Crandell farm, one mile north of town, but left here 34 years ago and this is their first visit at Cass City since leaving in 1883. Naturally they noticed the most remarkable changes in both town and country. A. H. Culvert assisted in the big log drives down the north branch of the Cass river in those early days.

Beans, Beans, Beans—

Mr. and Mrs. Paul Cooper of Hammond, Illinois, were guests Saturday and Sunday of Mr. and Mrs. Hugh Cooper. Paul Cooper was a resident of Cass City in his boyhood days and is now farming on an extensive scale in both northern and southern Illinois. He and a partner have leased a large tract of land in the southern part of the state and have gone extensively into beans, securing their seed from Cass City dealers. Mr. Cooper's bean crop on his own farm at Hammond together with his share in the leased land will total approximately 200 acres. Beans are more or less an experiment with the Illinois farmers and very few are grown in that state. Mr. Cooper has planted small patches the last two years and was well satisfied with results. He reports both his bean and corn crops in excellent condition this season.

SHERIDAN FARMER SHOOTS HIMSELF

WORRY AND ILLNESS LED TO THE DEATH OF AMBY POWELL, JR.

Body Was Discovered in Stable by
His Brother-in-law Late Tues-
day Afternoon.

Overwork and illness are given as the causes which led Amby Powell, jr., to take his life by shooting himself Tuesday afternoon while visiting at the home of his wife's parents, Mr. and Mrs. Albert Vogel, of Greenleaf township.

That Mr. Powell's mind was failing was noticed over a month ago. He worried quite a bit over the war even though he was not subject to draft as he had lost a hand several years ago and was too old for the registration. He read a great deal of war news, however, and the horrors of the conflict seemed to prey upon his mind.

About a month ago, after selling their farm in Sheridan township, Mr. and Mrs. Powell left for Oscoda where they visited the former's sister, Mrs. Jennie Shoemaker. Mr. Powell appeared as happy as a lark the first two weeks but later became melancholy and insisted on returning to Greenleaf township. They came Monday night. Tuesday morning, Mr. Powell seemed in good spirits and directly after the noon hour he assisted Mr. Vogel with some work on machines near the barn. Later he inquired for his wife who had gone to visit her sister at a near-by farm and seemed very anxious for her return. He passed the house and those in the dwelling supposed he had left to see the men in the field. Instead of that, he went to the horse stable where he found an old shotgun which was used by one of the boys on the farm to shoot squirrels. The bullet lodged just above the heart. No one at the house heard the shot, but when Chas. Vogel drove home the team after the day's work in the field, the body was discovered by him in a horse stall in the stable.

Funeral services will be held at the Vogel home this (Friday) afternoon, Rev. Willerton officiating and burial will be in Elkland cemetery.

Amby Powell was born 40 years ago near Fargo, Mich. He spent his boyhood days at that place and in Watertown township, Sanilac county. Later the family moved to Greenleaf township. Mr. Powell was united in marriage with Miss Susan Vogel on Dec. 24, 1914. He was an industrious young man well spoken of by his many acquaintances and the entire community extends sincere sympathy to the family so greatly bereaved. Besides his wife and parents, Mr. and Mrs. Amby Powell, sr., he leaves three brothers, William of Greenleaf, Roy of Sheridan and Daniel of Niagara Falls, N. Y., and three sisters, Mrs. Jennie Shoemaker of Oscoda, Mrs. Fred Dew of Greenleaf and Mrs. Bert Reid of Sandusky.

RED CROSS SOCIETY NOTES.

Every woman interested in the Red Cross work is urgently requested to enter one article for a premium at the fair and afterwards to donate the amount of her premium to the local sewing society. The committee has taken this way to raise more funds and hopes that it will meet with hearty co-operation from every one.

Don't forget to come to the Red Cross tea at Coote's Hardware Saturday, August 18.

T. W. Atwood, chairman of Tuscola Co. Chapter of American Red Cross, makes this announcement: "An interesting exhibit will be made at the Caro Fair of the various articles that are being made by the ladies of the county to aid and relieve the sick and wounded soldiers engaged in war. Everybody come and see what the patriotic and sympathetic ladies of our county are doing to help save the lives of our soldier boys."

STATE FAIR TICKETS.

The Chronicle has a supply of state fair tickets which may be purchased for a limited time at 35 cents each, or three for \$1.00. The regular admission price is 50 cents so those who intend to visit the Fair at Detroit may save money by buying from the Chronicle now.

REJECTED MEN RE- CALLED FOR EXAMS

NEW RULINGS MAKE LARGER MARGIN FOR VARIATIONS IN PHYSIQUE.

One Hundred Six Men in Tuscola
Filed No Exemptions and Are
Called into Service.

Because of a new ruling which reached the Tuscola county draft board after holding their examinations last week, the 167 men who were found physically disqualified will be re-called for another examination. The new ruling allows a larger margin of variation in the examination of the eye, ear, teeth, height and weight and it is probable that some rejected last week will pass the examination held next week. In addition to these 167, 200 more men from the Tuscola county register will be summoned to appear before the board for examination next week, probably Tuesday and Wednesday.

The board calls attention to the fact that the compiled rulings of the provost marshal general No. 7 say that "the selective-service law exempts no person from military service on the ground of dependency. It only authorizes the president to exclude or discharge from draft those in a status with respect to persons dependent upon them for support which renders their exclusion or discharge advisable." The controlling necessity is to raise an army.

Such persons having certain religious beliefs will be forwarded to a mobilization camp and will make up a part of the quota from the state and local area from where they came. They will be assigned to duty in a capacity declared by the president to be non-combatant. Persons who enlist must do so before being notified by the board to appear for examination or else they cannot be excused by the board.

No exemption cases have been passed on as yet by the local board.

The persons named in the following list passed the physical examination last week and filed no claims for exemption from service and the local board for Tuscola county has certified the list to the District Board No. 4, Michigan, as "persons called into the service of the United States not exempted or discharged."

MIRROR OF THE OLD TIMES IN CASS CITY

News Items Taken from the Cass
City Enterprise of Twenty-five
Years Ago.

Friday, August 19, 1892.

John Benkelman is the juror from Elkland for the September term of circuit court.

Elliott Medcalf returned last Thursday from Unionville where he has been operating his feather renovator for a few weeks past.

The Catholic society at Gagetown will hold their ninth annual harvest festival on Thursday, Sept. 1.

Dr. McLegg was called to attend the eight-year-old adopted son of Angus Leach of Novesta Monday night who had been run over by a wagon. One of the wheels passed over his abdomen, hurting him internally. His recovery is doubtful.

Mrs. James Greenleaf of Cumber had the misfortune to fall from a tree some weeks ago while gathering cherries, which caused internal injuries of a serious nature. She is slowly recovering.

Andrew Covier of Unionville and his daughter, Kate, a girl of 19, were struck by an accommodation train from Vassar on the Michigan Central at Center Ave. crossing, Bay City. The vehicle and occupants were thrown 75 feet, the man landing in the wagon, while the girl struck the sidewalk with terrible force. Both her hips were broken and lower limbs fractured in several places. The man had several ribs broken and was badly bruised.

Married at the home of the bride's parents in Cass City, by Rev. A. Willets, Miss Kittie Briggs and Prof. S. Edward Lynd on Wednesday, Aug. 10.

A "noble red man" and his son struck town Monday, having come here from Lapeer county for the purpose of having their "fortunes told." They stated that they had been informed that a fortune teller resided in Cass City, and being very anxious about the future, had come many miles to see him. They were directed to many different persons in town, who all, with the exception of Attorney Brooker, acknowledged their inability to peer into the future for them with any degree of accuracy. But Mr. Brooker was equal to the emergency and went at it in true gypsy style, giving them a most promising future. This fortune teller (?) was asked to give some of their past history, but he hastened to impress upon their minds the fact that he had not yet acquired the art of looking into the past. However, they seemed well satisfied, and after buying the cigars, started for the depot smiling as loud as the hats they wore.

HIGHLY ENTHUSED WITH FAIR'S PROGRESS

ADVANCE AGENT PREDICTS A RECORD BREAKING AT- TENDANCE.

Twelve-Car Robertson & Jennings
Shows Arrange for Space on
Midway Next Week.

Newman A. Goldstein, advance manager of the Robertson & Jennings Shows, arrived in Cass City Wednesday morning and closed contracts with S. Champion, secretary of the Greatest Cass City Fair to bring this aggregation of shows here during the fair. The Robertson & Jennings Shows need no introduction to Michiganders as their continuous success throughout the state has won them a well deserved popularity.

Mr. Goldstein and Secretary Champion drove out to the grounds and after an inspection of same were satisfied there was sufficient space to show these attractions. Beside 50 concessions, the Robertson & Jennings Shows carry three large side shows, steam calliope, numerous riding devices and carry 12 cars to handle their equipment.

Mr. Goldstein was highly enthused with the progress the fair officials are making and was quoted as saying that for a town of this size the Cass City Fair program will be one of the most elaborate affairs staged in this part of the country, and predicts a wonderful success, and a record breaking attendance.

Before leaving the city Mr. Goldstein highly complimented Secretary Champion for the progress made through his efforts and was of the opinion the Cass City Fair will long be remembered as having a man behind it with plenty of determination to leave no stone unturned to giving the people a real celebration. He also mentioned the fact that Cass City was well advertised as he had seen several billboards in Detroit with Cass City posters conspicuously displayed.

THE POPULAR WHITNEYS.

The ever popular Whitney Stock Co. will pay their annual visit to Cass City next week opening under their mammoth new tent on Monday, Aug. 20. This season the company plays under the auspices of the Cass City Fair Association, a percentage of the receipts going to the Association, this being the big evening attraction of the fair.

This company is too well known here for further comment, but this season the management has secured a line of plays that are unbeatable, and embracing many well known one night stand successes. Among this number are the big American story "Peggy O'Moore"; Virginia Brooks' great while slave play, "The Little Lost Sister"; Jas. Kyle McCurdy's melodramatic sensation, "The Yankee Doodle Detective"; the stirring drama, "What a Woman Will Do"; the quaint semi-western drama, "The Girl Who Lost" and others of equal merit.

The plays will be presented in the inimitable Whitney manner in regard to staging and costuming and a new line of up-to-date vaudeville will be presented between the acts making a continuous show and the regular prices will prevail during the entire engagement. Miss Whitney retains most of her old company intact, and the big tent will be erected on Main St. next to the Farmer's Elevator. The opening play will be the big Irish American story, "Peggy O'Moore", and ladies will be admitted free on Monday night, when accompanied by one paid twenty-five cent ticket.—Adv.

Patriotic Day at the Caro Fair

Wednesday, August 29

A PATRIOTIC DAY PROCLAMATION.

BY THE GOVERNOR.

Our beloved country is at war. Some of our soldiers have already crossed the ocean, carrying with them our hopes, our prayers, our hearts and our flag. Others are going today. Many more are preparing to go. They will fight for us who cannot go. They will uphold on the battlefields of Europe those principles of liberty and justice and equality upon which this Nation was founded.

We, who remain at home, must not forget what we owe to those who go forth to do battle for our cause. It is a righteous cause. It is a cause of human rights and human freedom. Let us be true to our brave defenders and to ourselves.

In view of the supreme sacrifice which our soldier-boys are ready to make let us resolve that no sacrifice of money or time or effort will be too great for us to make, that they may have proper equipment in the day of battle, and proper care and attention when lying sick or wounded.

As one means of arousing our people to the needs of the situation, it has been decided to ask the Boards of Management of all the fairs which are held throughout the state to set apart one day of their meeting as Patriotic Day, and to arrange programs of music and speaking and other exercises, which shall be in keeping with the purpose of such a day.

Therefore, I, Albert E. Sleeper, Governor of the State of Michigan, do hereby earnestly request the Board of Directors of each Michigan Fair to designate some one day as Patriotic Day, and to arrange such a program as is indicated above.

ALBERT E. SLEEPER, Governor.

Lansing, Michigan, August 1, 1917.

In accordance with the Proclamation of the Governor of the State, the management of the Caro Fair have designated Wednesday, August 29, as PATRIOTIC DAY.

It is hoped and expected that the 251 young men of our county, who will have been accepted for service and called to the colors, will be present. All the Old Soldiers, Grand Army Veterans of this and the neighboring counties are expected to be present. All Old Soldiers and the young men who will be called to the colors, will be given free admission to the Fair Grounds.

Governor Sleeper, Congressman Fordney, and that veteran of the Civil War, the Hon. Washington Gardner, will be present and deliver addresses. This splendid array of speakers promises a rare treat for all who may be present.

Governor Sleeper as the chief executive is conversant with the efforts of this great state of Michigan to do her part in upholding the honor of the United States. He is the "Man of the Hour" in Michigan today and all our people will want to hear him.

Congressman Fordney has been in Congress during the whole period of the "World War" and more particularly during the period of preparation of this country for war. His first hand knowledge of the events of Congress during this period will be of interest to all.

Washington Gardner needs no introduction to the people of Michigan. Many of us have been thrilled by his message of patriotism in the past. At time of the rebellion, he became a soldier in the ranks at the age of sixteen, made an enviable record in the service, later became a Congressman from his district, and withal is an orator of the first rank. No man could have been secured for this Patriotic Day, better qualified by experience and ability as an orator than this idol of the Grand Army men of Michigan. His message of unadulterated truth and patriotism will make this day memorable to all who may hear him.

One-third of the men accepted for service will leave Caro on September 5th, for a cantonment camp, the remainder will follow at intervals. This will be the only opportunity our people will have of seeing our soldier boys face to face in review before they leave for camp.

Let the people of the county honor our Soldier boys by their presence and extend best wishes and good cheer to the lads who will uphold the honor of our country.

The celebrated Graves Martial Band of Vassar, consisting of 25 pieces, will be present and add inspiration to the occasion.—Adv.

Many Guarantors—Speaking of the recent Chautauqua in Mayville, the Monitor says: "One other thing we wish to speak of and that is that last year we fairly had to beg men to sign up while this year we have had men ask for the privilege of putting their names on the list, and we wish to state that already we have more than enough signed to guarantee our Chautauqua for another year."

THUMB NOTES

Drain Office Busy—Drain Commissioner Joseph Smith says that seventy-two drain petition blanks have been asked for during the past six weeks in Huron county. He claims that it will require more than three years to complete the drains that have already been petitioned for and are being petitioned for. Nicholas Potts Dead—Nicholas Potts, pioneer merchant of Forestville, passed away August 6 at his late home in that village following an illness of about a year's duration. Children Practice Forgery—Two Harbor Beach girls, sisters, aged 13 and 15, have been finding it very easy to obtain money without earning it. Checks in amounts of \$25, \$35.75, \$35 and \$39 have been forged and cashed at the Harbor Beach banks. The girls were easily apprehended by the marshal and confessed their guilt. The money obtained by them was returned to the banks by the girls' parents. A 12-year-old boy in the same town has also been guilty of the same delinquency. Mixing Booze and Gas—Mr. and Mrs. Thos. Thompson of Elkton with four of their townspeople were returning from a ball game at Pt. Hope last Tuesday night in a Hudson Super Six car when they were run into by two young men said to be the worse for booze on the Harbor Beach road two miles east of Bad Axe. The evidence seems to be that Thompson turned to the right and well to the side of the road and that the driver of the other car—a Pateron Six—did not turn right until too late to miss Thompson's car. Mrs. Thompson was thrown through the wind shield, her front teeth were knocked out and her face badly cut. Others were hurt, but none seriously.

Don't Cough Until Weak

Foley's Honey and Tar HELPS COUGHS QUICKLY
FOLEY'S HONEY AND TAR takes right hold of an obstinate cough and gives quick relief.

It puts a healing coating on the inflamed membranes that line the throat and air passages. It stops the tickling, loosens and raises phlegm easily. It is just splendid for bronchial and influenza coughs, and tight, wheezy breathing.

Mrs. W. S. Bailey, Lancaster, Ky., coughed almost continuously day and night, until she took Foley's Honey and Tar. After taking half a bottle, her cough began to slow up, and seven bottles entirely cured her cough.

Grain Storage Buildings

require careful planning—whether for feeding or seed storage. They should be so constructed as to withstand great weight and lateral pressure. They should be tightly built and should be so built as to keep the grain always perfectly dry.

WHITE PINE

gives up its moisture so completely in seasoning that for walls and floors it is the safest wood to use. It does not harbor insects like many woods. And it lasts for generations without warping, twisting, splitting or rotting. Besides it is easily handled and easily worked. It is the most economical wood for outside surfaces even at a slightly higher first cost.

WHITE PINE buildings add permanent value to your farm.

Practical working plans, specifications and bill of material on the above illustrated combination Corn Crib and Granary—or any other farm building will be furnished free on request, together with our estimate of the cost.

Talk this problem over with us before doing any building. Let us show you how easy it is to build by plans.

BIG TRACTOR SHOW

Every variety of mechanical appliances found on the modern farm has a place in the huge exhibits of labor saving machines in the big Machinery Building. In the field adjoining there will be daily tractor demonstrations by the leading manufacturers in the country.
