WM. MORRIS WINS IN SHERIFF CONTEST

FARR IS VICTOR IN HOT CONTEST FOR PROSECUTOR IN SANILAC CO.

Newberry Nominated Senator by Republicans; Cramton Re-Nominated Congressman in 7th District.

With the result of the senatorial fight definitely determined in the nomination of Truman H. Newberry, as Republican and Henry Ford as Democratic candidates, interest in Tuesday's primaries Wednesday swung to the hot fight being waged for the democratic gubernatorial nomination.

Edward Frensdorf went into the lead in the contest for the Democratic nomination when additional returns began to come in Wednesday forenoon. Incomplete returns from 74 counties, and Kent county complete, gave: Frensdorf 6,293; Bailey 5,086. The Kent county returns gave Frensdorf a big boost, showing 1,848 votes cast for him.

Additional returns on the Republican senatorial contest, added two more counties to the number carried by Ford, but Newberry polled a heavy vote in Wayne county and was far in the lead.

In the congressional fight in the 7th district, Louis C. Cramton of Lapeer was nominated to succeed himself. He defeated Gilmore G. Scranton of Harbor Beach by about 2,500 votes.

Tuscola County.

The only contest on the Republican ticket was for the office of sheriff. Wm. Morris of Cass City won the nomination over four other candidates, claiming the victory by the largest vote ever given any candidate for sheriff in the primaries. Chas. O. Blinn was nominated to succeed himself as representative; Frank W. Bowles, clerk; Wm. C. Sanson, treasurer; Henry W. Beecher, register; John W. Quinn, prosecuting attorney; Jas. D. Brooker and Wm. J. Spears, circuit court commissioners; Geo. Hall, drain commissioner; Carroll W. Clark and Wm. J. Sugnet, coroners; Warren N. Leonard, surveyor.

Huron County.

On the Republican ticket, Robt. N. Wallace was nominated representative by a majority approximating 250, Donald McAuley sheriff by 150, Wm. Schwalm county clerk by 1,250, Fred Rapson treasurer by 300, and X. A. Boomhower prosecuting attorney by 500. W. E. Allen for register of deeds and Joseph Smith for drain commissioner were without opposition in the primaries.

Sanilac County.

On only two offices were there contests on the Republican ticket and there the race was a close one. F. A. Donaldson won the nomination for treasurer over James Curry by 31 votes. Fred Farr for prosecutor received 15 more votes than R. J. West. Merriman was nominated for representative. Herbert Stone sheriff, Sanford L. Utley clerk, Walter Allen register and Stuart B. Nicol drain commissioner.

IMPERATIVE CALL TO WOMEN OF AMERICA

To Assume Their Full Share of Responsibility in Winning This World War.

To the Young Women of America:

Across the sea, from France, with every closing day of the heroic struggle of our fighting men, there comes a more imperative call to the women of America to assume their full share of responsibility in winning this world war for the right of men, women, and nations to live their own lives and determine their own fortunes.

There exists now an extreme need for at least 25,000 women of character, intelligence, and education to fill the gaps in our hospital staffs caused by the calling of many thousands of skilled nurses to the fighting front.

There is only one way to fill these gaps: By keeping our hospital training schools supplied with students, who are not only preparing for service abroad and at home at the end of their course and at the same time are equipping themselves to earn their living in one of the noblest of professions, but from the very outset of their course are serving their country as well as learning.

The Surgeon General of the United States Army, the Surgeon General of the United States Public Health Service, the American Red Cross, the General Medical Board and the Woman's Committee of the Council of National Defense therefore unite in

A quiet wedding was solemnized at the home of Mr. and Mrs. Arthur Frost of Novesta township on Aug. 14, when their only daughter, Blanche Eva, was united in the holy bonds of matrimony with Elmer C. F. Chapman, only son of Mr. and Mrs. John Chapman of Evergreen township.

Rev. J. Willerton performed the ceremony at high noon after which a bounteous wedding dinner was served.

They were attended by Miss Edith Chapman, sister of the groom, and James E. Alchin of Bay City, cousin of the bride.

CASS CITY SIGNS UP FOR 1919 CHAUTAUQUA

Number of Guarantors Who Signed Booster Agreement Reached 79 Saturday Night.

Cass City will have another Coit-Alber Chautauqua in 1919.

This was decided at Saturday evening's session of the Chautauqua when the number of guarantors who signed the booster agreement reached 79. E. W. Jones was chosen president, F. A. Bigelow secretary and Edward Pinney treasurer for next year's campaign.

Whether or not the Chautauqua will be held in connection with the fair again is a matter which has not yet been determined. This will undoubtedly rest with the judgment of guarantors of the Chautauqua and officials of the fair and may come up for discussion at a later time.

PUBLIC SCHOOLS OPEN MONDAY, SEPTEMBER 2

The fall term of the Cass City public schools will begin next Monday, Sept. 2. All pupils should plan to be there the first day so that they may be properly enrolled and receive the introductory instruction that will be given with the new subjects.

The school is very fortunate in securing a strong corps of teachers for the coming year. Supt. W. D. Riggs will again have charge of the school and Miss Beryl Koepfgen will be principal of the senior high school. Miss Bess L. Wormley will teach languages; Miss Josephine M. Geroux, science; Miss Isabel Wilson, mathematics; Miss M. Kinnaird, junior high school. In the grades, Miss M. Besse Miller will teach in the 7th and 8th, Mrs. Blanche Ferguson in the 6th, Miss Myrtle Orr in the 4th and 5th, Mrs. Hazel Hickey in the 3rd and 4th, Mrs. Dora N. Fritz in the 1st and 2nd and Miss Maud Soderquist in the kindergarten. NEWS OF LOCAL BOYS IN THE SERVICE

Word has been received that Stanley Graham has arrived safely overseas.

Lieut. Miller Moore of Camp Lee, Virginia, is enjoying a ten-day furlough with his family south of town.

Frank Ward has received word that his brother, Wm. Ward, had been slightly wounded in France about two weeks ago and is recovering nicely.

Fred Parker, a former Cass City boy, is in a hospital in France suffering from the effect of gas hurled at the allied forces by the Germans. He enlisted two years ago in a Canadian regiment and has been in France since last April. His mother, Mrs. Anna Parker, moved to Detroit from Wilmot recently.

George Moon was one of thirty-six out of ninety-nine to graduate from the coxswain class at Petty Officers School, Norfolk, Virginia. He is now a coxswain in the U. S. navy and has charge of a thirty-foot cutter which he has to care for himself. He is supposed to take out new recruits, give general instructions concerning the boats and teach boat drills and rope-making.

Lt. D. D. Duncanson, who claims Cass City as his boyhood home, is stationed at Camp Gordon, Ga., and is the athletic officer of the Fourth Replacement Regiment. Under his guidance the athletic activities in his regiment have been moving along with smoothness and dispatch. "The Trench and Camp" gives accounts of base ball games and Dan's "Indians" are showing lots of pep and taking more than their share of the victories. Lt. Duncanson was a member of the University of Michigan football team for three years, the baseball team for two years and the track team for the four years he was in Michigan. He won his letter in all three sports at the University.

Lieut. I. D. McCoy, M. C., in a letter to the Chronicle, received last week, writes that he expected to go overseas very soon. Lieut. McCoy received his orders on his birthday, July 9, in Washington, D. C. He was sent to Camp Greenleaf, a medical officers' training camp

in Chickmauga Park, Ga. He was there 18 days and took and passed several examinations successfully and was stationed with the 39th Division, 114th Sanitary Train at Camp Beauregard, Alexander, La., for active duty. The doctor has lost no time since leaving Cass City for the service and is getting to the front in a remarkably short period. He says he intends to be back in good old Cass City in a year or two.

Angus Duncanson, who sold his farm stock and implements near Deford recently so that he might enter the Canadian army, is now stationed at Carling Heights, London, Ontario, with the Canadian Engineers (2627410). "I feel fine and healthy," he writes, "and am gaining about a pound a day. Hope to keep this up until I see the Kaiser. We have things quite nice now—a Y. M. C. A. on the ground here and a Y. M. C. A. and soldiers' club up town with all kinds of reading and eating. The people here think a lot of the American soldiers and also America. Would like to say anybody expecting to be in the army should join the Home Guards if they can handle and get some training before coming into the army. For if you can't do things right, the officers are not backward about telling you how it should be done."

FAIR PROGRAM BEST EVER GIVEN

THE FAIR AND CHAUTAUQUA WORKED WELL TOGETHER; WELL ATTENDED.

Big Crowds Satisfied They Received Much More Than Their Outlay of Cash Warranted.

From an entertainment point of view the Greater Cass City Fair last week produced the best program in its history and the attendance compared very favorably with the fair's big crowds in former seasons.

The fair's regular amusement program which showed some very high talent was augmented by the afternoon and evening Chautauqua programs of the Coit-Alber service. Contrary to the expectations of many, there was little confusion and noise near the Chautauqua tent and the Fair attendants seemed to "take well" to the Chautauqua and the tent was filled to overflowing at all entertainments and lecture numbers. The fair and Chautauqua work very well together.

There is no need to comment on the individual numbers of either the Fair's amusement program or of the Chautauqua. These were so varied that all classes were pleased and all seemed satisfied that they received much more than their outlay of cash warranted.

Wednesday's program was enlivened by a ball game between the Home Guard teams from Caro and Cass City. The home team had the visitors well in hand and at no time did the locals have need to worry regarding the outcome. The score: Caro 0 0 0 0 0 1 0 5—6
Cass City 2 0 1 0 3 0 2 4 *—12

Thursday was patriotic day and it was made a big event with something doing every minute during the afternoon. In addition to the regular program of races, Chautauqua and special free attraction programs, the Home Guards of the county gave fine exhibition drills and marches, wall scaling feats and other army maneuvers, while the Liberty Girls staged a very pretty drill in front of the grand stand. Both the young ladies and the Home Guards were heartily applauded and these numbers seemed to be the most appreciated of any during the day.

The officers of the fair worked very hard to bring about a successful exhibition and they are to be congratulated in that their hopes and ambitions were so well realized at the fair last week.

In other columns of this issue are printed the list of successful exhibitors in the several departments and in the following paragraphs are given the results of the races.

IT PAYS TO ATTEND
The Business Institute

The insistent call for trained office men and women has enabled many Institute graduates to accept employment at beginning salaries of \$70.00 to \$100.00 a month.

The opportunities for advancement are excellent. We have always been able to place our graduates advantageously, but for the last year the demand has been far in excess of the supply.

The training camps are busy fashioning raw recruits into soldiers—we are busy, too, training young men and women to be soldiers of industry. They are needed, and we offer exceptional opportunities to prepare in a short time to fill responsible positions in any office.

The best opportunities are open to young men and women who are ready to accept them. To be ready means that one must be thoroughly trained for the job at hand.

Huron Co. Soldiers From Camp Custer, with U.S. Reg. Band

WILL POSITIVELY BE PRESENT

As per this telegram from the Commander at Camp Custer:

Camp Custer, August 27, 1918.

A. CORNELL, Secretary,
Bad Axe, Mich.

Your request for Band and Soldiers of Huron County Approved.
BURKHARDT.

This will not only be a great feature of the fair, but a great opportunity for relatives and friends to meet the boys from Huron County before they go across. They will give exhibition drills on the fair grounds, with bayonet practice and company formations exactly the same as they will use when they go over the top in France.

U. S. Army War Planes with Pilots and Observers

By special arrangement the War Department is to send to the Huron County Fair two regulation high-powered war planes and bombing machines, the same as used in scout service over the European battle lines. These machines are of the famous De Haviland type, equipped with Liberty motors of tremendous capacity, and each carrying governmental especially trained pilot and observer. Two huge double fighting machines, giving a realistic demonstration of actual warfare for which the craft is constructed, and their operators especially trained under Federal supervision.

Through the courtesy of the War Department visitors to the Bad Axe Fair will have the singular good fortune to witness real governmental aviators specially trained for the service abroad—Hun-hunting Yankees in their death-dealing American (Made-in-Michigan) airplanes.

SOLDIER BOYS' LETTERS

France, July 28, 1918.

Dear Father and Mother: I am not doing much this afternoon so I will drop you a few lines while I have time. Everything is fine here now. How is it back home and how are all the folks? I received a Cass City Chronicle of June 7 and was glad to read some of the home news and that article about Decoration Day was fine. I have read it through a couple of times now. Did you folks send it or was it mailed by the Chronicle?

Have you folks heard from Earl or Leo? I haven't heard from either of them for three or four weeks. Did I tell you that I met Mervie Keyser in town the other day. Say, but it was fine to meet some of the boys from home. I wouldn't have known him in a uniform but he came over to the truck I was driving and would like to have jerked me out of it. He is in the Field Artillery now. I guess there can't be such an awful lot of the boys that were drafted from around there on this side yet. He is the first one I have met.

Well, how are young Orton W. Spencer and the rest of the family? What are you folks all doing now? I suppose you are sitting down talking about the war today for it is Sunday. What do the Detroit papers say about the war?

What kind of a Fourth of July did you have? Are they dredging Cass river now or was that job let yet? If it hasn't been let, it will not be let until after the war.

Well, my arm is just about broken so I will ring off for this time. From your son,

Corp. ORTON W. SPENCER, Engineer Truck Co. 10, 23rd Eng., American Exp. Forces.

Well! Rewarded for Victory. After Waterloo the British parliament purchased for the duke the estate of Stratfieldsaye at a cost of £260,000. The king of the Netherlands, grateful for restoration to his throne, created the victor Prince of Waterloo and presented him with large estates. Other distinctions included the Orders of the Garter and the Golden Fleece and the rank of field marshal in eight European armies.

IMPERATIVE CALL TO WOMEN OF AMERICA

Continued from first page.
 An earnest appeal for 25,000 young women between the ages of 19 and 35 to enroll in what shall be called the United States Student Nurse Reserve. The enrollment will begin on July 29, 1918. Those who register in this volunteer body will engage to hold themselves in readiness until April 1, 1919, to be assigned to training schools in civilian hospitals or to the Army Nursing School and begin their course of study and active student nursing.

The service which we are asking calls for the best that the womanhood of America can offer in courage, devotion, and resourcefulness. We can not go forward to victory overseas if the wives and families of our fighters are not sustained in health and strength, if we can not protect our workers against the hazards of war industries, if we can not defeat accident and disease, our enemies at home. Upon the health of the American people will depend the spirit of their forces in the field.

Acting on the urgency of the need, the undersigned have asked the State divisions of the Woman's Committee of the Council of National Defense, through their local units, to enroll the 25,000 women needed. We ask the women of America to support us in our further effort not to lower American hospital standards, and to give us the practical assurance of their support by going to the nearest recruiting station established by the Woman's Committee of the Council of National Defense on or after July 29 and enrolling in the United States Student Nurse Reserve.

Anna Howard Shaw, Chairman, Woman's Com., Council of National Defense.
 W. C. Gorgas, Surgeon General, United States Army.

To meet the need of the training for the U. S. Student Nurse Reserve there are 1,579 nurses' training schools in civilian hospitals, beside the Army School for nursing. In these schools the 25,000 of America's first young women will receive their course in training which is from two to three years.

The requirements for admission to a training school are—

- Age limit, nineteen to thirty-five.
- Physically fit.
- Good moral character.
- High school training wherever possible, and preferably college training. Candidates are not refused, however, if they have not completed a high school course.
- The higher the quality of the members of the U. S. Student Reserve, the better for the country. Women of character, intelligence and resourcefulness are wanted.

College graduates upon entering schools of nursing are given credit for college work done, this credit varying from six months to a year, thus reducing the three-year term of training.

As for the cost of training, each student nurse gets her board, lodging and tuition free, and in most cases, receives a small remuneration to cover cost of books and uniforms.

All of the eligible young women of this community are urged to go to the local chairman of Woman's Committee of the Council of National Defense, Mrs. L. E. Aldrich, for full information and enrollment blanks.

THUMB NOTES.

Jay E. Graves, son of Wm. Graves, former residents of Deckerville, died in the general hospital at Roven, France, on Tuesday, August 13, according to a telegram received by his father from Ottawa.

Albert Stoner was injured so seriously at Sandusky that he died a few days later. He drove the street sprinkler to the power house to repair the hose attachment on the wagon. The whistle at the power house frightened the horses and the man was thrown under the wagon in trying to stop them. The heavy wagon passed diagonally across his chest.

Miss Jean Smith, daughter of Mr. and Mrs. W. M. Smith, of Sebawaing, is the first Huron county nurse to go into active military service as announced by Fenton O. Fish, corresponding secretary of the Huron County War Preparedness Committee.

Dr. J. F. Waltz, of Brown City, who recently enlisted in the Medical Reserve Corps and has already received his commission as a First Lieutenant received orders Tuesday morning to report at Fort Oglethorpe, Georgia on September first.

Hats off to Marlette! As the result of her Chautauqua, \$400.00 were realized as profits from the venture which sum was given to the Red Cross. Over 400 signed pledges for tickets were received for the Redpath Chautauqua for 1919.

It cost the backers of the Crowwell chautauqua something over \$4.00 each for the privilege. The conditions making the running of the enterprise too precarious for pleasure it was passed up and we will very likely do without the entertainments for several years.—Jeff.

Following the disappearance of Cashier Theodore Wixon and the receipt of a letter stating that there was a shortage in his accounts of between thirty and sixty thousand dollars, Bank Examiner Wismer has taken charge of the Lexington bank, until the matter is cleared up. In a letter written to one of the stockhold-

ers, Cashier Wixon admitted that he had lost the money as the result of speculation. He declared in his letter that he had been toying with the bank's funds for some time and that now he was going to enlist. This city is shocked by the actions of Wixon. He had always been considered a model citizen and everyone who was in any way connected with him, had absolute confidence in Wixon. He is not yet 30 years of age. Mrs. Wixon, the wife of the former cashier, is prostrated.—Port Huron Times-Herald.

Joseph Roth of Minden has left for Birmingham, N. Y., to lend his aid in an investigation being conducted into the death of his brother, Philip Roth, his brother's wife, and their five children, whose charred bodies were found in the smouldering ruins of their home near Birmingham Saturday. Circumstances surrounding the affair have caused the police to investigate.

MILITARY TRAINING FOR BOYS

C. M. N. S. Is Location of Unit of Students' Army Training Corps.

The War Department has officially designated Central Michigan Normal School of Mt. Pleasant the location of a unit of the Students' Army Training Corps, to be under the direct supervision of the War Department and to provide military training for boys of central northern Michigan, between the ages of 18 and 21. An army officer will be in charge, assisted by five men who are now being trained expressly for this purpose at Government expense at Fort Sheridan. Rifles, uniforms, overcoats and other equipment will be provided free by the War Department.

The purpose of this special War Department plan is to train boys who have had a good preliminary education to become eligible to enter officers' training camps, and for other specialized war service. The War Department has further planned to supplement this training by a six weeks' intensive course at a summer camp at Government expense, although it is possible that new draft regulations by Congress may upset this part of the plan so far as the older boys are concerned.

Central Michigan Normal School is receiving frequent instructions from the War Department by telegram and letters and will at any time communicate the most recent information in reply to inquiries from eligible boys or their parents. This office has on hand a copy of a circular, issued by the School, which covers all details of the plan indicated by the War Department to date. A copy will be mailed by Central Michigan Normal School to any parent or boy requesting it.

PAT CHANGES HIS VIEWPOINT

They are telling this story about an Irishman named Pat, who had been taken prisoner, by the Germans. He was to be allowed to live upon one condition, this being that he would renounce King George and swear allegiance to Kaiser Bill. This he did. Afterwards he asked his officers if he was now a German. When informed that he was he came across with this remark, "Wasn't that an awful licking the French and British gave us at the battle of the Marne?" The Germans probably did not see the joke.

Can't-Sag Gates are cheaper than home-made wood gates and last five times as long.

Stock can't twist them out of shape; can't make them sag nor break them down. The steels last forever and the boards last five times as long as in any all-wood gate. There are no nails to rust off, no wood joints to rot. They are the finest looking gates you can own.

Come in and See Them—let us prove to you all these claims. We sell complete gates all made up and ready to hang, or just the Gate Steels, which include 8 angle steel uprights, double truss triangle brace, hinges, lag screws, bolts, washers and even a lighting socket wrench; also direction sheet showing how to assemble the gates, so you can build them yourself and save money.
