OLD AGE STARTS WITH YOUR KIDNEYS
Science says that old age begins with weakened kidneys and digestive organs. This being true, it is easy to believe that by keeping the kidneys and digestive organs cleansed and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.
For over 200 years GOLD MEDAL Haarlem Oil has been relieving the weaknesses and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haarlem Oil is inclosed in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill, with a small swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day. GOLD MEDAL Haarlem Oil Capsules will keep you in health and vigor and prevent a return of the disease. Do not wait until old age or disease have settled down for good. Go to your druggist and get a box of GOLD MEDAL Haarlem Oil Capsules. Money refunded if they do not help you. Three sizes. But remember to ask for the original imported GOLD MEDAL brand. In sealed packages.

treasurer, John McKenzie; clerk, Wm. Robinson; highway commissioner, Tom Workman; Board of Review, Mrs. Daniel Karl; Justice, Jeff Rathburn; constables, Wm. Shirley, Daniel Donland, David Pettinger, Robert Bailey.

Lime Will Increase Your Land's Yield
Pulverized limestone, as every farmer knows today, has proven itself a necessity on the farm where acid soil prevails—and when full yield per acre is the aim of the farm owner.
Solvay Pulverized Limestone
is used by the big majority of farmers in your state. Your neighbors use it.
More finely pulverized—containing a bigger percentage of carbonate and magnesia—furnace dried—Solvay is the most satisfactory and effective limestone you can buy.

At the meeting of the Friendship club last week at the home of A. D. Mead, an honored guest was present in the person of Mrs. Julia N. Hoffman, a highly esteemed resident of our town. Among the various forms of entertainment was the posing for a picture of the club after which Mrs. Hoffman was assisted to a seat upon a fine looking horse near-by and her likeness then secured. Mrs. Hoffman will be 86 years of age next Decoration Day and has long been remarkable about here for her equestrian skill. The last ride of this character taken by this beloved and aged lady was on her 81st birthday when she rode in the procession on that eventful day, the 30th of May, to and from the cemetery on a horse which she had owned for many years and which has long since gone to whatever reward may await a faithful animal. At that time in her life, Mrs. Hoffman rode with ease and grace, sitting as erect in the saddle as a girl of seventeen summers. May she be spared many years yet to meet with the Friendship club is the wish of her host of friends.

Ditching and Soil Washing Problems Solved We Take the Risk

The men behind the Martin Farm Ditcher and Road Grader play fair. They don't want any man who buys one to keep it if it fails to do the things claimed for it. Up to date farmers know the value of ditching and farm terracing. They know that the properly drained farm is the one that produces biggest crops and makes most money.

THE Martin

and a little bit of labor will soon properly drain any farm. This machine cuts a V-shaped ditch down to four feet. It is reversible, throws the dirt to either side, so that you can ditch close to a fence. It can be adjusted for a narrow or wide cut. It's made all of steel and has no working parts to wear out. Lasts a lifetime.

Valuable for hillside ditching and terracing. Breaks and tears down tree stumps. Levels bumps, fills gullies, grades roads. Call and look at one or send for book telling what users think.

Cass City friends of Mr. and Mrs. Louis Alsager have received announcements of the arrival of a 7-pound baby daughter on Monday, Feb. 24, at their home in Bison, South Dakota. The little lady has been named Kathrine Mae. Mrs. Alsager was formerly Miss Belle Burt and is a sister of George Burt of Cass City.

Two Cass City youngsters returned Monday from a journey to the Southland. Their original intention was to travel to Florida or some other sunny clime, but when they reached Detroit, the police became too inquisitive and the boys finally decided to heed the advice of the guardians of the law and return to their parental homes.

Stanley A. Striffler was the recipient of a handsome gold watch last week which he received as a prize for selling the largest quantity of a certain brand of liquid veneer while employed in a hardware store in Detroit two years ago. The prize was offered by the manufacturers and those included in the competition were all retail salesmen in the city's stores handling this particular line.

Miss Mary McWebb, daughter of Mrs. Wm. McWebb, who has had eight months' experience as a Red Cross nurse at Camp Taylor, Louisville, Kentucky, concluded a few weeks' visit with her mother Monday afternoon, returning at that time to her former location. Miss McWebb says she enjoys her work so well that she will remain in Uncle Sam's service as long as she is needed there.

E. W. Keating has gone to Strathroy, Ontario, having been called there through sad circumstances. Chas. Mitchell, Mr. Keating's brother-in-law, who left his farm west and south of town the first of January for a visit with his brother in Canada, has been stricken with serious illness the nature of which is not known but sufficiently grave to cause him to send for Mr. Keating, who left Thursday morning.

Harold Riggs, son of Supt. W. D. Riggs, came to his home here Saturday evening having received his discharge from Camp Raritan in New Jersey. Mr. Riggs is filling the vacancy of superintendent in the school caused through the serious illness of his father. Cass City is fortunate to secure a young man so well qualified educationally and so finely equipped in the knowledge of athletics as Mr. Riggs. We are pleased to note that his father is greatly improved in health this week.

On Saturday, Scoutmaster Roy Striffler, Rev. J. D. Young and 23 Boy Scouts enjoyed a hike two miles east of town, south to the south branch of Cass river and then a half mile east along the stream. Each member of the party provided his own dinner, and after the meal, the party deliberated in council around a big camp fire. Several members of the troop completed their second class examination and after a few games the homeward journey was made.

Rev. J. D. Young and family are rejoicing over the long looked for and long delayed intelligence that their son, who has been in the Exceptional Medical Work service in France, has once more set foot on American soil, having landed in New York Monday. He goes from there to Camp Mills where he expects to be stationed about three weeks. Mr. Young sailed for France Sept. 4th last. Rev. and Mrs. Young are hoping for a happy reunion of their entire family in the near future.

School Com. McComb of Caro visited our schools one day last week accompanied by Mr. Wilbur, a representative of the Agricultural Dept. at Washington and sent out by the authorities there to visit each school in the county for the opening of a campaign among pupils for the destruction of all growth of the common barberry shrub. He instructed the young folks how to distinguish the common from the Japanese barberry and informed them of the rust that forms on this common shrub which later in the season is carried through the air to the wheat crops where it lodges, and although it does not lessen the food value of the wheat, does reduce the quantity produced. The campaign begins all over the county early in April, and pupils of the
