

## SALVATION ARMY DRIVE IN TUSCOLA

LT. CLARENCE R. MYERS HEADS  
COUNTY ORGANIZATION AS  
CHAIRMAN.

Campaign Begins Monday to Raise  
Quota for Salvation Army National  
Home Service Fund.

Plans for Tuscola county's drive during the week of May 19-26 for its share of Michigan's quota of approximately half a million dollars of the Salvation Army National Home Service Fund of \$13,000,000, have practically been completed with the selection of Lieut. Clarence R. Myers as chairman; Lieut. M. B. Auten, vice chairman; Lieut. Milton D. Ealey, secretary; and Sergt. Frank Campbell, treasurer of the county organization.

Tuscola county as given a goodly share of its sons in the great war, and each boy is a walking, talking "ad" for the splendid work overseas of the Salvation Army. Now the after-the-war work of the Army must still be carried on. The present campaign, therefore, is not to provide funds for war work, but to put into effect the big program of constructive expansion in the solution of the peace problems which have been developed by the war.

The work of the Salvation Army and the purpose for which the Home Service Drive is to be carried on have been endorsed by General Pershing, Cardinal Gibbons and others of national repute, David Lloyd George, the country's leading Elks, Rotarians and other fraternal organization heads.

Within a few days the campaign posters, streamers, telephone shields, etc., will appear on Tuscola county's store windows and telephones so that with the exception of a few minor details, Tuscola county is all set and ready to go.

## CASS CITY H. S. WINS FROM MILLINGTON H. S.

The Cass City high school team won their first game on the home field Friday from Millington. It was the first real baseball day this spring and the boys made the most of it.

Harris was hit badly in the first inning and the first part of the second. Supt. Riggs made Wallace his successor in the box, who pitched a fine game though he weakened in the ninth. Both pitchers have good arms and will show up well after a little good practice. Brooker and Benkelman held down short and third with the same pep as last season.

Millington showed some signs of life now and then, especially the second baseman. Their pitcher, Cobb, threw a good game, one or two over first. The score was 10-6. Harris is credited with three strike-outs, Wallace with eight and Cobb with six.

Local line-up: Wallace, p; Benkelman, 3; Brooker, ss; Dodge, 1; Bigelow, cf; Jones, rf; Colwell, lf; Craft, c; Harris, p and 2. Runs were made by Brooker 2, Dodge 2, Jones 1, Craft 3, Harris 2.

Cass City goes to Reese for a game today.

## "SANDY" DUNCANSON HAS WARM SPOT FOR CASS CITY

Keeps Close Tab on Town and  
Cass City High School  
Athletics.

Alex Duncanson, a member of the Class of '06, Cass City High School, and now principal of the Alpena high school, has a warm spot in his heart for Cass City and keeps close tab on his old home town and the athletics of Cass City high. The following paragraphs are taken from a letter of Mr. Duncanson to the Chronicle publisher:

"You will notice by the enclosed check that I intended to write to you sometime ago, but did not get the time. The Chronicle has not arrived the past two or three weeks and I feel lost, so kindly send it along another year.

"I keep pretty close track of the old burg and among other things I noticed that the old Cass City high school has not forgotten how to win in athletics in the old Cass City way. I mean by that in the clean, fair, modest, aggressive style. I know all about how James Brooker went on the floor to receive the cup at Mt. Pleasant, after his team beat the best and most cocky bunch of basketballers in the state—a team that surely did figure that they had the game cinched before they played. My team went to Lansing and made a very good showing but they lacked what the old Cass City teams never lacked, training and no big headedness. In this team as in the old ones of years ago Cass City was always as strong at the finish as at the beginning. No coach ever had to tell them, 'now you will have to train.' Of course, they would train.

"All hail to the 1919 Champions of the State in Class B' for that is what they are as Cadillac won in her class at M. A. C. Give my congratulations to Captain Brooker and that star, Gowen.

"I am changing the check to \$3.00 so that will pay the Chronicle for one year and give basket ball team at least one dish of ice cream or a bottle of ginger ale, (I know that is the strongest you have anyway, pretty thin for a Scotchman tho, ha, ha).

"I am going to be here for another year I expect, could get more money some other places but things are living up here and I can live decently on \$1900.00, the amount they are paying me for next year, only a \$100.00 raise. Not much of a raise for executive positions. However, I congratulate myself that I got as much as the Supt. or any other one in the system."

## OWENDALE HERALD HAS SUSPENDED PUBLICATION

The Owendale Herald suspended publication with its issue of last week. In his good-bye message to the newspaper fraternity, Editor "Pete" Brookins says:

"Last week I received an offer on a large daily paper and the high wages, and short hours look so good to me, I have accepted. Consequently the Owendale Herald of May 9 is the last issue under my management. Just what disposal will be made of the plant is yet to be determined.

"The great majority of the people in and around Owendale, with but very few exceptions, have been loyal to the paper and its editor. I have taken a firm stand on some things and little flareups have occurred, but these have adjusted themselves, and today the little paper has more friends than ever before.

"However, owing to competition conditions, the small papers—except in county seat towns, and in counties where there are but few villages, are closing up, for the reason that daily work pays far better and expenses are less.

Governor Sleeper has signed the James bill, requiring every automobile driver to pay a fee of 50 cents and take out a license from the state department. Governor Sleeper was not favorable to this bill, but delegations from Detroit and other cities appeared in support of it and convinced him that it would be the means of saving many lives by keeping reckless motorists off the public highways.

## CO. W. C. T. U. MEETS HERE MAY 22 AND 23

HOLD 37th ANNUAL CONVENTION IN THE METHODIST CHURCH.

State President Will Deliver Address  
Thursday and Silver Medal Contest Is Held Friday Evening.

The 37th annual convention of the Tuscola County Woman's Christian Temperance Union will convene in the Methodist church at Cass City next Thursday and Friday, May 22 and 23.

The convention opens Thursday afternoon with devotional exercises by Mrs. C. S. Bates of Kingston, the county secretary. In addition to the roll call of county and local officers, the response of the several Unions and the appointment of committees, the following numbers are on the program: Address of welcome, Mrs. A. J. Knapp, Cass City; response, Mrs. Martha Allen, Pleasant Hill; music by Pleasant Hill Union; paper, "Practical Patriotism," Mrs. A. D. Gillies, Cass City; solo, Miss Hazel Mead, Cass City.

Thursday evening, Mrs. E. L. Calkins, state president will deliver an address and musical numbers will be given by an orchestra, male octet, and James Yakes.

The executive board will meet at 9:00 Friday morning, and at 9:30 the general session opens with devotional exercises by Mrs. H. M. Coulter of Linn Union. At this session, reports of superintendents, officers and committees will be heard, officers elected and invitations for the next convention entertained. Musical numbers include a whistling solo by Miss Sylvia Card of Pt. Huron and a selection by Pleasant Hill Union. Mrs. E. R. Bruce of Deford will give a reading.

The executive board meets again at 1:30 and the regular Friday afternoon session opens at two o'clock with devotional exercises conducted by Miss L. Allen of Kingston. Reports will be given by the executive board, the resolutions and finance committees and the treasurer and the county banner presented to the winning Union. Mrs. C. O. Blinn of Caro will conduct a memorial service and two papers will be given, "Lighting the Way with a Lantern" by Mrs. H. F. Lenzen of Cass City and "Keeping Posted" by Mrs. C. S. Bates of Kingston. Musical numbers include vocal solos by Mrs. A. A. Ricker of Cass City and Miss Elsie Campbell of Linn Union and an instrumental duet by Miss Mary Cummings of Caro and Miss Belva Tibbals of Cass City. The Children's Hour is in charge of Mrs. Dora Fritz and Miss Hazel Hickey.

Friday evening a silver medal contest will be held at which time seven will compete for the medal. Musical numbers at this session are selections by orchestra and male octet, vocal solos by Miss Etta Schenck, Miss Hazel Mead and M. F. Rittenhouse, all of Cass City, whistling solo by Miss Sylvia Card of Pt. Huron and a vocal duet by Misses Hazel and Edith Mead of Cass City.

Local pastors will assist in the devotional exercises at the various sessions of the convention. Mrs. G. A. Striffler in chairman of the reception committee and Mrs. T. L. Tibbals chairman of the music committee. The county officers are: President, Mrs. Mary E. Hawley, Caro; vice president at large, Mrs. Martha Allen, Pleasant Hill; secretary, Mrs. C. S. Bates, Kingston; treasurer, Mrs. Genie Martin, Leek Union.

## VASSAR YOUNG WOMAN IS KILLED BY SAW

Piece Strikes Miss Lida Cooledge  
in the Forehead and Splits  
Skull.

Miss Lida Cooledge, aged 23 years, housekeeper on the farm of Jesse Vassar, met with a fatal accident.

Miss Cooledge was attempting to saw a piece of wood with a buzz saw. The saw snapped, a piece striking the young woman in the middle of the forehead, splitting her skull in two and passing on about 200 feet. Death resulted within an hour after the accident.

Miss Cooledge was a daughter of the late Wm. Cooledge. Surviving her are her mother, Mrs. James Pecure, brother, Loyal, of Vassar, two half-sisters and two half-brothers.

The funeral was held at the undertaking parlors of Mr. Johnson, conducted by Rev. Arthur Walker.

A party was given Saturday evening at the home of Mr. and Mrs. Chas. Donnelly in honor of their son, Neil, lately returned from overseas. A large crowd of neighbors and friends were in attendance to congratulate the parents on the safe return of their son.

## MEMORIAL SERVICE AT M. E. CHURCH MAY 25

The Memorial Day service will be held at the M. E. church Sunday evening, May 25. Rev. B. O. Shellenbarger, pastor of the Baptist church, will deliver the address.

This will be a union service in keeping with the precedent established many years ago in Cass City.

The village council, at its meeting next Monday evening, will take steps towards making arrangements for the proper observance of Decoration Day at Cass City on Friday, May 30. The program will be announced in a later issue of the Chronicle.

## CLAIMS OF ENLISTED MEN HONORABLY DISCHARGED

Payment of Travel Pay for Soldiers and Sailors.

In an Act of Congress approved February 28, 1919, it is provided that:

"Enlisted men honorably discharged from the army, navy or marine corps since Nov. 11, 1918, shall receive five cents per mile from the place of his discharge to his actual bona fide home or residence, or original muster into the service at his option."

Due to controversy over the intent of the law, soldiers have heretofore received only three and one-half cents, or have been paid only to place of muster in. All such claims the War Department is now prepared to adjust. To secure such settlement, the soldier must send in his discharge paper or a copy thereof certified by the nearest recruiting officer, and a sworn application.

Any soldier in my District desiring to present such a claim may secure the necessary blank at the office of the Chronicle and after it is properly filled out may send it, together with his discharged papers, to me at the address given below and I will present them to the War Department and return the discharge paper with a check.

No affidavit is required by the Navy Department. Simply send me your discharge papers.

I am indebted to this newspaper for its generous space in bringing this matter to the attention of soldiers and sailors.

LOUIS C. CRAMTON,  
Member of Congress,  
477 House Office Bldg.,  
Washington.

## NOTHING LEFT UNDONE FOR WOUNDED SOLDIERS

Dr. F. L. Morris Witnessed Several  
Difficult Operations at the  
Government Hospital.

"We are all glad to see the boys come back from overseas," said Dr. F. L. Morris on his return from Rahway, New Jersey, where he witnessed difficult operations at the Government hospital. "The joy of some cannot be expressed; even if that lad has lost an arm or a leg.

"There is a saying that the medical and surgical science wins the war. Very true. You can get the statistics for this for proof. The surgical service at U. S. Army General Hospital No. 3 includes bone plastic work with the other repair work. There are about 1600 to 1800 soldiers there and two-thirds of the operations and work done for them is bone repair work. While at the hospital I witnessed several operations and saw the results of operations for replacing of lost bone in numbers of soldier that were fine. One lad who had a broken neck and was paralyzed below the neck was up and around and had been to dances.

"One of our boys had the misfortune of losing three inches of bone from the upper part of his right arm; also extensive flesh wounds on his body and neck. John H. Finkle was operated on Monday and sat up in bed on Wednesday. The arm was held by braces in its natural position and the ends and sides of the bones left were exposed; now a groove about two inches long was made in each bone in line; a strip of bone was taken from the shin (seven inches long in this case) to fill the places in the arm and held in place by kangaroo tendon. The wounds are now closed and dressed and the arm, shoulder and body enclosed in a plaster paris cast for at least two months. The shin heals up with new bone in about two weeks.

"Major Fred H. Albee, M. D., has been appointed to do this work by Uncle Sam and he is a very fine and clever operator. There is nothing left undone to reconstruct the soldier, both mentally and physically from the time he arrives until his discharge."

Excavations are under way for the new residence which Edward Pinney plans to erect in the near future.

## TUSCOLA COUNTY WILL PAY TRIBUTE

TO THE VALOR OF HER BOYS  
WHO RETURN FROM SERVICE OVERSEAS.

Jubilee for Returned Soldiers and Sailors to Be Held at County Seat July 4.

All Tuscola county will pay tribute to the valor of her boys who have and are still returning from service overseas at the Jubilee for returned soldiers and sailors to be held at Caro, July fourth.

The spirit of this occasion will affect every individual of every locality in the county and one of the biggest justifications in years is assured for this occasion. A complete organization has now been perfected and a great deal of the necessary preliminary work is already underway. Township chairmen throughout the county have been busy for weeks in the work of securing lists of names and addresses of the boys who did such splendid service overseas, and in fact every branch of the military organization. These chairmen in turn forward these lists to a central organization at Caro where the names, titles, addresses, etc., are recorded in a voluminous record for future reference, as well as for present convenience.

This valuable information is not recorded in any other way and the long list of those who served their country during the world war will prove an interesting record to hand down to oncoming generations.

There is a chairman for every township, and every resident in the county should assist to the extent of furnishing their township chairman with this information so that a complete and perfect record may be made.

All residents of Tuscola county who have a son, brother or near relatives who saw service overseas or in any branch of the government service pertaining to the war should at once notify their township chairman, if they have not already done so. It is preferable that name, rank, address, etc., of every man from this county be listed with the nearest chairman who in turn will forward all records to Frank St. Mary, of Caro, who has charge of properly listing and arranging a complete record for Tuscola county.

A county meeting of all chairmen and members of committees will be held at City Hall, Caro, Friday, May 23, when details for the celebration are to be completed. So far as known there is no other gathering of this nature held within the county and everyone should make it a point to honor with their presence the boys who changed the minds of the Huns who "thought we couldn't fight."

Rev. A. L. Bell of Caro is county chairman of the celebration and Mrs. Orlo Pattison is secretary.

Standing room was at a premium and many were turned away from the opera house Tuesday evening when the senior class presented "The School for Scandal," a five-act classical comedy. The play was full of pep, the players likewise, and the audience caught the contagion, all of which made the evening's performance a most enjoyable affair. The plot showed how cleverly a rich old gentleman discovered the traits and merits of his two nephews and dealt with some affairs of the heart, all of which led to many amusing circumstances. The play gave members of the cast an opportunity to display their particular ability to the best advantage. It would be unfair to pick "stars" and "bests" in such a performance, as the player is confined to his or her lines, some important, others merely incidental, but it is the truth to say that each member of the cast acquitted him or herself in a manner that reflected much credit on Mrs. L. E. Aldrich, who drilled the class for the performance.

## LOCAL BANK RENDERS EXTRAORDINARY SERVICE

The Exchange Bank of E. H. Pinney & Son is in receipt of a beautifully engrossed certificate from the Federal Reserve Bank of Chicago, fiscal agent of the United States, in testimony of extraordinary financial service by its subscription for 100 percent of its quota of the series of treasury certificates issued in anticipation of the Victory Liberty Loan. The bank's subscription of certificates for this loan amounted to \$77,000.00.

## LOCAL ITEMS

Recent arrivals at New York from overseas service include the following Tuscola county boys: Olin Haemmerlein, Unionville; Thos. Anderson, Gageton; Geo. Herr, Cass City.

The Salvation Army will make a drive May 19 to 26 to raise \$13,000,000 for its Home Service fund. According to the returned soldier boys no organization deserves better at the hand of the people than the Salvation Army.

Glenn Reid, son of L. K. Reid, recently returned from France, arrived from Camp Custer Friday night and found a jolly company of 45 relatives and friends awaiting his appearance at his father's home, west of town. Three other members of Uncle Sam's forces, Arthur Randall of Lansing, Clare Beckett and Wm. Donnelly, were present at the gathering.

Cass City is exceedingly glad to welcome home her soldier boys, several of whom have arrived within the past week. Among these are Jacob Anthes, who was among the first from this community to go to France; Earl Spencer, recently returned from overseas; Robt. McKenzie from Quantico, Va.; Lawrence McDonald from Southern Field, Americus, Ga., and Robert Kirton.

Rev. and Mrs. A. H. Butzbach were entertained at the O. Y. Schneider home for tea Monday evening and at eight o'clock a male octet approached the home, gave a serenading song and accompanied them to the Evangelical church where the pastor and his wife found a large company of members and attendants of the church already gathered at an informal reception in their honor. The evening passed quickly with games and social chat. Roy Striffler, in a few well chosen words, welcomed Rev. and Mrs. Butzbach to their new field of labor and the pastor responded. A self-serve lunch was enjoyed near the midnight hour.

On Monday while Guy Cleland was finishing his shopping, he left his horse and buggy tied safely as he supposed in a church shed. When he returned, found the outfit missing and not until late in the afternoon was the cause of its disappearance explainable when two young boys, aged about seven and five years, drove in from the north having had a joy ride to Gageton where they had disposed of groceries, lap robe and other loose property in the vehicle. Their evident intent was to return the buggy unobserved. A pair of expensive spectacles just purchased by Mrs. Cleland were unaccounted for at last reports. It is understood that the older of the two boys drove an automobile away recently from the place where it had been left standing by M. F. Rittenhouse, and having stalled the motor before going many blocks, called for help to crank it during which operation was overtaken by the owner. The career for these boys does not look bright if they persist in such depredations.

**LETTERS FROM OVERSEAS**

**From Stanley Graham.**  
Young Women's Christian Assn.,  
Hostess House,  
Archangel, Russia.  
February 22, 1919.

Dear Mother and Father:

Well, it has been some time since I have written to you but I have been busy the last month. We have at last received word that we are going to get out of this country before long by June anyway. Well, it can not happen any too quickly for me. I am in Archangel now—my first trip here. Have been about 300 miles from Archangel most of the winter. It is quite a city, about 45,000 population. We are having some very cold weather just now—45 below last night.

I had a fine ride behind a team of reindeer yesterday. They sure can travel. They have some very nice furs here. I have been feeling fine all winter and am all O. K. now. I am writing this letter from the Y. W. C. A. Come over here every afternoon and get some good eats. Only Americans are allowed here. There are English and Italian troops here and plenty of Russians.

I saw my first street car for some time when I came into this town and they also have a railroad, but the old P. O. & N. is like riding on a Pullman along side of this railroad. I would like to tell you lots of things but it would not get past the censor, so you will have to wait until I get back which won't be long now. Don't worry about me as I am fine and getting along all right. Have not received any mail in some time. It is hard to get mail in or out of here now. I saw them cutting ice yesterday, about five feet thick so you see it gets a little colder here than in Michigan. They build a railroad track across the ice on the river here in the winter. Well, I have written about all the news there is for this time. Hoping this letter finds you both well, will close. With love, your loving son,  
STANLEY.

Co. A, 339 Inf.,  
Archangel, Russia, A. E. F.  
From Jas. C. Hegler to His  
Brother, Frank.

Brest, France,  
April 22, 1919.

Dear Brother:  
As this is Tuesday night and have a few minutes of leisure after familiarizing ourselves with our so called new home, will take the pleasure of writing you something of this place and about my naval experiences after leaving Ireland.

We left Queenstown by rail for Dublin where we took a ferry across the Irish Sea to Holly Head, England. There we took the train to Liverpool where we were stationed in Knotty Ash camp which is a suburb of Liverpool, about seven miles from the heart of the city, for the purpose of manning German ships to U. S. A. The camp has a capacity of 50,000 and is located in a very pretty section. There the American soldiers occupied one part, American soldiers another and Canadian soldiers another. We got liberty every night to Liverpool which is a beautiful city of 800,000 and America was well represented every night with sailors and soldiers. In the camp was a fine Y. M. C. A. which is a great help to sailors and soldiers in the way of reading rooms, library, stationery, moving pictures and the two snappy naval bands in camp gave a concert twice a week in it.

The people in Europe are proud of the record the Yanks have made in this war with the exceptions of England and there we found them to be extremely opposite. On April 6, two of the German ships were turned over to the United States and 1,000 sailors from Knotty Ash as well as other American camps over here assembled at South Hampton, England, to meet the ships which are delivered there or Brest by a German crew. April 10 the "Imperator," a German ship, the largest ship afloat, left Germany for Brest and Easter Sunday 540 of us left Liverpool on the U. S. Louisville to meet it. Eleven hundred soldiers as well as 50 wives went aboard on their way to United States. Every American transport that leaves here carries between 40 and 100 war brides back.

When we left Liverpool if you could have heard the cheering from the soldiers, sailors and wives when the band on the ship played "Homeward Bound," "Take Me Back to New York Town" and a dozen more, you would say there was some noise here as well as when the Statue of Liberty is in sight in New York harbor on their return. After 36 hours of riding by the way of Bay of Biscay and across the English channel, we found ourselves five o'clock Monday morning in Brest. Here we have very good quarters, liberty every night and our ship (Imperator) isn't due here till April 27. We have more fun than a Jew to a picnic trying to figure what the French are saying. The streets are full of American soldiers marching to the dock to go home. I think if the war had gone one year longer America would have owned half of Europe. Perhaps it will interest you to know something about this ship, "Imperator" we are coming over on. She is 965 feet long, 148 feet wide, draws 52 feet of water, 74 feet from her water line up, carries 11,000 tons of coal, has 18 decks, 49 boilers, carries 20,000 people, has a crew of her own of 2,200 and can go from Brest to New York in five days. Her capacity is 51,965 tons. It is getting late so will have to close and tell you more when I see you.

Your brother,  
JAMES C. HEGLER.

**THUMB NOTES.**

Carsonville will celebrate the Fourth.

Gagetown offers a desirable site for a joint tuberculosis sanatorium for Tuscola, Huron and Sanilac counties. It is located near the village and has a splendid grove of hardwood timber. This ten-acre site besides water, lights and fire protection is offered free of cost for ten years.

Philip Eckfeld of Unionville, who has been deputy county drain commissioner for several years in Tuscola, will be a candidate for the office of drain commissioner at the next primary.

Mrs. George Anderson of Caseville township, died Wednesday morning after a long illness at the age of 84 years. She, with her husband, who is still living, were among the earliest settlers of Caseville and of the few remaining pioneers.

Governor Sleeper, after signing the law abolishing the state board of health and creating a health commission and advisory health council, appointed Dr. Richard Olin of Caro as the first state health commissioner. The place carries a salary of \$4,500 per year, said to be less than that paid to health officers in large cities, but if made larger it would equal or exceed the governor's salary.

W. H. Quail of Crosswell was in town Tuesday in the interest of the Roach Canning Company and informed the Recorder that his company had placed 2,700 bushels of peas and 500 acres of corn with local farmers for this season. These contracts mean a large revenue to the farmers around Deckerville under favorable circumstances as it is said that farmers in other parts of the state find them profitable crops.—Deckerville Recorder.

Business places closed their doors and proprietors went gunning and even the village preacher bagged a number when Port Austin was visited by a "flying circus" of hawks. There is a state bounty of 50 cents and the air was black with the birds. They reached the "Thumb" on their way north and were not inclined to cross the lake. Howard Rogers bagged 96 and Rev. Boukewski bagged 25. Only one boy appeared in school. Chester Bigham who never had toted a gun enriched himself \$6.

More than three hundred Odd Fellows attended the institution of Snover Lodge, No. 61, in that village which was organized with eleven charter members by Grand Master George Harland, of Detroit, and Grand Marshal Louis G. Cramton, of Lapeer. The lodge is located in Warner's hall, which had been remodeled and the necessary anterooms, etc., installed.

You may play the hypocrite successfully for a time, but it is bound to react to your chagrin. An Oliver township farmer was assessed for \$9,000 on a farm for which he paid \$10,500. With tears in his eyes he begged that his assessment be reduced, as he had been swindled and the farm was not worth the price he paid. So persistent was he that his assessment was lowered. The other day he had an opportunity to sell, but insisted that the farm was worth \$12,000, and he would not sell for less. The assessment will now be put where it belongs.—Elkton Review.

Miss Elba Morse, the Red Cross nurse, and Miss Lela Dawson of Sandusky were in Deckerville and organized the Red Cross Nursing class at the home of Mr. and Mrs. L. E. Morden with about 25 ladies enrolled. Mrs. J. C. Merriman was made chairman of the organization and Mrs. C. H. Clemens secretary. Tuesday night's meeting was taken up with the organization and familiarizing the class with the work to be undertaken during the six or seven weeks in which the nurse will be in Sanilac county.

**PINGREE.**

Louis Crocker is on the sick list. So much rain is making the season rather late.

Manly Kitchen is reported to be improving in health at last.

A box social and entertainment will be held at the Chamber school-house May 21 in the evening, starting at eight o'clock. Ladies are requested to bring boxes. Everyone is welcome.

As the fruit trees are blossoming now, it is a very good time for spraying, especially the plum trees. As C. I. Cooke is orchard inspector for this season he hopes to see a good fruit crop.

**WELCOME-CIRCLE.**

The social meeting of the Welcome Circle was held at the home of Mr. and Mrs. Henry Ingles. Our president, Mrs. Meredith, being absent, Jno. Bell acted as president. The meeting was opened by singing our class song "Help Somebody Today." The scripture lesson was read, followed by prayer, and roll call with quotation. A contest was then enjoyed by all which Gladys Fullmer had prepared and other games were also played. Lunch was served at eleven o'clock. Quite a number of visitors were present. Next meeting will be held at the home of Mr. and Mrs. James McNaughton on June 7. Visitors always welcome. Come and enjoy yourself Committee.

**A TINY SAPPHIRE**

No bigger than the head of a pin—highly-polished and rounded by hand—the Pathe Sapphire ball, holds the secret of perfect tone. It gives absolutely accurate and distinct reproduction, in fact perfect duplication of tone.

This round, polished ball fits exactly into every tone wave registered on the record. It never misses the slightest indentation; it never scratches down the high notes, or jumps from one groove to the next.

Like a drop of water it runs, freely, smoothly, without scratching or cutting. In every crevice of the record, the Sapphire ball gives the perfect angle of contact, the clear, crisp reproduction of tone. It is the echo of sound, as accurate as the mirror is to sight.

The Sapphire ball will not wear out records. A Pathe record played on a Pathe phonograph will last practically forever. We guarantee every Pathe record to play at least one thousand times with the Pathe Sapphire ball, without losing the unexcelled beauty of tone, and without showing any perceptible wear on the record.

**FOLEY'S HONEY AND TAR**

A MOTHER wants to be sure and certain that the medicine she gives her child is safe. She wants no opiates or habit-forming drugs. She wants a medicine that she knows other mothers have used with satisfaction and success.

**Mothers Commend Foley's**  
Such a family cough and cold remedy is Foley's Honey and Tar Compound. It meets squarely and satisfactorily every demand a mother can make as to purity and wholesomeness. It is cleanly made of the very best ingredients which she would use herself if she could always get them in a fresh and pure condition.

When she insists on Foley's Honey and Tar she gets at a moderate price (less than she would pay if she bought the ingredients at retail and mixed them herself) a standard medicine that has been used successfully in thousands of homes for many years — a medicine that experience proves is the best she can buy.

**Safest For Children**  
Mothers who have used it know Foley's is safe and no harm will come even if an overdose is given by accident. It tastes good and won't injure the most delicate stomach. It promptly checks coughs, colds and croup. It should be kept in the family medicine chest the year-round—always ready when needed. Cass City Drug Co.—L. I. Wood & Co.

John Bartl and his son, residing on the Kinnaird farm west of town, had an unusual experience last week when they forded the river south of the farm. Driving team and wagon, the boy riding one of the horses, they found the river was considerably deeper than they anticipated. When they reached the middle of the stream, the wagon box suddenly left the wagon and floated down stream taking along a horse which had been tied to the hind end of the box. A setting of duck eggs and a few rabbits were deserted by John as he leaped from the box to the cool waters when the box started down stream. The horse and box floated to shore about 40 rods from the place where the farmer took his plunge.

# Elkland Twp.'s Quota for the Salvation Army is \$600.00

## We believe this money should be raised

First, because, as Jake Anthes says, "There is no organization in France that worked harder or gave food, help and lives more freely than did the Salvation Army."

Second, because, their work still continues in France and there is much to be done with half of our men yet to bring home.

Third, because the work of the Salvation Army does not stop with the war but continues day and night in all sections of the world and among all classes of people.

And finally, because the Salvation Army, having so readily taken care of and given to the soldiers, have become destitute of money and can continue their work efficiently only by the raising of the \$13,000,000 which task has been given to the American nation.

When Battery B, 114th Artillery, returned to Chattanooga, Tenn., a few weeks ago, it claimed Leland S. McPhail as captain. Capt. McPhail is the son of C. W. McPhail, a Cass City banker in the "eighties," and on the occasion of the battery's welcome home, he issued the following statement: "When I assumed command of Battery B on Nov. 3, 1917, I did not know a man in the battery. I saw it develop during the training period at Sevier and in France and commanded it in action until the middle of October. It is natural for any battery commander to be proud of his battery and possibly a trifle prejudiced, but in justice to Battery B I want to say: I firmly believe it was the best battery of field artillery in France. To this battery were allotted the hardest missions any battery in the regiment was called upon to perform and it always did its work willingly, efficiently and with a spirit that was little short of wonderful. The happiest recollection I will have of this war will be the memory of the 193 men of Battery B and the work they did—and the saddest, the thoughts of Ramsey, Garrison, Johnson, Randall and Springer and the other boys that we left over there, and who cannot share this welcome home with us."

Mrs. R. S. Proctor returned Friday night after a three weeks' visit with relatives in Flint.

Mr. and Mrs. Frank Auslander of Shabbona visited Thursday at the home of Thomas Colwell.

Mr. and Mrs. L. B. Middleton of Crosswell visited Sunday at the home of their son, E. L. Middleton.

Mrs. Anna Patterson moved her household goods Monday to the McLaughlin house on Pine street.

Mr. and Mrs. Otto Nique and daughter, Eleanor, of Decker were guests Sunday at the home of J. H. Striffler.

Mrs. G. A. Tindale and mother, Mrs. R. Clark, attended the funeral of Mrs. John Pike of Fairgrove last week Thursday.

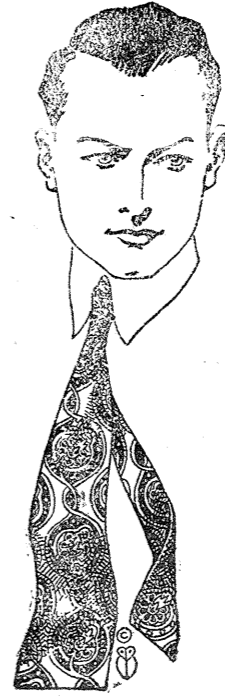

Ephzrim Reader and daughter, Ethel, visited Monday at the home of Mr. Reader's son, Frank Reader, in Beaulay.

Chas. Schenck of Minneapolis is in town this week visiting his parents, Mr. and Mrs. Warren T. Schenck, and other relatives.

Mr. and Mrs. Sam'l Robinson entertained at Sunday dinner: Mr. and Mrs. Elmer Hawkesworth and daughter, Leona, and Mr. and Mrs. Josh Sharrard and daughter, Eleanor, all of Cumber, and Mrs. Anna Patterson and son, Hazen, and Mr. and Mrs. Hiram Lewis and son, Ray.

Mr. and Mrs. John McLellan were called to Detroit last Wednesday, having received word that their son, Charles, was stricken with pneumonia and was seriously ill. Charles had been gradually gaining of late but took cold Tuesday suffering a relapse. Mr. McLellan returned to town Friday, his wife remaining for a few days. Latest reports state Charles is improving in health.

Persons who witnessed the presentation of "The Wizard of Oz" at the Pastime Theater some time ago and the many children in the lower grades of school who have listened, in wide-eyed amazement to that most wonderful of stories "The Magical Monarch of Mo" will read with regret the following taken from Saturday night's Detroit News concerning the author of these famous productions: The news of the death in Los Angeles, this week, of L. Frank Baum, noted author and playwright, was received by thousands of persons with sorrow. His big success, "The Wizard of Oz" is known throughout the land. The "tin woodman" and the "scarecrow" the Oz tales, favorites among children, were made famous when Julian Mitchell converted the book into a musical extravaganza. Montgomery and Stone gained fame as the "tin woodman" and the "scarecrow." Mr. Baum's first book was "Mother Goose in Prose." Later he wrote "Father Goose; His Book." The author was an ingenious man with his fingers. An instance is recalled when he cut a record for his pianola from paper. He also made by hand most of the furniture for his cottage at Macatawa Park, Mich., upon which he carved geese and other symbols of his stories. He set the type, made up, printed, folded and bound "By the Candelabra's Glare" (poems) written by him in 1898. Mr. Baum's hobby was to raise chrysanthemums. He took nearly half the prizes at the flower shows staged in California each year.

# Around Our Town

Miss Hazel Mead was in Caro Thursday.

Michael Carolan of Detroit is in town this week.

Daniel Striffler spent from Saturday until Tuesday with friends in Flint.

Miss Jewel Sparling of Marlette visited old friends in town from Friday until Monday.

Mrs. L. E. Aldrich will leave Friday for a visit at Lake City with her sister, Mrs. Allen.

Mr. and Mrs. Levi Delong, Mrs. John Reagh and Mrs. Chas. Kasonke visited in Bad Axe Tuesday.

Mr. and Mrs. Harve Klinkman welcomed a little son into their home, north of town, last Wednesday.

Mr. and Mrs. L. E. Dickinson, I. Waidley and Mrs. Mary Land were visitors in Saginaw Wednesday.

Arnold Dewey, young son of Ed. Dewey, came to town Sunday night and will assist C. W. Heller in his feed store this season.

Mrs. James Spencer and son, Wayne, left Thursday for Flint where they were called by the serious illness of an aunt of Mrs. Spencer.

The Priscillas were delightfully entertained Monday evening at the home of L. A. Fritz, the Misses Maude Soderquist and Josephine Giroux, hostesses.

Joseph Dickinson is enjoying a 15-day furlough from his duties on the U. S. Submarine Chaser 223 and came Wednesday evening to visit his parents, Mr. and Mrs. L. E. Dickinson.

Wm. Ball, jr., of Ellington entertained the following relatives and friends Sunday: Wm. Ball, sr., and family, James Crane and family, Henry Ball, sr., and Miss Hazel Lauderbach.

Among those journeying to Caseville Wednesday to arrange concerning the new cement walk soon to be constructed at Oak Bluff were B. J. Dailey, Howard Lauderbach and Samuel Benkelman.

Fire was discovered at the M. E. parsonage Saturday afternoon about one o'clock. The roof of the dwelling had taken fire apparently from a spark blown from the chimney but quick work with ladders and hose and chemical extinguishers soon had the blaze quenched. The pastor, Rev. J. D. Young, was out of town at the time but the officials of the church had the damage repaired before nightfall.

Little Billy Ruhl has been quite ill. T. L. Tibbals and family motored to Caro Tuesday.

Alex Miller visited his mother, Mrs. Isabel Miller, last week.

The Misses Diantha and Lillian Rogers went to Bad Axe Wednesday on business.

G. A. Tindale and Lester Bailey went to Saginaw Thursday, returning with a new Buick.

Chas. Rogers sat up Wednesday for the first time since his accident which occurred a short time ago.

The A. Frutche residence on the corner of Garfield Ave. and Seeger St. is being beautified with a fresh coat of paint.

Mrs. John Shageny became the mother of a fine baby born Sunday at the home of her sister-in-law, Mrs. McClorey.

Mrs. Ernest Reagh, who is in the Bad Axe hospital after undergoing a serious operation last week, is improving rapidly in health.

Mrs. Birdsall of Greenleaf came to town Monday driving a valuable carriage horse which was taken violently sick soon after her arrival in town. She drove it immediately to Veterinary Bradshaw's barn where everything possible was done to save the animal but later in the day it died.

Wednesday closed the school year for the Wickware district east of town of which Miss Helen Carpenter is the teacher. Miss Carpenter entertained her pupils Wednesday afternoon at her home in Cass City. The youngsters had a jolly good time and a delicious treat of ice cream and cake.

Friends of Martin Parent were greatly surprised to receive a call from him Thursday, especially to learn that he and his family had returned from Bishop, California, where they have lived for seven years before the last year and a half which time has been spent in Bad Axe. He is employed by the W. E. Allen Marble Works.

Wm. Lamb and family and Mr. and Mrs. Shay motored to Saginaw Saturday when shortly after their arrival, Randall, Lamb, son of Mr. and Mrs. Lamb, was taken suddenly ill.

Growing constantly worse they called a physician who pronounced it a case of measles. Mr. and Mrs. Lamb returned Monday bringing Mr. and Mrs. Shay with them and returning immediately to Saginaw where they are at present.

If you hit the mark you must aim a little above it; every arrow that flies feels the attraction of earth.—Longfellow.

## DEFORD.

Novesta township has raised its quota of \$17,000 for the Victory loan. Mr. and Mrs. Ben Gage and daughter, Bernice, Mr. and Mrs. Orson Valentine and daughter, Eleanor, visited Sunday in Oxford and Detroit.

Mr. and Mrs. P. Munsinhan of Howell, accompanied by their mother, Mrs. Geo. McCallum, of Pontiac motored through Monday to visit at the home of Wm. Kilgore. Mrs. McCallum returned home Tuesday. The rest will visit for a few days.

Myrtle Spencer of Cass City visited at her home here Sunday.

Chas. Tedford was first to drill beets in our neighborhood.

R. Johnson is adding a large implement store to his hardware store. Sam Sherk and Ralph Lewis are the carpenters.

Arthur Inglehart is pressing hay north of Cass City. Has about 90 tons to press.

Mrs. Jane Wethey and family and Mr. and Mrs. Frank Scott came Monday from Pontiac to bury her son, Lloyd, who was killed by an automobile in Pontiac during the winter, and was in the vault at Cass City awaiting the return from overseas of Harold Wethey.

Lester Wethey spent from Saturday until Monday with friends here.

Fred Hartwick's baby, Deloris, has been very ill but is some better.

## Metric Denominations.

The metric denominations and values for measures of capacity are as follows: Kiloliter or stere, 1,000 liters equals one cubic meter; hectoliter, 100 liters, equals one-tenth of a cubic meter; dekaliter, ten liters, equals ten cubic decimeters; liter, equals one cubic decimeter; deciliter, one-tenth of a liter, equals one-tenth of a cubic decimeter; centiliter, one one-hundredth of a liter, equals ten cubic centimeters; milliliter, one one-thousandth of a liter, equals one cubic centimeter.

## Farmhouses Modernized.

As farmhouses become adapted to the taste of the women who are, in so many cases, taking over their management, it is found that many of the old institutions of the farmhouse—the parlor, the many small rooms, the dark halls—are disappearing. Partitions are torn out to make spacious living rooms; porches are added, and everything is arranged for the utmost convenience of the housekeeper who is also tender of the fields.—Exchange.

## DEATH TAKES MRS.

NELLIE YERKES SATURDAY

(From Ypsilanti-Press of Ypsilanti)

Mrs. Nellie D. Yerkes, died this morning, May 10, 1919, at her home in this city after an illness of a month. She had been in failing health since an operation on her eyes last fall, but the acute illness came suddenly and was severe.

Nellie Dunham was born in St. Charles, Ill., April 5, 1849, and spent her girlhood in that city. In 1869 she was married to Stephen Yerkes of Northville, Mich., and resided in that village until the death of Mr. Yerkes in 1881. After a year's residence in Chicago, she came to Ypsilanti to join her mother, the late Mrs. E. B. Dunham, and for 37 years has lived in the pleasant home on North Huron street, which has been a center of helpful and constructive activities for all these years.

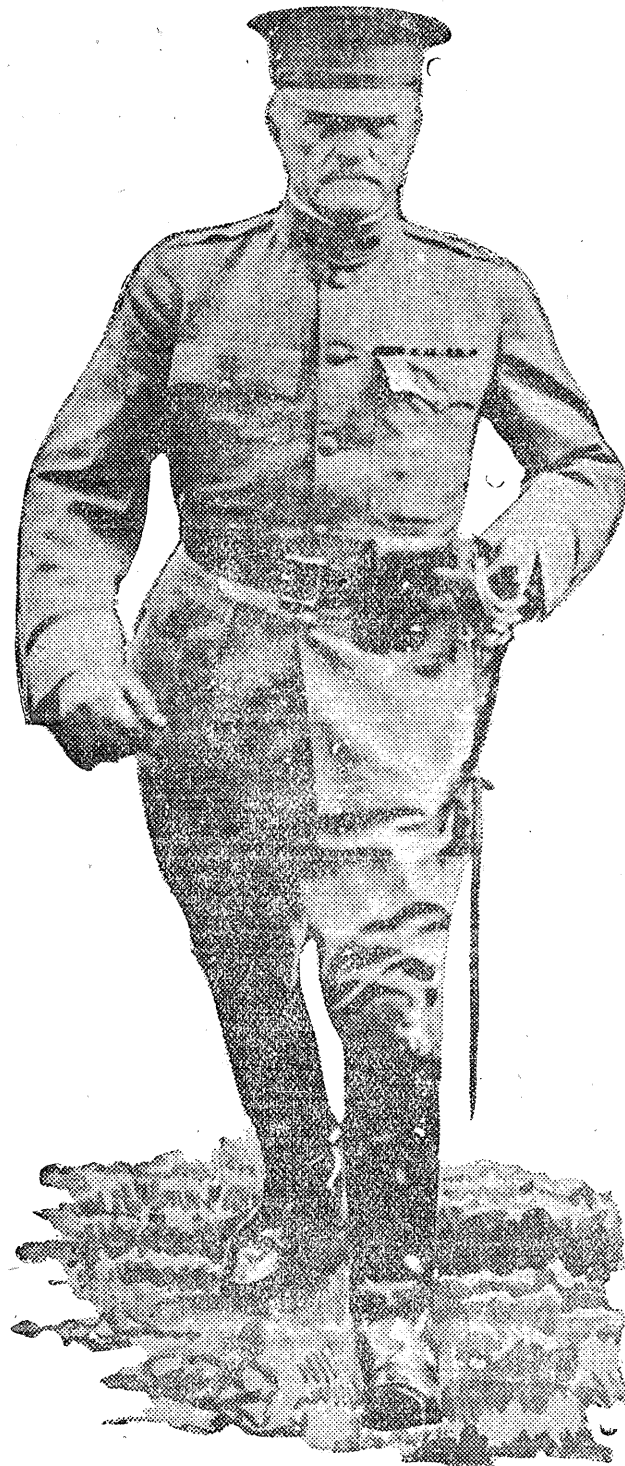

Mrs. Yerkes was a woman of rare gifts and charming personality. She had keen powers of observation and analysis, of seizing upon the essentials and of presenting information or conclusions vividly and clearly. Her wide range of knowledge and exceptional memory, her reliable judgment and remarkable executive ability were given freely to the many organizations in which she took a deep and active interest.

She was especially devoted to the Presbyterian church. For years she taught a large class of boys in the Sunday school and acted as substitute organist; but her chief work was in the Foreign Missionary societies. She was acting corresponding secretary of the Synodical W. F. M. S., the state organization, which was founded in Ypsilanti; and was recording secretary, for 15 years corresponding secretary, and for two years president of the Detroit Presbyterian Society, besides often acting as its delegate to the meetings of the Presbyterian Board of the Northwest.

She was one of the band of earnest women that organized and for years maintained the Ypsilanti City Y. W. C. A. and was the Association president. She was also an officer in the Sappho Club, at one time a large factor in the musical life of the city. She

## To Commander Evangeline Booth of the Salvation Army in the United States

I WISH to express to you my sincere appreciation and that of all members of the American Expeditionary Forces for the splendid services rendered by the Salvation Army to the American Army in France. You first submitted your plans to me in the summer of 1917, and before the end of that year you had a number of huts in operation in the training area of the First Division and a group of devoted men and women who laid the foundation for the affectionate regard in which the workers of your organization have always been held by the American soldiers. The outstanding features of the work of the Salvation Army have been its disposition to push its activities as far as possible to the front and the trained and experienced character of its workers, whose one thought was the well being of its soldiers they came to serve. While the maintenance of these standards has necessarily kept your work within narrow bounds as compared to some of the other welfare agencies, it has resulted in a degree of excellence and self-sacrifice in the work performed which has been second to none. It has endeared your organization and its individual men and women workers to all those divisions and other units to which they have been attached and has spread their good name to every part of the American Expeditionary Forces. Please accept message to each of your workers.

(Signed) JOHN J. PERSHING.

LET US PROVE THIS TO YOU

Nobody wants to drive or own a shabby looking car, but most of us balk at the cost and lay up of a shop job. And we fear we will make a mess of the job doing it, ourselves. Very well then—visit our Chi-Namel Department and we will brush

some Chi-Namel on a piece of ordinary cardboard. You watch it level out as smooth as glass. Then write your name in the wet surface with a tooth pick or match and watch it level out smooth again.

It is the most wonderful and interesting test, you ever saw and proof positive that Chi-Namel will level out smooth and glossy on your car no matter how you put it on.

Then again it is the most beautiful and highest quality auto and carriage finish on earth. Absolutely waterproof, self-leveling and durable. Will not crack or check from heat, cold, weather, water or vibration. Does not quickly lose its gloss like ordinary varnishes but stays bright for a long time.

Visit us today and learn for what a trifling cost you can drive a brand new looking car with Chi-Namel.

Put your car in condition yourself—it's easy. A quart of Chi-Namel Auto Color Finish will do a large car. You need no skill to produce a satiny-smooth surface because the Chinese Oil in Chi-Namel is self-leveling, all brush marks disappearing before it "sets". One coat is usually enough—and it is heat proof, waterproof, weather proof, nor affected by dust or hard travel.

VISIT YOUR NEAREST CHI-NAMEL STORE

The accommodating dealer will prove how simple the job and demonstrate the other Chi-Namel finishes for other parts of the car—tops, radiators, woodwork and bright metal parts.

ORDER FOR PUBLICATION. Final Administration Account. State of Michigan, The Probate Court for the County of Tuscola. At a session of said Court, held at the Probate Office in the Village of Caro in said County, on the 14th day of May A. D. 1919. Present, Hon. O. D. Hill, Judge of Probate. In the Matter of the Estate of Osro Maxfield, Deceased. B. F. Benkelman having filed in said court his final administration account, and his petition praying for the allowance thereof and for the assignment and distribution of the residue of said estate, It is Ordered, That the 10th day of June A. D. 1919, at ten o'clock in the forenoon, at said probate office, be and is hereby appointed for examining and allowing said account and hearing said petition; It is Further Ordered, That public notice thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing, in the Cass City Chronicle, a newspaper printed and circulated in said county. O. D. HILL, Judge of Probate. A true copy. O. D. HILL, Judge of Probate. 3-16-3

had heard most of the great artists and her musical judgment was keen and cultivated. She was a power in the Ladies' Literary Club for many years, serving it in many capacities, including that of president, and as its representative, was one of the early presidents of the City Federation of Women's Clubs. Her originality as a writer, supplemented by her experiences in wide travel at home and abroad, her progressiveness and excellent judgment, made her a valuable force in the Club. At her death, she was a member of the Club house board of trustees. Of distinguished Revolutionary ancestry, Mrs. Yerkes took great interest in the Daughters of the American Revolution and was at one time Regent of the Ypsilanti Chapter. Her patriotism also found expression in Red Cross and other work during the recent war, and she gave liberally of time and money to these causes. It was a source of pride to her that of the young men whom she had aided to secure an education by taking them into her home, six did valiant service for their country in France or on the sea; one, Clarence Ponton, who had been as a son to her, having won the Croix de Guerre.

Mrs. Yerkes was a firm believer in Equal Suffrage and in the tenets of the republican party, and was widely read on matters of public interest and the events of the day. She was young and progressive in spirit and an inspiration and a welcome friend to young people always. She leaves few near relatives—her sister, Mrs. J. D. Crosby, and nephew, Roy Crosby, of Cass City; her niece, Mrs. Fred C. Ballard, and grandnephew, Charles M. Ballard, of North Branch—but the number of her friends is legion and her loss will be widely and sincerely mourned. The funeral will be held at the residence, Monday afternoon at 2:30, Rev. Dr. J. D. Finlayson, assisted by Rev. Dr. A. F. Bruske, conducting the services. Interment will be in Highland cemetery. Joe Dickinson, of the United States Submarine Chaser 223, stationed at New Orleans, La., who is home on a brief furlough; Ernest Wood, of Detroit, recently of the navy, also; and Arthur I. Walker of Detroit, who was a member of the Normal S. A. T. C. last fall, all of whom have been Cleary College students, were in the city today to attend the funeral of Mrs. Nellie D. Yerkes.
